Asbestos or lead in your building? Call Copper Corridor Blight Busters

Are you interested in remodeling or expanding a building in the Copper Corridor, buying or selling a property – but one that might have contamination from lead or asbestos? The Copper Corridor Blight Busters program may be able to help.

Gila County is administering a \$600,000 grant from the federal Environmental Protection Agency (EPA) for Phase I and Phase II environmental site assessments; asbestos, and also lead-based paint surveys and abatements. It also recently applied for \$1 million from the En-

vironmental Justice Government-To-Government Program grant. Removal of lead and asbestos from the Hayden Motel – followed by the complete demolition of the dilapidated building – was one high-profile accomplishment under a Brownfields program. The renovated site now sports parking for trucks and campers, plus shaded picnic tables. More recently, the Bullion Plaza Cultural Center & Museum in Miami was a recipient, with 2022 inspections for lead and asbestos, a survey report, and an operations and maintenance

plan for the popular Miami tourism destination. The historic Superior High School received equal treatment, and Inspiration School in Miami is in the process of being assessed.

The EPA funds are primarily for abandoned properties - sometimes called “Brownfields” or blighted properties - and those with owners no longer maintaining the space or paying taxes. Abandoned properties can quickly attract vandalism and illegal dumping, resulting in a degraded environment and depressed communities, and potentially putting

human health at risk. Revitalizing Brownfields involves transforming properties into something new - from neighborhood parks to commercial or retail spaces.

The goals of the program include attracting public and private investments, creating green space in the community, increased property values, beautifying neighborhoods, eliminating blight, and creating jobs and increasing tax revenue.

Copper Corridor communities include Globe, Miami, Superior, Kearny, Winkelman, Hayden and some unincorporated areas of

Pinal County.

Apply online at <https://www.ccblightbusters.com> or email Grant Administrator Aimee Staten at astaten@gilacountyaz.gov, and you will be guided through a process of site and grant eligibility. If eligible, the property will go through an evaluation process with a member of the Copper Corridor Blight Busters team. Criteria include that the property be an underused commercial or industrial site, and one with redevelopment potential.

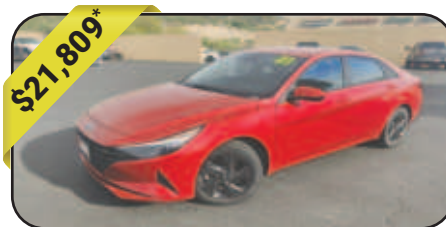

If you have any questions, call Aimee Staten at (928) 402-4392.

Tonto Basin School Board nomination deadline July 10

Resignations have brought two vacancies on the Tonto Basin School Board, and the Gila County School Superintendent has announced that nominations will be accepted until July 10 for a November 7 election.

Statutes allow for action by the County Superintendent to fill the two vacant seats. As the Superintendent's Office is considering a complete review of its electoral ward distribution, it is felt it would be prudent to fill the seats by election

rather than appoint new board members. Superintendent Roy Sandoval added that the region has seen many changes in its board structure and, given the current governing board picture, timing is opportune for the community to examine governance makeup.

If you have questions, wish to request nomination papers or need more information, please contact Cindy Fisher-Smith at (928) 402-8783 or cfisher-smith@gilacountyaz.gov.

Rabies, leukemia, microchipping? Mobile pet clinics June 25, July 9

Gila County Animal Care & Control reminds dog owners that an up-to-date rabies vaccine is required for your dog to be licensed - and that annual Gila County dog license is also essential to prove ownership if your stray dog ends up at the shelter. Are your pets microchipped? If they aren't, consider this; only 22 percent of

lost dogs without a microchip get reunited with the anxious owners who love them, and that number drops to just two percent for stray cats. Low-cost vaccines, preventative care, microchipping and even nail trimming are all available June 25 and again July 9 when PetVet mobile clinics visit Payson and set up outside the Tractor Supply store at 2260 W. High-

way 60 in Miami on Sunday afternoons from 4:30 - 6 p.m. Mark your calendar for these dates, too: July 23 and Aug. 6. Keep your dogs and cats protected and up to date on vaccines essential to guard against rabies, feline leukemia, bordatella and distemper. Did you know there's even a snakebite vaccine that can help dogs survive being bitten by a

rattler? Pre-treatment with the snakebite vaccine also reduces your pet's pain and suffering - and dramatically reduces the overall cost of treatment if bitten, too. No appointments are needed, but call PetVet Mobile Clinic staff at 800-427-7973 or visit petvet.vippetcare.com/services-pricing if you have questions about specific services.

OBITUARIES/COMMUNITY

Michael Twenty-Three

Michael Twenty-Three (born Michael Hudson), of Miami, Az., passed away on June 6, 2023, after heart failure.

Michael 23 was born on Nov. 16, 1969, to Robert and Judith Hudson of Elmhurst, Illinois. Michael graduated from York High School in 1987. He then earned a BS in Computer Engineering from Arizona State University. Having become interested in art during college, Michael took a job working under Yves Amu Klein mentoring in computer robotics for living art sculptures. He also kicked off his career in the arts by mentoring under artist David Thierrien. He had a passion for providing affordable housing for artists that also gave them access to art galleries, stages, coffee and retail shops, to incubate small independent businesses as well as encourage free expression. He also considered just about everyone to be an artist.

Michael was a creative soul whose magnetic personality drew artists to him and his endeavors.

Whether in Phoenix at the Firehouse artspace or at Miami Art Works in Miami, he became a natural leader in the art community. For everyone who knew him he was generous to offer hope, philosophical insight, creative space, love, and friendship.

His chosen last name, Twenty-three, is a number for synchronicity. Among the many meanings found in the number 23, it represents the number of chromosome pairs in human DNA. Its digits added together yield 5 - the number of woman; multiplied, 6 - the number of man. Thus represents the magical significance when the two are joined. William Burroughs first discovered the number 23 as a word virus. Robert Anton

Wilson also describes in depth the 23 mystery in a book Joanna was reading when she first met Michael 23. Thanks RAW. Michael was a genius and a visionary, a culturalist and philosopher who provided hope, creative space, love, and support to anyone who crossed his path. His impact and influence will be forever remembered by all.

He is survived by his wife of nearly 23 years Joanna 23, their son Enki 23, his mom and dad Bob and Judy Hudson, sister Kelly Campbell, mom and dad in-law Carolyn and Bill Lockyear, brothers and sisters in-law Kristin and Scott Valenti and Mark and Ruth Lockyear, nieces and nephews Kailey, Brittaney Deagan, Bella Sagoian, Kyla and Brett Valenti, and his beloved pets Bandit the dog and Herman the cat.

Michael loved the symbol of the phoenix rising. It is in this spirit we celebrated his life, and light, on Monday evening, June 12, 2023, at Bulman Miles Funeral Services in Miami, Arizona.

Gloria Guerrero

Gloria Sanchez Guerrero, age 96, of Globe, Arizona, passed away on June 13, 2023, at Heritage of Globe in Globe, Arizona. She was born in Globe on Oct. 13, 1926, to Alejandro Sanchez and Angelina Troglia.

Gloria was a proud member of her local church, the Holy Angels Catholic Church, as well as the San Francisco Church in the White Mountains. She was also the mother of the "Pinal Termites." In her downtime, Gloria enjoyed cooking, fishing, and visiting with family and friends.

She is preceded in death by her husband, Ventura "Benny" Guerrero; her son Carlos Guerrero; brother Bill Sanchez and James Lopez; sisters Mary Alice Zaragoza and Juanita Salazar; and her parents, Alejandro and Angelina Sanchez.

Gloria is survived by her daughters Eledia (Ju-

lian) Rodriguez and Olivia Guerrero; son Ben (Anita) Guerrero; sister Catherine Murga; and nine grandchildren, 24 great-grandchildren, and 7 1/2 great-great-grandchildren.

Rosary will be held on June 24, 2023, from 9:30 a.m. - 10 a.m. at the Holy Angels Catholic Church in Globe, Arizona.

Mass will be held on June 24, 2023, at 10 a.m. at the Holy Angels Catholic Church.

Chamber of Commerce Fiesta Camaraderie and Annual Dinner around the corner

Globe-Miami Regional Chamber of Commerce's Fiesta Camaraderie is coming up quick, and you are invited to join them for a night of fun with Mariachi Alegre de Tucson! This year the Chamber is doing things a little differently, combining their Camaraderie and Annual Dinner – which recognizes the 2022 Citizen of the Year and Business of the Year - all in the same night. Don't forget to nominate for those honors!

This year's event, spicing things up a bit with a Mexican theme, will be held Friday, June 23 starting at 5 p.m., at Bullion Plaza Cultural Center & Museum in Miami. A DJ will spin Mexican music and country western music throughout the night, La Casita will serve up delicious Mexican cuisine, and the evening will include such fun activities as the Grand March and a photo-booth. "We want you to have a fun night out, unwinding and mingling with our

business community in a more relaxed, friendship-focused environment," said the Chamber.

Tickets are on sale now, and proceeds benefit the Globe-Miami Regional Chamber of Commerce. Ticket prices are \$150 for a raffle ticket, which includes your dinner, drink, dessert, one cocktail ticket, entertainment and a chance to win a grand prize of thousands in cash. Even if you don't win the grand prize, everyone is a winner; with each raffle ticket comes a door prize – things like Arizona Diamondbacks tickets, gift certificates to local shops and restaurants, or entry to such attractions as Bearizona. To purchase tickets, stop by the Chamber at 1360 N. Broad St., call them at (928) 425-4495, go to their website at <https://www.globemiamichamber.com/camaraderie>, or reach out to a Chamber Board Member.

Blood drive in Miami June 22

Your donation of a pint of blood can save up to three lives, and the need for donors is so great that both of Arizona's largest nonprofit blood banks scheduled June dates in Globe-Miami. One of those dates is Thursday, June 22, when Vitalant staff and volunteers return to the Cobre Valley Golf Course in Miami for a blood drive hosted by Freeport-McMoRan. This drive will be held in the Copper Room at 4877 Cypress Way, from 8 a.m. to noon. Schedule your appointment conveniently online

at vitalant.org (search by zip code 85501) or call 877-258-4825. Vitalant supplies and donates blood to 62 hospitals in Arizona and urges Globe-Miami donors to help offset a statewide critical blood shortage. Donors with Type O blood are especially needed because that universal type of blood is used to treat emergencies and trauma.

How often can you give blood? Donors should wait at least eight weeks (56 days) between donations of whole blood, or 16 weeks (112 days) between Power Red donations. Whole blood donors can donate up to six times a year.

Questions about giving blood, or a Power Red donation? Read more at vitalant.org.

The GREAT SOUL ROBBERY

"In a moment, in a twinkling of the
Eye at the last trumpet: for the
Trumpet shall sound and the dead shall
Be raised incorruptible, and we
Shall be changed. For this corruptible
Must put on incorruption and this
Mortal put on immortality." (1 Cor. 15:52)

Is life a struggle? Is your struggle
With Father GOD and His righteousness?
Ahab turned his back on Father GOD. (1 Kings 21:19-20)
GOD forbid you turn your back and
Your spirit and flesh become defiled.
The unrighteous never shall inherit (Rom. 1:16-23)
The sinless Kingdom of Father GOD.
You, who are Spiritually starving your
SOUL to death, must be redeemed
And transformed, purified in Messiah Christ,

Sealed by His untarnished Holy Spirit.
Spiritual birth given overcomes
The rebellious spirit of CAIN (Gal. 5:16-23)
When with full repentance of SIN,
With unbound submission to the LORDSHIP of GOD.

Prevent your brain redesigned by a rogue,
Coveter, Lord of all.
Let thy conscience reign,
Value thy BRAIN.

'Tis your undoing – half brain
And half artificial machine.
Master not of thy destiny,

Ruled by an evil nobility.
No longer a normal human being
Designed by Father GOD; rather,
A hybrid redefined by immoral men.

On the horizon, great TERRIFYING days,
10 Kings (technocratic oligarchs) and
Their Antichrist conspire (Rev. 17:12-14)
To entrap you and to ensnare you.
Conquest of the human race,
Full carnage by an evil face.

Take heed, Elon Musk and Steve Wozniak,
Eminent tech entrepreneurs and
50,000 people signed a letter
To halt autonomous intelligence
Systems for fear the computer
Evolve and surpass human intelligence
And MAN becomes the ROBOT.

Crowning your brain with AI chip
Affronts and provokes Father GOD
To anger. Cast your SOUL on the mercy
Of HIS CROSS to be raised INCORRUPTIBLE.
Partake not of the forbidden fruit -
"the Mark of the Beast." (Rev. 13:16-17)

Play your best pool

By JOHNNY HENSON

Contributor

how quality practice works.

An example of a quality practice routine, might be working on just the stroke for 10 to 15 minutes as 70% - 75% of all your missed shots are due to a poor stroke. You should practice long shots, mid range shots, thin cut shots, long banks, cross banks, or any shots you know you have trouble with when you are competing.

I recommend that students shoot shots in sets of 10 shots. This way, they can give each shot a percentage. For example in 10 bank shots, if you made 4 and missed 6 your percentage for bank shots is 40%. By always noting your percentage, you will know if you're improving. Most importantly, if you can shoot a shot 80% of the time in practice, when competing, you will have more confidence in that shot when you shoot it. I also encourage every player to note every miss they have when

competing. You need to shoot at least 10 of each one of those missed shots in your next practice session. Focusing on shots you miss when you're practicing, makes more sense than shooting easy shots you already know you can make consistently. When I was a tournament player, I would note every shot I missed. In my next practice session, I would shoot every shot until I either made the shot 10 times in a row or 30 total attempts. If I missed a real easy shot due to lack of focus, I would shoot that shot the next practice 30 times as a punishment. Sometimes I would have an easy 8 ball or 9 ball, and would stop to ask myself, "Do you want to focus on this shot, or do you want to shoot it 30 times tomorrow". This really helped me focus and not take easy shots for granted when competing. Be focused during practice, reflecting the way you normally play, as much as

possible. I recommend that you include your pre-shot routine on all shots. If you want to take your game to the next level, the true practice to competing ratio should be at least 5 to 1. Willie Mosconi's was 40 to 1 and many top professionals on tour are at least 20 or 30 to 1. A 5 to 1 ratio will help you improve your game. Let me know if this helps you. Johnny Henson, Professor Pool and Steve Farmer are both PBI and ACS certified instructors. If you have any questions please email me at billiarduniversityaz@gmail.com, or call 623-377-0042.

Is there anything you're holding back from the Lord?

Genesis 18:1-33 tells us about unexpected visitors to Abraham's tent: Three men appeared out of nowhere, declaring that Sarah would give birth to a son. This announcement—which was surprising enough since it came from strangers—was even more unusual because of Sarah's advanced age. Before long, however, Abraham and Sarah rejoiced when God kept His promise and gave them Isaac.

A few chapters later, though, God told Abraham, "Take now your son,

your only son, whom you love ... and offer him there as a burnt offering" (Genesis 22:2). The next morning, Abraham woke up to do what God had said. Then, just as he was about to slaughter his beloved child, God provided a ram instead.

It's not clear how old the boy was when God asked for him to be offered as a sacrifice, but Isaac trusted his earthly father just as Abraham trusted his heavenly Father. They may have had questions or been afraid, but they chose to obey God anyway.

Abraham was ready to give up what was most precious to him—and to do so without grumbling. But why would he be willing to obey when the stakes were so high? Because he truly knew God's goodness and believed the Lord would bless his obedience, no matter how painful.

You can know God just as intimately, and with just as much confidence in His love. Ask Him to show you the way.

Promise

BY DR. DAN MORTON
Contributor

A great hymn was written that sets forth the promise of Jesus Christ and the excitement that comes with the fulfillment of His promise. Anyone who includes gardening in their daily activities sees miracles every day. "In the Bulb There Is a Flower" lists these in but an introduction to God's beauty, "There's a song in every silence; a dawn in every darkness; bringing hope to you and me."

Perhaps you have made a promise or have had one made to you. It might or might not come true and until it does it may just be wishful thinking. The promise of Jesus Christ is coming true every day if we open our eyes and hearts.

My wife has hosted hikers of the Appalachian Trail and I am amazed at their stories of why they have undertaken to trek nearly 2,200 miles through rugged country and beautiful scenery. In visiting with these people of all ages, there is a spark that is ignited within when they hear "AT."

Beginning in Georgia and extending through Maine, we are at Mile Post 1471, nearly two-thirds of the way through for those headed north. They are happy to share the excitement of a new day, a new challenge and a new personal conquest.

Psalms 1:3: "They are like trees planted by streams of water, which yield their fruit in its season, and their leaves do not wither. In all that they do they prosper."

Homeless Coalition thanks children for donation

COURTESY PHOTO

Maddie Alexander makes her donation to see if it will "tip" the scales.

The Homeless Coalition of Cobre Valley would like to thank the children from Central Heights Baptist Church for their recent donation. Our Bible verse was "Show me Your ways, God; teach me to follow You (Psalm 25:4)." The children spent the week learning that Jesus is Holy, Trustworthy, Loving, Worth Following, and for Everyone through Bible stories, crafts, recreations and missions. They learned about missionaries and how money is used to help

in their ministries – for food, shelter, clothing, etc. Children spent the week collecting money through a contest of younger vs. older children to see who could "tip" the scales first. Every night it was a tie. It came down to the last night and the very last handfuls of coins from everyone – and the older younger won! The money will be used to buy supplies to fill up the bags that are given out on a regular basis to the homeless here in our own Globe-Miami area.

Join the Cobre Valley Independence Day Parade

It is not too late to get your entry into this year's Cobre Valley Independence Day Parade, which will be held on Tuesday, July 4. This year's theme will be "Give Me Liberty or Give Me Death." If you check the box to compete in the float competition, the best decorated float will receive a \$100 cash prize sponsored by Rural Air Heating and Cooling. Enter your horses, your antique vehicle, or pull a trailer with the folks from your local organization. Advertise your business, campaign or cause, or make it a family ride worthy of remembering in years to come. There is a \$10 entry fee, and all proceeds raised will be donated to the Gila County 4H Top Gun Shooting Club.

Pick up and drop off your entry form at either one of the two locations; the Globe-Miami Chamber of Commerce, and C and C's Auction House located at 525 W Sullivan St. in Miami.

For the spectators, get to Miami Memorial Park by 7:30 to enjoy the beautiful sounds of the Centennial Band performing curbside. Opening Ceremonies will follow with the offering of invocation by Pastor Brian Morris of Maranatha Baptist Church, singing of the National Anthem by local talent Tim Pawlowski, and a welcome by Miami Mayor Angel Medina. Hold on to your seats when the American Legion Riders escort our nation's flag through town in a convoy

of Harley-Davidson motorcycles. This and much more await you at the celebration of the 247th year of the Independence of these United States of America.

Following the parade, the American Legion Henry Barry Post #4, located at 645 S. Broad St. in Globe, will be hosting its annual Independence Day potluck luncheon, open to the public. Bring the family and enjoy free hot dogs and hamburgers, partake of side dishes and desserts brought in, or bring one of your own to share. For any questions about this year's events, contact Jess at 928-200-6348. God Bless the American States United! Happy Independence Day!

July 4 fireworks in Miami with KQSS soundtrack

Freeport-McMoRan Miami operations sponsors this Globe-Miami Independence Day tradition, and on July 4 the rockets' red glare begins at 9 p.m. with fireworks launched from the historic tailings overlooking Claypool and Miami -- across from the Cobre Valley plaza (Judy's Cookhouse) and also across from Wal-Mart and CAL Ranch. While you're enjoying the show, tune in KQSS Gila 101.9 FM for a soundtrack of patriotic standards to accompany the bombs bursting in air -- another Globe-Miami Fourth of July tradition, and one that dates back to 1988!
