Little League holds National **Cancer Survivor Month ceremony**

4-year-old DeKalb girl battling cancer throws out first pitch

By Jeff Helfrich MANAGING EDITOR

ROCHELLE — On Wednesday, the Rochelle Little League held a ceremony to honor National Cancer Survivor month for the fourth consecu-

tive year. Teams from every league gathered on the little league field for the ceremony. Banners were donated by local businesses commemorating the month and placed on each league's field. Before every game in the month of June, somebody who has cancer, is a survivor or was lost to it will be acknowledged and the song "We will rock you" will be played.

"Our slogan is #WeWillRockYou,"Umpire Albert Burciaga said. "The meaning behind it is we're sending a message to cancer. Cancer, we're going to beat you, and we're going to rock you. The banners will stay up this whole month.

The ceremonial first pitch was thrown out Wednesday by Kate Lucarelli, a fouryear-old girl from DeKalb. She was diagnosed with cancer in October 2020 and will finish treatment in January 2023.

Hopefully every time somebody dealing with cancer hears this song, they will know there's a whole community supporting them. We hope it will give you positivity and hope."

Players from different leagues carried bases painted gold onto the field during the ceremony.

Every player wore something gold. That's the color of pediatric cancer, which the little league chose to focus on this year.

Little League Board Member Corey Kreider said the ceremony has gotten larger over the years and he believes it's a good platform to raise awareness so the young

players can understand cancer better. It shows the community that the little league is a family and is there for support.

"Especially with more and more kids getting diagnosed with cancer and more kids knowing family members that may have it, we just kind of want them to know that life is

short and baseball is still a game and it's still fun to do it," Kreider said. "Have fun and enjoy life. Life's too short to worry about the small stuff. The bigger the family, the bigger the support. The community's support makes little league a family."

Community Cash program launched

Herrera: 'It's another way for us to encourage shopping locally'

BY JEFF HELFRICH MANAGING EDITOR

ROCHELLE — Mavor John Bearrows, the City of Rochelle and the Rochelle Chamber of Commerce have teamed up for a new Community Cash program.

Community Cash can be purchased at the chamber office at 501 6th Ave. for a one-to-one dollar to Community Cash ratio. It can be spent at any local business displaying the community cash logo. The program is still in its early stages and the chamber has a social media campaign planned to let the area know which businesses are participat-

"Say a store takes in \$50 worth of community cash, they come here and we'll cut them a check for \$50," Chamber Executive Director Tricia Herrera said. "There's no fee to be a part of it. The chamber is taking on the administrative fee part of it with our staff and printing and all of those things. Because it's just another way for our organization to support local businesses. We're going

to do some window clings to identify what stores are participating. Once we hear back from everybody, we'll put a list together and keep it on our website. That will be updated as we go

forward.' Herrera said the program is something the chamber, mayor and city have wanted to do for a long time. Work was started on it just before the COVID-19 pandemic hit and put it on hold. Bearrows has long been an advocate for the program and worked to bring it to fruition.

"I really have to give the mayor credit for working hard to move this forward," Herrera said. "We love to partner with him. He's a very big supporter of shopping locally. Shopping local and shopping small are things we're very passionate about at the chamber."

Programs similar to Community Cash are used by other area chambers, Herrera said. She believes it will go a long way towards encouraging people to shop locally who maybe normally wouldn't.

She hopes it will help to educate the community on products Rochelle has that residents don't need to leave town for.

Businesses large and small have already reached out to the chamber about interest in participating in the Community Cash program, Herrera said. Larger employers have asked about purchasing some to gift to their employees to both show their appreciation to them and support the community,

"Say an industry comes in and buys a bunch for employees, our local businesses get to be part of that," Herrera said. "I think right now our next step is educating people on what the program is and what its goals are. Once people know that, I foresee it taking off. The fact that it's at no cost to anybody but the chamber is encouraging as well. You do not have to be a

chamber member to participate in this program, But if you are a chamber member, we'll offer some different things for those businesses."

Herrera said during the pandemic, shopping locally became "a big deal" to support impacted small businesses. She doesn't want that feeling within the community to go away as COVID-19 fades.

were the fact that so many businesses were supported and people learned what we have in Rochelle that they don't have to go out of town for," Herrera said. "They maybe didn't know that prior to the pandemic. They didn't know services and products that you could get locally that you could support. I think this Community Cash program will continue to help with that.'

Herrera called the chamber fortunate to have strong partnerships, in-

The Community Cash program may yield a lot of work for the chamber office, but that isn't a concern for Herrera.

"We're hoping it becomes a lot of work," Herrera said. "It's a program we've never done before. There will be some kinks

early on such as helping everyone to know what the program is. I'd like it to become a lot of work, because that means people are using and supporting the program. Our biggest

Outgoing Student Trustee Mohammad Mustafa was honored for his service at the April Board of Trustees meeting. Mustafa is pictured with Dr. Laurie Borowicz, president of Kishwaukee College and Bob Johnson, board chairman.

Kishwaukee College seats student trustee

MALTA—Dale Giebel was seated as the new student trustee on the Kishwaukee College Board of Trustees at the April meeting. Giebel was elected by his peers to the position and took over the role of outgoing Student Trustee Mohammad Mustafa.

Mustafa served as student trustee since January 2022. Originally from Pakistan, Mustafa is currently a DeKalb resident completing his associate in science degree at Kish this year. Following Kish, he plans on pursuing a bachelor's degree in communications before applying to law school with the goal of becoming a domestic

violence attorney. Giebel, a Kirkland resident, is currently pursuing an associate in science degree from Kish and plans to transfer to a four-year institution to study zoology upon completion. As a Kish student, Giebel is a member of Kishwaukee College's Student Government Association, Green Team, Video Gaming Club, Tabletop Gaming Club, Performing Arts Club, Phi Theta Kappa Honor Society and National Society of Leadership and Success. He also works as a student employee for Kish's Marketing & Public Relations department. Outside of Kish, Giebel actively volunteers with the Kirkland Public Library, Hiawatha School District and Zoo's

Ferret Sanctuary. As student trustee, Giebel said he wants to continue to support the college's efforts to enhance the beauty on campus and create a greater sense of community among the student population.

"As an openly gay individual with a disability, I'd like to continue the efforts of the past trustees by showing that diversity only makes our campus stronger and by helping to lift the voices of the different communities on campus," Giebel said.

The student trustee represents Kish students on the College's Board of Trustees, attends board meetings each month and has an advisory vote on all action items.

100 Women Who Care presents donation to The Kitchen Table

ROCHELLE — The Ogle County Chapter of 100 Women Who Care donates quarterly to a 501c3 charity in Ogle County. Charities are nominated and voted on by the membership.

They recently presented their spring contribution to The Kitchen Table in Rochelle. The Kitchen Table is a donation and volunteer-based community restaurant for all. Their motto is "pay what you can a donation fair to your

budget or pay with your time and pay it forward."

The Kitchen Table strives to change the way we all interact with one another and our food. They use local foods as they can. They also receive lots of donated produce during the growing season and pass that along to customers. They are doing their part to help alleviate food insecurities among our communities. They believe that treating everyone with dignity and respect helps to

create a more sustainable community.

They work to provide a hot, nutritious delicious meal to one and all regardless of means to pay. Volunteers are always needed. Contact them at www. kitchentablerochelle.org or check out their Facebook at www.facebook.com/ kitchentablerochelle.

Immanuel Lutheran Church celebrating 150th anniversary

LINDENWOOD

"Jesus Christ is the same yesterday and today and forever." Heb.13:8

That is the theme for the 150-year anniversary celebration at Immanuel Lutheran in Lindenwood. And we thank and praise God for all of His blessings on the congregation over the past 150 years and pray that He will continue to bless Immanuel. The months long celebration will begin with a special worship service on June 12 at 9 a.m. Following the service there will be a community-wide picnic with family activities. The first official record-

ed act of the congregation was the baptism of Franz Friedrich Wilhelm Broitzmann on June 10, 1872. During the founding years several pastors served the congregation in their homes. In 1875, Pastor F.W. Richmann, of Elgin, conducted Lutheran services every third Sunday in the Lindenwood Union Church.

In 1891 trustees were elected and on Aug. 10, the congregation purchased a parcel of land from C.E. Perry, upon which the first church was built. Later in 1911 the parsonage was built.

The Rev. Adolph C. Staats was called to serve the congregation and under his guidance St. Paul in Rochelle was organized on Feb. 24, 1897. He served both congregations for three years until he was called by the Rochelle congregation to serve them.

On Jan. 8, 1911, Pastor Herman C. Schoenbeck

of Rochelle was called to serve the congregation in Lindenwood and he introduced the practice of conducting one worship service per month in English. Prior to this all services were spoken in German. Starting in January 1942, German services were discontinued, and all services were in English.

The most recent building addition to the church was completed in December 2005, making the sanctuary and facilities handicapped accessible. This latest addition was conceived under the guidance of Pastor J. Derek Riddle, and was completed while Pastor David Yarrington was serving the congregation. The mortgage burning celebration for this expansion was conducted less than 10 years after the building dedication.

June 12 will mark the beginning of the 150-year anniversary celebration with Rev. Dr. Matthew Rosebrock leading the special worship service, and guest Pastor Rev. J.

Derek Riddle participat-

After the service there will be several activities: pitching horse shoes, sack races, a community pot luck picnic and a homemade pie auction. Music entertainment will be provided by local talent Mike Crowe and church members will be roasting a hog for the picnic dinner.

This event will also be a fund raiser for Lutheran Church Charities Ukrainian Relief Fund. 100% of all donations going to Lutheran Church Charities will go to the relief fund. LCC then sends the financial aid directly to Ukrainian Lutheran Pastors to provide basic necessities to refugee families in Ukraine. If available, Lutheran Church Charities will have a comfort dog at the picnic.

Inaction won't cut it anymore

am not ashamed to admit that I she a few tears for the children murdered in a senseless act of violence in Texas on May 24. A shooter went into

a school and killed 19 children and two teachers. The parents of those kids will never see them grow up. They will never hold them again. They will never get to tell them they love them again.

It broke my heart. There have been more than 200 mass shootings in the U.S. this year. There were eight the weekend after the massacre in Texas.

The numbers are simply numbing. This is an epidemic, clearly. But it is one we don't talk about seriously and with the intent

to change things. This is generally a country of action. But we are frozen when it comes to gun violence. The reason?

People are so deeply entrenched on each side of the issue, no one listens to those that disagree with them. Not listening or seeking compromise is also an epidemic in this country.

You see, there are

those of you who have read this column up to this point and are convinced I want all guns melted down and turned into monuments of those killed. I don't. There are others who read that sentence and are convinced I have a stash of semi-automatic rifles in my home. I don't.

I am a gun owner, but something must be done about these mass shootings. Something real, something meaningful, something that will save the lives of countless Americans – especially our children. Our children do not deserve to be gunned down anywhere, but especially at school, a place of learning and

discovery. I am not here to offer up solutions – there are many of them already

out there and known to pretty much anyone paying attention. And no, the solution is not home schooling all children as some have suggested. If we go that route, we might as well just give

But the problem, again, comes back to listening. We can't find workable solutions because we can't do the first thing we need to do – sit down and talk about this. And by us, I mean politicians.

Sadly, they spend way more time grandstanding on this issue – and many others – than actually finding solutions. They are bought and paid for by special interests, so they can't even

pretend to want to find solutions to this horrible and growing problem. Instead, it falls

on places like schools to try to keep children safe. Soon, schools will be like prisons.

Will that matter to those entrenched on each side of this issue? They will say yes, but their inaction will say a very loud "no."

Brad

Jennings

Elected officials, please do something. Start by listening. Listen to things that make you uncomfortable or angry or sad. Listen. Listen to those you strongly disagree with. Hear what they have to say.

That is where we must start. It is a conversation we have never really had – it is generally yelling and sloganeering and inaction. Well, inaction just won't cut it anymore.

The leading cause of death among children and teens in the U.S. is now firearm-related injuries, according to the New England Journal of Medicine. I find that sickening and shocking. Clearly, we must act.

It all starts with an honest, open conversa-

Brad Jennings is the editor of the Ogle County Life.

Being the son of a veterinarian

approaches, I find myself contemplating the veterinarians in my life.

You see, I've been blessed with two veterinarians - my father and my wife.

Growing up, I was always "Doc Reeder's boy."

Together we would ride from farm to farm across Knox and Warren counties. I observed and helped with countless surgeries.

Sometimes it was as simple as, "Hold the flashlight, Scotty." Later, as a teenager, I

was gripping the edges of a uterus incision as my father pulled a calf into the world during a Caesarean section. I remember when I was

in kindergarten, sitting cross legged in a barnyard answering my Dad's ques-

"How many stomachs does a cow have, Scotty?" "Four, Dad."

"Well let's take a look at them, Scotty."

He then proceeded to perform a post mortem, explaining the purpose of each organ in language a 5-year-old could understand.

I remember falling off my bicycle in the second grade and walking home with an injured arm. My father took a look at it and

S Father's Day said, "It's either a fracture or a really bad sprain."

His next step was to take me to the veterinary clinic for an x-ray.

I still remember him striding into Cottage Hospital's emergency room with me by his side. He hollered, "He doesn't need to go to radiology, I've got an x-ray film right here." Animal doctors seem

more direct and practical than their human counterparts. Perhaps it's not having to deal with lawsuits and hospital politics.

But it goes beyond that. Animal doctors

have such an intense

love for creatures that their homes tend to become, well, menageries. When I asked my wife for her hand

in marriage, I made her promise: no animals would be added to our family -- unless we both agreed. She hasn't exactly respected this wedding vow.

OK, perhaps she has won

my repeated acquiescence by continually wearing me I suspect the only reason I asked for the promise was because of childhood

memories. When I was 8, my dad came home with a billy goat. Dad was vaccinating cattle at a sale barn and as a joke bid \$5 on a lonely goat that had no ears.

We ended up owning the beast that devoured newspapers, cigarette butts and just about anything else. The ruminant had no respect for fences

or screen doors.

No sooner had the goat been put in the pasture than it jumped the fence, ran across our yard, peered through the screen door and baaed loudly. Apparently, it had once been a house goat.

My mother took to chasing Billy off of the

porch with a broom

– until he ate the broom. Having no respect for fences, the animal took to

sunning itself on the Reeder front porch, which caused more than a few drivers to nearly

swerve off the gravel road that ran by our house. Given this history,

you'd think I'd have gone into marriage to a vet with my eyes wide open. Dream on. My wife brought a cat into the marriage that hated all men. Within a week, the cat marked my suit and every freshly pressed white shirt of mine hanging in the closet.

But marital adventures in felines didn't end there. A couple of years after we wed, my wife was more than eight months pregnant with our first daughter and she came home with a kitten that was born without eyes.

Between sobs, Joan said, "They wanted me to put him to sleep just because he was born this way. I couldn't do it, Scott. What happens if our child is born without any eyes?" As my pregnant wife stroked the blind kitten she added, "It's just a foster cat. It will stay with us just until we find someone who will give him a home permanently."

The "foster cat" lived with us for another 13 years. It had the floor plan of the house memorized, avoided the kids' toys on the floor with an eerie sixth sense and lounged on the window sill like a prince on a throne.

The current census in our home is: nine dogs, three guinea pigs, six birds, three sugar gliders (flying squirrels), two ferrets and one very overwhelmed cat.

Dad has been gone now almost five years. But I think about him every day when I scratch a dog behind the ear, give the cat a tummy rub – or go to the hospital for an x-ray.

LETTERS TO THE EDITOR POLICY

The Rochelle News-Leader encourages responsible letters to the editor on subjects of interest to our readers. Editing may be necessary for space, clarity or to avoid obscenity or libel, but ideas will not be altered. All letters must bear the handwritten signature of the writer and include address and phone number or e-mail address for verification purposes. Neither the street address nor phone number will be printed. Letters should be typed or legibly

handwritten, and no anonymous letters will be published. Any letters from boards or organizations must include at least one name of an individual. Any criticism of public officials should be limited to issues related strictly to their position or actions made in office, as personal attacks will not be published. Letters involving private disputes between the writer and a business will not be published. Political endorsements will be published,

Mike Kerns

Curt Ward

Mark Hibshman

however letters rom candidates endorsing themselves will not be printed. Letters may be dropped at the News-Leader office (211 IL Route 38 East), mailed to the News-Leader (P.O. spitfire. She loves to dance, have her nails done, talk on Facebook with family and friends and she can light up a room with her spunk and smile. Her family is blessed and thanks God she is almost done with treatment in January of 2023."

Kate was joined by her family Wednesday and was presented with a hat and jersey with the pediatric cancer ribbon and #WeWillRockYou

During his presentation Wednesday, Burciaga said the event came together after the little league wanted to find a way to acknowledge those in the community dealing with cancer in their lives.

"We're acknowledging your fight and celebrating your life," Burciaga said. "We know that's a long and painful experience. we're here to celebrate the fact that you're surviving it. For all of you in remission, we want to let you know to keep fighting. For all of you in the process of treatment, this is proof that cancer can be beat and there is hope. We will

fight with you. And for all those that have passed on, we celebrate your life, and we will always remember you in our special way. We're here to dedicate this day and this month to all of you."

The ceremonial first pitch was thrown out Wednesday by Kate Lucarelli, a four-year-old girl from DeKalb. She was diagnosed with cancer in October 2020 and will finish treatment in January 2023. At right, she was presented with a jersey and hat.

Players from different leagues carried bases painted gold onto the field during the ceremony. Every player wore something gold. That's the color of pediatric cancer, which the little league chose to focus on this year.

Hub netters on the rise

Varsity team finishes 12-3 while placing second in Interstate 8 Conference

BY RUSSELL HODGES SPORTS EDITOR

ROCHELLE — Head coach Kristy Eckardt knew the Rochelle Hub varsity tennis team had a chance to be very successful this season. With all eight starters from last season back on the court, the team doubled its win count while nearly claiming its first conference title since 1949.

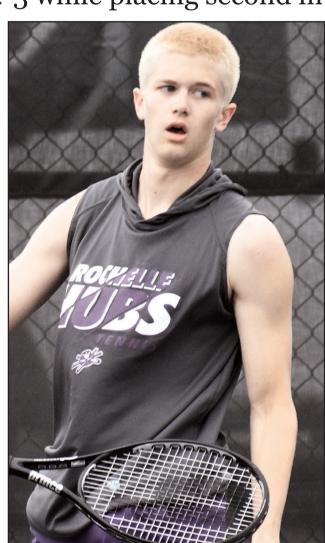

While the Hubs fell just short of their historic goal, Rochelle finished second in the Interstate 8 Conference Championship tournament, improving on the team's third-place finish from last season. The Hubs went 12-3 overall and 4-0 in conference dual matches while placing second in the inaugural Hubs Dubs Invitational and the annual Hub Varsity Invitational at

"What stood out to me the most was how we came together as a team," Eckardt said. "They were all excited for the season we were having and they gained so much confidence this season. They were much more resilient this season, especially because we had a lot of bad weather this season and we weren't able to be outside as much as we normally would."

After not losing any seniors last offseason, Rochelle will see four senior starters depart from the varsity team this offseason including doubles players Devansh Patel and Peter Forsberg as well as singles players Alex Gilbert and Jason Zheng, who each earned All-Conference Honorable Mentions. The Hubs will have four varsity starters eligible to return next season, however, including All-Conference First Team doubles honorees David Wanner and Owen Haas.

"It's always hard to replace our seniors, who I thought were really strong players and leaders this season," Eckardt said. "We fortunately had the largest roster we've had in any of my seasons here and we had quite a few players who split time with the varsity and junior varsity teams. Alot of our JV players had success this season and I think it'll be an easy transition."

Junior doubles players John Green and Nolan Fonfara are also eligible to return next season. JV players who could make the leap to the varsity team next season include juniors Ryan Ward, Evin Odle and Jace Whitehead as well as sopho-

Rochelle senior Ella Seebach will continue her academics and her tennis career at Concordia University Chicago next year. Seebach intends to pursue social work.

Seebach commits to Concordia University Chicago tennis team

BY RUSSELL HODGES

SPORTS EDITOR

ROCHELLE — Ella Seebach earned experience in both singles and doubles throughout her four years with the Rochelle Lady Hub tennis team. Seebach will look to bring that versatility and some added energy as she continues her academics and her tennis career at Concordia University Chicago after high school. Seebach intends to pursue an education in social work.

"I chose Concordia University Chicago because of the smaller student-to-teacher ratio and I think it's important to have a strong relationship with your teachers, especially when you're struggling," Seebach said. "What I'm looking forward to most about playing at the college level is having the opportunity to play against many different kinds of players. I'm also really looking forward to playing with the girls on the Concordia University Chicago team next season."

Seebach played on the JV team for the Lady Hubs, recording several wins in both singles and doubles during her four-year run. Seebach, who also spent four years with the Rochelle Lady Hub soccer team, was named an Interstate 8 Academic All-Conference honoree in both sports.

"Rochelle's tennis team is pretty competitive," Seebach said. "Coach [Jeff] Truckenbrod and coach [Lizzie] Cartwright always had us put our best foot forward, even on our off days. I believe that helped me a lot because it's prepared me for the competitiveness of the college level and it showed me that, even on my off days, I'm still improving. While I hope to be a great doubles partner and a great singles player next year, I hope to bring some extra excitement to the team."

"We are happy and proud of all the hard work that Ella has done throughout her time with our program," Rochelle head coach Lizzie Cartwight said. "We wish her the best at Concordia."

Brutal weather leads to rough start for Hubs

Rochelle overcomes 10 cancellations, finishes with 6-16 overall record

BY RUSSELL HODGES SPORTS EDITOR

ROCHELLE—Abrutal stretch of bad weather led to a rough start to the season for the Rochelle Hub varsity baseball team. With 10 total cancellations including the first eight nonconference games of the season, rhythm was tough to obtain throughout the spring.

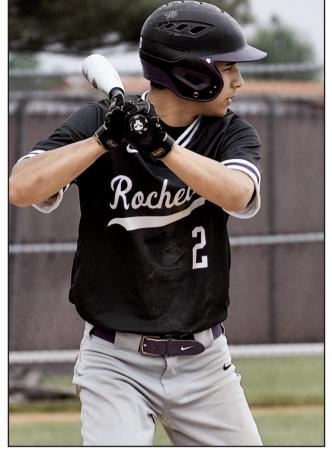

Rochelle finished with a 6-16 overall record and sixth in the Interstate 8 Conference with a 4-10 conference record. The Hubs swept their homeand-home series with Sandwich while splitting their conference sets with Plano and Sycamore. Close games were unfavorable to the Hubs, who suffered 10 losses by four runs or less and eight losses by only two runs or less.

"The weather was some of the worst we've had over the eight years I've been coaching here," head coach Jarrod Reynolds said. "We hardly played any nonconference games before the conference schedule started and we weren't able to work out much during the early portion of the season. We had some injuries we battled

through and I thought those affected us as well, but overall, I thought we were able to stay in ball games and we played a lot of close games."

The 2022 season was a down season on offense for the Hubs, who totaled more strikeouts (180) than runs (103) and finished with a .267 team batting average. All-Conference First Team senior Nate Burdin shined at the top of the order, however, totaling a team-high 30 hits while leading the starting rotation with a 2.77 ERA and 39 strikeouts in 43 innings. Senior Andy Buskohl earned an All-Conference Honorable Mention, recording a .429 average with 13 RBIs. "I thought our pitching

was pretty good overall," Reynolds said. "I thought more of our issues were on the defensive end, especially during games that got out of hand... Our senior group did a good job for us this season and I think solidifying our pitching staff will be important for us moving forward. We definitely need to work on our offense as well. We struck out a lot this season, we didn't score as many runs as we have

in the past and we only hit three home runs."

The Hubs will lose 10 seniors from the varsity roster this offseason including Burdin and Buskohl as well as Eric Briseno, Braden Alfano, Owen Angell, Josh Lloyd, Forrest Gerber, Jacob Andrist, Grant Messer and Danny Reves. Rochelle will have several players eligible to return next season, though, including junior starters Noah Lara, Garrett Gensler and Colton O'Rorke. Juniors Aidan Rodriguez, Bradley Cooney and Alex Burnette

are also eligible to return.

"We struggled to put the ball in play this season," Reynolds said. "We faced some really good pitching throughout the season, but we had a lot of swings and misses so we'll need to improve in that area. Hitting the fastball away

and bunting for more hits are two things we'll need to be better at next season. We stole over 40 bases this season and were highly successful there so we'll look to continue being aggressive on the bases. We just need to find more ways to get on."

TV LISTINGS

HOLLYWOOD

by Tony Rizzo

Diane Keaton's 55th film, "Mack & Rita," opens Aug. 12. The star of movie classics like "The Godfather" and "Annie Hall" has surrounded herself with three great actresses in her new comedy. First up is 91-year-old Lois Smith, who started her career on the CBS soap "Love of Life" (1951) and appeared in such classics as "East of Eden" (1955), with James Dean; "Five Easy Pieces" (1970), with Jack Nicholson; "Fatal Attraction" (1987), with Michael Douglas and Glenn Close; "Dead Man Walking" (1995), with Sean Penn and Susan Sarandon; and most recently "The French Dispatch" (2001). Also starring with Keaton are Emmy winner Loretta **Devine**, for "Grey's Anatomy" (2011), and "Hot in Cleveland's" **Wendie** Malick, most recently in nine episodes of "Young Sheldon."

HOLLYWOOD — Oscar-winner

Will "Top Gun: Maverick" finally

push Miles Teller to superstardom? After 19 films — including "Footloose" (2011) and "Whiplash" (2014) — is his time at hand? At 35, "Maverick" is his best shot to break through. Teller's personal life has come together nicely, marrying model Keleigh Sperry in 2019. His futuristic sci-fi thriller "Spiderhead" (opposite "Thor" himself, Chris Hemsworth), in which they play convicts who volunteer as medical subjects, hits Netflix June 17, and his 21st film, "The Fence," which was to have reunited him with his "Divergent" co-star Shailene Woodley, was postponed due to the death of their other co-star, William Hurt.

Oscar-winner Susan Sarandon, Bette Midler (who has three Emmys, a Grammy and a Tony) and two-time Emmy winner Megan Mullally are joining forces for the feel-good comedy "The Fabulous Four," which will shoot July through September (with a mysterious fabulous fourth?). Sarandon is lending her voice to the superhero animated film "Blue Beetle" and

stars with **Trace Adkins** in the Fox series "Monarch," about a fictitious country-music dynasty. Midler has completed "Hocus Pocus 2," which will drop on The Disney Channel just in time for Halloween. Mullally stars in Hulu's just-released coming-of-age film "Crush" and has the drama "Summering" due in August.

"Father of The Bride" (1950), which starred Spencer Tracy, Joan Bennett and Elizabeth Taylor, was reinvented in 1991 as a star vehicle for Steve Martin and Diane Keaton, and grossed \$129 million. It's being revived yet again, this time starring Andy Garcia and Gloria Estefan. But film buffs will hardly recognize it since it's about a Cuban family, the intended bride proposes to the wouldbe groom, and her parents have a dark secret to reveal ... they are getting divorced. It hits HBO Max on June 16, and since all that's left of the classic film is the title ... "Everything old is new again!"

CELEBRITY EXTRA Q: I'm a big fan of "The Bachelor" and

"The Bachelorette" reality programs. I've often wondered, with so many of these couples breaking up after getting engaged on the show, does the lead get to keep the engagement ring? -- A.J. A:ABC executive Rob Mills recent-

ly cleared up speculation about the ring.

SUNDAY AFTERNOON

On each season of "The Bachelorette," the two remaining bachelors meet with **Chris Rock** jeweler Neil Lane in West Hollywood to choose one of his sparkling gems to present to his prospective bride. If she says yes to one of their proposals, she can keep the ring, but only if the couple makes it to a certain point. According to Mills, if the couple breaks up before the two-year mark, neither gets to keep the ring and it's returned to Lane.

Q: When is the fourth season of "Fargo" going to air? While I didn't think the third season was as good as the other two, it's still a far better show than most on TV these days. -- B.B.

A: The Emmy-winning dark comedy series is making its fans wait, but hopefully that means it will return better than ever. Each season has a different star-studded cast (Martin Freeman, Kirsten Dunst and Ewan McGregor have appeared) with its own separate story and time period, but all have taken place in what I believe is the show's biggest attraction -- the snow-covered flatlands of Minnesota and North Dakota.

FX announced that the fourth season, set

in the 1950s and starring Chris Rock, won't begin filming until the fall of 2019, which means it won't air on FX until 2020! This is likely because the show's creator, Noah

Hawley, is busy with other projects, including the feature film "Pale Blue Dot" starring Reese Witherspoon.

Q: Is it true that the Sue Heck character is going to star in a spinoff of "The Middle"? I loved that show and would like to see it live on with

my favorite sibling of the Heck clan. -- J.K.

A: The girl who once said "I can't go to school today ... my face is too oval" is all grown up now and headed to Chicago. The spinoff, "Sue Sue In the City," was all set to go until a regime change at ABC scrapped it. The pilot starred Eden Sher as Sue Heck, with Brock Ciarlelli reprising his role from "The Middle" as her bestie, along with Chris Diamantopoulos ("Silicone Valley") and Finesse

Mitchell ("Saturday Night Live"). Despite not getting picked up ABC, there's a chance the spinoff could find a place to call home on another network or platform. TV Guide pointed out that "Black-ish" spinoff "Grown-ish," with a premise similar to "Sue Sue In the City," found its way to the Freeform channel. So perhaps that network might be

Protect yourself against COVID-19 and other diarrheal and respiratory illnesses, and help prevent the spread of germs to others, by following these simple hand hygiene guidelines:

- 1. Wash your hands with soap and warm water, lathering for at least 20 seconds.
- 2. If soap is unavailable, use a hand sanitizer containing at least 60 percent alcohol to clean your hands.

Wash your hands throughout the day, and particularly under these circumstances:

- Before preparing food
- Before eating
- After using the toilet
- After changing a diaper or helping a child use the toilet
- Before and after exposure to someone who is sick
- After coughing, sneezing or blowing your nose
- After touching an animal or picking up animal waste
- After handling pet food or treats
- After handling garbage or garbage cans
- Before and after attending to a cut or wound
