Remembering JFK assassination at Bullion Plaza's Second Friday

Second Friday, Nov. 10, at Bullion Plaza Cultural Center & Museum will be the place for remembering the 60th anniversary of the assassination of one of our most beloved presidents, John F. Kennedy. Doors open at 6 p.m.

Where were you on the day President Kennedy was assassinated in Dallas, Texas, Nov. 22, 1963? Local historian Rick Powers remembers! He has done extensive research on the history, read many books, watched and reviewed many hours of testimony, visited with experts, and visited the places in Dallas where it happened.

He will begin with a review of what was going on in the world in 1963, summarize the events of the last two days, and the arrest and subsequent murder of Lee Harvey Oswald. He will review the Warren Report, the Select Committee on Assassinations, case anomalies, strange stories and a few of the conspiracy viewpoints.

Commemorate this tragedy at Second Friday in November at Bullion Plaza Cultural Center & Museum in Miami, starting at 6 p.m.

Second Fridays at Bullion Plaza are always free. Donations help defray the cost of hosting these events.

Gem & Mineral Club Show-and-Sell Nov. 4

Azurite and amethyst, peridot, chrysocolla, malachite and turquoise – Gila County boasts a breathtaking variety of dazzling minerals and gems. October's birthstone, tourmaline, occurs in the Pinal Mountains, and December's signature stone – turquoise – is locally famous due to the deposit in Sleeping Beauty Mountain.

Visit with Gila County rockhounds and gem collectors during the Saturday, Nov. 4, open house and fall sale hosted by Gila County Gem and Mineral Society. Socialize over popcorn and a drink, find unique gifts and birthstones, or learn to make your own wire-wrapped gemstone pendant or a rock-covered copper tree (a unique personal gift). If you have a stone or crystal suitable for a pendant or earring, bring it and learn how to do basic wire wrap jewelry. There is no charge for wire-wrapping instruction and activity, but donations are most welcome.

The event will be in the parking lot near Oasis Insurance, 411 W. Live Oak St. in Miami, from 10 a.m. to 2 p.m. on Saturday. For more information, call Gila County Gem and Mineral Society President Jodi Brewster at (623) 810-9780, or email gcgms1954@gmail.com. Read more about the society at gilagem.org.

Blood drive coming to Globe Friday

Every two seconds, someone in the U.S. needs blood – and this Friday, Nov. 3, the Red Cross needs donors right here in Globe-Miami.

If you have never given blood and are anxious about needles, please don't be; most blood donors compare the experi-

ence to a mild, split-second pinch. The entire process is safe and quickly over, and you'll leave knowing your donation potentially saved up to three people.

Red Cross volunteers and staff are returning to the Globe Elks Lodge, near Denny's, this Friday for a 10 a.m. – 3 p.m. blood

drive. Walk-ins are accepted, but it's better to call 800-RED-CROSS to reserve one of the available appointments today – ahead of time – and help fill the day's drive. You can also pick your choice of times and schedule an appointment conveniently online at redcrossblood.org.

PUBLIC ANNOUNCEMENT

Hope 4 Hearing Center announces unique hearing aid trial program,
with **NO** upfront cost, **NO** commitment and **NO** risk

Who is a good candidate for Flex:trial?

You may be a good candidate for the Flex:trial program if you:

- Suspect a hearing loss but haven't had your hearing tested
- Had a hearing test but decided against hearing aids
- Currently wear hearing aids but are looking for something better

The Flex:trial program is accepting appointments from potential participants for a limited time only.

Supplies of the Flex:trial hearing aids are limited, call today.

Area residents who want to try today's most advanced hearing aids — without upfront cost, commitment or risk — are urged to get in touch with Hope 4 Hearing Center.

Located in Globe, Hope 4 Hearing Center is among a handful of hearing healthcare providers nationwide selected and certified to participate in the Flex:trial™ program, developed by hearing aid manufacturer Unitron.

Flex:trial uses a unique three-step approach to hearing healthcare and consumer satisfaction:

1. Interested individuals undergo a hearing test. If the testing indicates a good fit for the program, participants go home — the very same day* — with Flex:trial hearing aids.
2. Participants wear the Flex:trial hearing aids on a trial basis at home and in all of their other familiar environments. There is no upfront cost or obligation during the trial period.
3. At the end of the trial period, participants decide whether they want to continue with the listening experience...or walk away and owe nothing.

"Other trial programs require consumers to pay for the hearing aids in advance and then go through the process of obtaining a refund if they're not satisfied," explains Hope 4 Hearing Center. "The Flex:trial program removes the upfront cost for participating patients — and the fear of getting stuck with hearing aids they don't like. In fact, the risk is all mine."

Supply of Flex:trial hearing aids is limited. This offer is valid through April 30th, 2022, on a first-come, first-served basis.
*Subject to availability.

'Old school'

BY DR. DAN MORTON
Contributor

A term we don't hear much anymore is "old school." When we do, it is usually in reference to the building rather than the instruction that took place in the classrooms. But the term is not limited only to education, as it includes the ethics associated with every workplace.

I remember nurses at Cobre Valley Hospital who may have started at Inspiration, or the old Gila General, and continued working at the "new" hospital. The medical field especially has seen such "improvements" that education is never finished. Some pioneers still refer to the "good old days" and are thinking how

problems were handled.

In family life, "extended families" would include "aunts," "uncles," "brothers" and "sisters" who were no blood relation but were perhaps closer to us than those who were. We could count on them for a ride if our car was in the shop or if we had a pressing need. There was no cash payment, but a dozen cookies or mowing of the lawn settled indebtedness.

While the old ways faded out slowly, there is nothing to keep them from fading back in. Manners, little kindnesses, thoughtfulness, are always welcome. If an acquaintance remarks that they have a dentist appointment next week, there is an opportunity to offer a ride, babysitting, or an easy-to-chew dinner you could bring by. Let's take a new look at the old school.

Faith to leave

*Have you decided to follow Jesus whenever
and wherever He leads?*

When Jesus met Simon and Andrew, the brothers weren't extraordinary saints. The same was true of James and John. They were all just fishermen — men who, along with many others, listened to the Lord's teaching. What set them apart was their faith to leave behind their old life for a new way of living.

Mark is fond of using the word immediately. In his gospel, he writes that the brothers "immediately" left their nets and followed Jesus. We might miss the enormity of this decision. The men left their businesses — their source of income — but that was only the beginning. More than three years of discipleship

COURTESY PHOTO

took them far from family, home, comfort and safety. They answered Jesus' call with faith, not only to believe but also to leave.

We may not receive so radical a call. Yet we aren't all that different from the disciples. When Jesus invites us to follow Him, we

must set aside everything that competes for our trust in Him. In other words, we must be willing to leave our own "nets" — jobs and homes, or perhaps comfort and success — when the Lord calls us to do so. What would it take for you to have that kind of faith?

Halloween candy exchange at the Globe Public Library Nov. 2, 4

Halloween can be spooky, especially for your children's teeth! All that sugary candy can cause a lot of damage to the health of your child's teeth, leading to cavities and pain.

It's estimated that during Halloween kids eat approximately three cups worth of sugar – which also comes out to about 7,000 calories – just from candy!

Of course, we want our kids to have a happy and safe Halloween, so what can we do to help reduce the amount of sugar our kids are eating from their candy haul and prevent cavities?

Participate in our first-ever candy exchange, put on by the Gila County Health Department Oral Health Team in partnership with Zona Ice.

We will be collecting Halloween candy from children ages 2-12 in exchange for a voucher to be used at Zona Ice for a free small nacho and cheese snack.

It's a great way to help you encourage your children to exchange their leftover candy, decrease the amount of sugar they are consuming and have fun in the process.

The Health Department will be setting up a booth on Thursday, Nov. 2, from 10 a.m. to 4 p.m. and Saturday, Nov. 4 from 10 a.m. to 2 p.m. at the Globe Public Library, 339 S. Broad St., Globe.

You and your child can stop by to participate in the exchange. We look forward to seeing you, and have a safe and healthy Halloween!

HOROSCOPES

ARIES - Mar 21/ Apr 20

Aries, beware of misinformation and make an effort to form your own educated opinion. Take everything with a grain of salt and verify the facts.

TAURUS - Apr 21/ May 21

If someone is struggling right now, show some support or offer helpful words, Taurus. A small gesture can go a long way, even if you do not think it will have a major impact.

GEMINI - May 22/ Jun 21

Gemini, if you are feeling out of sorts in a situation or do not know how to proceed, ask someone who has been in this situation before. It never hurts to ask for help.

CANCER - Jun 22/ Jul 22

It is time to balance the energy between yourself and another person that has felt cumbersome, Cancer. Start with a conversation and discover if the other party is feeling the same way.

LEO - Jul 23/Aug 23

Leo, when you are full of self-confidence, others' actions do not bother you much. Those people can be arrogant or even abrasive and you'll be comfortable in your skin.

VIRGO - Aug 24/ Sept 22

Virgo, ambition may be good for the workplace, but you need it in your personal life as well. Figure out some goals on a personal or even ro-

mantic level, and get started.

LIBRA - Sept 23/ Oct 23

Be aware of someone who is trying to take advantage of you, Libra. Remind that person that you have strict limits. Never get pushed in a direction you do not want to go.

SCORPIO - Oct 24/ Nov 22

Scorpio, you do not have to change your plans or ambitions to what others want. Stick with your own ideas and goals and you'll be surprised at what you can accomplish.

SAGITTARIUS - Nov 23/Dec 21

A friend might want to sell you on some big idea this week, Sagittarius. It may ultimately prove

a sound venture, but you need to do your own research and figure things out for yourself.

CAPRICORN - Dec 22/Jan 20

Surround yourself with the best friends you can find, Capricorn. These people will have your back

when a tricky situation pops up sooner than you might think.

AQUARIUS - Jan 21/Feb 18

Aquarius, embrace any challenges that arise in the days ahead. You can be successful if you maintain your focus and prevent distract-

tions from blocking your path forward.

PISCES - Feb 19/ Mar 20

Pisces, if everyone seems to be moving at a faster pace than you, you may feel pressured to speed up. Just keep working at a rate that is comfortable for you.
