Christmas is a beautiful sharing and caring and loving but most giving is the best part a beautiful Christmas because giving is the best part a beautiful Christmas is because you get to give to other people and it makes you feel good when you give to other people don't make it feel good

Dear Santa,  
All I want for Christmas is my family to have a good time and to get the family together. All that I want for a present is a elf on the shelf. I never had one before and it looks cool to have a elf on the shelf. All I really want is to snow a ton. So me and Kaideen can play in the snow and have fun and make a snowman.

Happy holidays,  
Amigah

What does Christmas mean to you? Christmas means to me the birth of Jesus. It is a very very special time! I believe men came to give gifts to Jesus! Also the shepherds visited Jesus. Jesus was born a long long time ago that is cool.

Christmas means family, every Christmas my family gets together on Christmas. Then I get to see my whole family! We share, we play games and best of all we feast! I'm glad to have such a great family and merry Christmas by the way I also go with my Dad to find a tree/a real tree.
