School board mulls busing options for **Cataract students**

By PAT MULVANEY Contributing Writer

In the wake of its decision to close Cataract Elementary School to help cover a \$2.8 million budget shortfall, the Sparta School Board addressed some fallout from that matter at its committee of the whole meeting Tuesday.

Because of that decision, some parents who sent their children to Cataract Elementary have openenrolled those students into the Melrose-Mindoro School District. During the public input portion of the meeting two of those parents, Erin Johnson and Tyler Griffith, requested the board change its policy to allow Melrose Mindoro to provide transportation for those children.

They said they would like to see an authorized location in Cataract where Melrose-Mindoro could pick up students who will be attending that school.

In order for that to happen, the Sparta School District would have to change its current policy of not allowing other school districts to provide transportation within its borders. Johnson pointed out that the policy allows for waivers in the cases of special needs students and extraordinary circumstances.

Among the issues Cataract parents have with the closing of Cataract is the long bus rides their children would have to endure to attend school in Sparta.

Leah Hauser, the Sparta School District's director of business services, told the board the district is looking at adding two additional bus routes in the Cataract area and one additional route around Leon at a cost of \$150,000. The district currently has 28 routes.

busing plan, the district would be close to its goal of onehour-or-less ride times.

She also informed the board that Southwest, the district's transportation provider, has said they could use the Cataract school as a drop-off and pick-up point for students in the area to be bussed to Sparta, cutting ride times even further.

School board member Heidi Prestwood, an outspoken advocate for the Cataract school, said she supported district's revising the transportation policy to allow Melrose-Mindoro to pick up students in Cataract, adding the school board owed it to those families.

Board member Anthony Scholze, argued that allowing Cataract students that option would set a precedent that

Hauser said with the new

Ho-Chunk Nation and Fort McCoy sign agreement

By JOHN GESSNER Staff Writer

On May 10th, the Ho-Chunk Nation and Fort McCoy conducted a signing ceremony of a cultural resources memorandum of understanding at the Tribal Office Building in Black River Falls. The memorandum documents the procedures in handling and the protection of Native American cultural resources and artifacts found on Fort McCoy. Tribal President Marlon WhiteEagle remarked that, "he was pleased that the Ho-Chunk people were included in the process of handling cultural resources." This document is an updated version of the 1999 memorandum signifying the consistent cooperation between the Federal Government and the Ho-Chunk Nation.

President WhiteEagle further praised Fort McCoy "for the respectful relationship that the Federal Government displays on the Native American ancestral lands. The Cultural and environments sections of the Department of Public Works (DPW) are the "boots on the ground" when it comes to environmental and cultural DPW Cultural Resources issues. Program Manager, Ryan Howell said that there have been over 500 cultural sites discovered on Fort McCoy, dating back to the Interstate construction beginning in 1960. These "finds" are categorized and, if appropriate, moved to local museums or the Ho-Chunk facilities where they can be held under climate controlled conditions to

Closing the school is an extraordinary circumstance, she said.

Cataract could lead to more problems

SASD Employee investigation

By KYLE EVANS Interim Editor

At a Special meeting of the Sparta Area School District Board of Education on Tuesday evening. The board went into closed session regarding the ongoing employee investigation and for the purpose of discussing the Board of Education's negotiations strategy with the Sparta Education Association.

When the board came out of closed session, President Anthony Scholze said, "at this time we cannot provide further information in regard to the current employee investigation. To be clear, this investigation does not have anything to do with matters regarding student health or safety. There is no concern with misallocation of district funds. We are hoping to be able to come to a resolution and provide information as soon as it becomes available. At that time we will provide any information we can within the law."

On March 29 the board had a special meeting in which the board members voted to hire an investigator and to place an employee on administrative leave during the investigation. It is unclear at this time whether the employee investigation involves Superintendent Dr. Amy Van Deuren, who on March 31 sent a letter to district staff stating, "I wanted to let you know that I will be out of the office temporarily for personal reasons. While I am away, please direct any district-related questions to the high school Principal Sam Russ.'

This is a developing story and any updates will be available as soon as we can.

Six seniors secure scholarships from 50 years ago

By RHONDA HESS Contributing Writer

In conjunction with their upcoming 50th class reunion, the Tomah High School (THS) Class of 1972 presented college scholarships totaling \$15,000 to six members of the THS Class of 2022 at the Senior Scholarship Awards Program at Tomah High School Monday night. Scholarship recipients were: Braden Zingler and Matthew Hennessey at \$5,000, Ellie Krause at \$2,000 and Moriah Murray, Kaylea Cook and Alyssa Alden at \$1,000 each.

Fifty three members of the '72 THS class contributed to the scholarship project, with 92 percent of the dollars coming from classmates living outside of the Tomah school district.

Managed by a committee of four '72 classmates, Jeff Pierce, Jim McGarry, Terry Grimshaw Micks and Diane Kenyon Schalow, the project had three objectives as its goal: to enhance the individual opportunities for several 2022 Tomah graduates by way of an awarded scholarship; to provide a sense of collective accomplishment for the 1972 class and to create

positive institutional change Tomah High School at raising the standard bv alumni benevolence. of

Pierce came up with the idea to award scholarships and he enlisted help from former his classmates. "We're just four classmates working together toward a common goal, solving each issue, large and small, as it presents itself," Pierce said. "Clear and regular communication has been key."

He said "respectful disagreement" was encouraged from the outset, followed by "respectful, solution-

based dialogue," helped them create a bond. "The committee's hope is that other THS classes will pick up the mantle and do something benevolently similar," Pierce said. "It's a worthy, fulfilling repeatable project.' and

To support the THS Class of 1972 Scholarship Fund, checks can be written to THS Class of 1972 50th Reunion Scholarship Fund and mailed to Bank First, 110 W Veterans St, Tomah,

WΙ 54660.

Monroe County Local History Room & Museum

John Gessner Contributing Writer

When one speaks of museums in Monroe County, the Deke Slayton Memorial Space and Bike Museum on the 2nd floor of the old Masonic Temple in Sparta normally comes to mind. But, there is another museum, equally as interesting, on the first floor of the building and it is free to the public. The Monroe County Local History Room and Museum is a treasure trove of information and artifacts for history buffs, researchers and those who just want to find out more about Monroe County.

Entering the long hallway into the museum, maximum use is made of every space for displays and local history artifacts whereas no space is wasted. The exhibit greeting you at the center of the gallery is a model railroad layout demonstrating the importance of railroads to the area. Four major communities are featured: Sparta, Tunnel City, Tomah and Camp McCoy. The layout was built for the museum over a one-year period by a talented volunteer. The HO scale train layout features numerous buildings modeled from the four communities into this interesting and intricate layout. No train enthusiast should miss this exhibit.

Elsewhere in the main room, one will find an exhibit depicting area agriculture that shaped Monroe County for the last 150 years. Military uniforms and equipment, beginning with Wisconsin's massive involvement in supporting the Civil War, all the way through the present Persian Gulf conflicts are displayed. Fort McCoy has played an important part in defining the community as it began its roots as pre-World War 1 Camp Robinson and Camp Emory Upton. Those longtime residents of the area will remember pre-1974 when Fort McCoy was known as Camp McCoy.

Another major interactive exhibit is "Monroe County: A to Z," each letter defining a major aspect of the county. "A" designates our very own Sparta born astronaut Deke Slayton. "B" represents "Bike

Trail," recognizing Monroe County as the home of the first rails-to-trails bike trail spanning 32 miles from Sparta to Elroy. For the remainder of the alphabet, you will need to make a time-well-spent visit to the museum.

County Museum Director and Historian Jarrod Roll is confident the annual visits to the museum will soon return to the pre-Covid numbers of nearly 13,000 people, including 2500 students from area schools. The Local History Room and Museum was started in 1976 as a department of Monroe County located on the fourth floor of the former County Health building on County Hwy B. The History Room moved to its present location in the former Masonic Temple at 200

West Main Street in 1993. Running the History Room is a staff of 1.75 employees plus numerous volunteers. A volunteer board of six individuals serving three-year terms provides oversite to the operation of the History Room. The current board make up has logged 109 years of total volunteer time. They serve as advisors, resources and overseers to the History Room's operations, including fundraising activities. The History Room must provide its own operating expenses and the County covers personnel costs. The museum staff can also assist people researching local family history or military service of family members, even as far back as the Civil War. To maintain the highest of standards, the History Room participates in the Standards and Excellence Program (STEPS), evaluating programs and continually updating procedures as developed by the American Association for State and Local History.

The History Room further reaches out into the community to maintain and offer other interesting historical programs for the county. One such, maybe not so well known, is the Wegner Grotto County Park located at the intersection of highways 27 and 71, north of Sparta. The Grotto consists of artistic concrete and glass mosaic structures. The Kohler Foundation presented the site as a gift to the county in 1987 and the History Room and

Monroe County History Museums and Local History Room. Herald photo by John Gessner.

volunteers continue the upkeep of the site for passersby and visitors to enjoy.

Programs are continually added to the History Room schedule of events. Some upcoming May events include: On May 7th, the History Room participated with several other organizations in the Rails to Trails Celebration and Bike Expo at the Sparta Chamber of Commerce (the old Sparta Train Depot). Activities begin at 8:30am and continue until 4:00pm.

On May 12th, the History Room will sponsor a presentation on the History of the Tomah Indian Industrial School, which was located at the present site of the Tomah Veterans Administration Medical Center. Local historians Kevin and Patsy Alderson will share the history of the school at the museum beginning at 7:00pm.

On May 14th at noon at Woodlawn Cemetery in Sparta, a ceremony will be conducted to honor the last Civil War soldier from Monroe County. Watts W. Hubbard served in the 3rd Wisconsin Cavalry Regiment and passed away in 1943. History Room staff assisted with the research of Watts Hubbard's biography and military service and will be participating in the event, which is conducted by the Sons of Union Veterans of the Civil War.

The Monroe County Local History Room & Museum is

If you've been wondering where this column has been the past two weeks, wonder no more! This feisty Fauska was up in Barron helping cousin Louise Kaus after she had surgery on her right foot. After a week of hopping like a bunny, she developed some complications and, in spite of my care, needed to return to the hospital for further care. I returned home this past Wednesday evening, stopping at Black River Falls for a visit with in-laws Joe and Marg Collins and son Mike on my way south.

After returning home, I talked to Steve Schumann next door and learned that his mom, former resident Ruth Schumann, had broken her femur and is currently at the UW Rehabilitation Center in Madison. She lives at Milestone Assisted Living in Hillsboro.

Getting back in the swing of things, on Thursday evening I picked up Christopher Young over near Hillsboro and we drove up to Rockton Bar and Grill for supper. Friday evening, I joined Christopher and son Kit for supper at Tabor Bar and Grill. The next morning, Christopher and I had breakfast at the Pony Express Supper Club in Kendall. On Mother's Day, he treated me to dinner at Marty's Steakhouse in Reedsburg. Before coming home, we stopped at McDonalds, where Kit was hard at work, and enjoyed some ice cream. As you can see, I haven't done much cooking since I've been home!

Up the valley, at Mary Parkhurst's, she was pleased to receive some beautiful

flowers on Thursday from Blossoms and Bouquets in Wonewoc.

Up at the end of the neighborhood, Lynette Vlasak has been recovering from her surgery a few weeks ago and on Tuesday attended the visitation for Ivan Witt at St. Matthews Lutheran Church on South Ridge. Sally Dana and Ruth Steinke were at Ivan's funeral. Wednesday, Sally joined Carol Fronk, Eileen Richie and Lori Bandle for their weekly game of mah jong. Thursday, Sally lunched at the Kendall Senior Dining Center and attended the St. John's Lutheran Church's ladies' aid meeting. When the weekend came, cousins arrived at the Vlasak and Zellmer families. Friday evening, they gathered at the Hillsboro Brewing Company for fish supper. Those who attended were Lynette and Sally, Allan and Heather Vlasak, Lowell and Arlys Zellmer, Craig Dasse from Texas, Geoff and Kristin Larcom of Ann Arbor, Michigan and Katie Dasse and Efmaeel Tirgardown from Iowa City, Iowa. The next day the whole group gathered in La Crosse to help cousin Henry Leibl celebrate his 90th birthday.

What a blessing when families from near and far can gather together for fellowship and joy! God placed us on this earth to help and serve each other in our daily walks with Him. When we can take time from our busy lives to be together with loved ones, we are doubly blessed by each others' presence. God is great, God is good, and He reigns in our neighborhood. Amen.

Tomah Health announces new CEO The Tomah

Health board of directors has announced the selection of a new hospital CEO. Derek Daly

will succeed **Derek Daly** hospital CEO

Phil Stuart who is retiring after 50 years in health care, including 27 years at Tomah Memorial Hospital and Tomah Health.

"On behalf of the whole board, we want to thank the Search Committee and all those involved in the interview process," hospital board chair Greg Gaarder said in a prepared statement. "The Search Committee reviewed the comments and ratings of each candidate made by committee members, medical staff, managers and board members. After significant discussion, the committee recommended to nominate Derek Daly, to the full board, as the next CEO of Tomah Health. This was a very thorough process and we had excellent candidates to choose from," Gaarder wrote. Daly was one of three candidates interviewed for the position.

Daly has served the last five and a half years as CEO of Blue Mountain Hospital District including its 25bed critical access hospital (CAH) in John Day, Oregon, a rural health clinic, longterm care facility, home health and hospice agency, and ambulance service. "I am thankful for the opportunity to join Tomah Health and work alongside all of the caregivers and team members across the organization and the Tomah health care community," said Daly.

Before his position in Oregon, Daly served two and a half years as CEO for a Sanford managed facility. Health Medical Center Libertv (LMC) in Chester, Montana, where he had executive oversight for a 25-bed critical

Honey in the Valley

Come see what the buzz Honeywine Mead tastings is all about at, "Honey in as the Valley", on May 14th, at Dorset Valley Schoolhouse in Wilton, WI. This familyfriendly event starts at 11:00 AM, with activities for all ages. Dorset Valley Schoolhouse Restaurant, will feature a honey infused menu, incorporating from their farm. honey A variety of vendors will "Bee" on hand at the Maker's Market, showcasing handcrafted honey and bee inspired goods. The Mercantile will offer local artisan products as well as a bottling station for farm-fresh their honey. Kids will have plenty to do at this event, while taking part in educational opportunities, dressing up in bee-suits, taking part in the Bee camp, and exploring the petting zoo. The event will also feature Local brew and

access hospital with on-site long-term care, a rural health clinic, and an assisted living facility. "For years, I have been aware of Tomah Health and its great reputation as a high-quality provider of health care services," Daly said. "When first visiting in person earlier this spring, I was even more impressed with the organization, services, facility and most importantly, people, at Tomah Health," Daly added.

Daly said he was "born a Badger" in Madison, Wisconsin, before later growing up in eastern South Dakota. He attended Augustana University in Sioux Falls, South Dakota, where he received an undergraduate degree in Business Administration before obtaining his master's degree in Health Administration from the University of Iowa.

Like Stuart, Daly is an employee of HealthTechS3 - a health care consulting and hospital management firm based in Brentwood, Tennessee. with clients across the United States, including Tomah Health. "Tomah Health's relationship HealthTechS3, with an organization I have had great familiarity, is also a major contributing factor to making this an intriguing professional opportunity," Daly said.

"I am looking forward to officially starting in my role at Tomah Health sometime this summer and getting a chance to meet all of our internal caregivers, team members and community partners," Daly said. "My wife, Nicole, and I are looking forward to relocating our young family to Tomah, getting involved in the community, and forming personal and professional relationships in the area." The Daly's have a 7-month-old son.

Stuart originally said that he would step down in June, adding that if the transition to a new CEO takes longer, he would be available to ensure a solid handoff.

				2				7	sharpen your pencil and put
	5		8			7		3	your sudoku savvy to the test!
Anna		6	4						
						4	5		

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Fantastic as a family heirloom, keepsake or community fundraiser.

LUCILLE ROOF

October 22, 1929 — May 9, 2022

Roof, 92, of Tunnel City, died Monday,

Leland and Lucille Roof Gertrude

(Paddock) Rose in Warrens. She attended the Tomah High School and furthered education at the her Northwestern Bible School in Minneapolis. There she met her husband, Harley Roof. They were married in 1950 at the Covenant Church, Minneapolis. Together they lived a life dedicated to the ministry of Jesus Christ as Lord and Savior. At their first church in 1954 she taught Sunday school and started a lifetime mission for children's evangelism. Spending time at the Riverside Camp in Wisconsin and Bibleville Camp in Texas. In her later years she was an active and faithful member of the Ambassador Baptist Church and led bible studies, sang in the choir and continued her child evangelism.

Lucille worked for the Tomah School District as a cook for many years, and cleaning homes for local families for many years. She enjoyed spending her time with her flowers, spending sewing, researching time her family's genealogy, swimming exercises and at the Holiday Inn Hotel in

TUNNEL CITY - Lucille Tomah. She had a deep faith

She is survived by her husband of 72 years, Harley of Tunnel city, a son Earl of Tomah, a daughter Evelyn Coder of Austin, TX, seven grandchildren. Steve (Lynn), James (Caitlin), Kim (Keith) Allen, Mercedes "Sadie (Zachary) Battista, Katie Roof, Bryce and Kayla Coder, many greatgrandchildren, a sister-inlaw Lou Ann Rose, many other nieces, nephews, and

She was preceded in death by a daughter-in-law Lois Roof, her siblings, Daniel, Victor, Bessie, Ben, and Alvin Rose, sisters-in-law Marty, and Ruth.

A Funeral Service will be held on Monday, May 16, 2022, 2:00 P.M. at the Ambassador Baptist Church, 15863 State Highway 16, Sparta. Pastor Clyde Ewers will officiate. Burial will follow in the Warren-Mills

with families living on the border of other school districts who would want the same opportunity for their children.

Without a waiver to the policy, Melrose-Mindoro buses would have to pick up students within its own district at the Four Corners area on Hwy. 71 where parents would have to take them. Scholze said Southwest's offer to use the Cataract school as a pickup and drop-off point for kids going to Sparta gives parents essentially the same scenario as taking their children to Four Corners to catch a Melrose-Mindoro bus.

"If parents are willing to drive to four corners, they can drive to the Cataract parking lot and we can get the students (to Sparta) in 11 miles," he said.

According to board member Pat McKenna, that missed the point. "At the end of the day I don't think these people are choosing to go to (Melrose-Mindoro) because of busing times - they're mad," he said.

He added it was up to the school board to look at what is best for the students no matter where their parents chose to send them and facilitate their needs by revising the policy for a few years. "I think it would be in our

AGREEMENT

(Continued from Front Page)

best interest to say we're going to do something for a year or two years while we look at what happens," he said, adding that might mend hard feelings. "I would love to be able to get these kids back."

Since the issue was only on the agenda for discussion, no action was taken.

In other business, Hauser told the board it still had around \$700,000 to cut from the budget to cover a \$2.8 million shortfall for each of the next two school years.

She added that some variables still could affect that number, such as enrollment numbers for the 2022-23 school year, the eventual staffing salary negotiations plan. and the possible use of more ESSER funds to offset the shortfall. The administration is still exploring options.

Interim Superintendent Sam Russ told the board the Memorial Field project is set to kickoff May 31, with the demolition of the old bleachers. The district is still looking at a mid-August completion date in time for the first varsity football home game.

of 2022 The Class graduation ceremony will still take place on the field, weather permitting.

preserve their quality. One such item was an intact clay jar, over 2000 years old. Only three of these have ever been discovered in the United States. It is housed in the La Crosse museum.

The Ho-Chunk Nation is known as "The People of the Big Voice" or "Sacred Language." They once covered over 10 million acres of land, mostly in present day Wisconsin, plus west into Minnesota and south into Iowa, Missouri and Illinois. President WhiteEagle described the region as Green Bay to Minneapolis-St. Paul to St. Louis to Chicago. Today, the Nation has over 7,000 enrolled tribal members still living in these areas but rather than a reservation, they live in communities or areas designated as allotments.

Colonel Michael Poss, Garrison Commander said that he was "proud and humbled to represent Fort McCoy and the U.S. Army in today's signing cer emony relationships with U.S. the Ho-Chunk Nation date back to 1778, during the Revolutionary War, when Army Colonel Clark worked with the Ho-Chunk people along the Rock River in the fight against the British. Many with Ho-Chunk ancestry have served in the military to include Corporal Mitchell Red Cloud, Jr." CPL Red Cloud served in the Marine

Letters to the Editor

Equal treatment

Dear Editor:

We used to live on a planet called Earth. Also known as the real world. Now, I'm not sure if it's Upside-Down-World, or Clown World. Anyone blessed with the power of reason would assume the Supreme Court decision would be seen by the right as a good thing, as it applies to Roe v Wade.

So, why is it that CNN warns of "right wing violence" as it applies to this potential ruling? It must have been rampant right wing violence that burned down US cities in the summer of 2020. I don't want or expect special treatment. Just equal treatment. January 6 can't be defended; but neither can summer of 2020.

With this decision, states like Illinois, California, and New York will still have abortions. It's a 10th amendment issue, and not federal. Therein lies the problem for the left. The 10th amendment is the polar opposite of federal authoritarianism.

"When the people fear the government, there is tyranny. When the government fears the people, there is liberty."-Thomas Jefferson.

Tim Peterson Cashton

Tomah Lions already have 2 SPOT devices Dear Editor:

For over 20 years the Lions/Lionesses have provided an eye screening service to the school districts in the area. At the beginning of this service, the screening was done with the standard wall eye chart. In the past 10 years, with the event of modern technology, the screening has become more efficient with an eye screening device called the SPOT. This device has taken what had been several weeks to screen a school district, to approximately a week which also includes parochial schools and day care centers. This device is strictly a screening device which is used by the school nurse to find various abnormal eye sight conditions in children in the lower grades of school. No medications or physical closeness are required to perform the eye screening. No personal information or pictures are taken of the students with this device. It is a device that is sanctioned by optometrists and Wisconsin Lions Kids Sight for screening only.

You may ask why I am writing this letter! The used cost of the device is approximately \$7000-\$7500. The Tomah Lions were able to purchase a device 8 years ago with the help of fundraising in the Sparta/ Tomah area. Since it has been 8 years, the Tomah Lions felt it was time to invest in another device. The Tomah Lions, with the generous funding from the Etzenmueller Foundation, were able to purchase a second new device so we now have 2 devices for use throughout the area schools.

The Tomah Lions have learned that the Tomah School Nurse has placed in her budget to purchase a SPOT device. The use of the device is about 1-2 weeks a year, if the process is done efficiently. To have \$7000 sitting on the shelf for the rest of the year would be outrageous. Could this money in the school nurse budget be put to better use? The Tomah Lions device is readily available for use by area Schools with just a phone call. Call the members of the Tomah School Board and tell them not to waste \$7000 when school budgets are so tight.

Sheriff presents Sheriff's awards

By Kyle Evans Interim Editor

On Monday evening, Monroe County Sheriff Wes Revels presented three Sheriff's awards at the public safety and justice meeting. This is an opportunity for the Sheriff to extend his gratitude to these people for their charitable acts.

The first award went to Richard Gerke, of Tomah. Revels said he once asked him about hauling a large piece of equipment to Polk County. Gerke used his resources at Gerke Excavating and hauled it up there, free of charge. Gerke also extended an offer of doing that at any time free

of charge.

The next award went to Sarah Mosely, of Warrens. Revels said, "there was a missing adult female in the Warrens area about a year ago. Sarah helped us search down a creek on her kayak for 3 hours. The trip should've been about 45 minutes, but there was a lot of brush and debris to deal with. The missing adult female was eventually found safe after a period of time.

The last award went to Lance Wiersema, of Sparta. Lance is the Manager of Theisen's in Sparta. Revels said, "Theisen's provides dog food for our K-9's all year long, and he also has created an event that has grown into

something great in support for law enforcement and military." The event is touch-a-truck, which Theisen's holds every Fall to show their support and allow families the opportunity to see and touch the vehicles different emergency that services use.

In closing, Revels read the plaque which says, "your support of and distinguished service to the Monroe County Sheriff's Office and the citizens of Monroe County has not gone unnoticed. The Sheriff's Office cannot continue its mission to serve and protect the citizens of Monroe County without a dedicated and reliable support system, of which you are an integral member of."

2-year old dies in farm machinery accident

Shortly before 12:00 pm on Sunday, May 8, 2022, the Monroe County 911 Communication Center received a call about a 2-yearold child, Clifford Schumaker that had been involved in a farm machinery accident at an address on Lilac Ave in the Town of Wilton. The caller indicated that the child had been run over and was not responsive.

Emergency personnel arrived and provided medical care to the victim Unfortunately, despite the best efforts of emergency services, the child succumbed to the injuries at the scene and was pronounced dead.

Clifford is the son of Nicholas and Autumn Schumaker.

The Monroe County Sheriff's Office was assisted on the scene by the Monroe County 911 Communications Center Norwalk Police Department Wilton Ambulance, Wilton Fire Department, Tomah Area Ambulance, Gundersen Air, and the Monroe County Medical Examiner.

This incident remains under investigation by the Monroe County Sheriff's and Medical Examiner's Offices.

A photo near the scene of the death. Herald photo by Greg Evans.

Death Investigation in Sparta

Sparta Area School District SCHOOL BOARD VACANCY NOTICE

Notice is hereby given that the Sparta Area School Board will be accepting applications to fill vacancy due to a resignation of the Board of Education.

The remaining term of this position is approximately 11 months and ends with the school board election of April 2023. The process is described in Board Policy Article 0142.5 as follows: A. Appointment by the Board to fill a vacancy shall be by the majority vote of the existing Board. All

otes shall be recorded, preserved and open to public inspection to the extent prescribed in Wis. Stat Chapter 19. Secret ballots may only be used when Board members are electing officers

B. The vacancy shall be announced in the local newspaper for a minimum of two (2) weeks prior to the deadline for applications. C. If one or no applications are received by the deadline, the deadline may be extended by a

maiority vote of the Board. D. If more than six (6) candidates apply for the vacancy, the Board as a whole may review

applications and select six (6) candidates for consideration by the full Board E. All applicants are to submit a notice of their interest, in writing, to the Board Administrativ istant/Superintendent's Office

F. The Board may interview candidates to ascertain their qualifications. All applicants will be notified of their interview time and given an equal opportunity to make statements on their behalf and answer Board questions. If a candidate is unavailable during the designated meeting, the candidate may choose another person to represent himself/herself. Applicants will be requested as a courtes to not be present while other applicants are being interviewed. Interviews of the candidates shall be done in open meeting unless the discussion involves financial, medical, social or personal histories o disciplinary data that, if discussed in public, would be likely to have a substantial adverse effect upor the reputation of the person.

G. If the vacancy is not filled within sixty (60) days of the date on which the vacancy first exists, the vacancy shall be filled by the following methods:

1. If an appointment for a vacancy is not made due to a voting deadlock of the Board at the conclusion of the initial sixty (60) day period following the date on which the vacancy first exists, the final selection will made at the first meeting of the full Board (following the initial sixty (60) day period)

property. However, traffic may be subject to delays and considerable congestion. The use of alternate routes is recommended. The project is expected to be completed by August 22, 2022.

For further information please contact the Highway Department, 803 Washington Street in Sparta, (608) 269 - 8740 or via e-mail at highways@co.monroe.wi.us.

Department were dispatched to a residence in the 100-block of Jefferson Avenue for an unresponsive person. Upon the arrival of law enforcement and emergency medical personnel, it was determined the subject was deceased.

There was a heavy police presence in the area throughout the day. An investigation continues; however we are

by a random drawing of the candidates tied with the highest number of votes during the most recer

2. If the first solution does not apply for any reason, the Board President will appoint a candidate to fill the vacancy at the first meeting of the full Board which follows the initial sixty (60) day period.

All applicants will be notified in writing of the Board's decision. The candidate appointed to the vacancy upon being notified of the selection shall be deemed to have accepted the appointment unless, within five (5) days thereafter, the person files with the Board Clerk or Board President a written refusal to serve. Pending acceptance and filing the oath of office and Campaign Registration Statement, the appointed Board member shall be seated at the next meeting of the Board. The Board President will assign the appointee to a standing committee and other delegated responsibilities as necessary. Within ten (10) days after the appointment, the Board Clerk will report the name and postoffice address of the new member to the clerk and treasurer of each municipality having territory in the school District.

Interested individuals should email a letter of interest to Wendy Markgren at wmarkgre org or drop off a letter of interest at the District Office (900 E. Montgomery Street). All letters of interest are to be received by 3:30 pm on Tuesday, May 17, 2022. If there are any questions, please call (608) 366-3400

Mark O'Connell speaks to Monroe County board supervisors and department heads on leadership. Herald photo by Kyle Evans.

Monroe County Board gets a lesson on leadership

By KYLE EVANS Interim Editor

On Tuesday, at the American Legion in Sparta, the Monroe County Board of Supervisors had an orientation meeting with all department heads of Monroe County. The meeting consisted of a presentation on open meetings, board duties and responsibilities, conflicts of interest, and other legal topics.

The board hosted a guest speaker, Wisconsin Counties Association President, Mark O'Connell. O'Connell gave a powerful speech on leadership to the board. O'Connell said, "generally speaking, about 10% of the people in any certain group are always negative, 10% of the people are always positive, and 80% fall somewhere in the

middle." O'Connell then had the room shout out negative and positive traits. He said, "the goal of that 80% should be to get rid of negative traits like anger and add in positive traits like generosity. If you try to get rid of one negative trait a month and add a positive trait, people will notice the difference."

O'Connell shared his rules of leadership, his number one rule of leadership is that "it costs you nothing to be nice."

The Wisconsin Counties Association is a highly interactive service provider to county officials and other government entities offering lobbying, insurance programs, education, research, grant development and consulting services resulting in our ability to affect public policy to the benefit of county government.

Bangor Village & Municipal Utility Boards meet

John Gessner Reporter

The Village of Bangor Board and the Municipal Utility Board held their monthly meeting on May 10 at the Bangor First Responders Building. Village President Gary Althoff called the meeting to order with the six trustees discussing normal board business. Significant items of discussion included the update of the All-Terrain and Utility Vehicles ordinance due to be adopted when the new ATV signs are in place. The ordinance will continue to allow for ATV use in the Village but brings it more in line with La Crosse County codes. The board also approved the resolution to authorize the issuance and sale of water system revenue bonds up to \$2,325,404 over a 20-year period. These

The Bangor Village Board Meeting. Herald photo by John Gessner.

bonds are common among municipalities to keep utilities current and up-to-date.

In officer reports, the Department of Public Works (DPW) reported on the Lincoln Street resurfacing project, due to begin in June with final resurfacing in the Fall. Due to a generous donation from Kathy Gjertsen on behalf of her late son Noel, the DPW has ordered and will install a new swing set in the park. Included will be drainage improvements for safer use of the swings. Both of these projects were approved by the board.

The next board meeting is scheduled for June 7 at 6:00 where a new Bangor Police Officer will be sworn in.

nuclear. Often the diesel-electric is just referred to as diesel. Diesel engines need diesel fuel and oxygen. There is only so much oxygen the sub can carry, so it must come to the surface periodically to suck in some air.

The crew also needs air.

On early subs, a diesel engine was used for running on the surface and the electric motor employed for propulsion under water. In later practice, the submarine propellers and equipment on board was powered by batteries, and the diesel engine charged the batteries.

Submarines during WWII did not have to come to the surface and betray their position. The diesel subs could come close to the surface and sent up a snorkel tube in take in fresh air and to expel waste gases produced onboard.

American submarines in WWII could stay completely submerged for about two days, or 48 hours. The Germans had a Type 21 that had an underwater life of about three days. The last American diesel-electric subs were taken out of service in 1988-1990 and now our entire sub fleet is nuclear powered.

Nuclear submarines rely on the power generated by the nuclear reactor on board. The reactor generates sufficient power to run the electrical systems, life support systems, and propulsion systems. Theoretically, a nuclear sub could operate underwater for decades. Of course, they would eventually run out of food.

The U.S. Navy has two main classes of submarines: The 18 Ohio Class Ballistic Missile subs are 560 feet in length and 42 feet wide (abeam) and can launch the Trident missiles that have a range of 7,000 miles. These subs are termed "boomers." Some carry cruise missiles and torpedoes. Attack submarines, or hunter-killer subs, have the mission of sinking enemy ships and subs, carrying and launching cruise missiles, and gathering intelligence.

If both boomers and attack subs can stay underwater for months at a time, how do they get oxygen? Oxygen in submarines is produced by putting sea water through the process of electrolysis. When DC electric current is applied to water, it breaks down into the gases of oxygen and hydrogen. Submarines typically have a couple of big oxygen tanks as well, used to quickly raise oxygen concentration if the system fails. Waste CO2 is released into the sea whenever it's possible.

Sub crews are termed blue and gold. Typically, each team goes to sea for 77 days. When back in port, they have 25 days off to visit family and retrain.

The USS Nautilus was the first operational submarine and was put in service in 1954. The Nautilus was the first submarine to complete a daring and dangerous mission and it has a Tomah connection. There is an inscription on a grave in the Tomah Oak Grove Cemetery for Eugene Schroeder, USN 1931-1989, MMC (Machinist's Mate Chief Petty Officer) that reads, "SERVED ABOARD USS NAUTILUS, WORLD'S FIRST NUCLEAR SUBMARINE WHEN IT SAILED UNDER THE ICE AT THE NORTH POLE AUG. 3, 1958."

Sparta's Wisniewski recognized as 2021-22 UW-Whitewater **Chancellor's Scholar-Athlete**

Monroe County National Night Out announces date, new location

This year's Monroe County National Night Out will take place at a new location. Officials say the 18th annual safety and wellness event will be held Aug. 2 from 4 p.m. -8 p.m. at Recreation Park in Tomah. "Due to a reconstruction project at Tomah's Winnebago Park, we felt that Recreation Park would be a great location to hold this year's National Night Out," said NNO official and Tomah Police officer Melanie Marshall. "We have already met and begun planning events for the very popular county-wide event,"

she said.

National Night Out was introduced in 1984 by the National of Association

message to criminals letting them know that neighborhoods are organized and fighting booths and displays along back.

Town Watch (NATW) - a nonprofit, crime prevention organization that works in cooperation with thousands of crime watch groups and law enforcement agencies throughout the country. The event has heighten crime and drug prevention generated awareness, support and participation in local anti-crime programs, strengthen neighborhood spirit and police-community partnerships, and sent a

"National Night Out has been a fun event and a way to bring organizations together to share information on how to keep families safe," Marshall said. "It's also a unique way for emergency service personnel, like police officers, to meet one on one with residents." She said invitations will be sent soon to past participants inviting them to this year's event.

More than 40 not for profit organizations took part in Department's Bike Safety Expo and Monroe County's Combined Tactical Unit demonstration. Marshall said this year's event will include a number of hands-on displays along with demonstrations live and exercises. Over the past years, the

Monroe County NNO has been recognized by the National Association of Town Watch (NATW) for outstanding participation In 'America's Night Out Against Crime.'

Ryan Wisniewski, a native of Sparta, WI, and graduate of Sparta High School, is one of 59 University of Wisconsin-Whitewater student-athletes recognized by the University Wisconsin-Whitewater of Department of Intercollegiate Athletics and Interim Chancellor John Chenoweth 2021-22 Chancellor's as Scholar-Athletes Presented by Northwestern Mutual.

Wisniewski, a member of the football team at UW-Whitewater, is majoring in physical education.

SPARTA GOLF

Connelly comes through; leads SHS with third place finish

By NATE BEIER Sports Editor

Sparta's Brock Connelly overcame the challenge of a windy afternoon of golf during Monday's Mississippi Valley Conference meet at Hiawatha in Tomah Monday afternoon to finish in a tie for third place. Connelly scored 10-over-par with an 82. The junior birdied hole 14 and played

even on 10 others. Ty Lietzau tied for 16th with a 90, Layden Ott recorded a 95 for 21st overall while Colton Flock tied for 22 with a score of 96. Seth Kenyon was 29th overall with a score of 113

Sparta scored a 363 as a team, which was good enough for fourth place. Sparta will host its MVC match Friday at River Run Golf Course starting at 11 a.m.

TOMAH GOLF

A windy afternoon on course at Hiawatha

By NATE BEIER Sports Editor

Despite being the warmest day to date this season for high school golf, Monday's Mississippi Valley Conference contest at Hiawatha Golf Course in Tomah was also, perhaps, the windiest which gave competitors more to

worry about than normal. The Tomah five played through the blustery afternoon and made their way to a third place finish on their home links after Jake Berry led the team by tying for third overall with an 82. Berry managed two birdies - on holes 12 and 13 - and bogeyed five. Trey Torkelson tied for tenth with a score of 86 while Ty Schanhofer and Owen Walker match each other's score at 90 strokes apiece. Carson Brieske, despite playing in the third player's spot, fell to fifth for Tomah with a score of 97 and a place of 24th overall. Holmen's Jackson Rhoades won the meet after scoring a 79. Teammate Carter Gault was second with an 81 and Sparta's Brock Connelly tied Tomah's Berry for third. Aquinas' Sam Dobbins and Holmen's Luke Taebel tied for fifth. Holmen's team score of 329 was good enough for first place. Opelogies

Sports Editor • sports@monr/

CASHTON BASEBALL

Cashton eyes solo SBC title after moving into sole possession of first

By ZACH RASTALL Sports Writer

The Cashton baseball team is on a tear, having rattled off six consecutive wins as the 2022 regular season enters the home stretch.

As a result, the Eagles are right where they would have wanted to be at the start of the spring: sitting atop the Scenic Bluffs standings with a potential conference championship in their sights.

Cashton currently sits at 11-2 overall and 8-1 in league play for first place in the Scenic Bluffs standings, just ahead of Bangor (11-4, 9-2) on winning percentage and a game ahead of Royall (10-4, 8-3) in the conference standings.

With just five more Scenic Bluffs games on their schedule

doubleheaders road against Royall and Necedah and a home game against Hillsboro — the Eagles fully control their own destiny to conference glory.

Cashton has been a finetuned machine throughout the spring to get to this position, with its pitching depth being a big reason why.

"We have a really nice pitching rotation," said Cashton head coach Jeff Moreno. "We have five guys who pitch very effectively, which I think is really a strength in the day and age of pitch counts, especially playing as many doubleheaders as we have."

Reigning Scenic Bluffs Player of the Year Bowdy Dempsey has once again been stellar for the Eagles and

helps lead the way on offense, though they certainly have stellar complementary pieces around him.

Moreno singled out Jack Kleba in particular for his contributions hitting behind

(CASHTON) cont. pg 10

Cashton's Jeff Moreno

has guided the Eagles into a position to win its first outright Scenic Bluffs title for the first time in a decade. The Eagles have five SBC games left, including doubleheaders with Royall and Necedah. Herald photo by Nate Beier/GX3 Media.

BANGOR SOFTBALL

Cardinal softball clinches outright title with win at W-C

By ZACH RASTALL Sports Writer

It's felt like an inevitability for at least a couple weeks, but now it's official: the Bangor Cardinals are outright 2022 Scenic Bluffs softball champions.

After clinching a share of the conference title late last week, the Cardinals (12-0, 12-0) ensured they'd hold it outright thanks to a narrow 3-2 win over the Wonewoc-Center Wolves (6-6, 6-6) Monday, May 9 in Wonewoc.

Trailing 1-0 in the top of the third, Bangor tied things up at 1-1 after a Taylor Jacobson sacrifice bunt brought in Ella Janisch to score. A Gabby Schroeder RBI double in the top of the fourth gave the Cardinals a 2-1 lead, but Shelby Justman's solo home

run in the bottom of the fifth knotted the score back up at 2-2

Schroeder scored on a passed ball with two outs in the top of the seventh, then Aliyah Langrehr struck out the side in order in the bottom half of the inning to put the finishing touches on the win and an outright conference championship.

Nora Tucker, Langrehr, Schroeder and Janisch each got a hit for Bangor. Langrehr picked up the win in the circle after allowing two runs on four hits and four walks while striking out 11 in seven innings of work.

The Cardinals will continue the trudge toward the end of the regular season when they host Necedah (5-6, 4-5) Thursday, May 12 at 5 p.m. in Bangor.

CASHTON BASEBALL Cashton thrust into first in SBC standings after New Lisbon sweep

By ZACH RASTALL Sports Writer

Thanks to a sweep of New Lisbon and an assist from Brookwood, the Cashton Eagles now control their own destiny to a Scenic Bluffs baseball title.

The Eagles (11-2 overall, 8-1 Scenic Bluffs) thrust their way into first place in the conference standings thanks to a doubleheader sweep of the New Lisbon Rockets (6-7, 5-6) Monday, May 9 in New Lisbon

In the opener, the Rockets held a 4-2 lead after two innings, but Cashton tied things up at 4-4 thanks to RBI singles courtesy of Ethan Schmitz and Ben Grandall in the top of the third.

The Eagles added three runs in the top of the fourth and two more in the fifth on their way

to a 9-4 victory. Grandall, Schmitz, Connor Butzler and Jack Kleba each recorded a hit for Cashton. After New Lisbon got to **P**resley starting pitcher Brueggen, Butzler came on in relief for 3 2/3 scoreless innings during which he gave up only two hits and recorded a strikeout.

In the nightcap, the Eagles trailed 2-1 heading into the bottom of the fifth, but a Brueggen RBI single and a Kleba walk-off RBI knock allowed them to escape with a 3-2 win.

Kleba led Cashton by going 2 for 3 with the walk-off RBI

(CASHTON) cont. from pg 9

Dempsey in the lineup. In

fact, Kleba came up clutch with a walk-off single earlier this week to help Cashton complete a doubleheader sweep of New Lisbon and finish the evening atop of the Scenic Bluffs standings.

"Bowdy's been intentionally walked five or six times this year because teams don't want to pitch to him and they elect to pitch to Jack," Moreno said. "And Jack has scored RBIs every single time it's happened.'

Dempsey is part of a talented senior core for the Eagles that has helped fuel success across several sports for Cashton athletics — including a spot as Scenic Bluffs co-champions in football alongside Bangor back in the fall.

Cashton's Jack Kleba came up clutch in the second

game of Monday's doubleheader at New Lisbon

with a walk-off single the lifted the Eagles to a 3-2 win.

sweep

and Butzler finished 2 for 3.

On the mound, Butzler pitched

two scoreless innings during

which he gave up one hit and

punched out four. Bowdy

Dempsey came on in relief

for three innings of work,

surrendering two unearned

runs on two hits and one walk

of Royall that same night

while striking out three.

Brookwood's

Though Moreno stressed that the team is trying to take everything one game, one inning and one pitch at a time, they certainly understand the potential these next couple of weeks hold.

Sending this group of seniors out with a conference especially if it's outright would be a sweet way for the Eagles to wrap up their spring. "Our seniors have never had

an 8-1 league record. Bangor

is right there at 9-2 and Royall

Cashton, who has reeled off

six wins in a row, will square

off against the Panthers (10-4,

8-3) for a pivotal conference

doubleheader Thursday, May

12 starting at 4 p.m. in Elroy. The Eagles will then play the Necedah Cardinals (1-7,

1-6) in another doubleheader

Saturday, May 14 starting at

10 a.m. in Necedah.

now sits a game back at 8-3.

a conference championship that they haven't at least had to share in some fashion," Moreno said. "They really want to be solo conference champions in a sport before

they graduate, and this is their last opportunity to do so. "I'm just really excited for those guys to be able to have this in front of them the last couple of weeks while they're in school and hopefully to be able to make it a reality in the next week.3

BROOKWOOD SOFTBALL Walks by Powell, Berg set up literal walk-off victory

By ZACH RASTALL Sports Writer

In the opener of their doubleheader with Royall, the Brookwood softball team ran their winning streak to six with a walk-off win. However, their perfect May start came to an end in the second game.

The Falcons (7-10 overall, 5-8 Scenic Bluffs) won 6-5 in the opener and then dropped the nightcap 6-2 in their Scenic Bluffs doubleheader against the Panthers (5-12, 4-8) Monday, May 9 in Ontario.

In the first game, a Bella Erickson two-run home run in the bottom of the second gave Brookwood a 2-0 lead. Royall would score the game's next five runs to leap ahead 5-2 before the Falcons got a pair back in the bottom of the fourth to trim the deficit to 5-4.

Kylie Powell and Kristin Berg drew back-to-back basesloaded walks in the bottom of the fifth to hand Brookwood a 6-5 walk-off victory.

Erickson led the way for the Falcons by going 2 for 3 with a home run, a double, two RBIs and a run scored.

In the second game, Brookwood fell into an early hole with the Panthers scoring four runs in the bottom of the first. The Falcons did score twice in the top of the third on a wild pitch and a fielding error, but Royall tacked on a couple of insurance runs the rest of the way en route to a 6-2 win.

Berg, Vanessa Anderson and Kymber Kaiser each got a hit for Brookwood in the loss.

The Falcons are back in action with a conference matchup at Hillsboro (8-3, 7-3) Thursday, May 12 at 5 p.m. and then a nonconference clash at Kickapoo (6-6) Friday, May 13 at 4:30 p.m.

Brookwood is then set to participate in a weekend tournament along with Viroqua, Black River Falls and Iowa-Grant. The tourney will take place Saturday, May 14 in Viroqua with the Falcons' first game set for noon.

CASHTON SOFTBALL Hundt goes 4-6, homers in SBC twinbill win at New Lisbon

By ZACH RASTALL

with a six-run outburst in of a 1-1 tie heading into the included RBI fourth that doubles by Chelsie Paulsen, Ella Brueggen and Teagan Hundt along with a Sarah Schroeder RBI single. A Grace Leis RBI single helped fuel a four-run rally in the top of the fifth to extend the Cashton advantage to 14-0. New Lisbon scored five runs in the bottom half of the inning, but that merely had a cosmetic effect on the final result. Hundt finished by going 2 of 4 with two doubles, an RBI and a run scored, and Leis went 2 for 4 with two RBIs and two runs. In the nightcap, Hundt blasted a solo home run in the bottom of the second as part

fourth inning. In the bottom of the fourth, the Eagles went off for a seven-run rally that featured an RBI single from Sarah Schroeder and an RBI double by Leis with the bases loaded. Hundt finished the second game 2 for 2 with a home run, a double, an RBI and a run scored. Lukaszewski got the win in the circle by allowing one run on five hits and two walks while striking out six in five innings of work. Cashton will next play a road doubleheader against Royall (4-12, 3-8) Thursday, May 12 starting at 4 p.m. in Elroy and then travel to Necedah to play the Cardinals (5-6, 4-5) Saturday, May 14.

The Cashton softball team continued their run of success this spring with a dominating doubleheader sweep of New Lisbon.

The Eagles (11-5 overall, 7-3 Scenic Bluffs) picked up wins of 14-5 and 8-1 to sweep the Rockets (1-14, 0-12) in their conference doubleheader matchup Monday, May 9 in New Lisbon.

In the opener, Cashton got the scoring started in the top of the second with a four-run rally that featured a Marlee Schroeder two-run single and a Taylor Lukaszewski RBI double.

The Eagles added to that

Central in second meeting of season

By MAURICE SAVAGE Sports Writer

The Tomah softball team shutout inner conference La Crosse Central on Tuesday to remain atop the Mississippi Valley Conference. The Timberwwolves put up five runs in the first inning and never looked back on their way to a 5-0 win.

In the first inning, Lauren Noth singled on a line drive to center field. This allowed Hannah Van Treese to go in for the score and Olivia Walled advanced to second. Maddie Johnson singled on a line drive to center field. This allowed Wall and Lauren Noth to go in for the score.

In the third inning Alexis Hagen doubled on a line drive to center field and allowed Lauren Noth to score.

Libby Mathison singled on a pop fly to center field and this allowed Johnson to go in for a score to put the Timberwolves up 5-0.

Lauren Noth finished with two hits, two runs, and one RBI on the night. Johnson finished with two hits, one run, and two RBIs. Wall finished with one hit and one run on the night.

Maddie Johnson pitched an impressive seven innings, only allowing two hits on the night. She recorded fifteen strikeouts on the night.

G-E-T 5 Tomah 2

Tomah fell to Coulee Conference leading G-E-T Wednesday afternoon 5-2.

G-E-T scored three in the bottom of the sixth to break a 2-2 tie.

Olivia Wall had 2 hits and Madison Johnson 1 as THS was held to just a trio of bat connections.

Tomah will host a triangular Saturday with Prairie du Chien and West Salem. Tomah will play PdC first at 11 a.m. and West Salem last.

ABOVE Bangor's Nora Tucker rounds third and scores the second run of the game for the Cardinals at Wonewoc-Center.

MONROE COUNTY HERALD

By ZACH RASTALL Sports Writer

Barring something miraculous, the Brookwood Falcons aren't winning a Scenic Bluffs baseball title this spring. But perhaps no result will go a longer way in deciding who comes out on top than their sweep of Royall early this week.

The Falcons (7-8 overall, 7-5 Scenic Bluffs) picked up wins of 4-0 and 6-1 to pull off a doubleheader sweep over the Panthers (10-4, 8-3) Monday, May 9 in Ontario to knock Royall out of first place in the conference standings. In the opener, Brookwood

took the lead on a Nate DeWitt RBI single in the bottom of the third and then put together a three-run rally highlighted by Brady Hansen's RBI double in the fourth.

DeWitt, Hansen, Franklin Wildes and Evan Klinkner each had a hit for the Falcons in the win. Wildes got the win on the mound by allowing two hits, two walks and striking out six in 4 2/3 scoreless innings. Payton Havlik came on in relief to record the final out of the game.

In the nightcap, Klinkner had an RBI single as Brookwood took a 2-0 lead in the top of the first. An Evan Wang two-run double in the second extend the advantage to 4-0, and a Klinkner tworun home run in the top of the fourth pushed it to 6-0.

The Panthers scored a run in the bottom of the fourth but could get no more in the loss. DeWitt finished 3 for 4 with a double and two runs for the Falcons, while Klinkner went

2 for 3 with a home run, three RBIs and a run scored. Wang struck out six in five innings, during which he gave

up one run on three hits and a walk. Brookwood will have a couple of road games in the coming days: at Hillsboro (4-7, 3-7) Thursday, May 12 at 5

p.m. and at Kickapoo (0-14) Friday, May 13 at 4:30 p.m.

SPARTA BASEBALL

Ona, Logan tally 14 hits each in wins over Sparta

By NICK LEONARDELLI Sports Writer

The Sparta baseball team kicked this past week off with back-to-back league match ups, both on the road.

Monday, the boys took the field against Onalaska. Onalaksa won 16-4. Tuesday, the boys traveled to Logan. Logan protected their home field in a 11-1 win.

In the Onalaska game, Sparta had a 4-3 lead after a three run top of the second inning. Onalaska answered with a run in the bottom half of the second to tie the game. Onalaska would go on to score 12 more runs in the game with Sparta not finding an answer. Sparta gave up 12 hits in the game. JD Olson went 2-3 at the plate with an RBI. Nick Kent went a perfect 2-2.

Sparta gave up 5 first inning runs to Logan with Logan never turning off the switch for the rest of the game. Sparta gave up 14 hits to Logan in the game. Nick Kent, Colby Berry, JD Olson and Michael O'Rourke each had one hit to account for Sparta's four hits in the game.

After the two losses, Sparta falls to 0-15 overall for the season. Sparta's next game is this Thursday against Aquinas. First pitch is set at 5:00 pm.

SPARTA SOCCER Sparta held to single goal at **Richland Center**

By NICK LEONARDELLI Sports Writer

The Sparta girls soccer team played at Richland Center Monday in a game that was postponed earlier in the season.

The girls went into the game winless in their last three attempts and played eagerly for another win, but were without last year's Mississippi Valley Conference Player of the Year, Malory Russ due to academic obligations.

This game's result would be no different than the last three, with Richland Center protecting their home field in a 3-1 win.

Ellie Falkner was the lone

For the most up to date **MVC** sports schedules, scan QR code.

goal scorer for the Lady Spartans.

The loss drops Sparta to 4-7-2 overall for the season. The last regular season for the squad will be Thursday against Mauston. The game starts at 4:30 pm at Sparta high school.

SPARTA SOFTBALL Ona blanks SHS

By NICK LEONARDELLI Sports Writer

The Sparta softball team are still searching for their first win of the season. The girls hit the field Tuesday in a matchup against Onalaska. The two teams faced off against each other just a week before, with Onalaska winning 16-1. Sparta was seeking revenge.

Onalaska would end up taking the season series after a 17-0 win. The game only lasted three innings. Sparta gave up eight runs just in the first innings.

The Lady Spartans fall to 0-14 overall for the season. Their next game is Thursday at 4:30 pm against Aquinas.

LEGAL NOTICES

STATE OF WISCONSIN **Town of Little Falls** Monroe County

Notice is hereby given that the Board of Review for the Town of Little Falls, Monroe County, Wisconsin, shall hold its first meeting on Friday May 27th, 2022, from 1:00 p.m to 3:00 p.m., at Little Falls Town Hall.

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board

1. *No person will be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to enter onto property to conduct an exterior view of such property being assessed.

2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact or provide information to a member of the board about the person's objection, except at a session of the board. Open book shall occur no less than 7 days prior to the board of review.

3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first 2 hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first 2 hours of the first scheduled meeting.

4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first 2 hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The board may require objections to the amount or valuation of property to be submitted on forms approved by the Department of Revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.

5. When appearing before the board of review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

6. No person may appear before the board of review, testify to the board by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless no later than 7 days before the first meeting of the board of review the person supplies the assessor with all the information about income and expenses, as specified in the assessor's manual under s. 73.03 (2a), Wis. stats., that the assessor requests. The Town of Little Falls has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their officer or by order of a court. The information that is provided under this paragraph, unless a court determines before the first meeting of the board of review that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35 (1), Wis. Stats.

7. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other persons may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.

8. No person may appear before the board of review, testify to the board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s.70.47 (3) (a), Wis. stats., that person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.

Notice is hereby given this 11th day of May 2022. Cassandra M. Schober Town of Little Falls Clerk

NOTICE REGARDING APPLICATION FOR DISTRIBUTION OF **INCOME FROM THE FRANK G ANDRES CHARITABLE TRUST**

PLEASE TAKE NOTICE that all applications for distribution of the income from the FRANK G ANDRES CHARITABLE TRUST for the year ending June 30, 2022, must be mailed to POST OFFICE BOX 753, Tomah, Wisconsin 54660 and be post marked no later than midnight on Tuesday, May 31, 2022. How to Find Educational Trips for Retirees Who Love to Learn

Dear Savvy Senior,

5/12 WNAXLP

My wife and I planning to travel much more frequently in retirement and are very interested in educational trips and adventures. Can you recommend any groups or firms that specialize in this type of travel geared towards retirees?

Love to Learn

Dear Love,

Educational travel, which combines travel with in-depth learning opportunities has become a very popular way of travel among retirees. Here are a few good places to turn to find these types of trips in the U.S. and abroad.

Tour Organizations

One of the best places to start is with Road Scholar (RoadScholar.org), which invented the idea of educational travel for older adults in the mid 1970s. The Boston-based organization 5,500 offers learning adventures in all 50 states and 150 countries.

You can search for learning adventures by location. interest, activity level and price. Road Scholar also offers "Choose Your Pace" senior travel tours that allow participants to adjust their level of challenge on a daily basis. And for skip-gen vacations, they offer tours designed specifically for grandparents traveling with their grandkids.

Another excellent option Smithsonian Journeys **1**S (SmithsonianJourneys.org), a nonprofit travel group affiliated with the Smithsonian Museum. They lead 350

educational trips a year on every continent that are led by experts from a variety of fields — academia, the diplomatic corps, scientists and curators, among others.

If you're seeking more adventure, you may want to consider ElderTreks (www. *ElderTreks.com*), which offers 50-plus travelers small-group adventures by both land and sea in more than 100 countries. Their trips center on adventure, culture and nature, letting you get up close and personal with the locals.

Academic Travel

Another good source for educational trips is colleges and universities. Some of my favorites include Cornell University's Adult University (SCE.Cornell.edu/travel), which offers a half-dozen educational trips and courses in the U.S. and abroad, each lasting a few days to a week or more. And Stanford Travel/ Study (*Alumni.Stanford.edu*) that offers educational travel journeys to more than 80 countries each year.

college/university Most trips are led by faculty who share their expertise, along with regional experts and local guides, and you don't need to be an alumnus to participate.

Also check out the Traveling Professor (TravelingProfessor. com), a small-group touring company led by Steve Solosky, formerly a professor at the State University of New York. They offer a dozen or so tours abroad each year and take between 8 and 16 people. **Cruising Options**

If you enjoy cruising, consider Grand Circle Travel

(GCT.com),which offers educational travel aboard small ships, and Naturalist Journeys (NaturalistJourneys. com), which specializes in nature and birding tours.

American Cruise Lines (AmericanCruiseLines.com) also offers more than 35 river and coastal itineraries in the Northeast, Southeast, Pacific Northwest and along the Mississippi River. And it has themed cruises (Lewis and Clark, Mark Twain, Civil War, etc.) for people with specific historical, literary or other interests.

And Viking River Cruises (VikingRiverCruises.com), which is geared to older

Blood donors needed heading into summer

Heading into the official start of summer, health care officials in Tomah are asking the public to help prepare for an increased need for blood.

"The summer kick-off of the Memorial Day weekend places unmeasurable stress on the blood supply. Increased travel and summer break often lead to higher blood usage," said Versiti Blood Center account representative Emalea Cogdill. "Tragic events or a large crisis would lead to a spike in blood usage."

To help meet the need, Tomah Health and Versiti Blood Center of Wisconsin are holding a two-day blood drive May 24 & 25 from noon - 5 p.m. at Tomah's Recreation Park, 1625 Butts Ave., Tomah.

"Versiti and Tomah Health partner to make sure that we are ready for these events as well as routine blood use by hosting blood drives every nine weeks," Cogdill said. "At this time, the blood that we have on the shelves makes all of the difference." Versiti is the sole supplier of blood to nearly 50 hospitals in

Wisconsin including Tomah Health. Cogdill said that Versiti needs on average 10,500 donors per week across the organization to maintain a three-day supply of lifesaving blood.

The drives will be held at Tomah's Recreation Park due to continued COVID visitor restrictions at Tomah Health. "We continue to thank Tomah Parks & Recreation director Joe Protz and his staff for use of Recreation Park for our drives," Tomah Health marketing & public relations director Eric Prise said. He said donors are encouraged to register for a donation time at www. tomahhealth.org.

To donate blood, a person must be in good health, at least 17 years old, weigh at least 110 pounds and have photo identification. Sixteen-year-olds may also donate with parental consent. While the process for whole blood donation usually takes about one hour, the blood collection itself is usually about 10 minutes.

Cogdill said donating blood is something that people can do to help address a community health need. "A stable blood supply allows hospitals to plan treatments and be ready when unpredictable traumas happen,' Cogdill added.

Sparta Library expansion

John Gessner Contributing Writer

Soon, the Sparta Free Library (SFL) will get a new look when the expansion project kicks off in Fall of 2022. Originally built in 1902 at a cost of \$10,000 (almost \$300,000 in today's dollars), the library has gone through some renovations thus far, but nothing of this magnitude. The new expansion will cost \$5 million, of which \$1.5 million will be provided donations by the Friends of the SFL group, which has raised approximately \$1.125 million to date. The remaining \$3.5 million will be funded by the City of Sparta. The new expansion will virtually double the size of the library from the current 11,460 square feet of usable The exterior of space. the facility will match the original building in keeping with the historic nature of the building but incorporate modern building techniques to provide for a first-class learning environment. The expansion is planned for both floors, extending to the East of the existing building. Groundbreaking will begin in the Fall of 2022, as Library Director Michelle Tryggestad stated, "a fitting tribute to the Library's 120th anniversary." The expansion has been designed and construction will be supervised by FEH Design, a company well experienced in library construction. Director Tryggestad said, "During the renovation, we plan for the library remaining open, continuing to provide services to the Sparta area. Once the new expanded area is complete, materials will be shifted to the new area to allow renovations to the older portion of the facility." Director Tryggestad went on to explain some of the features of the new expanded area. Not only will the expansion double the size of the library, it will also allow for expanded shelving space and display for additional books, DVDs and numerous other materials. The new area will feature a floor to ceiling bay window, a new fireplace and seating to allow for a relaxing reading environment. In addition, the teen and children's spaces will double in size, allowing for more materials and activities.

and allow for access to program rooms outside of the normal library business hours. The expansion will allow for more study and conference Local and home rooms. businesses will be encouraged to utilize these spaces for meetings and conferences. Public use computers are planned to double in quantity as well as continued WiFi accessibility throughout the building and grounds.

To give an idea of the impact of our local library, the library contains more than 29 300 books 1600 audio

What will remain the same? Director Tryggestad stated that the original brick fireplace with medallion will remain in the Carnegie room, as well as the beautiful woodwork and arched windows throughout

The new entrance will be on the East side of the building books, 3200 videos, 90 games & kits, and 38 magazines and newspapers. In addition, with a free library card, patrons have access to 173,000 e-books and 65,000 audio and digital books through Wisconsin's Digital Library system. "Patrons enjoy eBooks & audios," Director Tryggestad said, "because they automatically return for you." The library has loaned over 19,000 materials to the other 41 libraries in the Winding River Library System in the past year alone, revealing the high-interest, current quality
