Apache Gold Casino Closes Doors

By **SUSANNE JEROME**
Staff Reporter

The Apache Gold casino closed at 5 p.m. on Thursday, March 24 for the rest of the month according to officials on site. Employees will continue to receive pay from the casino throughout the emer-

gency. As of 4 p.m. security guards were keeping new players from entering, disappointing a few last minute gamblers. Sources say that the decision to close the last open Casino in the state was made at a meeting that concluded at 3 p.m. on Thursday.

The people who came from all over were sur-

prised. One man had come down from White River to play.

Regulars from Globe and San Carlos care for a bit of relaxing recreation. One lady who has a stressful job said that she loves to play just because it is non-demanding (except for a little Cash) fun pastime.

Tonto National Monument is modifying operations to implement latest health guidance

ROOSEVELT – Tonto National Monument is announcing modifications to operations to implement the latest guidance from the White House, Centers for Disease Control & Prevention (CDC), and local and state authorities to promote social distancing. As of Tuesday, March 17, Tonto National Monument Visitor Center and Lower Cliff Dwelling trail are closed until further notice. Formal programs and special events including Upper Cliff Dwelling Tours and Night Sky Programs are

cancelled through the end of the season (April). Visitors may enjoy a distance view of the Lower Cliff Dwelling from the Visitor Center parking lot where it is possible to adhere to the latest health guidance.

The health and safety of our visitors, employees, volunteers, and partners at Tonto National Monument is our number one priority. The National Park Service (NPS) is working with the federal, state, and local authorities to closely monitor the novel coronavirus (COVID-19) situation. We

will notify the public when we resume full operations and provide updates on our website and social media channels.

The NPS urges visitors to do their part when visiting a park and to follow CDC guidance to prevent the spread of infectious diseases by maintaining a safe distance between yourself and other groups; washing your hands often with soap and water for at least 20 seconds; avoiding touching your eyes, nose, and mouth; covering your mouth and nose when you

cough or sneeze; and most importantly, staying home if you feel sick.

For high-risk populations, such as the elderly and people with underlying conditions, we ask that they take extra caution and follow CDC guidance for those at higher risk of serious illness.

Updates about NPS operations will be posted on www.nps.gov/coronavirus. Please check with individual parks for specific details about park operations.

MVD Update: Office appointments required; change to license expirations

Moves designed to significantly reduce need for MVD visits

In order to safely and efficiently serve customers during the ongoing health situation, the Arizona Department of Transportation Motor Vehicle Division will limit office visits to only those customers who need essential services that must be done in person.

Two-thirds of MVD services are available online, yet many of the nearly 12,000 daily customers statewide visit offices to process transactions that could be accomplished through ServiceArizona.com. Beginning Monday, March 23, appointments will be required for any in-office services. Walk-in customers will be directed to access services online or by phone, or if necessary, to make an appointment to return.

Authorized Third Party offices are not affected by this change and may have services available.

Additionally, in compliance with Governor Doug Ducey's executive order of March 19, expiration dates for customers whose license or permit expires between March 1 and Sept. 1 have been extended for six months. MVD will automatically update affected customers' motor ve-

hicle records to reflect that change. Customers may also request a duplicate license through ServiceArizona.com, but this is optional.

"These extraordinary measures are needed because the safety of MVD customers and employees is our first priority," said MVD Director Eric Jorgensen.

Beginning Monday, March 23, a new statewide customer service phone call-in system at 602.712.2700 will begin operations between 7:30 a.m. and 4:30 p.m. Customers may set up office appointments for essential services that cannot be done on the phone. But in the vast majority of cases, customers will be assisted with those services remotely. A list of services that can be done entirely online can be found at ServiceArizona.com. Many transactions can also be done through the U.S. mail.

In many instances, the MVD staff member will help the customer access his or her AZ MVD Now account to process some services. AZ MVD Now is a secure, personal account that is already available to all current MVD customers through ServiceArizona.com.

Among the transactions that must be conducted in MVD offices are first-time driver license services, including photos, road testing and some written testing, commercial driver license testing, and some out-of-state title services.

To make an appointment for these in-office services, please call 602-712-2700 Monday-Friday from 7:30 a.m. to 4:30 p.m. Customers who already have a valid Arizona driver license or permit and a photo on file do not need to come to MVD in the majority of cases.

Alfredo Garcia Guerrero (Popouny)

Pops departed this world at 11:30 a.m. March 17, 2020. After a courageous battle with dementia and a truly round to round fight to the end where Popouny finally let go and went to join his family in the hereafter.

Waiting for him are his loving and gracious mother, Enriqueta Garcia Guerrero Orozco (Queta) father Ventura Guerrero, beloved sister Elisa Guerrero Bracamonte (Jim), brothers Ventura (Benny) Guerrero, Enrique (Hank) Guerrero, Carlos (Chale) Guerrero (Rebecca), Eduardo (Bunchie) Guerrero (Jesse) and Roberto (Bobby "O") Orozco. A reunion long anticipated indeed. Alfredo is survived by his remaining loving brother, Richard Carrisoza (Griselda)

Alfredo was born on Nov. 20, 1936 on Euclid Street, an immigrant inhabited canyon and melting pot of mixed cultures that exemplified the American Ideal. This can be evidenced by the nickname he was tagged with as a child. Popouny is a Sicilian word

throughout the years.

A visitation will be held at Lamont Mortuary of Globe on Friday, March 27 from 5-7 p.m. with a graveside service at 2 p.m. on Saturday, March 28 at Globe Cemetery. A Celebration of Life will be held at a later date when possible.

Assisting the family; Lamont Mortuary of Globe.

Alfredo Guerrero

meaning "Tugboat", undoubtedly a true indication of his tenacious nature.

Alfredo graduated from Globe High School in 1956, went to work in the local construction industry after graduation and then decided that there was a better way. He pursued a higher education and graduated from Arizona State College now known as Northern Arizona University in 1962.

He then accepted a teaching position in Yuma, Ariz. at the then recently desegregated George Washington Carver Elementary School where he became a popular and well liked Fifth Grade teacher known for a fair but firm philosophy in teaching education. He moved forward in the pursuing years successfully completing a

Master's Degree Program and Administrators Certification to eventually become Principal at Carver Elementary where he started and finished his career in Education after 30 years.

Popouny is survived by his son Alfred Joseph Guerrero, four grandchildren, Enrique (Henry) Guerrero (Jessica), David Guerrero, Samuel Guerrero (who followed in his grandfather's footsteps to become an educator) and loving granddaughter Rebecca Guerrero and five great grandchildren, Gabriel, Caylee, Emilia, Allison and little Henry Guerrero.

Popouny will be missed as a professional educator, leader (though he would never acknowledge that) and a genuinely gracious individual with a special generosity inherited from his humble roots that he often described in private as, "coming from an outfit that didn't have two nickels to rube together".

Memorial services are pending and will be announced at a later date.

Assisting the family; Lamont Mortuary of Globe.

ADOR extends Income Tax Deadline to July 15, 2020

The Arizona Department of Revenue (ADOR) has announced it has moved the deadline for filing and paying state income taxes from April 15 to July 15, 2020, following direction today by Governor Doug Ducey. This is consistent with Treasury Secretary Steve Mnuchin's announcement that the Internal Revenue Service (IRS) has moved the deadline for 2019 federal tax returns to July 15, 2020.

The announcement by ADOR includes individual, corporate and fiduciary tax returns. The new deadline means taxpayers filing state tax returns or submitting payments after the previous April 15 deadline will not be assessed late filing or

late payment penalties. Taxpayers anticipating they will need more time beyond the new July 15 deadline to file state income taxes should consider filing for an extension by submitting Arizona Form 204 by July 15. Taxpayers do not need to submit Arizona Form 204 if they have already received a federal extension from the IRS.

Individuals should ensure to file accurate tax returns. Here are some key tips:

- E-file. Electronic filing is more accurate, secure and faster.

- Ensure all the necessary lines and forms are filled out correctly. Avoid math errors or miscalculations.

- Don't misspell names

or use two different names.

- Make sure key information like tax ID number, Social Security number, routing number or account number are correct in all the appropriate boxes.

- If filing a paper return, use black ink and print on white paper.

- Do not staple or attach anything to paper returns.

- Don't forget to sign and date the return.

The Department of Revenue encourages taxpayers file electronically, as e-filing is more efficient, more secure and refunds are processed faster than refunds from paper tax returns.

Check out the Arizona Department of Revenue's website at www.azdor.gov for information.

Renaissance Ticket Refunds

BY TED LAKE

The original plans called for the Arizona Renaissance Festival near Gold Canyon to end after Sunday, March 29. However the Festival ended its 32nd season here as of March 15. Officials say their event came to a sudden end because of the man-date which came from the Governor of Arizona.

But what about those who had already purchased tickets which now no longer can used? The Renaissance Festival folks are saying pre sold tickets General Admission

and Pleasure Feast will automatically be re-funded through their Big Ticket Company. This process expected to take from one to two weeks.

For those of you who purchased the Fry's Discount Ticket you are be being asked to send them with a self addressed stamped envelope to:

REN FEST TICS

The Circle

By DR. DAN MORTON

Contributor

Memories come to me at appropriate times, for which I am ever grateful. Many of these are from my childhood and wonderful parents who were always loving and supportive, even at those moments when I tested them. It is because of them and to their honor that I try to do my best in whatever I undertake, not for personal honor, but in respect of them.

My Dad was a pastor for 50 years and I recall passages from his sermons and citations from the many books in his library. One of these, from Edwin Markham, has come back to me at times of trial or stress. "He drew a circle that shut me out- heretic,

God Delights To Do Good

By JERRY BRIDGES

I will rejoice in doing them good. (JEREMIAH 32:41)

When I married my first wife—who is now with the Lord—we asked that the following Scripture be read at our wedding. Note the many expressions of God's goodness: "They will be my people, and I will be their God. I will give them singleness of heart and action, so that they will always fear me for their own good and the good of their children after them. I will make an everlasting cove-

rebel, a thing to flout. But love and I had the wit to win: We drew a circle that took him in."

This wisdom was a simple seed planted by the author, quoted by my Dad, and proven in my sight. Today's world of competition and the drive to win at any price – even the alienating of friends and family is evident in the news, the social media, conversations and gatherings which choose one side or the other, seem to refute the simple answer proposed by Mr. Markham.

The foundation for the growing-up generation is being built by parents, grandparents, aunts, uncles, cousins. We may not be aware of our contributions, but the time will come when they look back on what we say and do. Will it be a vacuum?

nant with them: I will never stop doing good to them, and I will inspire them to fear me, so that they will never turn away from me. I will rejoice in doing them good and will assuredly plant them in this land with all my heart and soul" (Jeremiah 32:38–41, NIV). This sounds appropriate, doesn't it, for two young people committed to serving God full time?

But this assurance was originally given to a group of people described by God as those who "have done nothing but evil in my sight from their youth" (verse 30, NIV).

The Death of Death: Hope in The Midst of Panic

By PASTOR NICK JONES
Maranatha Baptist Church

Right now in our world there is a lot of fear. Fear of sickness, fear of economic failure, and fear of death pervade so many minds. In one sense, this panic is troubling. However, in another sense, I am glad some are using this as an opportunity to think about things that really matter like the reality of death.

In his book, "The Death of Death in the Death of Christ" (1684) John Owen wrote to combat a false doctrine of his day; namely, the un-biblical teaching of universalism. This book has much to say even to our modern context. However, I would like focus upon the very title of the work. Why should we discuss death, specifically, the death of Christ?

The death of Jesus Christ was no ordinary event. In fact, the death of Christ is the singularly most significant event in history. Why should we care about the public execution of a poor, small town carpenter? It's because that carpenter was none other than God in the flesh sent to earth to redeem a people for Himself

God Delights To Do Good continued from page 10

They were in captivity in Babylon because of their sins over many generations.

Just a few chapters earlier, God had said to them: "This is what the LORD says: 'When seventy years are completed for Babylon, I will come to you and fulfill my gracious promise

through a voluntary, sacrificial death. If this bold assertion is true, then His death has monumental implications in our response to it and to how we then live our lives even in midst of COVID-19.

Eternal Purpose Through Death

Throughout the Gospels, Jesus mentions His mission here on earth, stating the He came "not to be served but to serve, and to give His life as a ransom for many" (Mark 10:45). Jesus was not merely some religious guru unwittingly killed by outsiders. His very purpose was to die. When we celebrate the incarnation of Christ (God becoming flesh) during Christmas, we must remember that baby is born in order that He may die.

In fact, this was the very purpose of God, that evil men would put Christ to death. Acts 2:23 states, "this Jesus, delivered up according to the definite plan and foreknowledge of God, you crucified and killed by the hands of lawless men." God brings about His purposes and plans even through the evil intentions of the hearts of wicked men. Therefore, we

to bring you back to this place. For I know the plans I have for you,' declares the LORD, 'plans to prosper you and not to harm you, plans to give you hope and a future' " (Jeremiah 29:10-11, NIV). If anyone qualified for demerits, surely the Israelites in captivity

see the greatest tragedy in human history, the death of Christ, is also the greatest joy for those who trust in Him.

Joy Through Death

Why is the death of Christ a joy for Christians? Through His death we are made right with God and brought into a relationship with Him. Through the death of Christ we can have true, transcendent joy and peace. Through the death of Christ, reality and life make sense. You see, from a biblical Christian perspective, the death and resurrection of Jesus is not simply something we celebrate at Easter every year; it is the very heart and soul of who we are and we hope in.

Throughout history, many have tried to diminish the extent and power of Christ's atoning death. Some people teach that Christ's atonement merely "wiped the slate" of the man born into sin, but after that, it is up to man to live a life worthy of God. However, the worth and value of the atonement of Christ is far beyond anything we can imagine. When Christ shed His blood upon the cross of Calvary, he paid for the sins

did. Yet God promised to prosper them, to rejoice in doing them good.

Bridges, J. (2008). Holiness Day by Day: Transformational Thoughts for Your Spiritual Journey. (T. Womack, Ed.) (p. 63). Colorado Springs, CO: NavPress.

of his people: past, present, and future. Because of the unconditional nature of the election of God, and the fact that Christ's sacrifice for his people is undeserved, and not earned, we can also have comfort in the fact that the salvific effects of the atonement can never be lost in the life of the believer.

Life Through Death

The perseverance of the saints is a foundational truth within the Christian faith, not only because it comforts the soul, but because it is wrapped up so tightly within the sufficiency of Christ's sacrificial death. "The law has but a shadow of the good things to come" (Hebrews 10:1). Within the nation of Israel, Jews would continually offer sacrifices to make themselves right

with God. But even as soon as it was offered, they left the temple and fell into sin. Although this sacrifice was commanded by God, it was not fully sufficient to cover their sin for all time. Repeated sacrifices were necessary. As Hebrews explains, the "shadow" of the sacrifices can never make perfect those who offer them. In the same way, we can be certain that no modern person can be made right with God by "being good enough"; we always fall back into our sin.

However, Christ is the substance of what sacrifice was pointing toward. Because He offered His body, sacrificing Himself, we can be sure we are sanctified through Him, once for all, when we trust in Him. "When Christ had offered for all time, a single sacri-

fice for sins, He sat down at the right hand of God" (Hebrews 10:12). These verses show the role of Christ as our priest, relating back to the idea of the priests in the temple. There were no chairs in the Temple because the job of the priest was never done. When Christ, as our priest, sits down beside the Father, we see the completion and finality of His sacrifice. His work is done and accepted as sufficient by God the Father. The act of God raising Jesus from the dead proves that God accepted the sacrifice of Christ.

Death to Death

What does the death of Christ have to do with me? Everything. It is the instrument through which God brings broken, sinful people to Himself. Apart from the death of Christ, we are utterly lost and hopeless. However, when someone turns from their sins and turns to Jesus, he or she can boldly proclaim, "Death is swallowed up in victory. O death, where is your victory? O death, where is your sting?" (1 Corinthians 15:54-55) It is then when we truly see the death of death in the death of Christ.

A MESSAGE FROM SCAHC CEO VICTORIA BEGAN ABOUT CORONAVIRUS (COVID-19)

In an effort to staying true to the mission of Izee Baa Gowah and its commitment to healing, serving and empowering the Ndee (Apache people), we are taking the COVID-19 outbreak serious. The safety and well-being of all of our patients and staff is our highest priority and our thoughts are with those impacted by COVID-19.

Over the past several weeks, our team has been closely monitoring updates provided by the Centers for Disease Control (CDC), the Arizona Department of Health Services and other government agencies. We understand the importance of education, preventative measures and avoidance of unnecessary anxiety – so our teams have implemented efforts to maintain a clean and healthy environment to protect our patients and team members.

Because we care for you, we have done the following:

1. Activated the Hospital Incident Command System (HICS) – so we have a dedicated team closely monitoring the developments of COVID-19
2. Placed check-in stations at all hospital entry points for all patients, visitors, and employees
3. Cancelled all training/education and travel until further notice
4. Activated the SCAHC 24-Hour Nurse Hotline for outside questions – 1-833-361-9550
5. Actively participating in the tribes' Tribally Emergency Response Committee (T.E.R.C.) with SCAT DHHS and T.E.R.C.

We can't fight this alone, we need your help too. What can you do? Please join us in following the CDC's recommendations in preventing COVID-19:

- Know the symptoms: they may appear 2 – 14 days after exposure and can include fever, cough, and shortness of breath
- If you are sick, please stay home
- Avoid close contact with people who are sick
- Cover your cough or sneeze with a tissue, then throw away in the trash
- Clean and disinfect your home often – especially in areas that are used frequently (like door knobs, handles, tv remote, telephone, etc.)
- Please use the hand sanitizers we have placed around our hospital facility
- Wash your hands often with soap and water for at least 20 seconds or sing the Happy Birthday song twice

All of this is done with you in mind. Let's keep each other safe. As always, please call our SCAHC 24-Hour Nurse Hotline at 1-833-361-9550 if you need anything.

CEO Vicki Began,
SCAHC

Dessert gets a healthy makeover

Peanut butter is used in a multitude of recipes, from savory dishes to desserts. Peanuts are a strong source of protein, fiber and heart-healthy fats, and they're also rich in potassium and B vitamins. Even though they can be high in calories, peanuts are nutrient-dense, so they can make great additions to most diets.

When peanuts are included in desserts, people may want to find healthy adaptations so that it's possible to indulge without all of the guilt. Consider this lightened-up version of "Peanut Butter Bars" from "Taste of Home Healthy Cooking Cookbook" (RDA Enthusiast Brands, LLC) by the Taste of Home Kitchens.

Peanut Butter Bars

Makes 3 dozen

- 1 3/4 cups reduced-fat creamy peanut butter, divided
- 1/3 cup butter, softened
- 1 cup packed brown sugar
- 3/4 cup sugar
- 2 eggs
- 1/2 cup unsweetened applesauce
- 1 teaspoon vanilla extract
- 2 cups all-purpose flour
- 2 cups quick-cooking oats
- 1 teaspoon baking soda

Frosting

- 4 1/2 cups confectioners' sugar
- 1/3 cup fat-free milk
- 1/4 cup baking cocoa
- 1/4 cup butter, softened

These Peanut Butter Bars are lower in sugar and fat than traditional recipes.

- 1 teaspoon vanilla extract
- 1/2 teaspoon salt

In a large bowl, cream 1 cup peanut butter, butter, brown sugar, and sugar until light and fluffy. Add eggs, one at a time, beating well after each addition. Beat in the applesauce and vanilla. Combine the flour, oats and baking soda; gradually add to the creamed mixture and mix well (batter will be thick.)

Spread into a 15 x 10 x 1-inch baking pan coated with cooking spray. Bake at 350 for 18 to 22 minutes, or until lightly browned. Cool on a wire rack for 10 minutes; spread with the remaining peanut butter. Cool to room temperature, then refrigerate for 30 minutes.

In a large bowl, beat frosting ingredients until light and fluffy. Spread over the peanut butter layer. Cut into bars.
