## Connie's Bridge project underway

Work has begun on a project to replace the Upper Pinal Creek Bridge (aka Connie's Bridge), after the City of Globe awarded a contract to Meridian Construction Company, a Tucson-based firm, on November 22.

Meridian started bringing equipment to the site and other preparatory work as well as utility coordination and relocation, beginning with potholing on December 20. The project site will soon be fenced for the safety of work crews and the public. Meridian crews started setting up traffic control, followed by removals and underground water-

# EAC Gila Pueblo Campus welcomes new art instructor

GLOBE - This spring the Gila Pueblo Campus of Eastern Arizona College is welcoming a new instructor, who will lead a new evening class, to its arts program.

A specialist in silver who grew up in Globe, artist Tracey Goins is returning home to teach a quartet of courses: Jewelry Making I and II (ART 173, 174), and Stained Glass I and II (ART 122, 123). Goins, once an EAC Gila Pueblo student (he calls the campus his "alma mater"), makes his own silver clay and has worked in stained glass

over the years. His experience includes stints with Jared Jewelry and a shop in Alaska. Along with leading classes this spring, Goins is developing his own jewelry line. He said he is "decently along" in this endeavor, producing 1-3 pieces a day, and hopes to build up enough to start selling through an online retailer.

The four courses will be Goins' first teaching experience. "I want to make sure I provide a good learning environment and a good experience for the students," he said. They will also be the first evening jewelry

classes at Gila Pueblo, in what he described as a trial run; the jewelry making classes are on Tuesday and Wednesday from 5:20 - 8:20 p.m.

EAC Gila Pueblo Campus Spring 2023 Semester begins Jan. 17, 2023. Financial aid is available for students who qualify. EAC offers a tuition waiver for students 55+ who have lived in Arizona for over a year. For more information on how to register, call the EAC Gila Pueblo Campus Administration Office at (928) 425-8481.

## Free admission to state parks for Arizona residents on Martin Luther King Jr. Day

Get out and explore the great outdoors over the upcoming three-day weekend. Once again, Arizona State Parks and Trails will offer free admission to all Arizona residents on Monday, January 16 for Martin Luther King, Jr. Day.

Entrance fees at the more than 30 state parks and natural areas will be waived for all Arizona residents on Jan. 16. Visitors must show an Arizona ID for free entrance. Fees will still apply at Yuma Territorial Prison State Historical Park, tours at Kartchner Caverns State Park and Riordan Mansion State Historic Park, camping, special events and concessions.

"Arizona's amazing parks and outdoor spaces are the perfect way to spend a long weekend," said Bob Broscheid, executive director of Arizona State Parks and Trails. "Admission is free for all Arizona residents in honor of the holiday. I encourage people to explore and enjoy the diversity, beauty and fantastic weather their home state offers."

There are plenty of ways to enjoy a week or a weekend in the parks. Check out the pre-planned road trips, make a camping reservation, then hit the road. There are opportunities to hike, fish, camp, boat or learn about Arizona's history.

## Health and fitness activities at Globe Public Library

Globe Public Library wants to help keep you healthy. Here are the programs we have running during January. We have ways to help you keep those New Year's resolutions going.

Globe Public Library is partnering with the AZ Health Zone through Gila County Health Department to have chair aerobics classes at Globe Public Library Tuesdays at noon.

Globe Public Library Literary Journeys is the new name for the Walk/Run Club. We have a hybrid type of program. You can choose how you participate. We will meet in

person on Mondays, Thursdays and Fridays at 5 p.m. at the Globe Public Library, or you can participate independently and record online on the Globe Public Library Walk-Run Club Facebook group. All participants must complete a waiver available from the circulation desk at the Globe Public Library or available for download on the Globe Public Library Walk-Run Club Facebook group. The club is for all ages and abilities; an adult must accompany minors. Dogs who are friendly and get along with others are invited to participate. This time we are starting a lit-

erary journey that will run through most if not all of this year. We are marching to Mordor. Who will join our fellowship as we take the one ring to the volcano in Mordor? Pick up your log and your ring from Globe Public Library. You can join us at any time. We welcome all at your current level of fitness.

To add to the fun, AZ Health Zone is also doing their 30 Miles in 30 Days Challenge. We know you can do it. Drop by the Globe Public Library or the Health Department to pick up your log. More details to follow.

All these programs are

free and brought to you through partnerships with the Friends of the Globe Public Library, the United Fund of Globe-Miami and the AZ Health Zone through the Gila County Health Department.

*Facing danger with the Lord is always better than seeking safety apart from Him.*

Do you like playing it safe, or are you more adventurous in your choices? Many Christians don't like risk because the outcome is uncertain and may involve loss or other unwanted results. From a human viewpoint, eliminating potential harm makes sense. But for Christians, uncertainty is part of walking by faith. There are times when obedience may seem risky to us, but from God's perspective there's no danger

since He controls all things and never fails to accomplish His purposes.

The Bible tells of real people who obeyed the Lord in unpredictable situations. One of them is Ananias, a disciple sent by God to minister to the newly converted Saul. Ananias risked his life by visiting this notorious opponent of Christianity. Saul, too, lived with risk after his conversion, facing peril almost every day of his life as he

obediently preached the same gospel that he'd previously opposed. By focusing on God, His character and His promises, both of these men obeyed despite uncertainty and were used greatly by the Lord.

Where is God calling you to trust Him? Remember, each time you face risk it's an opportunity to experience His faithfulness firsthand.

# Why Church?

By DR. DAN MORTON

Contributor

If you were to ask ten people why they are in church today, you might get eight widely varied answers. At least twenty percent have no idea and have never given it any thought. I asked an electrician doing work at the office why he was a Christian. He had displayed a pleasant attitude about his task and it seemed he must be a "Believer."

Feeling safe in telling his story, he "opened up." His life had been going along when his job came to an end. This is a hard blow to any man, for he is most often identified by his work. Shortly after this, his wife left him and he felt unloved. As he explained, "One day I was lying on my back, complaining, and I saw God looking back at me."

Following the urging of God, he returned to the church he had attended as a youngster. This time he listened to the message, the songs, and felt he was loved after all. A change was happening in him and he knew where it began.

B. J. Mathias wrote, "Sometimes we have moments when we are overwhelmed by the storms that come our way. We can feel isolated, broken and certain that no one understands our pain. But when we are lovingly surrounded by the family of God, their strength enfolds us, their faith upholds us and their love embraces our hurting heart."

With God's help we can weather the storms.

# A Daily Prayer for Protection

*Lord God, I pray for Your protection as I begin this day. You are my hiding place, and under Your wings I can always find refuge. Protect me from trouble wherever I go, and keep evil far from me. No matter where I am, I will look to You as my Protector, the One Who fights for me every day. Your love and faithfulness, along with Your goodness and mercy, surround me daily, so I will not fear whatever might come against me. My trust is in You, God, and I give thanks to You for Your love and protection. In Jesus' name, Amen.*

## We Have a Trustworthy Guide

*Jesus will lead us through life's joys and sorrows—and into eternity.*

COURTESY PHOTO

In my office is a print of the Lord Jesus standing behind a young man and pointing ahead. Jesus' hand is on the man's shoulder, and I imagine Him saying, "This is the way we're going. I'll get you to the destination." Although the road will be marked with both joy and suffering, the Lord leads His followers all the way to their eternal home.

It takes honesty to admit that we're ill-equipped to go through life alone—in our own strength, limited knowledge, and human reasoning, we simply cannot be sure our decisions are wise. Thankfully, the Lord is willing and

able to guide us if we'll let Him. To fall in step with God, follow His lead by regularly spending time in His Word and applying biblical principles in your life.

For those of us who follow the Lord, eternity in heaven lies just beyond our last heartbeat. And that's where our Savior is leading us. The path may not be clear to our eyes, but Jesus is guiding us there with a steady and sure hand. Our part is to follow in obedience so that when we reach heaven, we'll hear the Father say, "Well done" (Matthew 25:21).

***Let us release the bitterness and frustrations of the past year. Let us move into the next year knowing that God loves us and wants the best for us. Let's pray that the new year will be focused on healing ourselves through repentance and renewing our minds. We were not meant to do life alone!***

## Activities for adults at Globe Public Library

Globe Public Library is hosting an after-hours game night for people 18 years old and up. These game nights will be held Wednesday evenings at 5 p.m. These are cooperative or competitive board games that use strategy. If you have a favorite you would like to share, bring it along. In-

vite your friends, bring a snack for yourself or to share, and enjoy a game night for adults.

If you love karaoke but want to be able to do it somewhere without alcohol, here is your chance. Globe Public Library is hosting a karaoke club for people 16 and up. This club meets weekly on Thursday at 7 p.m. Sing with us Thursday night.

Do you have unfinished projects you want to work on? Would you like to spend time with friends who are also working on something? Want to do a

mystery craft? Craft-ernoon is the place for you. Every Friday at 3 p.m. we will have something for you. Everything from bullet journaling and card-making to painting and needlecraft, you can work on it here.

A new program coming to Globe Public Library is Spice of the Month. Our first session will be January 19 at 5 p.m. We will be featuring allspice. Each month we will be introducing a spice. Each spice will have basic information (description, origin, varieties, flavor profile and nutritional facts) and one

or more recipes. We will have at least one dish to sample made using that spice. Everyone who comes will then be able to pick up two tablespoons of the spice to use at home in their own cooking. This will grow a spice collection at the library that will be circulated. We do not want you to bring back the spices; two tablespoons will be given at circulation and they are yours to keep. There will be a limit of one unit of spice per month. This will give you the ability to try a spice to see if you like it before you purchase it for

yourself. Please share your experience with these spices with us. We would love to hear how it went.

Saturday, January 28 at 2 p.m., the Book Club will be discussing "The Witches of Moonshyne Manor" by Bianca Marais. We will give those in attendance the February book. Everyone should be able to pick up a book. If there are leftover books, they will be made available to those who did not make it to the Book Club.
