Hannah McDaniel and Han Mellema and Athletic Director Audra Gutierrez, the teams were able to raise \$1,505 with the help of fans, parents, boosters and local businesses like: Big O Tires, Vonnie's Pizza, Highway 60 Motors, Horne Motors, Guayo's on the Trail and La Casita Downtown.

Growing mentally and physically strong at Globe Public Library

Globe Public Library is starting new programs aimed at helping our community grow mentally and physically strong. We are currently offering two programs with more to come.

Kid's Yoga is at Globe Public Library every Friday at 10 a.m. We will be learning mindfulness and yoga. This program is designed for people 3 and up. Parents and caregivers are encouraged to come and participate. All the supplies you need will be provided.

Kid's Container Garden-

ing Group will be learning about plants and the environment. They will learn about themselves and learn a few cooking skills in the process. We will be using the Junior Master Gardener Level 1 curriculum. This program is aimed at elementary-school-aged children, but anyone can participate. This group will plant their container gardens and maintain them. They will then harvest their crops and cook and eat what they have grown. We meet Thursdays at 4 p.m.

Our friend Tammy Guevara from AZ Health Zone will be leading this group.

This work is supported in part by Advancing Health Equity, Addressing Disparities (AHEAD AZ), a University of Arizona Center for Rural Health (AzCRH) program funded through the AZ Department of Health Services (Contract No: CTR056154) – US Department of Health Services, Centers for Disease Control and Prevention (CDC) National Initiative.

Freeport-McMoRan hosts blood drive Feb. 23

Does this month of valentines, hearts and the bold color red have you wishing for a chance to do something loving for people you'll never meet? Your donation of a pint of blood can save up to three lives. The need for donors is so great during winter months that Vitalant staff and volunteers will spend a rare day in Miami, where Freeport-McMoRan hosts a blood drive Thursday, Feb. 23. The drive will run from 8 a.m. to noon, in the Copper Room of the Miami Operations Center at 4877 Cypress Way. Schedule your appointment conveniently online at vitalant.org (search by zip code 85501) or call 877-258-4825.

Vitalant supplies and donates blood to 62 hospitals in Arizona, and urges Globe-Miami donors to help offset a statewide critical blood shortage. How often can you give blood? Wait at least eight weeks (56 days) between dona-

tions of whole blood, or 16 weeks (112 days) between Power Red donations. Whole blood donors can donate up to six times each year. Healthy donors are welcome, regardless of vaccinated or unvaccinated status. Donors with Type O

blood are especially needed because that universal type of blood is used to treat emergencies and trauma.

Questions about giving blood, or a Power Red donation? Read more at vitalant.org.

There is something for everyone.

Among the honors received by The Fitzgeralds

are three Canadian Grandmaster Fiddle Championships and an Ontario Step Dance Championship. Fellow Canadian fiddler Natalie MacMaster said of them, "Together they are a beautiful blend of gorgeous fiddle music and top-rate, absolutely exhilarating dance routines."

Gila County will hold its 2023 tax lien sale on Wednesday, Feb. 22 at the Gila County Courthouse, 1400 E. Ash St., Globe. Doors open at 8 a.m. and bidders may register in person until 8:45 a.m. The auction will begin promptly at 9 a.m.

The sale takes about three hours, which includes time to answer questions as well as for bidders to complete various forms. Each bidder is required to complete and sign a 2023 W-9 form prior to the sale and a bidder form, which can be found on the Treasurer's Office page of the county website, gilacountyaz.gov/government/treasurer. Click on "Tax Lien Information/FAQ" on the lefthand side of the page. Bidders may also pre-register by returning the completed forms to Vise Palmer at vpalmer@gilacountyaz.gov.

The complete list of tax liens is published on the

Treasurer's page of the county website, gilacountyaz.gov/government/treasurer, in Gila County's authorized publication and in the classified ad section of www.ananews.com. With about 800 parcels, a higher number is listed this year as, normally, by the auction date there are about 500 to offer. Parcels on the block can be found across the county and run the gamut from \$15.14 to \$12,320, which is the highest tax lien on the list.

Please keep in mind that bidders bid on an interest rate—not on the amount of taxes on the property. The successful bidder becomes a silent lien holder, not the owner of the parcel and may not contact the owners or

go onto the property. Successful bidders for a tax lien will need to pay cash or a cashier's check at the time of the sale. Transactions are handled by the county Treasurer's Office. Successful bidders will need to pay a nonrefundable \$10 fee for each tax lien, as well as a \$10 nonrefundable taxpayer information fee and a nonrefundable \$30 recording fee on each certificate purchased. During this annual tax lien sale, Treasurer's Office staff will adhere to social distancing and health guidelines. Due to limited seating, serious bidders only please.

8th Annual Michael Tarango "Walk for Hope"

Globe Rotary presents 8th annual Dominion Royale Feb. 25

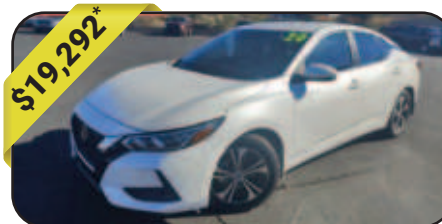

Hey, Globe/Miami – it's that time when we all come together and take a stand against the drug epidemic in our community. We are all affected by this horrible epidemic in one way or another. Our goal is to provide resources and education for all, and to walk in honor of those whose lives have been lost. Since this is a Globe/Miami event, we will be in Miami this year and the walk will go down through the town of Miami and up the highway. Come on out to Bullion Plaza Museum Saturday, March 11 at 11 a.m. We will have great resources, speakers, entertainment, a walk, raffle and balloon release, and great food choices! We are also taking toiletry donations for the Cobre Valley Homeless Coalition. If you have any questions, please contact Jackie Talamantes (520) 447-9747 #thereishopeinaddiction.

On Saturday evening, February 25 the Globe Rotary Club is presenting their 8th annual Dominion Royale, at the Cobre Valley Regional Medical Center, Dairy Queen, Center for the Arts. Kid's Club at Globe Public Library

Globe Public Library is changing Kid's Club. We are moving it to Tuesdays at 5:30 p.m. Each week we will do something new and fun. These activities are for kids who are 6 and up.

The fourth Tuesday, February 28, is the STEM Club. Come for a science adventure each month. We will be exploring engineering with tower construction and trebuchet demolition. Find out whose tower can withstand the mighty trebuchet.

The first Tuesday, March

7, is Karaoke, if you just want to sing and have a good time.

The second Tuesday, March 14, is Game Night. The games are selected by those who come to play. We have several that the kids can choose from; card games, board games and beyond.

The third Tuesday, March 21, is Kid's Cooking. These cooking activities vary from fun and simple to the science of cooking and baking. We will be making No-Bake Sheep

Grahams.

The fourth Tuesday, March 28, is the STEM Club. Come for a science adventure each month. We will be exploring the properties of Oobleck.

If you want to help come up with ideas and plan activities, the Youth Advisory Committee is the place for you. This group is for kids 10 and up. They meet on March 17 at noon, have lunch and make plans. Join us for lively conversation and lunch. Please RSVP to (928) 425-6111.

These programs are sponsored by the Friends of the Globe Public Library and the United Fund of Globe-Miami.

Kid's Yoga is at Globe Public Library every Friday at 10 a.m. We will be learning mindfulness and yoga. This program is designed for people 3 and up. Parents and caregivers are encouraged to come and participate. All the supplies you need will be provided.

Kid's Container Gardening Group will be learning

about plants and the environment. They will learn about themselves and learn a few cooking skills in the process. We will be using the Junior Master Gardener Level 1 curriculum. This program is aimed at elementary-school-aged children, but anyone can participate. This group will plant their container gardens and maintain them. They will then harvest their crops and cook and eat what they have grown. We will be meeting Thursdays at 4 p.m. Our friend

Tammy Guevara from AZ Health Zone will be leading this group.

This work is supported in part by Advancing Health Equity, Addressing Disparities (AHEAD AZ), a University of Arizona Center for Rural Health (AzCRH) program funded through the AZ Department of Health Services (Contract No: CTR056154) – US Department of Health Services, Centers for Disease Control and Prevention (CDC) National Initiative.

Believers who rely on Jesus can face life's challenges with boldness.

Paul was a confident man. Before his salvation, the apostle's self-assured attitude came from trusting in his credentials, background, education and position. However, his encounter with the Lord led him to realize these things were of little worth (Phil. 3:4-8). So, what was *then* the source of his boldness?

Paul's relationship with Jesus formed the new foundation for his very existence (vv. 8-10). He not only recognized the inadequacy of everything he had

previously relied upon—his knowledge, achievement and authority; he also relinquished any notion of living independently of the Lord. The apostle lived his life through reliance upon God (Galatians 2:20).

Because of Paul's unwavering trust in the Lord, he believed God's promises to strengthen and equip him, guide him in every situation, meet all his needs and never leave him. Paul took the Lord at His word and was empowered to meet

adversity with boldness. His confidence was not in himself but in God's presence, provision and power; therefore, it remained strong.

Do you see why we can be confident followers of Christ? It isn't who we are, what we believe about ourselves, or what strengths and abilities we have that matter. Developing a wholehearted trust and reliance on Jesus is what brings about confidence. How much do you trust Him?

Where to?

BY DR. DAN MORTON
Contributor

Years ago a Cajun cook/comedian, Justin Wilson, told the story of a stranger approaching a young boy on a street corner hoping to get directions. The man asked, "If I continue straight ahead, where will that take me?" The lad responded, "Mister, I do not know." The man then asked, "If I turn left, where will I go?" The response was again, "I do not know." Curious, the question was, "If I go right, where does that lead?" Unperturbed, the boy said, "Honestly, Mister, I have no idea."

Finally the stranger said, "If I turn around and go right back where I came from, where will that be?" The boy, feeling a bit ashamed, told the man, "I wish I knew, but I have no idea." In a bit of frustration, the stranger remarked, "You don't know much, do you, son?" The boy was quick to respond, "No, I don't. But I'm not lost either."

I keep notes on my cellphone as to appointments for each day. It is up to me to make sense of the abbreviations and how to follow through. It also means I have to keep that posting current with changes that come about. From this I calculate travel time and route allowing for traffic, road work or other possible delays. Unlike the young boy, I know where I am and how to get to where I am going.

Have you planned your final trip?

Salvation: An ongoing blessing

COURTESY PHOTO

Our lives are transformed when we make a daily choice to follow the leading of the Holy Spirit.

Some people think of salvation as a single point in time. And it's true that the moment trust is placed in Jesus, a person permanently becomes a member of God's family. But limiting the definition to that single faith decision gives an incomplete picture.

Salvation includes three parts: 1) justification—the moment our sins are forgiven and Christ's perfect righteousness is imputed to us; 2) sanctification—the process of becoming increasingly righteous in this life; and 3) glorification—the completion of the process, when we're made perfectly sinless at the resurrection.

It's a package deal. Those who are justified are being sanctified

and will be glorified (Romans 8:29-30). We can't claim we're saved if sanctification isn't happening in our lives. The degree of godliness and fruitfulness varies with each individual, but God has promised to complete the good work He began in our life (Philippians 1:6).

Jesus is our Master because He purchased us from sin with His blood. And Romans 10:9 says we must confess Him as Lord in order to be saved. The question is whether you're submitting to His process of sanctification. Has your life changed since you first professed Christ? Are you diligently cooperating with the Holy Spirit so that your life reflects Jesus' image?

God of creation, thank you for the beauty of winter- for snow, icy window panes, evergreen trees, warm coats, sledding, and hot cocoa. Let us enjoy Your creation in all its glory, this winter and always.
