Let's fill Jan. 6 blood drive

Could there possibly be a more direct and personal way to help others? More than a dozen healthy donors are needed for our community's next blood drive at the Globe-Miami Elks lodge near Denny's Jan. 6 (Friday) from 10 a.m. to 3 p.m. Call 1-800-RED-CROSS to reserve one of the appointments, or pick your choice of times and schedule yourself conveniently online at redcrossblood.org. All healthy donors are welcome, and giving blood is safe. Pre-arranged appointments are required in order to help Red Cross staff and Elks Lodge volunteers sched-

ule the most efficient drive day possible. Type-O blood is especially needed. Type-O is often used in trauma situations, especially Type-O negative, which can be transfused with any blood type.

Appointments are also available for 'Power Red' donations, which allow you to safely donate two units of red blood cells during one donation. Blood is drawn from one arm by a machine that separates and collects two units of red cells, then safely returns the remaining blood components, along with some saline, back to you through the same arm - and just one needle jab is

required. A Power Red donation takes approximately 30 minutes longer than a whole blood donation, so plan on about 35-45 minutes in the chair and you're limited to donating approximately once every four months.

How often can you give blood? According to the Red Cross, "Wait at least eight weeks (56 days) between donations of whole blood, or 16 weeks (112 days) between Power Red donations. Whole blood donors can donate up to 6 times a year."

If you're ineligible during January, please sign up for the next blood drive Feb. 3, also from 10 a.m. to 3 p.m.

Analda H. Baeza

Our loving mother Analda H. Baeza is whole again and no longer in pain as she is riding horses, running, and laughing with all her family and friends in Heaven. At an amazing 94 years young she passed away peacefully in her home surrounded by family, serenaded by her sons on Sunday night, Dec. 11, 2022, in Miami, AZ. Our mom was born on Jan. 22, 1928 to Baudilio A. & Maria Jesusita M. Hernandez on a ranch near the Rio Grande in Presidio, TX. She was the oldest of six children. Analda loved to sketch, draw up plans for remodeling and gardening. She was an excellent self-taught seamstress and even made her own patterns. She also loved to crochet afghans for family and cook deli-

cious meals; and she could stretch food for days, back in those strike days with the mine. She loved to harmonize with our Dad and visit with family. She especially loved to visit with the grandkids and great-grandkids.

Mom, we thank you so much for your unconditional love, wisdom and stellar example of perseverance. We can go on and on about you, Mom. We are so

blessed, and we are going to miss you so so much!

She is survived by her husband of 74 years, Ramon R. Baeza; her four children Sylvia B. Casillas, Ray Baeza (Dorothy), Robert Baeza (Annemarie) and Melinda B. Noble; grandchildren Daren, Dionne, Elena (Luke), Cristen, Beth (Bryce), Jonathan (Deborah), Ashley (Trent), Breanna (Brandon) and Brandon; great-grandchildren Joseph, Matthew, Isaiah, Ethan, Tayler, Maudi, Aliana, Amaya, Isaac, Jeremiah, Darius, Spencer and a baby great-grand on the way. Our Mom was preceded in death by her parents Baudilio and Maria Jesusita, her stepmother Lilia, and her siblings Toni, Lilo, Sylvia, Baudilio and Abel. Until we meet again.

Lawrence Michael Alonzo

After a difficult and courageous fight against pancreatic cancer, Lawrence Michael Alonzo passed away at the age of 57 on Nov. 12, 2022.

Lawrence was born in Miami, AZ to Larry and Sally Alonzo. "Bear" had a great childhood in his small beloved hometown, growing up with his sister Kimmy and all their cousins (there were a lot of them!). Living next door to his grandparents and aunt set the foundation for his love of family. Lawrence graduated from Miami High School, played football at Arizona Western and spent a short time at U of A (please don't ask!) before enlisting in the Army. He was a Staff Sergeant in Military Intelligence and fought in Desert Storm. After leaving the military, he went back to school and received his business degree from Faulkner University. Lawrence started his long cyber-security career as an engineer and then moved into sales. During his career at Blood Systems, he was nominated for an award from the Smithsonian in

DC. He did not win, but he was extremely honored.

In his personal life, Lawrence was married for 34 years to Heather Alonzo. They share three children: Devon, Zachary and Isaiah. He created and ran the Arizona Sting Basketball Club for 20 years. Lawrence coached his children, as well as other teams within the organization that quickly became our Sting family. He helped countless young student-athletes develop and play high school and college basketball; some even went on to the NBA. Upon walking away from coaching he got involved in the Fortinet Veterans Group and he supported STEM programs. The Veterans Heritage Project was

one of his passions. His Desert Storm story was written by VHP founder Barbara and published in a book that we will cherish forever.

Lawrence was a devoted and loving husband, father, grandfather, son, brother, nephew, cousin, friend and co-worker. He was full of life and spent his short time with us trying to make his small part of the world better for others. His big infectious personality, characterized by his love of family, friends and life, as well as his extremely funny and highly inappropriate sense of humor, are what we draw upon in our grief to bring a smile to our faces.

Lawrence is preceded in death by his sister Lisa. He is survived by his wife Heather, his children Devon, Zachary and Isaiah, son-in-law Hyrum and granddaughter Olive, his parents Larry and Sally, his sister Kimberly and brother-in-law Steve, nephew Nate and niece Halle.

Robert Joseph Cruse

Robert Joseph Cruse, age 62, of Globe, Arizona, passed away on Dec. 11, 2022 at Cobre Valley Regional Medical Center in Globe.

He was born in Louisville, Kentucky on Oct. 15, 1960.

He is survived by his father Joseph A. Cruse; his brother Donald B. Cruse; his sister Pamela J. Ca-

nephews Dana Cruse, Sam Cruse, Trip Cahouet and Ryan Cahouet.

Robert was preceded in death by his mother Doris J. Cruse.

A private service will be held at Queen of Heaven Cemetery Catholic Cemetery in Hillside, Illinois.

Assisting the family; Lamont Mortuary of Globe.

OBITUARIES

Henrietta Salas Gomez

It is with heartfelt sadness that we share the passing of Henrietta Salas Gomez. Henrietta was born on Nov. 28, 1928 in Globe, Arizona. She passed from this life on Dec. 12, 2022 in Tucson, Arizona after a short illness. Preceding Henrietta in passing were her husband Mike, her son Johnnie, her son-in-law Rene and her grandson John Michael. Henrietta is survived by three children, 11 grandchildren, 35 great-grandchildren and 24 great-great-grandchildren.

Henrietta was raised by her parents Manuela and Mauro Salas in Ruiz Canyon. While an only child, she shared her childhood years with many cousins and friends.

After graduating from Globe High School Henrietta met and married her life partner Mike Gomez in 1947. Together they had four children, Yolanda (Rene) Velasco, John, Stella (Don) Manspeaker and Thomas (Carol).

Mike and Henrietta did their best to provide for their family during the many ups and downs of life in a copper town, often providing help to their children and grandchildren during times of need.

Henrietta was also active in the community as a mem-

ber of the VFW Women's Auxiliary and American Legion.

She will always be remembered for her great sense of humor, funny stories and ability to see beauty in the simple things of life. Granny Goose, as she was known by her grandchildren and great-grandchildren, will be deeply missed and warmly remembered.

She now rests in the hands of our Lord waiting to be reunited with us again.

A Mass of Christian burial will be held on Thursday, December 29 at Our Lady of the Blessed Sacrament Catholic Church in Miami, Arizona. Viewing will be held at 9 a.m., Rosary at 9:30 and Mass at 10 a.m. Interment will follow at Mountain Breeze Cemetery. Reception to follow at the church. In lieu of flowers, please send donations to Our Lady of the Blessed Sacrament Catholic Church in Miami.

The Kings of the East Seek the King of the World

Skies smitten, gross darkness,
In the days of King Herod.
The Chaldeans, an ancient order
Of astrologers survey the skies
Each night, peering into the future.
Thrilled to discern a giant
Mysterious star ascending in Virgo.
Daniel's prophecies buried in their
Memories, spoke to them, "A virgin
Will bring forth a WORLD KING."

Starlight! Starbright,
Guide us to this King of LIFE.
With multitude of camels and men,
Determined to follow this new born star;
Traversed the Silk Road toward Judea.
Like a lantern ever brighter,
Stretched its light across
Miles and miles of rippled sand,
Passed nearby Roman garrisons;
These astute Chaldeans fastened
Their eyes upon the great lantern in the sky.

As they stood upon the stony mountaintop,
Saw the fires in the village,
Saw the great star descending;
A high banner over Bethlehem.
Holding fast their star charts,
They gazed upon the sight.

In the silence of the night, a band
Of shepherds watched their flocks.
Through the boundless vale of darkness,
Burst forth a glorious light.
As the light overpowered them,
Fear bloomed in the shepherds' hearts.
An angel spoke, "Fear not!

For unto you is born this day
In Bethlehem a SAVIOR!"
"Let us go!" "Let us see!"

From the village came a priest
Inquiring, "Whom seeketh thou?"
"We seek the King of the Jews!"
"There is no King here!"
"Oh! Sir, do you not see
The star, majestic?" And the
Prophecies of antiquity bid us here!"

The Kings of the East found
The divine child in the manger.
With spiritual wonder and joy,
The multitude fell on their knees
Worshiping in reverent love
The divine child, KING of the Jews.
The Kings brought earthly gifts:
Great amount of gold, great
Amount of frankincense and myrrh.
The KING of HEAVEN brought heavenly gifts:
Great amount of LOVE, great amount of
SALVATION, great amount of GRACE.

The villagers, the shepherds, the Kings
Prone to watch the vivid glow of the star,
Heard angelic voices sing endearing hymns,
T'was a night of PEACE
That passes all understanding.

The PRINCE of PEACE is born.
GOD'S GLORY is born.

Arizona Mining Association awards Resolution Copper 2022 SPADE Award

SUPERIOR, AZ - The Arizona Mining Association (AMA) awarded Resolution Copper the 2022 Sustainability, Preservation and Diversity in the Environment (SPADE) Award for Public Education. The prestigious award recognizes mining companies that have led, financed or hosted public education efforts for habitat preservation and enhancement or species protection and restoration.

"Over the past several years, AMA members have increased their efforts in safety practices and environmental protection, thereby raising the standard for SPADE excellence," said Arizona Mining Association Executive Director Steve Trussell. "AMA is honored to present the SPADE Award to Resolution Copper for their partnership with the US Forest Service, NAU and Western Apache Tribes in restoring the Emory oak that will nourish Native American

Communities for future generations."

Resolution Copper began a multiyear partnership with the Tonto and Coconino National Forests (TNF and CNF), Northern Arizona University (NAU) and Apache Tribes in Arizona to create the Emory Oak Collaborative Tribal Restoration Initiative in response to concerns voiced by Western Apache Tribal elders that the health of Emory oak groves is declining, with fewer and fewer acorns produced each year across Arizona.

The Emory oak is a culturally significant tree to the Western Apache people. The acorns provide a traditional food source in addition to other cultural and ceremonial uses. In recent years, drought, fire suppression, livestock over-grazing, species competition and climate change have circumvented the growth of new Emory oak seedlings and the production of acorns. The

Emory Oak project partners with the Yavapai-Apache Nation, Tonto Apache Tribe and White Mountain Apache Tribe (WMAT), with assistance from San Carlos Apache Tribal elders, to research the protection and restoration of Emory oak groves across Arizona.

A fundamental component of the program involves transferring traditional ecological knowledge from elders to youth through education and collaboration. The Emory Oak project has sponsored multiple public education efforts, from planting Emory oak saplings to training, outreach, and developing research papers and presentations. The program also aims to create a record of the traditional ecological knowledge used to manage the Emory oak ecosystems so younger generations can access it in the years ahead.

"We are grateful for the collaborative partnership

between the US Forest Service, NAU and Western Apache Tribal elders," said Victoria Peacey, Acting Project Director, Resolution Copper. "Indigenous traditional ecological knowledge has guided every aspect of this work, from identifying priority Emory oak groves to implementing best practices on the ground to preserve a critical aspect of Western Apache culture. By acknowledging, respecting and listening to the voice of Western Apache Tribal elders, mining companies can play a role in preserving this important species."

Give the gift of time to a child placed in foster care

For the more than 11,500 children and youth in Arizona's foster care system, this holiday season, like many others, is a reminder of what is missing.

This holiday season, consider giving the gift of your time to a child from Gila County who has been placed in foster care.

The Court Appointed Special Advocates (CASA) Program is an opportunity where you can make a dif-

ference by volunteering for 10-15 hours a month. Studies show that a child with a CASA volunteer is more likely to find a safe, permanent home, more likely to succeed in school and half as likely to re-enter the foster care system.

If you find it in your heart this holiday season, this is an invitation to join CASA of Gila County, in whatever capacity you can. Not a single one of us has the power to change these children's past— what they have seen, what they have suffered.

Every one of us has the power to change their future. All it takes is the heart to do so.

Court Appointed Special Advocate (CASA) volunteers are everyday community members who donate their time to be the voice for a child. CASA volunteers are the eyes and ears of the judge in the community. No specific experience is needed to become a CASA volunteer. Anyone 21 years of age or older, who can pass a thorough background check and complete 30 hours of free training, is encouraged to apply. For more information, visit www.CASAofGilaCounty.org or call 928-402-4427. Follow us on Facebook at <https://www.facebook.com/gilacountycasa>.

MERRY CHRISTMAS From all of us at

La Casita Cafe

A group of approximately 15 staff members are posed for a group photo in front of the entrance to La Casita Cafe. The building has a stone facade with three arched doorways. A green awning with the cafe's name is above the entrance. The photo is framed by a decorative border of pine branches, silver and blue ornaments, and pinecones.

CHRISTMAS GREETINGS

When did Christmas lights become so popular?

Holiday lights are now everywhere come the holiday season. Private homeowners tend to hang the

holiday lights outside their homes around Thanksgiving weekend and keep them up through New Year's Day. Though it might seem like a tradition without a

deep history, decorating a Christmas tree with electric lights can be traced all the way back to the nineteenth century. In 1882, Edward Johnson, who was a friend

and colleague of the man who invented light bulbs, Thomas Edison, replaced candles, which had traditionally been used to briefly light Christmas trees, with

light bulbs. But at the time of Johnson's innovation, the high cost and relative infancy of light bulbs ensured the idea did not catch on. And though United States President Grover Cleveland used electric lights to illuminate a Christmas tree in the White House in 1895, it would be another eight years before General Electric would begin selling Christmas light kits. Those kits cost \$12 in 1903, which equates to several hundred dollars today. The first outdoor Christmas light shows started to become popular in the 1920s, and this is the same time when commercial sales of Christmas lights picked up. In the 1960s, GE's decision to begin manufacturing Christmas lights overseas helped reduce the price of outdoor lights even further, thus paving the way for the tradition of decorating home exteriors with string lights during the holiday season to take a firm hold. And that tradition remains wildly popular today.

Disobeying God leads to suffering, but following Him brings good into our life.

Do you ever feel that God's commands are restrictive and oppressive? This is a common attitude in our culture, but it's not one that believers should have. Our heavenly Father's commands are for our good. They train us in righteousness and protect us from sin. Contrary to the view that God's law hinders happiness, obedience to Him is actually the source of great pleasure and contentment.

Defying God's authority in any area of our life gives Satan an opportunity to wreak spiritual havoc (Ephesians 4:27). And, as Galatians 6:7 tells us, rebellion against the Lord is always costly. In fact, the harsh truth is that we don't merely reap what we sow but often reap more than we sow and later than we sow.

None of us want to find ourselves standing in a field of thorny weeds that we caused to grow. Remember, it's nev-

er too late to start planting righteous seed. And the same principle applies: If we'll sow to the Spirit rather than to the flesh, we'll reap His fruit and eternal life.

As the Sovereign of the universe, our loving Father has our best in mind. Realizing that, wise men and women love His Word and make every effort to do what it says (Psalm 119:9).

With the advent of freeways a few years ago, cross country travel became a reality. It was now possible to drive from California to Maine, Washington state to the tip of Florida. Restaurants, motels, show spots for “the largest Gila Monster” sprouted up and were hungry for business.

Some may remember the Burma Shave signs, a series of five signs with a rhyming jingle that delivered a message as you drove along at fifty-five miles per hour. Games developed for bored passengers seeking each letter of the alphabet, hoping for Quaker State oil or Texaco to finalize their search.

In Bible times there were signs of God’s intervention in what mankind was doing and these were more of a physical event. Isaiah 7:11 tells us of a request for a sign: “Ask the Lord your God for a sign, whether in the deepest depths or in the highest heights, but Ahaz said, ‘I will not ask; I will not put the Lord to the test.’”

God offered signs when He had something to convey. In Matthew 1:20, He recognized Joseph’s concern about Mary’s being pregnant and God sent an angel as a sign. “Joseph son of David, do not be afraid to take Mary home as your wife, because what is conceived in her is from the Holy Spirit.”

The problem we face today is one of discerning what may be a message from God. Studying the Scriptures can provide that help.

Divine Grace Christmas Eve Candlelight Service

COURTESY PHOTO

The community is invited to a service of lessons and carols on Christmas Eve, beginning at 6 p.m., in the upstairs sanctuary. The church is located at 305 W. Live Oak St. in Miami. Parking is available on the street if you can use the stairs, or in the east parking lot adjacent to the church, where a small elevator is available next to the downstairs door. It is wheelchair accessible.

Come and join us as we celebrate the birth of Jesus Christ, Savior, Lord and Messiah, and begin the start of the Christmas season!

“We are healed – by your stripes we are healed”

By **MONICA NUNEZ**

Contributor

Jesus received the most iconic tortures in His time. The Roman, Latin word flagrum (which means a rope with metal balls, bones, metal spikes) with which they flogged Jesus 39 times gave Him body marks/stripes. Each of the 39 strokes took care of sickness and disease.

The Bible affirms this fact this way, “by His stripes we are healed.”

The ultimate plan of God is not divine healing but divine health.

Isaiah 53: By his stripes we are healed. Divine health is your birthright in Christ Jesus. Don’t accept the life of sickness or any form of infirmity because, in Christ, there is not sickness at all.

When we become born again spiritually, we receive divine life, the God kind of life living inside of us. This divine life that lives in us is the resurrection power that raised Jesus from the dead.

We are healed, secured on the cross by Christ 2,000 years ago.

It means we are not praying for Christ to heal us but to receive healing, which Christ has already secured for us; we do not pray for victory but pray from victory to victory.

Live with this understanding that your sickness, whatever the name may be, is already healed by God and what remains is for you to claim your healing over sickness. Jesus says, “Just believe.”

The price for your healing was paid in full by Jesus Christ on the cross. You don’t pay for a product twice. “By His stripes we are healed.” Christ not only came to save us from sin, but He came to make us whole.

The stripes of Jesus addressed cancer, HIV, stroke, high blood pressure and all manner of sickness and diseases, and put them on Himself. The Bible says, “Surely our sickness He has borne, and pain He has carried.”

Whatever sickness or disease you may be suffering from, you are healed now in the name of Jesus. Amen.
