## Childhood Hunger Awareness Day

WHEREAS, statistics are that 1 in 5 children in the United States goes to school hungry; and WHEREAS, 35 percent of households in Denham Springs live on \$35,000 or less annually; and WHEREAS, statistics like these moved a prayer group of moms praying for their children, friends, teachers and mentors to turn their thoughts and prayers to ways they could help children and families in their community; and

WHEREAS, in 2010, these moms founded Mighty Moms, a nonprofit organization on a ission to see every child in Livingston Parish graduate with a full mind and a full tummy; and

WHEREAS, the Full Tummy Program started in 2010 to provide weekend meals and snack to children who may not always have food at home; andWHEREAS, in 2022, Mighty Moms started its newest program, Feeding Young Minds, to not

only reach children, but impact their families as well. This program provides monthly family meal kit boxes that feed the minds, bodies, and family culture of food-insecure children in Livingston Parish; and

WHEREAS, today, this 501(c)3 organization continues to provide food and hygiene for children in our community through programs like those above as well as the Food Pantry.

NOW, THEREFORE, I, Layton Ricks, Livingston Parish President, in recognition of the mmitment, faith and love of Mighty Moms, do hereby proclaim

## Wednesday, September 6, 2023 CHILDHOOD HUNGER AWARENESS DAY

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the seal of the Parish of Livingston, Louisiana, this  $\frac{24h}{}$  day of August 2023.

/s/ Layton Ricks Layton Ricks, Parish President Parish of Livingston

A representative from Mighty Moms addressed the Councilmembers and wished to thank them for their support. She advised that this September, they have been able to go into the schools after President Ricks started doing the proclamation for their organization, and that gave them an opportunity to spend the entire week in the schools. She explained how they read a story about food insecurity to the elementary children, and this gives them an opportunity to have understanding being on both sides of it.

She continued to thank the Councilmembers for their support and noted that Livingston Parish is a community that cares and she was proud to live in Livingston Parish. She stated that they are feeding the future leaders of Livingston Parish, and did not want anyone to forget that.

The Councilmembers and the audience applauded her statements.

The chair addressed agenda item number 10b, "Adopt a resolution giving authority to the Livingston Parish President to sign the West Colyell Bridge Replacement DOTD Agreement for Project Number SPN H.015355 and the scope of services".

The chair explained that the Council has already approved this. It is an MPO project with an eighty (80) twenty (20) match. This has already been voted upon. He advised that they are removing a timber bridge and replacing it with concrete, but when it was passed in June, it needed certain wording in the resolution. Parish Review Engineer, Chad Bacas, requested that the project number, SPN H.015355, be included in the resolution.

D. 23-359
N was made by Maurice "Scooter" Keen and duly seconded by Shane Mack giving authority to the Livingston Parish President to sign the West Colyell Bridge Replacement DOTD Agreement for Project Number SPN H.015355 and the scope services; said approval previously adopted on June 8, 2023 by LPR NO. 23-254, "to authorize the Livingston Parish President to execute the Entity/State Agreement between the Livingston Parish Council and the Louisiana Department of Transportation and Development for the Livingston Parish West Colyell Bridge Replacement Project (State Project No. H.015355) funded by the Louisiana Department of Transportation and Development."

Councilman Garry Talbert questioned Councilman Randy Delatte. He advised that they've done it, 17c and 18 were the same map, did they need to change the zoning before they could do that?

Councilman Delatte requested that Billy Taylor of McLin Taylor, Inc.; Engineering and Land Mr. Taylor addressed the Councilmembers and advised that this is two (2) separate issues. One is the zoning because it is Agricultural and the property owner is trying to give an acre to her son. He indicated that it needs to be rezoned to the zoning classification that allows for one (1) acre. Secondly, the issue is the number of lots on a servitude.

Councilman Talbert clarified that the Council granted the waiver, but the property owner cannot give the property to her son until the zoning is correct. Mr. Taylor concurred, and stated that this resolution for the waiver still needs to be done for the entirety of the donation of property The chair addressed agenda item number 19, "Adopt a resolution to authorize a waiver of the R-2 zoning classifications, Section 117-156(a), "Permitted Uses", to place mobile homes on three (3) lots at parcel #0284588, addressed at 30500 Lee Drive, Walker, LA for Zachay Riegins/Riggins REPAM, LLC in Council District 7" and called upon Councilman Tracy Girlinghouse.

Councilman Girlinghouse explained that this property is already subdivided and each lot has a little less than an acre and is currently zoned at R-2. The property owner wishes to put a mobile home on these three (3) lots which have already been subdivided. He further explained that the R-2 classifications doesn't say that you can place mobile homes on this classification, but it doesn't say that you cannot
