Historic Globe staircase gains new name

By DAVID SOWDERS
Assistant Editor

A historic staircase set just off North Broad Street, which has been informally called the Silver King Stairs, now has an official name.

David Sowders/Copper Country

On May 10 Globe's City Council voted unanimously to dub the recently beautified stairway the Pascoe Stairs, following the Gila County Historical Museum's recommendation. The stairs' new name is after Globe pioneer Thomas Pascoe, who owned a livery stable where the Silver King Storage building now stands. According to a 1906 Arizona Silver Belt article he established Pascoe's Livery Stable in 1886. Pascoe was a businessman, banker and former Gila County Undersheriff; in 1900, along with a partner, he organized the Pinal Mountain Water Company.

to the Pascoe Stairs, which will be a highlight of I Art Globe's planned Stairizona Trail, the council accepted I Art Globe's donation of a steel outdoor bench to place beside the stairway. The bench will be in Asian style to commemorate the spot where Globe's Chinatown once stood. The donation, originally part of the council's consent agenda, was moved to the regular agenda at City Manager Paul Jepson's request; council members unanimously voted "aye." The bench, however, was only half the donation; also included was

We don't have to wonder where we will spend eternity. Belief in Jesus guarantees a future with Him.

People fall into one of four categories. Which one applies to you?

1. We are saved and we know it.
2. We think we are saved, but we're not.
3. We don't claim to be saved.
4. We're not saved but would like to be.

As today's passage shows, God wants us to know beyond a shadow of a doubt that we will spend eternity in His pres-

ence (1 John 5:13). Salvation is His deliverance from all the effects of sin, and it is available to whoever trusts in Jesus Christ. Do you have that kind of certainty? Unless you're already confident that heaven is your eternal destination, I urge you to settle the matter now.

First, realize that our Father desires salvation for all people (1 Timothy 2:3-4), and He has provided the way through His Son (John 3:16). We are saved when

we believe in Jesus Christ and confess Him before men (Romans 10:9-10).

God is faithful to keep His promises. If you trust in Jesus as your personal Savior, the Father will forgive all your sins and welcome you into His family (John 1:12)—without regard to merit or worth on your part. He freely gives eternal life to all who believe in His Son. Will you receive it?

Times are changing

Spring is here and that means new growth, new beauty and God's blessing through the newness of life. I have the pleasure of living in a part of the country that has four actual seasons. People often ask if I have a favorite and my answer is, "No, but let me explain."

Winter is cold but brings a soft white snowfall that I think of as slow-release rain. As it melts it provides a vital element to the soil and nourishes the growth that becomes evident in spring. We adapt with four-wheel drive, skis, toboggans and other devices, knowing this will last but a short while.

Spring comes on gently with the first flowers to peek through the white stuff of winter. I watch

carefully, for each day provides a newness of life. The birds begin to return to the pasture, a stopping point for the geese making their annual transition. Fruit trees leaf out and soon the buds of new fruit fill out for picking. The white lawn turns green and is a soft carpet for sports.

Summer is filled with travel to places we selected during winter and the trip can be as enjoyable as the destination. Visiting with family and friends, picnics or sleeping under the stars are wonderful summer adventures. I even enjoy reading the Morse code of the lightning bugs.

Fall displays glorious colors as the year's evening begins to settle in.

My favorite depends on when you ask.

Today's word

Today's word: Ecclesiastes 9:12 - "Whatever your hand finds to do, do it with your might."

In Luke 8: 1-3 the 12 disciples were with Jesus. Many women were healed of evil spirits and infirmities; they provided for him from their substance and followed Jesus.

I often thought of Jesus' provisions. He did not go around with a plate for money. Instead He prayed and left it to people who would provide for them.

See, Jesus Christ could have been a walking treasure of money, food, clothes and anything

needed. (For He was a gold nugget walking around with many treasures He wanted to share and did.)

But God left it up to people to give from their hearts, their substance. God is always testing us in our giving, our sharing, our helping those in need. He is the one who touches your heart with love, and compassion to help others.

He just sends us to do His will. We either do His will or not; this is our choice.

We should never feel like we have to give money in a church that passes around a basket. This always makes people feel cheap, guilty and worthless if they can

The God I never knew (Part 2)

A person exhibits the marks of a personality; the word personality comes from the root word person. Here is the theological definition of a person. A person is not an analogy. A person has a soul. According to scripture, after hundreds of years of study on the soul, a soul is made up of three parts. You probably heard this; the mind, will and emotions. We think with our minds, desire with our wills and feel with our emotions. Is it possible that the Holy Spirit is trying to help us think as God thinks, desire what God desires and feel what God feels? And according to scripture, he's living inside of you. So if you want to know what God thinks about something, you have God living inside of you. He can tell you what God thinks because he is God; he can tell you how God feels about it because he is God. He can tell you what God desires in that situation because he is God. So the Holy Spirit is a person.

I want to explore each of these

only give a dollar.

When I was the pastor of Sweet Haven Canyon Church in Central Heights for five years, a plate was at the feet of Jesus. I never asked for one penny from anyone, never paid attention to the plate. People would give if they could.

Money was given to this broken down little antique church where you could see the sky through the ceilings. Within the five years we led this church the old floors, carpet, roof and ceilings worn out by time were eventually restored.

The Word was out even though not many people paid attention or cared. The donations

three points a little further. Number one, he has a mind. The Holy Spirit has a mind. John 16:13 says, however, when he, the Spirit of truth, comes, he will guide you into all truth. How could he guide you into all truth unless he knows all truth? And he knows it because he has knowledge. He is omniscient. Omniscient comes from two words; "omni" means all and "science" means knowledge. God has all knowledge. The Holy Spirit knows everything. Here's what I want to bring it to; I'm not trying to prove that the Holy Spirit is a person because I think most of you already believe that. I'm trying to show you the benefits of his being a person. One of the benefits of his having a mind is having someone living inside of you who knows everything about everything and has committed himself to being your teacher.

Next week we will continue this teaching by Pastor Robert Morris of Gateway Church.

As Paul Harvey would say, "Stay tuned for the rest of the story."

started coming in and repaired this beautiful antique church, which is now for sale by the owner in Texas.

As I began to write the mission statement book for our church which came to my heart and onto the paper, one statement stayed clear in my mind: Never ask for money; I will provide everything needed for "My church." And He did!

I never asked for anything except for a little help in the little things needed. I went by every statement that was given to me and believe God provides for every need in your life if you believe. When you trust Him, believe in Him, things just happen.

McBride (Nancy) and John E. McBride (Elaine) of Globe, Arizona; her sister Diana Parsons (Erick) of Georgia; 13 grandchildren and 4 step-grandchildren; and her beagles, Bella and Sugar, whom she loved to the end.

Carolyn is preceded in death by her parents and her daughter Sheri Leap, who died in an auto accident at a very early age.

Private services were held on Saturday, May 21, 2022 at the Church of Jesus Christ of Latter-Day Saints in Claypool, Arizona. She was laid to rest in the Globe Cemetery.

Assisting the family; Lamont Mortuary of Globe.

Carolyn Jean Castillo was born Carolyn Jean McBride at the Inspiration Hospital in Miami, Arizona on Aug. 8, 1961, the youngest child of Lloyd Elvin McBride and Bonnie Joann McBride (nee Hamilton). Carolyn passed away May 13, 2022, in Globe, Arizona. She was 60.

Carolyn was loving and caring, with a heart as big as the world. She enjoyed being with friends and family (including her beagles), visiting her sons and helping care for her mom in her later years. Her passion was gardening. Her specialty – roses which graced her yard with fragrant beauty every year. Motorcycle rides and picnics, big trucks and roller coasters brought out her adventuresome spirit. On her outings Carolyn enjoyed shopping in antique stores and thrift shops, having a special knack for finding unique treasures like angels and unicorns for her home or friends.

Christmas was her favorite season. Carolyn decorated her home from top to bottom, inside and out, transforming every room into a holiday masterpiece. She enjoyed giving gifts, baking and making sure there was Christmas for everyone in the family. The season always included the Toy Ride with her husband, Frosty.

An amazing wife and an amazing mom, Carolyn will always be in our hearts - forever loved and truly missed. In the words of her granddaughter, "You are Our Sunshine."

Air Force flight levels, incendiaries comment deadline extended

Should the US Air Force be allowed to fly lower in the airspace above Globe-Miami and the Pinal Mountains, firing aerial flares at even lower altitudes? So many local residents had passionate opinions on this issue that a prior deadline has been extended to June 3 for written comments on proposed changes to several Air Force 'man-

aged MOAs' that includes airspace referred to as the Outlaw region - which includes Globe. Read specifics at arizonaregionalair-spaceis.com.

Four alternatives are proposed; the Gila County Board of Supervisors voted to send a letter endorsing alternative 1 - no action or changes, maintaining the present "subsonic floor."

Public meetings were held during February before a March deadline to submit written comments, which has been extended through June 3 to accommodate overflow interest in the issue.

Memorial Day ceremonies

On Sunday, May 29 members of the American Legion and VFW families will be placing flags on the graves of veterans at Globe Cemetery in Globe and Pinal Cemetery in Central Heights beginning at 8 a.m. The public is invited/encouraged to assist in honor-

ing these fallen heroes.

Due to the unfortunate timing of renovations at Veterans Park in Globe, our 11 a.m. Memorial Day ceremony on Monday, May 30 will be moved to Veterans Memorial Park in Miami (621 W. Sullivan St.), with a potluck luncheon to

follow at American Legion Henry Berry Post 4 (645 S. Broad St., Globe). Hamburgers and hot dogs will be served. The luncheon is free to the public; donations are appreciated and go to help veterans and children in Globe and surrounding communities.

Honoring our military

This past Saturday, May 21, was Armed Forces Day 2022. Memorial Day, celebrated the last Monday in the month of May, honors those who lost their lives in the military service of our country. And Veterans Day is November 11 in which we honor those that have served in the military, whereas Armed Forces Day honors those who have served.

On July 26, 1947, President Harry S. Truman signed the National Security Act, which united all four branches of the military under one department of the government. In 1947, the

National Military Establishment was created because of the National Security Act. The Department of Defense replaced the National Military Establishment in 1949.

going strong at the Globe Public Library. This program is to help children read 1,000 books before entering Kindergarten and encourage lifelong reading habits. You can register online at <https://globepubliclibrary.azsummerreading.org/> or come to the Globe Public Library for the paper form. If you have used the summer reading program online, you can use the same login to register for 1,000 Books. For every 100 books, children will receive a reward. They will receive a grand prize when they finish the 1,000 books.

Do you wish someone would read you a story?

Now you can call the Globe Public Library Dial-a-Story phone line and hear a new story every week. The phone number is (855) 614-6111. You can call this number at any time and get a story read to you. Listening to a read-aloud story is fun and engages everyone in literacy. Even passive listening teaches reading and vocabulary and helps a child's brain grow. This program is brought to you by the Arizona State Library, Archives, and Public Records through the Institute of Museum and Library Services.

All these programs are free and brought to you through partnerships with the Friends of the Globe Public Library, the United Fund of Globe-Miami and the University of Arizona Cooperative Extension Agency.

Volunteers wanted

Globe Public Library is looking for volunteers for the Summer Reading Program. To volunteer at the Library you need to be at least 13 years of age and fill out the volunteer packet for approval by the City of Globe. Please come by the Library to pick up your packet.

We will be having a meeting for those who want to volunteer during the summer on May 27 at 2 p.m. at Globe Public Library.

APS adding new clean energy resources to power historic growth in Arizona

Collaboration with diverse stakeholder council to advance 100% carbon-free future

PHOENIX – As more people and companies move in record numbers to the state, Arizona Public Service Co. (APS) customers will have cleaner electricity to power their lives and businesses through a new 2022 All Source Request for Proposals (RFP). Since announcing its Clean Energy Commitment in 2020, the utility is adding more than one gigawatt (GW) of clean energy resources to its diverse power supply. While Arizona continues to have hotter summers and rapid population and economic growth, APS is looking ahead at future customer needs and issuing a new RFP developed in partnership with the APS Resource Planning Advisory Council (RPAC).

“Arizona is one of the fastest growing states in the country and the power we provide communities and businesses is the backbone of our state's prosperity, safety and well-being,” said Justin Joiner, APS Vice President of Resource Management. “There's a historic population boom happening and it's our job to plan and invest in an affordable energy future with long-term sustainability

and reliability our customers can count on 24/7, 365 days a year.”

Formed in 2021, the APS RPAC includes local consumer advocates, university representatives, and environmental and public interest organizations. Originally created to support the utility's integrated resource planning, this group participated in a transparent and flexible meeting and workshop series to develop the new All Source RFP. This broad market solicitation will help APS exit from coal-fired generation by 2031 and maintain adequate power supply to serve customers.

“To get the right combination of resources, we need collaboration. The stakeholder advisory council shared important, diverse perspectives that we incorporated into the design of our new RFP. Together, we're finding solutions to the resource complexities unfolding in the West and the driving energy demand on our system,” Joiner said.

2022 All Source RFP:

APS is conducting an All Source RFP to meet the power needs of residential and business customers with affordable, reliable and clean electricity through the 2025-2027 time frame.

Farmers Market invites new vendors

Whether you have an abundance of apricots, peaches or plums, grow veggies in your garden or make jams, jellies and salsas, new vendors are invited to set up and sell outdoors at Globe's weekly Saturday morning Farmers Market when it reopens for the season.

Market manager Holly Brantley invites new vendors to contact her about setup. "If you've got seedlings, starts or other plants to sell, please call me about being a vendor! Crafters are welcome, and baked goods as well! Buy or sell local --right here, at our Globe-

Miami Farmers Market outdoors at Veteran's Memorial Park, in front of Globe City Hall at 150 North Pine Street."

To apply for a vendor spot, or if you have questions about items you'd like to sell, call Holly at (928) 701-3097 – or check out photos and connect with Holly and a growing community of more than 1,000 green-thumbed gardeners, craft vendors and others at facebook.com/gmfm2011.

Globe-Miami Farmers Market will reopen on June 4, continuing Saturday mornings from 8-11

a.m. What's available at the weekly market? Ask Holly if Flat Four Farms will be there with fresh fruit or robust plants ready to take home and plant in your own garden – or if 'Chito the Chile Guy' will have his variety of tasty peppers to add some picante to your cuisine. Got breakfast? Mary Hyson sells fresh local eggs. And if you have an overflow of surplus greens from your garden, delicious apricots from your tree, handmade crafts, baked goods, jams and jellies? Sign up for a table!

while acquiring office and workplace skills, making valuable connections and meeting mentors. Temporary employment assignments are open to high school juniors and seniors, those enrolled in the next college semester and young adults, and are based on entry-level professional job descriptions, which will involve a great deal of independent and team-oriented work under the guidance of a supervisor and mentors.

RECIPES

Celebrate chocolate with a rich, homemade cake

People aspiring to spend more time in the kitchen can celebrate winter baking and National Chocolate Cake Day (January 27) simultaneously. This recipe for "French Silk" from "Classic Stars Desserts" (Chronicle Books) by Emily Luchetti is for serious chocolate lovers. This fudge-like mousse cake pairs plenty of rich flavors and showcases the chocolate in this decadent cake.

French Silk
Serves 12
Crust
3/4 cup walnuts, toasted
1 cup pecans, toasted
1/2 cup firmly packed brown sugar
4 ounces (8 tablespoons) unsalted butter, melted

Filling
1/4 pounds bittersweet chocolate, chopped
6 ounces (12 tablespoons) unsalted butter, at room temperature
3/4 cup granulated sugar
6 large eggs (use pasteurized eggs if you are concerned about eating uncooked eggs)

1/4 cup heavy whipping cream
1/2 teaspoon vanilla extract

Topping
1 cup heavy cream
2 tablespoons granulated sugar

To make the crust: In a food processor, combine the walnuts, pecans, brown sugar, and cinnamon and pulse until the nuts are coarsely chopped. Pour the nuts into a bowl, add the butter, and stir until the nuts are evenly moistened. Press the nut mixture evenly onto the bottom of a 9-inch round springform pan. Refrigerate for 30 minutes.

To make the filling: Melt the chocolate in a double boiler. While the chocolate is melting, combine the butter and sugar in the bowl of a stand mixer fitted with the paddle attachment and add the eggs two at a time, mixing well after each addition. Scrape down the sides of the bowl, increase the speed to medium-high, and whip until well blended, about 2 minutes. The mixture will look curdled.

Remove the melted chocolate from the heat and stir until smooth and warm but not hot. With the mixer on low speed, add the chocolate to the egg mixture. Scrape the sides and along the bottom of the bowl and then continue to mix on low speed until the chocolate is fully incorporated. Add the cream and vanilla and mix until blended. Spread the filling over the crust. Refrigerate until firm, about 3 hours.

To make the topping: In a bowl, whisk together the cream and sugar until soft peaks form. Cover and refrigerate until serving.

Using a spatula, spread the topping over the top of the cake. Run a hot, dry knife around the inside edge of the pan to loosen the cake, then remove the pan sides and set the cake on a serving platter. Slice the cake with a hot, dry knife and serve chilled.
