While we do have many young kids, we also have a great group of juniors and seniors to lead them. Returning letter winners: Ryder Allen, Carlie Brummer, Luke Hollerich, Logann Arnoldy, Grant Germann, Norah Ellenz, Ava Brummer

Season Outlook: We are a small team, with only 13 student-athletes out. But with the example and motivation of our seniors, Carlie and Ryder, I think this young group can set some person-

al records this year. We have a strong group of mid to long distance runners, who are pushing each other in practice to get better every day. I have coached this incoming group of 6 freshmen for the last two years in junior high, and I think their capabilities are high, if they are able to stay motivated and focused. Our ultimate goal is to get some of our athletes to State this year. I would love to see Carlie and Ryder be able to spend the end of their senior year at State Track & Field.

Returning Letterwinners: N/A

Returning All-League/State: Codie Huehl, 7th place at state — women's 400m

Season Outlook: We have good numbers again this year with about 35 girls and boys out for track. These

numbers should breed competition for spots in events. Last year competing out East in 1A we just missed out on a few more qualifying for State. This year we move into new territory in 2A and the new State qualifying format. Hopefully we can qualify more athletes to compete at Wichita.
