The chair addressed agenda item number 21b, "Committee Report(s): Ordinance committee: Recommendation(s) for Introduction of Ordinance(s)".

Councilman Shane Mack suggested that the Council go over the ordinances that they were proposing at that evening's Council meeting. Councilman Garry Talbert advised that the committee had a positive recommendation for the ordinance proposed by Mr. Moody and that was supported by the Planning Department.

After the discussion of the proposed ordinance, the Council failed to have the ordinance read by title, assign an ordinance number and set the date for the public hearing. This ordinance will be re-introduced at the next available meeting of the Livingston Parish Council.

Councilman Garry Talbert discussed at great length amending Sections 117-50, 125-52 and 125-68 and presented it to be introduced at that time. He advised that this is a recommendation of Morgan Sanchez, Parish Review Engineer. The amendments could not be introduced that evening because they were not presented in ordinance form to be presented when it would be adopted.

The chair addressed agenda item number 22, "District Attorney's Report." Mr./ Moody advised that he did not have anything to report at that time.

Councilman Randy Delatte requested to speak and advised in the interest of the vote for an interim Council member, he would like to change his vote to make it unanimous so a sitting councilman will be unanimous.
