### Annual Homeless Count Jan. 21 needs volunteers

GILA COUNTY — January brings the annual nationwide census of homeless people, and volunteers are needed for the Jan. 21-26 tally. An accurate count is particularly important this year, supporting efforts such as the Gila County Task Force on Homelessness by providing up-to-date numbers of our homeless population: statistical information that will prove increasingly crucial during 2020 and 2021 to obtain state and federal funding for local programs that can help lift people from the cycles of poverty and homelessness.

To volunteer, or to share helpful and specific information about places where homeless people can reliably be found or

**HELP THE HOMELESS

JOIN THE COUNT.**

camped call Community Action Program Case Manager Allison Torres at 928-402-8699 or email [atorres@gilacountyaz.gov](mailto:atorres@gilacountyaz.gov).

Volunteers are partnered with experienced outreach workers or service providers to work as survey teams. Volunteers must be at least 18 years old, but no experience is required — volunteers will be trained on the survey process as well as strategies for engaging with people. An

accurate count is essential for Gila County, updated numbers help social service workers plan ahead for seasonal needs of the homeless population - plus statistical backup when applying for grant money.

If your church, organization or business has contact with homeless people who should be counted, Torres also has surveys available and will provide them if you call her at 928-402-8699.

### Residents request removal of sign

Dear Editor,

The Madera Peak Vista community are now united and we will no longer live in fear of the owners or the management.

We will take our access to the facilities back. We will report any conflicts with the children. We cannot afford an attorney to fight back against the continued raises in our rent, "lost" rent checks accompanied by late fees, unannounced visits by the management, intimidating letters from the company's attorney, verbal attacks, and failure of the resident to control the children but we will not live in fear any longer. We will face each assault with the community together and united.

The sign in front of the Madera Peak Vista is an affront to us and again request that it be taken down.

## Old Dominion Mine Park preserves Mining history, provides great recreation

The Old Dominion Historic Mine Park, situated on the grounds of the Old Dominion Mine, is a wonderful place that draws kids, hikers, and those interested in Arizona mining history. The park offers a picnic pavilion, walking trails, and a truly wonderful mining themed kids' playground. But this jewel in our community didn't come easy... or cheap... It took an idea by a small group of locals who were tenacious to see a dream come true.

For the first Wednesday Hardscrabble program in the new year at Bullion Plaza Cultural Center and Museum in Miami, come hear one of those "dreamers," Dr. Thea Wilshire, starting at 6:30 p.m. on Wednesday, Jan. 15. This event is free to the public.

Twenty years in the making, and hundreds of volunteers donating thousands of hours, almost \$750,000 has gone into the development of the Old Dominion Mine Park. Come to the Hardscrabble lecture to hear more about the

## Road work around the local areas to cause delays

### U.S. 70 passing lane project east of Globe to begin on Jan 6.

Motorists along U.S. 70 east of Globe on the San Carlos Apache Reservation should expect intermittent lane closures and delays starting Monday, Jan. 6. Crews will begin a project to extend the eastbound passing lane along U.S. 70 between Globe and Peridot. The work will take place between mileposts 260 and 262. The project will include widening the roadway, milling and repaving the travel lanes and extending culverts. Drivers should plan for intermittent lane restrictions through late summer 2020, primarily during daytime hours Monday through Thursday. Motorists can expect shoulder closures, single-lane travel, or flagger stations with possible pilot car operations depending on the type of work being completed. Drivers and pedestrians should proceed through the work zone with caution, slow down and watch for construction personnel and equipment.

### State Route 177 bridge project between Superior and Kearney to begin on Jan. 6

Motorists along State Route 177 at Mineral Creek between Superior and Kearny should expect delays starting as soon as Monday, Jan. 6, when a bridge rehabilitation project begins. Work includes a new concrete overlay, guardrail repairs and scour protection beneath the bridge. The project is scheduled to last just over three months, ending in April. Traffic will be restricted to a single lane in alternating directions, at times, using flaggers. Vehicles should proceed through the work zone with caution, slow down and watch for construction personnel and equipment.

### U.S. 60 Pinto Creek Bridge project schedule updated through Jan. 10

Wednesday, Jan. 8 - Lane restrictions and flaggers between 6:30 a.m. and 4:30 p.m.

Thursday, Jan. 9 - Full closure from 9 a.m. to 1 p.m. Lane restrictions and flaggers, if needed, between 1 p.m. and 4:30 p.m.

Friday, Jan. 10 - Lane restrictions and flaggers between 6:30 a.m. and noon.

During the Tuesday and Thursday full closures, all eastbound vehicles will be redirected at State Route 177 in Superior, and westbound vehicles will be redirected at the west end of Miami. Traffic will not be allowed to queue at the closure locations.

Because of the potential for long delays, motorists may want to plan trips before or after the full closures.

In addition to the Pinto Creek restrictions, work is on-going for a paving and guardrail project between Superior and Top-of-the-World. Motorists should anticipate lane restrictions with flaggers and pilot cars while crews replace guardrail.

## Normal

By DR. DAN MORTON

Contributor

Each Sunday morning I enter the church building through a side door, down a hallway to the sanctuary. On the wall to my left is the control panel for the fire alarm. I glance at the display and its message, "All systems normal." What is normal at this moment, in this place?

Observing those in the hallway, I see youngsters skipping along, singing, "I am a child of God," as they eagerly greet the moment. In the mix are those in their teens singing, "You can live a happy life in this world of toil and strife, If There's Sunshine in Your Heart." As I listen, I begin thinking, this is their "normal."

## The Heartbeat of the Godly

By JERRY BRIDGES

Submitted by Sovereign Grace Baptist Church

My soul thirsts for God, for the living God. (PSALM 42:2)

In Psalm 27:4, David expressed an intense desire for God: "One thing have I asked of the LORD, that will I seek after: that I may dwell in the house of the LORD all the days of my life, to gaze upon the beauty of the LORD and to inquire in his temple." David yearned intensely for God Himself that he might enjoy His presence and His beauty. Because God is a spirit, His beauty obviously refers not to a physical appearance but to His

The mothers and fathers enter, ushering their "stair-step children" on their way. Grandparents enjoy the infectious enthusiasm of those in view and realize the precious moment as families are gathered to worship God together. They, too, realize "All systems are normal."

There may be toil and strife in my life, but as I see the joy around me, the troubles of the day are pushed to the edge of my desk and some quietly flutter into the waste basket. I then realize my purpose for this day is to accept the challenge to "Scatter sunshine all along our way. Cheer and bless and brighten every passing day." For as we do so for others, our life responds and when night comes, we can enjoy a peaceful rest.

attributes. David enjoyed dwelling upon the majesty and greatness, the holiness and goodness of God. But David did more than contemplate the beauty of God's attributes; he sought God Himself, for elsewhere he says, "Earnestly I seek you; my soul thirsts for you, my body longs for you" (Psalm 63:1, NIV).

The apostle Paul also experienced this longing for God: "I want to know Christ" (Philippians 3:10, NIV). The Amplified Bible forcefully catches the intensity of Paul's desire in this passage: "[For my determined purpose is] that I may know Him [that I may

## The Unchanging One

By PASTOR NICK JONES

Maranatha Baptist Church

In the Jones family we love finding opportunities to celebrate. This past New Year's Eve was no different. My daughters made banners to hang around the house, my wife planned a special dinner and dessert, and we played a family board game. Now, none of this was new, as these aspects of our celebration, including our 8 o'clock countdown and sparkling cider toast, have become our very own family traditions for the last number of years. However, this year we added a little something I hope we will retain in the coming years. We all gathered around the piano to sing some Christmas carols one last time before they are "packed away" until the next Christmas season. I can't think of a better way to ring in the new year than by praising God through song with the ones I love most.

After the last carol, the girls were preparing for bed as I flipped through the pages of the hymnal and landed on one of my favorite songs, "Abide With Me". As I stumbled through the beautiful melody I was struck by the lyrics. Now, I know these lyrics well; I've sung this song many times before. Yet, the second verse caught my attention as I considered it in light of this new year.

"Swift to its close ebbs out life's little day; earth's joys grow dim, its glories pass away. Change and decay in all around I see. O thou who changest not, abide with me."

We live in a world of constant change. In fact, one could argue that the pace of change only increases year by year. Trends and styles come and go so quickly these days that I often feel that I cannot keep track of what is currently "cool" and what is yesterday's news. More importantly, however, is the change that we as individuals experience throughout life. A quick exchange with my wife entailed the fact that when we celebrate the next new decade, the year of 2030, it is likely that our oldest daughter will no longer be living at home with us. The sort of change gives us pause.

Likewise, many people are entering into the year 2020 with slight trepidation as many changes in the previous year have made this coming one a mystery. There have been changes in jobs, in schools, in communities. People have lost loved ones. Relationships have crumbled. Whatever the changes may be, things are not the way they once were. This can be a cruel realization.

However, I believe that this is another instance where the hope of the Christian faith can give assurance where other world views cannot. You see, what struck me about the hymn "Abide With Me" was not the recognition of "change and decay", we all see this, but the earnest plea for the God who doesn't change to be the believers constant in an inconstant world. In other words, God alone is the only true and unchanging hope in a world of fleeting norms and ideologies.

In fact, God declares His own unchangeableness stating, "For I the Lord do not change" (Malachi 3:6). This is a truth in which we can find rest. God's unchangeableness is a breath of fresh air in the midst of uncertainty. God doesn't change because He is already the greatest of all possibilities. A.W. Tozer explains it well: "God cannot change for the better. Since He is perfectly holy, He has never been less holy than He is now and can never be holier than He is and has always been. Neither can God change for the worse. Any deterioration within the unspeakably holy nature of God is impossible. Indeed I believe it impossible even to think of such a thing, for the moment we attempt to do so, the object about which we are thinking is no longer God but something else and someone less than He. The one of whom we are thinking may be a great and awesome creature, but because he is a creature he cannot be the self-existent Creator."

A big question then must be posed, namely, "Do you know this unchanging God?" I encourage you to cultivate a growing knowledge of and relationship with the unchanging God this year. Don't treat God as a superstition, something you turn to only when you want something. Instead, enjoy having daily fellowship with your Creator and King. Spend time hearing His voice as you read through His holy and inspired Word, the Bible. Spend time pouring out your heart to Him in frequent, daily prayer. Spend time worshipping Him in a corporate setting with those who have been redeemed by the blood of Christ. Find a Bible-believing church (I'd be glad to give you a few recommendations) and come to know the One who changes not.

"Of old You laid the foundation of the earth, and the heavens are the work of Your hands. They will perish, but You will remain; they will all wear out like a garment. You will change them like a robe, and they will pass away, but You are the same, and Your years have no end." -Psalm 102:25-27

## Resolutions

By TONY STAFFORD

Miami Church of Christ

It is a tradition in the United States and other countries for people to make New Year's resolutions. Many resolve to lose weight, get in shape, eat healthier, take more time off or meet higher goals in the workplace. There is room for improvement in all of our lives, and this is the time of year to focus on such things.

In the Bible, Joshua was successor to Moses and commissioned to lead the Israelites into the "promised land". Finally reaching the land that flows with milk and honey was fulfillment of the promise God made to Abraham in Genesis 12: Now the Lord had said to Abram: "Get out of your country, From your family And from your father's house, To a land that I will show you.

2 I will make you a great nation; I will bless you And make your name great; And

### Continued from page 10

progressively become more deeply and intimately acquainted with Him, perceiving and recognizing and understanding the wonders of His Person more strongly and more clearly.]"

This is the heartbeat of the godly person. As he contemplates God in the awesomeness of His infinite majesty, power, and holiness, and then as he dwells upon the riches

you shall be a blessing. 3 I will bless those who bless you, And I will curse him who curses you; And in you all the families of the earth shall be blessed."

Joshua now, as the people were being prepared to go onto that land which God was giving to them, fortifies and resolves the people as he commends them and commands them to make a resolution with him.

Joshua declares in 24:15 -- And if it seems evil to you to serve the Lord, choose for yourselves this day whom you will serve, whether the gods which your fathers served that were on the other side of the River, or the gods of the Amorites, in whose land you dwell. But as for me and my house, we will serve the Lord."

What a better world it would be if we, like Joshua, would resolve that our family will serve the Lord!

of His mercy and grace poured out at Calvary, his heart is captivated by this One who could love him so. He is satisfied with God alone, but he is never satisfied with his present experience of God. He always yearns for more.

## Judy's Cookhouse thankful for the holiday support

### Dear Editor:

All of us here at Judy's Cookhouse would like to thank all the people that helped us with our 26th annual Christmas Cheer program.

We raised \$5,100 and were able to help 16 family's this year.

With a huge shout out to the American Legion riders from Henry Berry Post # 4 of Globe.

They were so amazing, as they are every year.

We got a late start this year with the re-model and were only able to raise \$2,100.

But the legion riders donated \$3,000 that they had raised doing their annual bike run, then also, a raffle after words.

Left Miami Police Officer Shaw takes orders during the Tips a Police Officer/Firefighter night at Judy's Cookhouse, right American Legion Riders raised money for Tip a Legion Rider night at Judy's Cookhouse.

## Tonto National Monument Entrance Fee-Free Days for 2020

ROOSEVELT – Tonto National Monument will have five entrance fee-free days in 2020. On each of these significant days of celebration or commemoration, all national parks will waive entrance fees.

The dates for 2020 are: Monday, Jan. 20 – Martin Luther King, Jr. Day; Saturday, April 18 – First Day of National Park Week/National Junior Ranger Day; Tuesday, Aug. 25 – National Park Service Birthday; Saturday, Sept. 26 – National Public Lands Day, Wednesday, Nov. 11 – Veterans Day

“Across the country, more than 400 national parks preserve significant natural and cultural areas, each one an important piece of our na-

tional identity and heritage,” said National Park Service Deputy Director David Vela. “Free entrance days serve as additional motivation for people to get outside and enjoy these places of inspiration and recreation.”

Since their inception almost 150 years ago, national parks have protected resources and provided places for public health and enjoyment. With at least one site in every state, the National Park Service's 419 parks, recreation areas, cultural sites, rivers, and trails are accessible destinations that supply benefits for overall physical and mental well-being. Time spent in nature reduces stress and blood pressure and often leads to

lifestyle choices that include more exercise and better nutrition. Paddling, bicycling, walking, fishing, star gazing, and camping are just some of the many memorable and healthful recreational activities available in national parks.

Out of the 419 National Park Service sites, 110 charge an entrance fee, with costs ranging from \$5 to \$35. The other 309 national parks do not have entrance fees. The entrance fee waiver for the fee-free days does not cover amenity or user fees for activities such as camping, boat launches, transportation or special tours.

The annual \$80 America the Beautiful National Parks and Federal Recreational

Lands Pass allows unlimited entrance to more than 2,000 federal recreation areas, including all national parks. There are also free or discounted passes available for senior citizens, active duty members of the U.S. military, families of fourth grade students, and disabled citizens.

Other federal land management agencies offering their own fee-free days in 2020 include the U.S. Fish & Wildlife Service, Bureau of Land Management, Bureau of Reclamation, U.S. Forest Service, and U.S. Army Corps of Engineers.

## Superior Home Tour Jan. 25 and 26

SUPERIOR — On Jan. 25 and 26, the quaint Town of Superior will open her doors to all who enjoy watching a small, once struggling Town make an amazing comeback. Once a mining Town, Superior is now a Town that will soon have a World Class mine. Copper is King in this part of Arizona and will continue to be for many years as more and more uses of this precious commodity are discovered.

Several older, refurbished homes are being shown at the 12th Annual Home and Building Tour, including an old adobe home, of which there were many “back in the day”. Superior is famous for its re-purposing of things and this adobe is no exception. One of the historic red brick “mine houses” will be shown this year. Solid as can be, this block long row of houses, with majestic views, are sought after by many.

Back by popular demand is the magnificent, historic Hotel Magma, circa 1913, whose doors were open to the public in early 2019. The beauty and detail of the hotel and tea room are a “must see”, along with the small jail tucked behind the building.

The Magma Club, a community center for Magma Mine employees that hosted dinners, dancing and boxing matches, will house the annual Antique Show, with quality antiques that are sure to please and bring memories to attendees. Relax and listen to live music on the veranda of this historical building.

Interested in more History about Superior? Listen to fascinating stories of the past, including Wyatt Earp, presenting a short play “Life on the Frontier”. Mattie Earp, the common law wife of the legendary Wyatt Earp, is buried in Superior.

You’re in for a great treat if you haven’t seen the exquisite, handmade pottery from the village of Mata Ortiz in Mexico. The artists themselves will be bringing a load of this beautiful ware to the event. Weather permitting, pieces will be fired in an open fire during demonstrations. It’s hard to admire it and not take a piece home.

Two great days for just \$13 prepaid, \$15 at the door. Bonus: tickets also include a two for one pass to the Boyce Thompson Arboretum and a 2 for 1 pass to the Renaissance Festival. Saturday 9 a.m. to 5 p.m., Sunday 9 a.m. to 4 p.m. Superior Chamber of Commerce, 165 W Main St., Superior AZ. 85173. [superiorarizonachamber.org](http://superiorarizonachamber.org). 520-689-0200.

# Community

## *Nnee Bich'o Nii welcomes new employees continued from page 1*

with the clients. She is especially excited about starting the Motherhood is Sacred Program in January 2020. Randee is located in the Bylas office and encourages community members to apply for Nnee Bich'o Nii Services. She states, "the Program is here to help, families in need, grandparents in need. We are here to help."

The Bylas office hours are Monday through Friday, 8 a.m. to 4:30 p.m. (closed on Tribal holidays). The phone number is 928-475-5032.

Clarita Victor is a familiar name with the Nnee Bich'o Nii Program. She is one the program's success

stories. She signed up as a client with the program in 2014 and was selected for the Maintenance and Construction Crew, then went on to join Apache Transit as a driver all while remaining a participant in the program. With the help of Nnee Bich'o Nii and Apache Transit, Clarita obtained her Arizona State Driver's License. The program staff always encourage their participants to set goals, to go after their dreams and to always look for opportunities to improve their situation. With that in mind, Clarita applied for a position with one of the local mines and was selected as a driver.

Working in the mining industry requires long hours, often more than seven days straight with a few days off. This was not an easy schedule for a mother of two (a 5-year old and 2-year-old). When the driver positions were advertised for Apache Transit, Clarita submitted her application and was hired on Dec. 2, 2019. As a former Nnee Bich'o Nii Participant, Clarita speaks fondly of the program, stating, "It's a great opportunity, they're there when you need help, they're there to help you down the right path." She would also like to say to anyone who needs help, "Don't give up

on what you want. Keep Striving. When you fail, get yourself back up and dust yourself off."

David Francis, Apache Transit Fleet Manager said, "We walk the walk, so we hired Clarita back." She became a permanent driver with Apache Transit on Dec. 2, 2019.

Ardell "The Godfather" Ganilla broke the hearts of the San Carlos Apache Community and listeners abroad when he joined the Nnee Bich'o Nii Team on Nov. 12, 2019. Ardell was a very colorful, morning DJ on KYAY with a unique brand of humor and an infectious laugh; he was adored by the young and

old. Today, he is a driver with Apache Transit driving the Casino routes. Apache Transit provides reliable transportation for the casino employees from Bylas and San Carlos to Apache Gold, three times a day, 24-hours a day, seven days a week and with the Godfather at the wheel, the passengers are enjoying their commute. He keeps them entertained, provides them with encouragement and drops them off at their destination with a position

attitude. He enjoys driving his VIPs (Very Important Passengers) to and from work, ensuring they reach their destination in a safe and timely manner.

Bernadette Kniffin, Nnee Bich'o Nii Services Director, states, "All three employees are a great asset to our TEAM and we are looking forward to another prosperous year!"

## Volunteer to be a voice for young children in your Arizona community

SAN CARLOS – If you are passionate about children's issues and want to impact the early childhood programs available to young kids in our community, First Things First (FTF) needs you. FTF is Arizona's early childhood health and development agency and seeks about 150 volunteers for the opportunity to collaborate with other dedicated community members in local communities across Arizona. This year, FTF has made the application process simple with an easy online application.

Volunteering on a regional council is a unique, high-level leadership opportunity to make a positive impact on children and

families in our community. Regional council members help define priorities for the local services and supports for young children and their families. By collaborating with other dedicated community members, they provide opportunities for young children to get a strong start in life.

Research has shown a child's early experiences lay the foundation for a lifetime of success in school and beyond. FTF partners with parents and communities to give children birth to age 5 the tools they need to arrive at kindergarten prepared to succeed. Regional councils made up of community volunteers inform decisions about how First Things First can help

strengthen families, expand early learning opportunities and increase access to preventive health services in their area.

FTF is accepting applications in the San Carlos Apache Region from various backgrounds for the following seats that are open either due to vacancy or terms about to expire: parents of young children, someone who lives or works in the community that has a passion for children, someone from the philanthropic communities – who want to be a voice for children in our community. Regional council members must live or work in this region. The three regional council seats open in this region are:

- At-Large
- Philanthropy
- Parent

If you or someone you know can commit to about 10 hours per month to make a difference in the lives of young children in our community, please visit [FirstThingsFirst.org/serve](http://FirstThingsFirst.org/serve). There, you can learn about the volunteer positions available in our area, read a detailed description of the position, and fill out an application.

The job of getting kids ready for school starts the day they are born. Please consider lending your expertise, insight and community spirit to help ensure that all Arizona children are ready to succeed in kindergarten and beyond!
