June is National Reunification Month: Volunteer with CASA of Gila County and make a difference

Throughout Arizona, June is a time to recognize the efforts that help families stay together and overcome obstacles to provide a safe home and reunify after their child was placed in out-of-home care.

According to the Children's Bureau with the Administration for Children and Families (ACF) of the U.S. Department of Health and Human Services (HHS), most children exiting foster care are reunited with their families.

Children can experience trauma when separated from their families. Maintaining relationships with relatives can

increase stability and help children maintain a sense of identity. It is in the child's best interest to be reunified with their family when safely possible. Reunified families are an inspiration because they have overcome adversities and are now equipped with tools to maintain a positive future.

At this time, CASA of Gila County has over 80 children without a CASA volunteer appointed to their case. CASA of Gila County volunteers are trained to work with experts to identify and recommend services aimed at keeping families together while look-

ing out for the child's best interest.

CASA of Gila County is seeking volunteers to meet the needs of children who do not have a CASA. Furthermore, CASA is working on expanding the diversity and demographics of its volunteer base to better reflect and serve the children in care.

CASA volunteers do not need any prior special training and come from all walks of life. Anyone 21 years of age or older, who can pass a thorough background check and complete 30 hours of training, is encouraged to apply. Another way to get

involved is a program with similar requirements called the Foster Care Review Board (FCRB). A judge appoints volunteers to a 5-member panel that meets online one week-day per month to review the

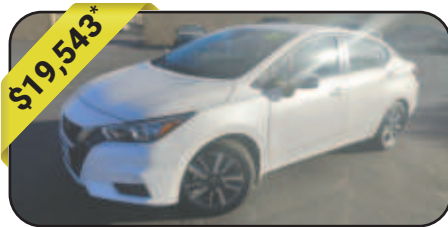

cases of children in foster care.

Our local children who have been placed in foster care need our help. To learn more about becoming a CASA volunteer, visit www.CASOfGilaCounty.org or call the CASA of Gila County Office at 928-402-4427.

To learn more about becoming a FCRB volunteer or to watch a video about volunteering, visit www.AZFCRB.org.

Concepcion C. Abeyta

January 2, 1931 – May 30, 2023

“As water reflects the face, so one’s life reflects the heart.”

Proverbs 27:19

Concepcion (Conchita) Castaneda Abeyta, age 92, of Miami, Arizona, passed away on May 30, 2023, with family surrounding her. Conchita was preceded in death by husband Carlos G. Abeyta (2013) and daughter Aurora Otero (2019). Conchita is survived by four of her children, Carlos Abeyta, Jr. (Teresa) of Bothell, Washington, Stella Simental (Juan) of Oakley, California, Manuel Abeyta (Lorie) of Miami, Arizona and Priscilla Ann (Richard) of Marysville, Washington; 11 grandchildren; 24 great-grandchildren; 8 great-great grandchildren; one brother, Andres Castaneda (Nan) of San Diego, California; and numerous nieces and nephews.

Our mother’s life was a true testimony of love, compassion and service. As you see her smile she wore, it came straight from the heart. Her story be-

gins at her birth on Jan. 2, 1931, in Phoenix, Arizona. She is the surviving twin, her brother Ernesto. She is the youngest of the family of three brothers and six sisters. The age difference between the oldest sibling to mom is 24 years. At eight years old, Grandma Zerfernia made a move to Miami, where mom graduated 8th grade from Bullion Plaza School at the age of 18. Mom always said that her mother took her out of school to make many trips to Mexico and to work at her mother’s Mexican restaurant La Fiesta, where she eventually met Dad in 1948. A year later, on July 30, 1949, they married in Florence, Arizona and started a family in the early 1950s. Mom and Dad were married for 64 years, serv-

ing at the Miami Baptist Mission Church. Mom was a pastor’s wife for many years; she taught Sunday School classes, and was a choir director and treasurer. Her life was fully dedicated to her church and family and friends. She was a member of the First Southern Baptist Church of Miami for many years. One can certainly write a book about Mom; this is a glimpse of Mom’s testimony. Today on this day, we celebrate her blessed life. Mom is the epitome of the virtuous woman as described in Proverbs 31...a virtuous woman as one who leads her home with integrity, discipline and more. All the virtues she practiced were aimed at making her husband’s life better, teaching her children and serving God.

The love of a mother is the most tender evidence of the Love of God (El amor de una madre es la prueba mas tierna del gran amor de Dios).

Love,

Carlos Jr., Stella, Manuel and Priscilla

Billy Goss

Beloved Husband, Father, Papa, Brother & Uncle Billy Goss, age 75, gained his angel wings to be with the Lord Sunday, May 28, 2023. He was born in Amarillo, Texas to his parents, Fred and Louise Goss, on Oct. 13, 1947. Billy was married to the love of his life, Marci Goss, for 50 wonderful years. Billy was a very extraordinary man and loved all of his family very much. You could always find him somewhere outdoors but especially at Windyhill fishing with his brothers, kids and friends. Other things he enjoyed doing were hunting, riding

four-wheelers, taking rides to the Pinal and most importantly, spending time with his loving wife and kids.

Billy is survived by his loving wife, Marci Goss. His 4 amazing kids are Jason (April) Goss of Globe, Az., Tammy Goss of Miami,

Az., Chris (Deziree) Goss of Globe, Az. and Shannon (Aaron) Kimbrough of Elko, Nev. Along with 10 grandchildren and 3 great-grandchildren; he loved each and every one very much. He is also survived by 2 brothers, 2 sisters, and several nieces, nephews and cousins. Billy is preceded in death by his parents, Fred and Louise; his 4 brothers, Clarence, Ronnie, Jimmy and Mike; and his 2 sisters, Della Wakefield and Estie Pinkerton.

Celebration of Life will be held Friday, June 9 at 10 a.m., at the Living Waters Church in Globe, Arizona.

Health and fitness activities at Globe Public Library

Globe Public Library wants to help keep you healthy. Here are the programs we have running during June.

Globe Public Library is collaborating with the AZ Health Zone through Gila County Health Department to have chair aerobics classes at Globe Public Library Tuesdays at noon.

Kids Yoga is at Globe Public Library Fridays at 10 a.m. We will be learning mindfulness and yoga. This is a program for children 3 and up; parents and caregivers are encouraged to come and participate.

Seed 2 Supper with AZ Health Zone will begin on June 16 at 11 a.m. This is a six-week, two-hour program for adults that takes food from the garden to the table. There will be cooking every week.

Globe Public Library Literary Journeys is the new name for the Walk/Run Club. We have a hybrid type of program. You can choose how you participate. We will meet in person on Mondays, Thursdays and Fridays at 6 a.m. at the Globe Public Library, or you can participate independently and record online on the Globe Public Library Walk/Run Club Facebook group. All participants must complete a waiver available from the circulation desk at the Globe Public Library or available for download on the Globe Public Library Walk/Run Club Facebook group. The club is for all ages and abilities; an adult must accompany minors. Dogs who are friendly and get along with others are invited to participate. This time we are starting a lit-

erary journey that will run most if not all of this year. We are marching to Mor-dor. Who will join our fellowship as we take the one ring to the volcano in Mor-dor? Pick up your log and your ring from Globe Public Library. You can join us at any time. We welcome all at your current level of fitness. We have had one person finish the third leg of this journey.

Spice of the Month is on Thursday, June 15, at 5 p.m. We will be featuring za'atar. Each month we will be introducing a spice. Each spice will have basic information (description, origin, varieties, flavor profile and nutritional facts) and one or more recipes. We will have at least one dish to sample made using that spice. Everyone who comes will then be able to pick up two tablespoons of

the spice to use at home in their cooking. We do not want you to bring back the spices; they are yours to keep. Two tablespoons will be given at circulation. There is a limit of one unit of spice per month. This will give you the ability to try a spice to see if you like it before you purchase it for yourself. Please share your experience with these spices with us. We would love to hear how it went.

All these programs are free and brought to you through partnerships with the Friends of the Globe Public Library, the United Fund of Globe-Miami, and the AZ Health Zone through the Gila County Health Department.

At-home COVID test kits for people who have been exposed to or are experiencing symptoms of CO-

VID are available at Globe Public Library. Call from the parking lot and we will bring them out to you. We are also a distribution site

for brown bag condoms and Naloxone through the Gila County Health Department.

High Desert Humane Society opens new shop, seeks volunteers

By **DAVID SOWDERS**
Assistant Editor

Thanks to donations from the community, High Desert Humane Society recently unveiled a shop that offers new, higher quality items. Located upstairs in the HDHS thrift store, at 150 W. Mesquite St. in Globe, the new Boutique Room features clothing, home décor and more.

"We have some really nice new items that get donated," said HDHS Board Secretary Charlene Giles. "We really want to thank the public who donates these items for their generosity, which has enabled us to have this room."

The new shop's first goal is raising funds to help with roof repair and drainage issues at HDHS' new shelter, which houses adoptable dogs, located at 700 Shelter Ave. Down

the line, said Giles, it could help with repairs to the thrift store building itself. She observed that the building was 160 years old "and needs a lot."

The Boutique Room is currently open every other Saturday from 9 a.m. to 2 p.m. — but Giles, who helps look after the shop, would like to make that every Saturday. And to achieve that goal, HDHS is looking for more volunteers. If you would like to volunteer to work in this new shop, applications are available at the thrift store during business hours, Tuesday through Saturday from 9 a.m. to 4 p.m.

Giles said that in 2022 HDHS, run by "a very small group of very dedicated volunteers," spayed and neutered over 750 pets, their highest number ever, and that over 200 dogs and cats were adopted.

Inter-Agency conference call meeting June 8

Director of Independent Living Services Ginger Fligger, MBA, with Pinal-Gila Council for Senior Citizens, will be the guest speaker for the monthly lunchtime Inter-Agency conference call meeting, hosted by the Gila County Community Action Program (CAP).

Fligger will address the topic "Services Available to Seniors in Gila County" during her presentation.

The once-a-month meeting begins at 11:30 a.m. and lasts an hour via Zoom, at the link <https://tinyurl.com/CAPmonthly-meeting>. To join, you will need the meeting ID, which

is 849 1482 4125, and the passcode 200935. Or you can join by phone by calling 888-788-0099.

To have the website link above conveniently emailed to you, or if you have questions ahead of Thursday's teleconference gathering, call Elsa Bobier at 928-474-7192 or email ebobier@gilacountyaz.gov.

These once-a-month meetings are a great way to network and build collaborations with dozens of different agencies and nonprofits—all in one place at the same time—that offer social services to Gila County residents.

There will be a gift card drawing towards the end of the meeting; attendees must be present to win.

Each meeting ends with share time, for participants to provide information on upcoming events, announcements, messages or other community matters.

This one-stop meeting, over an informal lunch hour chat, repeats on the second Thursday of each month; contact Elsa to be added to the email list for monthly invitation reminders.

The next regularly scheduled meeting is Thursday, July 13.

Where were you this Memorial Day?

By **JESSE BRYANT**

Contributor

The American Legion Henry Barry Post #4 along with the Veterans of Foreign Wars Louie E. Higdon Post #1704 assembled in Miami's Veterans Memorial Park at 11 a.m. on Memorial Day Monday to remember and honor those souls who put on the uniform of the United States of America and died wearing it. The park was littered with onlookers, many of whom once wore the uniform themselves; those fortunate enough to return home. But too few attended this year, mostly those who never had to wear the uniform, who never had to face the ugliness of war and combat, who enjoy the benefits given by those who have.

Did you light the barbecue this year for Memorial Day? Did you go to the lake or mountains? Did you stay home and catch the latest on Netflix? Where were you at 11 o'clock on Memorial Day Monday? American Legion Riders President Shon Bywater conducted the ceremony which culminated with a twenty-one gun salute by the VFW honor guard and the playing of Taps. To finalize the program, a

recording was played of a retired Navy Seal, "Jocko" Willink, called "The Heaviest Flag," describing his part in the funeral of one of his fallen comrades.

"The leader of the honor guard, a second class petty officer, grasps the flag into his hand. He moves it forward into my hands. I clench it. The flag is heavy in my hands with pain and grief. I feel the weight, a weight I can barely support as it tears at my soul. I take six steps forward. I clench my jaw in order to get some control over my emotions before she sees my face.

"I am in front of her now.

I take two steps forward. She whispers a quiet moan of anguish. It is the loudest noise I have ever heard. I stop in front of her still looking straight ahead. I bend down onto one knee. I look at her. Her heart is broken. Tears are trickling down her face, and yet she smiles at me, as if to say, 'It's okay.'

"I feel my emotions start to rush to the surface. I want to break down. I want to cry, but there is procedure to follow and I am a military man, and I know to follow procedure. I then say the words, 'On behalf of the president of the United States, the United

States Navy, and a Grateful Nation, please accept this flag as a symbol of our appreciation of your loved one's honorable and faithful service.' I place the full weight of that flag with all its agony and torment into her hands.

"The guns were fired, the bugle played its solemn notes, then my friend was buried in that sacred place with many of my other friends, our brothers in arms now together again. And, above it all, soaring in the sky was our flag, Old Glory, bearing upon it the weight of a million souls who gave their lives for it. Bearing upon it the bur-

den and anguish of mothers and fathers who gave their precious children for it and yet it flies. It flies carried aloft by freedom and by the precious memories of those who sacrificed everything to give us that freedom.

"Please. Please remember what that flag represents and why it flies."

What does that flag represent? We say it represents the Land of the Free and the Home of the Brave. But it is more than that. It represents the weight of pain and anguish carried by every mother, father, son, and daughter, who laid down a piece of their life

in this sacred soil so we can continue to enjoy our way of life. Those of us who returned and those of us who remained behind, we owe one hour of our lives on Memorial Day at 11 o'clock in Veterans Memorial Park to tell these mothers that we remember the life they gave for us.

Thank you to the American Legion, VFW, Town of Miami, and all of the patriotic volunteers who helped with the ceremony and the luncheon that followed. To the people of Globe-Miami, I hope to see you on Independence Day and Veterans Day to follow. We must never forget.

We all need the encouragement, wisdom, and strength that come from seeking the Lord together.

Trouble loomed—Judah's army paled in comparison to the forces united against them. Jehoshaphat, recognizing his limitations, knew it was essential to call on God for help. So he reached out to his nation, and prayer support came from all across the land (2 Chron. 20:13).

Sometimes we're too proud to ask others to pray with us. When that happens, it's wise to consider Jehoshaphat's example: Though a king who reigned

over his subjects, he nevertheless called on them to join him in seeking divine intervention. Then, when the people of Judah began to pray, God provided His solution through a prophet—and Jehoshaphat had enough humility to listen and follow instructions (vv. 14-21). As a result, his people were saved. The advancing armies turned against each other and destroyed themselves completely. But Judah's forces suffered zero

casualties—all without shooting an arrow or drawing a sword. Their humble king had listened, and they witnessed the Lord's remarkable victory (vv. 22-30).

God sometimes says things we're not expecting to hear. But our life in Christ is most rewarding when the body of Christ listens to Him and cooperates with one another.

Beloved children, A friend came by pleasing to God

BY DR. DAN MORTON
Contributor

Ever have one of those afternoons when nothing important is going on and that is okay? That was yesterday. I was sitting in the "Parlor" as my wife calls it, because her mother called it that. The one room that is always kept neat just in case someone unexpected comes by. And he did.

We met several years ago when I lived where I worked. He was the maintenance man and he could do anything. We would have little chats throughout the week. Nothing important. We just found a satisfaction as we solved each other's problem. I had called him to ask about a problem with my car and he decided to make a house call.

We talked about events in our lives and the importance they seemed to have at the moment. Then we got to the point. We went out to the driveway and inspected my sick vehicle. We checked my diagnosis and the possible solution. Then he had a different idea. The problem may be something other than what we thought.

I suggested what my Dad used to do. If something doesn't work, tap it with a hammer. Not a big hammer or a forceful bang. Meanwhile, I was turning the key. It worked! Now we had an answer! With one trip to the auto parts store and a couple of hours of my friend's time, things would be like new.

we seek to walk with Him. The goal is growth. Once a toddler walks, the parents' delight shifts to more mature achievements. As long as we keep growing in our faith, we will never cease learning new ways to please our Father. He loves us and patiently cheers us on at each new level.

What's important to the Lord is our heart. Amidst all our frailties, failures, and temptations, God sees our inmost thoughts and motivations. He knows how much we love Him and desire to obey. Even in our stumbling, He helps us up and encourages us with His Word.

O Lord, how marvelous are Thy works. In wisdom hast Thou made them all. Send down Thy heavenly blessing upon this pool. Protect all who swim in it. Keep them safe as they enjoy the recreation and fellowship which it provides. Amen.

God delights in those who love Him and want to do His will—even when they stumble.

As believers, we're supposed to imitate Jesus. That might seem impossible to us. After all, He was the Son of God! In fact, God the Father even attested several times, "This is My beloved Son, in whom I am well-pleased" (Matthew 3:17). How can we possibly live up to that?

Thankfully, God doesn't expect us to be perfect. He knows we're still learning. Just like a parent who rejoices over a baby's first steps, so our heavenly Father delights in our steps as

HOROSCOPES

ARIES - Mar 21/Apr 20

Aries, things may not progress the way you want them to unless you become a little more persistent. Figure out how to walk the line to achieve your goals.

TAURUS - Apr 21/May 21

Taurus, many things are going right with your life. But now it's time to get a handle on your love life. You may have to put in some extra effort, especially this week.

GEMINI - May 22/June 21

Gemini, keep things on the lighter side when conversing with coworkers this week. Now is not the time to delve into controversial discussions in the workplace.

CANCER - June 22/July 22

Cancer, as you try to become more organized, try not to get too overwhelmed by the scope of the task at hand. Tackle one thing at a time and keep making progress.

LEO - July 23/Aug 23

Leo, situations may seem like they are a matter of life or death this week, but there's a good chance you're just being overly dramatic. Try to go with the flow.

VIRGO - Aug 24/Sept 22

Emotions are running wild and you're worried about what others think of you, Virgo. Embrace a point of view that relies more on the rational than the emotional.

LIBRA - Sept 23/Oct 23

Libra, after a few stops and starts, you and your romantic partner are on quite a roll. Enjoy that you both are in tune and aspiring toward shared goals.

SCORPIO - Oct 24/Nov 22

Scorpio, it's possible you feel blocked on all sides regarding your employment. While you can't get ahead right now, there are some opportunities coming.

SAGITTARIUS - Nov 23/Dec 21

Be careful about speak-

ing before thinking through your words, Sagittarius. Knee-jerk responses can have unexpected consequences. Take time to form your opinion.

CAPRICORN - Dec 22/Jan 20

This week is bound to be pretty intense, Capricorn. But you'll find a way to skirt through it relatively unscathed. Rely on a few friends as sounding boards.

AQUARIUS - Jan 21/Feb 18

Aquarius, try not to cut off

channels of communication with loved ones as you deal with a few difficult issues. Others are willing to step up and help as needed.

PISCES - Feb 19/Mar 20

Pisces, others will not always see the world the way you do. Interactions this week can be a little stilted or even frustrating.

Every day, prepared.

Wildfire preparation protects you, the community and first responders.

Providing you safe, reliable energy is our top priority. That's why we work year-round to prepare for wildfires. During elevated fire conditions, power outages may be extended until crews can perform visual inspections of lines and remove any potential hazards that could pose a fire risk. In the event of a wildfire, power lines may be temporarily taken out of service to protect your community and firefighters. Working together, we can be prepared. Here are some things you can do to be ready for wildfire season.

- Keep grass, weeds, trees and shrubs trimmed. Dispose of trimmings and trash properly.
- Get emergency alerts through local resources and visit ein.az.gov to create an emergency preparedness plan.
- Create an online account at aps.com and receive text or email outage alerts. Already have an account? Log in and make sure your contact information is correct to ensure you receive alerts related to outages in your area.
- Have flashlights, batteries, a portable cell phone charger and water handy.

Please visit aps.com/wildfiresafety for more information.

every day,
brighter
