## Obituary/Community

### Harry Chris (Ty) Fansler

Harry Chris (Ty) Fansler was born on July 12, 1936 to Babe and Jim Fansler in Phoenix, Arizona. He spent some of his early years in Roosevelt where he earned the nickname Ty Cobb because he spent his time playing baseball. They also lived at the Tonto Creek Fish Hatchery where he developed strong roots and a deep love for the rim country.

He married Barbara Richardson, the love of his life, on Sept. 5, 1953 and they lived a very happy life until she passed away in 2004. They had three daughters, Carol Gustafson (Gary), Debbie Davis (Tommy) and Kim Wagner (Jack), and one son, Jim Fansler (Helen). Harry had nine grandchildren, and 28 great-grandchildren and great-great-grandchildren.

His strongest love and devotion was for his family. He taught us morals, integrity, compassion and a strong work ethic. His passion was the outdoors; he loved to camp, hunt, fish and cut wood. Even when he couldn't do the things he had always done outside he was happiest to go along with "the boys," his fond reference for Jim, Tyson, Trenton, Gabriel and anybody working on that crew or maybe anyone going on a hunting or camping trip to his favorite spot at Clay

Springs.

He was known affectionately to many as "Pa." He was dad, grandpa, great-grandpa and great-great-grandpa. He only went to school through the eighth grade but was very successful in his work experience and career. He worked at Inspiration Smelter and was promoted to be the youngest supervisor during that era. He used his welding skills to become a boilermaker/welder for Schuff Steel, and his skills

and experience to become a crusher maintenance supervisor at BHP until he retired. He told the best stories and had a wonderful sense of humor. He rarely ever met a stranger and was always willing to help someone. He was a very positive influence for so many. He will be greatly missed by family, friends and all those who had the pleasure of knowing him. Rest in peace, "Pa." Until we meet again.

Service will be at 12 p.m. Saturday, Nov. 6, 2021 at Living Waters Community Church, 125 Haskins Rd. in Globe, Az. Luncheon immediately following the service at DJ Companies, 2031 N. Az. Hwy. 188, Globe. Cremation will follow at a later date.

Assisting the family; Lamont Mortuary of Globe.

# Humanity is Better for its Universal Connections

## *United Fund of Globe-Miami brings them home*

BY CAROL BROEDER  
CONTRIBUTOR

Now 24 agencies strong, United Fund of Globe-Miami, Inc. held its 2022 Kick-Off Meeting via Zoom earlier in October.

“The participating agencies for 2022 were all well-represented,” says UF Executive Director Maryn Belling.

Not only were there representatives from all 24 agencies, there were also individuals representing multiple agencies, along with agencies holding in-person sessions that logged in together, she says.

The meeting included a 90-minute virtual workshop with Liz Warren from the Story Telling Institute at South Mountain Community College. With family ties to Globe, Warren began by talking about her mother, Mary Elizabeth Warren, born in 1927 at a home in Globe where Besh Ba Gowah Archaeological Park and Museum now stands.

The keynote speaker encouraged attendees to embrace the idea that their stories are valuable;

recognize that they are the ones to tell them and let themselves be as vulnerable as is comfortable for them.

“To gather and hear stories from others, and to engage your community in sharing stories, you will need to be willing to tell them yourself,” Warren told participants. “That reciprocity is the foundation of how storytelling works to build community.”

Warren also brought “a great mix of full-group and small-group activities and learning opportunities,” to the workshop Belling says.

“For 90 minutes, we were transported to one another’s lived experiences. We’ve all known one another in the context of our non-profit service, but to come together as individuals, willing to share formative experiences and foundational values, was awesome,” she says.

“Participants had opportunities to learn about—and through—one another. The overall experience showed all of us that the ‘how to’ of using stories to learn is an art we each

have the opportunity to maintain,” says Belling, adding, “Humanity is better for its universal connections.”

Attendance was limited to ensure “a quality experience for everyone.” And while Zoom was a good format for the 90-minute session. “a longer, larger in-person session is in the works for 2022.”

\*Past, Present and Future In 1964, the local United Fund began as a means to raise funds for area service agencies helping the Globe-Miami community. That year, five agencies received a combined total of \$11,074.50.

From 2017 to 2021, 47 local non-profits received \$2,624,386 from United Fund, thanks to support from incredibly generous donors and corporate match partners.

Currently, United Fund uses both individual donations and generous corporate match dollars in providing \$300,000 to 21 local charities.

There are now 24 United Fund agencies.

They are:  
\*Arizona Youth Partnership Board;

\*Bullion Plaza Museum and Cultural Center;

\*Cobre Valley Center for the Arts;

\*Cobre Valley Youth Club;

\*Copper Basin Coalition;

\*Copper Cities Youth Sports;

\*eSports;

\*Friends of the Globe Public Library;

\*Gila Aging;

\*Gila Community Food Bank;

\*Gila County 4-H Leaders Council;

\*Gila County Historical Society and Museum;

\*GILA House;

\*Globe-Miami Community Concert Association;

\*High Desert Humane Society;

\*Horizon Human Services;

\*Miami Arts Commission;

\*Miami Genesis;

\*Midnight Cicadas Robotics;

\*Pinal Mountain Foundation for Higher Education;

\*Pinal Mountain Lions Foundation, Inc.--Project ACE;

\*Salvation Army Daycare;

\*St. Vincent’s of Holy Angels;

\*Summer Youth Musical Theater Program Class-

room Outreach.

The local United Fund has set a 2022 fundraising goal of at least \$430,000.

“We know our donors will meet that challenge between ‘Fair Share’ donations (one hour’s pay per month) from staff members at local employers, corporate match donations, individual donors, community canvassing and online giving,” Belling explains. “We have a couple of great learning opportunities for our agencies coming up over the next few weeks, too.”

United Fund continues working with local employers to facilitate payroll-deduction programs. “Any employer interested can reach out to us and we’re happy to collaborate,” she explains.

“In addition to our amazing, ongoing payroll deduction employers, we’ve seen donations from seven new donors in response to the 2021 ‘Flood Raising’ effort,” Belling says. “We are humbled by the outpouring of support for our community.”

## Deborah Ann Montano

Deborah Ann Montano, known to her loved ones as Deb, passed away peacefully on Oct. 19, 2021 from natural causes. She was 62 years old.

Deb was born in Superior, Az. on Aug. 18, 1959, to her loving parents, David and Verna Lira. She quickly emerged as a leader and was active throughout school and her community in Student Council, Rainbow and the Presbyterian Church of Superior. She was a talented musician, playing both the piano and flute, and played at many local, state and even nationwide events. One of her greatest achievements was being named Grand Arizona Flag Bearer in Rainbow.

After graduating from Superior High School, Deb went on to achieve both her Bachelor's and Master's degrees from the University of Phoenix, while working full-time. She followed in her father's footsteps, joining the copper mining

industry.

She was praised by supervisors and peers for her stellar work ethic, striking intelligence and particularly her caring, loving nature. Deb made many lifelong friends in her years at Magma Copper Company, BHP, Phelps Dodge and Freeport McMoRan. While with Phelps Dodge, she was offered a senior controller position in Chicago; however, she was unable to accept the position as travel had become increasingly difficult for her due to a debilitating health issue. It was this that eventually forced her into early retirement.

## Kenneth Ray Campbell

Kenneth Ray Campbell was born on Dec. 27, 1950 in Miami, Arizona to Robert and Sylvia (Allen) Campbell. He passed away on Oct. 11, 2021 in Mesa, Az. He was raised in Miami with his siblings Judy, Jimmy, Robert, David and Dennis. In 1969 he was drafted into the United States Army, giving him the opportunity to travel the USA. He served in Vietnam as a helicopter gunner and was honorably discharged. He worked at the copper mine's solvent extraction plant and Miles

Mortuary.

Kenney is survived by his devoted wife Michele, his children Heather (Anthony) Guerrero, Christopher (Nicole) Campbell and Amber Campbell, and

One of the roles in life that gave her the most pride and joy was that of being a mother. Her daughter Aja was born to her in January of 1980, and her son David in March of 1988. She also considered her stepsons Isacc and Santiago "Jimmy" Montano her children, and opened her heart and home to them. Deb married David, Isacc and Jimmy's father, Ildefonso "JR" Montano, and although they were divorced later in life, she remained close to her brothers and sisters in the Montano family.

Deb is survived by her parents David and Verna, her sisters Cheryl (Ruben) and Elaine (Charles), her daughter Aja (Josh), and her stepsons Isacc and Jimmy. She was preceded in death by her son David as well as her paternal grandparents Harry and Refugia "Cookie" Lira and maternal grandparents Otto and Cornelia Albert.

his stepchildren Barbara, Ricky and Shane Olson. He is also survived by his grandchildren Marcus (Joseline) Arrellin, Gabriel (Jackie) Arrellin, Devin (Jaycee) Holder, Gage, Chloe, Madison Campbell and Kaylee Brewer, and great-grandchildren Jace Ryan, Ellianna Ruby Arrellin and Ryker Ray Holder as well as many nieces, nephews, relatives and friends. He never met a stranger.

He was preceded in death by his father Bob, his brothers David and Robert,

## Jacqueline E. Lundy

Jacqueline E. (Jacque) Lundy, November 30, 1930 - October 26, 2021

Born in El Paso, Tx., the oldest child of Arlin and Sara Maddox, Jacque spent her childhood in El Paso and Lordsburg, New Mexico. She graduated from El Paso High in 1947 and completed one year of college at Texas College of Mines (UTEP). She married the love of her life, James (Jim) H. Lundy Jr., in September 1948, a marriage that lasted for 69 years until Jim's death in 2017.

In September 1949 Jacque and their baby son, James H. Lundy III, joined Jim in Superior, Az. as he commenced a long career as a copper mining engineer. In 1951 Jacque and Jim moved up the road to Miami, where they established deep community roots that would endure for their lives together. Their daughters Margaret Ann and Eugenia (Genie) were born in Miami in 1951 and 1954, and Jacque devoted herself to her family and her community. She was a dedicated homemaker, an excellent cook, a gracious hostess, an avid golfer and a sly bridge player. Jacque was involved in a variety of community activities: Girl Scouts, 4-H, The Community Concerts and the Auxiliary of the American So-

and his dogs Sparky, Angel and Littlebit.

Services will be held on

city of Mining Engineers. However, all these interests were secondary to her long-time service as a member of the Miami Church of Christ, where she taught Sunday School and for many years faithfully produced the Church's weekly bulletin.

In the late 1960s as her children were proceeding through elementary and high school, Jacque focused her remarkable energy to complete her own college education. She took two years of courses through ASU's fledgling affiliation with Public Television (Channel 8) and then commuted to Tempe each week to complete her bachelor's degree and earn her teaching certificate. Jacque then taught in the Miami Public Schools for nearly two decades (Kindergarten, 4th grade and at Miami High School).

Jacque was a devoted wife and a wonderful mom, and she dearly loved her grandchildren and extend-

ed family of siblings, cousins, nieces, nephews and then later in life, her great-grandchildren. She was a hard worker and a trusted friend, and lived a life of service to her neighbors and the entire community.

Jacque was preceded in death by her husband Jim, her daughter Margaret, and her siblings Arlin Maddox, Sally Ann Cave and Edward Maddox. She is survived by her son Jim III (Michele), daughter Genie (John) Barajas, seven grandchildren, 20 great-grandchildren, one great-great-grandchild, and numerous nieces and nephews. She leaves a lasting mark on her family, her church and the entire Miami-Globe area.

Memorial Services will be held on Wednesday, Nov. 3, 2021 at 10:30 a.m. at Lamont Mortuary Chapel in Globe, Arizona. Interment of ashes will follow at Mountain Breeze Memorial Gardens in Miami, Arizona.

In lieu of flowers, donations can be made in Jacque's name to either The Miami Church of Christ, 735 Sullivan St. Miami, AZ 85539 or High Desert Humane Society, PO Box 383, Claypool, AZ 85532.

Assisting the family; Lamont Mortuary of Globe.

Saints, 1483 N. Driftwood, Gilbert, Az.

## Count your many Blessings; Name Them One by One ... and it Will Surprise You What the Lord Has Done!

To me it seems God has two homes; one in paradise, and the other in your submissive and grateful heart.

Here is a true story. Many years ago a great guy who later became my Bishop told of a fun little thing called "Thankful Thursday". And every single Thursday throughout the year I now celebrate *Thankful Thursday*.

It's a day set aside to NOT ask for one thing more from the Lord ... but to spend the day focused ... really focused on blessings received.

Unless it's an emergency of some sort I make a point of not asking for even the smallest thing.

I like that now I have **52 Thanksgiving Day's** every year instead of just one. I share this idea with others often and even employees of some of the big hearing aid manufactures in the world I deal with have adopted it in their lives. Brings a smile to my face I'll tell ya.

I've given up on trying to catch up to the Lord. The more I thank Him ... the more He gives me. Like I said, I'll never catch up – but it's sure fun trying! And it sits well with me.

I am grateful to have you my family and friends close, as we celebrate in our respective homes with giggling, love and cheer.

Thanks you guys! I get a kick out of the chance to express my much appreciated friendship and love – Listen, I got the sun in the mornin' and the moon during the evening. Also, you all here to praise this Thankful Thursday ...

# Masons' Clothe a Child returning in December

On Saturday, Dec. 11, 2021 at 8 a.m., White Mountain Lodge #3 F & AM will hold the annual Dave Johnson Clothe a Child at Bealls Outlet west of Wal Mart. We will buy clothes for approximately 24 children five to 10 years old. We will seek the assistance of Destiny and Globe school teachers to select 12 children from Destiny and 12 from Globe.

This program has been held annually for over 55

years. Dave Johnson was a longtime supporter and upon his passing asked that donations be made to Clothe a Child. The program operates on donations and any are appreciated. Make donations to White Mountain Lodge #3.

Bealls Outlet assists the program by opening the store one hour before their normal opening time and giving discounts on purchases.

Volunteers help the children pick out clothes, and more volunteers are always needed. The program is a charitable tax exempt 501(c)(10).

Breakfast will be served for all volunteers at the Masonic Temple, 180 N. Broad St. (third floor), following the clothing purchases.

For more information contact James Rasmussen at 928-701-3646, or any Mason.

## Urgently sharing our faith

BY PASTOR NICK JONES

Maranatha Baptist Church

One lesson I learned as a kid was that if you were planning on going to the DMV (now the MVD), you better be prepared to wait. I remember going with my mom, and waiting forever for our number to be called. So as an adult, if I ever had to get a title transferred or get new plates, I know that urgency is not a key word at the Motor Vehicle Division. However, there are many times when urgency is extremely important. For instance, at the ER a head injury gets you seen more quickly than a broken bone. Although a head injury may not look bad on the outside, it can be much more serious in terms of damage. Similarly, as followers of Christ, there are many activities we participate in, but the task of evangelism (sharing our faith) is something that should be done with a sense of urgency.

By "urgency" I don't mean that we simply speed through a conversation about the things of God. No, I mean we must remember the reason behind that task of evangelism. According to the Bible, there comes a time in every person's life when they will die. Shocking, right? However, the Bible goes on to tell us that after death comes judgment (Hebrews 9:27). And while many people in the world have their own opinion, the Bible is clear: not every single person goes to heaven when they die.

It makes some people feel better at funerals to imagine all our loved ones "watching over us from heaven," as if a person's whole life, choices and beliefs no longer mattered. When famed scientist Stephen Hawking, a self-professed atheist, died, social media was flooded with images of Hawking walking towards the clouds of heaven and leaving behind his now-unneeded wheelchair. Hawking once stated, "I regard the brain as a computer which will stop working when its compo-

nents fail. There is no heaven or afterlife for broken down computers; that is a fairy story for people afraid of the dark." Yet, after his death all of the people that looked to him now envision him in a "better place." Talk about a worldview clash. Urgency in gospel proclamation means that followers of Christ must keep in mind that about 150,000 people on this planet die each day, and whether or not they believe in God they will stand before Him. It doesn't matter what we say we "believe"; some things exist and are true regardless of what we think about them. Don't believe me? Say you don't believe in gravity and then jump out of a plane without a parachute. That'll make a believer out of you!

The problem is, we've lost the idea of objective truth in our modern day. We've come to understand "truth" to be whatever we

want it to be at any given time. However, ultimately, truth is what God says is truth. And God says death and judgment go hand in hand. We can practice self-deception, imagining everyone saved from the punishment of Hell, or we can do what God called us to do and be His ambassadors, calling people to be reconciled to God through Christ (2 Corinthians 5:20). The reality of judgment doesn't give us a picture of God being mean or cruel. Rather, judgment gives us a picture of God being holy, righteous and just. You see, our problem is that God is love (1 John 4:8). How is that a problem? If God is love, then God must punish that which is not love. True love cares about truth and justice.

When people carry out heinous crimes, we call for justice. Whenever we perceive that an individual is guilty of a crime and

yet they are able to go free without any consequences, there is public outcry. Why? Justice must be served. Similarly, God, being the greatest good, will be perfect in His judgment and punishment of sin. So every thought, word and deed will be brought into account before our holy God. "For there is nothing hidden that will not be disclosed, and nothing concealed that will not be known or brought out into the open" (Luke 8:17).

The only hope fallen mankind has, then, is in the finished work of Christ upon the cross. We have no goodness in us, so we must turn to the One who does, Jesus Christ. He is the one who was without sin and who willingly went to the cross to die as the substitute for His people. Gospel urgency means calling all people, at all times, to turn

## SHARING continued from 14

from sin and to turn to Christ.

Every day is a gift from God. No one is guaranteed tomorrow. Thousands of people wake up each day unaware they are living their last day on earth. The big question is, "Are you ready to die?" This is not intended to be a morbid question, but an urgent question coming from a place of love and concern.

Dear Christian, hear my plea: Do not let another day pass without telling your loved ones, your friends, your neighbors about the amazing, saving work of Jesus Christ. Urgency in evangelism means we do not put off sharing the gospel, because another day may never come. Charles Spurgeon once said, "If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for." This is the urgency we must have!

## Trinity Baptist to celebrate 76 years

You are cordially invited to Trinity Baptist Church's 76<sup>th</sup> anniversary celebration, on Sunday, November 7.

Church service is at 10:30 a.m., with a fellowship luncheon following. Friends, family and former members are all welcome to join us. Trinity Baptist Church is located at 1362 S. Hagen Rd. in Globe.

If you have any questions, call 928-425-4740.

## A prayer of blessing for your family

Dear Father, in Your beautiful book of Psalms, chapter 103 and verse 17, You give us this wonderful promise, "From everlasting to everlasting the Lord's love is with those who fear him, and his righteousness with their children's children." What better promise could we receive from You in our lives than to see our children and children's children blessed with Your love and righteousness? We ask for Your hand of blessing on us as well. Bless us with strength to be there for those we love, and wisdom to know what to say to bring comfort, encouragement, and sometimes difficult truth. We will need Your patience as we wait for Your perfect will and way in each of our loved one's lives. We are so grateful, Lord God. Amen.

## A prayer to stop worrying once and for all

BY KRISTINE BROWN

Contributor

"When the cares of my heart are many, your consolations cheer my soul." (Psalm 94:19 ESV)

Do you struggle with worry? Do you often wake up in the morning with cares on your heart instead of praise to the One who holds you in the palm of His hand? If so, you're not alone.

When we worry, we allow our minds to dwell on our troubles. So if we want to get rid of worry in our lives, we begin by giving our minds a new place to dwell. Psalm 94:19 encourages us in times when worry threatens to take over. "When the cares of my heart are many, your consolations cheer my soul."

Just thinking about God's promises will bring indescribable joy. The New King James Version puts it this way, "Your comforts delight my soul." God will always comfort us in our distress, no matter how many worries we carry. His comfort is strong enough to eradicate every anxious thought. By taking a moment to focus on Him, we will experience supernatural peace - enough to help us stop worrying once and for all.

You may be wondering if it's even possible to put an end to worry. Training our minds to dwell in God's goodness isn't a one-time thing, but a daily commitment to draw close to Him. Let's begin today with this prayer.

Dear Heavenly Father,

I struggle with worry. So many times throughout my day I catch myself thinking about my problems. I know focusing on my troubles isn't healthy, but I can't seem to stop worrying no matter how hard I try. Help me put an end to worry in my life and find peace through Jesus.

Lord, I choose to let my mind dwell in your goodness today. When I start worrying again, help me turn my thoughts back to you by reminding me of your promises. Jesus gave us his peace so that we could live free from worry. John 14:27 says, "Peace I leave with you; my peace I give you." Let the peace of Jesus overflow in my life. His peace is more powerful than my worrying.

When the cares of my heart are many, I will turn to you. I will rest in your presence and let your Holy Spirit comfort me. Thank you for your Word that says I don't have to worry about anything. (Philippians 4:6)

In Jesus' Name I pray, Amen.

## Prayer for God's Direction

Lord, help me not to lean on my own understanding but in everything acknowledge You so that You can direct my words, thoughts and actions. In Jesus' Name, Amen. ~ Sharon Glasgow

# Tonto National Forest Christmas tree permits available soon

Tree permits will be available to purchase online through Recreation.gov and at local ranger stations for the Payson and Pleasant Valley Ranger Districts beginning Nov. 9, 2021. Permit holders can begin cutting trees on November 19 until the permits expire at midnight on December 31.

"Cutting a Christmas tree on the Tonto is a unique and memorable experience for families and friends," said Forest Supervisor Neil Bosworth. "There's something very exciting about sharing the adventure of finding the perfect Christmas tree to celebrate the holiday season."

No refunds will be made, even if weather conditions prevent you from reaching your cutting area and cutting your tree. Maps and instructions, dates and types of trees that may be cut will be posted on the Tonto National Forest website and Recreation.gov.

To purchase a Christmas tree permit online,

visit Recreation.gov and search for Tonto National Forest Christmas tree permits. It is important to carefully read the overview and need-to-know information prior to purchasing the permit. Visitors will also need to set up or log in to a Recreation.gov account to complete the transaction.

Permits are available at the Cave Creek, Payson and Mesa Ranger Stations listed below:

Cave Creek Ranger District, 40202 N. Cave Creek Rd., Scottsdale, Arizona 85262

Mesa Ranger District, 5140 E. Ingram Street, Mesa, Arizona 85205

Payson Ranger District, 1009 East Highway 260, Payson, Arizona 85541

Cutting a Christmas tree also improves forest health. The permit system helps to thin densely populated stands of small-diameter trees. Local forest health experts identify areas that benefit from thinning trees that tend to be the perfect size for Christmas trees.

Removing these trees in designated areas helps other trees grow larger and can open areas that provide forage for wildlife.

To get the most up to date information from the Tonto National Forest follow us on Twitter @TontoForest or on Facebook @TontoNationalForest.
