BOND PURCHASE AGREEMENT

**\$9,000,000
SALES TAX BONDS, SERIES 2023
OF THE
PARISH SCHOOL BOARD OF THE
PARISH OF LIVINGSTON, STATE OF LOUISIANA**

November 15, 2023

Honorable Parish School Board
Parish of Livingston, State of Louisiana
Livingston, Louisiana

The undersigned, Stifel, Nicolaus & Company, Incorporated, in Baton Rouge, Louisiana (the "Underwriter"), offers to enter into this agreement (this "Bond Purchase Agreement") with the Parish School Board of the Parish of Livingston, State of Louisiana (the "Issuer" or "Governing Authority"), which, upon your acceptance of this offer, will be binding upon the Issuer and upon the Underwriter.

This offer is made subject to your acceptance of this agreement on or before 11:59 p.m., New Orleans Time, on this date, which acceptance shall be evidenced by your execution of this Bond Purchase Agreement on behalf of the Issuer as a duly authorized official thereof.

Capitalized terms used, but not defined, herein shall have the meanings ascribed to them in the Bond Resolution (as defined below).

1. **The Bonds.** Upon the terms and conditions and the basis of the respective representations and covenants set forth herein, the Underwriter hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of the above-captioned bonds of the Issuer (the "Bonds"). The purchase price of the Bonds is set forth in **Schedule I** hereto (the "Purchase Price"). Such Purchase Price shall be paid at the Closing (hereinafter defined) in accordance with Section 6 hereof. The Bonds are to be issued by the Issuer, under and pursuant to, and are to be secured and payable as set forth in a resolution adopted by the Governing Authority on November 2, 2023, as supplemented by a resolution to be adopted by the Governing Authority on November 16, 2023 (collectively, the "Bond Resolution"). The Bonds are issued pursuant to Part II of Chapter 4 of Subtitle II of Title 39 of the Louisiana Revised Statutes of 1950, as amended, and other constitutional and statutory authority (the "Act"). The Bonds shall mature on the dates and shall bear interest at the fixed rates, all as described in Schedule II attached hereto. The Bonds are entitled to the benefit of an account in the debt service reserve fund established solely for the benefit of the Bonds in accordance with the terms of the Bond Resolution, which reserve account is being initially funded via surety bond (the "Reserve Policy") issued by Build America Mutual Assurance Company (the "Reserve Insurer").

2. **Establishment of Issue Price.** The Underwriter agrees to assist the Issuer in establishing the issue price of the Bonds and shall execute and deliver to the Issuer at Closing a certificate substantially in the form attached hereto as **Exhibit A**, with such modifications and supporting pricing wires or equivalent communications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Issuer and Bond Counsel, to accurately reflect, as applicable, the sales prices or the initial offering prices to the public of the Bonds. All actions to be taken by the Issuer under this section to establish the issue price of the Bonds may be taken on behalf of the Issuer by the Issuer's municipal advisor, and any notice or report to be provided to the Issuer may be provided to the Issuer's municipal advisor.

(a) Except as otherwise set forth in **Schedule II** attached hereto, the Issuer will treat the first price at which 10% of each maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity,

each separate CUSIP number within or bifurcated portion of that maturity will be subject to the 10% test). At or promptly after the execution of this Bond Purchase Agreement, the Underwriter shall report to the Issuer and Bond Counsel the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Issuer the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) the Underwriter has sold all Bonds of that maturity or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that the Underwriter's reporting obligation after the Closing Date may be at reasonable period intervals or otherwise upon request of the Issuer or bond counsel.

(b) The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Bond Purchase Agreement at the offering prices (the "initial offering price") set forth in **Schedule II** attached hereto, except as otherwise set forth therein. **Schedule II** also sets forth, as of the date of this Bond Purchase Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the Issuer and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the Issuer to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(i) the close of the fifth (5th) business day after the sale date; or
(ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public. The Underwriter shall promptly advise the Issuer when it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(c) The Underwriter confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (i) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allotted to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that the reporting obligation after the Closing Date may be at reasonable period intervals or otherwise upon request of the Underwriter and (ii) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter. The Issuer acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a retail distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The Issuer further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

(d) The Underwriter acknowledges that sales of any Bonds to any person that is a related

party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" (when not referring to the Underwriter) means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Bond Purchase Agreement by all parties.

3. Preliminary Official Statement and Official Statement. The Issuer hereby ratifies and approves the lawful use of the Preliminary Official Statement, dated November 7, 2023, relating to the Bonds (the "Preliminary Official Statement") by the Underwriter prior to the date hereof and authorizes and approves the Official Statement and other pertinent documents referred to in Section 8 hereof to be lawfully used in connection with the offering and sale of the Bonds. The Issuer has previously provided the Underwriter with a copy of the Preliminary Official Statement. As of its date, the Preliminary Official Statement has been deemed final by the Issuer for purposes of SEC Rule 15c2-12 (the "Rule") under the Securities Exchange Act of 1934, as amended.

The Issuer has delivered a certificate to the Underwriter, dated November 7, 2023, to evidence compliance with the Rule to the date hereof, a copy of which is attached hereto as **Exhibit B**.

The Issuer, within seven (7) business days of the date hereof, shall deliver to the Underwriter sufficient copies of the Official Statement dated the date hereof relating to the Bonds, executed on behalf of the Issuer by the duly authorized officer(s) of the Governing Authority (the "Official Statement"), as the Underwriter may reasonably request as necessary to comply with paragraph (b)(4) of the Rule, with Rule G-32 and with all other applicable rules of the Municipal Securities Rulemaking Board (the "MSRB").

The Issuer hereby covenants that, if during the period ending on the 25th day after the "End of the Underwriting Period" (as defined in the Rule), or such other period as may be agreed to by the Issuer and the Underwriter, any event occurs of which the Issuer has actual knowledge and which would cause the Official Statement to contain an untrue statement of material fact or to omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, the Issuer shall notify the Underwriter in writing, and if, in the reasonable opinion of the Underwriter, such event requires an amendment or supplement to the Official Statement, the Issuer promptly will amend or supplement, or cause to be amended or supplemented, the Official Statement in a form and in a manner approved by the Underwriter and consented to by the Issuer so that the Official Statement, under such caption, will not contain any untrue statement of a material fact or omit to state a material

fact necessary in order to make the statements therein, in light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading. If such notification shall be given subsequent to the date of Closing, the Issuer also shall furnish, or cause to be furnished, such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

4. Additional Requirements of the Issuer and Underwriter. The Underwriter agrees to promptly file a copy of the final Official Statement, including any supplements prepared by the Issuer as required herein, with the MSRB through the operation of the Electronic Municipal Market Access repository within one (1) business day after receipt from the Issuer, but by no later than the date of Closing, in such manner and accompanied by such forms as are required by the MSRB, in accordance with the applicable MSRB Rules, and shall maintain such books and records as required by MSRB Rules with respect to filing of the Official Statement. If an amended Official Statement is prepared in accordance with Section 4 during the "new issue disclosure period" (as defined in the Rule), and if required by applicable SEC or MSRB Rule, the Underwriter also shall make the required filings of the amended Official Statement.

The Issuer covenants and agrees to enter into a Continuing Disclosure Certificate to be dated the date of Closing (the "Continuing Disclosure Certificate") constituting an undertaking (an "Undertaking") to provide ongoing disclosure about the Issuer for the benefit of Bondholders as required by the Rule, in the form as set forth in the Preliminary Official Statement, with such changes as may be agreed to by the Underwriter.

The Issuer hereby further covenants and agrees to enter into the Tax Compliance Certificate in the form required by Bond Counsel (the "Tax Certificate") on the date of the Closing.

5. Representations of the Issuer. Issuer hereby represents to the Underwriter as follows: (a) The Issuer has duly authorized, or prior to the delivery of the Bonds the Issuer will duly authorize, all necessary action to be taken by it for (i) the sale of the Bonds upon the terms set forth herein and in the Official Statement; (ii) the approval and signing of the Official Statement by a duly authorized officer of the Issuer; and (iii) the execution, delivery and receipt of this Bond Purchase Agreement and any and all such other agreements and documents as may be required to be executed, delivered and received by the Issuer in order to carry out, give effect to, and consummate the transactions contemplated hereby, by the Bonds, the Official Statement, and the Bond Resolution;

(b) The information contained in the Preliminary Official Statement does not contain any untrue statement of material fact and does not omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and the information to be contained in the Official Statement, as of its date and the date of Closing, will not contain any untrue statement of material fact and will not omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading;

(c) To the knowledge of the Issuer there is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending against or affecting the Issuer or the Governing Authority or threatened against or affecting the Issuer or the Governing Authority (or, to the knowledge of the Issuer, any basis therefor) contesting the due organization and valid existence of the Issuer or the Governing Authority or the validity of the Act or wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated hereby or by the Official Statement or the validity or due adoption of the Bond Resolution or the validity, due authorization and execution of the Bonds, this Bond Purchase Agreement or any agreement or instrument to which the Issuer is a party and which is used or contemplated for use in the consummation of the transaction contemplated hereby or by the Official Statement, except as disclosed in the Official Statement;

(d) The authorization, execution and delivery by the Issuer of the Official Statement, this Bond Purchase Agreement, and the other documents contemplated hereby and by the Official Statement, and compliance by the Issuer with the provisions of such instruments, do not and will not conflict with or constitute on the part of the Issuer a breach of or a default under any (i) statute, indenture, ordinance, resolution, mortgage or other agreement by which the Issuer is bound; (ii) provisions of the Louisiana Constitution of 1974, as amended; or (iii) existing law, court or administrative regulation, decree or order by which the Issuer or its properties are or, on the date of Closing, will be bound;

(e) All consents of and notices to or filings with governmental authorities necessary for the consummation by the Issuer of the transactions described in the Official Statement, the Bond Resolution, and this Bond Purchase Agreement (other than such consents, notices and filings, if any, as may be required under the securities or blue sky laws of any federal or state jurisdiction) required to be obtained or made have been obtained or made or will be obtained or made prior to delivery of the Bonds;

(f) The Issuer agrees to cooperate with the Underwriter and its counsel in any endeavor to qualify the Bonds for offering and sale under the securities or blue sky laws of such jurisdictions of the United States as the Underwriter may reasonably request; provided, however, that the Issuer shall not be required to register as a dealer or a broker in any such state or jurisdiction, qualify as a foreign corporation or file any general or specific consents to service of process under the laws of any state, or submit to the general jurisdiction of any state. The Issuer consents to the lawful use of the Preliminary Official Statement and the Official Statement by the Underwriter in obtaining such qualifications. No member of the Governing Authority, or any officer, employee or agent of the Issuer shall be individually liable for the breach of any representation or covenant made by the Issuer; and

(g) The Issuer acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Bond Purchase Agreement is an arm's-length commercial transaction between the Issuer and the Underwriter; (ii) in connection with such transaction, including the process leading thereto, the Underwriter's primary role, as an underwriter, is to purchase the Bonds for resale to investors, and the Underwriter is acting solely as a principal and not as an agent, municipal advisor, financial advisor or as a fiduciary of or to the Issuer; (iii) the Underwriter has neither assumed an advisory or fiduciary responsibility in favor of the Issuer with respect to the offering of the Bonds or the process leading thereto (whether or not the Underwriter, or any affiliate of the Underwriter, has advised or is currently advising the Issuer on other matters) nor has it assumed any other obligation to the Issuer except the obligations expressly set forth in this Bond Purchase Agreement; (iv) the Underwriter has financial and other interests that differ from those of the Issuer; and (v) the Issuer has consulted with its own legal, accounting, tax, financial and other advisors, as applicable, to the extent it has deemed appropriate in connection with the offering of the Bonds.

8. Effect of Termination. If the Issuer shall be unable to satisfy one or more of the conditions to the obligations of the Underwriter contained in this Bond Purchase Agreement and any such condition is not waived by the Underwriter, or if this Bond Purchase Agreement shall otherwise be terminated pursuant to Section 9 or Section 10 below, then the respective obligations hereunder of the Issuer and the Underwriter shall be cancelled and neither the Underwriter nor the Issuer shall be under further obligation hereunder, except that the Issuer and the Underwriter shall pay their respective expenses as provided in Section 12 hereof. Notwithstanding the foregoing, in order for either party to terminate or cancel its obligation to purchase or sell the Bonds as set forth herein, it must notify the other party in writing of its election to do so not less than 48 hours before the time for the Closing set forth in Section 6 hereof.

9. Termination by Underwriter. The Underwriter shall have the right to cancel its obligation to purchase the Bonds and terminate this Bond Purchase Agreement by written notice to the Issuer in accordance with Section 8 hereof, if, between the date hereof and

the Closing, any of the following events shall occur: (i) legislation shall be enacted or favorably reported for passage to either House of the Congress by any committee of such House to which such legislation has been referred for consideration, or such legislation shall have been recommended to the Congress for passage by the President of the United States or a member of the President's Cabinet, a decision by a court of the United States or the United States Tax Court shall be rendered, or a ruling, regulation or statement by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other governmental agency shall be made or proposed to be made with respect to the federal taxation upon interest on obligations of the general character of the Bonds, or other action or events shall have transpired which may have the purpose or effect, directly or indirectly, of adversely changing the federal income tax consequences of any of the transactions contemplated in connection herewith, and, in the reasonable opinion of the Underwriter, materially adversely affects the market price of the Bonds, or the market price generally of obligations of the general character of the Bonds, except as may be described in the Official Statement, (ii) there shall exist any event which in the Underwriter's reasonable judgment either (a) makes untrue or incorrect in any material respect any statement or information contained in the Official Statement or (b) is not reflected in the Official Statement but should be reflected therein in order to make the statements and information contained therein not misleading in any material respect, (iii) there shall have occurred any outbreak of hostilities or any national or international calamity or crisis including financial crisis, or a default with respect to the debt obligations of, or the institution of proceedings under federal or state bankruptcy laws by or against the Issuer, the effect of which on the financial markets of the United States being such as, in the reasonable judgment of the Underwriter, would make it impracticable for the Underwriter to market the Bonds or to enforce contracts for the sale of the Bonds, (iv) there shall be in force a general suspension of trading on the New York Stock Exchange, (v) a general banking moratorium shall have been declared by either federal, Louisiana or New York state authorities, (vi) there shall have occurred since the date of this Bond Purchase Agreement any material adverse change in the affairs of the Issuer, except for changes which the Official Statement discloses have occurred or may occur, (vii) any rating on the Bonds is reduced or withdrawn or placed on credit watch with negative outlook by any major credit rating agency, (viii) legislation shall be enacted or any action shall be taken by the Securities and Exchange Commission which, in the opinion of Bond Counsel, has the effect of requiring the contemplated distribution of the Bonds to be registered under the Securities Act of 1933, as amended, or the Bond Resolution, or any other document executed in connection with the transactions contemplated hereof to be qualified under the Trust Indenture Act of 1939, as amended, (ix) a stop order, ruling, regulation or official statement by or on behalf of the Securities and Exchange Commission shall be issued or made to the effect that the issuance, offering or sale of the Bonds, or of obligations of the general character of the Bonds as contemplated hereby, or the offering of any other obligation which may be represented by the Bonds is in violation of any provision of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, or the Trust Indenture Act of 1939, as amended, or (x) any state blue sky or securities commission shall have withheld registration, exemption or clearance of the offering, and in the reasonable judgment of the Underwriter the market for the Bonds is materially affected thereby.

10. **Termination by Issuer.** Notwithstanding anything herein to the contrary, the Issuer shall have the right to cancel its obligation to sell the Bonds if, between the date hereof and the Closing, the Issuer determines that the Underwriter has failed to comply with its obligations contained in Section 2 hereof with respect to the establishment of the issue price of any maturity of the Bonds.

11. **Survival of Representations.** All representations and agreements of the Issuer and the Underwriter hereunder shall remain operative and in full force and effect, and shall survive the delivery of the Bonds and any termination of this Bond Purchase Agreement by the Underwriter pursuant to the terms hereof.

12. **Payment of Expenses.** (a) If the Bonds are sold to the Underwriter by the Issuer, the

Issuer shall pay, from the proceeds of the Bonds, any reasonable expenses incidental to the performance of its obligations hereunder, including but not limited to: (i) State Bond Commission fees; (ii) the cost of the preparation, printing and distribution of the Preliminary Official Statement and the Official Statement; (iii) the cost of the preparation of the printed Bonds; (iv) any rating agency fees; (v) the fees and expenses of Bond Counsel, the Paying Agent, the Municipal Advisor and any other experts or consultants retained by the Issuer; and (vi) the cost of the Reserve Policy.

(b) The Underwriter shall pay (i) all advertising expenses in connection with the public offering of the Bonds; (ii) the cost of preparing and printing the blue sky and legal investment memoranda, if any; (iii) filing fees in connection with the aforesaid blue sky and legal investment memoranda; (iv) the cost of obtaining CUSIP numbers for the bonds; (v) the fees and expenses of counsel to the Underwriter; and (vi) all other expenses incurred by the Underwriter (including the cost of any Federal Funds necessary to pay the purchase price of the Bonds) in connection with its public offering.

13. Indemnification and Contribution.

(a) To the extent permitted by applicable laws, the Issuer shall indemnify, reimburse and hold harmless the Underwriter and each of its directors, trustees, partners, members, officers, affiliate agents and employees and each Person who controls the Underwriter within the meaning of Section 15 of the Securities Act of 1933, as amended, or Section 20(a) of the Securities Exchange Act of 1934, as amended, against any and all losses, claims, damages, liabilities or expenses, joint or several, to which such indemnified party may become subject under any statute or at law or in equity or otherwise, and shall reimburse any such indemnified party for any legal or other expenses incurred by it in connection with investigating any claims against it and defending any actions, insofar as such losses, claims, damages, liabilities or expenses arise out of or are based upon (i) a claim in connection with the public offering of the Bonds to the effect that the Bonds are required to be registered under the Securities Act of 1933, as amended, or that the Bond Resolution is required to be qualified under the Trust Indenture Act of 1939, as amended, or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Official Statement or in the Official Statement, including any amendment or supplement thereto, or the omission or alleged omission to state therein a material fact necessary to make such statements not misleading. The foregoing indemnity agreement shall be in addition to any liability that the Issuer otherwise may have.

(b) The Underwriter shall indemnify and hold harmless the Issuer and its officers and employees to the same extent as the foregoing indemnity from the Issuer to the Underwriter, but only with reference to written information relating to the Underwriter furnished by it specifically for inclusion in the Preliminary Official Statement and the Official Statement. This indemnity agreement will be in addition to any liability which the Underwriter may otherwise have. The Issuer acknowledges that the statements set forth under the heading "UNDERWRITING," in the Preliminary Official Statement and the Official Statement, constitute the only information furnished in writing by or on behalf of the Underwriter for inclusion in the Preliminary Official Statement or the Official Statement.

(c) In case any proceeding (including any governmental investigation) shall be instituted by or against an indemnified party pursuant to paragraphs (a) or (b) above, such party shall promptly notify the indemnifying party against whom such indemnity may be sought in writing, and the indemnifying party upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate who are or may reasonably be foreseen to be a party in such proceeding and shall pay the fees and disbursements of such counsel to the extent allowed by appropriate law. Any separate counsel retained by such indemnified party shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) representation of both parties by the same counsel would be

inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm for each such indemnified party (to the extent clause (ii) of the preceding sentence is applicable), and that all such fees and expenses shall be reimbursed as they are incurred. The Underwriter in the case of parties indemnified pursuant to paragraph (b) shall discuss with the other indemnifying parties possible counsel and mutually satisfactory counsel shall be agreed upon. The indemnifying party shall not be liable for any settlement of any proceeding affected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify or reimburse the indemnified party from and against any loss or liability by reason of such settlement or judgment. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

14. **Notices.** Any notice or other communication to be given to the Issuer under this Bond Purchase Agreement may be given by delivering the same in writing at the address of the Issuer set forth above, and any notice or other communication to be given to the Underwriter under this Bond Purchase Agreement may be given by delivering the same in writing to Stifel, Nicolaus & Company, Inc., 301 Main Street, Suite 2200, Baton Rouge, Louisiana 70801.

15. **Parties.** This Bond Purchase Agreement is made solely for the benefit of the Issuer and the Underwriter (including the successors or assigns of either) and no other person shall acquire or have any right hereunder or by virtue hereof.

16. **Governing Law.** This Bond Purchase Agreement shall be governed by and construed in accordance with the laws of the State of Louisiana.

17. **General.** This Bond Purchase Agreement may be executed in several counterparts, each of which shall be regarded as an original and all of which will constitute one and the same instrument. The section headings of this Bond Purchase Agreement are for convenience of reference only and shall not affect its interpretation. This Bond Purchase Agreement shall become effective upon your acceptance hereof.

EXHIBIT A

To Bond Purchase Agreement

CERTIFICATE OF UNDERWRITER

This certificate is furnished by Stifel Nicolaus and Company, Incorporated ("Stifel Nicolaus"), in connection with the purchase of \$9,000,000 aggregate principal amount of Sales Tax Bonds, Series 2023 (the "Bonds"), of Parish School Board of the Parish of Livingston, State of Louisiana (the "Issuer"), at negotiated sale. The undersigned hereby certifies as set forth below with respect to the sale and issuance of the Bonds:

1. The undersigned is duly authorized to execute this certificate on behalf of Stifel Nicolaus and has been fully apprised of the facts and circumstances forming the basis of this certificate.
2. (a) As of the date of this certificate, for each Maturity of the General Rule Maturities, the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in **Schedule A**.

(b) Stifel Nicolaus offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule A (the "Initial Offering Prices") on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as **Schedule B**.

(c) As set forth in the Bond Purchase Agreement, Stifel Nicolaus has agreed in writing that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the "hold-the-offering-price rule"), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Hold-the-Offering Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.
3. Stifel Nicolaus has (a) determined the aggregate purchase price of the Bonds (gross of underwriting discount) to be \$9,197,331.75 representing the sum of the aggregate principal amount of the Bonds of \$9,000,000.00 plus reoffering premium of \$197,331.75;

(b) determined the yield on the Bonds for arbitrage purposes, calculated in accordance with the methodology set forth in the Code, to be 4.2575%; and (c) determined the weighted average maturity of the Bonds, calculated based on reoffering price, to be 11.3748 years.

4. No Bonds were sold in exchange for property or rights to use any other types of property.

5. Stifel Nicolaus further represents that, in our judgment, the amount required to be on deposit in the Reserve Fund established in connection with the Bonds is customary in connection with the issuance of securities of the general character of the Bonds and to permit an economically feasible borrowing rate on the Bonds independent of the benefit derived from the investment of moneys on deposit in such Reserve Fund. "Reserve Fund" as used herein means the Reserve Fund as defined in the Tax Compliance Certificate.

6. In addition to terms defined elsewhere herein, the terms below shall have the following meanings in this certificate:

(a) "General Rule Maturities" means those Maturities of the Bonds listed in Schedule A hereto as the "General Rule Maturities."

(b) "Hold-the-Offering-Price Maturities" means those Maturities of the Bonds listed in Schedule A hereto as the "Hold-the-Offering-Price Maturities."

The representations set forth in this certificate are limited to factual matters only. We are not engaged in the practice of law, and nothing in this certificate represents our interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. Under even date we have delivered our approving opinion in connection with the issuance of the captioned bonds (the "Bonds"). All terms not defined herein have the same meanings as in said approving opinion. We hereby supplement said opinion and advise you that we are further of the opinion that:

1. The Issuer has approved the Official Statement, dated November 15, 2023 (the "Official Statement"), and the execution and delivery thereof to the Underwriters named therein.
2. To the best of our knowledge, the information contained in the Official Statement under the captions "INTRODUCTION", "THE BONDS", "SECURITY PROVISIONS AND PROTECTIVE COVENANTS FOR THE BONDS AND THE OUTSTANDING PARITY BONDS", "ADDITIONAL PROVISIONS OF THE BOND RESOLUTION," and "TAX EXEMPTION" fairly and accurately summarize the material provisions of the Bonds and the documents, statutes, ordinances, constitutional provisions, regulations, rulings and opinions referred to therein. For the purposes of this paragraph, we have relied upon the accuracy of the information provided by the sources cited in such sections and appendices without undertaking an independent investigation thereof.
3. The Bond Purchase Agreement dated as of November 15, 2023, pertaining to the Bonds (the "Bond Purchase Agreement") has been duly authorized, executed and delivered by the Issuer and, assuming the due authorization, execution and delivery thereof by the Underwriters, constitutes a legal, valid and binding obligation of the Issuer enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights generally and subject, as to enforceability, to the general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).
4. The Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Bond Ordinance is exempt from qualification under the Trust Indenture Act of 1939, as amended.
5. The Debt Service Reserve Agreement dated as of November 15, 2023, between the Issuer and Build America Mutual Assurance Company (the "Reserve Insurer") has been duly authorized and executed by the Issuer and, assuming the due authorization and execution thereof by the Reserve Insurer, constitutes a valid, binding and enforceable obligation of the Issuer. The Municipal Bond Debt Service Reserve Insurance Commitment (the "Reserve Policy") constitutes an instrument eligible for deposit to the Series 2023 Bonds Reserve Account of the Reserve Fund pursuant to the Bond Resolution, and the repayment obligations owed to the Reserve Insurer by the Issuer in connection with the Reserve Policy are payable from the Net Revenues of the Tax, subject to the priority of payment provisions of the Bond Resolution. The opinions rendered herein are limited to the matters set forth herein. We are not passing upon the accuracy or completeness of the Official Statement.

The opinions contained herein are based on existing law, which is subject to change, and are further based on factual representations and certifications provided to us as of the date thereof, which we have relied upon without undertaking to verify the same by independent investigation. We assume no duty to update or supplement this letter to reflect any facts or circumstances that may thereafter come to our attention or to reflect any changes in law that may thereafter occur or become effective. Our opinions contained herein are not a guarantee of a particular result and are not binding on any court or regulatory agency; rather, such opinions represent our professional judgment based on our review of existing law and in reliance on the representations and covenants

relevant to such opinions.

No attorney-client relationship has existed or exists between our firm and the addressees hereof (other than the Issuer) in connection with the issuance of the Bonds or by virtue of this letter. This letter is not intended to, and may not be, relied upon by any holder of the Bonds or by any other person to whom it is not specifically addressed.

Very truly yours,

EXHIBIT B

MUNICIPAL BOND DEBT SERVICE RESERVE INSURANCE POLICY PROVISIONS

With respect to the Municipal Bond Debt Service Reserve Insurance Policy, notwithstanding anything to the contrary set forth in the Authorizing Documents the Issuer and the Paying Agent agree to comply with the following provisions:

- a. The Issuer shall repay any draws under the Municipal Bond Debt Service Reserve Insurance Policy (the "Reserve Policy") and pay all related reasonable expenses incurred by BAM (the "Reserve Insurer"). Interest shall accrue and be payable on such draws and expenses from the date of payment by the Reserve Insurer at the Late Payment Rate. "Late Payment Rate" means the lesser of (A) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such changes are announced by JPMorgan Chase Bank) plus 5%, and (ii) the then applicable highest rate of interest on the Bonds, and (B) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such bank, banking association or trust company bank as the Reserve Insurer in its sole and absolute discretion shall specify.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, the "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Reserve Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Reserve Insurer on account of principal due, the coverage under the Reserve Policy will be increased by a like amount, subject to the terms of the Reserve Policy.

All cash and investments in the debt service reserve fund or account established for the Bonds (the "Reserve Fund") and all other available amounts in any funds available to pay debt service on the Bonds shall be transferred to the Debt Service Fund for payment of the debt service on the Bonds before any drawing may be made on the Reserve Policy or any other credit facility on deposit in the Reserve Fund in lieu of cash ("Reserve Fund Credit Instrument").

Payment of any Policy Cost shall be made prior to replenishment of any cash amounts. Draws on all Reserve Fund Credit Instruments (including the Reserve Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Reserve Fund. Payment of Policy Costs and reimbursement of amounts with respect to other Reserve Fund Credit Instruments shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Reserve Fund. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable Reserve Fund Credit Instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of each reduction in the Reserve Requirement.

(b) Draws under the Reserve Policy may only be used to make payments on Bonds covered under the Reserve Policy.

(c) If the Issuer shall fail to pay any Policy Costs in accordance with the requirements of paragraph (a) above, the Reserve Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Bond Resolution, or any other document executed in connection with the Bonds (collectively, the "Security Documents").

(d) The Security Documents shall not be discharged until all Policy Costs owing to the Reserve Insurer shall have been paid in full. The Issuer's obligation to pay such amount shall expressly survive payment in full of the Bonds.

(e) The Reserve Policy shall expire and terminate in accordance with the terms and provisions of the Reserve Policy and Debt Service Reserve Agreement.

(f) Any amendment, supplement, modification to, or waiver of any of the Security Documents that requires the consent of the Owners of the Bonds or adversely affects the rights or interest of the Reserve Insurer shall be subject to the prior written consent of the Reserve Insurer.

(g) The Reserve Insurer is recognized as and shall be deemed to be a third party beneficiary of the Security Documents and may enforce the provisions of the Security Documents as if it were a party thereto.

(h) Policy Costs due and owing shall be included in debt service requirements for purposes of calculation of the additional bonds test anti-dilution test and the rate covenant in the Security Documents.

(i) The Paying Agent shall ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of paragraph (a) hereof and shall provide notice to the Reserve Insurer in accordance with the terms of the Reserve Policy at least five business days prior to each date upon which interest or principal is due on the Bonds. Where deposits are required to be made by the Issuer with the Paying Agent to the debt service fund for the Bonds more often than semi-annually, the Paying Agent shall give notice to the Reserve Insurer of any failure of the Issuer to make timely payment in full of such deposits within two business days of the date due.

(j) The Issuer agrees unconditionally that it will pay or reimburse the Reserve Insurer on demand any and all reasonable charges, fees, costs, losses, liabilities and expenses that the Reserve Insurer may pay or incur, including, but not limited to, fees and expenses of the Reserve Insurer's agents, attorneys, accountants, consultants, appraisers and auditors and reasonable costs of investigations, in connection with the administration (including

waivers and consents, if any), enforcement, defense, exercise or preservation of any rights and remedies in respect of this Resolution or any other Security Document ("Administrative Expenses"). For purposes of the foregoing, costs and expenses shall include a reasonable allocation of compensation and overhead attributable to the time of employees of the Reserve Insurer spent in connection with the actions described in the preceding sentence. The Issuer agrees that failure to pay any Administrative Expenses on a timely basis will result in the accrual of interest on the unpaid amount at the Late Payment Rate, compounded semi-annually, from the date that payment is first due to the Reserve Insurer until the date the Reserve Insurer is paid in full.

(k) Payments made by the Reserve Insurer under the Reserve Policy with respect to claims for interest on or principal of the Bonds shall not discharge the obligation of the Issuer with respect to such Bonds, and BAM shall become the owner of such unpaid Bonds and claims for the interest thereon. The Issuer and the Paying Agent recognize and agree that to the extent the Reserve Insurer makes payments directly or indirectly (e.g., by paying through the Paying Agent), on account of principal of or interest on the Bonds, the Reserve Insurer will be subrogated to the rights of such holders to receive the amount of such principal and interest from the Issuer, with interest thereon.

(l) In order to secure the Issuer's payment obligations with respect to Policy Cost, there is hereby granted and perfected in favor of the Reserve Insurer a security interest (subordinate only to that of the owners of the Bonds) in all revenues and collateral pledged as security for the Bonds. Policy Costs shall be paid to the Reserve Insurer immediately following the payment of principal of and interest on the Bonds, including following the occurrence of a default or event of default.

(m) The Issuer shall be obligated to pay, as an additional payment, to the Paying Agent for deposit to the Reserve Fund an amount equal to the debt service reserve fund replenishment under the Bond Resolution, including amounts required to repay draws and Policy Costs under the Reserve Policy.

(n) Notice and Other Information to be given to the Reserve Insurer.

(1) The Issuer will provide the Reserve Insurer with all notices and other information it is obligated to provide (i) under its Continuing Disclosure Agreement and (ii) to the holders of Bonds or the Paying Agent under the Security Documents.

(2) In addition, the Issuer shall provide the Reserve Insurer with the following notices and other information: (i) notice of any draw upon the Reserve Fund within two (2) business days after knowledge thereof, other than in connection with withdrawals of amounts in excess of the Reserve Requirement; and (ii) prior written notice of the advance refunding or redemption of any of the Bonds, including the principal amount, maturities and CUSIP numbers thereof.

(3) The Reserve Insurer shall be entitled to receive such additional information as it may reasonably request.

(4) The notice address of Reserve Insurer is:
