Make it Happen at IVCC like Emme!

Illinois Valley Community College sophomore Emme Bottom of Mendota is working toward her associate degree in graphic design and marketing.

“IVCC has so much opportunity to offer all students – whether they are traditional or not. Ever since I started at IVCC, I’ve felt like I’ve had someone in my corner rooting for me. Whether it was a teacher, classmate, or staff member, someone was always there. The people at IVCC helped make me who I am today.”
