## VFW honors Gardea for Teacher of the Year

Cassie Tafoya/Copper Country News

Pictured is Globe Unified School District Superintendent Jerry Jennex, VFW Post 1704 Commander Anthony Hernandez, Globe High School teacher Ed Gardea, Globe Unified School District Deputy Superintendent Christa Dalmolin, and Globe High School Principal Robert Armenta.

GLOBE — Veterans of Foreign Wars Post 1704 honored Globe High School teacher Ed Gardea with teacher of the year honors for District 6 of the VFW.

The VFW recognizes and honors the top Elementary (K-5), Junior High (6-8), and High School (9-12) teacher of the year, who teaches citizenship and education topics, and promotes America's history, traditions, and institutions. Attributes considered will be the scope of the teaching on both the students and the community.

Gardea was also given a statewide recognition through the VFW for his involvement in civics education. Gardea not only teaches at GHS, but also advises the Positive Behavior student group, volunteers throughout the school and community and truly cares about students.

## Pinto Creek Bridge road closure updates

Motorists who travel between Superior and Miami should plan for daytime lane restrictions Monday through Friday along with a four-hour closure Thursday as part of the US 60 Pinto Creek Bridge replacement project.

The following restrictions and closures are scheduled for the week of Jan. 20: Wednesday, Jan. 22: Lane restrictions between 6:30 a.m. and 4:30 p.m.

Thursday, Jan. 23: Full closure between 9 a.m. and 1 p.m. Lane restrictions, if needed, between 1 p.m. and 4:30 p.m.

Friday, Jan. 24: Lane restrictions between 6:30 a.m. and noon.

Flaggers will direct traffic while U.S. 60 lane restrictions are in place. Drivers should plan extra travel time. When closures are in place, motorists will use a detour on state routes 77 and 177 through Winkelman. That roughly 68-mile route includes a 10 percent grade and will significantly increase travel time. Drivers may want to plan trips before or after the full closures because of the potential for long delays. During the full closure, all eastbound vehicles traveling to Globe/Safford will be redirected at State Route 177 in Superior, and westbound vehicles heading toward Phoenix should take SR 77 east of Globe. Westbound traffic with Globe/Miami destinations will be able to travel as far west as Miami. Traffic will not be allowed to queue at the closure locations. Drivers should proceed with caution, slow down and watch for construction personnel and equipment.

For more information, please visit [azdot.gov/PintoCreekBridge](http://azdot.gov/PintoCreekBridge).

### Adventure, Challenge, Friends Learn More Thursday Jan. 23

Does rafting the Salt River rapids sound inviting? Or how about the chance to meet new friends, to challenge yourself in wilderness environments - or participate with team projects that make our Globe-Miami community a better place for everyone? Boy Scout Troop 101, sponsored by the Pinal Mountain Elks Lodge, invites young men age 11-17, and their families, to learn more about opportunities, events and activities the Cobre Valley scouts are planning during 2020. Meet scouts and parent volunteers during an open house at the old Globe Junior high (across from Globe High School) Thursday, Jan. 23 at 7 p.m. Watch for the Christmas lights! The Troop will also have their climbing wall up and available for any and all that would like to give it a try. In addition to weekly

meetings the Troop goes on at least an outing a month with age appropriate activities. What have we done in the past? We've climbed Humphreys Peak and Picket Post Mountain.

We've gone on numerous day hikes and backpack trips into the Sierra Ancha and Superstition Wilderness Areas. We've snowshoed in and camped on four feet of snow, and done several week long 50 Mile backpack trips. Ten times we've gone to the largest High Adventure Base in

the world, Philmont Scout Ranch in northern New Mexico.

There is no obligation to join. Call 928-425-9253 for information. Questions? Connect on facebook by searching keywordds 'troop-101-5101-Globe-Miami', or call 928-425-9253.

## Inspiring Message of Hope: Author Rosemary Trujillo at Miami Library Jan. 25

Do you need a refreshing message of hope, inspiration -- and positive direction?

Saturday Jan. 25 Librarian Sue Pontel and her staff have something extra special scheduled with a book signing and talk at Miami Library featuring Rosemary Trujillo, born and raised in Miami. Now living in Mesa, this photographer, poet and artist has released her first book of poetry titled 'Road to Healing.'

Meet author Rosemary Trujillo when she reads selections from it, and talks about what inspires her on Saturday, Jan. 25 starting at 11 a.m. at Miami Memorial Library. One reviewer described Road to Healing as a collection of poems and photographs that "will inspire you to persevere through obstacles to realize your dreams.

Rosemary Trujillo has endured challenges and seen others struggle through challenging times -- her first compilation of poetry inspires others to keep fighting for their dreams, no matter what their obstacles.

In a complicated world that can sometimes leave us wondering whether we have any power over our journeys through life, author Rosemary Trujillo reminds us that it is possible to make good choices, push through challenging times, and never give up, even when it seems like the easiest way out." Connect with library staff on Facebook, search keywords 'Miami-Memorial-Library'.

The Library is on South Adonis Avenue, call ahead to confirm events 928-473-2621.

Author Rosemary Trujillo will be at the Miami Library for a book signing on Jan. 25 starting at 11 a.m.

### 5th Annual Michael Tarango Walk 4 Hope planned

## MVD helps you get ready for tax time 2019 vehicle fee and tax information

PHOENIX – The dawn of a new year also means tax season is bearing down and the Arizona Department of Transportation Motor Vehicle Division is ready to help customers with 2019 fee and tax information.

Vehicle owners can go to [www.servicearizona.com](http://www.servicearizona.com) and quickly get their vehicle fee and tax information by clicking on the “Vehicle Fees/Taxes Paid 2019” link listed on the home page. The service is free.

“MVD is happy to provide this service to help make the tax season a little bit easier,” said MVD Stakeholder Relations Manager Jennifer Bowser Richards. “Getting the information in one place that’s easy to print out or copy electronically is a lot easier than going out to the garage and then making copies of your registration papers.”

All vehicles, including autos, trucks, ATVs, trailers, street-legal golf carts, among others will have the information available.

## Hope Barnett

Hope Thompson Barnett, of Globe, passed away peacefully on Saturday, Jan. 11, 2020 at age 97. She was born on Aug. 14, 1922 in Hayden, Ariz. to L. C. "Tommy" and Carrie Burnett Thompson. Brother Paul was 15 years older.

Hope graduated Hayden High School, married Lee Acton and had three children: Jerry, Pete and Lynell. Hope and Lee operated the Del Monte Tavern and the Del Monte Cafe in Ray. The family moved to a farm in Buckeye in 1951 "for a healthier lifestyle"

where Hope worked as a bookkeeper and secretary for local businesses. In Buckeye she was very active in the 4-H Club, teaching classes and serving as President. They moved to Kearny where she opened the Copper Cup Cafe and later worked as Public Relations secretary for Kennecott Copper Corp. for 21 years. She was actively involved in American Legion Auxiliary and Emblem Club and originated the Kearny Koyotes 4-H Club.

In 1965, she married Les Barnett, and gained a stepdaughter Linda and moved to Globe. Hope and Les bought a cabin in Pine to where they eventually retired, and Hope opened the Foxfire Steakhouse in Strawberry. After that adventure she and Les moved to Elfrida.

They went "totally mobile" from 1988 to 1994. They traveled extensively

in their travel trailer from Alaska to Mexico acquiring long lasting friends along the way. They settled in Globe where Les passed in 1999.

At age 81 Hope connected with her third love, Walter Swingle, Lee's half-brother, whom she had known since childhood and became "Aunt Mom" to his children Lee and Jeanne. Hope had eight romantic years with Walt including Alaska and Panama Canal cruises.

After losing Walt in 2011, Hope continued to go to the gym three times a week, volunteered at the hospital and museum, delivered Meals on Wheels, hosted weekly spiritual meetings, attended Christian Science church, and didn't miss Wednesday night tacos at the Elks. She drove her car until she was 96!

In April 2019 she moved to Solterra Senior Living in Lakeside where she became the "favorite resident" of the Solterra staff and was warmly and lovingly cared for until her death. The family would like to thank

Solterra and the "angel" hospice nurses.

Hope was a loving mother, grandmother and Aunt Hope, to many, and a devoted friend to many more, she will be forever remembered for her kindness and generosity. She welcomed company to her home anytime with a hug and a smile. She visited friends and family whenever she could and loved to organize and attend reunions, birthdays, and holiday get togethers. She was a Diamondbacks fan, reader, and crossword puzzler until the end.

Hope is preceded in death by grandson Douglas "Zeb" Acton, and survived by children Jerry (Dixie) Acton, Pete (Susie) Acton, Lynell (Danny) Corbett and Linda (Paul) Tipton. Grandchildren Gigi (Jeff) Trende, Brett Corbett, Vance Acton, Bill (Taryn) Moss III., Jeremy (Becca) Acton, Josh (Jill) Acton, Dana Arce, Jacob Acton, many great grandchildren, and nieces and nephews.

Celebration of Life service were held at Miles Funeral Home (237 S. Sutherland St., Globe, AZ) on Monday, January 20, 2020 at 11 a.m. with a reception immediately following at Dream Manor Inn (1 Dream Manor Rd., Globe, Ariz.)

The family was assisted by Bulman Miles Funeral Services guestbook can be signed at [www.BulmanMiles.com](http://www.BulmanMiles.com)

## Fane selected as All Arizona Board Member of the Year Award for 2019

Cobre Valley Institute of Technology (CVIT) is proud to announce that Arizona School Board Association (ASBA) has selected Mike Fane for the All Arizona Board Member of the Year Award for 2019. The selection was made by ASBA Board Members based on Mr. Mike Fane's visible leadership characteristics, contributions to district and community, and service to ASBA.

Under Mr. Mike Fane's leadership, CVIT has helped to improve and increase Career and Technical Education opportunities for high school students in the Copper Corridor. This has been done by establishing new partnerships with Central Arizona College – Aravaipa campus and strengthening existing

Mike Fane

partnerships with EAC-Gila Pueblo campus. These partnerships have made it possible for students from high schools in the Copper Corridor to participate in newly established Welding and Construction programs at CAC, along with continued support and access to programs in Cosmetology, Dental Assistant, Fire Science, Medical Assistant, Nursing Assistant, and Welding at EAC- Gila Pueblo campus. As a result of these partnerships, CVIT's average daily membership (ADM) has increased 65 percent since Mr. Fane's membership on the Board in 2012.

Mr. Fane has been heavily involved within the community as well as schools. As a retired Department of Public Safety Officer and former member of the Gila County Sheriff's office, he has been able to address the issues of the dangers facing our high schools. He served as Miami High School Resource Officer who often helped with discipline issues and assisted parents with some of their children's problems. Similarly, Mr. Fane ran the Schools Safety Program where he worked with students in law related education, spending over 180 hours a year in the classroom. Often Mr. Fane has volunteered as a chaperone to supervise and support CVIT satellite students participating at national competitions for Career and Technical Student Organizations such as FCCLA. In his spare time Mike Fane serves as an umpire and referee for middle school and high school athletic competitions.

From the beginning of Mr. Mike Fane's CVIT Board Membership, he has chosen to professionally develop and actively participate within multiple board member associations. He has participated and attended many professional development opportunities for both the National School Board Association and Arizona School Board Association since his inception as a Board member. Furthermore, he has served as a voice for rural communities acting as the voting delegate for CVIT on the ASBA caucus.

CVIT is thankful and proud to have Mr. Fane as their Board member. They value his willingness and expertise to accept and serve as the Board Chair for 2020. We are grateful for all of Mr. Mike Fane's efforts to provide local high school students the educational opportunities to become work force ready and productive members of society.

For more information please go to the CVIT website at [cvit81.org](http://cvit81.org).

# AZ Pet Plates Grant \$7,500 for Spay/Neuter Surgeries

How can you help prevent unwanted litters of puppies and kittens? Upgrade your license plates to an AZ Pet Plate, with whimsical art by painter Ron Burns – and with \$17 of your \$25 fee funding no-cost and low-cost spay and neuter services for dogs and cats. Arizona Department of Transportation keeps just \$8 of that total.

The colorful license plates are helping right here in Globe-Miami: this month Gila County Animal Care and Control earned a \$7,500 grant specifically for Gila County residents to spay and neuter their pets. The grant reduces the price “by about half” for pet owners, who still need to pay their share: \$80 for dogs to be spayed or neutered, or \$50 for a cat.

### How To Apply

To be eligible for help paying for spay or neuter surgery, owners must reside in Gila County and dogs and cats must be up-to-date on current rabies vaccination -- signed by a licensed veterinarian – and dogs must also be up-to-date with the required Gila County dog license. If your pets don't already have these, buy the license at Gila County Animal Care and Control shelter when you stop by to apply for a free spay-neuter voucher. Animal Care and Control staff estimate this grant can help pay for surgeries for about 100 pets. Vouchers and surgeries remain available on a first-come, first-served basis until the grant funds run out. Applicants must be approved in advance, and all surgeries are done by the professional team at Samaritan Veterinary Center in Globe. Arrangements are made through Gila County Animal Care and Control - so no additional fees will be charged at the vet's office when you bring your pet for scheduled surgery. A few additional restrictions apply: dogs are cats that are pregnant, lactating or in heat are not eligible. Questions? call Gila County Animal Care and Control staff at 928-425-5882 during weekday business hours, or visit the animal shelter at 700 West Hackney Avenue.

### Buy Your AZ Pet Plate

And you can join 'Arizona's driving force' in the battle against pet homelessness and euthanasia: upgrade your vehicle with Arizona's Pet Friendly license plate. More than half (in fact, 68-percent) of every pet friendly license plate purchase funds no-cost or low-cost surgical sterilization of dogs and cats throughout Arizona. This four-color specialty plate features original artwork generously donated by Scottsdale artist Ron Burns, well known for his support of animal welfare.

The plate's tagline “Pets Enrich Our Lives” identifies you as part of the driving force in the battle against pet homelessness in Arizona. Order your AZ Pet Plate at [servicearizona.com](http://servicearizona.com);

## Let God Be True

By **TONY STAFFORD**  
*Miami Church of Christ*

Isaiah 55: 8-9 reads --  
“For My thoughts are not  
your thoughts, Nor are  
your ways My ways,” says  
the LORD. 9 “For as the  
heavens are higher than  
the earth, So are My ways  
higher than your ways,  
And My thoughts than  
your thoughts.”

Throughout history,  
men have struggled with  
the instruction God has  
given. Some of the things  
God said were considered  
too difficult to follow so  
ways were devised to get  
around it. This is seen in  
Matthew 15: 4-6 -- For  
God commanded, say-  
ing, ‘Honor your father  
and your mother’; and,  
‘He who curses father  
or mother, let him be put  
to death.’ 5 But you say,  
‘Whoever says to his fa-  
ther or mother, “Whatever  
profit you might have re-  
ceived from me is a gift to  
God”— 6 then he need not  
honor his father or moth-  
er.’ Thus you have made

the commandment of God  
of no effect by your tradi-  
tion.

It is hard to imagine  
taking the life of your own  
child for insubordination,  
yet God told His chosen  
people to do just that and  
the leaders of the people  
found a way to avoid  
obeying.

Today, we wrestle with  
the instruction of Jesus  
and the Apostles. We de-  
velop traditions that make  
the commandment of God  
of no effect. Jesus said,  
“He who believes and is  
baptized will be saved”  
[Mark 16:16] but people  
say we don’t have to do  
what Jesus said.

How do we get through  
all the confusion and con-  
trary teaching? Paul told  
Timothy “All scripture  
is given by inspiration of  
God” [II Timothy 3:16.  
. Paul stood firmly on  
God’s Word for his teach-  
ing. This is why he told  
the church at Rome in  
Romans 3: 4 -- Indeed, let  
God be true but every man  
a liar.

## Keep Your Eyes on Jesus

By PASTOR NICK JONES  
Maranatha Baptist Church

A familiar passage in the Gospel of Matthew is the Apostle Peter calling out to Jesus as he sees Him walking on the waves of the sea. "Lord, if it is you, command me to come to you on the water." To which Jesus responds, "Come." (Matthew 14:28-29) As Peter makes his way onto the water, things seem to be going well until he begins to look around; then being filled with fear, he starts to sink. As he cries out Jesus grabs him by the hand and pulls him to safety. Peter is questioned about his doubt while the disciples fall down to worship Jesus. What's the point? Keep your eyes on Jesus!

Sounds simple enough, right? Christians must live with their eyes fully focused on Jesus every step of the way. Similarly, Bible-believing churches must remain focused on Christ. However, it seems that is not always the case. Too many times professing Christians and churches have substituted something

other than Christ to focus upon. Whether we are talking about political agendas, humanitarian causes, or theological imbalances, we must recognize any "double vision" in order that we may call out, as Peter did, "Lord, save us!"

When the church gets sidetracked and loses focus, it is usually because there are important and worthwhile things to attend to. That is to say, even "good things" can become bad when they take the center stage position that belongs to Christ alone.

### Political Involvement

Desiring godly political policy is a good thing. Christians should be involved in the political process and should vote with firm footing on a biblical worldview. However, good politics will not save us. "If only this person was in office and not that person. If only this law would pass and not that one. If only this political party was in power and not that one... then all would be right in the world." Dear Christian, if this type of thinking pervades your mind and

conversation, you are sinking. Turn your eyes back to Christ.

### Humanitarian Causes

Helping other people is a good thing. Throughout the Bible we are called to care for, feed, and clothe the poor and downtrodden. So many churches begin outreach programs in order to follow these commands. Yet taking care of physical needs is not enough. The primary need of every person in this world is not physical but spiritual. Feeding and clothing people who remain dead in their sin leaves them no better off than when you first "helped" them. Yes, we should help with physical needs but our primary goal should be to share the saving message of Jesus Christ with people. When any humanitarian cause becomes our primary, all-encompassing mission as the church, we've lost our focus on Christ. Under the water we go...

### Imbalanced Theology

Theology is studying the truths of God's word. I love studying theology! I love opening the Bible and

learning more about God. I love reading books and taking classes on theology. Theology is a good thing. The purpose of studying theology is so we can know God more and worship Him more. However, when studying becomes about being a "know-it-all" or gaining religious superiority, we losing sight of Christ and begin to sink

Likewise, an imbalance in our understanding of theology can lead to loss of Jesus-focus. Too many individual Christians and even whole churches can become obsessed with certain topics (usually secondary or tertiary issues) at the expense of the focus of the Bible writers, namely, Christ and Him crucified. The Bible tells us we are to teach the "whole counsel of God." (Acts 20:27) Never-

theless, instead of focusing on the primary teachings of the Bible, some can get distracted with meticulous study of topics like the end times. They want to know every detail of what's going to happen in the future, so most of their time is spent trying to connect current events with prophetic texts. Or, some get distracted by focusing on spiritual warfare issues. Every little thing that goes wrong in their life is attributed to Satan or demons. Again, theology is important and each of these topics has their place. What I'm trying to say, however, is these should not be the topics we are consumed with; we should be consumed with Christ. If a Christian can give you details on Daniel's 70th week or tips on how to exorcise a demon but can-

not give you an orthodox definition of the Trinity, they may be sinking.

We must keep our eyes focused on Jesus. We must remember that all that we have and all that we are is because of Him and what He has accomplished for us upon the cross. I echo the words of the Apostle Paul in second Corinthians 11, "I am afraid that as the serpent deceived Eve by his cunning, your thoughts will be led astray from a sincere and pure devotion to Christ." Beloved, don't sink. Don't take your eyes off of your Savior!

## Home Safety

By DR. DAN MORTON  
Contributor

My high school physics teacher, Mr. Gilliland, had an assignment for the class at the beginning of each year. We were to check the fuse box at home and remove any pennies we found and bring them to class. He had a quart jar of pennies gathered from students. It was common practice to put a penny behind a blown fuse to keep the power on if no replacement was at hand.

As a side issue, it has always been my practice that if a fuse blows or a breaker trips, I want to know why and correct the problem before I would reset the circuit. A safe practice for problems we encounter in daily life.

From all this, I check the furnace filter on the first day of each new season. Removing the filter, cleaning or replacing as needed, and marking the date on the frame. If a new one is needed, buy two.

Another timely issue is to check the smoke detectors. On New Year's Day, I get out the step stool, some nine-volt batteries, and a dust cloth or clean paint brush. Checking the battery only requires holding the button down until it squeals. If it doesn't respond, change the battery and try again. Your local fire station may have a replacement if needed. Dust the alarm and know you are safe for another year.

As a reminder, if you are over 16, have someone else climb up for you. Safety first!

## 12th Annual Home and Building Tour Showcases Superior's Unique Structures

SUPERIOR — From restored homes to a historic hotel, the Tour will offer attendees a glimpse into the town's charming past and exciting future.

On Jan. 25-26, 2020, the Superior Chamber of Commerce will present the 12th Annual Home and Building Tour. This unique event will offer attendees an opportunity to explore the eclectic collection of homes and buildings found in the quaint, historic mining town of Superior. The Tour will also feature an antique show, handcrafted pottery for sale and performances highlighting the history of Superior.

midst of an amazing resurgence due in part to the Chamber of Commerce's mission to "Rebuild Superior." The town has earned

a reputation for giving new life to old structures, some of which will be on display for the tour. For example, attendees can visit a beautifully refurbished adobe home representative of those that were widespread in the past, as well as a historic red brick "mine house." Boasting solid construction and majestic views, Superior's block-long row of mine houses are now

highly coveted.

Back by popular demand is the magnificent, historic Hotel Magma, circa 1913, whose doors were reopened to the public in early 2019. The beauty and detail of the hotel and

its tea room are a "must see," along with the small jail tucked behind the building.

The Magma Club, a community center for Magma Mine employees that once hosted diners, dancing and boxing matches, will house the annual Antique Show. The show will feature quality antiques that are sure to please and bring memories to attendees as they relax and listen to live music on the veranda of

the historic building.

In addition to these intriguing properties, the Home and Building Tour will feature fascinating stories about Superior's history, including "Life on the Frontier," a short play presented by Wyatt Earp — an acclaimed performer and relative of the legendary Wyatt Earp. Mattie Earp, the common law wife of the elder Wyatt Earp, is buried in Superior.

## 12th Annual Home and Building Tour continued from page 12

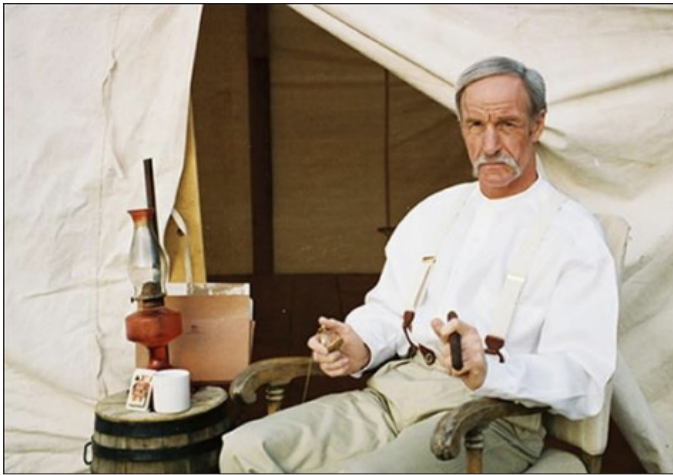

For art lovers, the tour will showcase exquisite, handmade pottery from the village of Mata Ortiz in Mexico.

The artists themselves will be bringing a load of their beautiful wares to the event. Weather permitting, pieces will be fired in an open flame during demonstrations. It's hard to resist taking home a piece of this special pottery!

In conjunction with the Home Tour, the Superior Fire Department will host a pancake breakfast at the event.

Forging a vibrant future while retaining its distinct charm as a historic mining town, Superior will soon proudly feature a worldclass mine. In this region of Arizona, "copper is king," and will continue to be for many years as more and more uses of this precious commodity are discovered.

Visitors to Superior will enjoy a bounty of

## Traditional Apache Dress Making

A Traditional Apache Dress Making class will be held on Feb. 4 to 6, at the San Carlos Apache Culture

Center Museum in Peridot. Matilda Case Bowman, a member of the Deschiin clan, will be the instructor

for the class. Mrs. Bowman says when she was young she use to sit outside on a canvas with her

grandmother, Grace Mahsill Case. She continued and said, my grandmother had an old, foot pedal style

sewing machine and she would tear the material/fabric to make the Apache dresses.

The instructor recommends to bring at least seven yards of cotton or calico fabric since this cloth is the easiest to work with. She also said to bring threads that matches the fabric. If you have a sewing machine, you can bring it, otherwise there will be two sewing machines to work from.

The classes will begin at 5 p.m. each day and should last for three hours. The class size is up to 10 people and there is a \$10 fee. Please call the Culture Center Museum at 928-475-2894 for information on the
