May 25 marked National Missing Children's Day

ALEXANDRIA, Va. — Every May 25, the nation observes National Missing Children's Day, a powerful reminder of the thousands of children who vanish each year and we honor the unwavering courage and hope of the families, law enforcement, and communities fighting tirelessly to bring them home.

The day was first proclaimed by President Ronald Reagan in 1983 to honor the memory of 6-year-old Etan Patz, who disappeared from a New York City street on May 25, 1979. Etan's case captured national attention and sparked a broad conversation about child safety ultimately leading to the creation of the National Center for Missing & Exploited Children (NCMEC) in 1984.

Since its founding, NCMEC has assisted in the recovery of more than 450,000 missing children cases, achieving a 91% re-

covery rate in 2024. These milestones reflect the collective impact of law enforcement, communities, families, and everyday citizens who refuse to give up on our missing children.

In 2024, NCMEC marked 40 years of service, commemorating key moments that have shaped the national response to child abduction and exploitation. From the groundbreaking 1981 symposium on missing and murdered children, organized with the help of civil rights advocate Ozell Sutton to missing children featured on milk cartons, NCMEC has been at the forefront of innovation and relentless advocacy.

Today, the landscape continues to evolve with emerging threats requiring new strategies and vigilance. In 2024, NCMEC saw an alarming increase of reports related to online enticement. This crime involves an adult communicating with a child for sex-

ual purposes and includes sextortion. In 2024, NCMEC received more than 546,000 reports concerning online enticement - a 192% increase compared to reports in 2023.

NCMEC remains committed to leading the fight to safeguard our nation's most vulnerable, but we cannot do it alone.

God Is Cash, the Devil
Is a Credit Card

By Greg S. Baker
Pastor of First Baptist
Church of Miami.

I read a verse recently that grabbed my attention. King David had sinned and had unleashed a pestilence upon the people of Israel. David wanted to offer a sacrifice and ask God for mercy and forgiveness. Another man offered to give David the land and everything he needed to offer the sacrifice, and it was David's response that caught by attention.

He said, "Nay; but I will surely buy it of thee at a price: neither will I offer burnt offerings unto the LORD my God of that which doth cost me nothing" (2 Samuel 24:24).

David wouldn't offer a sacrifice that cost him nothing. This concept seems to be so far from modern day Christianity. Most Christians want God's involvement, want to see God's miracles, want to experience the power of God—as long as there is not a cost. We want all the benefits of a powerful, loving, mighty God without having to pay

any cost for it.

Yet no matter who you serve in this life, be it God, the Devil, or your own interests, there is always a price to pay. Serving God comes with a cost. Just look what Jesus said about taking up your cross and denying yourself if you want to follow Him (Luke 9:23). So there is a price, a cost that everyone pays.

The same is true if you live for yourself or for the Devil. There is a price, a cost, to doing so. But there is a huge difference between the cost of following Jesus and the cost of following your own desires or that of the Devil's. Keep in mind, Satan doesn't care what you do as long as you don't do what God wants you to do.

The difference is this: God is like cash up front, while the Devil is like a credit card.

With God, the cost is always paid up front—like cash. You pay the price and then you get to enjoy the benefits. You surrender to God, He pours out His blessings. You live a

righteous life, you get to enjoy the miracles, the power, and the presence of God. But you often have to pay the price up front.

The Devil is more like a credit card. You can enjoy the pleasures of sin now...and pay later. And you don't have to pay all at once. You can pay later with interest so that the final cost is always higher than you imagine, always takes you further than you ever intended to go... and you pay, and pay, and pay as the interest keeps stacking up. Before long, you find yourself in bondage, a slave to the payments, going deeper and deeper into debt.

This is why the Christian life is the best life! It is full of joy, peace, love, and purpose. Yes, it does come with a cost. There is a price to pay. Living a life pleasing to God often involves sacrifice, but oh the benefits you get to enjoy after! Despite the cost I've had to pay, I would not trade what I have for the world!

Daniel R. “Beets” Romero

a miner, beginning his career at Magma Copper as a Heavy-Duty Equipment Operator.

He later served his community with strength and compassion as a Correctional Officer III at both the AZ State prison and the private prison of CCA in Florence, AZ and here in Globe when it was a juvenile detention center and later an adult State prison. Through every chapter of his life, Danny carried himself with humility, quiet strength, and a deeply rooted kindness that touched everyone he met.

Danny's faith in God was steadfast and sincere. Though he did not follow organized religion, his life was a testament to grace, goodness, and open-hearted love. He embraced all with compassion—never judging, always welcoming. To many, he wasn't just "Tata," he was their Tata—an anchor, a storyteller, a protector, and a gentle teacher of life's simple joys.

He found peace in nature, whether deer hunting,

chopping wood, or cooking breakfast in the mountains with “the gang.” His joy was greatest when surrounded by family and friends, sharing meals, laughter, and stories. He was patient with every living creature, and had a heart that made room for all.

Danny was preceded in death by his parents Ernesto and Armida Romero, beloved children Danny Jr., Rachel, Elaine, and Lisa Romero, grandson John “Bear” Carrasco, and dear siblings Sal Ruiz, Gusti Romero, Sophie Carrizosa, Lucy Ruiz, Art Romero, Arturo “Pungas” Romero, Ernesto Romero, Raul Romero, and Beatrice “Tuca” Arvizu. He also mourned the loss of many nieces and nephews who held a special place in his heart.

He leaves behind his devoted wife Annie Alvarez Romero, loving daughters Rosanna Romero, Stephanie Avalos, and Jennifer Romero, along with 8 grandchildren and 15 great-grandchildren who will carry forward his legacy. He is also survived by his

beautiful sisters Mary Lou Mendoza, Roxanna Cota, and Minnie Denogean and numerous nieces and nephews dear to his heart.

Our deepest thanks go to those who walked beside us in this journey: the compassionate staff of Dr. Joseph Ring, Dr. Karen Gremminger, Dr. Mazhar, Interim HealthCare, Billett Home Healthcare and Thema Hospice. To our extended family and friends—your love, prayers, and support have lifted us, and we will never forget your kindness.

We take comfort in knowing that Tata is now at peace, reunited with our creator & the loved ones who went before him. His soul, so full of love and faith, now rests in the arms of God.

Until we meet again, Dad... Tata... Danny....we will see you when we see you.

With all our love,
The Romero Family

GLOBE, AZ – Cobre Valley Regional Medical Center (CVRMC) is excited to announce the future opening of its much-anticipated “Highway 60 Clinic,” a walk-in clinic located near Cal Ranch and Walmart. This new facility is set to provide essential healthcare services to the community, offering a convenient option for those seeking immediate medical attention without the need for an appointment.

The journey to establish the Highway 60 Clinic has not been without challenges. The initial plans for the clinic encountered an unexpected delay when it was discovered that the proposed location fell within a designated floodway.

Determined to bring this vital service to the community, CVRMC worked with local and federal agencies to reassess the flood maps that impacted the clinic’s location. Through extensive modeling, updated maps were drawn to better reflect the actual conditions of the area. CVRMC then submitted a request for a Letter of Map Revision (LOMR) to the Federal Emergency Management Agency (FEMA), requesting an official change to the flood designation.

On July 29, FEMA issued a LOMR, paving the way for the new clinic. The new facility will offer extend hours to walk-in patients, providing a convenient, affordable option for healthcare services. While the specific timeline for construction and opening is still being finalized, the team is working diligently to bring the project to completion as swiftly as possible.

CVRMC is committed to keeping the community informed as progress continues. Updates on the clinic’s development will be shared regularly, with a focus on ensuring that residents are aware of the new healthcare options that will soon be available.

The opening of the Highway 60 Clinic represents a significant step forward in CVRMC’s mission to provide comprehensive, accessible healthcare to the region. The medical center looks forward to welcoming patients to this new facility and continuing its tradition of high-quality care for the community.
