## Route Modification for Hill Street Apartments

Copper Mountain Transit would like to inform the community of an upcoming change to the bus route starting January 13, 2025. The routes traveling from Globe to Miami on both the A/Red and B/Blue lines will no longer stop at the Safeway grocery store in Globe. Instead, the new stop will be located at the intersection of Hill Street and Sutherland Street.

The opportunity to relocate the bus stop was appealing, as the new location is easier for the bus to access and exit, ultimately making it safer for both passengers and drivers. Please remember that the

bus operates on a fixed route with deviations. If you need to be picked up from the Safeway grocery store, you can call the office at 928-473-8222 between 6 AM and 6 PM to request a deviation within ¼ mile of the nearest bus stop, such as the train depot. You can also check the scheduled departure times, and the dispatcher will inform the driver to pick

you up. Alternatively, you may request to be dropped off a quarter mile from the nearest bus stop at the Safeway grocery store.

The fee for any deviations in pick-up or drop-off locations is \$1 per person.

If you have questions or concerns, please call the Transit office at 928-473-8222 from 6 AM to 6 PM.

## Arizona Hunter Safety Course

The next Arizona Hunter Safety course will be January 1st thru February 2nd. The classroom portion of the course will take place at the Knight's of Columbus Hall at Our Lady of the Blessed Sacrament Catholic Church on Friday and Saturday from 8 a.m. to 4 p.m. The course will conclude with a Range Day on Sunday, February 2nd at 7:30 a.m. at the Globe-Miami Gun Club range on Bixby Rd.

Registration will open January 21 at 12:01 a.m. @ Event - Arizona Hunter Education Course – January 31, 2025 in Miami, AZ (registered.com)

Students will need a Customer ID number at registration.

The customer ID number is located on Arizona Hunting and Fishing Licenses. Licenses for youth are sold on-line at <https://license.azgfd.com/>. If you don't want to purchase a license, please call Arizona Game and Fish Department at 602-942-3000 Monday through Friday from 8 a.m. to 5 p.m. to get a customer ID number.

There is a \$5 per student donation (to help offset the cost of utilities for the church) for this course payable on the first day of class.

All classroom hunter safety education courses are taught by Arizona Game and Fish Department certified

volunteer instructors.

A student that is 9 years old may complete the Arizona Hunter Education Safety Course.

If a student turns 9 by the time they graduate, they may receive a Hunter Education card. The card will not become valid until their 10th birthday. The age that they may hunt big game has not changed, only the age that they can graduate the course. This will prevent the problem of a student turning 10 the day before the hunt and not being able to get into a class.

For further information contact John Stemm at [jmstemm@gmail.com](mailto:jmstemm@gmail.com) or call 602-478-5201.

GLOBE, AZ – Cobre Valley Regional Medical Center (CVRMC) is excited to announce the future opening of its much-anticipated "Highway 60 Clinic," a walk-in clinic located near Cal Ranch and Walmart. This new facility is set to provide essential healthcare services to the community, offering a convenient option for those seeking immediate medical attention without the need for an appointment.

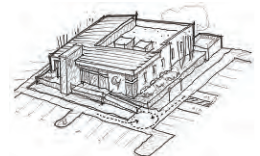

The journey to establish the Highway 60 Clinic has not been without challenges. The initial plans for the clinic encountered an unexpected delay when it was discovered that the proposed location fell within a designated floodway.

Determined to bring this vital service to the community, CVRMC worked with local and federal agencies to reassess the flood maps that impacted the clinic's location. Through extensive modeling, updated maps were drawn to better reflect the actual conditions of the area. CVRMC then submitted a request for a Letter of Map Revision (LOMR) to the Federal Emergency Management Agency (FEMA), requesting an official change to the flood designation.

On July 29, FEMA issued a LOMR, paving the way for the new clinic. The new facility will offer extend hours to walk-in patients, providing a convenient, affordable option for healthcare services. While the specific timeline for construction and opening is still being finalized, the team is working diligently to bring the project to completion as swiftly as possible.

CVRMC is committed to keeping the community informed as progress continues. Updates on the clinic's development will be shared regularly, with a focus on ensuring that residents are aware of the new healthcare options that will soon be available.

The opening of the Highway 60 Clinic represents a significant step forward in CVRMC's mission to provide comprehensive, accessible healthcare to the region. The medical center looks forward to welcoming patients to this new facility and continuing its tradition of high-quality care for the community.

## Terri Lynn (Witterman) Dillard

Terri Lynn (Witterman) Dillard passed away peacefully with her daughters and father by her side on January 1, 2025 at 11:29 PM at the Ryan House with Hospice of the Valley.

Terri had a very long grueling battle trying to figure out what was taking her mobility and causing her so much weakness. Thanks to the Mayo Clinic, we found out the cause as she was diagnosed with an extremely progressive type of ALS in October 2024. After her diagnosis she fought a brave but short battle.

Quickly losing more & more of her physical mobility, first her ability to walk then the strength in her arms, and finally her breathing became so restricted she had a hard time even talking.

We are grateful for the care she received through the Mayo Clinic and Hospice of the Valley. It made her much more comfortable in her final days. We also are grateful for the care she received from Haven of Globe and CVRMC and the Tri-City Fire Dept for always. Being so good to our mom and making her feel comfortable and safe.

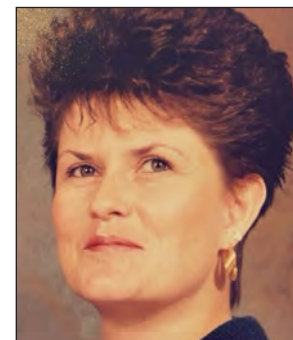

She is preceded in death by her Mother Karen Sue Witterman and survived by her Father Joseph Wit-

terman Sr. of Globe, AZ, her brother Joe Jr Witterman (Renee) of Payson, AZ, her daughter Trisha (Dillard) Hammer (Nic Hammer) of Globe, AZ, her daughter Laci Dillard of Phoenix, AZ and her four Grandchildren Gavin White of Globe, AZ, Rilee (Bryan) Collantes-Hammer of Phoenix, AZ, Aubree Hammer and Mason Hammer of Globe, AZ.

Terri was a lifelong resident of Globe Az and loved her community. Terri was a very smart and educated woman. She went to school for many years sacrificing many years of her life and time with her family to obtain her Master's Degree.

She worked for the Department of corrections for over 20 years. She loved her job because she knew she was making a difference in people's lives. After her retirement she went on to continue her career in corrections working for Securus until she could not work any

longer. Our mom was a wonderful, loving, and caring mother. She always had our back whether we were wrong or right. Things were not always perfect, but she was the most forgiving person. She was also such a fun Myma with her grandbabies. She loved all her nieces and nephews, they all meant so much to her.

Our mom was a dedicated Godly woman who loved the lord and her church! As a kid my mother was a member of the Assembly of God church in Miami for many years. She made River of Life Church her family in her later years and truly loved everyone there so much. As her mobility diminished, she missed being a part of Sunday services, so she would watch videos of recorded sermons to feel like she was with her church family.

Our Mom had so many wonderful and caring friends! She was incred-

ibly loved and supported by so many.

We truly hope to see you all at her celebration of life at the IBEW hall located at 1383 N. Arizona Highway 188 Globe AZ January 26th at 1 p.m.

Our Mama loved a good Potluck, we will be having one in her honor. Anyone who would like to bring a dish please contact Trish Hammer or Karen Hill.

We also would like everyone to wear purple if you would like in her honor!

We love you to the Moon and Back mama to infinity and beyond.

Psalms 23: 1-6

The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever.

## Dr. Jovita "Jaye" Linda Howell

Dr. Jovita Linda Howell also known as "Jaye" resident of the Miami-Globe area, went away to be with the Lord on November 23rd, 2024. She was born in her parent's home, in Claypool, Arizona on October 6th, 1941. She was the youngest daughter of Ventura and Maria G. Lopez.

She graduated from Miami high school, in 1960. Jaye entered the university as a nursing major and during the summer vacations, she worked at Gila General Hospital as a student nurse. She then changed her major to education. She is a graduate of Northern Arizona University, where she earned her Ed.D, master's in education, (psychology), and a Bachelor of Science degree. She enjoyed nursing, but Dr. Howell's first love, was teaching and counsel-

ing students. She loved every student and in the last years, she shared her fond memories of teaching and working with students.

She started her teaching career as a fifth-grade classroom teacher at Rice Elementary in San Carlos, Arizona. She was instrumental in writing and setting up the first guidance counseling program at Rice School and served as the school's first K-8 guidance counselor.

She then went to Leupp Arizona and was hired at the Leupp school district as a guidance counselor. While at Leupp, she wrote and set up the Leupp school district K-12 guidance counselor program. She returned to San Carlos and worked at the San Carlos junior high as the guidance counselor. She was transferred to San

Carlos high school where she worked as a guidance counselor and administrator until her retirement.

Dr. Howell was a former member of Arizona counseling association, Phi Delta Kappa professional fraternity, Alpha Delta Kappa honorary sorority

In 1988-1989 Dr. Howell was awarded the Rice School Outstanding Educator by the Globe/Miami Chamber of Commerce

She was married to Doctor Edward D. Howell. They had a loving marriage that lasted 32 wonderful years until Ed's death in 2007 after retirement they enjoyed traveling, reading, gardening, oil, painting, drawing, refurbishing furniture, fishing, and watching the Diamondbacks and college football.

A highlight in her young life was playing a practice softball game against the Arizona rambler who were an Arizona State Pro softball team. Jaye was 12 years old and a junior high school student, the rest of her teammates were 16, 17 and 18 years old high school students. No official scorecard was kept but each individual team

member kept the score mentally. The challengers (our) team received quite a thrashing, but we had fun playing with the Arizona rambler, and our team had a lot to talk about for a long time.

She was preceded in death by her husband, Ed Howell, parents, Ventura and Maria G. Lopez, stepson, Vernon Howell and brothers Ted Lopez, Fito Lopez, Ben Lopez, Joseph G Lopez and sister Maria E Lopez. She is survived by her sister, Connie Cooreham and her brother Al Lopez (Robin) and many nieces and nephews.

## The Key to Controlling Your Anger

By Greg Baker

Pastor of First Baptist Church of Miami, AZ.

The key to controlling your anger is not taking charge of it like you would a child, or an employee, or a car. Once you lose your temper, you are no longer in control. Controlling your anger means you find a way to control when and why you get angry. Anger is not necessarily wrong, so being in control isn't the ability to suppress your anger but deciding what you should get angry about.

The key to controlling your anger is placing buffers in your mind and emotions that makes you very slow to anger. It is the quick temper that is most dangerous. It is the short fuse that gets us into trouble.

People who are slow to anger are in much more control of the result of their own anger. If it takes you a long time to get angry, you won't allow your anger to cause you to do something you'll

regret. You will be in control of when and why you get angry.

I've found this principle to be true biblically and practically. Here are a few verses from the Bible that you might find interesting: Proverbs 15:18, Proverbs 16:32, Proverbs 14:29, and James 1:19.

In short, your ability to put barriers and buffers in your life that slow your rise to anger is the key in controlling your anger. Anger is a natural part of our emotional makeup. Some things should cause us anger! But selfish anger leads to many of our problems. And it is this selfish anger that is so quick to surface.

Trying to drive a car at 100 mph down a windy mountain road is probably going to get you killed. But if you drive the same car much slower, you can take the appropriate action and make it down safely.

Anger is much like that. The quick temper will drive us right off the emotional cliff. Many relationships are de-

stroyed this way. But a person who comes to anger much more slowly can stay rational and thoughtful during the course of his anger.

Anger is not something you can stash away at leisure. You can't flare up in anger, suddenly realize you're making a mistake, and then turn the anger off like a light switch. We just aren't built that way. But you can learn to be slow to anger. What barriers do you have in your life that keep your anger in check?

### Practical Thoughts on Being Slow to Anger

1. Know yourself. Know what makes you angry. In your calm moments, analyze your anger critically and try to understand it better.

2. Prepare to be tested. I've often practiced my reaction to that which stimulates my anger before I face the actual trigger. You react as you have conditioned yourself to react. If you want to control your anger better, practice how you face what causes your anger.

3. Develop the aspect of your personality that is not easily offended. This is largely a mental condition. When you think you are being attacked, you react like you are under attack. Find ways to learn to overlook slight and offense. Your life will be so much more enjoyable.

## Gila County Point-in-Time Homeless Count begins Jan. 23

The annual January "point-in-time" count tallies local homeless in communities throughout Gila County and volunteers are needed for the Jan. 23 count—a Thursday.

An accurate count is particularly important this year, supporting efforts such as the Gila County Homeless Task Force with up-to-date numbers of our homeless population—statistical information that will prove increasingly crucial during 2025 and 2026 with obtaining state and federal funding for local programs that can help lift people from the cycles of poverty and homelessness.

To volunteer with the count or to share helpful and specific information about places where homeless people can reliably be found or camped—please call Continuum of Care Administrative Assistant Hannah Lynch at 928-474-7193 or email [hlynch@gilacountyaz.gov](mailto:hlynch@gilacountyaz.gov)

## Holiday Office Hours

Gila County Offices, departments and landfills will be closed Monday, Jan. 20 for Martin Luther King Jr./Civil Rights Day and Monday, Feb. 17 for President's Day.

## Tobacco-Free Program

Gila County Tobacco-Free Environments program is offering e-cigarette/vape collection and disposal for any Gila County schools or organizations.

E-cigarette/vape waste can pose a serious environmental threat because it is three forms of waste in one: plastic waste, hazardous waste, and electronic

waste.

If placed in landfills, they can combust and also leak into the ground, eventually reaching the ground water.

For more information on e-cigarette/vape collection, please reach out to Sonia Yanez at [gilaantitobacco@gilacountyaz.gov](mailto:gilaantitobacco@gilacountyaz.gov) or 928-961-1714.

**An Advertising Proverb**

When Mark Twain was editing a newspaper in Missouri, one of his subscribers wrote in, saying that he had found a spider in his newspaper and wondered whether it was a sign of good or bad luck. Twain's response: "Finding a spider is neither good luck nor bad. The spider was merely looking over our newspaper to see which merchant was not advertising, so that he could go to that store, spin his web across the door, and lead a life of undisturbed peace ever afterward."
