Developing workforce housing in Rochelle

City receiving interest from developers looking at south side

**BY JEFF HELFRICH** 

MANAGING EDITOR

**ROCHELLE** — Rochelle City Manager Jeff Fiegenschuh said on Dec. 15 that the city has been approached by developers interested in bringing workforce housing to Rochelle.

Workforce housing is generally understood to mean affordable housing for households with earned income that is insufficient to secure quality housing in reasonable proximity to the workplace. It's geared towards families with income around the \$50,000 range.

"I think there's some very serious interest from some developers that we're familiar with and I would like to see that come to fruition," Fiegenschuh said. "At the very minimum, I want the city to be able to help in any way that we can and provide them an environment where they can do their project here in town."

Fiegenschuh said conversations with developers are in "very preliminary" stages and he declined to say whether they are local or not. He did say one group applied for some grants through the state and was awarded credits.

At its Nov. 8 meeting, the city council heard a presentation on preliminary findings of a Northwest Illinois Workforce Housing study from Daniel Payette of the Blackhawk Hills Regional Council.

"That's really the first step, because those credits help pay for the project through the state," Fiegenschuh said. It's very early stages. We've been talking with them at this point

about permitting and plat-

ting and things like that."

# City manager previews plans for 2022

Hickory Grove, south side among highest priorities

**BY JEFF HELFRICH** 

MANAGING EDITOR

**ROCHELLE** — The City of Rochelle's 2022 plans include working to bring a housing development to town, finalizing the Hickory Grove project with demolition and development of the site, collaborating with other local organizations and finishing renovation of its new building on the south side and beautifying that area.

Rochelle City Manager Jeff Fiegenschuh spoke to the News-Leader on Dec. 15 about those projects and more that the city hopes to accomplish in the year ahead.

Fiegenschuh said the city has received potential interest in workforce housing in town along with other types of housing. A recent housing study outlined the need for more housing in town and solidified city staff's priority to see more of it.

"If there's interest, we'd like to partner with that," Fiegenschuh said. "The workforce housing and just housing in general, I'm excited to work on this next year."

The city council recently approved the demolition of the Hickory Grove facility that is slated to begin in late January and last until April. Seeing that work through and working on finding a developer for the site in the spring is another one of the city's 2022 priorities, Fiegenschuh said.

Also top of Fiegenschuh's mind for 2022 is continuing downtown improvements and continuing to push the expansion and reconstruction of Illinois Route 251 on the north side of town with the Illinois Department of Transportation, which manages the deteriorating roadway and has it on its future projects list.

Fiegenschuh also mentioned exploring the pos-

sibility of collaborating with other local units of government after recently finalizing a new school resource officer agreement with both Rochelle school districts.

"Maybe there's more

opportunities where we can collaborate with the schools or the county or township or park district," Fiegenschuh said. "We used to have these local government meetings where we'd all get together once a month or once a quarter and then that just kind of died off right before COVID-19. Maybe getting back together and doing that."

# Illinois continues to lose population

Census estimates show state lost more than 113,000 in one year

BY PETER HANCOCK CAPITOL NEWS ILLINOIS

SPRINGFIELD -New estimates from the U.S. Census Bureau suggest Illinois is continuing to lose population.

The latest estimates, released Tuesday, pegged the state's population at 12,671,469 as of July 1, 2021, down by 113,776, or 0.9 percent, from the official 2020 census.

Several factors contributed to the change, but the single largest was domestic outmigration. According to the data, 122,460 people moved from Illinois to other states during the period from April 1, 2020, to July 1, 2021, while only 5,766 people moved into the state, a net loss of 116,694.

Those losses were offset by a net gain of 5,766 people through international migration as well as a "natural" increase of 2,778 people – the difference between in-state births and deaths during the period.

The Census Bureau routinely estimates national, state and county populations each year following a decennial census using a variety of data sources. But those estimates have been off in the past.

In 2019, for example, the Census Bureau estimated that Illinois had lost more than 51,000 people since the 2010 census while the official

2020 census showed the state had lost about only 18,000.

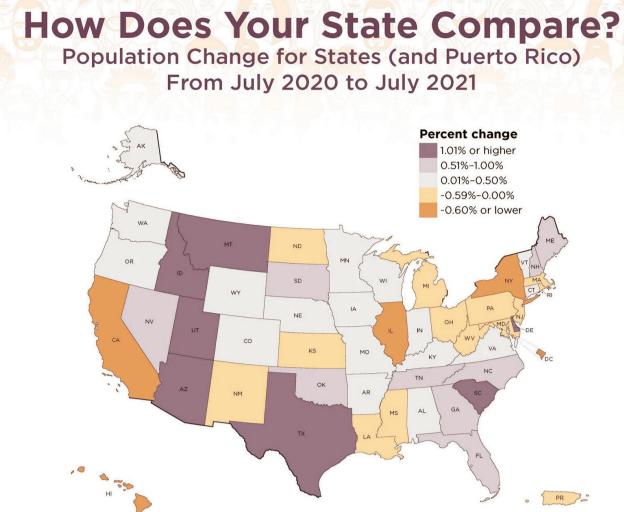

Still, the latest estimates for Illinois reflect broader national trends of decreased international migration, lower birth rates and increased mortality, due in part to the COVID-19 pandemic.

Overall, the Census Bureau said, the U.S. population grew by 444,464, since the 2020 census, or 0.13 percent, the lowest growth rate since the nation's founding.

"Population growth has been slowing for years because of lower birth rates and decreasing net international migration, all while mortality rates are rising due to the aging of the nation's population," Census Bureau demographer Kristie Wilder said in a news release. "Now, with the impact of the COVID-19 pandemic, this combination has resulted in a historically slow pace of

The estimates showed that both the Midwest and Northeast regions saw net population declines over the year while the South and West regions both gained population.

Over the past year, the Census Bureau said, the nation's population growth was due to a natural increase of 148,043, and net international migration of 244,622, marking the first time that net international migration exceeded natural growth.

Between 2020 and 2021, 33 states saw population increases and 17 states and the District of Columbia lost population. 11 of which had losses of more than 10,000 people. This is a historically large number of states to lose popula-

tion in a year.

On a percentage basis, Illinois had the third largest population decline, behind the District of Columbia, at 2.9 percent, and New York, at 1.6 percent. Idaho, Utah and Montana had the largest percentage increases.

On a numeric basis, Illinois also had the third largest population decline, behind New York and California. Texas, Florida and Arizona had the largest numeric population increases.

# State assisting to battle surging COVID-19 cases

BY BETH HUNDSDORFER CAPITOL NEWS ILLINOIS

SPRINGFIELD — Local hospitals and health departments will get help from the Illinois Department of Public Health and the Illinois Emergency Management Agency to meet the healthcare demand during a COVID-19 surge, adding staffing to provide medical care and provide vaccines and testing.

The state will also help ramp up COVID-19 testing, now operating six days a week beginning Jan. 3 to increase availability.

"We are also increase testing and continuing to distribute monoclonal antibodies, anti-viral pills and any treatments or personal protective equipment communities need," Gov. JB Pritzker said during a news conference Monday. "I will continue to do everything possible to protect all the people of this state, whatever your vaccine status. But what kind of year 2022 turns out to be depends on all of us doing what is best for all of us.'

Pritzker was on a call with President Joe Biden and the National Governors Association on Monday morning to discuss the response to the Omicron variant.

Illinois Department of Public Health Director Dr. Ngozi Ezike confirmed that Illinois is seeing higher hospitalization rates. The state is now averaging 500 hospital admissions a day

due to COVID-19. While Illinois was still battling the Delta variant of COVID-19, the Omicron variant was introduced a couple of weeks ago. The Center for Disease Control and Prevention said earlier this month that the Omicron variant is the dominate strain of COVID-19 in the U.S. with more than 73 percent of new cases attributable to the variant.

To protect from the COVID-19, harm reduction strategies will still need to be employed, Ezike said, like wearing masks, social distancing, hand-washing and staying away from large crowds.

"We have a vaccine that is highly effective at preventing severe illness and death," Ezike said. "Currently, we are seeing a demand for booster doses, but it is critically important for those who have yet to receive even one dose of vaccine to get vaccinated."

The vast majority of cases, hospitalizations and deaths are among the

unvaccinated, Ezike said.

Those most at risk are more than 65 years old, suffer from heart, liver or kidney disease, are Immunocompromised or have diabetes.

Vaccine clinics will be held in Cook, DuPage, Lake, Will, Kane, St. Clair, McLean, Sangamon, Peoria, Winnebago, Jackson and Adams Counties. Anyone age 12 older can get a first or second dose at these locations.

Community-based testing sites will be open Monday through Saturday in Aurora, Arlington Heights, South Holland, Fairview Heights, Peoria, Bloomington, Champaign, Harwood Heights, Rockford and Waukegan.

# New state laws taking effect Jan. 1

Minimum wage increase, pets in public housing among new changes

BY PETER HANCOCK

CAPITOL NEWS ILLINOIS

SPRINGFIELD-Minimum wage workers in Illinois will see a boost in their hourly pay to \$12 per hour starting Jan. 1, while tenants in affordable housing units will be allowed to keep pets.

Those are just some of the more than 300 new laws that take effect in the new year.

The minimum wage increase is actually the result of a 2019 law that phases in a state minimum wage to \$15 an hour by 2025. This year, it will increase by one dollar to \$12 an hour.

The law allowing public housing tenants to keep pets is the result of Senate Bill 154, by Sen. Linda Holmes, D-Aurora, and Rep. Stephanie Kifowit, D-Oswego. It provides that tenants of multifamily housing units that are acquired, built or renovated with money from the Illinois Affordable Housing Trust Fund may keep up to two cats or one dog weighing less than 50

It applies to residents of housing units that are designated as affordable housing for low- and verylow-income families. The bill passed both chambers in its final form on May 30 and Gov. JB Pritzker signed it into law Aug. 6.

Other new laws include: SB58 raises the private vehicle tax, which is a sales tax paid on the purchase of vehicles, by \$75 for each model year where the purchase price is less than \$15,000 and by \$100 for vehicles priced above that amount. However, the registration fee for trailers weighing less than 3,000 pounds will drop to \$36

Gov. JB Pritzker is shown here earlier this year in a Capitol News Illinois file photo. The governor signed more than 300 bills that become law on Jan. 1.

instead of \$118.

HB226, establishing the Higher Education Fair Admissions Act, prohibits public colleges and universities from requiring applicants to submit SAT, ACT or other standardized test scores as part of the admissions process, although prospective students may choose to submit them if they wish.

SB1682 requires pharmacies to post a notice informing consumers that they may request current pharmacy retail prices at the point of sale.

HB562 enacts several changes to the Firearm Owner Identification card law. Among other things, it provides for a streamlined renewal process for FOID cards and Concealed Carry Licenses for people who voluntarily submit fingerprint records. It also allows the Illinois State Police to issue a combined FOID card and Concealed Carry License to qualified applicants, and it establishes a new Violent Crime Intelligence Task Force to take enforcement action against people with revoked

FOID cards.

HB576 and SB1577 allow students in Illinois up to five excused absences to attend to their mental or behavioral health without providing a medical note. Those students will be given an opportunity to make up any work they missed during the first absence and, after using a second mental health day, may be referred to the appropriate school support personnel.

HB605 requires state agencies and institutions to purchase Illinois and American flags that are made in the United States.

SB817 prohibits discrimination in schools against individuals on the grounds of wearing natural or ethnic hairstyles, which include dreadlocks, braids, twists and afros.

SB119 prohibits public health authorities from regulating or shutting down lemonade stands or similar operations that are operated by children under the age of 16. Known as "Hayli's Law," it was inspired by 12-year-old Hayli Martinez, whose lemonade stand in Kankakee was shut down by local officials.

HB3922 recognizes June 19, or "Juneteenth," as an official state holiday that commemorates the end of slavery in the United States. In June, President Joe Biden also signed a bill designating Juneteenth as a federal holiday.

# Local organizations receive CFNI grants

**ROCKFORD** — In Youth We Trust (IYWT), the youth philanthropy program of the Community Foundation of Northern Illinois, has announced the recipients of the Fall 2021 IYWT Adult/Nonprofit Grants cycle.

Seven organizations were awarded up to \$5,000 each for a total of \$19,500. This is the second time IYWT has awarded grants for proposals written by adults/nonprofit organizations, to benefit programs and projects that support

youth in northern Illinois.

Special Riders program was awarded \$2,000 for a program expansion that will allow Pegasus to recruit more volunteers and include more riders in their riding program.

Farmworker and Landscaper Advocacy Project (FLAP), which operates in Ogle County, also received \$3,000 to help improve the health, wellness and educational stability of youth from low-income Latinx immigrant families in Boone, Ogle, Stephenson and Winnebago Counties by distributing technology, cash assistance to avoid evictions, vaccination and workers' rights education for youth Latinx immigrant families.

Northern Illinois Food Bank received \$451 for its backpack program. NIFB is committed to increasing food access for 18,000 children in Boone, Ogle, Stephenson and Winnebago Counties who are facing food insecurity. The backpack program provides groceries to children by collaborating with 40 school and youth sites that offer a safe, convenient location for families to regain access to consistent, healthy weekend meals so they can focus on their education rather than worrying if they will have enough

Other organizations that received grants include Regional Access and MobilizationProject(RAMP), Rock House Kids, Rockford Area Habitat for Humanity and Winnebago County CASA.

"The In Youth We Trust Council is excited to again offer two distinct grant cycles, which makes the impact on issues facing youth in our community

# Micah Joseph Somers

**ROCHELLE** — Micah Joseph Somers was born 10 weeks prematurely on Nov. 24, 1981. He beat the odds, survived that early start to life and battled numerous chronic illnesses and issues for the next 40 years before passing away on Dec. 28, 2021.

He had a heart of gold and grew up being a champion of the underdog, often seen lending any help he could to others with disabilities while he was in school. Micah found refuge in books and was an avid reader from a very young age. At the age of 20, he survived a second brush with death when he survived pancreatitis and went on to start a short career in over-the-road trucking. He loved traveling the country, but his physical condition deteriorated and he was soon diagnosed with Myotonic Muscular Dystrophy. Over the last 10 years this condition took its toll and limited his movements considerably.

Micah loved history, especially the Civil War era in which he participated with reenactors for many years. He grew up around steam traction engines and as a youngster learned to operate the family steam engines, another pastime he enjoyed while he could. Country music tunes were his favorite. Family connections were very important to Micah and he enjoyed genealogy and the family reunions he attended.

Micah is survived by his parents, Joe and Dawn Somers, his brothers Trenton Somers and Nicholas (Brittany) Somers and nieces and nephews, Trey Somers, Cheyenne, Cole and Cayden Somers as well as his aunts, un-

cles and cousins. He was preceded in death by his grandparents Howard and Marguerite Somers, Harm and Berniece Hayenga. Visitation will be at

the Unger Horner Funeral Home, Wednesday, Jan. 5, 2022, from 4-6 p.m. Funeral Service will be held Thursday, Jan. 6, 2022 at 11 a.m. at the Elim Reformed Church in Kings. Memorials can be made to Elim Reformed Church or Serenity Hospice and

## Alexander "Al" Gorr Sr.

**LOMBARD** — On Dec. 28, 2021, Alexander "Al" or "Butch" Gorr Sr. left this earth surrounded by family. He joined many beloved family members and friends in heaven, but most importantly, Jesus. Al was born into the

loving home of Goldie and Evie (Schuhknecht) Gorr on Nov. 20, 1942. He is survived by the most loving sisters, Bonnie (the late Dusty) Rhodes, Judy (Tony) Pones and Carol (Ralph) Leef (and the late Ray Amerlan). Named after an uncle who survived the Bataan Death March, only to be killed on the ship Arisan Maru, Al became an expert on World War II, something he would share with several of his grandsons one day.

During the Christmas season of 1962, he met Georgene St. Clair at a Sears store, where they were both seasonal help. It was love at first sight. Seven months later they married and within seven years they had five children: Marta (Michael) Gemelli, Jenny (Ken) Martin, Al Jr. (Jennifer), Bonnie (Steve) Flanagan and Heidi (Mike) Schmuldt. He is survived by all five, who will truly, deeply miss him. Joining in their sorrow are his grandchildren Ken, Katie (Dave), Elizabeth (Neil), Rocky, Marissa, Abby, Alex, Leslie, Peter, Allie, Tom, John,

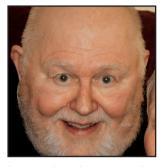

Steve and Claire, and two great-grandsons, Dexter and Milo.

Al formerly said goodbye to family he loved including his parents, Georgene's parents (George and Lorraine St. Clair), his great-grandson Drake Bailey, and more dear friends than we can mention. He leaves behind David Sanders, his close friend for over 65 years.

He held fond memories of his school days at St. Paul Lutheran, Melrose Park, his first church home. His "forever" church home, however, will always be Ashton Bible Church, where he made many friends. We are thankful for the spiritual home he found there. No one told a story like

Grandpa Butch, and he had plenty to share, from his years growing up in Melrose Park with purple fuzzy eggs, to his secret car at age 14 (his first of many classic cars).

He had stories from his career with Northwest Orient/Flying Tigers Airline as a ramp rat and international salesman extraordinaire; and stories from his years as a policeman, such as working with the Secret Service when President Carter visited, and his time as the first police counselor/ liaison in Illinois at Addison Trail High School. It was there he impacted many students, including

impressing them once by wrestling a Kodiak bear at a pep rally. He was chief of police in both Addison and Rochelle.

Dad lit up a room with his presence. His silliness was infectious. We will never pop our eyeballs into our mouths for a good washing without thinking of him. After 59 years together, Mom will be especially heartbroken as they were everything to each other.

There will be a visitation on Tuesday, Jan. 4, 2022 from 4 p.m. to 8 p.m. at Brust Funeral Home, 135 S. Main St., Lombard. There will be an additional viewing at 10:30 a.m. on Wednesday, Jan. 5, 2022 at Lombard Gospel Chapel, 369 N. Stewart Ave., Lombard, with the funeral immediately following at 11 a.m.

If you wish to make a memorial gift in Al's honor, the family requests donations be made to Ashton Bible Church, Lombard Gospel Chapel, or Care Net (care-net.org). Info www. brustfuneralhome.com or 888-629-0094.

## Leslie D. "Les" Bonnell

**STEWARD** — Leslie D. "Les" Bonnell of Steward passed away on his birthday, Wednesday, Dec. 29, 2021 at the Serenity Home in Oregon. He was born on Dec. 29, 1949 in Amboy to Leo L. and Wandalee (Meyers) Bonnell. After graduating from the University of Illinois as a James Scholar, he enlisted in US Army Reserve where he served 12 years as a drill sergeant. He received the Army Commendation Medal. Always interested in improving the Village of Steward, he laboriously worked many years as a trustee. He was a member of the Steward United Methodist Church and the Compton American Legion.

Les enjoyed working. He was a member of the Local 150 International Union of Operating Engineers, primarily employed by Reliable Excavating of Mendota, then Whittaker Construction and Excavating of Earlville. Les was involved with construction of

many of Fermilab National Laboratory's Projects. He also appreciated the beauty of nature, enjoying the outdoors and feeding the birds on his property. But above all, Les loved spending time with his family, especially his two grandsons.

Les married Karen Totten on April 4, 1971, and in their 50 years of marriage, they became quite a team. They have two daughters, Jessica (Andy Bykowicz) Bonnell of DeKalb and Tonia (Todd Fleming) Bonnell of Denver, Colorado, and two grandsons: Linden and Forrest Fleming. He is also survived by his brother, Alvin (Sheryll) of Jefferson, Wisconsin, and two sistersin-law: Chris Bonnell of Troy Grove, Illinois and Elaine Bonnell of Amboy.

He is preceded in death by his parents, two brothers: Lowell and Howard, and sister, Arlene Jacobs.

Visitation will be on Sunday, Jan. 2, 2022 from 2-4 p.m. at the Unger Horner Funeral Home, 400 N 6th

St., Rochelle.

Memorial service will be at 1 p.m. on Monday at the Unger Horner Funeral Home with Pastor Ilhan You officiating. Burial will be at the Lee Center Cemetery with military services provided by the US Army and the Compton American Legion. In lieu of flowers, memorials may be made to the Steward United Methodist Church, or Serenity Hospice and Home. Guest book may be signed at www.UngerHorner.com. Memorial service will be recorded and available to view shortly after services on the Unger Horner Facebook page. Family requests that masks are worn and social distances are observed.

OREGON—On Dec. 27 at approximately 5:16 p.m. deputies received a driving complaint on a silver Chevrolet van traveling eastbound on Illinois Route 64 from Rock Road. Deputies located the Chevrolet and initiated a traffic stop in the McDonald's parking lot in Oregon. After fur-

ther investigation, deputies arrested Chadd W. Stokes, 64, of Rockford, for unlawful possession of cannabis over 100 grams (class four felony), possession of cannabis with intent to deliver, improper container of cannabis/driver and driving while license suspended. Stokes was taken into custody without incident and transported to the Ogle County Jail where he was held with no bond. Stokes was additionally cited for operating an uninsured motor vehicle and improper traffic lane usage.

On Dec. 29 at approximately 5:45 p.m. deputies responded to the 6,000 block of South Locust Road in reference to a car in the ditch. After brief investigation, deputies arrested Beyvon North, 19, of Naperville, for no valid driver's license. Passenger Soha Kahn, 20, of DeKalb, was also arrested for obstructing identification. North and Kahn were both transported to the Ogle County Jail, where they were released to correctional staff and held in lieu of bond.

# **HOUSING:** Developers showing interest in Rochelle

From page 1

"I'm excited about the interest,"Fiegenschuhsaid. "I think there's some opportunity. I'm not a builder, it's easy to talk about wanting these things when it's not your resources that are out there. But maybe there's some interest in some additional housing subdivisions in our community too. If there's interest, we'd like to partner with that. The workforce housing and just housing in general, I'm excited to work on this next year."

At its Nov. 8 meeting, the city council heard a presentation on preliminary findings of a Northwest Illinois Workforce Housing study from Daniel Payette of the Blackhawk Hills Regional Council.

Payette said there's next

to a zero percent vacancy rate for residential rental housing in the area and what used to rent for \$800 per month is now renting for \$1,200 a month and is less affordable. He added that despite current high costs of construction, there is a need for blue collar housing along with senior

Fiegenschuh reacted to the preliminary findings of the study by saying more housing in town has been a priority for the city and will be in the future. He's heard from residents during his tenure as city manager that the city needs more opportunities for housing for all levels of income.

Once final findings of the study are presented, the city plans to work on putting together a more structured plan to improve

housing in town.

ly said that before the COVID-19 pandemic, the city was in talks with housing developers about a development going out by Walmart that would've included workforce and senior housing. He said that didn't pan out because the land wasn't zoned for that type of use.

The demolition of Hickory Grove planned to start in late January could also result in more housing in town if the eventual development of the site goes that way. Fiegenschuh said developers have reached out about the property for some "higher-density" residential housing.

"It's ultimately up to the mayor and council," Fiegenschuh said. "It's their property. The city owns it

and they're in charge of the city. We had some retail interest as well. That's why we want to make a

request for information. We want to see all of the proposals and ultimately let the mayor and council

determine what they think is the best fit on that highly-visible spot for the next 20-40 years."

**Guest column** 

# Hope for a better year

hope everyone had a happy and healthy Christ-

It just seemed strange to not have snow or freezing cold weather. I even saw people out on bicycles

Christmas day! I mentioned a column or two ago that Rochelle hadn't had any restaurants close. I must be the kiss of death, because two food places are now gone. Grand-

ma Rosie's in the Benny's gas station closed and last week El Tapatio on Illinois Route 251 north closed.

Salt 251 has closed for the holidays but will reopen in January. They do have dueling pianos scheduled for the end of January.

As this COVID-19

variant continues to spread, I think it is important for businesses, especially restaurants, to do all they can to protect their customers. I picked up some fast food carry out this week and none of the people working were wearing masks. That bothers me to the point that I won't go back to that particular place. I know wearing a mask is uncomfortable, but nurses and hospital staff do it all day. Hospitalizations are rising, and cases are increasing, so doing all we can to protect each other is important.

Hospitals are being stretched thin during this latest surge and thousands of travelers were stuck over Christmas as flights were cancelled because airlines did not have enough healthy

staff for all their flights.

800,000 deaths so far. 800,000!

Hopefully 2022 will be a year cases begin to decline.

#### The new year

I've given up making New Year's resolutions. I can never keep them longer than the first day. Lose weight, exercise more, develop regular sleep patterns, clean the basement

and garage.....never ever get done. Instead, I am go-

**Terry** 

**Dickow** 

ing out on a limb and making some predictions.

Bears will fire everybody.

Rochelle will experience a record-breaking snow the mid to last week of January.

The Bulls will make the playoffs, so will the White Sox.

Illinois Route 38 between Rochelle and the DeKalb County line will continue to fall apart this winter and potholes the size of basketballs will appear.

Rochelle schools will be in remote learning by the end of January. People will continue

to badger clerks and other store personnel about having to wear a mask because they are just better than the rest of us who don't want to get sick.

Two new stores will open in downtown Rochelle as small businesses continue to sprout.

2022 will be a better year.

Happy New Year.

# We used to all be in this together

OU know, these years could start slowing down now.

I will say that 2021, not the best year ever, certainly went by quickly. The year started and ended with COVID-19 booms, but the time in between felt like about 10 minutes.

That is just a symptom of aging, of course. Time flies faster and faster as we age; flying toward the final act of the play in which we are the star.

Our life.

Jennings I think about time more and more these days. Time past. Time ahead. What time I need to do this – what time I need to be someplace. Time is quite the taskmaster in our lives.

It is 2022 now. That just sounds impossible, doesn't it? Here we are this far into the future, and we don't seem to have learned much at all. Yes, technology is flying forward. And science is clearly showing us a wonderful path forward.

But people? We seem stuck in the Dark Ages. All of these advances happening all around us and we are still arguing about voting rights. We are not only not moving forward together, but we are also simply not moving

Well, time certainly is moving forward. And I have a feeling that those of us who are still waging

the social and political battles of the last 60 years are going to see the tire treads of progress on our

The people making the decisions, people my age and older, are the people who need to

step back. The future is not about us, and it shouldn't be decided by us. We have already screwed things up pretty badly. Let's give younger people the chance to move up and take charge.

Will they do better? Worse? I am not sure they can do worse.

**Brad** 

There is always excitement about moving into a new year, but I also worry. I worry about this country. I worry about its future. I worry about its people, especially the younger people we are handing the future of this country off to. I worry about what they are getting from us.

We are like the kids who got a new present, destroyed it and then just handed it off to our younger brother or sister. Hey, it's off our hands and I had a good time with it while it lasted.

I have talked about this with friends my age. We are so glad we aren't young people launching into the adult world right now. The division is truly frightening. The opportunity to really screw everything up is right there for them.

And we gave it to them. My hope, of course, is that younger people will right the ship. Things are constantly changing, and their change could get us on a better course.

Some people, of course, worry about change. But change is how we progress. Look at gay marriage. It was something not even considered when I was a kid. Then we heard how it would destroy traditional marriage. Well, that didn't happen at all. In fact, all we have is more married people. The naysayers were wrong.

The naysayers are often wrong, and that is why they need to move

I often hear people say they

worry about the kind of world we are going to leave for our children. The truth is, right now we are leaving them a world of denial, division, pollution, anger and greed. We have not done well. We were given the football of promise this country has always had and fumbled it around the 50-yard

But as we move into the new year, I will try to look to a brighter future. A future where younger people will learn from our obvious mistakes and try to work together in spite of differences for a better country for all Americans. Yes, all

gether. I hope one day we can be

We used to all be in this to-

# Petition packets available Jan. 13

**OREGON** — Ogle County Clerk Laura J. Cook, announced last week that petition packets for the upcoming general primary election on June 28, 2022 will be available Jan. 13, 2022 on the Ogle County website.

Petition Packets may

be accessed on our website www.oglecounty.org. Click on Departments, select "County Clerk"; select "Forms"; then "Petition Packets." The necessary forms and information are available to print.

The petition packets are for county board, county clerk and recorder, county sheriff, county treasurer and precinct committeepersons. Candidates may begin circulating their petitions on Thursday, Jan. 13, 2022.

Candidates will file petitions with the county clerk's office in Oregon from March 7, 2022 through March 14, 2022. Hours will be March 7-11, 2022 from 8:30 a.m. to 4:30 p.m. and March 14, 2022 from 8:30 a.m. to 5 p.m.

For further information, contact Cook at 815-732-

# DMV facilities to close through Jan. 17

SPRINGFIELD — Due to an increase in COVID-19 cases statewide, Illinois Secretary of State Jesse White is announcing that all Secretary of State departments will not conduct in-person transactions – including Driver Services facilities – from Jan. 3 through Jan. 17. All departments and Driver Services facilities will reopen on Tuesday, Jan. 18. White is encouraging the public to visit ilsos.gov for online services.

Online transactions will remain open for all departments to conduct office services, including, but not limited to the following: renewing a license plate sticker, renewing a driver's license or ID card for those who qualify (individuals may call 217-785-1424 to confirm their eligibility or to obtain their PIN), obtaining a duplicate driver's license or ID card, obtaining a driver record abstract and filing Business Services documents, such as incorporations and annual reports.

In addition, the drivers and vehicles services hotline phone number will remain open at 800-252-8980. Customers with issues involving administrative hearings may email adminhearings@ilsos.gov or call 312-793-3722 or 217-782-7065.

As a reminder, White has extended all driver's license and ID card expiration dates to March 31, 2022. This extension does not apply to commercial driver's licenses (CDL) and CDL learner's permits.

"After careful consideration and out of an abundance of caution, we have decided to close all Driver Services facilities beginning Jan. 3, 2022, through Jan. 17, 2022, due to the spike in COVID-19 cases," White said. "The health and safety of employees and the public remains paramount, and face-to-face transactions potentially increase the further spread of the virus. Our goal is to safely reopen all offices and Driver Services facilities

on January 18 for face-toface transactions.'

In addition, White greatly expanded remote renewal for driver's license and ID card holders. Since this fall, White's office mailed letters to eligible customers with expired driver's licenses and ID cards requiring them to renew online, by phone or by mail. The office estimates that this helps to eliminate the need for approximately 1 million people to visit a facility.

The U.S. Department of Homeland Security has extended the federal REAL ID deadline to May 3, 2023.

## CITY: Fiegenschuh discusses future projects for Rochelle

From page 1

The city manager is also on the Rochelle Area Community Foundation board and is looking forward to participating in quarterly nonprofit leader meetings in the coming year that could give ideas of ways the city could help its residents.

"If there's things we're lacking for basic services, I'm not saying the city should start up the services, but if they're trying to start new services, are there things we can do as a city to help them?" Fiegenschuh said. "Just collaborating and working to do that."

After purchasing the former Johnson Tractor building at 1030 S. 7th St. over the summer, the city plans to renovate that facility and move more staff to it in 2022. Departments would include finance, utility billing, water/water reclamation and electric.

Fiegenschuh said he hopes to focus more attention on the south side of town and the city plans to do some additional beautification in that area along with focusing on its other corridors.

The city's 2022 will also include utilizing its staff in the best way possible.

"If any staff openings come up, we always recalibrate and look at how we can do things more efficiently," Fiegenschuh said. "Can we do cross training and combining positions and things like that? I have some ideas over the next couple of

years and I'd like to see us move in that direction

The city plans to hire two new police officers in 2022 with potential retirements coming up in the department. With all its departments, Fiegenschuh said succession plans and replacements are priorities.

"Because I do think the thing that makes an organization successful is having the right people in the right jobs and giving them the tools to be successful," Fiegenschuh said. "If we do have people move out of the organization, how do we replace them and do it with folks who should be

in those positions and who can make those positions even more successful?"

Fiegenschuh said economic issues dealing with the supply chain and the COVID-19 pandemic that have already been seen do make him nervous going into 2022. So far, low interest rates have allowed the city to fund a lot of

infrastructure projects with some short-term borrowing.

If interest rates start going up, the city will have to reevaluate or look at putting money in the bank and saving if interest rates are higher.

"I don't know if it's worrisome, it's just something we need to evaluate

as potential higher interest rates," Fiegenschuh said. "But inflationary pressures definitely worry me. Costs go up every year, but these inflationary pressures could potentially cause projects to be even more expensive. We've only got so many dollars. How do we stretch those dollars?"

# Lady Hubs win finale

Rochelle controls Sterling Newman 57-20 to conclude Dixon tournament

BY RUSSELL HODGES SPORTS EDITOR

**DIXON** — The Rochelle Lady Hub varsity

basketball team will enter the new year on a winning note after a dominant defensive performance against Newman Central Catholic on Tuesday. Behind three double-

digit scorers and a smothering full-court press defense, Rochelle shut down the Comets 57-20 to close out the KSB Dixon Holiday Classic. Freshman Kendyl Darby led the Lady Hubs with 12 points, while senior forward Abby Luxton scored 11 points. Junior Torrin Nantz added 10 points and converted two 3-pointers for the Rochelle offense in the win.

"It was important for us to get a win," head coach Ryan McQuade said. "We talked before the game about not wanting to finish 0-3 in this tournament and wanting to get a win before the new year. We worked on a lot of things today and I thought our ball movement was a lot better. We came out with our press early in the game and we really took it to them."

With several seniors including Lucy Bunger, Zoey Tabor and Jordin Dickey anchoring Rochelle's fullcourt press, the Comets struggled to dribble the ball beyond the half-court line, with the Lady Hubs deflecting and stealing several errant passes to score easy layups at the basket. Rochelle's strong defensive start allowed the team to build a 17-4 lead after the first quarter.

"I didn't come out with the press right away because I wanted to see how we came out in terms of our energy," McQuade said. "I wasn't super pleased with our energy at the start of the game, but when we went with the press, we really started to ramp up the pressure and our energy was much better. We were able to take it to them for the rest of the first half."

The Lady Hubs found success in the painted area during the second quarter, with Luxton hitting multiple low-post shots around the rim and sophomore forward Kennedy Adamski making a trio of mid-range shots near the free-throw line.

# Healthy Hand Hygiene **Habits**

Protect yourself against COVID-19 and other diarrheal and respiratory illnesses, and help prevent the spread of germs to others, by following these simple hand hygiene guidelines:

- 1. Wash your hands with soap and warm water, lathering for at least 20 seconds.
- 2. If soap is unavailable, use a hand sanitizer containing at least 60 percent alcohol to clean your hands.

Wash your hands throughout the day, and particularly under these circumstances:

- Before preparing food
- Before eating
- After using the toilet
- After changing a diaper or helping a child use the toilet
- Before and after exposure to someone who is sick
- After coughing, sneezing or blowing your nose
- After touching an animal or picking up animal waste
- After handling pet food or treats
- After handling garbage or garbage cans
- Before and after attending to a cut or wound

## **GIRLS:** Lady Hubs conclude Dixon tourney with victory

From page 1

Adamski finished with a season-best seven points for the Lady Hubs, who led Newman Central Catholic 42-10 after the second quarter.

"I was happy with Kennedy's performance today," McQuade said. "She was looking to score and we've been talking with her all season about how she needs to look to score when she's out there. I thought she played with a lot of confidence today and we had a lot of girls who played really well on both sides of the ball today. It was a good feeling to get this win today."

Rochelle (7-11, 1-3 Interstate 8) continued to pound the paint in the third quarter, with Darby scoring on three post-up opportunities under the basket. The Lady Hubs led 53-18 entering the fourth quarter, where Darby and senior Adriannah Davis-Carter, who finished with six points, each made shots

to seal the victory. Junior Miraya Montes chipped in four points in the win.

#### **Eastland**

The Rochelle Lady Hub varsity basketball team faced Eastland during its second matchup of the KSB Dixon Holiday Classic on Monday. Despite 12 points from freshman Kendyl Darby and nine points from senior Jordin Dickey, Rochelle fell 51-42 and moved to 6-11 overall with the loss.

# TV LISTINGS

# HOLLYWOOD

by Tony Rizzo

HOLLYWOOD — "Twilight's" Edward Cullen does "Batman," and Harry Potter searches for "The Lost City." "The Batman" is planned as a trilogy starring Robert Pattinson as The Cape Crusader, Zoe Kravitz as Cat Woman, Paul Dano as The Riddler, Jeffrey Wright as Commissioner Gordon, John Turturro as "Crime Lord" Carmine Falcone, Colin Farrell as The Penquin and Andy Serkis as "The Batman's" butler, Alfred. All have signed on for the entire trilogy.

Daniel Radcliffe joins Sandra Bullock, Channing Tatum and Brad Pitt in searching for "The Lost City," due March 25. Channing has "Dog," with Bill Burr, dropping Feb. 18. Meanwhile, director **Steven Soderbergh** is prepping "Magic Mike's Last Dance," of course starring Channing Tatum, who steered the first two "Magic Mike's" to a combined \$300 million box office. Tatum and Jenna Dewan divorced in November 2019. He dated singer **Jessie J** (from 2018-20) and is currently dating Zoe Kravitz (he's 41, she's 32). Still, Mad Mike dates Cat Woman ... sounds like a movie in the making.

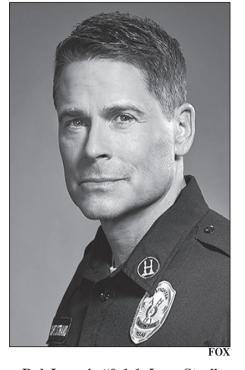

The ever-busy **Rob Lowe**, last in Netflix's "Holiday in the Wild" (2019), with **Kristin Davis**, returns for season 3 of the Fox TV series "9-1-1: Lone Star" (in which he stars and exec-produces), premiering Thursday, Jan. 6. He's next in "Dog Gone," again for Netflix. Add to that his recent Dec. 4 foray into stand-up when he took the stage at The Morongo Casino, near Palm Springs, to "Tell Stories I Only

spanning an iconic career. Fans came from far and wide, and ate it up. Sounds like a TV special is born.

"Home Alone" fans were given the rare opportunity to bid on an Airbnb offer to rent the famed McCallister Family home in Winnetka, Illinois, for one night only. That night was hosted by **Devin Ratray** (who played Kevin's brother Buzz in the films), who said: "Our thoughts were we're older and wiser now, but we're never too old for holiday hijinks. So while the family's on vacation, we thought one crew of mischief makers could let their inner 8-year-olds run free in my childhood home on Dec. 12." Monies raised will benefit Chicago's La Rabida Children's Hospital. The house was last sold in 2012 for \$1.6 million. Which begs the question ... how much mischief can you get into in Illinois in only one night?

## CELEBRITY EXTRA Q: Is "Mr. Mayor" coming back for a second

season? I thought it was pretty good, but mainly because I've always loved Ted Danson.

I hope the network gives it another

A: Despite mixed reviews from

critics, the latest Ted Danson series, "Mr. Mayor," will return to NBC's Tuesday night comedy lineup this spring. Hopefully you didn't miss its holiday special on Dec. 15 titled "Mr. Mayor's Magical Christmas Eve."The new season will begin on March 15 at 8 p.m.

ET, followed by "Young Rock" at 8:30 pm. This is the fourth network sitcom Danson has headlined. He played a retired baseball player turned bar owner in "Cheers," a grumpy physician in "Becker" and a demon with a heart of gold in "The Good Place." In his newest project, he plays a wealthy businessman who successfully runs for mayor of Los Angeles -- even though he has no idea what he's doing. He's joined by Oscar-winner Holly Hunter and former "Saturday Night Live" star Bobby Moynihan. The show also has good pedigree behind the camera with Tina Fey and Robert Carlock, the creative team behind "30 Rock."

Q: Whatever happened to the actor who played Sayid in the TV series "Lost"? He was so good in that and had such great chemistry with his co-stars, but I haven't seen him in anything since. -- A.S.

A: The main cast of "Lost" became household names shortly after it premiered in 2004, including Naveen Andrews, who played one

of the heroic survivors of the fictional Oceanic Flight 815. He's worked steadily ever since in

short-lived series like "Sense8" and "Instinct."

Next up, he'll co-star alongside Amanda Seyfried in "The Dropout" on Hulu, which is based on Elizabeth Holmes, the young biotech company owner who was on trial for fraud. Andrews will play Holmes' older Svengali-Naveen esque boyfriend and business partner, Sunny Balwani. Look for the eightepisode limited series to debut on Hulu beginning March 3.

**Andrews** 

Q: Is it true that Denise Richards is returning to "The Real Housewives of Beverly Hills": I hope they get rid of Erika Jayne and invite Denise back. -- R.V.

A: After just two seasons on the Beverly Hills chapter of Bravo's "The Real Housewives," actress Denise Richards had had enough. Playing Shauna on the daytime soap "The Bold and the Beautiful" is a walk in the park compared to the drama she was involved in on "RHoBH," and she has vowed not to return. However, cast member Garcelle Beauvais later told producer Andy Cohen that Richards was open to returning, but that "somebody's gotta go." That person is likely Lisa Rinna, who caused Richards so much grief.

Richards later told "Entertainment Tonight" that she really did enjoy working on the show and "had fun with most of the women -- not all." It's probably too late though for her to rejoin in time for the upcoming 12th season, as it's already started filming.
