GLOBE, AZ – Cobre Valley Regional Medical Center (CVRMC) is excited to announce the future opening of its much-anticipated "Highway 60 Clinic," a walk-in clinic located near Cal Ranch and Walmart. This new facility is set to provide essential healthcare services to the community, offering a convenient option for those seeking immediate medical attention without the need for an appointment.

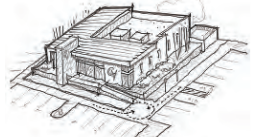

The journey to establish the Highway 60 Clinic has not been without challenges. The initial plans for the clinic encountered an unexpected delay when it was discovered that the proposed location fell within a designated floodway.

Determined to bring this vital service to the community, CVRMC worked with local and federal agencies to reassess the flood maps that impacted the clinic's location. Through extensive modeling, updated maps were drawn to better reflect the actual conditions of the area. CVRMC then submitted a request for a Letter of Map Revision (LOMR) to the Federal Emergency Management Agency (FEMA), requesting an official change to the flood designation.

On July 29, FEMA issued a LOMR, paving the way for the new clinic. The new facility will offer extend hours to walk-in patients, providing a convenient, affordable option for healthcare services. While the specific timeline for construction and opening is still being finalized, the team is working diligently to bring the project to completion as swiftly as possible.

CVRMC is committed to keeping the community informed as progress continues. Updates on the clinic's development will be shared regularly, with a focus on ensuring that residents are aware of the new healthcare options that will soon be available.

The opening of the Highway 60 Clinic represents a significant step forward in CVRMC's mission to provide comprehensive, accessible healthcare to the region. The medical center looks forward to welcoming patients to this new facility and continuing its tradition of high-quality care for the community.

How To Help Someone with a Broken Heart

By Greg S. Baker
Pastor of First Baptist Church of Miami.

It can be agonizing to watch a friend or loved one suffer through a broken heart. However, there are things that we can do to help them through it. If you are a friend, relative, or bystander who knows of someone who has had their heart-broken by someone else, there are some things you can do to help.

DON'T LET THEM GO INTO ISOLATION

Get them involved with life again. Don't let them wallow in self-pity for very long. The more they isolate themselves, the more walls they will build between them and every other relationship they have. It is very dangerous.

They need to get involved with life again to begin the process of healing a broken heart. They need to interact with people, so get them involved in activities and clean social events. They need to invest in others' lives in some way. I never recommend a broken-hearted person just to lie low. Get them involved.

TRY TO GET THEM TO OPEN UP AND TALK ABOUT IT

So much pain is released when people can talk about their broken heart. If you can get them to talk, they will find a release for a lot of their pain. The problem is in getting them to talk at all. They may want to so withdraw into themselves that they have no interest in conversation. Or, more likely, they may fear reliving the pain if they talk about it.

They still need to talk about it. You don't necessarily have to agree with their viewpoints, anger, or reaction, but being sympathetic is important. Allow yourself to sympathize with their pain. Tell them so.

When they do start talking, you need to be a good listener. Don't interrupt, don't do the talking yourself. Learn to listen. Your thoughts, suggestions, and solutions are not relevant at this moment. Let them flush some of the pain out of their system. You don't have to have a solution; you just need to be a shock absorber.

USE HUMOR TO DRAW THEM OUT

Get them to laugh. If you can get a person to laugh, chuckle, or grin, you will have broken past the pain for just a moment.

Having breached the barrier of their pain, you are now in a unique position to help. Not only are they more apt to listen to you, but they have found a moment's relief from their pain and that is invaluable to them.

POINT THEM TO GOD

You or they may not be necessarily a Christian as I am but having a God who loves you (Psalm 34:18) and a Savior who cares for you is very comforting (Psalm 51:17). Having a faith that is greater than the sum of all our lives brings tremendous hope and provides a solid rock on which to stand when the storms of life rage around you.

The great tragedy of life is having no hope. Give a person hope, and they will find strength and reason to heal their broken heart.

These are some things that you can do to help someone with a broken heart.

Maundy Thursday Community Evening Service
Divine Grace Church will be holding a Maundy Thursday service of worship for the community at 7 p.m. on April 17. We will commemorate Christ's last hours as he celebrated the Passover Supper before his arrest and his death by crucifixion early Friday morning. Christians all over the world remember his sacrificial death and his miraculous resurrection in the breaking of the bread and the sharing of the cup on this evening. The church is located at 305 Live Oak Street in Miami. Street parking is available, and in the inside and outside parking lots, east of the church. A lift is available for those unable to climb the stairs beginning at 6:30 pm and will accommodate wheelchairs. Come and hear the story of Christ's new commandment (mandate), to love one another in the same way that he loves us, as we pray, sing, and celebrate together.

Sharon Anderson Holley Crittenden

Sharon Anderson Holley Crittenden, 81, passed away peacefully on April 6, 2025, in Globe, Arizona. Born on September 24, 1943, in Flagstaff, Sharon was raised in Oak Creek Canyon, where her family owned and ran Junipine Cabins. Growing up among the canyon walls and cool waters of the creek shaped her deep love for Arizona's beauty. She graduated from Flagstaff High School and carried her Arizona roots with her wherever life took her.

Sharon devoted many years to the students of Miami High School as a beloved teacher's aide. She was known for her warmth, humor, and fierce support of her students—especially as a proud sponsor of the pom-pom squad.

Later in life, Sharon followed her adventurous spirit to Wyoming, where she worked for an outfitter and fell in love with the mountains and a cowboy named Paul Crittenden. They were married in 1997 and shared a colorful life until Paul's passing in 2019. Sharon often spoke fondly of their home and adventures.

A devoted animal lover, Sharon's constant companions were her beloved dogs Pia and Scruffy, and her cat Scrappy. In her later years, as COPD kept her closer to home, Sharon found joy in the little things: tending to her ever-growing collection of

Tillie (Falquez) Cooper

Tillie (Falquez) Cooper passed away, April 3, 2025. She was 81 years old, just 3 weeks shy of her 82nd birthday. She moved from New Mexico to the Globe-Miami area when she was a teenager. It was here that she married and raised two children. She was a wonderful wife, mother and grandmother and friend.

If you asked Tillie what she enjoyed doing she would say, "playing in the dirt." Which meant gardening. She loved to be out in the yard mowing the grass and taking care of her flowers. She had such a green thumb!

In addition to working in her yard, Tillie also enjoyed listening to music and dancing around while she was busy with her daily activities. Peppy Mexican music and older Country music were her favorites. Her favorite TV shows included Judge Judy, the new Matlock, Elsbeth and anything that made her laugh. Over the last few years, she began watching the Phoenix Suns and loved it! She was also a D-backs fan and was looking forward to watching baseball in between watching the Suns.

Tillie's little dog Molly was an important part of her life for the last 10 years. It gave her great comfort knowing that Molly would be with her great granddaughter, Kristen, who loves her and spoils her rotten.

Tillie knew Jesus as her personal savior and was a member of Central Heights Baptist church for many years. She loved and served the Lord for as long as she was able to.

Tillie is survived by her daughter, Tina Wilkerson. Grandchildren, Veronica (Paul) Yanez, Amanda Wilkerson, Michael (Kim) Falquez, Jesus Falquez IV, and Jacob Falquez. She had 18 great grandchildren and one great-great grandchild.

Tillie is preceded in death by 2 infant sons, her first husband, Jesus G. Falquez, her second husband, Al Cooper, her son, Jesus M. Falquez III, and her son in law, Cedric Wilkerson, as well as her three sisters, Orlinda, Hermelinda and Joann.

She will be deeply missed by her family and close friends. But for those of us who know the Lord, we have the assurance of seeing her again one day in Heaven. Oh, what a day that will be!

A Celebration of Life service is set for Saturday, April 26, 2025, at 11:00 am. at Central Heights Baptist Church 5773 Main St. Globe, AZ. Tillie's favorite color was red. She loved all bright colors, and it would be wonderful to see people wearing bright colors in her honor.

DIVINE BLOOD, a Sacrifice

Faith is the architect of the soul's
Holy Spirit's fire.
GOD's living LOVE words proceed
Inspiring GOD like deeds.

Born to benefit one another -
Cherish thy soul, cherish thy neighbor;
Pleasing Father GOD with works
Of LOVE
That in them selves inspire.

Faith grows like a mustard seed.
Faith is watered with GOD given words.
Faith initiates LOVE's nourishment.
Faith worketh by LOVE.
Faith without works is DEAD LOVE.

Some of you set yourself against
Father GOD's rule of LOVE.
You rule self, then say,
"I am my own MASTER"!

Like Satan's boast, "I'm GOD's equal !"
Foul tongue, thy heart speaketh evil.
A fallen being by name, no memory
Of shame.
A Pied Piper by trade, self he betrayed.

From Satan, the great cantor,
Pernicious treason,
Satisfying PRIDEFUL fever.
From tbe Master of Creation-swift
Judgement -
All rebels far-off in the ABYSS.

Your sins a pestilence, out of
GOD's favor,
Banished from Heaven, you need
A SAVIOR.
Sold into slavery, everyone unable
To pay
His sin debt. Your hope, a ransom.
Ask Jesus Messiah to be your
Sin BEARER.
For a repentant HEART, Jesus will
Open Heaven's PORTAL.

2000 years past, a world reset.
The bloodless, blessed SEED
Of a virgin maiden
Gave birth to a GOD/man.

Esteemed NOT, monstrously mocked,
GOD/man wore the CROWN of THORNS.
He left his Heavenly Kingdom;
Embraced SLAVES' sinful HEAVY debt.

Father GOD separated Himself
From His son.
Holy and Eternal, Father GOD must
Turn from SIN and Death -
His son embraced.

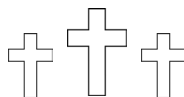

Lamb of GOD conquered
THORN'S curse,
Discharged repentant debtor's BOND.
Lamb of GOD'S virtuous DEATH,
BURIAL
And RESURRECTION sanctified faithful
Believer wear the CROWN of LIFE.

Life is in the BLOOD.
Lamb of GOD'S DIVINE BLOOD,
A sacrifice;
Rendered believer's LIFE rich
In spiritual REBIRTH.

"I created thee in MY IMAGE,
Not in the image of an angel,
Nor in the image of a creature.
I LOVE thee dearly;
In MY IMAGE, I made thee.

You came to me in need of salvation.
Thy pilgrimage pitched high
With hideous sins.
Thy humbled thyself with a
Servant's HEART.
Thy confession of sins converted
Thy SOUL.
Thy SOUL you surrendered to ME,
It will not perish.
I will remove the WAR lodged in
Thy HEART.
SELF-HATE, piteous, I will placate
Thy HEART, there LOVE and PEACE
Will abide.

MY BLOOD sacrifice on the cross
Is the epitome of LOVE DIVINE -
Transcends SIN and DEATH.
Your FAITH ; I , Jesus Messiah
Will give thee a CROWN of LIFE
And raise thee INCORRUPTIBLE,
MY BELOVED CHILD !"

APTS, from page 1
“The Hill Street School project is a great example of the power of the State Housing Tax Credit program,” ADOH Interim Director Ruby Dhillon-Williams said. “We have shovel-ready federal low-

income housing tax credit projects that can be bolstered with critical additional financial resources in order to quickly bring to market the attainable housing our state needs, in this case specifically for seniors, and the State

Housing Tax Credit program fills that crucial gap.”
A key component of this financing was S.B. 1124, Arizona’s first-ever state tax credit program. This program has been instrumental in driving rural development and expanding affordable housing opportunities across the state. It is set to expire at the end of the year. This rural project is the first in Arizona to utilize the state’s new tax credit program, proving its effectiveness in attracting private investment and serving as a model for future rural affordable housing initiatives.
