Working Together for Our Community

We can all help stop the spread of COVID-19

Nina Arneson,
GCHHS Director

For many, COVID-19 feels as if it has been a part of our lives for much longer than 19 months.

(continued on page 14)

New Minister Starts at New Life Church

Pat McBride, the minister at New Life Church in Wanamingo, will be retiring in December and the congregation has a new pastor. Colin Rueter, his wife Susan and their five sons, moved to Wanamingo last week and will be filling the position as the senior pastor here.

Colin grew up in St. Cloud and was raised in a family where God and faith were an integral part of life. His parents instilled in him a strong work ethic and the basic desire to

serve. Colin and Susan have been married for sixteen years and both have been involved in some sort of ministry all their married life. Colin has 18 years in retail and restaurant management and worked three years as a corrections officer in Sherburn County.

Colin says that his wife recognized his desire to serve in the church as his calling to the ministry about 2009. This was affirmed by others along the way as he enjoyed teaching Sunday School and youth groups in his local

church.

Colin spent the last four years in training with the Reformed Baptist Seminary while serving with the Calvary Community Church in St. Cloud.

Kenyon-Wanamingo Stories from the Heart

Courtesy of KDHL Radio

The 6th class of the Kenyon-Wanamingo Athletics Hall of Fame was inducted Saturday night, October 9, 2021 at the high school.

It was supposed to be the 7th class but COVID-19 meant no Class of 2020.

Area 57 Cafe of Wanamingo catered a delicious Chicken with Cranberry Sauce meal before the honorees and their families went into the theater for the program.

Each inductee has a presenter. All of the speakers were again this year exceptional.

KWHS Activities Director Randy Hockinson put it best at the conclusion of the program by saying they were all, "Great people."

They were all very good storytellers. The stories are not made up. They are true.

I will start with a story that brought a tear to my eye.

Pastor John Hagen

Pastor John Hagen, 88, of Faribault MN, died peacefully at Pleasant Manor on September 25, 2021.

John Holte Hagen was born in 1933 in Crookston Minnesota to George and Evelyn Hagen. He grew up as the oldest of five children on a farm with an old ca-boose as his play-

house. His family moved to Tokyo after WWII where he graduated from the American High School in Japan. John returned to the US and graduated from St Olaf College in 1956. Later he graduated from George Washington University with a law degree, then worked for the federal government in that capacity.

In 1959 he met Diane Reinertson at a Luther Place event in Washington D.C. When she returned to college in Ohio, he wooed her by writing humorous letters. They married in December 1961 and would have celebrated their 60th anniversary this year. As Diane completed her degree at Capital University, John moved to Ohio to attend Trinity Lutheran seminary. After the births of son Mark and daughter Kristin, John and his family moved to Edinburgh, Scotland where he did post-graduate studies and was interim pastor at a Scottish Presbyterian church.

The family moved back to the USA and to Minnesota in 1973 where for 19 years John served as pastor at Gol Lutheran Church in Kenyon, and Grace Lutheran Church in Nerstrand. While living in Kenyon, John was active in community theater, the Lions Club and hosted AFS foreign exchange students. John and Diane moved to Faribault MN in 1992 where John worked as an interim pastor at numerous congregations around Southern Minnesota for over 15 years. John and Diane became active members at First English Lutheran Church, continued participating in local theater, and became enthusiastic members of the community.

Known for his hearty and infectious laugh and gentle kindness, John had a true generosity of spirit. Not only was he open-minded

and accepting of all people no matter their differences but devoted much of his time in service to others. His volunteer projects included working with refugees from many countries, including Vietnam and Sudan and having fun with participants in Diane's social group for residents of group homes.

Asked to play Santa Claus so many times due to his strong resemblance and rapport with jolly old Saint Nick, John purchased his own costume to make appearances for friends and neighbors, performing at community events, and for children of inmates at the Shakopee women's prison. It was the perfect role for John because he loved interacting with children and spreading goodwill.

No one more loved reading and collecting books more than John, and he was rarely seen without a book in hand. He had an interest in genres ranging from theology and history to science fiction and romance. His collection filled several rooms of the parsonage. John volunteered at the Talking Book Library, reading books and periodicals to create recordings for the blind.

Due to his wide range of interests and decades of reading and watching news and sports, John knew facts of all types and was unbeatable at trivia. John loved to debate. He had strong opinions and many ideas but was just as happy to learn about other people's opinions and ideas. He was fascinated by gadgets of all kinds and intrigued by technology. He especially loved animals and had dogs and cats as pets.

A lover of travel throughout his life, John, Diane and their kids crisscrossed the country on long road trips to visit friends and family—though John was somewhat notorious for not always paying close attention to the

gas gauge. John and Diane also enjoyed international travel to Norway and other parts of Europe, the Holy Land, Egypt, China, Japan, and visited their son and family in Tbilisi Georgia (the other Georgia).

In more recent years as his mobility and eyesight decreased, John continued to find pleasure in life, and enjoyed a good conversation with friends and family.

John is survived by his wife Diane Hagen, his son Mark Rein-Hagen and wife Tamar (Piso), his daughter Kristin and husband Paul Newsome, and his grandchildren Marjorie and Peter Newsome, Giselle, Alexandre (Sandro), and Vivian Rein-Hagen; brother Gordon Hagen and wife Roberta; Sisters-in-law Sandra Hagen, Barbara Reinertson and husband Spencer Chen, and Diane Reinertson; Nieces Kendra Hagen and Anna Reinertson and Nephews Kai Hagen and wife Kirsten Waller and Kelwin Hagen and wife Kelli; and al-

most-grandchildren Danika, Kailey, Taryn, Tessa, and Tanner Longshore and their parents Julie and Joe Longshore.

John is preceded in death by his parents, brothers Bruce and Alan Hagen and sisters Gail and Kay Hagen, brother-in-law Craig Reinertson, and niece Shaula Hagen.

Visitation will be held at Boldt Funeral Home in Faribault on Friday October 15th from 4:00-6:00 p.m. A celebration of John's life will be held on October 16th at First English Lutheran Church in Faribault at 11:00 a.m. with a luncheon to follow. Due to John's love of bright colors, guests are encouraged to wear colors in their clothing and/or their masks.

In lieu of flowers, donations may be made to Lutheran World Relief, First English Lutheran Church, or the Paradise Center for the Arts in Faribault MN.

Winter Coat Collection for those in Need

On Saturday, October 30th the Wangen Prairie Church in rural Cannon Falls, is having a coat collection. They are accepting good used winter coats in all sizes for men, women and children. The hours of the collection on Saturday are from 9 to noon. You may also drop off your donation at D and S Banner & Sign at Kenyon during the week of October 25th .

The members of the Wangen Prairie Church began this outreach last year and distributed nearly one hundred coats to folks in need. They started this mission after an organization in Red Wing, which served Goodhue County, ceased because of Covid last year. They fill local needs first but have donated coats to the veterans home in Hastings and the Marie Sandvik Center in the twin cities as well.

The address for Wangen Prairie Church is 34289 County 24 Blvd Cannon Falls and D and S Banner & Sign is 113 Forest Street in Kenyon. For more information feel free to contact Lori Pasch at 507 263 4420 or 507 298 7282 or Sarah at D and S Banner & Sign at 507 789 4611. If someone needs a coat, or knows of someone who does please contact Lori or Sarah.

AREA CHURCH DIRECTORY

God is Enough

Scripture Reading — Luke 23:44-46
Whom have I in heaven but you? And earth has nothing I desire besides you. — Psalm 73:25

Sometimes there is too much wrong in this world! The economy takes your job. Cancer takes your spouse. The river takes your home. Yet even when so much is wrong, God is enough.

But some people skate through life. They seem to have no troubles at all. Their kids run faster. Their jobs pay better. Their dreams shine brighter. And they act like they deserve it, but they don't. It's just wrong! Yet even when so much is wrong, God is enough.

It helps to remember Jesus: accused by his own people, abandoned by his closest friends, stripped naked and nailed to a cross. It was all so wrong! So wrong that the sun quit shining and Jesus cried out, "My God, why have you forsaken me?" (Mark 15:33-34). Yet even then, God was enough.

Psalm 73 is a long prayer about how there is too much wrong in this world. It's a complaint, until the psalmist gains a new perspective. Then the prayer takes a turn: "Whom have I in heaven but you? And earth has nothing I desire besides you." In other words, even when so much is wrong, God, you are enough.

At the end of his rope, Jesus releases himself to God: "Father, into your hands I commit my spirit" (Luke 23:46). Because even when so much is wrong, God is enough.

Prayer

Lord God, whom do I have in heaven but you? And besides you, there is nothing on earth I desire. Let that be my prayer, because you are enough. Amen.

Mark "Smokey" Bartel

Funeral services for Mark "Smokey" Bartel was held Tuesday September 28th at 2:00 PM at Dale Lutheran Church, rural Wanamingo. The Rev. Heather Culuris officiated. Burial followed in the church cemetery. Visitation was Monday from 5:00 to 8:00 PM at Mahn Family Funeral Home, Larson Chapel, in Zumbrota, and continued one hour prior to the service at the church on Tuesday.

Mr. Bartel, 58, of Zumbrota, died Wednesday September 22, 2021 at St. Mary's Hospital in Rochester.

Mark Eugene Bartel was born March 27, 1963 in Zumbrota, the son of Milton and Marcia (Quam) Bartel. Baptized and confirmed at Dale Lutheran Church, Mark was a lifelong resident of the area and was a graduate of Wanamingo High School with the Class of 1981. During his school years he began working at Webster's, which eventually became Central Livestock, and his employment there continued for forty years. Smokey was known for greeting the farmers and buyers with a smile, and he always enjoyed visiting with them. He enjoyed playing Bean Bag with his friends and participated in Bean Bag tournaments. He liked hanging out at the VFW in Zumbrota, and he enjoyed watching football and baseball on TV.

He is survived by his parents, Milton and Marcia Bartel of rural Kenyon; brothers, Mike Bartel and Matt (Melisa) Bartel, both of rural Kenyon; sisters, Marie (Mike) Koop of rural Zumbrota, and Michelle (Jon) Nord of rural Ixonia, Wisconsin; six nephews; seven nieces; great nieces and nephews; and a host of aunts and uncles.

Timothy Leroy Sorensen

Timothy Leroy Sorensen, 75, of Wanamingo, MN passed away peacefully in his sleep Tuesday, September 21, 2021 at the home of his stepson Nick Steberg. He was born on December 8, 1945

in Wakonda, SD to Chester and Marjorie

(Mayer) Sorensen. Tim grew up in Freeman, SD and graduated from Freeman High School in 1964 where he ran track and cross country, as well as played basketball. He then enlisted in the Navy and served four years, including two tours in Vietnam and was awarded the Purple Heart. He served on the last active duty seaplane in US Navy service. Returning to South Dakota, Tim worked for Northwestern Public Service before joining the family business Sorensen Surge Service. He later left for Minnesota and went out on his own. A passionate and competitive pool player, Tim was affectionately known as Turbo to his many friends and fellow competitors. He was an avid hunter and fisherman and valued his time spent in the Black Hills at the family cabin.

Tim loved sports and was a diehard fan of the Twins, Vikings and Gophers. He was a member of Trinity Church. Tim spent the last 36 years of his life in a loving relationship with wife Julie Steberg.

He is survived by his children Christopher (Margaret Gregg), JulieAnne, Avery (Jasmine Rose Rorvig), Brandon (Jessie McPherson), Nick Steberg (Beth Smith); grandchildren Alex Fugate (Dayna Elleraas) and Timothy (TJ); and siblings Keith (Dee), Samuel (Linda), David (Peggy) and Mary Ann (Stuart) Preheim. He was preceded in death by his parents, his wife Julie Steberg, and an infant sister Julie Ann.

A memorial service was held Saturday October 2, 2021 at 2:00 PM at Trinity Lutheran Church in Wanamingo. The Rev. Christopher Culuris officiated. Burial followed at the church cemetery. Visitation was one hour prior to the service at the church.

Ronald John Dohmen

Ronald John Dohmen, age 81 of Dennison, died peacefully at home surrounded by family on Saturday morning, September 18, 2021.

Ron was born on December 13, 1939 in Humphrey, Nebraska, the son of Edward and Rose (Schaecher) Dohmen. His family moved to Minnesota in 1949. Ron spent his high school years at seminary in Chicago and later attended Hastings High School, graduating in 1957. He completed basic training with the US Army in 1960 at Fort Leonard, MO and served with the National Guard.

He married Maxine Girgen on April 28, 1962 in Vermillion, MN. He hauled gas, worked road construction, and started farming in Hampton, MN before moving to Dennison, MN, where he continued to farm along with building construction.

Ron enjoyed playing cards and his trips to Treasure Island. He will be remembered by his family and friends as a dedicated husband, dad, grandpa, and great-grandpa.

He was preceded in death by his parents; sister-in-law, Ann Dohmen; and brothers-in-law, John Hegard and Kenny O'Brien.

He is survived by his wife of 59 years, Maxine; children, Martin Dohmen of Northfield, Norma (Scott) Wickum of Wanamingo, Renee (Mike) Bauernfeind of Kenyon, and Leonard (Leona) Dohmen of Dennison; 5 grandchildren, Jeremy (Colbe) Bauernfeind, Samantha (Andy) Meyer, Jesse (Erin) Bauernfeind, Shelby Wickum, and Luke (Trisha) Bauernfeind; 6 great-grandchildren, Luella, Lydia, Lincoln, Wilder, Bodhi, Mason; siblings, Dolores Hegard, Lenore (Lloyd) Peine, Eugene Dohmen, Judy O'Brien, Cyril (Kathy) Dohmen, Sister Irene Dohmen SSND, Larry (Cheryl) Dohmen, Gery (Patti) Dohmen, and Joe (Pat) Dohmen; and many nieces and nephews.

Mass of Christian Burial was at St. Michael's Catholic Church in Kenyon on Wednesday, September 22, 2021 at 3:00 pm, with visitation from 1:30 - 3:00 pm. A dinner followed.

Active pallbearers were his grandchildren, Jeremy Bauernfeind, Samantha Meyer, Jesse Bauernfeind, Shelby Wickum, and Luke Bauernfeind. Honorary pallbearers were his brothers, Eugene Dohmen, Cyril Dohmen, Larry Dohmen, Gery Dohmen, and Joe Dohmen, along with Paul Mangan and friends from card club in Dennison.

Memorials are preferred to Boys Town (boystown.org/give).

Arrangements by Lundberg Funeral Home, Cannon Falls. Online condolences may be directed to www.LundbergFuneral.com.

Ione Lorraine Irvin

Ione Lorraine Irvin, 88, of Red Wing, died Thursday, September 16, 2021, at Valentines Assisted Living. She was born on September 20, 1932, in Wanamingo Township to Jens and Olava (Finne) Erie.

she was united in marriage to John Irvin at United Lutheran Church in Red Wing. For many years she provided day care for individual families and was also an election judge. She was an active member of United Lutheran Church. Her family recalls her love for baking, which included the best banana bread and apple pie.

Ione is survived by four children, Wayne (Gail) Irvin, Bruce Irvin and Debbie (Bruce) Reuter all of Red Wing and Jackie (Mike) Hayes of Virginia Beach, VA; eight grandchildren, Jeana, Jessica, Angela, Shawn, Ryan, Chad, Katie and Steven; 13 great grandchildren; one brother, Sanford Erie of Red Wing along with many nieces and nephews. She was preceded in death by her parents; husband John; daughter-in-law, Pamela and five brothers and four sisters.

Memorial service was at 11 a.m. Saturday, September 25, 2021, at United Lutheran Church. Reverend Justin Boeding officiated. Burial was at the Burnside Cemetery. Visitation was for one hour prior to the service at the church. Memorials are preferred to the church. Arrangements are by the Mahn Family Funeral Home, Bodelson-Mahn Chapel. Online condolences may be sent to the family at www.mahnfamilyfuneralhome.com.

Vernon Robert Buscho

Vernon Robert Buscho, age 91, of Kenyon, died on Monday, September 20, 2021, at Three Links Care Center, Northfield. Private family services were held. Interment was at Meadow Ridge Memorial Park, Faribault with veteran military rites provided by the Kenyon Color Guard.

Vernon Robert Buscho was born in Waseca on December 27, 1929, to Ralph and Irene (Hecht) Buscho. He attended a country

school until he moved to California with his parents. He graduated from Eagle Rock High School in California then returned to Minnesota to farm with his brother. On February 23, 1952, he married Esther Kruger at Red Oak Grove Church, Austin. Vernon served in the U.S. Army during the Korean War, from September 4, 1952, until August 17, 1954. He and Esther raised a family of five children and farmed from 1954 until retirement. In 1993, they moved to a home near Kenyon where he kept busy restoring old farm machinery and toys. Vernon belonged to the Rice County Steam and Gas Association and donated the brick shop from his farm to the organization. He spent many hours helping to tear the shop down and rebuild it. He enjoyed competing in tractor pulls and displaying his Jeep, old machinery and tractors in parades.

He is survived by his wife, Esther; children, Britt (and Melissa) of Green Valley, AZ, Bruce (and Darcie) of Farmington, Fae (and James) Holin of Vadnais Heights, Julie (and Jeff) Holmquist of Colorado Springs, CO and Alan (and Barb) of Faribault; 12 grandchildren and 4 great grandchildren.

He was preceded in death by his brothers, Eldon (and Gwen) and Warren (and Joyce) Buscho; two sisters, Ladonna (and John) Dutkewicz and Arlette (and Alex) Partida; and a grandson, Daniel Holmquist.

Joan Marilyn Forsberg

Joan Marilyn Forsberg, 94, of Kenyon, died Sunday, September 26, 2021 at her home in Kenyon.

She was born September 10, 1927 in Hayfield, Minnesota the daughter of Henry and Mildred (Satron) Osdal. She graduated from Kenyon High School in 1945. On

April 4, 1948, she married C.R. "Bud" Forsberg at First Evangelical Lutheran Church in Kenyon.

Joan worked at Security State Bank until 1949 when she and Bud purchased Coast to Coast Hardware in Kenyon. Together the couple owned and operated the hardware store until 1987 when they retired.

After retirement, Joan and Bud enjoyed wintering in Arizona, Florida and Texas and spending time at the cabin on French Lake near Faribault.

Joan was a faithful member of First Evangelical Lutheran Church in Kenyon where she was involved with Bible School and the women's circles.

She is survived by her children, sons, Terry (Rollie), Scott (Cyndi) and Mark (MJ) six grandchildren; seven great-grandchildren.

She was preceded in death by her parents, Henry & Mildred; husband, C.R. "Bud" Forsberg (2017).

A private service was held at First Evangelical Lutheran Church. The public was invited to a graveside service at Kenyon Cemetery at 11:00 AM on Friday, October 1, 2021. Pastors Julie Rogness and Tim Bowman officiated.

Memorials are preferred to Kenyon Senior Living.

New Minister Starts at New Life Church

(continued from page 1)

This last spring before he graduated from seminary, a mutual friend from Wanamingo had contacted someone in his home church that New Life Church was looking for a senior pastor.

Colin and his wife, Susan, looked at the Wanamingo community and decided that this was a good place to raise a family and serve the church. His requirements for coming were two-fold. Was God at work in the church and could he be involved in the community? Finding each fulfilled here he made the decision to accept.

Colin loves to teach the Bible and help people understand God's Word. He looks forward to serving the community and finds New Life Church reaching out to help others. The church has a bread ministry to help those who are in need of food and just last Saturday held a car wash free to the public where over thirty vehicles were cleaned by church members.

He is excited to live in the community and begin his service as senior pastor at New Life. He finds good people here who want to show God's love to others in the community. Services at New Life are Sundays at 9am Sunday School, 10am worship service and 6:30pm young adults Bible study. Wednesday 6am men's Bible study and 7pm youth group.

Goodhue County 4-H Members Participate in Minnesota 4-H State Horse Show

Four 4-H youth from Goodhue County participated in the Minnesota 4-H State Horse show Sept. 17-20, 2021. 4-H'ers demonstrate their skills and knowledge in hippology (showing knowledge and understanding of horse training and achievement, speech and demonstrations about interest in horses or the horse industry, showmanship and drill team skills throughout the event.

This year, the following youth were members of the Goodhue County delegation: Tucker Jacobson (Cannon Falls – Cloverdale 4-H Club), Rachel Nesseth (Kenyon-Wanamingo – Aspelund Ever Readies 4-H Club), Charlie Gjemse (Zumbrota-Mazeppa – Zumbrota Busy Bees 4-H Club) and Maggie Mlsna (Cannon Falls – Zumbrota Busy Bees 4-H Club). They each earned their trips during the Goodhue County 4-H Horse Show in August.

Tucker Jacobson in his last year in 4-H had a banner year. He placed 1st in Jumping Fig-

ure 8, 4th in Key Race, 5th in Barrels, and 8th in Poles in his age division.

Rachel Nesseth placed 3rd in English Pleasure – Hunt Seat, and 6th in Western Pleasure in her age division

Charli Gjemse placed 4th in Jumping Figure 8, 6th in Barrels and 7th in Key Race in her age division.

All four members showed well, and worked together as a team to keep their stalls clean and all have built lifelong friendships and mentorships through the program. In a unique year, there was a large age gap between our youngest and oldest exhibitors – which gave a fun twist to the group. Always teaching, helping each other out, and giving pointers and advice – a tight knit group was formed.

Congratulations to all on your accomplishments!

With more than 200 screened adult volunteers, 700+ 4-H members and 19 4-H clubs across the county, Goodhue County is ranked one of the largest 4-H programs in Minnesota. To find out more information about 4-H, or to locate a 4-H club in your area, please visit the 4-H website at extension.umn.edu/local/goodhue, or contact the Goodhue County 4-H Extension Educator, Aly Kloeckner, at the Goodhue County Extension Office at (651) 385-3100 or schw1348@umn.edu

L-R: Rachel Nesseth (K-W), Maggie Mlsna (Cannon Falls), Tucker Jacobson (Cannon Falls), Charli Gjemse (Z-M)

K-W Stories from the Heart

(continued from page 1)

After Jordan Flom introduced his father Scott as "The greatest man I know," Scott Flom thanked the community of Kenyon for shaping him into the man he became.

Flom was a 1975 graduate of Kenyon High School (the merger of Kenyon and Wanamingo would occur in 1991). Flom excelled not only in sports but band and choir also.

He played football, basketball and participated in track. The multi-year All-Conference runner broke and assisted in breaking several school records during his six years of running. Something he said, "I hated to do because I threw up all the time."

As a sophomore he broke the 440 yard dash record and was a member of the medley relay and mile relay teams that set school records.

The mile relay team of 1975 broke the state record and is still the Kenyon-Wanamingo record if converted to meters. His mile relay team at Gustavus Adolphus College also set the school record.

Scott was an All-Conference football running back that led the league in rushing and played in his words, "On possibly the greatest football team in Kenyon history." The 1973 team that played in the state playoffs. They lost to eventual champion New Prague.

Flom was All-Conference in basketball and scored 32 points in a game.

In college he played all three sports and sang in the choir, eventually focusing on basketball and track.

Flom became emotional as he thanked Kenyon residents (pointing out some of them in the audience) for assisting him after his father died of a heart attack when Scott was 15 years old.

At a track meet in Northfield his freshman year he fell 6 tenths of a second short of a school record in the 440. His dad told him not to worry because he would break it the next year.

He did but his father was not there because he died from a heart attack a couple weeks after that meet.

At that point Scott stated, "That's when I found out what Kenyon was like because I lost a dad but I think I inherited about 15 dads, about 18 moms, countless classmates and loads brothers and sisters."

"I found out there was only unique and special people in Kenyon. Every person in this room I know I can tell stories about how God used you to put your fingerprint on my life and changed me forever."

He learned from Kenyon coaches, "It's how you win that defines you not if you win. They also taught me to believe in myself. Wow, that's a big deal. Because how you feel determines how you act."

"So when I left Kenyon I wanted to do everything possible to thank the God who created me. If I could sprinkle little splashes of Kenyon encouragement on everyone I met. God put giants in my life to raise me up. It's contagious. This believing in yourself is contagious."

Flom cited Ephesians in the Bible where he says, "God promises to provide immeasurably more than we need."

He went on to comment, "I have no idea why God made me run fast because I hated it. I really did. I thought it was boring and I threw up all the time."

About that 1973 state playoff football team Flom told those in attendance, "I was fortunate to be on one of Ralph's (Hagberg) best football teams. Maybe your best. (he was in attendance). My junior year we went 8-0 in the Hiawatha Valley. We beat Lake City and Stewartville. They were good teams. John Held kicked the field goal at the end of the game to defeat Stewartville.

"So we go on to the state playoffs and we went to New Prague and it's freezing. The first play of the game I tackled the kick returner and broke my hand. I said to John Held. 'I think I broke my hand.' He goes, 'Wow, you did. You better not tell anybody.' I said, 'You're right nobody needs to know.' 'I didn't tell any Stewartville guys coach. I played every snap of that game.'

I found out you can't be successful without good people around you. The next year we didn't have all the pieces so they had this MVP Banquet over in Faribault. Ralph is a tough guy and all the surrounding towns are there so he says, 'Well, we didn't have quite as good a year as I had hoped so I brought the MVP of the band and the choir.'

"You were a funny man Ralph. A funny man. It was funny. We did have some great people on that team. In closing it's been an honor to be back here. I had a great Mom. She taught me the gift of appreciation. So this is really an honor to be up here with you (pointed to those on stage) and all of you (pointing to audience) here today. I can't say enough how you lifted me on your shoulders and you carried me around and when people ask where are you from, where's your hometown, I say Kenyon. It's not Heaven but you can see it from there."

"I really take this honor with a humble appreciation and know that Kenyon has been my hall of fame since I was 15. So thank you very much."

Katy Berquam Vrieze graduated from Kenyon-Wanamingo High School in 2000, lettering in volleyball, basketball and softball. The basketball team made it to the State Tournament in 2000.

Softball was her sport. After high school she played at Gustavus Adolphus College in St. Peter, Mn. where she was a member of the 2003 MIAC Champion team that advanced to the NCAA Division III Tournament.

"I was honored to represent Kenyon and Wanamingo," she stated, adding, "I met Scott (Flom) at the football game the other night and he asked if I was from Kenyon or Wanamingo and I said both. It's very true because I grew up about 10 miles from Kenyon and 8 1/2 miles from Wanamingo."

She thanked all her coaches from high school. All of her teammates.

"The last group of people I want to thank are my family. So my Dad grew up in Wykoff, Mn. on a dairy farm and he was blessed with four daughters. He taught us all how to pitch a softball. He would hook up the milkers and we would throw between those times. I am so honored to be a part of this class."

Vrieze earned her PHD at the University of Iowa. She lives in St. Paul with her husband Tyler and sons Jay and Cam. Katy works in the pharmaceutical industry where she supports medical education and scientific exchange.

Rick Ryan is the father of former K-W wrestling Head Coach Matt Ryan, now the Principal of KWHS. Matt gave the presentation for his "emotional" Father saying he

bet him he couldn't make it through his speech without crying.

Rick Ryan "was instrumental" in assisting the K-W wrestling program becoming one of the top programs in the state. He started the elementary program when Matt started as Head Coach in 1998 and ran the program until 2019.

Matt stated Rick coached 12 K-W Elementary Wrestling teams that qualified for the NYWA State Tournament. They won the State Team title in 2018. There are no classes in NYWA. All schools compete in one division. Rick was named NYWA State Youth Coach of the Year in 2018.

Matt was right Rick did not make it through his presentation without getting emotional and one of his granddaughters finished his thank you speech.

Roz Hagberg Schack graduated in 1978 from Kenyon High School. The first female recipient of the Picha Award for outstanding scholar, leadership, citizenship and athletic ability.

Yes she is the daughter of Ralph Hagberg and said it was great growing up with a coach for a dad. She added, "Kenyon, Minnesota was a great place to grow up. In our small town we were fortunate enough to have a swimming pool, golf course, tennis courts, football and baseball fields. I could walk or ride my bike anywhere and do all the sports that I loved. I was one of several girls in my class who loved playing football. In 5th grade during recess that was our game of choice until the teachers announced we wouldn't be allowed to play tackle football with the boys anymore."

Schack called Kenyon coach and teacher Diane Nikunen (presented her) "the best volleyball coach I ever had."

She was a high jumper and member of the mile relay team in high school

She would go on to play four years at St. Olaf College in Northfield, Mn where she lettered and played every season and was Co-Captain the last two years with fellow Kenyon graduate Beth Ronning.

Schack also played third base in softball at St. Olaf her freshman year and lettered in golf her senior year.

The former Kenyon Viking was an Assistant Volleyball Coach at St. Olaf for a season after graduating. Then spent the next ten years traveling the east coast with the USVBA Volleyball Team.

Roz still enjoys participating in volleyball, golf, tennis and her new favorite is pickleball.

Bruce Vermilyea could not make his induction in 2019 so he thanked those responsible for allowing him to come back and deliver his appreciation this year.

Vermilyea was a 1971 graduate of Kenyon High School. There was one class in all sports then and he was in the State Cross

Country Meet, State Boys Basketball Tournament and State Track Meet.

He went on to participate in sports at Division I Bowling Green State University in Ohio where he was a Mid-America Conference Champion in the 880 in 1974. Qualified for the National Cross Country in 1972. National Indoor Track Meet 1973, 1974, 1975. Qualified for National Outdoor Track Meet in 1973.

MAC All-Conference, Division I All-American, member of the American Record setting 4 x 1 mile relay team in 1973. Vermilyea ran with Dave Waddle a future Olympic Champion.

Vermilyea received the Bowling Green Distinguished Service Award and was the school's representative as The Scholar Athlete of the Year in 1975.

Bruce married his college sweetheart, Trish, in 1975, then went to the University of Minnesota School of Dentistry. He practiced Dentistry in Richland Center, Wisconsin for 36 years, raised 3 children.

Bruce and Trish are now happily retired at their cabin in northern Wisconsin where they love to fish and, "Thoroughly enjoy their seven grandchildren" (all under the age of 9).

Johnathan Reppe was born in South Korea and adopted at the age of 2 1/2. His family moved to Wanamingo in 1976 where he graduated Salutatorian of his Class of 1984.

He attended Hamline Law School graduating in 1995. He is President of Reppe Law Office.

Reppe could not attend the banquet due to a family wedding and will give his induction speech next year. He was a three year letterwinner in football at Gustavus and one year letterwinner and school record holder for a brief time in the Javelin.

The team inducted was the first Kenyon girls basketball team to participate in the State Tournament.

I was honored to call their games and there were some familiar faces there Saturday.

Deb Quam spoke on behalf of the team remembering the bus driver who took them to all their games and was proud to do it. Head Coach Steve Alger also talked about the team as well as Assistant Coach Jim Sviggum.

Alger pointed out the team set a state record in their Sate Consolation Round win over Esko by making 25 of 30 free throws. The 25 made free throws was a state record. Pam Dahl Nutter was 6 for 6 in the game.

Sviggum stated the team members have gone on to raise families and make a positive impact on society.

It was another special night in Kenyon-Wanamingo High School hearing stories from the heart.

Letters to the Editor

Letter to the Editor

Here is an excerpt from the United States Dept of Education Covid-19 Handbook:

CDC issued an order requiring wearing masks on all public conveyances, including on school buses. Accordingly, regardless of the mask policy at school, passengers and drivers must wear a mask on school buses, including on buses operated by public and private school systems, regardless of vaccination status, subject to the exclusions and exemptions in CDC's order.

As the school bus contractor for Kenyon-Wanamingo Schools, we want to reach out to parents in our community to explain our school bus mask policy — and urge them to please provide a mask for their children and instruct them to wear it while riding the bus.

Parents may not realize that even if your child isn't required to wear a mask in school, they still need to wear one on the bus. The federal government requires passengers and drivers to wear masks on all modes of public transportation, including school buses. This rule has been in effect since 2020 and applies to everyone across the nation, whether you are in Minnesota, South Dakota or Texas. Local contractors, school districts, cities and even the state have no say in this matter.

We are finding that many children are not wearing masks on the bus, and oftentimes do not even have a mask with them when they board. Aside from the cost of having to provide masks to students — which many bus companies are spending their own money to do, with no help from school districts or the state — this puts bus drivers and operators in a legal predicament. If we do not enforce the mask policy, we could potentially be held legally liable.

Further, the Department of Homeland Security recently announced that any passenger—including passengers on a school bus—who does not comply with the mask requirement on public transportation may be fined \$500-\$1,000 for their first offense and up to \$3,000 for their second offense.

School bus drivers are doing our best to adhere to the law and working hard to make sure your children get to and from school safely. Please help ease the stress and burden on bus drivers by making sure your children have a mask and wear it whenever they ride the bus.

**Jon & Mary Held
Held Bus Service**

Letter to the Editor:

**Kenyon-Wanamingo Referendum:
A Matter of Trust**

It has been described as the “Mortar that

binds leader to follower” (Nanus, 1989). “It is the expectancy that the words, actions, and promises of another individual, group, or organization can be relied on” (Goddard, Tschannen-Moran & Hoy (2001). “If schools are to prosper and succeed, trust is crucial” (Hoy, 2002).

With the aforementioned in mind, I would like to begin with two paragraphs from a letter I sent on August 12, 2020, to the current Kenyon-Wanamingo Superintendent of Schools. Due to the fact that I was concerned about the direction the school district was going, I agreed to set up a meeting with him and a group of retired school board members, businessmen, educators, and farmers from our local community. Unfortunately, not only was my letter never answered, but it would take almost a year before he would meet with us. Could this be why a local farmer recently said, “I would not know him from a bale of hay?” Please note the following:

Dear Mr. Boysen:

Let us begin with the basic condition that you are the school district's superintendent and I am just one of its resident tax payers. Moreover, you have indicated that you want to address declining enrollment and an upcoming referendum; I want the school district to focus on student achievement and a restoration of its “high” standing in the educational community. Furthermore, you and the school board want to increase my property taxes by \$300.00 per year; I want to know why I would be willing to add this amount to a recent property tax increase (payable in 2020) of \$600.00 per year.

As you move forward, you want to spend time completing a dissertation that will take you elsewhere; I want you to spend time showing us the kind of leadership qualities we have not seen in a longtime. You want to thread the needle by living in Austin, attending Winona State University, taking on the responsibilities of being both a superintendent/elementary principal, and promising us that you can find the balance; I want you to stand before the community and tell us how you are going to take us from where we are today...to where we will go tomorrow...and beyond. It is the least we can expect from our traveling CEO.

As I reflect on what has transpired over the past year, I now realize that a great deal of time was wasted due to the superintendent's on-going delay in meeting with us. While I appreciate the fact that he was new to his job, the chance to meet with a group of learned citizens would have given him a wonderful opportunity to discuss the kind of issues our

school district is currently facing. It has been my experience that these are the kind of events whereby leadership and trust are oftentimes born. Once lost, they are hard to recapture.

In preparation for a special election that will be seeking general education revenue in the amount of \$950.00 per pupil unit, I would like to remind the public that school boards are meant to play an important part in providing quality education at the local level. When this does not happen, you start seeing decisions that diminish rather than enhance a program. For instance, you see a decision whereby funds from a recently passed building referendum were used to pay part of a previous superintendent's salary. This is not what the patrons of the school district had in mind when they voted for building upgrades to the Kenyon and Wanamingo sites.

Secondly, we have seen a recent decision that denied the school district much needed revenue even though the school board promised the voters that the use of our new athletic complex could generate thousands of dollars in general operating funds. Could this misguided decision of putting the Booster Clubs before the patrons be part of the reason that the school district is facing deficit spending for the third time in recent memory?

Thirdly, we have seen a decision that allows the superintendent to live 60 miles from a school district that he claims to represent. Could this be why he is not only unable to meet with patrons who could/would give him valuable insights on who we are and what is important to the community, but after over a year in his current assignment, he has yet to provide us with his plan for the future?

Fourthly, we have seen decisions that continue to allow substandard academic achievement to go unchallenged in spite of the fact that, under the right learning environment, our students are the equal to students anywhere. Could this be why the Minnesota Department of Education continues to report over a decade old concern with **Student Proficiency** or why a local newspaper reporter noted, “There was a time when you were at or near the top of the list.” He would go on to say, “What happened?”

Finally, and in what began as a question of leadership and trust, has suddenly evolved into a “bale of hay” and the question that should bring shudders to the school board and its administration: What has happened to Kenyon-Wanamingo Public Schools? Sadly, if our leadership is unable to find the right answers to our problems, they had better pre-

pare themselves for an outflow of students who will be looking for schools and programs that will do a better job of meeting their respective needs.

A number of years ago I had the privilege to write a position paper for a Regional High School in rural Alaska. During my research, I came across a quotation from the Alaska Commissioner of Education, Dr. Shirley Holloway. In a speech used to confirm her commitment to excellence and in what would become the Quality Schools Initiative, she said, “Nothing is more important for families in our state, and the future of Alaska, than education. The hopes and dreams we have for our children and our communities begins with quality education.” Her goal: “To create high standards, academic achievement, excellent teaching, and new partnerships between families and schools.” It sure sounds good to me.

Before I conclude my thoughts, let me remind the public that schools are in the business of **student readiness**. Whether or not their students choose to pursue College, Vocational Education, OJT, the Military, or some other form of higher learning, much of their success will be predicated on what happens between Kindergarten and high school graduation. This cannot be accomplished when their Minnesota Comprehensive Assessments (MCA) show a mathematics proficiency score of 33%; a reading proficiency score of 41%; a college readiness score of 17.5%; and a ranking that places Kenyon-Wanamingo worse than 57.9% of high schools in Minnesota. Is there any wonder why some of our top graduates (3.5 to 4.3 GPAs) are reporting that they are not being prepared for the next level?

In conclusion, permit me to end with two thoughts. First and foremost, I know of no Kenyon or Wanamingo resident who is unwilling to provide our children and/or grandchildren with a quality education. Unfortunately, past practice would seem to indicate that additional operating funds did not solve what has now become an ongoing problem: **Low Student Proficiency**. And second, a close look at the numbers from the Minnesota Department of Education indicate that the problems we are facing were there long before the China virus came down the pike. Just remember an old adage that says, “When there is no accountability...there is no performance.” It is time for a major overhaul at KWPS.

**CITY OF WANAMINGO
City Council Regular Meeting
Monday, September 13, 2021 7:00 P.M.
Wanamingo City Council Chambers
401 Main Street
Wanamingo, MN**

CALL TO ORDER: Mayor Holmes.

PRESENT: Council: Ryan Holmes, Larry VanDeWalker, Stuart Ohr, Eric Dierks, and Jeremiah Flotterud

City Administrator: Michael Boulton

Deputy Clerk: Karen Masters

ABSENT: None

ALSO PRESENT: Brad Kennedy, Todd Greseth – Goodhue County Commissioner, Steve Kruser, Julie Steberg, Howard Moechnig, Maria Moechnig, and David Friese – News Record.

ADOPT AGENDA: Ohr motioned to adopt the agenda with adding Resolution 21-069 Approving Combination of Tax Parcels to the agenda under old business, seconded by Flotterud. Passed 5-0-0.

CONSENT AGENDA: Dierks motioned, seconded by VanDeWalker. Passed 5-0-0.

PRESENTERS:

A) Brad Kennedy reported on:

1) Braget nuisance clean-up - filled up four 30-yard dumpsters at 305 2nd Street E

2) Rented the Minnesota Rural Water value exercise machine. Identified and exercised over 150 valves, cleaned/sucked out over 75 standpipes for valves, and could not get the machine on to exercise 8-10 valves.

3) Skid loader was sold for \$12,000 as per City Council's intentions

4) New Badger Meters – seven meters installed and operational. Will need to set up with software system before reads are available.

5) Rochester Sand & Gravel completed the three asphalt patches that were on 2nd Avenue, Hill Circle, and Ruby Court.

6) Mowed at the WWTP, trimmed around the community garden, mowed and trimmed the undeveloped lot boulevards, and mowed other various areas around town

7) Shut down and winterized pool after the season was complete

8) Fahrner Asphalt Sealers, LLC completed the \$35,000 contracted cracking filling

9) Started working on hydrant flushing and sewer jetting with cutting head. Plan to complete this work within the next week.

B) Todd Greseth, Goodhue County Commissioner, reported on:

Here to listen to the Council's concerns and to offer information on the support resolution for County use of ARPA (American Rescue Plan Act) funds for fire department, first responder, and EMS portable and mobile radio purchases

County Board in middle of planning 2022 budget. Total projected spending is expected to be between \$77-\$78 million.

County lost its Veterans Service Officer. Apologized for the loss, hoping to fill soon.

VanDeWalker asked if it was true if the pay had been reduced for the Veterans Service Officer Position. Greseth stated that pay grade had been adjusted for the position. Greseth stated that some responsibilities were removed from the position resulting in lower pay. VanDeWalker was concerned how the County would be able to hire a qualified candidate with the pay especially since this job would make less than the current assistant.

C) Julie Steberg, Wanamingo Swimming Pool Manager, reported on:

1) Thanked Council support they provided

Manager (Dylan Steberg) and Assistant Manager (Julie Steberg)

2) Water Lilies, water aerobics patrons, thanked Council for support

3) There were 40 paid water aerobics passes with a high usage of 27 one day and a low usage of 6 on another day

4) Operations were smooth in 2021. Patrons' behavior was positive.

5) Would like to go over 2022 proposed rates. There are issues with family passes with grandparents, visitors, and babysitters.

6) There were a very minor issues with staff scheduling and end of the year work ethic drop-off. There were nine new staff members resulting in a lack of experience to start the season

7) Dylan Steberg and Julie Steberg have not decided whether to come back as Manager and Assistant Managers for the pool in 2022. There are possible options for management within current staff.

NEW BUSINESS:

RESOLUTION:

21-063 = Adopting 2021 4th Quarter Maintenance Work Plan: VanDeWalker moved to approve, Seconded by Dierks. Passed 5-0-0.

21-064 = Adopting a City of Wanamingo Debt Management Policy: Dierks moved to approve, Seconded by Ohr. Boulton stated that the policy was recommended to be adopted in order for the City of Wanamingo to help secure an improved bond rating. The bond rating will be utilized for the 2021B Series Refunding to take place in October.

Boulton stated that the rating meeting with Standard & Poor's is scheduled for September 27th. Passed 5-0-0.

21-065 = Approving a Water Tower Space Rental Agreement for the Installation of an Antenna by Northfield WiFi: Flotterud moved to approve, Seconded by Ohr. Passed 5-0-0.

Mayor Holmes provided an update and recommendation from the Personnel Committee regarding the need for a Public Works Supervisor. The details were outlined in a memo from Administrator Boulton. The Wanamingo City Council had discussed the designation/creation of a public works supervisor position when the third maintenance position was added and at times since. The Council decided to split job responsibilities and continue with the City Administrator as supervisor after creating and hiring a third maintenance position in September 2019. The Administrator meets with public works staff in the morning but is not in the field to provide direction. The Administrator does not have the time needed to be the direct supervisor for the public works staff. There have been apprehensions with the day-to-day identification and assignment of tasks from public works staff. Most of the tasks that come up need to be addressed onsite rather than once or twice a day, as is currently taking place. The personnel committee's objective is to both lessen the burden on the City Administrator and provide immediate decision making for public works staffing direction in the field. The public works maintenance tasks continue to grow along with community growth and expectations. To better meet the needs of the City the personnel committee is recommending the internal promotion of one of the public works' employees to supervisor.

The personnel committee discussed pay and compensation for the public works supervisor. The personnel committee also discussed

how to fund and budget for the proposed new expense. The City will need to update the pay equity scale for all jobs in 2022. The public works supervisor position could be included in the new scale with 250 assigned points. The pay range for promoted employee up to the first five years is \$20/hour (\$41,600.00/year) to \$25.00/hour (\$52,000.00/year). Recommended first five years' pay scale changes for 2022 would be \$21/hour (\$43,680.00/year) to \$26.50/hour (\$54,600.00/year). The City would have to contribute additional benefits for the position PERA, Social Security, etc. Additional PERA, Social Security, etc. would run between \$500/year to \$700/year. This would make the promotion an increase of roughly \$9,000/year for one of the employees. Currently the general fund pays roughly 45% (Street 10%, Shop 18.5%, Pool 8%, Community Room 1%, City Hall 3.5%, and Park 4%) of the employee costs while the utilities pay roughly 55% (Sewer 40% and Water 15% of the costs). The general fund would need to levy an additional \$4,500 to cover the costs. The sewer fund would need \$3,600 more to cover the costs. The water fund would need \$1,350 more to cover the costs. The proposed 2023 property tax levy would reflect an additional 1% increase for the 2022 and 2023 costs. The utilities should be able to absorb the additional costs.

The Council will need to approve the Personnel Committee recommended internal hiring process (including interview questions and points for interview questions), job description, and job posting notice. If approved the notice would then be posted from September 14th through September 27th at City Hall. The personnel committee would review the applications and conduct interviews between September 27th and October 1st. The committee would recommend the promotion to the City Council. The Council would consider approval of the promotion, through resolution, at the October 18th City Council meeting. The promotion for the employee would officially begin on January 1, 2022, if approved.

21-066 = Adopting a Public Works Supervisor Job Description Section of the City Policies: Ohr moved to approve, Seconded by VanDeWalker. Flotterud asked what the cost of the promotion would be for the supervisor from the current position. Boulton stated that it would be roughly \$9,000. Kennedy stated that the position assigning small tasks throughout the day would be helpful to have a direct supervisor. Kennedy also stated planning toward projects (i.e., water tower, sewer, and streets) would be beneficial to have one person in charge for everyone to communicate with. Ohr asked what would happen if there were friction between the employees if a supervisor position was created and filled. Boulton stated that the supervisor would deal directly with the issue. If the situation required further attention it would come to the City Administrator, then to the personnel committee, and ultimately to the council. Ohr stated that when the third public works position was created that the Council assigned certain responsibilities to each of the staff. Ohr stated that this division of labor does not effectively work. Holmes stated that as the Community has grown having the City Administrator as direct supervisor is not working. The Administrator does not have time to be the direct supervisor. Holmes stated that having a supervisor will assist the personnel com-

mittee with yearly performance evaluations (reviews) by having direct knowledge of the quality of work performed. Dierks agreed with the idea based upon the information provided. Flotterud asked if there could be unintentional consequences if this proposal is approved. Boulton stated that the current hierarchy of staff was not working and that there would be negative consequences if the status quo is kept. Kennedy stated that the public works staff will be professional, no matter the decision by the Council. Flotterud wants to keep staff happy and productive. Flotterud agreed that the supervisor was needed and that any promotion should take place after the first of the year for budgeting purposes. VanDeWalker expressed that he was thankful how well the personnel committee recommendation had been received. Passed 5-0-0.

21-067 = Approving Support for a North Zumbro Sanitary Sewer District Regional Wastewater Treatment Facility and Bonding Bill Request: VanDeWalker moved to approve, Seconded by Flotterud. Passed 5-0-0.

21-068 = In Support of Goodhue County ARPA Funds Being Utilized for Fire Department, First Responder, and EMS Mobile and Portable Radio Purchases: Dierks moved to approve, Seconded by Flotterud. Passed 5-0-0.

21-069 = Approving the Combination of Tax Parcels: Flotterud moved to approve, Seconded by Ohr. 5-0-0.

OLD BUSINESS:

Ohr asked for an update on the Prairie Ridge Estates Park improvements. Boulton stated that estimates had been updated for the park shelter. Boulton stated that the concrete was now estimated at \$3,800, the materials (including screens) were estimated at \$10,000, labor is now estimated at \$8,000, electrical is now estimated at \$3,000, and other incidentals such as sidewalk and landscaping are estimated at \$1,500. The total estimate for the park shelter is \$26,300. In addition to the shelter a basketball hoop is estimated at \$1,500 while the playground equipment (swing) is estimated at \$7,500. Boulton stated that the Prairie Ridge Estates developer, Jessup DeCook, has pledged \$2,500 towards the project. The Wanamingo Lions have pledged \$2,500 towards the project. The Wanamingo Fire Relief Association has discussed a donation from the gambling fund for the project. The City was budgeting \$15,000 toward the project in 2022 with addition funds to be budgeted in 2023, if needed. The City will be working with the Wanamingo Community Fund to apply for a \$1,000 grant through the Southern Minnesota Initiative Foundation for the project. Additional grant opportunities are available to offset a portion of the playground equipment purchase that the City plans to pursue. There has been discussion by the Wanamingo Lions about conducting additional fundraising, including a ticket raffle to assist with the project. Boulton stated that the dirt work (including aggregate pad for shelter) and seeding would be completed this week by Zumbro Valley Landscaping on the Prairie Ridge Estate Park with an estimated cost of \$6,000. The City will be paying \$5,000 while the developer Jessup DeCook will be contributing \$1,000.

Adjourn: At 8:05 PM a motion to adjourn was made by Ohr and seconded by VanDeWalker. Passed 5-0-0.

Signed: Ryan Holmes, Mayor

Attest: Michael Boulton, City Administrator

Working Together for Our Community

*We can all help stop the
spread of COVID-19*

(continued from page 1)

Yet every day, we are still learning more and more about COVID-19 and the effects it has on our bodies, businesses and communities overall.

Here is some information and reminders you should know about COVID-19 to help protect our community.

Anyone of any age can get the disease. Some people may get sicker than others. People who have COVID-19 can give it to others, even if they do not feel sick.

Let's All Do Our Part

Wondering why you should get the COVID-19 vaccine? Here are three good reasons:

Getting vaccinated helps keep you from getting very sick or having to go to the hospital.

Getting vaccinated helps protect others who can't – like little ones in your community!

Getting vaccinated helps make sure hospitals have enough beds for everyone coming in.

For more information on where to get a vaccine, go to: www.co.goodhue.mn.us/1406/Where-Can-I-Get-a-COVID-Vaccine.

Other ways to protect our community are to continue to wear a mask, stay 6 feet away from others, avoid crowds and poorly ventilated spaces, wash your hands often, get tested for COVID-19, cover coughs and sneezes and clean and disinfect highly used surfaces.

Local COVID Testing

COVID-19 testing remains a key part of keeping our students, workers, and families safe. There are many ways for you to get

tested for COVID. You can go to a clinic or hospital, or you can visit a no-barrier community testing site run by the State of Minnesota. To find a local COVID testing site that is convenient for you, go to: <https://mn.gov/covid19/get-tested/testing-locations/index.jsp>.

You can also use Minnesota's no-cost Test at Home program. To request a test to be delivered to your residence go to: <https://learn.vaulthealth.com/state-of-minnesota/> learn.vaulthealth.com/state-of-minnesota/.

For more information on COVID testing, read through the Frequently Asked Questions about COVID-19 Testing page at <https://mn.gov/covid19/get-tested/faq/index.jsp>.

Get Help

COVID has greatly impacted our community in almost every way imaginable. Numerous people are unemployed or need assistance with food, housing, mental health, and more. This website, <https://mn.gov/covid19/for-minnesotans/get-help/index.jsp> has many links to resources that our residents may find helpful in this time of great need. If you have questions or would like to discuss local financial support/social services call 651-385-3200.

Booster Shots and 3rd Dose Shots Moderna

At this time Moderna has not been approved for booster shots but has been approved for third doses shots.

Third dose shots have been approved only for adults 18+ who have undergone solid organ transplantation, or who are diagnosed

with conditions that are considered to have an equivalent level of immunocompromise. If you fall into that category, please contact your health provider.

Pfizer

Pfizer has been approved for third doses shots for those who are immunocompromised and booster shots. Adults who received the complete two dose series of the Pfizer vaccine can receive a booster shot at least six months after their initial series based on the following Centers for Disease Control and Prevention (CDC) guidance:

Adults 65 years and older and residents in long-term care settings should receive a booster;

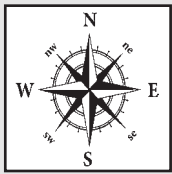

Adults aged 50–64 years with underlying medical conditions should receive a booster;

Adults aged 18–49 years with underlying medical conditions may receive a booster; and

Adults aged 18-64 years who are at increased risk for COVID-19 exposure and transmission because of occupational or institutional setting (e.g., frontline medical workers, teachers, and first responders) may receive a booster.

Goodhue County Health and Human is not administering COVID Vaccine booster shots or 3rd dose vaccine shots at this time. If you fit into one of the categories above, call your health provider or go to: <http://www.co.goodhue.mn.us/1406/Where-Can-I-Get-a-COVID-Vaccine> or <https://mn.gov/covid19/vaccine/find-vaccine/locations/index.jsp> mn.gov/covid19/vaccine/find-vaccine/locations/index.jsp for more information on vaccine providers, or call the Goodhue County COVID-19 Hotline at 651-385-2000.

Changes in Latitudes, Changes in Attitudes End of an Era

By Terry Campbell

This column is written by Messenger editor and Minnesota native Terry Campbell. Terry now splits his time between Minnesota when it's warm here and Tennessee when it's cold here.

Twenty-one years ago, I began my life in the newspaper business. It was actually quite by accident. I wasn't intending to help out for more than a few months but ended up buying the paper and the rest is history.

One of the first acquaintances I made were the folks who printed the newspaper each week. In those days we would layout the pages by pasting printed copies on a large sheet and then deliver them to the printer. After printing, the bundled papers would be hauled back to the post office and distributed to retail locations.

Leonard, Margaret and Jeff Bauman owned the press, a business called Country Impressions near Waseca, where we printed each week. I would drop the pages off at 8am and return in the afternoon to pick up the newspapers. The smell of printer's ink and the hum of the big machinery rolling newspapers fresh off the press was exciting. Johannes Gutenberg would have been so proud. At one time they printed nearly every small-town newspaper in this area, about twenty-eight by our recollection.

Early on we had a mishap. One week somehow a page was omitted and the press spit out all copies of our West Concord Enterprise with one blank page in the middle. I didn't notice it until I was back at the office with all copies printed and distributed. The next week I pulled out a copy at the printer and paged through it to see if any were missing. I looked up and there was Leonard, Margaret and Jeff looking at me,

rather concerned from around the office door. I never found out whose fault the missing page was.

Being an ambitious young man back then I would spend hours doing sales calls in Owatonna. It was a lucrative market back then and I made lots of ad sales. Actually, too many sales for one certain person. Elsie Slinger was the owner of the Blooming Prairie Times and she took offense at the number of Owatonna businesses I was selling ads to. She called me up and informed me I was to lay off Owatonna sales calls and I should sit in my office like a good sales person and wait for the businesses to call me. I guess that way she could get those sales. Naturally being a farm boy who always took the bull by the horns and made my own way in life, I couldn't believe someone would have the gall to feed me this line of bull. Needless to say, the phone conversation degenerated rapidly and I informed her that we lived in a free country and I could sell to anyone I pleased.

Maybe that would have been the end of the issue, except that when I dropped off the paste up sheets that next Tuesday morning, who should I see but Elsie Slinger, there picking up her Blooming Prairie Times. She was still steaming from our phone call earlier and launched into a tirade at me. This was better, now we had an audience for the fight. It is amazing at how calm and articulate one can be when they are right and the other person is crazy. When Elsie stormed out, I looked up and saw Leonard, Margaret and Jeff looking cautiously at me from around the office door. I am fairly certain they were expecting some kind of bloodshed from this confrontation. From then on Elsie picked up her papers later, I sold ads to every business in Owatonna as well as some in Blooming Prairie and I never crossed paths with her again.

Over the years I became great friends with the Bauman's and enjoyed visiting with them every week. The number of newspapers they were printing dwindled down to ours and a couple others and they ceased printing newspapers and retired at the end of September. I am going to miss those guys. As for Elsie, she wrote a murder mystery book.

Flu Vaccination Clinics

The best protection you can get and give is a flu shot.
Did you know 1 in 5 Americans get the flu each year? Don't let the flu stop you!
Stop by the Goodhue County-sponsored flu vaccination clinic.
Family members are welcome. Minimum age is 6 months & up.

- Earn cash back on everyday debit card purchases*
- Refunds on ATM withdrawal fees, nationwide*

Qualification Information: Account transactions and activities may take one or more days to post and settle to the account and all must do so during the Monthly Qualification Cycle in order to qualify for the account's rewards. The following activities do not count toward earning account rewards: ATM-processed transactions, transfers between accounts, debit card purchases processed by merchants and received by our bank as ATM transactions, and non-retail payment transactions/ purchases made with debit cards not issued by our bank. Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning account rewards. "Monthly Qualification Cycle" means a period beginning one (1) banking day prior to the first day of the current statement cycle through one (1) banking day prior to the last business day of the current statement cycle.

Reward Information: When Kasasa Cash Back qualifications are met during a Monthly Qualification Cycle, you will receive 3.0% cash back on up to a total of \$400.00 debit card purchases that post and settle to the account during that cycle period. A maximum of \$12.00 cash back payments may be earned per Monthly Qualification Cycle. You will receive reimbursements up to an aggregate total of \$25.00 for nationwide ATM withdrawal fees incurred within your Kasasa Cash Back account during that Monthly Qualification Cycle. We reimburse ATM withdrawal fees based on estimates when the withdrawal information we receive does not identify the ATM withdrawal fee. If you have not received an appropriate reimbursement, we will adjust the reimbursement amount if we receive the transaction receipt within sixty (60) calendar days of the withdrawal transaction. When your Kasasa Cash Back account qualifications are not met, no cash back payments are made and ATM withdrawal fees are not refunded. Cash back payments and nationwide ATM withdrawal fee reimbursements will be credited to your Kasasa Cash Back account on the last day of the current statement cycle. Rates, rewards, and bonuses, if any, are variable and may change daily after account is opened without notice to you. No minimum balance is required to earn or receive the account's rewards. Rewards less than a penny cannot be distributed.

Additional Information: Account approval, conditions, qualifications, limits, timeframes, enrollments, log-ons and other requirements apply including:

- \$50.00 minimum deposit is required to open the account.
- One (1) monthly direct deposit, ACH credit or ACH debit posted and settled
- Twelve (12) debit card transactions posted and settled
- Enrollment in and agreement to receive E-Statements are qualifications of this account.

Enrollment in electronic services (e.g. online banking) and log-ons may be required to meet some of the account's qualifications. Please go to www.ssbwanamingo.com to access our online banking platform and select New User to opt-in to E-Statements. Limit of one (1) account(s) per social security number. There are no recurring monthly maintenance charges or fees to open or close this account. Advertised information and rewards are based on all account qualifications being met during each cycle period. Contact one of our bank service representatives for additional information, account details, restrictions, reward calculations, processing limitations, cycle dates and enrollment instructions at 507-824-2265.
