CASA of Gila County welcomes three new Court Appointed Special Advocates for Gila County children

In April 2024, CASA of Gila County welcomed three new Court Appointed Special Advocates dedicated to serving the Gila County youth who are placed in foster care settings. Two volunteers will serve out of the northern area of Gila County and one volunteer will serve out of the southern area of the county.

Court Appointed Special Advocates act as best interest advocates for local youth while the child resides in foster care. They do not serve as the child's placement; they serve as the child's voice!

After a thorough background screening process and pre-service training, volunteers are appointed to

a child or sibling group from Gila County. As the child's advocate, the volunteer serves to ensure the child has the necessary services and a voice in their future. "When children are thrust into difficult circumstances, they must rely on many adults who are strangers to them, to work hard and make the best decisions for them," said CASA Tammie Grenier.

"I have a heart for kids, and I want to be part of a team that is dedicated to making these kids' lives better, and that's why I became a CASA."

The CASA of Gila County program continues to have an elevated need for additional volunteers. In the first quarter of 2024, the program was only able to serve 26% of the children in need of an advocate.

The program encourages community members to apply today. There is no specific degree or experience needed to become a CASA volunteer. Volunteers must be 21 years of age or older and pass a thorough screening process. All training for the position is

Keith Michael Listiak, 68, peacefully passed away at his residence in Globe, AZ on April 9, 2024. He was born in Sharon, PA on March 9, 1956, and moved to San Manuel, AZ when he was a young boy.

Keith worked at Gordon's Market in San Manuel when he was in high school, starting as a stock boy, became manager and then a regional store revamp manager. Lyle Thompson

Lyle Dean Thompson was called home to his wife on Monday, April 8, 2024. He was 90 years old.

Lyle was born to Loretta and Ervin Thompson on Aug. 16, 1933, in Onawa, Iowa. Lyle's incredible work ethic and love of mechanics started as early as 10, helping at his neighbor's repair garage in Onawa. After their father passed away, young 11-year-old Lyle, along with his older brother Jay, started working on nearby farms for 50 cents an hour to help their mother. Five short years later, Lyle joined the Army at Camp McCoy, Wisconsin. He was only 16 but lied about his age to enlist and was sent to Europe

where he would run lines to the forward observers' posts, and a 2nd Lieutenant would take over, calling the shots in.

After leaving the service, Lyle utilized his G.I. Bill to attend Gila Junior College (now EAC), where he studied auto mechanics while working at an auto shop. His teachers praised him for how well he was able to explain things to other students, and that led him to change his career path to become a teacher. He attended ASC-Flagstaff (now NAU). He worked nights at a sawmill, took classes during the days, and met the love of his life, Mina Thompson. They married in 1955 in a small LDS Church across from campus and by 1956 each held B.A. degrees and they welcomed their first child, Lon. Lyle's first job started in 1957 as an auto mechanics teacher in Globe. Lyle quickly became the favorite shop teacher and a father figure to many students. They welcomed their second boy, Dean, third boy, Bart, and their youngest and only girl, Lori. Lyle and Mina purchased their home by the Polar Ice Plant on Jess Hayes Road in 1966, then in 1972

purchased the Polar Ice Plant and successfully ran it with their three sons for 10 years. Early each morning, he'd take 300-pound blocks of ice over, cut them into 100-pound blocks and drop them off at fourteen locations all before heading to teach. In 1968, Lyle returned to Flagstaff to get his Master's in Guidance Counseling. He worked at the sawmill again, running the night shift.

Lyle taught for 38 years, retiring in 1989 at the age of 60, but went back to substitute teach for three more years.

"I woke up every morning wanting to go to work," he said. He only missed a day and a half in all those years. He told kids, "Get a job you like. You might not make as much money, but you'll live longer and be happier."

Lyle lived an amazing life with fond memories with his many friends and family and enjoyed hunting, fishing, and cheering on his grandchildren and great-grandchildren. He enjoyed his morning walks with his dogs. Mr. Thompson, as many in the community know him, will be truly missed. He was able to shape the minds of many students and those lessons plus so much more wisdom also passed on to his children and grandchildren.

Lyle and Mina celebrated their 67th wedding anniversary in 2022. What an amazing and full life they lived together. They are cherished by their children, grandchildren and

Barbara Valencia

Barbara Louise Valencia, a native of Globe, Arizona, met her soulmate and future husband, Charles M. Valencia, in the third grade. Their early crushes blossomed into a serious relationship during her years at Arizona State University and his time at Lincoln Tech Institute. They tied the knot on July 13, 1970, and their family began with the arrival of their son Tim (Timmy) in 1973, followed by Lisa and Ken (Bubba) a few years later. In 1998, Barbara was overjoyed by the unexpected arrival of her baby angel, Kimberly, completing their family.

Throughout her child-rearing years, Barbara dedi-

cated herself to supporting her family through a career in workforce and career development. Starting as a career advisor, she eventually ascended to the role of director at the Gila/Pinal County Workforce Connections and taught business courses at Eastern Arizona Community College's Gila

Pueblo Campus. Barbara's commitment to assisting others extended to helping them achieve educational goals, training for new careers, or securing employment. She retired from her role in Gila County in 2014.

Barbara's family continued to grow with the births of her nine grandchildren—Dominic, Taylor, Timothy, Devin, Trevor, Damien, Danica, Jayden, and Jada—and she was thrilled to welcome her first great-grandson, Ashton. She eagerly anticipated the arrival of her second great-grandson, Miles, expected in July 2024.

An avid sports fan, Barbara loved cheering on her children and grandchildren

from the stands at their soccer, baseball, basketball, track, volleyball, and softball games. She enjoyed family hunting trips, opting for the comfort of a travel trailer, and cherished quiet weekends at their cabin in Show Low. Barbara also had a fondness for casinos, ensuring that no matter where they were, Charlie found the nearest one for a bit of fun.

Visitation was held at 8:30 a.m. on Wednesday, April 17, 2024, at the Holy Angels Catholic Church in Globe, Arizona, followed by Rosary at 9:30 a.m., Mass at 10 a.m. and burial at Globe Cemetery.

WORSHIP

Megaphones for Christ

Picture this: You're at a professional football game. There are thousands of people in the stands, all cheering as if their shouts are actually willing their team to victory. Now think about your faith. How many believers do you know who put that same passion and intensity into their relationship with Jesus?

In his letter to the church at Thessalonica, the apostle Paul rejoiced in the young congregation's passion for telling the world about Christ. Because the city was a busy seaport, he knew that the church there had the ear of the whole world. Travelers would hear the gospel and then

Courtesy photo

take it back to their own communities.

By saying that the word of the Lord had "sounded forth" from the church (1 Thess. 1:8), Paul painted a powerful word picture. In Greek, this verb refers to a sound that projects like a trumpet blast or thunder. So, Paul was praising the Thessalonians for being living megaphones proclaim-

ing Christ.

As followers of Jesus, we have the responsibility of sharing who He is and what He has done. Shout it from the rooftops! Fill entire stadiums with the thunder of your praise! Don't just show the people around you who your favorite sports team is. Make sure they know who your Savior is, too.

Community Prayer Time May 2

On National Day of Prayer, Thursday, May 2, 2024 there will be a Com-

munity Prayer Time from 10 a.m. to 12 p.m. on the steps of the Cobre Valley

Center for the Arts (old courthouse).

Giving the Worthy Gift

Paul fervently desired that the body of Christ—individually and corporately—become spiritually mature. The apostle asked that we believers would know God's will and then ...

Live a godly life (Col. 1:10). Paul prayed for our character, conversation, and conduct to be consistent with the Lord's. Our lives ought to be an extension of His—with eyes that look compassionately at others, hands that offer help, and mouths that

speak forgiveness and love. A believer's character, while imperfect, should reflect Christ's righteousness.

Make our life count (v. 10). God cares deeply about what's done in obedience to Him. Jesus spoke about the importance of bearing much fruit, which is possible only when we stay connected with Him (John 15:5).

Experience God's power (Col. 1:11). Through the Holy Spirit's presence, we have all we need in order

to do our Father's will.

Remain committed and grateful (v. 12). God answers in His perfect timing. In the meantime, we should be steadfast in prayer and thankful for everything He's already done.

Whenever we pray these verses, our petitions are in accordance with God's will. And 1 John 5:14-15 tells us our Father responds affirmatively to prayers that align with His purposes.
