## Veteran's Park Train Lit for the Holiday

The historic steam engine in Veteran's Park in Globe, Arizona is from the Southern Pacific Railroad and has a rich history.

It was built by Burnham Williams & Co. built the Mogul type (2-6-0) locomotive in 1901.

It operated on the Arizona Eastern Railway from 1910 to 1924, and then on the Southern Pacific's main line in Arizona and California. During World War II, it transported troop trains to military bases.

The locomotive was retired in 1956 after 55 years of service and over three million miles.

## Doubting God's Goodness

*When you face temptation, remember that sin leads to suffering but trusting God leads to blessing.*

Living in this fallen world can challenge our faith in God's goodness. The pain and suffering that resulted from Adam and Eve's sin may cloud our understanding of the Lord. Why doesn't He always relieve hardships, fix our problems, and give us what we want?

When Eve listened to the serpent's lies in the garden of Eden, she began to doubt God. Why would He deprive her of wisdom and the enjoyment of food that looked so

desirable? Our thoughts are similar to Eve's when we don't agree with what our Father says is best for us. From a human perspective, "good" refers to what is enjoyable, comfortable, or profitable. But the Lord has a much higher standard and is always working to achieve His purpose—to develop Christlike character in His children.

Behind every restriction or commandment our Father gives to us is His loving care for His children.

He knows the consequences of sin and wants to protect us.

Adam and Eve learned through disobedience that God knows what's best. We have the opportunity each day to discover His goodness by listening to His voice, obeying His commands, and trusting His wisdom. Whatever may come our way, we can know He is working for both our temporal and eternal good (Romans 8:28).

## OBITUARIES

## Charles “Bud” Aliprandini

Charles “Bud” Aliprandini passed away on December 4, 2024, at the age of 96. Bud was born October 22, 1928, to Guido and Angeline Aliprandini, in Crystal Falls, Michigan. He spent his childhood hunting, fishing and roaming the Michigan backwoods. He played high school basketball with a passion and after graduating he enlisted in the Army and served in the 82nd Airborne Division stationed at Ft. Bragg, NC. After the Army he worked in the mining industry in the Upper Peninsula of Michigan. In 1954 he married the love of his life, Anne, and they moved to Claypool, AZ to join his father in owning and running The Shamrock Bar, where the town could find live music, games, homemade dinners and the coldest beer in town. Bud and Anne raised 7 kids together and they both made time for their kids to have camping, canoeing, hiking and many other adventures.

Besides being in the bar business, Bud had other jobs, including working for Magma

Copper Company. His master carpenter skills and expertise were sought after for countless building projects—at the heart of it, people knew Bud could build anything. He owned Claypool Cabinets and spent many years installing beautiful custom kitchen cabinets in homes throughout Globe/Miami. As a volunteer firefighter, Bud proudly served in the Tri-City Fire Department for 25 years.

He loved spending time with his family and friends, enjoying his many hobbies. He loved fishing, hunting, woodworking, stained glass, and gardening. He loved cheering on the Green Bay Packers and the Phoenix Suns. He enjoyed going on endless adventures with his

ATV buddies, exploring the AZ backroads, with his beloved dog Max at his side. Even at 96 he was always up for a good game of cribbage.

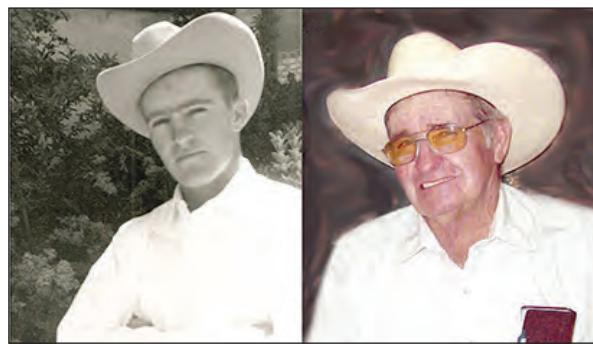

Bud was warm and kind to everyone he met. He had a playful sense of humor—if he teased you, you knew you were part of his wide and generous circle. Bud brightened everyone’s day, and he will be greatly missed by all who knew him.

Bud is survived by his wife of 70 years, Anne, his sister Frances Ann Arduengo, his children Lynne (Robert) Barte, Julie Daniels, Chuck (Suze) Mancini, Mark (Jenny) Aliprandini, Nora (Frank) Balaam, Susan Aliprandini and Michael Aliprandini, his 10 grandchildren and 6 great grandchildren.

He is preceded in death by his parents, his sister Eileen Krueger, and his infant daughter Connie.

Services will be held December 21, 2024, at St Joseph’s Catholic Church in Claypool. The Rosary will be at 9:30 am with funeral mass following at 10:00 am.

## Eddie Conway

Eddie Conway, the oldest living pioneer of Tonto Basin who lived there all his life, passed away at home quietly in his sleep on Sunday afternoon, November 24th with his family around.

Eddie is survived by his wife of almost 59 years, Betty Sue (Fletcher) Conway, Daughter Debbie Sweezy (Chris), grandsons Dax Rhoton, Cutter Rhoton, Troy Locatis, Wyatt Sweezy (Layla), and granddaughters, Traylen Rhoton and Alaina Sweezy, one brother Bill Conway (Penny) and their children and grandchildren, several nieces, nephews, and cousins, and a host of friends. He was preceded in death by his oldest daughter Christie Locatis, his parents, EC and Frances Conway, and two sisters, Jeanne Halmer and Mary Ann Sage.

Born in the Globe hospital, Eddie lived and worked his entire life on the Ranch in Greenback Valley. His early days were spent on the ranch, working cattle as a young boy. He attended Elementary school in Tonto Basin, then his parents enrolled him in Globe for High School. He played football in High School, but continued rodeoing in Junior Rodeos and Amateur Rodeos until he graduated in 1959 and enrolled in College at ASU that fall.

He soon decided college was not for him because he wanted to rodeo professionally full time. He struck out on the rodeo trail with just his bull rope in 1959, and began criss-crossing the country and Canada, and the rest is history. From a kid, roping and riding calves and steers, Eddie had one goal—to compete with the best at the big rodeos and make the NFR. His hard work paid off when he became one of the best bull riders in the nation, making two trips to the NFR (professional rodeo’s super bowl) in 1963 and 1964, where only the top 15 in the sport are allowed to compete. He was injured seriously at Canada’s Calgary Stampede in July of 1965, but that didn’t stop him. He hung up his bull rope for the final time after riding several bulls in 1972, mostly in Arizona. Later in life, he picked up a heel rope and began team roping. He found success at this as well, winning buckles, saddles and nice checks. Eddie marveled that he could win more money at a single roping than he did in an entire year of bull riding back in the early 1960s.

Eddie met his wife Betty Sue Fletcher in November, 1964, and married her on December 11, 1965. They moved to the ranch and purchased

some of the land and cattle in 1968, giving their operation the name Triangle P Ranch (after one of Eddie’s brands) in Greenback. Unfortunately, drought and low cattle prices caused both Eddie and his wife to work other jobs. He began building firebreaks for the Forest Service, then started his own business with a backhoe, and even signed on as a Gila County Deputy for awhile. He was also well-known for lion hunting and guiding, and had some of the best lion hunting dogs around. He found his niche when he began as an equipment operator, later becoming department foreman for Gila County Highway Dept., working there during the week and working at the ranch on the weekends. He retired in 2002 with 31 years of service in Gila County. Eddie was a fifth generation rancher in Greenback Valley. The land was homesteaded by his ancestors in the late 1800’s and is still owned by the Conway family today. His sixth generation daughter, Debbie, her husband and their children manage the Triangle P Ranch in Greenback.

Eddie battled Alzheimer’s Disease in his 80’s. A Celebration of Eddie’s Life will be held at the Tonto Basin School, in Tonto Basin, AZ on December 14th, 2024 at 12:00 noon, to be followed immediately by a potluck lunch. Bring a dish, stories and memories to share and celebrate our Cowboy’s ride home to Glory. In lieu of flowers, the family requests that you donate to the charity of your choice or to the Alzheimer’s Association at alz.org

## OBITUARIES

## Patricia “Pat” “Patty” Jane Romero

Christmas 1954, Manuel invited her to Arizona to meet his Mother and Grandmother, and on Christmas Day Manuel asked her to marry him by presenting Patty with a large box that contained an engagement ring. She said yes! They became Mr. & Mrs. in March 1956 after a whirlwind week in which Patty designed and sewed her wedding dress; they made their invitations together and delivered them, made their wedding cake, and learned the ceremony in Spanish. In January 1957, the first of their four children was born.

After earning her Bachelor's degree in Music at Central Missouri State, Pat went on to earn a Master's degree in English from Arizona State University and taught Jr. High, High School, and College English throughout her career.

As a young musician, Pat sang in the Sweet Adelines. She also played piano and directed the Children's Choir at the Methodist Church. She once accompanied her daughter who played an oboe solo to earn a scholarship for Music Camp. After retirement, Pat played the organ, directed and sang in the choir at St. John's Episcopal Church, and participated in several years of performances of the Christmas Cantata in Globe-Miami.

Pat was creative in so many ways, and along with music she learned to do screen printing in the early 60s. Pat often enlisted family members to help with her screen printing projects over the years, making T-shirts for the

running club or one of the kid's groups, creating unique family Christmas cards and Birth Announcements for their growing family. Along with a college friend, she made and sold college pennants at several Missouri Junior Colleges.

Pat fell in love at first sight with the Southwest, and was always interested in Native American artwork and the plants that grew all over the state. She enjoyed attending shows of Native American paintings and other artwork, and always carried around books in the glove compartment of their cars for identifying the southwestern flora she came across in her travels to all elevations of the area. She took classes in Botany of the Southwest, became a Master Gardener, helped start the Globe-Miami Farmers Market, and taught seminars about cooking with native southwestern plants. She and Manuel also started and ran the Sunrise Sunset Chili and Herb Gardens in the foothills of the Pinal Mountains for over 20 years, selling starter plants for specialty chilies, tomatoes and herbs each Spring to gardeners locally and around the valley.

Pat and Manuel enjoyed attending dances and parties with friends from the time they first met. It was not unusual for them to spend a Saturday evening dancing the night away. They also became famous for their Christmas Eve Tamale parties in Globe, where many friends and their children gathered to celebrate the season every year. No mat-

ter how crowded the house was, there was always room for one more.

Along with Manuel and her children, Pat traveled throughout 42 states in America and to seven foreign countries, including a summer trip to Australia and New Zealand with the youngest daughter, a 50th Anniversary trip to Ireland with the middle daughter's family, and 2 trips to Guatemala to bring home adopted children with the oldest daughter's family. Pat always enjoyed the new experiences and adventures, but eventually she would tell Manuel, "I want to go home," and that always meant Globe, Arizona.

Pat enjoyed countless picnics and camping trips with her family over the years. She and Manuel camped all over the Southwest and up the western side of the US, including camping along the way to visit their daughter's family in Washington State. Manuel was the idea man, and Pat didn't mind trying new ideas and making new family traditions, like camping trips with other families at Easter near the Salt River, picnics celebrating Thanksgiving at Oak Flats, and the annual Christmas tree cutting near Seven Mile Wash.

In recent years, with her reduced physical abilities, Pat really enjoyed playing all sorts of games with family when they came from Washington and Indiana, or up from the valley for visits. Although movement was difficult for her, she was still very quick mentally and often won the games they

played. Pat especially loved the games the family made up for various holiday celebrations.

Pat is survived by her husband of 68 years, Manuel, her four children, Joni (Steve), Toby, Coty (Jim), Tana-Shay, three siblings, Dale (Laura), Judy, Jan, and seven grandchildren, Devin, Keegan, Brenna, Sheena, Lucas, Wesley, and Amelia.

She was preceded in death by her parents, Gerald and Gladys Thomas, several aunts, uncles, and cousins.

Our sad hearts are comforted, knowing that "Pat" - "Mom" - "Grandma," is finally able to walk and run and dance again, to talk and smile and laugh out loud with joy again.

A Celebration of Life for a Life Well-Lived will be held for Pat at St. John's Episcopal Church on Sunday, December 22, 2024, at 2:00PM. In lieu of flowers, the family would appreciate donations to the Michael J Fox Foundation for Parkinson's Research. ([give.michaeljfox.org](http://give.michaeljfox.org))

Donate to The Michael J. Fox Foundation

The family of Patricia "Pat" Romero wants to express their heartfelt gratitude to all the wonderful Caregivers of Faubush Family Homes and to the amazing Hospice nurses of Billet, who lovingly cared for Pat this past year and allowed so much quality time for Pat and Manuel to be together. We also appreciate all the support and sympathy extended to our family by friends and relatives, as Pat ended her journey with us.

# Just One Unwrapped Toy for Miami Small Town Christmas

Arts, crafts, baked-goods and food vendors are invited to request a spot at Miami Veterans Memorial Park for the Christmas craft fair this Saturday, Dec. 21, from 9:30 a.m. to 4:00 p.m., prior to Miami's Small Town Christmas event. Instead of a fee for vendors to sell, they're asked to donate one new unwrapped toy – to be distributed to children during the Small Town Christmas event that evening from 5:30 – 8:00.

Vendor spots are first-come, first-served; reserve yours with a call to Cindy Grainger (602)999-1119 or Christine Duarte (928)458-6373.

**Small Town Christmas Schedule:**

"Santa will arrive at 5:30 sharp, courtesy of an escort by local law enforcement and Tri-City Fire Department," reports event organizer Christine Duarte, adding that she anticipates appearances by The

Grinch, Frosty and other Christmastime celebrities as well. "All of our events are free -- no charge! All kids will receive a free gift, and our train will be up and running! There will be propane heaters setup around the park to keep warm, and we will be giving out hot chocolate with whipped-cream and sprinkles; hot coffee, churros, cookies, chips, cotton candy, candy cane, popcorn and special

bakery items. We are raffling numerous bikes, gift cards, and other items, and Christmas Caroling! We also have two \$150 Fry's gift cards for two families in need!"

Kids and families, really everyone; all are invited to Miami's Small Town Christmas event Saturday night. Veterans Memorial Park on Sullivan Street in Miami has been creatively, colorfully, elaborately decorated since November for this event, and with so many creative decorations and scenes -- is a lovely place for family photos and Christmas card pictures. Downtown Miami becomes

a winter wonderland for all to enjoy — and Small Town Christmas is open to all children throughout our local communities to visit with Santa, sip hot cocoa and share Christmas cheer with friends and neighbors.

Donations are still needed, to help Miami's team of Christmas Elves make this event extra special for all kids who attend. Please donate new, unwrapped toys suitable for children of all ages. Toy donations may be dropped off at the Miami Senior Center or the Miami Police Department. Cash donations can be made at the Miami Town Hall for Small Town

Christmas or to The Miami Genesis (501 C3). Donations can be picked up in person if needed. And after Christmas, please consider donating your Christmas decorations, too, to make next year's event even bigger! Please don't throw perfectly good decorations out after Christmas. Items can be picked up from any location or they can be dropped off at the Miami Senior Center or at the Miami Police Department. Please call Miami's Director of Community Services, Christine J. Duarte, to volunteer or donate (928) 458-6373.

### An Advertising Proverb

When Mark Twain was editing a newspaper in Missouri, one of his subscribers wrote in, saying that he had found a spider in his newspaper and wondered whether it was a sign of good or bad luck. Twain's response: "Finding a spider is neither good luck nor bad. The spider was merely looking over our newspaper to see which merchant was not advertising, so that he could go to that store, spin his web across the door, and lead a life of undisturbed peace ever afterward."

GLOBE, AZ – Cobre Valley Regional Medical Center (CVRMC) is excited to announce the future opening of its much-anticipated “Highway 60 Clinic,” a walk-in clinic located near Cal Ranch and Walmart. This new facility is set to provide essential healthcare services to the community, offering a convenient option for those seeking immediate medical attention without the need for an appointment.

The journey to establish the Highway 60 Clinic has not been without challenges. The initial plans for the clinic encountered an unexpected delay when it was discovered that the proposed location fell within a designated floodway.

Determined to bring this vital service to the community, CVRMC worked with local and federal agencies to reassess the flood maps that impacted the clinic's location. Through extensive modeling, updated maps were drawn to better reflect the actual conditions of the area. CVRMC then submitted a request for a Letter of Map Revision (LOMR) to the Federal Emergency Management Agency (FEMA), requesting an official change to the flood designation.

On July 29, FEMA issued a LOMR, paving the way for the new clinic. The new facility will offer extend hours to walk-in patients, providing a convenient, affordable option for healthcare services. While the specific timeline for construction and opening is still being finalized, the team is working diligently to bring the project to completion as swiftly as possible.

CVRMC is committed to keeping the community informed as progress continues. Updates on the clinic's development will be shared regularly, with a focus on ensuring that residents are aware of the new healthcare options that will soon be available.

The opening of the Highway 60 Clinic represents a significant step forward in CVRMC's mission to provide comprehensive, accessible healthcare to the region. The medical center looks forward to welcoming patients to this new facility and continuing its tradition of high-quality care for the community.
