run the gamut from \$15.14 to \$12,320, which is the highest tax lien on the list. Please keep in mind that bidders bid on an interest rate—not on the amount of taxes on the property. The successful bid-

der becomes a silent lien holder, not the owner of the parcel and may not contact the owners or go onto the property. Successful bidders for a tax lien will need to pay cash or a cashier's check at the time of the sale. Transactions are handled by the county Treasurer's Office. Successful bidders will need to pay a non-refundable \$10 fee for each tax lien, as well as a \$10 nonrefundable taxpayer information fee and a nonrefundable \$30 recording fee on each certificate purchased. During this annual tax lien sale, Treasurer's Office staff will adhere to social distancing and health guidelines. Due to limited seating, serious bidders only please.

Biochar kiln demonstration at Young Public Library

A biochar kiln demonstration to raise awareness about making and using biochar is scheduled for Tuesday, Feb. 21, 2023 from 1 p.m. to 4 p.m. at the Young Public Library, weather and fire restrictions permitting. This in-person demonstration, which will also demonstrate biochar production using a flame-cap kiln, is free and open to the public.

Biochar are charcoal particles mixed with soil. Participants will learn about building and using a portable flame-cap kiln for making biochar. Uses

for biochar include: Hazardous fuels reduction in forests and wildland urban interface communities, and yard waste; a soil amendment for improving water retention and nutrient availability; contaminant adsorption for dairies, landfills or mining; production of bio-energy fuels including syngas and bio-oil; and direct carbon sequestration (the half-life of a biochar molecule is 1,000 years). Benefits and challenges of using biochar include: Raising awareness about biochar; creating markets; feed-stock properties and vari-

ability; and matching biochar qualities to specific applications.

Details such as burn permits, fire safety, water source, and lighting and quenching the fire will be discussed.

The demonstration will be led by University of Arizona Gila County Cooperative Extension Agent Chris Jones, and is presented by the Extension in partnership with the Young Public Library and Pleasant Valley Fire Department. For more information, contact Jones at (928) 402-8586 or ck-jones@email.arizona.edu.

Globe Public Library is hosting an after-hours game night for people 18 and up. These game nights will be held Wednesday evenings at 5 p.m. These are cooperative or competitive board games that use strategy. If you have a favorite you would like to share, bring it along. Invite your friends, bring a snack for yourself or to share, and enjoy a game night for adults.

If you love karaoke but want to be able to do it somewhere without alcohol, here is your chance. Globe Public Library is hosting a karaoke club for people 16 and up. This club meets weekly on Thursday at 7 p.m. Sing with us Thursday night.

Do you have unfinished projects you want to work on? Would you like to spend time with friends who are also working on something? Want to do a mystery craft? Crafter-

noon is the place for you. Every Friday at 3 p.m. we will have something for you. Everything from bullet journaling and card-making to painting and needlecraft, you can work on it here.

Spice of the Month is on February 16 at 5 p.m. We will be featuring Chinese Five Spice. Each month we will be introducing a spice. Each spice will have basic information (description, origin, varieties, flavor profile and nutritional facts) and one or more recipes. We will have at least one dish to sample made using that spice. Everyone who comes will then be able to pick up two tablespoons of the spice to use at home in their cooking. We do not want you to bring back the spices; they are yours to keep. There is a limit of one unit of spice per month. This will give you the abil-

ity to try a spice to see if you like it before you purchase it for yourself. Please share your experience with these spices with us. We would love to hear how it went.

Saturday, February 25 at 2 p.m. the Book Club will be discussing "The Banned Bookshop of Maggie Banks" by Shauna Robinson. Everyone should be able to pick up a book for March. If there are leftover books, they will be made available to those who did not make it to the Book Club.

The Library Committee is looking for members. If you live in the city limits and want to be part of this City Committee, ask for an application at City Hall or the Library.

Apache Leap Mining Festival celebrates a slice of Superior's history

COURTESY PHOTO/DEBBIE TORRES

The festival's mining competition is a contest of brawn, skill and strategy.

The 34th Annual Apache Leap Mining Festival takes place March 10-12, 2023 in the historic mining town of Superior, Arizona. This event is a chance to celebrate the town's rich mining history, with a focus on the past, present and future of mining in the area. Named after the red escarpment on the east side of town, this event is a favorite among locals and visitors from across the state.

One of the most popular events at the festival is the mining competition. The mining competition includes jack leg drilling, mucking, sawing and spiking. It is a competition of

brawn, skill and strategy. While the spiking, sawing and jack leg drilling are individual competitions, mucking is a team sport. Participants are timed to see how quickly they can fill an ore cart, move to one end of the course and back, and dump it. Spectators will get a glimpse of the work by miners past and present that is often unseen, and will gain a new appreciation for the miners who work to bring critical minerals to the surface. This year's competition will take place on Saturday, March 11, following the chihuahua races.

The Mining Festival includes historical presenta-

tions on the town's mining past, along with booths from local mines educating the public on their projects and the importance of mining and mineral extraction.

Mining may be the focus of this celebration, but there is something for everyone at the 2023 Apache Leap Mining Festival, including a carnival, live entertainment all weekend long, a beer garden, speakers, chihuahua races, a petting zoo on Sunday and of course a wide variety of food and retail vendors.

For more information and a schedule of events, visit: <https://apacheleap-miningfestival.com/>.

8th Annual Michael Tarango "Walk for Hope"

Hey, Globe/Miami - it's that time when we all come together and take a stand against the drug epidemic in our community. We are all affected by this horrible epidemic in one way or another. Our goal is to provide resources and education for all, and to walk in honor of those whose lives have been lost. Since this is a Globe/Miami event, we will be in Miami this year and the walk will go down through the town of Miami and up the highway. Come on out to Bullion Plaza Museum Saturday, March 11 at 11 a.m. We will have great resources, speakers, entertainment, a walk, raffle and balloon release, and great food choices! We are also taking toiletry donations for the Cobre Valley Homeless Coalition. If you have any questions, please contact Jackie Talamantes (520) 447-9747 #thereishopeinaddiction.

Today in History: Feb. 15, Jury finds Jeffrey Dahmer sane

By ASSOCIATED PRESS

Today is Wednesday, Feb. 15, the 46th day of 2023. There are 319 days left in the year.

Today's Highlight in History:

On Feb. 15, 1879, President Rutherford B. Hayes signed a bill allowing female attorneys to argue cases before the Supreme Court.

On this date:

In 1764, the site of present-day St. Louis was established by Pierre Laclede and Auguste Chouteau.

In 1898, the U.S. battleship Maine mysteriously blew up in Havana Harbor, killing more than 260 crew members and bringing the United States closer to war with Spain.

In 1933, President-elect Franklin D. Roosevelt escaped an assassination attempt in Miami that mortally wounded Chicago Mayor Anton J. Cermak; gunman Giuseppe Zangara was executed more than four weeks later.

In 1944, Allied bombers destroyed the monastery atop Monte Cassino in Italy.

In 1950, Walt Disney's animated film "Cinderella" premiered in Boston.

In 1961, 73 people, including an 18-member U.S. figure skating team en route to the World Championships in Czechoslovakia, were killed in the crash of a Sabena Airlines Boeing 707 in Belgium.

In 1965, singer Nat King

Cole, 45, died in Santa Monica, California.

In 1967, the rock band Chicago was founded by Walter Parazaider, Terry Kath, Danny Seraphine, Lee Loughnane, James Pankow and Robert Lamm; the group originally called itself The Big Thing, then Chicago Transit Authority.

In 1989, the Soviet Union announced that the last of its troops had left Afghanistan, after more than nine years of military intervention.

In 1992, a Milwaukee jury found that Jeffrey Dahmer was sane when he killed and mutilated 15 men and boys. (The decision meant that Dahmer, who had already pleaded guilty to the murders, would receive a mandatory life sentence for each count; Dahmer was beaten to death in prison in 1994.)

In 2003, millions of protesters around the world demonstrated against the prospect of a U.S. attack on Iraq.

In 2005, defrocked priest Paul Shanley was sentenced in Boston to 12 to 15 years in prison on child rape charges.

In 2020, the U.S. government said Americans who were on board a cruise ship under quarantine in Japan because of the coronavirus would be flown back home on a chartered flight, but that they would face another two-week quarantine; about 380 Americans were aboard the Diamond Princess.

Ten years ago: With a

blinding flash and a booming shock wave, a meteor blazed across Russia's western Siberian sky and exploded, injuring more than 1,000 people as it blasted out windows. Pressing his case in Chicago, the town that launched his political career, President Barack Obama called for the government to take an active, wide-ranging role in ensuring every American had a "ladder of opportunity" into the middle class.

Five years ago: The last of the bodies of the 17 victims of a school shooting in Florida were removed from the building after authorities analyzed the crime scene; 13 wounded survivors were still hospitalized. In response to the shooting, President Donald Trump, in an address to the nation, promised to "tackle the difficult issue of mental health," but avoided any mention of guns. Nikolas Cruz, the suspect in the shooting at Marjory Stoneman Douglas High School, was ordered held without bond at a brief court hearing. American Mikaela Shiffrin used a hard-charging final run to win the women's giant slalom at the Winter Olympics in South Korea.

One year ago: Russian President Vladimir Putin said he welcomed a security dialogue with the West as his military reported pulling back some of its troops near Ukraine. U.S. President Joe Biden said the U.S. had "not yet verified" Russia's claim and that an invasion still

remained a distinct possibility. (Russia would invade Ukraine five days later.) The families of nine victims of the Sandy Hook Elementary School shooting agreed to a \$73 million settlement of a lawsuit against the maker of the rifle used to kill 20 first graders and six educators in 2012.

Today's birthdays: Actor Claire Bloom is 92. Author Susan Brownmiller is 88. Songwriter Brian Holland is 82. Rock musician Mick Avory (The Kinks) is

79. Jazz musician Henry Threadgill is 79. Actor-model Marisa Berenson is 76. Actor Jane Seymour is 72. Singer Melissa Manchester is 72. Actor Lynn Whitfield is 70. Kid's Club at Globe Public Library

Globe Public Library is changing Kid's Club. We are moving it to Tuesdays at 5:30 p.m. Each week we will do something new and fun. These activities are for kids who are 6 and up.

The second Tuesday, February 14, is Game Night. The games are selected by those who come to play. We have several that the kids can choose from; card games, board games and beyond.

The third Tuesday, February 21, is Kid's Cooking. These cooking activities vary from fun and simple to the science of cooking and baking. We will be making No-Bake Sheep Grahams.

The fourth Tuesday, February 28, is the STEM Club. Come for a science adventure each month. We will be exploring engineering with tower construction and trebuchet demolition. Find out whose tower can withstand the mighty trebuchet.

If you want to help come up with ideas and plan activities, the Youth Advisory Committee is the place for you. This group is for kids 10 and up. They will meet on February 17 at noon, have lunch and make plans. Join us for lively conversation and lunch. Please RSVP to (928) 425-6111.

These programs are sponsored by the Friends of the Globe Public Library and the United Fund of Globe-Miami.

Kid's Yoga is at Globe Public Library every Friday at 10 a.m. We will be learning mindfulness and yoga. This program is designed for people 3 and up. Parents and caregivers are encouraged to come and participate. All the supplies you need will be provided.

Kid's Container Gardening Group will be learning about plants and the environment. They will learn about themselves and learn a few cooking skills in the process. We will be using the Junior Master Gardener Level 1 curriculum. This program is aimed at elementary-school-aged children, but anyone can participate. This group will plant their container gardens and maintain them. They will then harvest their crops and cook and eat what they have grown. We will be meeting Thursdays at 4 p.m. Our friend Tammy Guevara from AZ Health Zone will be leading this group.

This work is supported in part by Advancing Health Equity, Addressing Disparities (AHEAD AZ), a University of Arizona Center for Rural Health (AzCRH) program funded through the AZ Department of Health Services (Contract No: CTR056154) – US Department of Health Services, Centers for Disease Control and Prevention (CDC) National Initiative.

Health and fitness activities at Globe Public Library

Globe Public Library wants to help keep you healthy. Here are the programs we have running during February.

Globe Public Library is partnering with the AZ Health Zone through Gila County Health Department to have chair aerobics classes at Globe Public Library Tuesdays at noon.

AZ Health Zone is bringing another fun exercise class to Globe Public Library. Chair Yoga is every Wednesday night at 5 p.m. for the month of February. This class is fun for all ages.

Globe Public Library

Literary Journeys is the new name for the Walk/Run Club. We have a hybrid type of program. You can choose how you participate. We will meet in person on Mondays, Thursdays and Fridays at 5 p.m. at the Globe Public Library, or you can participate independently and record online on the Globe Public Library Walk/Run Club Facebook group. All participants must complete a waiver available from the circulation desk at the Globe Public Library or available for download on the Globe Public Library

Walk/Run Club Facebook group. The club is for all ages and abilities; an adult must accompany minors. Dogs who are friendly and get along with others are invited to participate. This time we are starting a literary journey that will run through most if not all of this year. We are marching to Mordor. Who will join our fellowship as we take the one ring to the volcano in Mordor? Pick up your log and your ring from Globe Public Library. You can join us at any time. We welcome all at your current level of fitness.

Spice of the Month is on February 16 at 5 p.m. We will be featuring Chinese Five Spice. Each month we will be introducing a spice. Each spice will have basic information (description, origin, varieties, flavor profile and nutritional facts) and one or more recipes. We will have at least one dish to sample made using that spice. Everyone who comes will then be able to pick up two tablespoons of the spice to use at home in their cooking. We do not want you to bring back the spices; they are yours to keep. There is a limit of one

unit of spice per month. This will give you the ability to try a spice to see if you like it before you purchase it for yourself. Please share your experience with these spices with us. We would love to hear how it went.

All these programs are free and brought to you through partnerships with the Friends of the Globe Public Library, the United Fund of Globe-Miami and the AZ Health Zone through the Gila County Health Department.

Kid's Yoga will be every Friday at 10 a.m. We will be learning mindfulness and

yoga. This program is designed for people 3 and up. Parents and caregivers are encouraged to come and participate. All the supplies you need will be provided. Our loving heavenly Father delights in meeting the needs of His children.

Yesterday we discussed how our prayers are a kind of worship that brings God glory. But that's not the only reason we are to pray. Bringing our concerns to God helps us grow in dependence on Him and in gratitude for His faithfulness and provisions. As a loving Father, He delights in giving good gifts that assist us in our walk with Him. And in that way, His thoughts, desires and strength become ours as well.

Prayer also enables us to participate in God's work in the world. At any given moment, you can pray for anyone anywhere on earth and have confidence that the Lord of the entire universe will hear you and respond in the most effective way possible. What a wonderful privilege it is to be used by God to expand His church and to help fellow believers.

Another reason the Lord bids us to

pray is so that our faith in Him will grow. He promises to answer when we ask, seek and knock. The result may not be in the form we expected, but our heavenly Father always gives us what is right according to His will. If you set aside time daily to talk to Him, you'll learn firsthand just how faithful He is to His children.

Relativity

BY DR. DAN MORTON
Contributor

It does not take a great thinker to come up with theories and then to think about them from all angles. One such is what I call the "Theory of Relativity." Think of the weather. In the fall of the year, as temperatures start creeping downward, 35 degrees seems a bit chilly. We begin to pull our sweatshirts and light jackets out of hiding.

During the winter months, we have been preparing to go outside and have grown accustomed to temperatures perhaps in the teens. That same 35 degrees would be welcome. I have experienced temperature extremes of 35 below in Shoshoni, Wyoming and 122 in Phoenix, Arizona. Somewhere in between is my "comfort zone."

I have noticed that that zone changes along with the season. I have also noticed that my comfort is not always another's comfort. For a couple of years, I shared an office with a young lady. Fortunately, there were two thermostats for adjusting the heat, one in each end of the room.

Like the newsroom on "WKRP in Cincinnati," we drew an imaginary line across the room at a midpoint. From this, we agreed that we each could have our comfort with no further discussion. We "lived happily ever after" and remain friends long after we have gone on with our lives.

The right attitude in prayer

COURTESY PHOTO

Because God knows best, our goal in prayer should be to align our heart with His.

Prayer is a crucial discipline for believers' spiritual growth. In fact, it's difficult to mature in Christ without it, because prayer is how we communicate with God and thereby develop a relationship with Him. Furthermore, praying is an act of spiritual worship that brings Him honor.

When we pray to our heavenly Father, we're acknowledging Him as "the high and exalted One who lives forever, whose name is Holy" (Isaiah 57:15). He alone deserves glory, and we ascribe honor to Him when we "pray without ceasing" (1 Thessalonians 5:17). Think of this as

maintaining a God-ward attitude throughout the day while seeking His wise governance over every detail of our life.

When we approach God, our motives and the condition of our heart are important. The Lord dwells both in "a high and holy place, and also with the contrite and lowly of spirit" (Isaiah 57:15). Approaching prayer as a means to get our way doesn't honor God, nor does it produce petitions that He will answer. Instead, come to the Lord in prayer with a humble, repentant attitude of worship.

Lord our God, help us find the path that we may walk with confidence because you are our Father. Banish all thoughts that try to depress us. Let your Spirit drive them away. May our hearts become quiet before you, because you, the Almighty, guide everything for the good of people on earth.

COMMUNITY

Freeport-McMoRan hosts blood drive Feb. 23

Does this month of valentines, hearts and the bold color red have you wishing for a chance to do something loving for people you'll never meet? Your donation of a pint of blood can save up to three lives. The need for donors is so great during winter months that Vitalant staff and volunteers will spend a rare day in Miami, where Freeport-McMoRan hosts a blood drive Thursday, Feb. 23. The drive will run from 8 a.m. to noon, in the Copper Room

of the Miami Operations Center at 4877 Cypress Way. Schedule your appointment conveniently online at vitalant.org (search by zip code 85501) or call 877-258-4825.

Vitalant supplies and donates blood to 62 hospitals in Arizona, and urges Globe-Miami donors to help offset a statewide critical blood shortage. How often can you give blood? Wait at least eight weeks (56 days) between donations of whole blood, or

16 weeks (112 days) between Power Red donations. Whole blood donors can donate up to six times each year. Healthy donors are welcome, regardless of vaccinated or unvaccinated status. Donors with Type O blood are especially needed because that universal type of blood is used to treat emergencies and trauma.

Questions about giving blood, or a Power Red donation? Read more at vitalant.org.

Gila Community Food Bank annual meeting

The Gila Community Food Bank will be holding their annual meeting on Monday, February 20 starting at 5:30 p.m. The meeting will be held at the Food Bank, located at 317 W. Hackney Ave. The public is invited to attend.

We would also like to take this opportunity to thank our community for all the donations you have made during this past year to help us make a difference to those who are food insecure. We are truly grateful for all that

everyone did, and a special thank you to the volunteers at the Food Bank that fill the boxes with food every day. If anyone has any questions or for more information, please come by or call 928-425-3639.
