Forest Service authorizes \$2.3 million to replace range allotment infrastructure destroyed by Telegraph Fire

The Tonto National Forest received approval for \$2.3 million of Burned Area Emergency Response (BAER) funding to repair or replace infrastructure damaged and destroyed as a result of the Telegraph Fire, the largest wildfire in Arizona during the 2021 wildfire season.

Following post-fire assessments, the Tonto submitted a funding request utilizing the Minor Facilities and Infrastructure Rehabilitation Pilot program to the National Burned Area Emergency Response (BAER) leadership for review and approval. Unlike the traditional BAER funding program which is specific to mitigating post-fire flooding on federal lands, this new pilot program authorizes repair of minor national forest land facilities and infrastructure damaged and/or destroyed by wildfires.

Last week at the Russell Gulch Landfill, Gila County Supervisor Tim Humphrey donated 16 children's bicycles, along with helmets, to the Town of Miami and the Globe Police Department.

In a longstanding program, landfill staff work year-round to rebuild discarded bikes for donation to under-

privileged children.

The Globe Police will use the bikes in their annual bicycle rodeo next year, after which children who complete the obstacle course can enter a raffle for the bikes.

The Town of Miami gave away their bikes during the town's Small Town Christmas event.

Landfill Dollar Day discount now limited to 1,000 pounds

The Gila County Board of Supervisors has continued the once-a-month 'dollar day' discount for loads taken to landfills in Globe or Payson on the second Saturday each month, but approved a change that becomes effective Jan. 8, 2022, when residents can still pay just \$1 to dispose of one load of up to 1,000 pounds. Truck or trailer loads weighing over 1,000 pounds will be charged \$1 for the first 1,000 pounds and the existing fee rate for everything over that.

Please bring coins or a dollar bill for loads that will cost just a buck; debit

or credit cards are accepted for additional fees. Bringing \$1 cash to pay for the

discount is a helpful courtesy, quicker and more efficient than credit cards, and

bringing that dollar avoids credit card fees and time spent to process a one-dol-

lar credit card transaction. Landfill staff remind those planning for the next

'Dollar Day' discount Jan. 8 to tarp, cover and secure loads of trash; state and local laws require all loads must be covered or secured.

That applies to residential haulers as well as commercial, and applies on 'dollar day,' too. The dollar day discount was created for residential users, and proof of Gila County residency is required.

Commercial haulers pay regular landfill fees. Need to confirm the landfill schedule? Call Russell Gulch Landfill at (928) 425-7470.

Tax changes to know before you file your 2021 return

Each year, key changes are made to Arizona's tax code. Here are some highlights you should know:

Due Date for Calendar Year Filers

Because April 15, 2022 falls on a federal holiday, taxpayers have until Monday, April 18, 2022 to file their 2021 tax return. If filing an extension, the extended due date to file the income tax return is Oct. 15, 2022. However, because that falls on a Saturday, taxpayers have until Monday, Oct. 17, 2022 to timely file a 2021 tax return.

2021 Arizona Standard Deduction Amounts Adjusted for Inflation:

- \$12,550 for a single

taxpayer or a married taxpayer filing a separate return;

- \$25,100 for a married couple filing a joint return; and
- \$18,800 for individuals filing a head of household return.

The standard deduction can be increased by 25% of the charitable deductions the taxpayer would have claimed if they had itemized their deductions. This increased amount cannot be claimed on Form 140EZ or 140A.

2021 Tax Surcharge

Proposition 208, passed by voters in the last election, applies to tax year 2021 and requires individu-

als with taxable income of more than \$250,000 (single and married filing separate) and more than \$500,000 (married filing joint and head of household) to pay an additional tax surcharge. See more at: <https://azdor.gov/news-events-notices/news/arizona-estimated-tax-payment-notice-new-surcharge-tax>.

Arizona Small Business Income (SBI) Tax

On July 9, 2021, Governor Doug Ducey signed into law Senate Bill 1783, creating a small business income tax by enacting Arizona Revised Statute (A.R.S.) § 43-1701 effective for tax years beginning from and after Dec. 31, 2020. The small

business income tax rate for tax year 2021 is 3.5% on the amount of a taxpayer's computed Arizona small business taxable income.

Beginning with tax year 2021, individuals may elect to report their small business income on Arizona Form 140-SBI, Small Business Income (SBI), for the small business income included in their federal adjusted gross income. The SBI tax return must be filed timely with the regular income tax return to be accepted. For more information, visit:

<https://azdor.gov/individual-income-tax-information/small-business-income-and-surcharge-guidance>.

United Fund helps Local Nonprofits Jump into 2022

Carol Broeder

United Fund of Globe-Miami
Since 1964

Each new year offers a new beginning.

Looking toward a future filled with hope, United Fund of Globe-Miami, Inc. will hold its annual meeting at noon Monday, Jan. 24, via Zoom.

For the first time, United Fund (UF) is giving each of its agencies a free, one-year membership in the Catchafire program, in partnership with Arizona Community Foundation (ACF).

Catchafire allows participating nonprofits to collaborate with volunteer professionals across more than 120 types of projects. Opportunities range from one-time graphic design work to long-term projects like strategic planning and board development.

"Participation in Catchafire yields great things for nonprofits and their communities," says UF Executive Director Maryn Belling. "Catchafire can and does help nonprofits—especially ones like ours—in awesome ways."

"It's a perfect way to jump start their 2022," says ACF's Regional Director Angela Laskarides, with the Southeast Office. "Catchafire is their connection to highly-skilled, nationwide volunteers who are screened and verified in terms of their expertise," and it's confidential.

Regional Philanthropic Advisor Colleen Iuliucci, also with ACF, will facilitate Catchafire Onboarding for

all 2022 UF agencies.

ACF, with a four-star rating for 12 years by "Charity Navigator," serves rural Arizona counties that surround Pima County, including Gila and Pinal Counties.

"We worked on fire and flood response in Globe-Miami over the summer, helping the community recover," Laskarides says.

There are 350 Southern Arizona nonprofits licensed to use Catchafire, which Laskarides calls "an amazing number."

"With COVID, fires and floods, the local nonprofits have really taken a hit," she says. "I am so glad that Maryn and Linda (Oddonetto) decided to do this."

In six years with ACF, Laskarides has seen nonprofits fund eight or nine projects on one license.

She gives two examples—one in Willcox and another in Patagonia.

The Willcox Historic Theater and Arts offers entertainment; education and cultural programs

and activities for all ages. With help of a Catchafire volunteer, the Theater saved \$8,401 on five projects: program management; elevator pitch coaching; event management and two on marketing strategy.

The Hummingbird Monitoring Network in Patagonia, helping hummingbirds survive, reproduce and thrive, saved \$77,235 on 21 projects, including an individual donor letter; brochure writing; translation; Google analytics setup and training; tech systems; website setup and flyer graphic design.

"Globe-Miami was not even in the service area prior to this. We are learning about each other and what good things nonprofits are doing in this collaboration," says Laskarides, adding, "We have a broader sense of community now including Southern and Eastern Arizona." Laskarides explains Catchafire volunteers are from all over the country, meaning someone from

Delaware may help someone in Arizona.

"Volunteers from elsewhere bring a fresh perspective to your nonprofit," she says. "It also gives nonprofit managers a chance to speak candidly to someone outside the community," such as with an HR issue, for example.

Nonprofits may interview volunteers, and some develop long-term working relationships.

"It's like adding a staff person or two for no charge," Laskarides explains. "Out of 300 nonprofits, only one didn't have a good match with its volunteer," which is a 99.7% success rate.

Another benefit of Catchafire is how easy it is to use.

"Just login and get started. I think the nonprofits will be excited, and we're here to help," she says. "They will be so glad they did."

Laskarides says some nonprofit managers tell her after using Catchafire, "I wish I hadn't waited so long."

She has words of praise for the UF board of directors in its decision.

"It's a tremendous gift from United Fund, especially after the fires and floods," Laskarides says. "It was so generous and forward thinking."

The Story of Christmas

We deck the halls with crimson
Berries nestled in spiny evergreen holly.
Laughter mingles with joy
Permeates our humble mansion.
Ponderosa pine's intoxicating scent
Roams the halls dispelling discontent;
Mirth is doubly birthed- love stirs.
In this joyous season with familiar stellar
Melodies in harmony with fragrances
And countless lights, envelop our atmosphere.
It's a spiritual time of the year
When Heaven's Throne visits earth in goodwill
With salvation, transcends mankind's civil
Conventions with agapé love;
Teaches us to embrace and share
The face of the contagious love.

A miracle of miracles
Our heart, the essence
Of our soul, in rhythm
With our precious God's reign;
Sets a wonderland of peace
That mists among the populace
Insists we forgive, we forget past hurts.
We cannot succumb to pride imprisoned,
We shun its treason.
Our senses burst alive forced
By messages nature provides
In meekness we receive most heartily.
This season's sacredness.
Remarkably, reformation
Champions our virtuous side-
We choose love to reside.
Solemn prayer and goodwill progresses
This noble love kernel to root, profusely.

Ancient Persian Magi, Casper,
Melchior and Balthazar read
The drama of world history
Coded in the stars
Foretelling the birth of a King,
Excelling in the constellation Virgo,
Revealing a Savior.
Virgo the virgin bringing forth

The Messiah to reign on earth.
The brightest hyper interstellar star;
A brilliant yellow-white diamond, by far;
Almighty God invokes its elliptical path
To chronicle Messiah's royal birth.
These wise astrologers guided
By this large, fiery mysterious
Star in three B.C. to Bethlehem
Endured a courageous
Pilgrimage of a thousand miles
On the backs of camels
To worship the Messiah-King
With gifts and smiles.

Each year during this High Holy Festival
We coronate this King of Promise-
Encased in Life's Light Eternal.
We pay homage with kisses
To His Holiness.
This King binds us with His love Divine
And His Peace floods our mind
King Jesus calls us to His
Imperial Heaven sublime,
All who are inclined.

Happy Birthday MESSIAH!
Merry Christmas EVERYONE!

Gertrude "Trudee" O'Leary

Gertrude "Trudee" O'Leary, age 74, joined God in Heaven on Nov. 18, 2021. She passed peacefully in her home, surrounded by family and an abundance of love.

Born on Feb. 4, 1947, in Cedar Rapids, Iowa to Charles and Alma Voelkel, Trudee moved to Globe, Arizona in 1964 and graduated from Globe High School the following year.

She was married and then mothered two children, Christopher Hemnes and Kirsten Michelle Visnaw, as well as raising her grandchildren and great-grandchildren. She was a very successful business owner, but her family and her faith were always the most important things in her life. Family was her

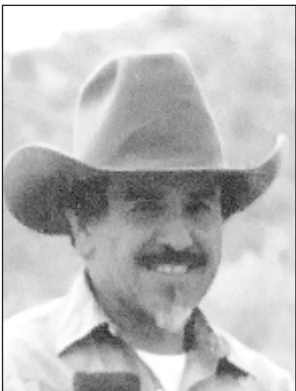

entire world, her passion and life. She was a strong, kind, musically talented and God-fearing woman who will be remembered and cherished fondly for an eternity to come.

Preceded in death by her father, mother and son, Trudee is survived by her husband Lynn, daughter Michelle, brothers Jim (Donna) and Fred (Suzy),

Gilbert Ruiz

Gilbert Ruiz was born February 6 to Jose and Anna Ruiz. He attended Globe High School but opted for enlisting in the Army, serving a term in Germany before graduating.

Once he completed his term he came home to Arizona, where he met Lucy Romero from Superior. Gilbert and Lucy eloped to Florence, Arizona on Nov. 1, 1949. They welcomed their first child, Anna (Tinky) in December 1950 and began building from there with a son, Gilbert (Owen) and daughter, Debra. When Gilbert and Lucy were expecting another child, Gilbert was so hoping for a boy so that Owen would have a brother. Instead he was welcomed by twin girls, Laurie and Lorraine - such a sur-

prise to all!

Dad did many things in his life. He was an auto mechanic by trade, and a bull rider in his younger days. Later in life he was a weekend cowboy. He loved to hunt and fish and being around family and friends. Dad always loved to try his hand at new things, including making wine, beer, and his delicious jerky. He even

A viewing was held on Wednesday, Dec. 1, 2021 from 11 a.m. to 1 p.m. at Bulman Miles Funeral Services, 237 S. Sutherland St., Globe, Arizona. The funeral service was held at 1 p.m. Interment followed the funeral at the Pinal Cemetery in Globe.

tried his hand at canning his home grown chiles and learned how to speak the Apache language.

Gilbert is survived by his children Anna "Tinky" Lewis, Gilbert "Owen" Ruiz, Debra Moya, Laurie Ruiz and Lorraine (Ramon) Remos, his brother Joe Ruiz, five grandchildren, 13 great-grandchildren and 5 great-great-grandchildren. He is preceded in death by his wife of 55 years Lucy R. Ruiz and his grandson David Rosalez along with his parents, three sisters and two brothers.

Dad lived his life to the fullest and enjoyed every minute of it. He will be deeply missed. As he always used to tell us, "Vaya con dios". Assisting the family; Lamont Mortuary of Globe.

Billy Claude Morrow

Billy Claude Morrow, 95, died peacefully in his sleep in Mabton, Washington surrounded by his family.

He was born April 16, 1926 to John and Mildred Morrow.

He married Berniece Morrow on June 9, 1950. Together they had two sons, Edwin (Globe, Az) and Clayton (Connie) (Pueblo, Co). They have three grandchildren (Jason, Austin, and Janet) and 10 great-grandchildren.

Bill had many passions during his life, which included breaking horses with his brothers and working the family ranch, but his true passion was in being a rockhound and self-taught silversmith. Bill spent time with friends collecting rocks all over the U.S.A. Bill spent much of his free time turning his findings into beautiful works of art. Those who have visited

Bill at home and countless gem and mineral shows knew that his life was dedicated to rocks, and he loved to tell you about them but rarely where he found them. He was also the president of Four Corners Gem and Mineral Club for many years.

Bill also spent time working for Empire Gas and with his wife Berniece ran the Boyville Ranch in Mabton, Wa, the Kings Garden in Seattle and their own family Silver Spurs Boys Ranch in Tonasket.

They also enjoyed traveling by RV across the country.

Anyone who knew Bill knew that nothing was more important to him than friends and family. Bill will always be remembered as a kind, gentle and caring man who always had a smile on his face and always with a greeting of "Howdy Howdy." He would always tell you that he was having fun in life and as long as he was having fun he was going to keep on going. He left us with many pearls of wisdom, including hold on to the time that you have because once it's gone you can't get it back.

Bill was preceded in death by his parents, John and Mildred, his brother Dean and his wife Berniece. He is survived by his brother Jack, his sons Clayton and Ed and his grandchildren and great-grandchildren.

FOREST continued from page 1

Natural Resource Conservation Districts, Farm Service Agency, Gila County Board of Supervisors and Gila County Cattle Growers Association to target BAER pilot money to fund the replacement and repair of boundary fencing destroyed or damaged by the fire.

"We received approval for 100 percent of the funding we requested. It's one of the largest amounts awarded for range infra-

structure replacement under the pilot program since its inception in 2020," said Ecosystems Staff Officer and BAER Team Leader Mike Martinez. "Already, a procurement package is being prepared for the solicitation of bids to install the fencing which we plan to have finished by the end of 2022."

The Telegraph Fire began on June 4, 2021, approximately five miles southeast of Superior, Ari-

zona. When the fire was finally contained, it had burned more than 180,000 acres of national forest land, Bureau of Land Management and Arizona State Trust lands along with numerous homes and structures. The cause of the fire is still under investigation.

The Globe-Miami Gun Club was able to donate a large pile of gifts to the Salvation Army's Christmas Angel Program along with \$1,000 to the food bank.

The Globe-Miami Gun Club wishes to thank the community for helping raise funds for the Gila Community Food Bank and the Salvation Army's Christmas Angel Program through our charity raffle. A check for \$1,000 was presented to the food bank and \$1,000 was spent purchasing gifts for 27 Angels in the Christmas Angel program. We would

like to express our appreciation to Dominion Firearms, the Gila County Women's Gun Club and the various gun club members who sold the raffle tickets. Since all tickets were sold sooner than expected, the winners were drawn early and have all been notified. The club expects to hold another raffle next year to benefit these two charities.

God is loving and merciful, but it is a harsh truth that the spiritually dead will experience His wrath.

God's Word is always true, but sometimes it comes across as confrontational when it exposes our erroneous thinking. One truth that's often considered challenging is the way God describes the desperate state of those who are without Christ. They are ...

Dead in their offenses and sins. Spiritual death came to all people as a result of Adam's sin, leaving the human race under God's condemnation (Eph. 2:1).

Unable to grasp spiritual things

Their minds are darkened, and they cannot understand the things of God (1 Cor. 2:14).

Outside of God's family. Spiritually, there are only two families in the world: the family of God and the family of Satan (John 8:44).

Under God's wrath. Unbelievers, even the ones who are kind and loving, are under judgment because of their

unforgiven sins (Eph. 2:3).

Those without Christ are in grave danger and don't realize it. They need to hear the bad news before they can see their need for a Savior. So find a way to carefully give them these hard truths, and explain how they can be rescued: Through faith in the saving work of Jesus Christ on their behalf, they can escape God's wrath and condemnation.

Offering

BY DR. DAN MORTON
Contributor

The act of making an offering to God is illustrated in Genesis.

Genesis 22:1: "God tested Abraham. He said to him, 'Abraham!' 'Here I am,' he replied. Then God said, 'Take your son, your only son, Isaac, whom you love, and go to the region of Moriah. Sacrifice

him there as a burnt offering on one of the mountains I will tell you about.'"

The story continues with the preparation and right up to the last moment when the act is about to be finalized; God speaks again to Abraham.

Genesis 22:12: "'Do not lay a hand on the boy,' he said. 'Do not do anything to him. Now I know that you fear God, because you have not

withheld from me your son, your only son.'"

It was common practice throughout the Old Testament to make offerings to God. Usually they were of an animal, without blemish and perfect in every way. This was indeed an offering of the best one might have.

Hebrews 10:5: "Therefore, when Christ came into the world, he said: 'Sacrifice and

offering you did not desire, but a body you prepared for me; with burnt offerings and sin offerings you were not pleased. Then I said, Here I am – it is written about me in the scroll – I have come to do your will, O God.'"

Jesus became, "The lamb that takes away the sins of the world."

Do we cheerfully give God an offering of our best?

Christmas Acclamation

Praise and adoration be to our God, for he is good. His grace and mercy fill the heavens and earth. Let us come into his presence with thanksgiving, and joyfully praise our creator. As a father, he loves us, his children. Sing his praises with joyful thanks in love and devotion! Let us love him who has loved us since the world began. Who would not love God from the heart? We can not give him adequate praise. Still, in heaven he receives with goodwill our joyful songs of praise and pours much joy into our souls, whenever we thank him, whenever we live in him.

Sing to Jesus Christ praise, thanks and glory, for he came from heaven to destroy sin and death for us and by his precious, willing sacrifice, restored innocence and peace. Already here on earth he renews joy and life to us by his grace. Still greater bliss is prepared there for those who love him when one day they will be renewed in his image, made new and holy, and awakened from death. Let us rejoice in our holy God! Let us rejoice in our eternal God! How blessed it is to praise him here, and then in heaven. He is our holiness! He is our life! He always loves us, his children.

Superstition Mountain Museum brings back free lecture series

The Superstition Mountain Museum's free lecture series "Legends and Lore of the Superstitions and More," is scheduled to begin on Thursday, Jan. 13, 2022. The series brings together local scholars, personalities, historians, artists and authors to introduce attendees to the rich culture of our region.

Lectures are held Thursday afternoons at 2 p.m. in the Museum's outdoor amphitheater. The featured presenters and dates for January are:

January 13 - Teton Ken
The Lost Dutchman and His Mine

This year's annual lecture about the Old Dutchman, Jacob Waltz, and his infamous gold mine will be presented by our own Dutchman "look-alike in residence," Teton Ken. Learn just who Jacob Waltz was, where he came from, the facts regarding his life and death in Phoenix, and just how the clues (and gold found under his bed) have kindled a flame of interest that has only

grown over the years into a mother lode of history and mystery. Teton Ken knows his history. For many years, he has packed gold hunters, hikers and television crews into (and out of) the Superstition Mountains. He worked at Apacheland Movie Ranch and is an accomplished actor. During the winter season Teton Ken and his animals can be found at the museum on weekends, giving burros and throwing a few songs and stories into the mix.

January 20 - Wayne Tuttle

The Lost Dutchman Mine Fact and Fiction

An avid seeker of the Lost Dutchman's gold, Wayne Tuttle has roamed the Superstitions for the past 40 years. During this lecture, he will bring the wealth of information he's gathered during his search for the elusive prize. Wayne has been a featured cast member of the History Channel's "Legend of the Superstition Mountains" and his YouTube

series "Chasing Legends of the Superstition Mountains" has been a favorite since 2017. Wayne is also a familiar face at the Dutch Hunters' Rendezvous, an annual gathering of like-minded prospectors, historians and authors that was started by Joe Ribaud in 2005. Wayne has organized this late October gathering for the past several years.

January 27 - Dutch Hunters Roundtable

Wayne Tuttle will moderate a panel of modern prospectors. Tuttle was one

of the main organizers of the Dutch Hunters' Rendezvous.

To enjoy the presentations fully, attendees are requested to bring a lawn chair, hat and sunscreen. Please, no smoking and don't leave your dog in your vehicle. Coffee and cookies will be available for purchase with all of the proceeds going to the museum for continuing educational programs. Come early and have lunch on the grounds; food will be available for purchase.

Menudo Recipe

Ingredients

1 1/2 gallons water
3 lbs lean beef tripe, cut into pieces
1 onion, quartered
4 garlic cloves
1 bay leaf
1 can (14.5 ounces) cooked hominy or caca-huazintle corn

15 New Mexico dried red chili peppers
6 garlic cloves
1/2 teaspoon cumin
1/2 teaspoon oregano
Salt and pepper to taste

Steps
In large pot (2 gallons), place the water over medium-low heat. Add the beef tripe, onion, 4 garlic cloves and bay leaf and cook for 2 hours. Make sure the beef tripe is tender and not overcooked.

To make the sauce: Remove stems from the chilies and soak in hot water for 12-24 hours, until soft.*

Blend the chilies, 6 garlic cloves, cumin, and oregano with a cup of the liquid in which the chilies were soaked. Strain. Season with salt and pepper to taste.

Add the hominy or corn and the chili sauce and let it boil for 10 minutes to incorporate the chili sauce with the rest of the ingredients.

Serve in a soup dish with onions, oregano and fresh lemon juice to taste.

*To speed up the process, bring the chiles to a quick boil for 10 minutes, remove from the stove, cover, and let rest for an hour or until they are no longer too hot to blend.

Italian Wedding Cookies

Ingredients

2 eggs
6 Tbsp oil
1/2 cup sugar
1 tsp almond anise, or vanilla extract
2 cups flour
2 tsp baking powder
1 pinch salt
Glaze
2 cups powdered sugar
1 tsp almond anise, or vanilla extract
1 pinch salt
3-4 Tbsp cream or milk, warmed

Instructions

Whisk together eggs, oil, sugar, and extract in a mixing bowl. Stir in flour, baking powder, and salt.

Roll dough by table-

spoonfuls into balls. Chill balls of dough for at least an hour, or freeze for 15-20 minutes. Place cold dough balls on cookie sheets lined with parchment paper.

Bake at 350° for about 9 minutes, or till tops are set. Bottoms will be lightly browned, but tops should still be white. Remove cookies to cooling racks and cool completely.

For glaze, combine all ingredients in a small bowl and whisk till smooth, adding enough warm cream to get a thin but creamy consistency.

Dip tops of the cookies in the glaze, then top with sprinkles.

Merry Christmas Globe-Miami

Did you know?

Lights on a Christmas tree may seem like a relatively recent phenomenon, but people who can't wait to deck the halls each December may be surprised to learn that this beloved tradition dates all the way back to the late nineteenth century. Edward Johnson, a friend and colleague of Thomas Edison, introduced holiday light bulbs in 1882. Prior to that, candles were lit on trees and families would briefly gaze at this awe-inspiring bit of holiday decor before the candles

were quickly extinguished. Johnson is credited with being the first to suggest light bulbs, which were invented by his friend Edison, be used to light trees in place of candles. While many were impressed by Johnson's eight-bulb holiday display, it remained a novelty until the 1920s, when preassembled lights became more accessible. Since then, Christmas tree lights have taken hold as a must-have piece of holiday decor in households across the globe.
