Facility improvements approved Tennis court repair approved during Monday meeting

BY JEFF HELFRICH

MANAGING EDITOR

ROCHELLE — During its Monday meeting, the Rochelle Township High School Board of Education resolved to give Superintendent Jason Harper approval to go forward with improvements to the school's STEM and agriculture labs and fitness and conditioning facilities.

Over the past few years, the school's finance committee has made plans for several internal facility improvements, but COVID-19 repeatedly delayed those plans, Harper said. The improvements to the school's labs are part of an effort to improve workforce development for students entering the job market.

Local industry stakeholders advised RTHS administration on what they've seen recently in the workforce and things the school could capitalize on, Harper said. The school wants to do a better job of maximizing relevant curricular oppor-

During its Monday meeting, the Rochelle Township High School Board of Education resolved to give Superintendent Jason Harper approval to go forward with improvements to the school's STEM and agriculture labs and fitness and conditioning facilities.

tunities so students know what they need when they get on a job site.

"What we've talked alot about in the last 6-24 months is how we can better prepare students for their tomorrow," Harper said. "We know not every student who leaves RTHS is going to go to a fouryear school. They might not go to a two-year or trade school. The stake-

holders that we have were very clear. They know we can't train them on every piece of equipment or every eventuality that might happen. But to bring greater exposure in some core areas that are flexible or high-leverage areas that can translate to multiple workforce industries is what we're going for."

Park district board approves roof bid

BY JEFF HELFRICH MANAGING EDITOR

ROCHELLE — The Flagg-Rochelle Community Park District Board of Commissioners held a public hearing for and unanimously approved the sale of \$850,000 in general obligation park bonds at its Monday meeting.

"We do this yearly to pay our capital projects for things like the Helms roof, the VFW and Cooper Park shelters, sealcoating projects, marina decking, Spring Lake, etc.," Board Vice President John Dobbs said. "We did lower the bond amount this year because of the capital fund reserve as well as there being a smaller number of projects for the coming year."

During her Executive Director comments portion of the meeting, Jackee Ohlinger discussed those projects for the upcoming year and more. After a fire damaged the pool heater at Spring Lake towards the end of its season, the district will have to put a new one out for bid and

get a permit from the Illinois Department of Public Health in time for next season.

An insurance adjuster recently came to review the pool heater and the district will find out soon if it will be covered. The decking at the Spring Lake Marina will also be replaced and the park district recently sent out a request for bids. A pre-bid meeting will be held Jan. 3 to make sure bidders know exactly what the project is. The bids will be reviewed at the board's February meeting.

The district is looking to replace the shelters at VFW Park and Cooper Park. They would be similar to what has been done at Powers Park.

The park district is working on replacing the Skare Park trail markers as a lot of them have rotted off. It's looking at redoing some of the trails and adding more and redoing the markers and map, which all should be ready to go for next season, Ohlinger said.

Kishwaukee College offering new certificate in organizational leadership

MALTA — Kishwaukee College has created a new Organizational Leadership certificate, which will be available to students in the spring 2022 semester.

The certificate is designed for students seeking entry-level leadership positions within an organization while building necessary communication and business

skills. Additionally, those currently employed and looking to advance in their careers can benefit from this certificate. Organizational leadership offers a wide range of career possibilities in today's global marketplace. Students will prepare for positions in general management, business information management, human resources

management, operations management and administrative support.

"This certificate is a great way to gain or expand leadership skills. The courses focus on real-world situations to help students understand and practice leadership," Tammy Tiggelaar, associate professor of business and marketing management at Kishwau-

kee College, said. "Leadership is essential at all levels of an organization. No matter the industry, skills like problem-solving and decision-making are key."

The program takes one year to complete and builds upon classes needed for Kish's Supervision Basics certificate. Students who wish to continue their education can use the organizational leadership certificate as a pathway to earn their Associate in Applied Science in Marketing Management or higher degrees.

Classes offered in the spring semester include Human Relations, Introduction to Management and Leadership Development. These classes are being offered online, with

regular class meetings happening via Zoom to allow students to participate in virtual class discussions and activities from anywhere.

The spring 2022 semester begins Tuesday, Jan. 18. For more information, visit kish. edu or contact academic advising at advising@kish.edu or one-stopat onestop@kish.edu.

FLEXIBLE, QUALITY, AFFORDABLE EDUCATION.

All close to home.

KEC welding students create Christmas artwork

Kishwaukee Education Consortium welding students recently worked on finishing up their weldments and metal art projects for this semester. The projects ranged from nameplates to scrap sculptures to nut and bolt art for Christmas. The CTE Program is taught by Instructor Mr. Nelson. Shown in the photos are Baxton Beaird and Jayden Banta stick welding.

Mental health workshop Jan. 19

STERLING - Mental health and substance use issues are common. Nearly one in five U.S. adults lives with a mental illness according to the National Institute of Mental Health. From 1999 to 2016, 630,000 people died from drug overdose according to the Centers for Disease Control and Prevention.

Farmers, ranchers, and agricultural workers have worse mental health than the general population. Give someone in your community a hand by learning how to recognize and respond when someone might need help with the free Mental Health First Aid workshop on January 19 offered by University of Illinois Extension and the North Central Farm and Ranch Stress Assistance Center.

Mental Health First Aid is a skills-based program, where participants learn and practice a fivestep action plan to identify common signs and symptoms of someone coping with mental health or substance use problems and how to help. Gain skills to feel confident interacting with a person in crisis and leave with resources to connect the person with appropriate care. Topics also include trauma, addiction and self-care.

This training is open to the public and is appropriate for anyone in the agricultural community. Participants will build skills by practicing with real-world, agriculturally based scenarios.

Register for free online at go.illinois.edu/mentalhealth2022. Participants will complete a two-hour self-paced online training before joining the instructor for a live webinar 8 a.m. to 3:30 p.m. Wednesday, Jan. 19. For more information, contact Karla Belzer at kbelzer@ illinois.edu or (815) 632-3611.

University of Illinois Extension provides equal opportunities in programs and employment. If you need a reasonable accommodation to participate in this program, please contact the program coordinator at (815) 632-3611. Early requests are strongly encouraged to allow sufficient time for meeting your access needs.

Illinois Extension leads public outreach for University of Illinois by translating research into action plans that allow Illinois families, businesses, and community leaders to solve problems, make informed decisions, and adapt to changes and opportunities.

This program is af-

filiated with The North Central Farm and Ranch Stress Assistance Center - a 12-state, 15-partner collaborative created to develop and expand stress management and mental health resources and services for agricultural producers and stakeholders in the North Central region. The North Central Farm and Ranch Stress Assistance Center is funded by USDA NIFA (2020-70028-32728).

Lifelong Learning Institute offering online courses

DEKALB—For more than 20 years, the NIU Lifelong Learning Institute (LLI) has welcomed people of all ages and backgrounds to learn in a casual, non-competitive setting. The goal of LLI is to create a community of adults who wish to expand their horizons and connect with others who love learning.

Registration is now open for the winter 2022 LLI session. The winter session will take place online via Zoom, from Jan. 18 through Feb. 10, 2022. For just \$25, participants may attend any or all of the six weekly sessions. Register at Go.niu.edu/lli.

The winter sessions cover a wide variety of topics. On Tuesday mornings, "Armchair Italy" will allow participants to virtually visit six of the most interesting historic sights of Sicily. On Tuesday afternoons, the LLI will host expert speakers, including NIU faculty, for the "Notables" lecture series.

On Wednesday mornings, participants will hear "Tales from Texas," based on works by Ann Richards, Molly Ivins, Baxter Black and other writers. In the afternoon, they'll explore the where and why of unusual place names, such as

Dong, Frognot and Looneyville, and learn about how place names become

On Thursdays, participants will learn about "Women in Science" in the morning session and explore "The Gold Age of Radio" in the afternoon session. They'll leave with a better understanding of the outstanding contributions of women in science, especially in the 19th and 20th centuries, as well as a new appreciation for the humorous. dramatic and thrilling programs of radio's gold-

Kevin S. Stotmeister

COLLEYVILLE, Texas — Kevin S. Stotmeister, 72, passed away on Dec. 5, 2021. Kevin was born in Hazel Green, Wisconsin to Rosalia (nee Stockel) and Alvin Stotmeister on April 16, 1949. He grew up in Rochelle and later attended the University of Illinois on a full ROTC scholarship where he met the love of his life, Ellen. After graduation, he

was commissioned into the United States Navy in the Civil Engineer Corps. His naval career took the family to multiple locations before returning to the University of Illinois where Kevin earned his Master of Science degree and Professional Engineer certification. After serving eight years on active duty as a naval officer he resigned his commission as a Lieutenant Commander. He then began his professional career in the sign and visual communications industry with Federal Sign. His career spanned from the Chicago area to Indianapolis, Dallas/Fort Worth, Oceanside, CA, and then back to Euless, Texas. In 1985, Kevin earned his Master of Business Administration from the University of Chicago and was named vice president

in 1988 and then President of Federal Sign in 1993. After overseeing a historic merger with Heath Sign Company in 2003, Kevin was named President and CEO of Federal Heath. Kevin served on the Boards of Directors for both California Sign Association and ISA (International Sign Association). He worked for Federal Heath for 40 years before retiring in January 2020. While living in Oceans-

ide, California from 1991 until 2017, Kevin was very active in his community. He served as a City Commissioner of Oceanside as well as serving on the North County Economic Development Commission. He also served as Chairman of the Board for KOCT, a local TV station, as well as the Tri-City Hospital Foundation. Kevin was also active in the Oceanside, Carlsbad, and Vista Chambers of Commerce and was a charter member of The Oceanside Museum of Art. The Stotmeisters also supported the Chez Veterans Center at the University of Illinois.

Kevin and Ellen split their time living in Texas and California for many years to be closer to their daughters and their fami-

lies. They eventually settled in Colleyville full time where they became very active in the community. Kevin served on the Board of Directors of the Colleyville Lions Club as well as served as Treasurer of the Drug Awareness Council. He took great joy in chairing the Breakfast with Santa fundraiser this year. Kevin lived an extraordinary life and died peacefully surrounded by his family.

Kevin was preceded in death by his parents and his sister, Leslie Gaffney. He is survived by his wife of over 50 years, Ellen, and his daughter Erin Buck and her husband Travis, his daughter Sarah Pearson and her husband Jason, and his grandchildren Avery and Harper Buck and Kevin Pearson and many nieces and nephews and their children. Kevin's memorial service will be held at 10 a.m. on Jan. 27 at First United Methodist Church of Colleyville.

Rochelle Police Department

Three arrested on outstanding **Ogle County warrants**

ROCHELLE — On Dec. 21, Rochelle Police cited Jacob B. Vizenor, 25, Mt. Morris, for speeding and no insurance. He posted a promise to comply.

On Dec. 21, Rochelle Police arrested Miobas Suarez-Mendez, 56, Rochelle, on an outstanding Ogle County warrant. She posted \$300 bail.

On Dec. 21, Rochelle

Police arrested Haley Vogt, 20, Rochelle, on an outstanding Ogle County warrant. She posted \$125 bail.

On Dec. 22, Rochelle Police cited Ariana Valencia-Sanchez, 19, Rochelle, for no insurance. She posted an I-bond.

On Dec. 22, Rochelle Police arrested Justin N. Balaban, 28, Rochelle, on an outstanding Ogle County warrant. He posted \$1,500 bail.

On Dec. 22, Rochelle Police cited Tyontre Horton, 18, Rochelle, for speeding and no insurance. He posted an I-bond.

On Dec. 22, Rochelle Police cited Kenneth J. Green, 56, Rochelle, for disorderly conduct. He was transferred.

Ogle County Sheriff's Department

Rochelle resident arrested for aggravated assault, domestic battery

OGLE COUNTY — On Dec. 20 at 2:52 p.m., Ogle County Sheriff's Deputies conducted a traffic stop in the 8000 block of North Illinois Route 251 on a gray Hyundai Sonata for speeding. After an investigation, Monique Reed, age 39 of Rockford, was placed under arrest for no valid drivers license. Reed was also cited for speeding. Reed was released on a signature I-bond.

On Dec. 21 at approximately 8:18 a.m., deputies conducted traffic stop at Eddy Road and Route 251. After an investigation, Deputies arrested Adrian Gillette, age 44 of Davis Junction for driving while license revoked, no insurance, and no valid registration. Gillette's vehicle (Nissan Altima) was towed by Maggio's. Gillette was transported to the Ogle County Jail where he is being held in lieu of bond.

On Dec. 21 at 9:30 p.m., deputies conducted a traffic stop on Interstate 39 at mile marker 99. After a short investigation Deputies arrested Curtis Bloodworth 36 of

Whitley City, Kentucky. for driving while license suspended. Bloodworth was issued an I-bond and will appear in court at a later date.

On Dec. 22, Ogle County Sheriff's Deputies arrested Danilo Morales age 32 of Rochelle for aggravated assault and domestic battery. Morales was arrested by Deputies on Sunflower Lane in Rochelle after Deputies responded to a 911 call reporting a domestic disturbance. Morales was held without bond at the Ogle County jail.

Lee County Farm Bureau Foundation scholarships offered agricultural-related field of

AMBOY — Applications for the Lee County Farm Bureau Foundation Scholarships are now available on the Lee County Farm Bureau Foundation website, www.lcfbfoundation.org. Applicants must be a Lee County Farm Bureau member or dependent of a Lee County Farm Bureau member in good standing and be pursuing a major in an agricultural or

study in his or her college curriculum (accredited college, university or community college) for fall 2022.

The Lee County Farm Bureau Foundation scholarship(s) for area high school seniors, will be in the amount of \$1,500. The number of scholarships awarded will be determined based on number of qualified applicants and upon the availability of funds.

The Larry J. Green Memorial scholarship will be one scholarship in the amount of \$1,500 to a high school senior. The Gentry Family Agriculture Scholarship will be one scholarship in the amount of \$1,000 to a high school senior. The Lee County Farm Bureau Foundation will also offer one \$1,500 scholarship to a current undergraduate student.

The Lee County Farm Bureau Foundation has also established a scholarship, ranging from \$500-1,000 to a student attending Sauk Valley Community College and participating in their new ag program. The Lee County Farm Bureau Foundation also offers a Veterinary Scholarship which will award up to \$2,500 for students enrolling in their

third or fourth year in veterinary school concentrating in large animal studies.

The mission of the Lee County Farm Bureau Foundation is to fund and encourage ag-related educational opportunities to the youth of Lee County through programs including scholarships, Books by the Bushel, and Ag in the Classroom. Complete details on eligibility for consideration and criteria for awarding the scholarship are detailed in the scholarship application. To obtain an application, visit the Lee County Farm Bureau Foundation's website, www.lcfbfoundation. org, or if you have any questions, please contact the Lee County Farm Bureau office by phone, (815) 857-3531 or by email, leecfb@comcast.net. Applications are due no later than Feb. 15.

Driver's license and ID card expiration dates extended

SPRINGFIELD — Illinois Secretary of State Jesse White announced Friday that expiration dates for driver's licenses and ID cards have been extended an additional three months from Jan. 1, 2022 to March

31, 2022. This extension

does not apply to commercial driver's licenses (CDL) and CDL learner's permits. White noted this will be the final extension.

"During the pandemic, my office has continued to serve the public, including face-to-face transactions,

Doris Hardy's 90th Birthday is January 1st

With celebrations being subject to the weather and health risk limitations at this time, we know she would so enjoy receiving lots of birthday cards in January.

Her mailing address is PO Box 444, Rochelle, IL 61068 Thanks in advance for making her special day EXTRA SPECIAL!

in a safe and responsible manner," White said. "This extension is necessary as my office continues to address the heavy customer volume caused by the COVID-19 pandemic through expanded online services and the introduction of appointments at select driver services facilities.'

Public Act 102-678 authorizes the Secretary of State's office to extend driver's license and ID card expiration dates to March 31, 2022.

Throughout the pandemic, White's office has launched a diversified effort to address the heavy customer demand at facilities caused by the ongoing pandemic by requiring appointments at select facilities and expanding online services. These efforts include:

Requiring appointments at select Driver Services facilities for behind-thewheel road tests, REAL IDs, standard driver's licenses and ID cards. Customers may visit ilsos.gov for a list of participating facilities, as well as to schedule an appointment. New appointment slots will be available each day at ilsos.gov.

Expanding remote renewal for driver's license and ID card holders. Since fall, the office has been mailing letters to eligible customers with expired driver's licenses and ID cards requiring them to renew online, by phone or by

mail. The office estimates that this will eliminate the need for approximately 1 million people to visit a

Urging the public to consider using online services at ilsos.gov instead of visiting a facility for transactions such as purchasing license plate stickers, obtaining a duplicate driver's license or ID card, and renewing driver's licenses and ID cards, including REAL IDs, for those who

are eligible. As a reminder, the U.S. Department of Homeland Security has extended the federal REAL ID deadline to May 3, 2023.

Report policy

Any arrests listed in this paper are merely charges and the defendants are presumed innocent unless proven guilty in a court of law. Please note that all police reports received from

the Rochelle Police, the Ogle County Sheriff's Department and the Illinois State Police, will be printed without exception. Requests to omit particular reports will not be considered or honored at any time.

Christmas gift ideas

Dickow

are. Hours before the big day and you still might not have gotten that perfect present for a special someone.

Luckily for you, I have some gift ideas straight from the pages of the Hammacher Schlemmer gift catalog!

Do you have a friend who likes playing games? Then the per-

sonalized whack a mole console is the gift you may be looking for. Sure it is \$3,500, but hey, it is Christmas! If mind games are your forte, then they also

have a three-dimensional labyrinthoid. This 30inch diameter plastic sphere challenges you to roll a wooden marble through a series of ramps and tunnels until you reach the end. You can tilt it several directions, and it comes on a stand. Of course, the \$40,000 (yes...thousand) price tag puts it out of reach for many people.

Have a car buff in the family? They show a 1959

Corvette billiard table. Based on an actual mold of that classic car, this pool table would look great in any rec room or garage. And at \$25,000 it is a better buy than an actual Corvette.

But if it is reality you want in your car buff's life, they offer a Porsche 917 LeMans Racetrack. This is a full-size Porsche, no engine, that when you lift up the driver's side it reveals a scale model of the famous

LeMans race track. The track is for slot car racing, and you get several authentically detailed slot racing cars to race. But, even at \$125,000 it seems like a bargain!

Now call me Scrooge, but these gifts are all out of my range of sensibility. I know there are folks who can afford them, like the people who bought a Lake Geneva, Wisconsin, home for a little over \$39 million recently, but seri-

ously it bothers me when

there are homeless people and hungry families.

Surely we can figure out a way to provide for less fortunate people all through the year and not just at Christmas.

We have multi billionaires in this country. If someone gave \$1 billion of their fortune to the cause of ending homelessness, we could build almost 7,000 \$150,000 homes. That could put a dent in the homeless population.

I wish you a Merry Christmas. And I hope you have a healthy holi-

And please, remember the reason for the season.

Letter to the Editor

Love your neighbor as yourself

Dear Editor,

If our constitution can no longer be our guide or be applied to today's world, then may I suggest a declaration made to guide us before our forefathers created a moral guide. A new commandment I give you: Love your neighbor as yourself.

At this time when we anticipate the glorious birth of Messiah, God the Father, God the Son and God our Holy Spirit may we learn and teach tolerance, understanding and mostly love for our fellow man.

What do you say? Let's be the United States of America and our motto: "In God we trust."

My Edwardsville experience

S I sit here today reflecting on the horrific events of the Dec. 10 tornado in Edwardsville and the opportunity I had to lead a

team to assist that stricken county, I can't help but look forward to Christ-Some of you know that

I serve in several different capacities, but one that I have come to thoroughly VanVickle enjoy is incident management. Last Friday night, I received a call from our counterparts in Madison County regarding the collapse of the Amazon building in their county.

The information provided to me in the middle of the night was very dire and the request was quickly answered. In short order, myself and two other members of the Northwest Illinois Incident Management team deployed to Madison County. We are an advanced team and I tasked our group with establishing a footprint to determine future needs.

Saturday morning as the recovery efforts continued and multiple agencies responded, our full team arrived each with their specific job. We helped with planning future opera-Brian tional periods, organizing the current operation, and maintaining safety plans throughout the incident.

We all served in a position that provides professional experience to those in need.

While the outcome was difficult, words cannot express the true significance of the loss of those six lives.

As Christmas quickly approaches so does the phrase "season of giving." We live in a

great community, but there is always a need. Each one of us has a special ability, and ability to fill an unmet need.

I would challenge each one of you to reflect within yourself, to see what needs you can fill whether it is volunteering to cook a meal, running the cash register at a local not-for-profit or giving your time to just sit with someone in need.

We all have a gift to give. My goal is always to challenge neighbors, as well as myself to make our communities better for the next generation by helping those in need. We all have that ability, but it requires us to reflect and take the time to give back to our communities. My hope is that you have a very Merry Christmas and a safe New Year.

Brian VanVickle is the Sheriff of Ogle County.

VOICE ON THE STREET

Question:

With the Hickory Grove facility slated for demolition early next year, do you have any fond memories of times in the building?

"Back when we were younger, the Fireman's Ball was always a fun event. The Holiday Inn there was my first, outside the farm, job. I worked in the office when I was still in high school."

Lois Gittleson

"Dave Major and the Minors back in the day."

Kim Lawson Salsbury

"Definitely! All the milestone parties, quinceaneras and my wedding. I've also photographed many events. Thank goodness for photos."

Rosario Herebia Hueramo

"I think most of us would catch a criminal charge if we spoke about our fondest memories."

Leif Erickson

"Many kids swim/pizza birthday parties there.

Becky Dickinson Moore

"I went to a screamo concert there back when that was a big time. I'd rather not remember that phase of my life, though."

Chelsea Ewing

"New year's dance every year. Always so much fun with family and friends." Robbie Nava

LETTERS TO THE EDITOR POLICY

The Rochelle News-Leader encourages responsible letters to the editor on subjects of interest to our readers. Editing may be necessary for space, clarity or to avoid obscenity or libel, but ideas will not be altered. All letters must bear the handwritten signature of the writer and include address and phone number or e-mail address for verification purposes. Neither the street address nor phone number will be printed. Letters should be typed or legibly

handwritten, and no anonymous letters will be published. Any letters from boards or organizations must include at least one name of an individual. Any criticism of public officials should be limited to issues related strictly to their position or actions made in office, as personal attacks will not be published. Letters involving private disputes between the writer and a business will not be published. Political endorsements will be published,

however letters rom candidates endorsing themselves will not be printed. Letters may be dropped at the News-Leader office (211 IL Route 38 East), mailed to the News-Leader (P.O. Box 46, Rochelle, IL 61068) or e-mailed (news@rochellenews-leader.com.) The News-Leader reserves the right to edit or reject any letter to the editor for any reason, and letters chosen for publication do not necessarily reflect the views of this newspaper.

COMMUNITY

Wyatts celebrate 64th anniversary

ROCHELLE — The staff and residents at Rochelle Rehab would like to congratulate Clarence and Joyce Wyatt on their 64th wedding anniversary.

They met at Caron Spinning (yarn factory) in 1956. Clarence always tried getting Joyce's attention by picking on her. He finally got her attention by ripping the tag off her Wrangler jeans. To this day, Clarence still has the Wrangler tag sitting in his wallet.

After dating for a year, they decided to get married on Dec. 21, 1957. Joyce was 19 and Clarence was 21. The wedding was held in the small home of Joyce's uncle Syrus. It was a small ceremony with close family and friends.

It didn't take long for them to start their family. The couple welcomed their first-born son Mitch on Joyce's birthday. Two more children, Shelly, and Shawn, followed.

The couple have remained in the Rochelle area ever since. According to Joyce, "the key to marriage is to obey the Lord" and to "forgive and forget and you'll be okay."

LOCAL NEWS

(PHOTOS BY JEFF HELFRICH)

Rochelle School District 212 held its monthly meeting at RTHS on Monday. At the beginning of the meeting, students from the RTHS band (above) and choir program (below) played and sang Christmas songs for the board.

RTHS: High school board approves 2022 tax levy

From page 1

In association with three course redesigns, the school wants to "significantly" update its agriculture lab, which is primarily a lab and shop space. It's a welding lab and shares a lot of equipment with a typical shop. There is also a separate lab that's long been aligned with classes in the technology department.

"We'd like to do some rebranding and other things to make it more of a STEM lab," Harper said. "Along with those things, we need to upgrade some of our facilities. Things like power, ventilation and the buying of equipment."

The PE department improvements include the school's two spaces, the weight/conditioning room and the fitness/weightlifting space. Harper said it's time to upgrade that equipment, a portion of which was brought over from the old high school building.

Harper said the new RTHS building is nearing 20 years old. That's young in terms of buildings, but he

believes a lot has changed overthattime, necessitating more change.

"These conversations go back quite a ways," Harper said. "At the end of the day, I'm looking for approval of both of these programs to move ahead into purchasing and real improvement planning. With your approval we'd get some bids for equipment. Our administration can move from planning to real action. You will approve or deny the bids when they come in."

Tennis court

The board unanimously approved a \$373,064 bid from Evans & Son Blacktop, Inc. for a tennis court repair project.

The issue came about when a crack was found across the eight main courts at the high school. The asphalt will be removed and replaced, but the rest of the infrastructure will remain. The project should result in getting "at least" another 10 years out of the tennis surface.

The construction would not occur until July 2022 so

it doesn't interfere with any of the sports seasons.

Tax levy

The board unanimously approved its tax levy for 2022. Last month, District Business Manager Kevin Dale said the district will be asking for \$9,919,878. Last year it was extended \$9,496.208. The increase is based on an over \$20 million increase in Equalized

Assessed Valuation, which is currently \$472.76 million and is used to calculate the district's tax levy.

Dale said the district is asking for less than it did last year rate-wise and he expects the EAV to drop due to tax appeals.

Employment

The board unanimously approved the resignations of Janice Cupp (bus aide)

and Jacque Johnson (school nurse) and the employment of Nancy Aldis (bus aide), Brian Andronic (volunteer, Rochelle Wrestling Club), Tyler Baker (assistant wrestling coach), Veronica Foster (Focus House paraprofessional), Rachel Livingston (bus driver) and Ellen Miller (paraprofessional).

After saying that he had no updates on COVID-19

in his monthly school reopening agenda item at the meeting, Harper said the district is in the process of hiring a new school nurse to replace Johnson.

Music

At the beginning of the meeting, students from the RTHS band and choir program played and sang Christmas songs for the board.

PARK: Board receiving interest in Second Street property

From page 1

When discussing recent projects. Ohlinger said the Spring Lake lift station was completed about two weeks ago and some work was done inside the filter room. A new fishing pier has also

been installed at the facility.

Concrete sealing was recently completed at The REC Center. Signs detailing prohibited activities at each park have been replaced.

Helms Field

The board unanimously

approved a \$32,400 bid from Top Roofing to redo the roof at Helms Field over the winter.

"When I was talking to different businesses and companies, they were concerned with supplies," Ohlinger said. "Top Roofing has the supplies already and can meet the deadline. It will be good to get that done this winter."

Property

Ohlinger said the district has seen "a lot" of interest in its former office and storage

buildings on 2nd Street after starting a sale period at last month's meeting. The bid submission is due Jan. 10 at noon.

At last month's meeting, Board President Tim Hayden said the property has been appraised at \$140,000. The property would likely have to be rezoned upon sale.

Hayden said the park district had already received inquiries about the property that has been vacated by a move to the newly-constructed REC Center.

Simmons nets career high

Rochelle senior scores 38 points as Hubs fall against Wauconda 89-78

BY RUSSELL HODGES SPORTS EDITOR

MARENGO — Ryan Simmons has shown flashes of dynamic scoring potential throughout his three-year career with the Rochelle Hub varsity basketball team. When Simmons and the Hubs faced a talented Wauconda team in the second round of the E.C. Nichols Holiday Classic on Tuesday, the 6-foot-6 senior guard proved to be unstoppable from the open-

ing possession. Simmons had his full offensive arsenal on display, converting multiple 3-point shots while finishing several drives at the rim with both his strong and opposite hands. The senior starter finished with a careerhigh 38 points including 24 points in the first half, but the Hubs were slightly outpaced by the Bulldogs, who rallied behind two dynamic scorers of their own to win 89-78. Rochelle (5-6, 2-1 Interstate 8) will move into the consolation bracket with the loss.

"We've talked with Ryan throughout his whole career about not thinking too much and letting his brain get in the way," head coach Tim Thompson said. "We know he's a really good player and we want him to have confidence in himself. When he saw his first 3-pointer go through the basketball, it was like he couldn't miss his several shots and we knew it could be a special night for him. He made some nice midrange shots and he used his

length to his advantage." While Simmons created problems for the Wauconda defense, Rochelle also had

its hands full with two dynamic scorers on the Bulldogs in senior guard Nick Brinias and senior wing forward Griffin Daun, who combined for 53 points in the contest. With Brinias utilizing his quickness off the dribble and Daun capitalizing on mismatches in the man-to-man defense, Wauconda built a 28-20 lead after the first quarter and maintained a sizable ad-

vantage at halftime, 42-33.

"We've had trouble this season when we've had to face really dynamic guards who're able to make double moves and I thought [Brinias] did that really well tonight," Thompson said. "[Daun] hurt us more around the rim, but I thought he was able to get us off the dribble and we were caught chasing on defense all of the time. It was one of those

situations where we have to be able to sit down and guard while anticipating where the opponents are

going to go with the ball." Daun led the Bulldogs with 31 points, while Brinias scored 22 points. Despite Wauconda leading for nearly all of the first half, Rochelle opened the third quarter with a 13-4 run, forcing multiple turnovers in the full-court press and scoring easy layups in transition to tie the game at 46-46. But the Bulldog duo of Daun and Brinias proved too tough for the Hubs to contain, as Wauconda rebuilt its lead back to double digits, going ahead by as many as 17 points in

the fourth quarter. "I think our kids are buying into how we want to play and I think they're realizing where they're going

to have the most success," Thompson said. "I haven't been super pleased with our ball rotations until these last few games, but we're getting the ball up the floor and we're getting shots before the defense can get set. I think we're struggling when teams are really physical with our guards and we need to stay in transition as much as we can for these next few games."

Hubs battle at Burlington Central Junior Varsity Duals

BY RUSSELL HODGES SPORTS EDITOR

Genoa-Kingston.

BURLINGTON — The Rochelle Hub wrestling team battled at the Burlington Central Junior Varsity Duals on Wednesday. The Hubs competed against Larkin, Harlem and Burlington Central in the five-team

Larkin

nonconference meet that also featured

The Royals scored victories over Rochelle in both the 106-pound and 120-pound bouts behind pins from Jorge Lopez and Ricky Jimenez. Freshman Santiago Pacheco stepped up for the Hubs in the 132-pound bout, recording three takedowns and one reversal to defeat Jaime Zeruce with an 11-2 major decision.

Senior Matt Eyster followed with a victory in the 152-pound bout, earning two near-falls and one takedown for a 10-1 major decision over Giselle Ayala. Rochelle then saw three consecutive wrestlers record pins including sophomore Leo Stoffel, who needed only 27 seconds to win by fall over Maria Ferum in the 170-pound bout.

Junior Jorge Driggs took down and pinned Kevin Vermet to win the 195-pound bout before freshman Damon Cagle recorded a takedown and a pin to win the 220-pound bout for the Hubs. Larkin concluded the dual with Rochelle by pinning to win the second 220-pound bout.

Harlem

Sophomore Riley Damask opened the

dual against the Huskies with a 44-second pin to win the 120-pound bout. Harlem then pinned to win the 132-pound and 152-pound bouts before sophomore Leo Stoffel recorded a 45-second pin to win the 170-pound bout.

After the Huskies pinned to win the 195-pound bout, freshman Damon Cagle earned a first-period pin to win the 220-pound bout. Harlem won the second 220-pound bout by pin to conclude the dual.

Burlington Central

The Rockets pinned to win the 106-pound bout before freshman Weylin Nay faced Rocco Boss in the 113-pound bout, scoring a takedown and pin for the first Hub win of the dual. Sophomore Riley Damask followed with two takedowns and a pin against Robert Anderson to win the 120-pound bout before Burlington Central pinned to win the 132-pound bout.

Senior Matt Eyster took down and pinned Joshua Bakakos in the second period to win the 152-pound bout. Sophomore Leo Stoffel took down and pinned Martin Soto to win the 170-pound bout before junior Jorge Driggs battled John Adams in the 195-pound bout, totaling three near-falls in the first period and a fourth in the second period before winning the match with a pin.

Freshman Damon Cagle then pinned to win the first 220-pound bout of the dual, setting the stage for junior Matt Dewey, who took down and pinned Freddy Gallegos to win the second 220-pound bout.

Second chances hurt Hubs in loss against Freeport

Physical Freeport squad takes down Rochelle 65-46 at E.C. Nichols tourney

MARENGO — The Rochelle Hub varsity basketball team struggled against the physical and athletic Freeport Pretzels during E.C. Nichols Holiday Classic tournament action Wednesday.

After scoring well over 70 points in each of the team's first two tournament games, Rochelle had no room to work against Freeport, with the Pretzels pounding the boards on both ends of the floor and frustrating the Hubs with their defensive pressure. Despite trailing by only four points at halftime, Rochelle couldn't keep pace with the Pretzels, who eventually built a double-digit lead to win 65-46. Rochelle (5-7, 2-1 Interstate 8) will conclude the tournament Thursday.

"It's absolutely demoralizing when the other team goes in and gets that many offensive rebounds," head coach Tim Thompson said. "We weren't physical enough to seal them out and I don't think we sealed out well when we tried. Freeport kept us off the offensive glass and they were skying in to rip those balls off clean. We were fumbling the ball all over the place and they were knocking the ball out of our hands all night and we couldn't do the same to them."

The Pretzels saw two players reach double figures on Wednesday, with guard Robert Smith scoring 15 points and guard Dedric Macon adding 12 points for the Freeport offense. The Hubs forced the Pretzels into contested shots throughout the first

(PHOTO BY RUSSELL HODGES)

Senior Tanner Lager looks to make a pass during the Rochelle Hub varsity basketball game against Freeport on Wednesday. The Hubs fell 65-46 against the Pretzels to move to 5-7 overall this season.

half, but second-chance points on offensive rebounds allowed Freeport to maintain a slight lead. Senior forward Cooper Hasz scored seven firsthalf points and battled on the boards for Rochelle, finishing with 11 rebounds.

"I'm so impressed with Cooper," Thompson said. "He's had a lot of injuries with his legs, but he was a beast in the weight room over the summer and he's put on a lot of muscle. Cooper really anchors our press a lot of the time and he gets his hands on the ball a lot. Cooper goes in and he really fights. I can't say enough about his performance and he's been a great bench player."

Freeport led 35-31 at

halftime, but an 8-0 run from the Pretzels to start the third quarter quickly put the Hubs in a tough situation. Rochelle struggled to work through Freeport's three-quartercourt press defense, which forced multiple errant passes from the Hubs that resulted in easy layups for the Pretzels, who led 49-37 entering the fourth quarter.

"We have a press breaker that works against that press, but instead of our kids running it the way we wanted them to, they started to improvise," Thompson said. "We started running away from the ball because either our kids didn't want the ball or they were either getting the ball stolen from them or having

their hands. It was evident that our kids didn't want to be in those situations and Freeport saw that. It became a feeding frenzy out there."

Senior Ryan Simmons finished with 11 points to lead the Hubs in the loss, while senior Adam Kemp added nine points and senior Tanner Lager chipped in seven points.

TV LISTINGS

HULLYWOOD

by Tony Rizzo

HOLLYWOOD — Henry Cavill is on the short list to become James Bond! He's certainly qualified, after three Superman films (combined grosses of \$2 billion) and a season of Netflix's "The Witcher" (season 2 just premiered, and there's already a pickup for season 3). He's currently shooting "Enola Holmes 2" and preparing "Argylle" for Apple TV+, with **Sam** Rockwell, Bryce Dallas Howard, Bryan Cranston, Catherine O'Hara, John Cena and Samuel L. Jackson, the first of three in a franchise. In "Argylle," Cavill plays a larger-thanlife action hero (with a wink). That will be followed by the "Highlander" reboot (for which he's getting \$5 million), the start of yet another franchise for him. His last 007-type film, "The Man From U.N.C.L.E." (2015), grossed only \$107 million, which didn't cover its \$85 million-plus price tag.

Hollywood studios are famous for their creative bookkeeping. Big-name stars are warned to get their money up front because the back-end profits often suffer from studios "cooking the books"! Anthony McCarten, writer of "Bohemian Rhapsody," recently sued 20th Century Fox because it claimed "Bohemian Rhapsody," which cost \$55 million, lost \$51 million. He was contracted to receive 5% of the profits, from the back end, but hasn't seen a cent of the \$900 million it grossed, so he filed a more than 50-page lawsuit in Los Angeles Superior Court. In 1989, James Garner sued Uni-

versal Pictures for \$16.5 million for syndication royalties from his "Rockford Files" series. He was only paid only \$249,000 of the \$119 million royalties, but six years later he settled out of court for an undisclosed sum (rumored to be \$6 million). In 2013, **Don Johnson** sued Rysher

Entertainment for foreign-syndication monies owed for his "Nash Bridges" series (of which he was part owner).

lion. He persisted and was awarded an estimated \$19 million and 50% of the copyright of the series. In July 2012, "Happy Days" cast

members Anson Williams, Marion Ross, Don Most, Erin Moran and Patricia Boslev, widow of Tom Bosley, sued CBS for the unpaid use of their likenesses and names in merchandising and got \$65,000 in their settlement. Stars Ron Howard and Henry Winkler had their own deals and were already amply paid.

It had to happen: "General Hospital" stars Steve Burton (Jason Morgan, on and off since 1991) and Ingo Rademacher (Jasper Jax since 1996) were "dropped" from the show when they refused to get vaccinated after a Nov. 1 vaccine mandate. The other three soaps, "The Bold and The Beautiful," "Days of Our LIves" and "The Young and The Restless," have relied on testing, social distancing and other CDC guidelines. Will they get the

Q: How is Michael J. Fox doing since he was diagnosed with Parkinson's disease years ago? Will he ever return to television? -- R.V.

Lv Single Lv Single ** "Sleepless" (2017, Action) Jamie Foxx, T.I.. @

Home Town ©

(11:00) "Christmas

A: Michael J. Fox became a household name when he played Alex P. Keaton on the hit NBC sitcom "Family Ties" and transitioned into movie-star status with the film "Back to the Future." At age 29 he was diagnosed with Parkinson's disease, a neurodegenerative disorder that usually strikes in middle to advanced age. Fox didn't go public with his diagnosis until seven years later, after he felt pressure from

the paparazzi. Fox eventually returned to acting with recurring roles in prime time shows like "Rescue Me," for which he won an Emmy; "Curb Your Enthusiasm," where he played a version of his real-life self; and "The Good Fight" and "The Good Wife," where he played an attorney who used his Parkinson's symptoms to his advantage.

He's written four books, including his most recent memoir, "No Time Like the Future: An Optimist Considers Mortality." I would imagine that Fox, now 60, is most proud of what The Michael J. Fox Foundation has done for research. Eighty-eight cents of every dollar the organization earns goes to research programs for Parkinson's disease. You can read more about it -- and Michael -- at MichaelJFox.org.

Q: I thought Cobie Smulders was fan-

Story: Impeachment." Does she have any other shows or movies coming out? She's really good at impressions. -- J.J.

tastic as Ann Coulter in "American Crime

Home Town

** "The Equalizer" (2014, Action) @

Home Town

Belongs" (2022)

A: Cobie Smulders is best known for her starring role on the sitcom "How I Met Your Mother," but didn't really get to show us her

range until taking on the role of

political pundit Ann Coulter and her unusual cadence. Next up she'll

reprise the role of Marvel's Maria

Hill in the Disney+ series "Secret

Invasion." Smulders is married to

former "Saturday Night Live" cast

Q: I have been a loyal, longtime fan of "Fixer Upper," but reruns are the only

member Taran Killam, who played Paula

Jones' husband, Steve, in "Impeachment."

episodes shown since the show changed to another channel. Can you tell me if HGTV will be airing any new episodes? -- B.B. A: In the fall of 2017, Chip and Joanna

Gaines announced that "Fixer Upper," their hit home renovation show on the HGTV network, was ending. They set their sights even higher and teamed up with Discovery to launch their very own network, Magnolia. If you have the DIY channel on your

cable, satellite or live TV streaming app, it'll be renamed the Magnolia Network beginning Jan. 5, 2022. That evening at 9 p.m. ET, a new episode of "Fixer Upper" will premiere titled "Fixer Upper: Welcome Home."

NIU Football

Huskies fall short against Coastal Carolina

Time runs out on final drive as Chanticleers win Cure Bowl 47-41

ORLANDO, Fla. – The 2021 Northern Illinois University Huskies fell just seconds short of pulling out another last second victory as time expired with NIU on the Coastal Carolina eightyard line and the Huskies fell to the Chanticleers, 47-41, in the Tailgreeter Cure Bowl.

With the bowl loss, the Mid-American Conference Champion Huskies finished the season 9-5 just one year after going winless (0-6) with the second-youngest team in the Football Bowl Subdivision. Coastal Carolina posted a 11-2 final record.

"All you can ask for from your team is to give it everything you've got," said NIU head coach Thomas Hammock, the MAC Coach of the Year. "I thought they did that, they laid it on the line for 60 minutes and gave us a chance. I couldn't be prouder of this team. I'm just happy as a head coach to be here with this group of men."

NIU led 41-33 after John Richardson hit a 45-yard field goal with 11:51 to play, tying the Huskies' largest lead of the game.

Coastal Carolina came back with a six-play, 64yard drive in 2:44 with CCU quarterback Grayson McCall — while under pressure — connecting with All-America tight end Isaiah Likely who made an outstanding catch of a ball off his shoe tops and took it 40 yards for a score. NIU's Jordan Gandy broke up the two-point conversion pass and the Huskies led 41-39 with 9:07 to play.

On third and one on NIU's next possession, quarterback Rocky Lombardi was stopped short and when Clint Ratkovich took a direct snap on the next play, the Huskies failed to convert on fourth down for the first time in 14 tries and CCU took over on the NIU 34. It took the Chanticleers just one play to take the lead as McCall pitched the ball forward to tailback Braydon Bennett on the option and the tailback went 34 yards to the end zone. The conversion pass to Likely was good, giving Coastal a 47-41 lead with 6:40 to play.

one of its patented gamewinning drives with Lombardi completing passes to Cole Tucker and Miles Joiner. On third and 14, Lombardi scrambled for 13 yards, but was hit and fumbled. Coastal Carolina recovered and with 3:21 to play, took over on their 44-yard line.

Buy, Sell, Trade or Rent

NIU appeared to be on

The Huskie defense stepped up, forcing a punt and NIU had one last chance for a game-winning score. Starting from their own 13-yard line with 2:29 to play, Lombardi completed nine of 12 passes including a 23-yarder to Tucker on fourth and four, and a 15yard completion to tailback Jay Ducker on third and five. A seven-yard completion to Messiah Travis to the 10-yard line proved costly when the receiver went down on the play, costing the Huskies 10 precious seconds due to a runoff.

Lombardi then hit Joiner for two yards and, after an incompletion, for four yards. Withjusttwo seconds on the clock, time expired before NIU could get another snap off, ending the drive and the season.

"We turned the ball over once, we got stopped on fourth down and that gave them momentum," Hammock said. "[Coastal Carolina] made plays. That's a good football team and we didn't make enough plays."

NIU ran 88 plays and gained 516 yards of total offense in the game, including a season-high 335 rushing. The Huskies did not punt in the game. Freshman Jay Ducker ran for 146 yards on 24 carries and Antario

Brown added 105 yards on 12 carries. Brown, full-back Clint Ratkovich and Lombardi all scored rushing TDs, while Lombardi had touchdown passes to Tucker and Joiner.

Tucker finished with six catches for 87 yards, while Joiner caught a season high five passes. Lombardi completed passes to nine different receivers and threw for 181 yards on 20-of-33 passing.

McCall threw for 315 yards on 22-of-30 passing with four touchdowns.

There were seven lead changes and just one punt in the game. The Huskies scored on the opening drive after an 11-play, 75-yard drive when Lombardi hit Tucker on fourth and goal from the five for a score. NIU led 10-6 at the end of

the first quarter and 24-19 at halftime.

Coastal Carolina used long plays, including a 40-yard pass from McCall to Aaron Bedgood and completions of 27 and 40

yards to Likely, as well as the 34-yard forward pitch to Bennett, to score their points, while the Huskies again controlled the clock with 39:20 time of pos-
