OBITUARIES

Stella Spaich Colbert

Stella Spaich Colbert, age 94, Miami, Az.-born and a graduate of the Miami High School class of 1946, passed away peacefully Jan. 13, 2023 surrounded by her family and friends.

Stella was born Feb. 17, 1928 at the home of her parents, Mike and Bessie Spaich, in Davis Canyon, Miami, Arizona; a home built by her Serbian immigrant father and Polish immigrant mother. She was the youngest of six children, and was preceded in death by her parents and siblings Angie, Kate, Sam, Roscoe and Bessie Spaich. It was her parents, siblings and two children that Stella lovingly and unselfishly made her top priority her entire life, always placing herself after those she loved. Her 'gift' to her entire family was being 'a woman born ahead of her time' in so many ways.

As a proud first-generation American, Stella cherished and respected her European roots, always crediting her parents' Slavic heritage for her integrity, strong work ethic and personal fortitude; virtues she exemplified with everyone she ever knew or loved. As a young girl, Stella regu-

larly attended Divine Grace Presbyterian Church, winning a number of Perfect Attendance Awards, and was a member of the Girl Scouts. The Miles family of Miles Mortuary-Miami were dear friends, and it was Mrs. Miles who offered to instruct young Stella in piano. However, it soon became evident that Stella's talent for music came naturally. She never learned to read music, but could play any song perfectly by ear on the piano and served as a drum major for her grade school, "never missing a beat," which her band instructor often said was amazing, given she could not read music.

Stella's natural talents soon developed further as an athlete when she entered Miami High School. She lettered all four years in badminton, played tennis all four years (with Helen

Saban and Bill McDermott, two of her best buddies since grade school), was a lifelong swimmer, having worked as a lifeguard at Hostetler Pool, and eventually won the Arizona State 1946 Women's Singles Badminton Championship. She was honored to be included in the Miami Arizona Memorial Library Sports Hall of Fame, which remains a point of pride for her family today. Her Miami High School coach endorsed and recognized Stella's innate athleticism and secured a full-ride tennis scholarship for her to Arizona State University.

Services for our beloved mother were held privately and conducted precisely as she requested. To honor her, her parents and all immigrant families of the Miami/Globe area who stood by the Spaich family and our community (making life here - and in America - such a phenomenal place to live), her children Lynae Cole and Roger Dean Moses, request memorial remembrances be made to either the Statue of Liberty-Ellis Island Foundation or The Serbian Cemetery, Central Heights, Gila County, Az.

Darlene Minnie Jean (Thompson) Reyes passed away peacefully at the age of 80 on Feb. 14, 2023 with loved ones at her side. She was born and raised in Globe, Az., and graduated from Globe High School in 1960. Darlene lived in Tucson since 1970, and was married to her beloved Ruben for 41 years before he passed away in 2004. Darlene is survived by her three sons Robert, Ronnie and Ricky, six grandchildren and one great-granddaughter. Darlene was a devoted mother who loved cooking, traveling and peo-

ple. Family and friends will especially remember her extraordinary cooking and baking skills. Darlene had a culinary passion; she loved to cook and no one ever left her table hungry. Even though it was not part of

her cultural background, Darlene learned to prepare many Mexican food dishes with great authenticity from her mother-in-law Dolores "Lola" Reyes. Her Christmas tamales, red chile beef and cheese enchiladas were the best. She and Ruben would host an amazing annual Christmas Eve celebration where family and friends would gather to enjoy Darlene's cooking. We will all dearly miss our beloved mother, grandmother and friend. "God bless you."

Aurora Jimenez Herrera

Aurora Jimenez Herrera (Boli), born April 25 to Maria and Francisco Jimenez, passed peacefully with her family on Feb. 21, 2023. She was born and raised in Miami, Az. She was the third child of seven, with two sisters and four brothers.

Thanks to her brother Frank, she met her soulmate Ernesto Herrera and they wed on Jan. 15, 1955. They built their life together in Miami. He worked in the mines; she managed the household and raised their four children, Ernesto Jr., George, Aurora and Linda.

The driving force of her life centered around her Catholic faith. She was a devoted member of Our Lady of the Blessed Sacrament Church in Miami her whole life. Boli faithfully attended Mass and prayed the Rosary; when she could no longer attend in person she still watched daily!

humanitarian work for her unwavering generosity, dedication and selflessness.

She was reunited in heaven at last with her honey, Ernesto and her boys, Ernie and George. She will be missed by the rest of us every single day: siblings Freddy and Polly Jimenez; children Dave and Aurora Ramirez, and Joe and Linda Soto; grandchildren Jacqueline Herrera, Joseph and Monica Herrera, Stephen and Jenica Maas, Erika Ramirez, Ernie Herrera, George and Angie Herrera, Jonathan Herrera, Jacob Ramirez, Zachary Ramirez, Ben Soto, Jordan Rothschild, Morgann and Max Mahoney, and Ryan Morris;

great-grandchildren Micaela, Gabriella, Delilah, Bella, Thomas, Alyson, Kori, Breea, Chloe, Daisy, Eva, Frannie, Joshua, Maleah, Bailey, Jayla, Murphy and Marlowe; and countless other relatives and friends.

Her love of crocheting continued her whole life and she donated hundreds of beanies and booties to the elderly and babies. Boli was recognized by Phoenix Children's Hospital and by the well-known yarn company Red Heart for her

PUBLIC ANNOUNCEMENT

Hope 4 Hearing Center announces unique hearing aid trial program, with **NO upfront cost, **NO** commitment and **NO** risk**

Who is a good candidate for Flex:trial?

You may be a good candidate for the Flex:trial program if you:

- Suspect a hearing loss but haven't had your hearing tested
- Had a hearing test but decided against hearing aids
- Currently wear hearing aids but are looking for something better

The Flex:trial program is accepting appointments from potential participants for a limited time only.

Supplies of the Flex:trial hearing aids are limited, call today.

Area residents who want to try today's most advanced hearing aids — without upfront cost, commitment or risk — are urged to get in touch with Hope 4 Hearing Center.

Located in Globe, Hope 4 Hearing Center is among a handful of hearing healthcare providers nationwide selected and certified to participate in the Flex:trial™ program, developed by hearing aid manufacturer Unitron.

Flex:trial uses a unique three-step approach to hearing healthcare and consumer satisfaction:

1. Interested individuals undergo a hearing test. If the testing indicates a good fit for the program, participants go home — the very same day* — with Flex:trial hearing aids.
2. Participants wear the Flex:trial hearing aids on a trial basis at home and in all of their other familiar environments. There is no upfront cost or obligation during the trial period.
3. At the end of the trial period, participants decide whether they want to continue with the listening experience...or walk away and owe nothing.

"Other trial programs require consumers to pay for the hearing aids in advance and then go through the process of obtaining a refund if they're not satisfied," explains Hope 4 Hearing Center. "The Flex:trial program removes the upfront cost for participating patients — and the fear of getting stuck with hearing aids they don't like. In fact, the risk is all mine."

Supply of Flex:trial hearing aids is limited.

COMMUNITY

8th Annual Michael Tarango "Walk for Hope"

Hey, Globe/Miami – it's that time when we all come together and take a stand against the drug epidemic in our community. We are all affected by this horrible epidemic in one way or another. Our goal is to provide resources and education for all, and to walk in honor of those whose lives have been lost. Since this is a Globe/Miami event, we will be in Miami this year and the walk will go down through the town of Miami and up the highway. Come on out to Bullion Plaza Museum Saturday, March 11 at 11 a.m. We will have great resources, speakers, entertainment, a walk, raffle and balloon release, and great food choices! We are also taking toiletry donations for the Cobre Val-

ley Homeless Coalition. If you have any questions, please contact Jackie Talamantes (520) 447-9747 #thereishopeinaddiction.

Canyon Sounds concert series to present Black Oak Ensemble

The Gold Canyon Arts Council wraps up its 2022-23 Canyon Sounds concert series this month, with one of the most innovative and exciting chamber ensembles on the international stage.

Praised for their insightful performances and

fierce eloquence, the Black Oak Ensemble comes to Gold Canyon Friday night, March 24 at 7 p.m. Passionate advocates of new works, they present exciting programs from Bach to the music of today. The trio is made up of cellist David Cunliffe, violinist Desirée Ruhstrat and violist Aurélien Fort Pederzoli. "This is a threesome that often sounds like six, or like one, and makes magic, insightful, committed and masterful performances," stated Classics Today.

Their March 24 performance will be held at Gold Canyon United Methodist Church, located at 6640 S. Kings Ranch

The Bible teaches that sound financial management includes saving and giving.

The choices that believers make should align with God's will—and finances are no exception. Our heavenly Father has provided us with resources and expects us to manage them wisely. The Bible helps us understand His perspective and offers guidance in setting financial goals.

Not everyone is able to plan years and years into the future. Sometimes there are seasons we can look ahead only a month or two. But even when fi-

nances are tight, the Lord wants us to plan for the future. Otherwise, shortsighted thinking can lead to high credit card debt, overdue bills and inadequate savings.

Then there are those of us who already have a financial plan—say, for college education, medical savings or retirement—and are adhering to it. In this situation, the temptation can be to become overly protective of what we have. Luke 12:16-20 tells of a rich

man who built bigger barns for storage instead of sharing what he had—and the Lord called him a fool. We certainly don't want to be foolish in God's eyes.

Whether we have little or much, seeking God's priorities for our spending, saving and giving will help us use His money wisely. Imagine what can be accomplished when we follow His instructions for handling finances and invest our resources in His kingdom work.

Jerry Fussell to speak at Globe Christian Center

Jerry Fussell, a full-time international evangelist for over 30 years, will speak at the Globe Christian Center March 5 - 8. Sunday services will start at 10:30 a.m. and 5:30 p.m. On Monday through Wednesday, services will start at 7 p.m. Everyone is welcome. The church is at 509 E. Maple St., just north of Globe High School.

Jerry Fussell's parents divorced when he was three. When he was 12, he and his mother moved from Ohio to Tucson, where Jerry began to abuse drugs. By high school he had been kicked out of three schools.

Jerry believed in God, but "What about all those religions?" He prayed, "God, if you're real, show me."

Invited to a "Jesus rock concert," Jerry went and felt deeply touched. He even went to church a few times, but he wasn't about to give up his party lifestyle. For two months he was miserable, partying and thinking, "What if Jesus came back now? I'm not ready."

One night he finally surrendered to God. He was in church the next day, and was "filled with the Holy Ghost" in less than a week. He became a busy disciple in church, and with the passing years married a Christian girl and became an evangelist.

"There's no greater joy than to do what God has called you to do," he says. "I was born for this. I love when God ministers to

people. It's not religion; it's God, healing people of anxiety, mental problems, physical diseases, addictions....

"In the last three years, I've seen a very notable shift. First, tons of young people are being radically converted, with a real passion to be part of what God is doing. Second, people are getting healed before I can even pray for them, during prayer or during the sermon... I'm happy to pray with people, but I love to see notable, documented miracles where only God can get the credit!"

Fussell tells visitors, "I'm someone like you. I just wanted to know. Come as you are. God loves everybody."

Facing the Giants

By DR. DAN MORTON
Contributor

It seems that we are born in a competitive mood. For nine months an infant has been provided everything needed for life and we expect that to be true in our new environment. However, as one person pointed out, the first person we meet slaps us just to make us cry! What we may not remember is that we now need to fill our lungs and that very cry is of great importance.

In the Bible, we are told of the reports the spies brought back to Moses. One report was negative. "We are not able to go up against this people, for they are stronger than we." (Numbers 13:31) But there was another report. "If the

Lord is pleased with us, he will bring us into this land and give it to us, a land that flows with milk and honey." (Numbers 14:8)

It seems that we are faced daily with giants when we measure them by our standards alone. It may be at our work where there are rumors of layoffs or sale of the business and we are as unprepared as the newborn. Or it may be in seeking a college or university for preparation in a career. It is a challenge when we assess our own capabilities but don't count God out.

The story continues in Numbers 15 and the plan is laid out in detail by the Lord God. Generals have followed God's plan and success is theirs.

Revival

By ELVIN FANT SR.
Contributor

Webster defines revival as: 1. An act or instance of reviving; the state of being revived, such as a renewed attention to or interest in something, b) a new presentation or publication of something old, or c) (1) a period of renewed religious interest (2) an often highly emotional evangelistic meeting or series of meetings.

A period of renewed religious interest happens quite often in most religious circles of today. We hear the announcement from the pulpit, "We will have a Revival Meeting starting the 10th of next month, be sure to invite your friends and neighbors." Such events generally include some well-known evangelists, and many times during the two- or three-day event several attendees may receive Jesus Christ as their personal savior. This writer is not making light of these fairly routine events; however, there has been but one true revival in my lifetime and I missed it.

It was July of 1969, I'd just been discharged from the Navy and the entire world was glued to their television when Neil Armstrong stepped onto the moon and said, "One small step for man, one giant leap for mankind." The secular world was, understandably, enthralled by this momentous event. Six months later we had completed our move from the small town of San Diego, California to the metropolis of Morenci, Arizona. All of the

secular world in Morenci certainly was still basking in the man landing on the moon achievement and missed another earthshaking event that broke out on a beach in California and a college located in the small town of Wilmore, Kentucky.

The landing on the moon got its start with President John F. Kennedy. The year was 1963. Six years and millions of dollars were spent on the planning, execution and success of the project. The two spiritual events, which I missed, were spontaneous, with no church deacons and leadership meetings, no announcement from the pulpits, just the Holy Spirit showing up and filling thousands of young hearts with His Spirit.

Fast forward to Feb. 8, 2023, dateline Asbury College in Wilmore. What started out as a routine church service in the college cathedral didn't end until February 19, which is not the end of the Asbury Revival, just a relocation. Thousands of people showed up from all over the world to experience the outpouring of the Holy Spirit, overwhelming the small town of 6,000.

Fast forward to Feb. 24, 2023, the release of the movie "The Jesus Revolution" featuring the life of Greg and Catherine Laurie. Their spiritual journey started out on a California beach in 1970. You don't want to miss this great movie, which has the potential of emulating the event of February 8.

I won't miss this one.
