HIGHLIGHTS: In sophomore year, my roommates and I really hit it off — we ate, studied and traveled (DAYTONA BEACH YEAH!!!) together, and found off-campus apartments to share since then. Now we're planning Aires gave me so many great memories.
JOBS: Campus 911 dispatcher, development office assistant, admissions office assistant.

ETC.: We took some of the best road trips. Whenever we could, we set up our class schedule so we had three-day weekends, and could hit the road. We went everywhere: Chicago to listen to the blues, Kansas City to eat barbeque, Des Moines because Evan's grandma lives there, the Mall of America because we wanted to go to Legoland and The Void, St. Louis to listen to the blues and eat barbeque!

LOOKING FORWARD: A little time off, then it's time to find a job. Grad school may be in my future, too.

Good luck, buddy!
Congrats Zach, wishing you all the best.

BECAUSE THIS YEAR
IS DIFFERENT

We want to honor your grad!

The class of 2020 has it tough and we want to help you do something special for them. We've launched an online feature to help you tell the world how proud you are of your 2020 grad — whether it's high school, college or even elementary school.

- We're offering a **FREE photo and listing** of your grad's sports, honors and activities, displayed in a grid with all the other grads. Each grad will also have their own page and we'll host it all online for a year.

- **Want to really make a splash about your grad?** You can expand their page with fun family photos, highlights, memories, a favorite quote, a top 10 list. You can even invite family and friends to contribute to their page.

- **You also have the option of publishing your grad's accomplishment in the paper.**

The best part is that it's all easy. Just fill out a simple form at xxxxxxxxxxxx.HonorMyGrad.com and you're set.
