EAC Gila Pueblo Campus celebrates 134th commencement ceremony

Eastern Arizona College celebrated its 134th Commencement Ceremony at the Miami High School Auditorium by awarding 45 degrees and 62 certificates of proficiency.

EAC alumnus Sara Murry, now a vocal performance major at Arizona State University, sang the national anthem and EAC graduate Kendra Corso offered the invocation. Dr. Phil McBride, EAC senior dean of the Gila County campuses, and Dr. Janice Lawhorn, interim president of the Gila County Provisional Community College District, welcomed the gathering.

she graduates from high school. Bernstein participated in leadership organizations and the Cobre Valley Institute of Technology (CVIT). She has completed certificates of proficiency in Medical Assistant and Phlebotomy. She will be transferring to Arizona State University, where she will major in business administration.

Bernstein thanked her parents for their motivation and inspiration. She expressed gratitude for many of her teachers, who taught her life lessons and helped her see new perspectives. "Some of the most impactful changes

that happen in our lives are not during the big moments, but rather during the small moments that seem insignificant," she said. "It's the little changes over time that change the way we think and act that mold us into the people we are today. Nothing worthwhile is easy; while it may

take hard work and persistence, dreams can be accomplished."

Mike O'Neal, superintendent of the Cobre Valley Institute of Technology (CVIT), delivered the commencement address. O'Neal, a lifelong Globe resident, has been serving students in public educa-

tion for 28 years as a coach, CTE teacher, CTE director, dean of students, executive program director and superintendent. He earned a Bachelor of Science, Master of Vocational Education and Master of Educational Leadership, all from Northern Arizona University.

O'Neal encouraged

graduates to "continue your search, no matter how long it takes, be lifelong learners, and surround yourselves with positive and passionate people. Regardless of your career path, treat people kindly with a smile on your face and you will have a positive impact on the lives of

those you serve."

The Changing Lives Award was a new item added to the commencement ceremony this year. This award allows EAC students to recognize outstanding EAC employees who have made a difference in their lives. Jennifer Carlson, who is dedicated to building the nursing assistant and certified medication technician programs, was recognized by Dr. McBride as this year's recipient. One nominator mentioned, "She takes an interest in all of her CVIT students and makes an effort to help them in any

way she can." Other nominators mentioned how she was available and encouraging during difficult times.

Following the awarding of certificates and degrees, Dr. McBride admonished graduates to keep striving to achieve their dreams. He concluded by stating, "Don't be afraid to dream big. As you dream the impossible dream, you will reach the unreachable star." He noted that two EAC Gila Pueblo administrative staff, Naomi Urquidez and Selma Williams, both received associate degrees.

Dave Forsberg**Letter For My Dad
Dave Forsberg
1957-2023**

Have you ever met someone who put you in awe? My dad did. He was well-rounded in literature, globally cultured, current on domestic and international news, firearms, electrical, etc. He was a true "Jack of all trades." Growing up he was always my constant, stable voice of reason. Unbiased, patient and practical; one couldn't feel more secure in his presence. An avid listener of NPR; I slowly adopted the same station despite the pleas around me. Turning on NPR is going to be a little harder for me, but I'd like to think this is how our

current event discussions can still go on.

While he didn't teach me how to dance (thankfully), he did teach me proper gun safety and always made sure to keep the guns and ammo packed and ready when I came to Arizona so we could go out to the range and I could blow off steam.

Ernest Perez

Ernest Perez, age 84, of Dos Cabezas, Arizona passed away on May 15, 2023 at his residence in Roosevelt, Arizona.

He was born in Dos Cabezas, Arizona to Antonio Perez and Elecitia Pacheo.

He worked as a supervisor for the Arizona Depart-

the law - may or may not have sent me mace (illegal in NYC) to make sure I felt a little more protected and always sent a new package before expiration.

Thank you, Dad, for doing everything you didn't have to do and for being the best dad you didn't have to be to me.

I don't know what this life will be like without him - I'm just happy that I got to have him in my life for as long as I did.

If you would like to share any memory, stories or pictures please send them to Remembering-DaveForsberg@gmail.com and I'd love to share it with our family.

He enjoyed being outdoors, hunting, fishing, going to the casino and spending time with family.

He will be missed.

Amy Suzanne Denton Benites

Amy Suzanne Denton Benites passed through the veil to her eternal home on April 13, 2023, in San Bernardino, California.

Amy was born on Jan. 19, 1978 in Phoenix, Arizona. In Miami, Arizona, a young couple was anxiously awaiting the opportunity to become parents through adoption. On Jan. 16, 1979, just three days before Amy's first birthday, this couple's dream came true. Amy became the daughter of Gary and Mary (Cothrun) Denton. It was love at first sight for Gary and Mary and their sweet Amy.

Amy attended school in Miami, Flagstaff and Globe. She graduated from Globe High School in 1996. Amy was very musically talented. She played the violin, clarinet, piano and bassoon. She had a beautiful singing voice and

loved to entertain people singing karaoke. Swimming was another one of Amy's passions. She swam on the Piranhas swim team and was a lifeguard at the Globe Community Pool and the Eastern Arizona College swimming pool in Thatcher. Amy was also active in 4-H, raising two lambs.

Amy loved people and made friends easily. She was always willing to lend a helping hand wherever and whenever it was needed.

In her adult life, Amy had health challenges which she always faced

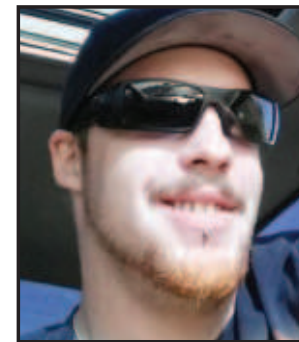

with a positive outlook.

Amy was preceded in death by her infant son Bucky Lee, father Gary Lee Denton, grandparents Milt and Nadine Cothrun, Betty and Tom Cook, and Aubrey Denton. Amy is survived by her mother Mary Denton. She is also survived by her aunt Peggy (Jim) Beutler; her uncles Rick Denton, Bill (Janice) Cook, Mike Cothrun, Keith (Andrew) Cothrun and Randy (Christie) Cothrun; her biological sister, Sarah Gutierrez-Zohaib; and numerous cousins and friends.

Go rest high on that mountain, Amy. Your struggles on earth are done.

There will be a graveside service on June 3, 2023, at 10 a.m. at the Globe Cemetery, where Amy will be laid to rest with her Daddy.

Family is being assisted by Bulman Miles Funeral Services Globe.

Thomas Lingen

Thomas Lingen, 32, of Globe, Arizona, sadly left us on Saturday May 13, 2023. He is survived by his father Jason Lingen of Long Beach, California; mother Sherri (Gary) Franklin of Safford, Arizona; and siblings Nicole Peña of Phoenix, Arizona, Jonathan Lingen of Apache Junction, Arizona and Rachel (Mark) Demroo of Globe, Arizona. Thomas leaves behind his son Liam Lingen, of Globe, Arizona.

Thomas conquered his

bout with addiction but unfortunately still struggled with life. He was passionate about fire trucks from a young age and cherished his time serving as a fire-

fighter. He loved his family and will be missed deeply.

In lieu of flowers, the family is asking that donations be made to the Salvation Army Adult Recovery Center in Phoenix, Arizona. To share your memories and photos of Thomas, the family invites you to visit <http://bulmanmiles.com>.

Services will be held privately at a later date.

Family is being assisted by Bulman Miles Funeral Services, Globe.

Health and fitness activities at Globe Public Library

Globe Public Library wants to help keep you healthy. Here are the programs we have running during May and June.

Globe Public Library is collaborating with the AZ Health Zone through Gila County Health Department to have chair aerobics classes at Globe Public Library Tuesdays at noon.

AZ Health Zone is bringing another fun exercise class to Globe Public Library. Chair Yoga is every Wednesday night at 4 p.m. for the month of May. This class is fun for all ages.

Seed 2 Supper with AZ Health Zone will begin on June 16 at 11 a.m. This is a six week, two-hour program for adults that takes food from the garden to the table. There will be cooking every week.

Globe Public Library Literary Journeys is the new name for the Walk/Run Club. We have a hybrid type of program. You can choose how you participate. We will meet in person on Mondays, Thursdays and Fridays at 6 a.m. at the Globe Public Library, or you can participate independently and record online on the Globe Public Library Walk/Run Club Facebook group. All participants must complete a waiver available from the circulation desk at the Globe Public Library or available for download on the Globe Public Library Walk/Run Club Facebook group. The club is for all ages and abilities; an adult must accompany minors. Dogs who are friendly and get along with others are invited to participate. This time we are starting a literary journey that will run most if not all of this year. We are marching to Mordor. Who will join our fellowship as we take the one ring to the volcano in Mordor? Pick up your log and your ring from Globe Public Library. You

can join us at any time. We welcome all at your current level of fitness. We have had one person finish the third leg of this journey.

Spice of the Month is on Thursday, June 15, at 5 p.m. We will be featuring za'atar. Each month we will be introducing a spice. Each spice will have basic information (description, origin, varieties, flavor profile and nutritional facts) and one or more recipes. We will have at least one dish to sample made using that spice. Everyone who comes will then be able to pick up two tablespoons of the spice to use at home in their cooking. We do not want you to bring back the spices; they are yours to keep. Two tablespoons will be given at circulation. There is a limit of one unit of spice per month. This will give you the ability to try a spice to see if you like it before you purchase it for yourself. Please share your experience with these spices with us. We would love to hear how it went.

All these programs are free and brought to you through partnerships with the Friends of the Globe Public Library, the United Fund of Globe-Miami and the AZ Health Zone through the Gila County Health Department.

Kid's Yoga is at Globe Public Library Fridays at 10 a.m. We will be learning mindfulness and yoga. This program is designed for people 3 and up. Parents and caregivers are encouraged to come and participate. All the supplies you need will be provided. This work is funded in part by the Arizona Department of Health Services (Contract No: CTR056154), with funding from the U.S. Department of Health and Human Services, Centers for Disease Control and Prevention (CDC) through the COVID-19 Health Disparities Grant.

American Hero Kid's Clubs planned

Every year an American hero, Ernest Valdez, no matter how old or tired he was, would march with our beloved Old Glory up to our beautiful M Hill in Miami, where three glistening crosses stand. He did this so that none of us would ever forget the men and women who gave the ultimate sacrifice for freedom and love of our country.

It was my greatest honor to call that man grandpa.

I would love to put the flag up this year but I am unable to.

Ernest's other grandson, Levi Angel, will bring Old Glory home again this year and continue his legacy.

Disc golf fans: Meet DISCover Globe

COURTESY PHOTO

DISCover Globe members enjoy a round of disc golf near Besh-Ba-Gowah.

Stephen Palmer and others who enjoy a round of disc golf are designing an 18-hole course that rambles around the rough and perimeter of the city of Globe's Community Center ballfields near Besh-Ba-Gowah. Seven months ago they convened as the DISCover Globe group on Facebook, which you're invited to like and follow in order to learn more about their plans, share photos or videos and get an invite to their next in-person DISCover Globe meet-and-greet. They met late last Saturday afternoon, an hour chosen to allow those enthused to check out the course for a round of play after the meetup.

Palmer said the point of the Saturday gathering was to discuss the course – "Where it is now, what we can do to make it better and the layout. What is your favorite hole? What makes it your favorite? Can we build upon that with other holes? What's the best day to play as a group? What's the best time/day for meetings?" – and to have a good time. "This is an informal meeting; please be yourself," Palmer added. "We set the time at 4 p.m. so we can play a round after if people want to." For specific directions or to be added to the invite list, like and follow <https://facebook.com/groups/790550775568857>.

Start early when planning grad parties

Graduation is an accomplishment so significant that many families commemorate grads' hard work with a party. Whether students are graduating from elementary school, middle school, high school, or college, the decision to fete that feat with a party is pretty popular.

That so many families choose to celebrate graduation with a party underscores the need to plan ahead. The following are some early planning pointers families can consider as students draw closer to the day when they will don their caps and gowns.

- Pick a date and let it be known. The dates of commencement ceremonies are typically announced months in advance. That affords party planners ample time to pick a date for the celebration. The earlier planners can pick a date, the greater the likelihood that they'll get to pick a date of their choosing. The

longer planners wait, the more likely it is that many dates will be snatched up by the families of fellow grads. Once a date has been chosen, send out save-the-dates so others can avoid scheduling a party on the same day.

- Speak with fellow parents. Parents typically plan graduation parties, so one easy way to avoid scheduling conflicts is to work with fellow moms and dads. A joint party might make the most sense if families are planning summer travel or have limited flexibility regarding when they can host.

- Book reservations early. Though many graduation parties are held at private homes, some families prefer large family dinners at local restaurants or gatherings at other public venues. Families who aren't hosting at home should study venue locations well in advance and book reservations as soon as possible.

dors aren't available during peak graduation season, or if scheduling conflicts are making it hard to pick a date, remain flexible and open to new ideas. One alternative is to schedule a graduation party in mid-summer. This can serve as a send-off to high school graduates about to leave for college or

provide a great way for college grads to get back together with friends before the end of summer. Another option could be to finance a trip for grads and their friends to a nearby amusement park.

Graduation parties are great ways to commemorate all the hard work students did en route to donning their caps and gowns. Planning early can ensure such parties are just what parents and students are hoping for.

It's especially important to book reservations early, as graduation season typically coincides with the dawn of wedding season, which means there could be steep competition for venues or limited availability.

- Remain flexible and open to new ideas. Even early birds may find it hard to book vendors and venues, and planners may not want to settle for second or third options when celebrating an occasion as momentous as graduation. If preferred venues and ven-

Gift ideas for high school graduates

The class of 2023 soon will be donning their caps and gowns and receiving their diplomas. After commencement ceremonies, graduation parties will soon follow. For party guests, that means finding the right gifts for grads.

Some high school graduates will continue their studies at colleges and universities. Others may pursue careers in various trades. Still, some graduates may be ready to enter the workforce right away. No matter the direction, these gifts can treat graduates to something special.

Travel accessories

Graduates may want to go on a trip before they take the next step in their lives. Quality travel gear is a worthy investment. Select luggage that won't exceed airport carry-on limits so grads can cut the baggage check lines when they dart away to locales near or far. Carry-on bags also fit easily in bus cargo areas or in the trunks of

COURTEYS PHOTO

cars. Pair the gifts with standard or digital luggage tags.

Streaming TV device

While it's certainly possible to watch favorite shows or films on mobile devices, viewing is that much clearer on televisions. Rather than graduates having to invest in cable television wherever they go, streaming devices like AppleTV or Roku are portable, which means they can be used at home, in a dorm room or on vacation.

Secured credit card

Individuals typically are eligible to apply for credit cards once they reach age 18, which is the age most students are when they

graduate high school. Credit cards are one method of establishing solid credit, so it can be beneficial for a teen to have one. But it can be challenging for individuals with no credit histories to get approval. A secured card, according to CapitalOne, is a credit card that requires money deposited with the credit card issuer in order to open the account. This security deposit is held by the issuer as long as the account is open. Often the security deposit is the same as the credit limit. Gift-givers can help establish secured cards for grads by providing the funds for the security deposits.

Wireless earbuds or headphones

Upgrade grads' audio with the newest wireless earbuds or headphones. This way they can take them to the gym or use them to listen to shows or music while sharing spaces with others, including college roommates.

Smartphone wallet case

Teenagers are seldom without their phones. A smartphone wallet case enables graduates to stash IDs, credit or debit cards and some cash into specially designed pockets built into the phone cases. This keeps all essentials in one spot.

Framed memorabilia

Whether a graduate was a star athlete or a premier member of the marching band, gift-givers can provide special memories of time spent in school. Frame ticket stubs, sports jerseys, show programs, or other memorabilia that commemorates a graduate's glory days at their alma mater.

HAPPY MEMORIAL DAY

Make your Memorial Day barbecue a success

Summer unofficially starts with the arrival of Memorial Day at the end of May. Although it is a holiday designed to honor American military personnel who have died in various wars, it also serves double-duty as a chance to gather with friends and loved ones and enjoy the return of the warm-weather entertaining season.

Barbecues are the centerpiece of Memorial Day celebrations. It may have been awhile since the grill was fired up, so anyone can use a little refresher course in barbecue etiquette. Here are some tips for making the most of Memorial Day parties.

Ready the grill

If your grill has lain dormant for several months, it's wise to inspect and thoroughly clean it in advance of Memorial Day. Insects like spiders may have built homes inside, and grease and grime may be lingering from last year. Ensure the

COURTESY PHOTO

grill is in top form before cooking for guests.

Keep food safety in mind

A study from the U.S. Department of Agriculture found more than half of study participants don't try to wash their hands when preparing food. Wash hands thoroughly to ensure guests do not get sick at the barbecue. Keep food refriger-

ated until it is ready to be cooked or served. Use a food thermometer to cook to the required internal temperature to make sure bacteria is destroyed. Do not use the same utensils that touched raw meat to remove cooked food from the grill.

Arrange for shade

It can get quite warm outdoors even in May for many

areas of the country. Therefore, prepare a spot where guests can escape the sun. If you don't have enough table umbrellas, consider light netting or canopies for shade. Shift them as needed as the sun moves across the sky.

Develop a signature rub

Set your food apart with unique flavors. Create a summer food rub using the herbs

and spices you prefer. Make a big batch to use throughout the grilling season.

Don't leave food sitting

The USDA's Food Safety Inspection Service advises that food should not be left out for more than two hours, or one hour if the temperature is above 90 F. Keep buffet-style food covered so that insects do not land on the items and run the risk of contamination. Promptly

move leftovers indoors if you plan on keeping them.

Offer a variety of beverages

It's important to stay hydrated when the weather is warm. Stock the cooler with plenty of water, juices, iced teas, and the like. If you plan to serve alcoholic beverages, keep them separate from the non-alcoholic items so that children do not have access.

Upon reaching the destination, we sometimes realize the greater blessing came from the journey

It took Leo Tolstoy six years (and at least seven drafts) to write "War and Peace," but his novel now stands as one of the greatest literary masterworks of all time. Ludwig van Beethoven waited even longer to bring his finest composition—Symphony No. 9—to the stage. It took a whopping three decades.

What if these men had simply given up? What if they hadn't pushed through

all the frustrations and setbacks? What if they'd listened to all the people telling them it couldn't be done? They'd have been the poorer for it—and so would we.

Sometimes God's promises can also feel far away and too difficult to reach. That's why many people look for shortcuts. After all, they reason, if God makes a promise, wouldn't He want us to attain

and enjoy it as quickly as possible? Not necessarily. When we try to manipulate circumstances and "help" the Lord fulfill His promise, it's possible for us to get in the way of the good things He has in mind for us. For this reason, we must be patient and remember that part of the blessing is the trust and wisdom gained while waiting.

WORSHIP

Worth the wait

COURTESY PHOTO

God's call to patience, though difficult, brings great rewards.

We are pretty impatient these days. If you don't agree, just think about the last time you warmed up a meal in the microwave. Did you calmly wait during those few minutes, or did you stand there tapping your fingers and sighing in exasperation?

No wonder Scripture includes so many examples of godly patience. Time and again, the Father made promises to His children, only to have them wait years—sometimes decades—for the promise to be fulfilled. However, the result of that patience was always blessing.

Consider how long Simeon

waited to see Christ—to hold the infant Jesus in his arms and prophesy over Him. For many decades he kept watch, holding firmly to the promise that he would not die before he beheld the Savior (Luke 2:26). Imagine waiting day after day for such an amazing blessing. Some people might have found it challenging to continue believing the promise, but Simeon didn't falter. And his reward was indeed great.

Shortcuts rarely lead to where God wants us to be. The long road, however, has been taken by countless faithful servants. So if you're waiting on the Lord today, be encouraged because you're in good company.

Stormy times

BY DR. DAN MORTON
Contributor

The weather forecasters have begun their annual ritual of guessing at El Nino and La Nina, water temperatures and currents off the east and west coasts of the USA. Hardware stores are stocking up on flashlight batteries, plywood sheets and other items to see through the hurricane season of '23.

At home, food supplies are on hand, recipes out and plans made for water supplies. All part of Being Prepared. Gas tanks are filled and autos checked for road worthiness. Those who have lived in the area for some time go through the motions but not with the same anxiety as the recent settlers. Is there something they have overlooked?

At the last moment, as

the sound of the heavy winds increase, the storm clouds darken the skies until it almost seems night, everyone is accounted for and the vigil begins. All move into the shelters on the lower levels. The American Red Cross and The Salvation Army prepare to offer shelter and meals.

Did anyone bring a Bible? Can you remember where those verses of reassurance are located? Do you have a hymn book? What were those that Grandma and Grampa used to sing to us at night?

I was visiting the Emergency Room of a large hospital in Phoenix during such a storm. The power had gone out except for a few critical areas. Far off on the third floor, an elderly lady patient was singing a hymn. The entire hospital remained quiet, calmed, reassured. God was there.

HOROSCOPES

ARIES - Mar 21/Apr 20

You may struggle to get going this week, Aries. But once you do, it will be full speed ahead. In fact, you may need to slow things down to let others catch up.

TAURUS - Apr 21/May 21

Taurus, if you are feeling a bit scattered as of late, take some time out of your schedule to meditate and reflect on what is most important to you. Then follow that path.

GEMINI - May 22/June 21

Gemini, give yourself permission to move slowly this week. If you racing through things, you're apt to make mistakes. Set your own pace and let things play out as they may.

CANCER - Jun 22/Jul 22

Deadlines could make for a heated week, Cancer. It's best to remove yourself from any situations before they get out of hand. Offer advice

when things cool down.

LEO - Jul 23/Aug 23

Routines are boring you lately, Leo. You may need to shake things up. If you work a set schedule, see if you can go to flex time and look for ways to change.

VIRGO - Aug 24/Sept 22

Do not let drama that doesn't involve you sneak into your orbit, Virgo. If you need to distance yourself from others for a while, then

do so.

LIBRA - Sept 23/Oct 23

Libra, others feel you're giving off some high-strung vibes this week, and they wouldn't be wrong. Something is weighing on your shoulders. Figure out what it is and lighten the load.

SCORPIO - Oct 24/Nov 22

Scorpio, you're dishing out all sorts of sage advice but it may be frustrating if others don't want to take it. All you can do is offer and let others lead their lives.

SAGITTARIUS - Nov 23/

Dec 21

Things may be a little rough around the edges lately, and you'll need to figure out the ways to smooth things over, Sagittarius. Find a few friends who are in your corner.

CAPRICORN - Dec 22/Jan 20

Capricorn, emphasize a slow and methodical approach to a problem with an elusive solution. Slowing things down has a tendency to provide substantial clarity.

AQUARIUS - Jan 21/Feb

18

Disagreements on how to move forward could bring tension at home or work this week, Aquarius. Everyone needs to put their ideas on the table and whittle down the best answer.

PISCES - Feb 19/Mar 20

Don't compare yourself to others, Pisces; otherwise, you may downplay all of your wonderful attributes. Be proud of who you are.

Activities for adults at Globe Public Library

Globe Public Library is hosting an after-hours game night for people 18 and up. These game nights will be held Wednesday evenings at 5 p.m. These are cooperative or competitive board games that use strategy. If you have a fa-

vorite you would like to share, bring it along. Invite your friends, bring a snack for yourself or to share, and enjoy a game night for adults.

If you love karaoke but want to be able to do it somewhere without alcohol, here is your chance. Globe

Public Library is hosting a karaoke club for people 16 and up. This club meets weekly on Thursday at 7 p.m. Sing with us Thursday night.

Spice of the Month is on Thursday, June 15 at 5 p.m. We will be featuring za'atar. Each month we will be introducing a spice. Each spice will have basic information (description, origin, varieties, flavor profile and nutritional facts) and one or more recipes. We will have at least one dish to sample made using that spice. Everyone who comes will then be able to pick up two tablespoons of the spice to use at home in their cooking. We do not want you to bring back the spices; they are yours to keep. Two tablespoons will be given at circulation. There

is a limit of one unit of spice per month. This will give you the ability to try a spice to see if you like it before you purchase it for yourself. Please share your experience with these spices with us. We would love to hear how it went.

Saturday, June 24 at 2 p.m., the Book Club will be discussing our June book pick. The books for July will be available for pickup. If there are leftover books, they will be made available to those who did not make it to the Book Club.

All these programs are free and brought to you through partnerships with the Friends of the Globe Public Library and the United Fund of Globe-Miami.

COMMUNITY

Celebrating Older Americans Month

Established in 1963, Older Americans Month (OAM) is celebrated every May. OAM is a time for us to acknowledge the contributions and achievements of older Americans, highlight important trends and strengthen our commitment to honoring our older citizens.

This year's theme, *Aging Unbound*, offers an opportunity to explore a wide range of aging experiences and to promote the importance of enjoying independence and fulfillment by paving our own paths as we age.

This May, join us as we recognize the 60th anniversary of OAM and challenge the narrative on aging. Here are some ways we can all participate in *Aging Unbound*:

Embrace the opportunity to change. Find a new passion, go on an adventure and push boundaries by not letting age define your limits. Invite creativ-

ity and purpose into your life by trying new activities in your community to bring in more growth, joy and energy.

Explore the rewards of growing older. With age comes knowledge, which provides insight and confidence to understand and experience the world more deeply. Continue to grow that knowledge through reading, listening, classes and creative activities.

Stay engaged in your community. Everyone benefits when everyone is connected and involved. Stay active by volunteering, working, mentoring, participating in social clubs

and taking part in activities at your local senior center or elsewhere in the community.

Form relationships. As an essential ingredient of well-being, relationships can enhance your quality of life by introducing new ideas and unique perspectives. Invest time with people to discover deeper connections with family, friends and community members.

For more information, contact the Pinal-Gila Council for Senior Citizens, 8969 W. McCartney Rd., Casa Grande, AZ 85194, at 800-293-9393 or 520-836-2758.
