Come hear the Centennial Band Brass play a little Christmas music at 6 p.m. on Friday, Dec. 13, at Bullion Plaza Cultural Center & Museum in Miami, wish your friends a Merry Christmas, then come hear some wonderful stories of some very interesting people in Arizona's history, as told by Arizona historian Jim Turner.

Arizona's history is much more than Hollywood's Wild West stereotypes of cowboys, lawmen, and outlaws. In addition to miners, merchants, and ranchers, the area attracted faith-based farmers, health seekers, and women entrepreneurs

OBITUARIES

Robert Lopez

With immense grief, we announce the passing of our beloved father/grandfather, Robert C. Lopez. Robert was born on Sunday, Jan. 14, 1945, at the Miami Inspiration Hospital in Miami, Arizona. He passed away Tuesday, Nov. 19, 2024, in Chandler, Arizona.

Robert was the third of eight children born to Reymundo and Trinidad Lopez of Claypool, Arizona. He grew up in Grover Canyon playing marbles, shooting basketball in the front yard, shopping for soda and ice cream at the Sendejas store, and hanging out with brothers Joe and Junie, Cousin Joe (Jojito) Lopez, close friends Leo Gonzalez, Alex Campos, Edwin Hopkins, and best friend Felix Garcia. Dad always used to reminisce about the great times they used to have.

Robert attended Miami schools, was a proud Miami Vandal, and stayed rep-pin the green and white throughout his life. He was the starting offensive center his junior year where the team advanced to win, becoming the 1962 Tri-State Champions. After graduating high school in 1963, Robert moved to Phoenix, Arizona where he attended Phoenix College studying bookkeeping. Becoming homesick, he moved back home where he began work-

ing at Schwartz Lumber in Miami with his uncles Chuey and Jose Castaneda.

Shortly after moving back home on Aug. 24, 1965, Robert was drafted into the U.S. Army to serve in the Vietnam War and made the decision to join the airborne. He traveled to Fort Polk "Tiger Land," Louisiana, where he attended basic infantry training. After completing basic training, he headed to jump school at Fort Benning, Georgia where he accomplished numerous successful jumps and received his diploma on Feb. 24, 1966. His journey

into the United States 101st Airborne then took him to Fort Campbell, Kentucky, before finally being shipped off to Vietnam on June 5, 1966. Upon arrival, he officially belonged to Company A, 4th Battalion 503rd Airborne Infantry, serving with the 173rd Airborne Division. During his time there, he regularly sent letters back home to his parents reminding them of the day he would eventually be with them again. After finishing his tour in Vietnam "Lep-
py," as he was known, was

honorably discharged from the army on June 5, 1967, receiving the Combat Infantry Badge, National Defense Service, Vietnam Campaign, Marksman & Vietnam Service Parachutist Badge medals. He landed on the shores of San Francisco, debarked, and got his "jump wings" tattooed, forearm. Robert then spent some time in East Los Angeles for a brief period, residing with his Tia Lupe and working for his uncle's construction company before ultimately heading back to

Arizona.

Once back home, he began working at the local copper mines. He started in the SX-EW plant as a laborer, eventually working his way up to foreman. He got married and had two sons, Robert and Nicholas. He settled very close to home, purchasing property right next door to his parents. A stone's throw away, he enjoyed the convenient breaks for coffee and frequently stopped by Nana's for some good ol' homemade tortillas and the best beans one could ever savor!

Bob loved being outside, working on the yard, cultivating beautiful flower beds, planting rose bushes, trees and grass. He was a craftsman woodworker, building items from birdhouses to picnic tables, floor decks and benches. He worked for Magma Copper for 23 years but unfortunately, due to complications from a diagnosis of colon cancer, was forced into retirement in 1995.

Post retirement, Uncle Bob continued to enjoy landscaping outside, feeding the birds, kicking back, drinking coffee and listening to oldies on his little Sirius boombox. He had a fond love for stationary, doodling, sketching, jotting ideas down for future projects, and had impeccable penmanship. He babysat for nephew Chipmunk and would host granddaughter Trinity during fall or summer breaks. He'd launder for his son Shugy, who would drive all the way from Tempe just so Dad could do his laundry. Nobody could iron like dad

did!

In 2011 he was diagnosed with lymphoma and moved in with his oldest son Robert and family. We welcomed Grandpa with open arms! He continued doing some of his most favorite hobbies, including reading, and spending time with his granddaughters Bianka and Trinity. Robert's lymphoma remained in remission until becoming active again in summer 2024. He suffered a stroke in October of this year, then continued to further decline.

Robert is survived by his son Robert II (Treasta) of Queen Creek, AZ; son Nicholas of Prescott, AZ; stepdaughters Shawna Carlson of Chandler, AZ and Karlene (Larry) Grenert also of Chandler, AZ; granddaughters Trinity and Bianka Lopez; numerous loving nieces, nephews and friends; sisters Audrey (Dave) Harmon and Arlene Jackson; and brother Joe (Florene) Lopez, all of Mesa, AZ.

He is preceded in death by his parents Reymundo Diaz Lopez and Trinidad Castaneda Lopez, brothers Raymond (Junie) and Edward Lopez, and sisters Juana Lopez Carrasco and Patricia (Pat) Mancha.

Services for Dad were held December 2 at Our Lady of the Blessed Sacrament in Miami, AZ. Viewing was at 9 a.m., followed by the rosary at 9:30 and funeral mass at 10 a.m. Entombment services followed at Pinal Cemetery.

A lunch reception took place after at Our Lady's Center in Miami.

Nancy Friend

Nancy J. Friend passed away Monday, Nov. 25, 2024, at the age of 73. Nancy was born May 19, 1951 to Willard and Kathryn Friend in Logan, Ohio. She attended U of A for 1 year before going to St Mary's Hospital to train and become a registered X-ray tech. She continued her education to become a registered ultrasound tech. She worked at St Mary's Hospital for 40 years. Nancy never married or had children; her pets were her children.

Nancy had a love of the outdoors and enjoyed camping and fishing in the

White Mountains.

OBITUARIES

Jovita “Jaye” Howell

Jovita Linda Howell, also known as “Jaye,” resident of the Miami-Globe area, went away to be with the Lord on Nov. 23, 2024. She was born in her parents’ home in Claypool, Arizona on Oct. 6, 1941. She was the youngest daughter of Ventura and Maria G. Lopez.

She graduated from Miami High School in 1960. Jaye entered the university as a nursing major and during the summer vacations, she worked at Gila General Hospital as a student nurse. She then changed her major to education. She was a graduate of Northern Arizona University, where she earned her Ed.D, master’s in education, (psychology), and a Bachelor of Science degree. She enjoyed nursing, but Dr. Howell’s first love was teaching and counseling students. She loved every student and in the last years, she shared her fond memories of teaching and working with students.

She started her teaching career as a fifth-grade classroom teacher at Rice Elementary in San Carlos, Arizona. She was instrumental in writing and setting up the first guidance counseling program at Rice School and served as the school’s first K-8 guidance counselor.

She then went to Leupp, Arizona and was hired at the Leupp School District as a guidance counselor. While at Leupp, she wrote and set up the school district K-12 guidance coun-

selor program. She returned to San Carlos and worked at San Carlos Junior High as the guidance counselor. She was transferred to San Carlos High School where she worked as a guidance counselor and administrator until her retirement.

Dr. Howell was a former member of Arizona Counseling Association, Phi Delta Kappa professional fraternity, and Alpha Delta Kappa honorary sorority.

In 1988-1989 Dr. Howell was awarded the Rice School Outstanding Educator by the Globe/Miami Chamber of Commerce.

She was married to Doctor Edward D. Howell. They had a loving marriage that lasted 32 wonderful years until Ed’s death in 2007. After retirement they enjoyed traveling, reading, gardening, oil painting, drawing, refinishing furniture, fishing, and watching the Diamondbacks and college football.

A highlight in her young life was playing a practice softball game against the Arizona Ramblers, who were an Arizona State pro softball team. Jaye was 12 years old and a junior

high school student, the rest of her teammates were 16, 17 and 18 years old high school students. No official scorecard was kept but each individual team member kept the score mentally. The challengers (our) team received quite a thrashing, but we had fun playing with the Arizona Ramblers, and our team had a lot to talk about for a long time.

She was preceded in death by her husband Ed Howell, parents Ventura and Maria G. Lopez, brothers Ted Lopez, Fito Lopez, Ben Lopez, Joseph G. Lopez, and sister Maria E Lopez. She is survived by her stepson Vernon Howell, sister Connie Cooreham, brother Al Lopez (Robin), and many nieces and nephews.

Requiem mass will be held Jan. 4, 2025, at 10 a.m. at our Lady of the Blessed Sacrament Church in Miami. Interment will follow at Globe Cemetery.

In lieu of flowers, a donation in memory of Jovita L. Howell to the Heart Association or Alzheimer’s Association would be preferred.

Anthony “Tony” Ramos

With heavy hearts, the family of Anthony “Tony” Martinez Ramos announces his passing on Nov. 15, 2024. Tony was born in Winkelman, AZ on May 17, 1949. Although he last resided in San Tan Valley, he was happiest when he was in his hometown of Winkelman.

Tony was preceded by his father Martin Ramos, mother Annie Martinez Pierson, stepfather Henry Pierson, and brothers Billy Ramos, Armando Medina and Alfred Bayze. Tony is the beloved brother of Joe Ramos Sr. (Sharron), Loli Medina (Armando), Becky Bayze (Alfred), Eddie Ramos (Tracey), Bobby Ramos, Pat-sy Miranda (Manuel), and Rudy Verdugo (Alma).

Tony dearly loved his brothers, sisters, cunados, cunadas, tios, tias, nieces, nephews, cousins, and compadres. Many whom he befriended in life will forever remember his caring personality. Most received a special place in his heart and were cherished as family.

Tony leaves behind daughter Monique, and sons Jason (Virginia), Tony Jr., Samuel, and Erik (Danella) from

his lifelong friend and prior wife Linda Ogas Ramos. He was blessed to live to see his children flourish, and have the time to know his grandchildren Tiffany, Shantelle, Janique, Isabella, Seth, Issac, Somaya, Celicia, Lili-ana, and Erik Jr., and be on earth to see the addition of 10 great-grandchildren. He was a loving Dad and Tata. He will be missed dearly.

Tony lived a full and proud life. He was a hard-working man who gave his best to the copper mines, the community, his family, friends, and neighbors. Tony was a pillar of the community and respected by many. He volunteered his time with the youth baseball and basketball organizations as a coach and referee. Tony also served as a member of the Hayden-Winkelman Unified School District Governing Board for over 10

years. Tony was a Hayden Lobo from the days he watched his big brother Joe “Sambo” running for Lobo touchdowns and beyond the last day he sat at Lobo Lane yelling “Go Big Blue.” He was a Hayden Lobo, proud and true.

Tony was an extraordinary athlete, playing baseball, basketball, and football and running track in high school. Tony was proud to be Alumni of H.H.S Class of 1968. Tony was also an avid outdoorsman. He loved to spend his time hunting and occasionally fishing. One could contend he loved seeing big bucks more than anything; the truth is he valued his time with those he cared about. His legacy will carry on and stories will be told all over the hills around his beloved little hometown. God willing the San Pedro Creek don’t rise during hunting season.

Thank you in advance for the kind words of sympathy and support during this mournful time.

Services will be held Saturday, Dec. 7, 2024, 11 a.m.-12 p.m. at Vistoso Funeral Home. 2285 E. Rancho Vistoso Blvd, Oro Valley, AZ.

UA Cooperative Extension presents 12 Nights of Virtual Bedtime Stories

Seasons Greetings, We are inviting you and your little one to a special project called the "12 Nights of Virtual Bedtime Stories". We have 12 different local community leaders ready to read 12 different children's books for you and your family to enjoy. Beginning Monday, December 2, 2024, at 4 p.m., we will upload our first video of a local community leader reading a wonderful children's book. Throughout the 12 days, we will upload a different video with a different local community leader reading a different book. Tune in each evening to view the videos

which will only be online for viewing from 4 p.m. to 10 p.m. each evening for 12 nights.

We hope you and your family will look forward to watching the videos and now for the truly awesome part! If you enjoy the videos and the books being shared, you can get a bag with all 12 of them for FREE! We will have a table set up at the Read On Express event on Saturday, December 14th, 2024, at the train depot

in downtown Globe from 12 p.m. to 4 p.m. Come see us and tell us which book was your family's favorite and which reader you enjoyed the most. The first 30 families from Globe-Miami and 30 families from San Carlos will receive a bag with the books from the videos!

For more information contact Pam Trobough at 928-978-3405. Thank you and have a wonderful day!

Evangelist Ballinger coming to Globe Christian Center

Evangelist J. W. Ballinger will speak at the Globe Christian Center Dec. 8 - 11. Sunday services are at 10:30 and 5:30. Monday through Wednesday, services will start at 7 p.m.

Ballinger grew up as a "preacher's kid," and actually enjoyed it until he was drawn off in his teens to the party scene. Only his parent's prayers, he says, kept him from death long enough to realize what he'd become. He prayed with his father, and moved to a large, active church in Prescott.

"Live for Jesus every day,"

warned his father, "or you'll gravitate to the very people you're trying to avoid."

Ballinger stayed busy in church, and years later wound up on staff. He later pastored churches in two states and then in Western Samoa.

He was visiting the States

when COVID struck and Samoa locked down. He couldn't get back in! Ballinger remembered how much fun he'd had on short evangelistic crusades to other islands, seeing people getting saved and healed. He became a full-time evangelist, and marveled at the eager young Christians living amid the temptations of Las Vegas and the darkness of Bogota, Colombia.

Everyone is invited to hear J. W. Ballinger at the Globe Christian Center, 509 E. Maple St., across from Globe High School.

The Blessings of God

Praise the Lord for the many ways He has and will continue to provide for you.

When we place our trust in God, we can be assured that He provides for all our needs. Here are a few of our most cherished blessings from the Lord:

- **Forgiveness.** When you place your trust in Jesus, your sin is washed away. This refers not only to all previous sin but also to the sin you have not yet committed (Ephesians 1:7).

- **Freedom.** Christianity offers liberation from works-based righteous-

ness. This means that we do not have to earn the Lord's favor. He loves us perfectly and has made provision for our complete salvation through His Son. All we have to do is accept this loving gift of

grace (John 8:36).

- **Union with God.** We don't worship a distant deity; rather, we praise a loving Father who knows every detail of our life. Scripture reveals that we

GLOBE, AZ – Cobre Valley Regional Medical Center (CVRMC) is excited to announce the future opening of its much-anticipated “Highway 60 Clinic,” a walk-in clinic located near Cal Ranch and Walmart. This new facility is set to provide essential healthcare services to the community, offering a convenient option for those seeking immediate medical attention without the need for an appointment.

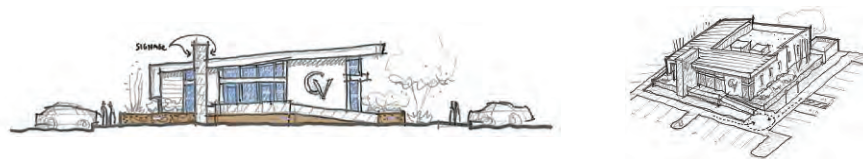

The journey to establish the Highway 60 Clinic has not been without challenges. The initial plans for the clinic encountered an unexpected delay when it was discovered that the proposed location fell within a designated floodway.

Determined to bring this vital service to the community, CVRMC worked with local and federal agencies to reassess the flood maps that impacted the clinic’s location. Through extensive modeling, updated maps were drawn to better reflect the actual conditions of the area. CVRMC then submitted a request for a Letter of Map Revision (LOMR) to the Federal Emergency Management Agency (FEMA), requesting an official change to the flood designation.

On July 29, FEMA issued a LOMR, paving the way for the new clinic. The new facility will offer extend hours to walk-in patients, providing a convenient, affordable option for healthcare services. While the specific timeline for construction and opening is still being finalized, the team is working diligently to bring the project to completion as swiftly as possible.

CVRMC is committed to keeping the community informed as progress continues. Updates on the clinic’s development will be shared regularly, with a focus on ensuring that residents are aware of the new healthcare options that will soon be available.

The opening of the Highway 60 Clinic represents a significant step forward in CVRMC’s mission to provide comprehensive, accessible healthcare to the region. The medical center looks forward to welcoming patients to this new facility and continuing its tradition of high-quality care for the community.
