As long as families have made their homes in the Mendota area, the contributions they have made within the community have never been limited to a social role; local businesses, from the time when the railroads and wagons first brought pioneering settlers to the Great Midwest, have been a family affair.

From the agricultural and manufacturing industries to the Main Street proprietors, family businesses continue the legacy of fostering a healthy commercial community in North Central Illinois and beyond...

The Ramers

Of Ramer Towing

“Ramer Towing has been serving the community for over 40 years. Paul Ramer started the business with just one small tow truck up against several larger companies in the area. With hard work and dedication to customer service, the family is proud to be Mendota’s largest and most dependable.

In addition to the towing, the Ramer family is also noted for their demolition derbies and Vintage Racing of Illinois race team. When you need a tow, call a Pro! ”
