Cobre Valley Independence Day Parade is here!!

Get ready for the Patriotic Parade! Join us as we celebrate America's 246th birthday! We remain the longest continuing constitutional republic in the world. To mark the occasion, we will have Pomp and Parade Thursday, July 4, on Sullivan St. in Miami. Bring your lawn chairs and pull up a pop-up in Veterans Park. Fun begins at 8 a.m. Or join this year's parade. Enter your family vehicle or ATV, that old tractor sitting in your barn. Enter your club or civic organization and advertise your cause. Rolling in the parade is a great way to showcase your local business. Go the extra mile this year and enter the float contest. Three cash prizes will be given out this year, sponsored by

Rural Air and other generous local sponsors. First prize for best decorated float will be \$300. Two runners up will each be awarded \$200. Put that patriotic imagination to work and bring home some bacon! This year's parade will feature a very special and honorable guest. Local boy done well Retired US Army Colonel Larry Perino will be joining us! Come help give him a hero's welcome. Col. Perino survived the incredible Battle of Mogadishu, made famous by the Hollywood movie "Black Hawk Down." Our local hero received the Silver Star for his gallant efforts as a young Army Ranger. Opening Ceremonies will be full of great performances that

you will not want to miss. We will cheer as the American Legion Riders escort our nation's flag. Rose's preschoolers will melt your heart as they recite the Pledge of Allegiance. The Sons of the American Legion will remember the names of all local veterans who have answered life's final rollcall through the previous year. Many other exciting and sacred events await at the Cobre Valley Independence Day Parade 2024. Parade entry forms can be picked up at Denny's, La Casita downtown, the Globe-Miami Chamber of Commerce, or Miami Town Hall. Pick yours up today before it's too late! For more information, contact Jess at 928-200-6348.

Every day, prepared.

Wildfire preparation protects you, the community and first responders.

Providing you safe, reliable energy is our top priority. That's why we work year-round to prepare for wildfires. During elevated fire conditions, power outages may be extended until crews can perform visual inspections of lines and remove any potential hazards that could pose a fire risk. In the event of a wildfire or extreme wildfire risk, power lines may be temporarily taken out of service to protect your community and firefighters. Working together, we can be prepared. Here are some things you can do to be ready for wildfire season.

- Keep grass, weeds, trees and shrubs trimmed. Dispose of trimmings and trash properly.
- Get emergency alerts through local resources and visit ein.az.gov to create an emergency preparedness plan. Visit your county's website to get important information for your area.
- We care about your safety and want to keep you informed with alerts if there's an outage in your area. You can help us by making sure your contact information is up to date. Learn more about managing your alert preferences at aps.com/alerts.
- Have flashlights, batteries, a portable cell phone charger and water handy.

Amy Rochelle Bradford was born on Dec. 29, 1981, and entered eternal rest on May 17, 2024.

She was preceded in death by her daughter Dominique Bradford. She is survived by her mother and father Randy and Terry Bradford, her brother Jeremy Bradford, her children Breena Martinez, Katreena Bradford, Gage Miller, and Reghan Billotte and her beloved German shepherd, Seven.

As we gather here today

in such devastating circumstances, despite those we ask that you remember the beautiful person she was, not only on the outside but inside she had a heart of gold. She was one of the most kindhearted, loving, and humorous people you'd ever come across. Some may know the battles she fought so hard but even in those times she never failed to let her beautiful soul shine through to every person she met. Whether it be one hour or 20 years you

can guarantee that she left a lasting impression on you in the most amazing way and that's the Amy we ask you to remember today and every day following.

We will never let your legacy die, famous Amus, see you on the other side sweet girl, love you forever.

Communion With Our Lord

Don't let the busyness of daily living rob you of the joy and fulfillment that come from time with God.

Genesis 1:26-27 teaches that God created us in His image. As a result of Adam's transgression, however, sin entered the world and separated us from God. Knowing our dilemma—that we're enslaved by our “flesh” and cannot make ourselves righteous—Jesus came to restore us and return us to a right relationship with the Father. Because Christ is perfectly holy, innocent, and undefiled (Hebrews 7:26), He alone qualified to

carry our sins to the cross. When we receive Jesus' finished work on our behalf, we are acknowledging His lordship over our life. Then we're adopted into God's family (Ephesians 1:4-5).

Take a moment to reflect on Christ's sacrifice. Jesus, the One without sin, took on mankind's sins—past, present, and future—to save us from eternal separation from the Father. He willingly gave His life so we might be reconciled to God and live with Him forever.

As we ponder this amazing demonstration of grace and love, our response should be a strong desire to spend time with Him.

Child of God, you were designed to have sweet communion with your heavenly Father. Jesus died so that you and I might become part of His family. How strong is your need for fellowship with Him? Does it override the clamor of the week's events or get lost in the demands of daily living?

The Sacrificial Lamb

All of our wrongs—past, present, and future—are forgiven when we accept the gift Jesus died to give us.

God's grace has no limits. His mercy can reach the darkest part of our heart. Christ not only erased our past, present, and future sin; He also paid for the wrongs of every generation. When the ancient Israelites brought a goat or a lamb to the temple for a sacrifice, they placed their hands on its head and confessed their sins. The priest then killed the animal and sprinkled

some of its blood on the altar of atonement. The ritual symbolized a confessor's payment for sin.

But the lamb could not actually take on the sin and die in place of the Israelite (Heb. 10:4). If an animal's blood could actually erase a sin debt, then Jesus' death would have been unnecessary. The ritual of sacrificing a lamb was the Father's idea (Leviticus 4:1-35), though the

act itself was symbolic. God established such offerings as an illustration of the seriousness of sin. The practice also pointed to Christ's perfect sacrificial death on our behalf and the salvation He brings.

Like the Israelites, we must also look to a lamb—the Lamb of God (John 1:29). When we receive Jesus' sacrifice for our sins, we are forgiven forever.

Adventure begins at Globe Public Library in 2024

What kind of adventure can you start at Globe Public Library? There are so many to choose from. The Summer Food Program has started. Breakfast is from 9 a.m. to 9:30 a.m. and lunch is from 11:45 a.m. to 12:30 p.m.

On Wednesday, June 5, after the library closes, you can explore the world of games in our after-hours programs. Game Night starts at 5 p.m. with a variety of games including board games, card games, and dice games. Keep the excitement going in a tabletop role-playing game at 7 p.m. We are now playing a Dungeons and Dragons 5th Edition campaign. The Natural Ones invite you to join; just bring a 2nd level character ready to play. If you need help creating your character, drop into the library and we can help you.

Thursday, June 6, it is time to relax and have fun with Thoughtful Thursday at 1 p.m. Adult coloring, Himalayan Singing Bowls, and a Zen Garden you can work with are all opportunities in this relaxed environment. The Cooking Adventure starts with a trip to New Orleans and Jambalaya at 4 p.m. At 7

p.m., Walk/Run Club will be leaving the library for a walk downtown.

encourage you to bring other movie favorites with you. No alcohol or

The Summer Reading Challenge is there for you as well. You can keep track of all programs at the same time.

All these programs are free and brought to you through partnerships with the Friends of the Globe Public Library and the United Fund of Globe-Miami.

If you can't get to the library, the adventure of reading can come to you through our homebound delivery service. Just give us a call at 928-425-6111 and one of our friendly staff will help you get signed up with a library card and your book preferences. You can also enjoy a short story read to you through dial a story. Our number is 855-614-6111. Stories are available in both English and Spanish.

Friday, June 7, is a day of adventures. STEM Adventure designed for kids in middle school and high school is at 10:30 a.m. We will be exploring Triboluminescence. Cassadore's efforts earned Desert Cross Veterinary Hospital a \$10,000 grant.

The Humane Society of the United States has named Julie Cassadore, of San Carlos, Arizona, the 2024 More Than a Pet Community Hero for her dedication to improving the well-being of people and their pets in her community. Nominated by Desert Cross Veterinary Hospital, Julie's efforts have earned the hospital a \$10,000 grant to enhance access to pet care.

Julie was selected as one of three finalists nationwide for the inaugural award, which recognizes individuals dedicated to improving pet resources in underserved communities. Upon winning the award, she acknowledged the impactful work of her fellow finalists. "I share this honor with the other two nominees; we're all working to make a difference in our communities," Cassadore said.

PUBLIC ANNOUNCEMENT

Hope 4 Hearing Center announces unique hearing aid trial program,
with **NO** upfront cost, **NO** commitment and **NO** risk

Who is a good candidate for Flex:trial?

You may be a good candidate for the Flex:trial program if you:

- Suspect a hearing loss but haven't had your hearing tested
- Had a hearing test but decided against hearing aids
- Currently wear hearing aids but are looking for something better

The Flex:trial program is accepting appointments from potential participants for a limited time only.

Supplies of the Flex:trial hearing aids are limited, call today.

Area residents who want to try today's most advanced hearing aids — without upfront cost, commitment or risk — are urged to get in touch with Hope 4 Hearing Center.

Located in Globe, Hope 4 Hearing Center is among a handful of hearing healthcare providers nationwide selected and certified to participate in the Flex:trial™ program, developed by hearing aid manufacturer Unitron.

Flex:trial uses a unique three-step approach to hearing healthcare and consumer satisfaction:

1. Interested individuals undergo a hearing test. If the testing indicates a good fit for the program, participants go home — the very same day* — with Flex:trial hearing aids.
2. Participants wear the Flex:trial hearing aids on a trial basis at home and in all of their other familiar environments. There is no upfront cost or obligation during the trial period.
3. At the end of the trial period, participants decide whether they want to continue with the listening experience...or walk away and owe nothing.

“Other trial programs require consumers to pay for the hearing aids in advance and then go through the process of obtaining a refund if they're not satisfied,” explains Hope 4 Hearing Center. “The Flex:trial program removes the upfront cost for participating patients — and the fear of getting stuck with hearing aids they don't like. In fact, the risk is all mine.”

Supply of Flex:trial hearing aids is limited.
*Subject to availability.
