Vandals fall to Benson in 2A semifinal

By DAVID SOWDERS
Assistant Editor

Friday afternoon at Diablo Stadium in Tempe, the Miami High School and Benson High School baseball teams met again in the AIA Conference 2A tournament semifinals. In a rematch of last season's semifinal game, which Benson won via forfeit, the Vandals' championship drive ended in an 11-3 Bobcats win. Benson built a 9-0 lead after two innings; a lead Miami was unable to overcome, though they outscored the Bobcats 3-2 in the last five innings. Juniors Angel Perkins, Angel Pena and Izak Villalobos provided the scoring for the Vandals, with a run apiece. Miami's leading scorer with 64 runs on the season, senior Gabe Escobedo, was held without a run but batted in two.

In the 1A semifinals, also held Friday at Diablo Stadium, the Hayden High School Lobos took the top-seeded Mogollon High School Mustangs, of Heber, the distance before falling 2-1. After four scoreless innings, Hayden junior Alejandro Lorona and Mogollon senior Cael Porter each scored in the fifth for a 1-1 game.

Miami Town Manager Gaudet resigns

By DAVID SOWDERS
Assistant Editor

Miami Town Manager Micah Gaudet, who debuted in that position on Jan. 11, 2021, submitted his resignation to the Town Council last Monday, May 9. Gaudet, who will continue to serve through June 17, said he was leaving to better care for a family member. "I want to thank the Mayor and Town Council for the opportunity to serve as Town Manager, for their understanding of my family's need and acceptance of my resignation," he wrote in a letter

thanking the council and the community, adding that his time as manager was "one of my greatest honors."

Historic Globe staircase gains new name

By DAVID SOWDERS
Assistant Editor

A historic staircase set just off North Broad Street, which has been informally called the Silver King Stairs, now has an official name.

On May 10 Globe's City Council voted unanimously to dub the recently beautified stairway the Pascoe Stairs, following the Gila County Historical Museum's recommendation. The stairs' new name is after Globe pioneer Thomas Pascoe, who owned a livery stable where the Silver King Storage building now stands. According to a 1906 Arizona Silver Belt article he established Pascoe's Livery Stable in 1886. Pascoe was a businessman, banker and former Gila County Undersheriff; in 1900, along with a partner, he organized the Pinal Mountain Water Company.

In a further improvement to the Pascoe Stairs, which will be a highlight of I Art Globe's planned Stairizona Trail,

David Sowders/Arizona Silver Belt

the council accepted I Art Globe's donation of a steel outdoor bench to place beside the stairway. The bench will be in Asian style to commemorate the spot where Globe's Chinatown once stood. The donation, originally part of the council's consent agenda, was moved to the regular agenda at City Manager Paul Jepson's request; council members unanimously voted "aye." The bench, however, was only half the donation; also included was a mural on the risers of the Sutherland Street Stairs. The design by Safford artist Alexis Rios is called "Poppies and Sarapes." I Art Globe hopes to have the work completed before June.

GAUDET continued from A1

in Afghanistan and finished his enlistment filling the role of a captain, Gaudet went on to be the first Director of Crime Strategies in the Maricopa County Attorney's Office. He was then recruited by the City of Nogales, where he served as executive director of the Nogales Housing Authority. When Covid-19 hit, Gaudet was asked to lead the city's response efforts; he also frequently volunteered to draft financial and operational policies.

"Micah came into his position as a town manager with no previous experience and Council took a chance on a young person with enthusiasm and determination," said Miami Mayor Sammy Gonzales. "He was immediately thrown into the fire in his first year, dealing with fires and floods that he was able to handle like an experienced manager."

Gaudet said the community response to the 2021 Telegraph Fire and floods was "simply remarkable" – and he was a part of it, pitching in during post-flood cleanups in the streets of Miami. He also worked to put together an August town hall meeting for community residents affected by the flooding. Gaudet also proposed and administered the Miami Renaissance Grant program, which provides commercial building property owners and tenants with grant funds – awarded quarterly – for façade improvements. He pointed to fixing a town budget and greatly increasing sales tax revenues – "putting the Town on a healthier track going forward" – as two other highlights of his term. "I built a strong foundation here for future success," he said, adding that he would be willing to lend his assistance to a successor.

"It's hard to see him leave, but our Council and staff have been pleased with him and wish him well on his new journey," said Gonzales.

Protecting Boyce Thompson Arboretum's water supply

By **TED LAKE**
Contributor

Officials of the Boyce Thompson Arboretum in Superior have announced plans to make the local attraction a water wise arboretum. The announcement followed a decision that conserving water was the most important thing that could be done for the Arboretum's future.

Executive Director Lynne Nemeth said we live in an arid state that is facing water shortages as it becomes hotter and drier. "We have seen the changes at Boyce Thompson Arboretum. Spring comes earlier, and with it higher temperatures. Trees that previously didn't need to be irrigated now need supplemental water. Well production and water levels are decreasing."

Nemeth went on to say we have lived through the results; wildfires, water shortages and dying plants.

For Boyce Thompson to become a water wise arboretum requires an investment of \$500,000. The process will feature installation of a computerized and automated irrigation system; interpretive signage ad programs that emphasize water-wise gardening; restoration

of the Queen Creek riparian corridor at Boyce Thompson; expansion of Ayer Lake as a riparian conservation and education area, complete with a boardwalk; greywater harvesting for irrigation; and gutters and rain-water catchment from structures.

The campaign is underway to raise the necessary funds to make Boyce Thompson a water wise arboretum. If you can help, please contact one of the fundraisers working to meet this challenge by calling 520-689-4588.

Colonel William Boyce Thompson founded the Arboretum 98 years ago with plants from all over the world. Arizona's weather and climate are vastly different from today's. The adjacent Queen Creek, south of Boyce Thompson, was a perennial stream back then. Nighttime temperatures during the summer often dropped into the low 70s and monsoon rains were more predictable back then. Today? The average temperature in 2020 was 77.2 degrees, 145 days were above 100 degrees and Queen Creek rarely runs. The entire state has been in a megadrought for 22 years.

Globe Council approves strategic action plan, water/sewer rate study

By **DAVID SOWDERS**
Assistant Editor

In its May 10 meeting the Globe City Council approved a strategic action plan, approved a water and sewer rate study, transferred ownership of a fire station, issued four proclamations and recognized graduates of the city's spring Citizens' Academy.

The council approved a 2022 three-year strategic action plan and related budget items, with the addition of a disc golf course. Following a February 3 retreat for plan discussion, it was recommended to continue with subcommittees for community and economic development, infrastructure, public safety and finance. The top three council priorities, with each member listing three, included housing, development of Globe's northeast corridor, the new fire station and completion of the swimming pool.

The council also gave the nod to a \$37,400 contract with Willdan Financial Services, of Aurora, Colorado, for a water and sewer rate study. The study will be used to determine whether the city's current rate structure will be enough to support future expansion, as well as in the city's application for USDA funding for services to the northeast corridor. In addition, council approved a \$26,500 contract with Willdan for a capacity fee analysis for non-city customers.

Also approved was a quitclaim deed transferring ownership for the Canyon Fire Station, on Jess Hayes Road, from the city to Tri-City Fire District. Tri-City has been leasing the property since 2016, and the building is in need of major improvements including connections to a city sewer line. To fund these, the district intends to apply for grants that are only available to a

property owner.

The council also issued four proclamations, one of which recognized Economic Development Week (May 9-13). In that vein, council and staff also honored Economic and Community Development Director Linda Odonetto for five years of service with the city. The other three proclamations recognized Professional Municipal Clerks Week (May 1-7), National Letter Carriers' Stamp Out Hunger Food Drive Day (May 14) and National Public Works Week (May 15-21).

In addition, graduates of Globe's second Citizens' Academy received their certificates during the meeting. The

Citizens' Academy is a seven-week class giving residents and non-resident "ambassadors" the opportunity to learn from the inside how a city government works, getting to know its departments through presentations

and tours led by council members and department heads. The city is already looking forward to hosting a third class this fall; for more information, visit <https://www.globeaz.gov/home/news/citizens-academy-0>.

OBITUARIES/COMMUNITY

Arthur "Art" Ferrell Savage, 70

Arthur "Art" Ferrell Savage, 70, passed away on May 6, 2022. He was born on Feb. 6, 1952, to Ferrell and Jean Savage in McNary, Arizona. He lived in the White Mountains, later moved to Cutter, Arizona and graduated from Globe High School in 1970.

In 1972, he married Debi Lofgreen. They had two sons, Darrell and Darren.

Art worked as a blade operator for Western Pine Sales in Cutter, drove a truck for Nacker and worked for Inspiration Mine. In 2011, he excitedly retired from Freeport McMoRan; he was happy to be able to do whatever he wanted to do, and he did!

Art was a loving husband and father who kept everyone on their toes with his ornery but caring personality. Art was not one for large crowds but was happiest outdoors and surrounded by his family and very close friends. He loved to hunt, fish and be outdoors. His fun-loving easy-going nature will be missed but will live on in his boys

and grandchildren.

He is preceded in death by his father, Arthur Ferrell Savage. He is survived by his loving wife of 50 years, Debi Savage; his sweet mother Norma "Jean" Savage; sister Veneta "Neta" Savage; sister-in-law Sandi Richardson; two sons Darrell (Terpa) Savage and Darren (Kim) Savage; six grandchildren, Terra, Stratton and Porter Savage, and Toby, Tyler and Trenton Savage; and several extended family members.

A memorial service was held Saturday, May 14 at 10 a.m. at The Church of Jesus Christ of Latter-Day Saints.

Walter Linn "Mac" MacDonald, 78

Walter Linn "Mac" MacDonald passed away on March 24, 2022 in Tucson. He was 78 years old. He is survived by his wife, Sara MacDonald; children Keziah Maxfield, Ethan MacDonald and Shelby Gaitner (Logan); granddaughter Kenda Maxfield-Potts; sister Ellen Vercellino (Gary); niece Kristen Kessler (Jon); nephews Greg Vercellino (Ashley) and LJ Cooper (Kathy); sister-in-law Jane Cooper (Leonard); and his favorite dog, Joey.

Mac was originally from Phoenix, Arizona and graduated from North High School. He served in the US Army for two years and was honorably discharged. He was a postal clerk in Globe, Arizona for 28 years. After retiring, he moved to Tucson where he volunteered with the Diaper Bank of Southern Arizona and participated in social groups with Sara. They built a cabin in Escudilla Bonita, New Mexico where he loved to vacation. His army service and leisure travel took him throughout the United States. He spent a week in Hawaii with St. Paul's United Methodist youth group from Globe and a week volunteering at the Alternative Missions dental clinic in Helene, Honduras.

His service was held on Sunday, April 3 at East Lawn Palms Mortuary & Cemetery in Tucson, Arizona.

Mac also had a long-standing agreement with his daughter Shelby that his obituary would include a few embarrassing, funny or otherwise memorable stories.

He once regretted leaving a used bookstore and not buying a specific bird book. They had two copies, but he wanted the one with the pretty leaves pressed into it. After several days of anxiety, he made his way back to the bookstore, bought the book, came home and framed the leaves, beaming with pride right up until I informed him those were marijuana leaves.

He loved the first time I made margaritas (equal parts tequila, lime juice and triple sec), and although they were large margaritas and I was out of limes, he really wanted a second one. So he made one with grapefruit juice. He then tripped and ran into a parked car, after which he agreed that I was right, he

really didn't need a second margarita.

He was terrified of alarm systems, including when my parents had one installed in their house. He decided to set it to "armed/at home" before going to bed, but he accidentally set it to "armed/away." He panicked and started yelling that the alarm was going to go off and the cops would be called, and ran outside. In his underwear. So my mom got up, grumbled "for pete's sake!", turned off the alarm and told my dad to come inside.

I decided to teach him beer pong once, but we were on more of a wine kick at the time. So we set up red Solo cups of wine on the dining room table. Wine has a higher alcohol content, which we remembered the hard way and then we vowed to never play wine pong again.

My dad was obsessed with collecting. He had 139 camping lanterns, somewhere around 150 bird figurines, more than \$400 worth of bicentennial quarters and countless pens. Every time I travelled, I'd bring him back a souvenir pen. Every time we went to Wal-Mart or Target, he'd need to "check on" the pens, and usually buy some, telling me, "Don't tell your mother."

He went through several fashion phases. He decided he had to stop wearing plaid because Tim made fun of Al for wearing plaid on "Home Improvement." He then amassed a large collection of Hawaiian shirts, certain they made him look like an "eccentric old rich guy." He settled into denim shirts eventually, in some weird attempt to look "as cool as Jay Leno." His holy grail was a denim shirt with pearl snap buttons.

He got into Celtic festivals and would walk around with a beer attempting a Scottish accent. He thought the Scots sounded just like the Jamaicans in "Cool Runnings." After a DNA test he found out he was Greek as well, which got him very excited for

the Tucson Greek Festival. He'd walk around with a beer reciting a line from "My Big Fat Greek Wedding" - "there are two kinds of people: Greeks, and everyone else who wishes they were Greek."

He was a master of selfies before social media. Once he developed some film, and I flipped through selfie after selfie of my dad with a big grin and... a slice of onion in his mouth as onion teeth. There are also photos of him with a frozen lasagna box on his head as a hat. That was the day he proudly declared himself "the lasagna king."

He took great care of dogs, cats, bunnies, a salamander and his pet bee. My dad would go catch moths on the patio for the salamander. Our house was at the end of a dark long driveway on a mountain top, spooky as heck in the dark. I was mortified when I was dropped off after a volleyball game one night and my friend was disgusted to see my dad was catching moths under the porch light.

The bee was a character he made up. Anytime he saw a bumblebee, he said it was his old friend, "Bee Zone." I grew up with Bee Zone and now I see Bee Zone sometimes. His granddaughter got to know Bee Zone, only she had her own bee too. So my dad had Bee Zone and she had Buzz.

He invented several characters with distinct voices and would randomly act as them. He'd host cooking shows. He hosted "car talk" shows where his "callers" would ask for help. He'd host "walking around the yard" shows where the yard was "The Institute." He'd even host "painting" shows (a la Bob Ross) when he was painting furniture. He was always using white paint, but that was fine because he was painting snow scenes.

Join VFW Post 1704 for breakfast and our Flag Retirement Ceremony

VFW Post 1704 invites you to join us Saturday, May 28 for breakfast followed by our Flag Retirement Ceremony.

Breakfast will be served from 8-9 a.m. Enjoy scrambled eggs, sausage, bacon, pancakes, juice and coffee - all for \$8.

The Flag Retirement Ceremony will begin at 9:30 a.m. in the rear parking lot of VFW Post 1704, 707 S. Broad St. in Globe.

The American flag has a unique meaning to each and every person. Not only in the

USA but all around the world, the American flag symbolizes hardiness, valor, vigilance, perseverance, justice, strength and hope. To all, it is a symbol of freedom. Freedom that has been fought so hard for over the decades.

When our flags have been worn out in worthy service, they must be respectfully retired and disposed of without showing disgrace. According to Title 4-Flag and Seal, Seat of Government, and the United States; Chapter 1-The Flag; §8. Respect for

flag, (k);

"The flag, when it is in such condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning."

If you have a heavily worn, torn, faded, soiled or damaged flag, bring it on Saturday, May 28 and join us for its proper disposal in this solemn ceremony.

Help us help our Globe-Miami veterans. All proceeds remain local. No one does more for our local veterans.

Miami High School track competes at state meet

By **AARON TOHTSONI**
Contributor

The Miami High School track and field team had athletes compete at the Division IV State Meet over the weekend, including the 4x800 relay team of Jalen Pike, Aeriana Brown, Savannah Pietila and Leeyah Goss.

“The girls 4x800 relay team did amazing,” said head coach Crystal Pietila. “We entered the meet ranked 16th of out the 19 teams that qualified. We finished 13th; we were actually second among public schools behind only St. Johns.”

In addition, Savannah Pietila competed in the high jump and triple jump competitions. She cleared the first two marks and finished 10th in the high jump.

“Only two of the

girls ahead of her were freshmen; the rest were upperclassmen,” said Coach Pietila.

Miami track and field is making strides to rebuild the program, fielding a team for just the second year and hosting their first meet in 30 years.

“We are excited to be rebuilding the program,” said Coach Pietila. “There is a great deal of tradition when it comes to Miami’s athletic programs. We look forward to growing the program and having several more athletes participating at the State Championship Meet. It’s amazing to think the students were able to compete at such a high level practicing on a dirt track. This is a prime example of the value of hard work while not making any excuses.”

Superior wins 1A softball title

By **DAVID SOWDERS**
Assistant Editor

Friday night’s Conference 1A high school softball championship at ASU’s Farrington Stadium came down to two 1A East rivals who split their regular season games 2-2, as the #1 San Manuel Lady Miners met the #2 Superior Lady Panthers – and, in a game decided in the seventh inning, the Lady Panthers broke that tie to earn the title.

After San Manuel took a 2-0 lead in the first inning, Superior tied it at 2 in the third. The game remained tied, at 3-3,

after five innings. Superior then scored three runs in the top of the seventh and held the Lady Miners scoreless in the bottom of the inning to clinch a 6-3 victory and the state title. Seniors Myika Cruz and Danika Bryant led the Lady Panthers in scoring with three runs and two runs; junior Jasmin Ortega also crossed home plate for Superior. Bryant also excelled on the pitcher’s mound, recording a two-hitter and striking out 14 San Manuel batters. (At press time, no stats had been entered for the Lady Miners.)

San Carlos Apache Tribe budgets \$150,000 for general assistance

On Wednesday, May 4 the San Carlos Apache Tribe's Treasurer posted \$150,000 to Tribal Council budgets for general assistance. The offices of Chairman Terry Rambler and Vice Chairman Tao Etpison were each allotted \$24,750,

and funds were allocated to the four Tribal districts as follows: Peridot District \$32,945; Gilson Wash District \$24,765; Bylas District \$21,407; and Seven Mile District \$21,383.

General assistance is intended to

assist Tribal members with utilities, food, supplies, clothing, medical, transportation and other needs. The total amount of general assistance is allocated per district population percentage. The Chairman and Vice Chairman serve all

districts. The four districts are allocated general assistance based on their membership population. Tribal members in need of help are being encouraged to see their District Council, Vice Chairman Etpison or Chairman Rambler.

Gila Pueblo nursing graduates honored

Vanessa Boni (left) and Crystal Williams, 2022 graduates of the EAC Gila Pueblo Campus nursing program, receive their pins during the college's pinning ceremony at Miami High School last Thursday; both have earned Associate of Applied Science in Nursing degrees. Boni was pinned by Braiden Dosela, and Williams by Kenyon Williams.

Transit facility and bus shelter. It will be located just east of their current facility on Highway 70 on the San Carlos Apache Reservation. First they must begin with an environmental and cost analysis, design, and engineering and architectural consulting services. This project is expected to cost \$500,000.

The exciting news doesn't end there! Apache Transit is required to meet a Vehicle Replacement Ratio (VRR), which means they have to replace vehicles after so many

miles. Unfortunately, due to the pandemic, they were unable to meet that requirement. That will bring the fleet down to 13 buses. The excitement never ends; Apache Transit will be receiving one 4-wheel drive, 18-passenger bus and one 4-wheel drive, 24-passenger bus in July 2022, bringing the total to 15 buses.

Apache Transit plans on replacing their fleet with 14-, 24-, and 32-passenger buses over the next 4 to 8 years.

Last but not least, Nnee Bich'o Nii Services

& Apache Transit have received approval from the San Carlos Apache Tribal Council to begin providing non-emergency medical transportation for the Bylas community. Too often, they have heard heart-breaking stories of elders and children walking away from the Clarence Wesley Memorial Clinic at night because transportation was not available to take them home. This service is projected to begin in July 2022. A definite date will be announced when everything has been finalized.

This amazing program, Nnee Bich'o Nii Services, Apache Transit and their maintenance program continue to move forward to provide services "for the people." For more information regarding their services, please contact Apache Transit at (928) 475-5023 or (928) 475-5024.

As always, we give thanks to the Creator!

Nnee Bich'o Nii & Apache Transit Teams has done it yet again! They were awarded the 5311 Rural Public Transit Grant in the amount of \$1.09 million. Nnee Bich'o Nii was able to meet the local match requirement in the amount of \$685,000 to receive the grant. The total of this grant is \$1.775 million. Nnee Bich'o Nii was able to meet the

local match amount with no financial contribution from the San Carlos Apache Tribe. They were able to secure that amount through local revenue earned by providing their excellent transportation services.

Nnee Bich'o Nii & Apache Transit plan years in advance for everything they have; the buildings, the buses and vehicles, and the

amazing services they provide. Every member of the Management, Finance & Transit Teams puts in long hours to help write for these grants. Director Bernadette Kniffin always says, "It's a lot of hard work; nothing is just given to us." With that said, let us continue with the exciting news!

An exciting project that is expected to start soon is the new Apache

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle.

HOROSCOPES

ARIES - Mar 21/Apr 20
This week could be a strange time in regard to your finances, Aries. It might be a good idea to get all of your financial affairs in order to figure out where you stand.

TAURUS - Apr 21/May 21
Check around the house for any areas that could benefit from a little improvement, Taurus. Some renovations could provide a whole new look and even outlook.

GEMINI - May 22/Jun 21
Figure out a way to show support for a valued colleague, Gemini. Sometimes just a kind word can transform someone's day. Your kindness will be repaid.

WORSHIP

The key to having real confidence

Do you need more confidence in your life? In this world, we often get the message that we need more *self*-confidence, but God tells us in His Word that being confident in ourselves is actually a dangerous way to live. Instead, we need to be confident in Him. And as born-again Christians, we have everything in us—through Christ—that we need to do everything we need to do.

Philippians 3:3 (AMP) says, “For we [who are born-again...] are the true circumcision, who worship in the Spirit of God and glory and take pride and exult in Christ Jesus and place no confidence [in what we have or who we are] in the flesh.”

This means our confidence shouldn't come from what we can do in our own effort or strength, who we know, a professional title or what we look like. This is how the world operates, but God doesn't see us that way. God sees our heart!

First Samuel 16:7 (AMP) says, “...For the Lord sees not as man sees; for man looks at the outward appearance, but the Lord looks at the heart.” God is not impressed with our good works, nice clothes, the kind of car we drive, or anything else that has to do with

our outward appearance. The only thing that impresses God is a good heart—a heart that sincerely loves Him, that desires to be obedient to Him and that loves people. When our heart is right with God, we have all the confidence we need to be and do everything He has created us to be and do.

Confidence is a belief that you can do a thing; it's faith in God that He has equipped you to do it. When you're confident in who you are in Christ, you can relax and you won't be caught up or controlled by fear, worry or anxiety. The key to living with this kind of confidence is understanding that apart from Jesus you can do nothing of eternal value, but you can do all things through Christ who gives you strength! (See John 15:5; Philippians 4:13.)

I heard someone say once that a Christian with no confidence is like a jumbo jet sitting on the runway with no fuel. In other words, you have all the equipment but no fuel to go anywhere. That's a frustrating way to live!

We desperately need the wisdom of God if we're going to accomplish the things He's planned for us to do. The best thing we can do is be constantly dependent on Jesus. John 15:5 (AMP) says, “I am the Vine; you are the branches. The one who remains in Me and I in him bears much fruit, for [otherwise] apart from Me [that is, cut off from vital union with Me] you can do nothing.”

Here's a good illustration to demonstrate what this verse is talking about: A flower is attached to a vine that gives it life. As long as that flower stays connected to the vine, it is connected to its life source. But once it's detached, it can't continue to thrive.

In the same way, we are dependent on Christ to be our source of life. When we accept Him as our Savior and we're

born again, He comes to live in us and He gives us life deep within our spirit. We need to really get this because as long as we're “hanging on the Vine,” looking to God as our vital necessity, then we will be confident we can do whatever we need to do in life.

Jeremiah 29:13 (AMP) says, “Then [with a deep longing] you will seek Me and require Me [as a vital necessity] and [you will] find Me when you search for Me with all your heart.” I love that! And I often pray, “God, I'm nothing without You. I need You. You have to help me or things just won't work right.”

God must be our top priority—our vital necessity—every day of our life! There's nothing more important than having a personal relationship with Him, spending time with

Him in prayer and studying His Word. If you will keep Him first, then everything else in your life will fall into place and you'll have the wisdom, grace and strength to face every challenging situation that comes against you.

I want to encourage you to remember that being self-confident is foolish. It's rooted in pride and only leads to frustration and dissatisfaction. When you get up each day, before you get busy with your daily responsibilities, take a few minutes to pray.

Tell God, “I need You, Lord. I'm nothing without You, and I know that whatever I do today, it won't work out right if You don't help me. Forgive me of my sins and cleanse me of everything that's not right in me—every thought, word and deed. Help me to treat people right today and to be a blessing everywhere that I go. And help me to never forget that I'm blessed because YOU are good, not because I'm good. Help me to keep You first in my life, Lord. Thank You for helping me. Amen!”

A moving experience

By DR. DAN MORTON
Contributor

A few years ago, I added up some thirty addresses I have had during my lifetime and could remember not only the address, but the telephone number of each one. That isn't anything to brag about, it's just a statement of fact. The last one happened a couple of weeks ago when the business I was with closed. By contrast, my wife is living on the same property where she was born and although she has experienced several moves since then, she is in familiar surroundings with relatives nearby.

Even with careful planning, packing, and transporting, something gets lost. I make a final walk-through and then close the door on yet another chapter. Life

is a most interesting book if you take time to read it.

Change does not come easily and is not always by choice. While serving in the Air Force, there were moves that were “forced” but until now I had never associated that word with the service branch. Being single at the time, I lived on base. I acquired a small end-table, a set of curtains, a lamp, a radio and a small rug which I packed in the trunk of my car and moved with me. Once set up, I could feel “at home.”

One thing that does not change is my Heavenly Father, I take His book with me and read it with new understanding.

Hebrews 13:8: “Jesus Christ is the same yesterday and today and forever.”

Free family movies on first Saturdays

Divine Grace Church will be offering free family-oriented movies every first Saturday beginning June 4, then on July 2 and Aug. 6 during the summer. Movie

showing will begin at 1:30 p.m. sharp in our Fellowship Hall (downstairs). Free gourmet popcorn will be offered, along with root beer floats for all “early birds.”

Doors will open at 1 p.m. so you can find your favorite seat. Bring a friend! The church is located at 305 Live Oak St. in Miami. All are welcome.

Spring Women's Gathering

Divine Grace Church located at 305 Live Oak St. in Miami will be holding a Spring Women's Gathering on Saturday, May 21 at 10 a.m., ending at 12 p.m. We will sing, pray, and hear a great devotional shared by Pastor

Joyce Howard, with music led by Janet Lamphar. If you would like some much needed inspiration and good fellowship, come and join us! Refreshments will be served and there is no cost for attending. Hope to see you there!

Gracious and caring God, our source of light, we ask for your almighty hand to be upon these graduates as we send them forward. With their classes and grading now complete, may they strive toward excellence in all they do.

LEGAL NOTICE

DCS'S NOTICE OF HEARING ON MOTION FOR TERMINATION OF PARENT-CHILD RELATIONSHIP NO. JD20200007SUPE (Honorable Timothy M. Wright) IN THE SUPERIOR COURT OF THE STATE OF ARIZONA IN AND FOR THE COUNTY OF GILA IN THE Matter of: KARSON MICHAEL ANDREW NIELSEN d.o.b. 07/20/2021 Person under 18 years of age. TO: CHELSEY MARIE NIELSEN, JOHN DOE, parents and/or guardians of the above-named child. 1. The Department of Child Safety has filed a Motion for Termination of Parent-Child Relationship pursuant to Title 8, of the Arizona Revised Statutes, and Rule 64 of the Arizona Rules of Procedure for the Juvenile Court. 2. The Court has set an Initial/Publication hearing on the 14th day of June, 2022 at 2:00 p.m. at the Gila County Superior Court, 1400 East Ash Street, Globe, Arizona 85501, before the Honorable Timothy M. Wright for the purpose of determining whether any parent or guardian named herein is contesting the allegations in the Petition. 3. You and your child are entitled to have an attorney present at the hearing. You may hire your own attorney or if you cannot afford an attorney and want to be represented by an attorney, one may be appointed by the Court. 4. You have a right to appear as a party in this proceeding. You are advised that you may appear in court at the initial hearing, pretrial conference, status conference or dependency adjudication, without good cause shown, may result in a finding that you have waived your legal rights and have admitted the allegations in the Petition. In addition, if you fail to appear, without good cause, the hearing may go forward in your absence and may result in an adjudication of dependency, termination of your parental rights or the establishment of a permanent guardianship based upon the record and the evidence presented to the court, as well as an order of paternity, custody, or change of paternity. 5. Notice is given that DCS is proposing to substantiate any allegations of abuse and/or neglect contained in the dependency petition for placement in the DCS Central Registry. The DCS Central Registry is a confidential list of DCS findings that tracks abuse and neglect. If the court finds that a parent or guardian based upon allegations of abuse and/or neglect contained in the dependency petition, you will be placed in the DCS Central Registry. See A.R.S. § 8-904. 6. If you are receiving this Notice by publication, you may obtain a copy of the Dependency Petition, Notice of Hearing, and Temporary Orders by submitting a written request to: R. KEITH PERKINS, Office of the Attorney General, CFP/PSS, 120 W. 1st Avenue, 2nd Floor, Mesa, Arizona 85210. The assigned case manager is Dawnell Douglas and may be reached by telephone at (928) 428-0228. Requests for reasonable accommodation for persons with disabilities must be made to the court by parties in advance of a scheduled court proceeding and can be made by calling (928) 425-3231. 8. You have the right to make a request or motion prior to any hearing that the hearing be closed to the public. DATED this 22nd day of April, 2022. MARK BRNOVICH Attorney General /s/ R. THE AWARD-WINNING PRINT & ONLINE FAMILY FEATURE

Can You Do That?

Clip the coupons below and put them in a hat. Without looking, pull one coupon from the hat and read it to your friend. Can they perform that activity? If so, they get 1 point. If not, YOU have to do it to earn a point. (For even more fun, gather more friends and form two teams.)

Run in place for 60 seconds while loudly singing your favorite song.

Stand on one foot while saying the alphabet backwards.

Walk on your hands and feet like a dog or cat for at least 60 seconds.

Stand perfectly still like a statue. Do not giggle or smile if your friend tries to make you laugh.

Kick a ball as far as you can. Leave a marker where the ball stopped. Have your friend try.

Do jumping jacks as you call out as many state capitols as you can.

Fill a plastic cup to the brim with water. Balance it on your head and try to walk 10 feet.

Use a laundry basket and throw rolled up socks into it from as far away as you can.

Hop backwards while counting backwards from 50.

Dribble a basketball with your left hand for 30 seconds, then your right hand for 30 more.

Try to roll an orange across the room without using your hands or feet.

Kid Scoop VOCABULARY BUILDERS

This week's word: **OBSERVE**
The verb **observe** means to see or notice something especially when watching carefully.

By sitting quietly near the edge of the pond, I was able to **observe** a frog catching an insect.

Try to use the word **observe** in a sentence today when talking with your friends and family members.

Junkyard Sports

Invent a game using something you would normally throw away. Turn trash into fun!

THE OFFICIAL KID SCOOP OUTDOOR BILL OF RIGHTS

The Constitution of the United States has a Bill of Rights that lists the rights all Americans enjoy. Kid Scoop believes in a Bill of Rights for children that gives them the right to enjoy nature, spend time outdoors and have a fit and fun summer vacation.

CHART YOUR PROGRESS

Give yourself a star each time you complete one of the 10 outdoor activities listed here. Give yourself a cool reward for completing them all.

CAMP UNDER THE STARS

Camping out takes organization. If you are going to a campground, you probably need to book your space. Make a list of the things you'll need to take. If you can't go away, camp in your backyard. Take time to look at the stars. Can you spot the North Star and the Big Dipper?

Each of these flashlights has an exact twin. Look closely and see if you can find them all.

How many fish?

SPLASH IN THE WATER

Visit a local lake, river, stream or a nearby ocean. Observe the wildlife around you and list them in your notebook with notes on *where*, *when* and *what* was happening.

LEARN TO SWIM

Swimming is great exercise and will improve muscle strength and flexibility. Your local pool will provide lessons throughout the summer months. If you can't swim, sign up now. If you can swim, enjoy some time at a pool.

GO FISHING

Sit quietly on the banks of a river, lake or stream. You may not catch a fish but what do you see? Are there tadpoles or frogs, water striders, dragonflies?

PLAY ON A TEAM

Playing on a team is a good way to make new friends and get some exercise. If there are no organized sports in your area, make your own team and create a game of Frisbee or catch.

PLAY IN A SAFE PLACE

Find a local park with playground equipment. Take a picnic and enjoy the sunshine.

Draw the other half of this butterfly.

CELEBRATE SUMMER

Pick one feature of your outdoor summer and draw a picture showing the event. Mail it to a friend.

EXPLORE NATURE

Be a nature detective. Look at a field guide or go online to identify birds, wild flowers, insects and trees. List them in your notebook.

DISCOVER THE PAST

Your state, city, town or community has a rich heritage. Do some research to discover some local history and visit locations that have evidence of a rich cultural past. Take a photo of an old building, statue or tree and do a rubbing or a sketch.

FOLLOW A TRAIL

Make a map of a local trail or bike path. As you follow the trail, mark points of interest along the trail. The next time you take that hike, see what's changed at your points of interest.

Which hiking boot print is different than all the others?

Extra! Extra! Scavenger Hunt

Look through the newspaper to find:

- A picture of someone playing a sport
- A place to exercise
- A local park
- A fun place for the whole family to visit together

Kid Scoop Puzzler

The answer is "sunburned zebra!"

To find the question, cross out the words that ...

- start with the letter **i**
- rhyme with sips
- are the name of an insect
- contain the letter **m**
