City to host Park Clean Up Day at Dunnegan in honor of park's centennial

The City of Bolivar is hosting its Park Clean Up Day at Dunnegan event at the end of May.

The community is invited to join City staff from 8 a.m. to noon Saturday, May 27, to help with important projects at Dunnegan Memorial Park.

Participants will work alongside the City of Bolivar Parks and Recreation Department and Community Development team to clean trash from the park's stream and lake, as well as clean up sticks and branches that have fallen in recent severe weather.

These projects will go a long way to help beautify the grounds, City Administrator Thomas Relford said.

"We are so proud of our crown jewel park, which officially turned 100 years old in February," said Relford. "So, we want to show our nearly 45-acre landmark some love."

He noted the clean up day is a great event to give back to Bolivar's beloved park.

Watch the City of Bolivar, Missouri Facebook page for updates on this event, or call City Hall at 417-326-2489 for more information.

KNOW YOUR NEIGHBORS:

Ben Coker

By Quincy Young

quincyy@bolivarmonews.com

Ben Coker, son of Shaun and Laura Coker, of Bolivar, just finished his school year as a seventh grader at Bolivar Middle School.

As a student, his favorite subject is social studies, saying that he has enjoyed learning about geography in class.

"It's been a good year," he said. "I mean, my English class has been difficult trying to keep my grade up, but that's always fine. All my other classes, it's fine. I'm doing good in them."

Coker's favorite thing about school is getting to hang out with his friends and even getting to make new ones.

While in school, he took on some responsibilities as an office worker for a class called Encore, which focuses on subjects like P.E., music, art, and technology. In this position, he would print and distribute papers to students and various classes.

A true Liberator at heart, Coker says "our school is just amazing.'

Most notably, Coker enjoys being part of the BMS track team.

"I've gotten at least eight medals. And I do the sprints, so like the 100 meter, the 200. Then I do the relays, the four by one and four by two. We haven't done too good, but we did really good these last few meets."

This year, his team got close to breaking a school record for the 4x200m relay, missing by just a couple of seconds.

"I've had a lot of fun with track, and all my coaches are just really nice and great," Coker said.

STAFF PHOTO/QUINCY YOUNG

While Coker is still uncertain about what kind of job he would like to have in the future, he is interested in becoming a baseball coach, since baseball is another sport that he really enjoys.

In his free time, he often likes to spend time with nine-yearold twin siblings, supporting his sister at her soccer games and going on camping trips with his brother.

Nov. 28, 1962-May 22, 2023 Susan Elizabeth "Suzy" Demster

Susan Elizabeth "Suzy" Demster

passed away in her home in Winona on Monday,

May 22, 2023. She was born in North Hollywood, California, on Nov. 28, 1962, to parents Earl and Carolyn Thomas.

Suzy graduated high school in Pleasant Hope,

and married her high school sweetheart, Larry Demster, on Dec. 4, 1981. Together they built a life on their farm in Brighton, and raised their daughter, Shannon. Suzy was preceded in death by her mother, Carolyn Ewing.

Suzy retired from a job she loved at Senior Age in Ash Grove. It gave her great joy to cook homemade meals for the senior citizens in the area. She considered them all family and took her responsibility very seriously. She was also an active, long-time member of AmVets Post #178 in Brighton. She took pride in participating in any activity that would benefit veterans. She especially enjoyed helping with their fishing tournaments and cooking for their various fundraisers.

At home, Suzy loved cats, reading books, watching scary movies, and listening to classic rock, especially Aerosmith. She loved cooking for others and did so as often as possible. She also enjoyed watching the hummingbirds, deer, and other wildlife that frequented her yard.

Suzy had a habit of taking in "strays," whether it was a raggedy old dog that showed up at the house or a person who was down on their luck. Her home, and especially her kitchen, were open to everyone.

She is survived by her husband, Larry; daughter and son-in-law, Shannon and Timber Jones; granddaughter, Elsie Jones; father and stepmother, Earl and Linda Thomas; and siblings, Danielle, Robert, Glenda, and Wade. She also leaves behind several nieces and nephews, including Jenna Thomas.

At Suzy's request, no services will be held, but prayers for the family are appreciated. Cremation arrangements were under the direction of Yarber Mortuary, Winona. Condolences may be expressed at www.yarbermortuary.com.

Donald Robert Heskett Jan. 11, 1944-May 22, 2023

Pa Pa's last ride: May 22, 2023

Some Walk Through Heaven's Gate, Some Ride!

Donald Robert Heskett, known affectionately as Pa Pa for the past thirty years, began his ride on Jan. 11, 1944. The first stop on his journey was Junc-

tion City, Kansas where he met his parents Thelma and William Heskett. Joining his ride was his brother Mike. sister Sheila and, for a brief time, his other sister Sharon. In the early years, the ride was tough and full of hard knocks, and soon, Don was aimlessly traveling many routes and avenues.

Then, in 1960, Don met JoAnne Sapp, and they fell in love. Don asked JoAnne to marry him, and on June 7, 1963, they began their journey together. The union proved to be exactly what they each needed, and they began to ride the chosen path they dreamed of

This path led to three children, Don Heskett Jr, Shelli, and Brian (Melissa). The family was close and decided to ride many roads together, enjoying as much scenery as they could. Eventually, more Hesketts joined the ride, including nine grandchildren, Tanner, Amber, Cody, Cassidy, Tyler, Ashley, Dusty, Amanda, Eddie and seven great-grandchildren, Jaden, Kadence, Jared, Kolton, Colton, Sophia and Graham, as well as several nieces and nephews.

Don retired from General Motors in 1999 after 34.3 years of service. As the years flew by, Pa Pa Heskett and his family continued their ride finding new territory to explore and enjoy along the way. Sixty years after marrying the love of his life, Pa Pa had to bow out of the family ride to pursue his heavenly travels, and although the family will miss him dearly, they are resolved to continue the ride he cherished.

Funeral services will be at 1:30 p.m. Tuesday, May 30 at the First Christian Church in Bolivar under the care of Butler Funeral Home, Bolivar. Burial to follow in the Humansville Cemetery.

One colleague said, "He's a

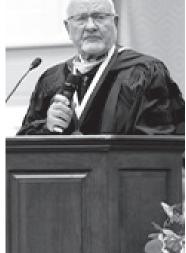

selfless servant, constantly going out of the way for others, and keeps the best interests of his students at heart. His love for the Lord is evident daily in his leadership both in and out of the classroom. He laughs often, encourages those around him, and is genuine in all he does. He truly radiates joy and puts a smile on everyone's face."

The award is presented annually to a faculty member who has been regarded by the previous three years' graduating classes to be outstanding in both teaching ability and personal guidance.

In 1969, the SBU Board of Trustees designated this award in memory of Hendrex, a former academic dean.

ceremonies.

Herschend earned a bachelor's degree in business from the University of Missouri and was awarded an honorary doctorate in business from South-

west Baptist University. Peter and his brother Jack were teenagers when they came to the Ozarks with their parents in the 1950s. Their family business started with a hole in the ground called Marvel Cave, and it is beneath what we all know now as Silver Dollar City.

Herschend Enterprises is the nation's largest family-owned company specializing in wholesome family entertainment. They "lead with love" some 13,000 men and women employed to "create memories worth repeating" for the 13 million loyal fans who come annually to their 26 properties

in 9 states and Canada. Peter is a champion of public education, as the longest-serving member of the Missouri State Board of Education, holding that position for 32 years under 7 governors of our state. He is a philanthropist, serving on numerous boards of charities that help "the least of these" to discover the grace of God while seeking to surmount immense challenges in life.
