Steder Tattoo opening downtown

'It'll be nice to have my own place in my hometown'

BY JEFF HELFRICH MANAGING EDITOR

ROCHELLE — Mat Steder wants to have a Steder Tattoo little league team.

He was born and raised in Rochelle and recently had a special use permit approved by the city council to open a tattoo parlor at 507 W. 4th Ave. downtown. He plans to open it around Jan. 1. Steder comes from Raven Tattoo in Dixon and said he services a lot of Rochelle residents already. The business will be Rochelle's first tattoo shop.

When thinking of names for the shop, Steder had a few in mind. He landed on Steder Tattoo and his family name as a way of paying homage to his father, Ron, who passed away last year. Ron owned and ran Steder Diesel and Steder Trucking in town during the 1990s.

"I want to bring back the Steder name, even though it's a different occupation," Steder said. "My dad did a lot for the community in the 80s and 90s and was really

involved in youth baseball and softball. He built the dugouts at the softball fields and had a few teams in the baseball leagues. I want to do things like that."

Ron Steder was named community leader of the year in Rochelle in 1993. Mat still has the newspaper article laminated. He was nine years old in the picture on it.

"It's really cool," Steder said. "It shows a list of evin. I look back and see what I can do to kind of mimic what he was doing. I needed to get my foot in the door. This is me doing that."

Due to his father passerything he was involved ing away during the CO- VID-19 pandemic last year, Steder said the family didn't get to have a funeral for him at the time. Mat didn't get the closure he

City hosts Citizens Academy graduation

Program aims to help residents learn about the city's work

BY JEFF HELFRICH

MANAGING EDITOR

ROCHELLE — The City of Rochelle hosted a graduation ceremony Thursday for the participants of its inaugural Citizens Academy program.

The 10-week program offered the opportunity for residents to learn about the city and its various departments. Participants went behind the scenes to learn how the city works through hands-on activities, facility tours and more.

"I'm very happy we did this," Mayor John Bearrows said. "This process was for people who wondered about the city. For a city of 10,000 people with a \$95 million budget, this is a huge machine. A lot of that is the electric department because of the power we have to buy and turn around and sell, but \$95 million in a town of 10,000 people is mayor, city manager and city clerk; finance and human resources; police and fire; community and economic development;

public works and engineering; Rochelle Municipal Utilities and airport, golf course and tourism.

City officials said they plan to offer another Citizens Academy program in

the future after the success of the first one.

When asked about what they learned from the program, Citizens Academy participants talked about learning where taxes go

and the importance of shopping local, learning about different jobs that they didn't know existed and learning how government in a small town works.

City Clerk Sue Messer took the lead in setting up the program and said it was something she's wanted to do for a few years.

GoFundMe started for Rochelle teen's heart surgery

Benefit scheduled Friday, Nov. 5 at Sledgehammer's in Oregon

BY JEFF HELFRICH

MANAGING EDITOR

ROCHELLE — Cierra McGinnis will be having open heart surgery on Jan. 14, just 15 days after her 16th birthday.

Cierra is nonverbal and has Down Syndrome. Two years ago she was diagnosed with Hypertrophic Obstructive Cardiomyopathy with severe subaortic stenosis (narrowing below the aortic valve) and an enlarging heart, all of which are not normal for Down Syndrome.

Her family was looking into having surgery done days before the COVID-19 shutdown.

"Due to the shutdown, doctors began monitoring her heart and put her on Atenolol to 'buy time," a GoFundMe page for Cierra said. "In September 2021, doctors stated it was time to do surgery as it cannot be delayed any longer."

Her surgery is set to take place at Children's Hospital in Milwaukee. There, they will be surgically removing a block of her heart muscle which will widen the left ventricle allowing better outflow. This muscle is right next to her "electrical line" within the heart, which heightens her chances of it coming back in the future or having other underlying issues post surgery.

Over the last two years, Cierra's family has watched her energy level decline "drastically."

"She is eating less and has lost close to 10 pounds," the GoFundMe page said. "She also is sleeping a lot and has little to no desire to play or even go outside. As a result, if we need to take her anywhere, we tend to have to use a wheelchair because she throws a fit and refuses to move. She has also been home schooled these last two years because it's not safe for her to be in a school setting due to the chances of her catching something. So, needless to say we have had to adjust our lifestyle to care for her needs."

Cierra's mother, Stacy Leifheit, was encouraged by friends to set up a Go-

FundMe page in hopes of getting some of the expenses she's incurred and will continue to incur back.

"Over the last two years, we have taken her to several cardiologists appointments in Rockford, Chicago and Milwaukee," the GoFundMe page said. "Plus, come January, we will sustain travel and hotel costs due to her surgery as well, as we live in Rochelle, and her surgery is two hours away in Milwaukee."

Doctors expect Cierra to stay in the hospital for at least two weeks before she comes home and has at least a two month recovery period. She'll have follow up cardiologist appointments in Rockford and Milwaukee afterwards.

The GoFundMe page for Cierra can be found at gofund.me/16b69750.

A benefit will be held

A benefit will be held on Friday, Nov. 5 at 5 p.m. at Sledgehammer's in Oregon. The band Broken Roots from America's Got Talent will play at the benefit along with five other bands. A silent auction will be held and all proceeds raised that night will go to Cierra.

See the Sledgehammer's Facebook page for more details on the event.

DAR expands Wreaths Across America to Oregon

ROCHELLE — The Daughters of the American Revolution's Rochelle Chapter has participated in the Wreaths Across America program in Rochelle including St. Patricks, Lawnridge, and Trinity Cemeteries for several years but has recently expanded its efforts to include Daysville

Cemetery near Oregon, where Revolutionary War soldier Daniel Day and many other veterans are buried.

The chapter is asking for the public's help to continue those efforts, sponsor wreaths and participate in its Wreaths Across America days at any of the above locations.

Rochelle Chapter members have recently been working to identify each veteran buried at Daysville Cemetery. Approximately 200 Daysville veteran burial locations have been identified so far, which adds a significant number to the chapter's fundraising

goal to place wreaths at each veteran's grave for the holiday season.

The mission of the Wreaths Across America program is to remember, honor and teach by coordinating wreath-laying ceremonies at Arlington National Cemetery, as well as at more the 2,500 additional locations in all

50 U.S. states, at sea and abroad. When a volunteer places a wreath on a veteran's grave, the Wreaths Across America program encourages them to speak that veteran's name aloud, thank them for their service and sacrifice and reflect on that person and their life.

The public is invited to visit Rochelle Chapter's Wreaths Across America page at https://wreathsacrossamerica.org/IL0136P to select from the cemeteries Rochelle Chapter is sponsoring (Daysville, Lawnridge, St. Patrick's, or Trinity) and select how many wreaths to order. Wreaths are \$15 each, will be delivered by Wreaths Across America to the Rochelle DAR, and brought to the cemeteries on the scheduled Wreaths across America Days. Online entries are encouraged in honor of the purchaser's veteran family or friends or in memory of those who have passed. Orders must

be received by Nov 30 to

be included this year.

This year, Rochelle Chapter will hold ceremonies on two days. The Daysville Cemetery Wreaths Across America event will begin at 1 p.m. on Saturday, Dec. 18. The St. Patrick's Cemetery Wreaths Across America event will begin at 2 p.m. on Sunday, Dec. 19 with an abbreviated ceremony at Lawnridge Cemetery to follow. All ceremonies will include the placing of ceremonial wreaths to honor veterans of each of the U.S. Armed Forces, the Merchant Marines and POW/MIAs. The Wreaths Across America ceremonies will be conducted regardless of weather conditions.

For information about the Daysville event or to volunteer, community members are encouraged to reach out to Chapter Regent Laurie Perry at laurieannperry@hotmail. com or by cell at 573-774-9483.

ROCHELLE—Mike Jaradat has run smoke shops around the area for almost 15 years.

customers from this town go to DeKalb or Rockford and spend their money in different towns. Basically, we lose the taxes. I decided I want to be convenient for them so they're not going to another town to look for their products. We keep business local and we benefit from the taxes and hire people here and add more workers. Everyone is going to benefit from

that. That's my idea to support the community. And we're doing good

RELIGION

— A Hero of the Faith

Joyce Meyer

NAITH in God is d an amazing gift. It starts the moment your heart says: I believe Jesus is God's Son and He came to rescue me. But I wonder how many Christians decide that's where their faith ends, when the truth is, God has so much more for us in this life.

One of the reasons this happens is because many people feel they don't measure up to what they think they should be. They get stuck focusing on their weaknesses and mistakes, rather than focusing on who God is and what He's doing in and around them. John 3:17 (NASB) tells

Son into the world to judge the world, but so that the through Him."

us, "God did not send the

world might be saved Jesus is not only your Savior, He's your advocate. And He wants you to start believing God for more

than a trip to heaven.

The Bible says the just shall live by faith (Hebrews 10:38). In other words, faith is an attitude that can become your way of life—and there is no better way to live.

Faith replaces fear and worry with peace and joy. It purifies the heart, cultivates hope, receives provision, and overcomes the attacks of the enemy.

Ephesians 6:16 says that faith is a shield. So when the enemy starts to shoot darts of fear and insecurity, you can get behind your shield of faith and keep going forward with God. But here's the thing: A

shield won't do any good unless it's lifted up. You need to raise up your shield by praying, saying, and doing things that line up with God's Word. Second Peter 1:5 (AMP)

says to "[...make every effort] in [exercising] your faith to, develop moral excellence...knowledge (insight, understanding)."

If you will exercise your faith to become more like Christ Himself, the way you think will change, and the things you say will change. You will begin to live with greater love and compassion. And it will become very natural for you to encourage others in their faith.

I want to encourage you to make a habit of getting up in the morning and thanking God for what He's done in your life. Praise Him for what He's going to do. Declare your trust in Him to provide

come your way. It's important to understand that you cannot change yourself. It's spending time with God that transforms you.

everything you need, and

ask Him to prepare you for

whatever challenges may

One thing the apostle

Paul prayed for the Ephesian church was that the Holy Spirit would reveal Himself in their inner being and personality—that they would see who God had created them to be through Christ.

Ephesians 3:16-17 (AMP) says, "May He grant you out of the riches

of His glory, to be strengthened and spiritually energized with power through His Spirit in your inner self, [indwelling your innermost being and personality], so that Christ may dwell in

your hearts through your faith. And may you, having been [deeply] rooted and [securely] grounded in love."

God wants us to be firmly rooted in the love of Christ so we can stand in authority against our enemy. And He wants us to be so stirred up in His

love that we can't help but share it with others. Ultimately, it's not the

things we do but our faith that pleases God (Hebrews 11:6). As we look to the heroes of faith in Hebrews 11, we see how God was able to work in their lives because they believed. And they never stopped believing God for something greater than before (Hebrews 11:13)! The Bible says that they were sustained and controlled by their faith, and their faith still inspires us today.

Noah prepared an ark to save his family. It took him 100 years to build and he was made fun of every single day because where he lived, there was no rain. But he stuck with God's plan. The Bible says that by faith Noah "became an heir of the righteousness which is according to faith" (Hebrews 11:7 NASB).

By faith, Abraham prepared to sacrifice his son Isaac, with the hope that God might raise him from the dead (vv. 17-19).

Rahab was a prostitute but she chose to believe that God could use her in a mighty way. And because of her faith, she and her

family were saved (v. 31). First John 5:4 (NASB) says, "For whoever has been born of God overcomes the world; and this is the victory that has overcome the world: our faith."

Decide today that, with God, the impossible is possible. Amazing things can happen when you choose to believe. So be bold in asking God to reveal what His promises mean for you, and never stop believing for more than what He's already accomplished in your life.

God created each of us for a specific time, with a specific plan and purpose for our lives...and He wants to make you a real life hero of faith.

When will **Hickory Grove** come down?

on when the Hickory Grove complex would actually come down.

I believe it was supposed to be in 2019, but now it sounds like next spring before demo starts on the facility. The pool

could be organized like Bessie Bingo.... people pay for a specific day when the first wrecking ball hits the complex. I hereby give permission for someone to use my idea with 2022 dates for the bingo squares. It could be a great fundraiser!

On the subject of Hickory Grove, a friend stopped me the other day and asked what VCCT was going to do for a performance space now that the building is closed. I explained that

the theater group has taken over the former Lincoln School on South Main and has reimagined it as the Lincoln Center for the Performing Arts. The former gym and some north side classrooms have been converted into a theater and lobby, complete with restrooms and concession area. The stage is on the west end of the gym, with the east end, which used to be the stage area when it was a school, as the light and sound booth.

So far, two productions have been staged in the new facility. A holiday gala is scheduled for early December and other productions are on the book for next year.

This is a great time to get involved in theater in your community. On stage, backstage, working lights or sound....

opportunities abound. Why not get involved?

What we want

I know there are a lot of angry people in our town,

county and country.

Terry

Dickow

I think we all need to sit back and just think about what we

I believe most of us would say we want: homelessness eliminated or at least greatly reduced; better mental and physical health care options for veterans; people not going hungry; affordable housing; affordable day care; jobs that pay living wages; access to affordable health care; excellent educational systems; modern infrastructure; safe communities.

These are not democratic or republican issues, these are issues that impact all of us in some way.

I hope the leaders of both parties can work on building America, not tearing it down.

Heath Mickley

Nice to see Heath Mickley's story in the paper last week. Heath was a student of mine years ago and I knew then he would grow up to do good things. Nice going, Heath!

November brings gratitude

URING the month of November, many of us take the time to reflect on what the year has brought. What are we thankful for? What makes us appreciative of the things

we do? What are we most proud of and what makes us feel this way? At the Rochelle Area **Community Foundation** (RACF) we have the privilege of seeing grati-

tude through the power of philanthropy. When a family or individual works with RACF, whether it be opening a new endowment fund, establishing a reoccurring gift, finalizing estate plans or supporting an existing fund, it is the good the donor feels in return that makes every gift one that fills a heart with gratitude.

When a donor is able to support their community, the same community that has supported them and their families throughout the years – gratitude. When a donor sees their monetary gift reinvested in the community, helping those in need, supporting area nonprofits and in some cases memorializing their loved ones – gratitude.

RACF extends our sincerest gratitude to donors, the community, our nonprofit partners and

our board members throughout this past year. We are incredibly grateful for the generous gifts made, enriching the community. We invite you to make a donation to the Rochelle Area Community Foundation in honor of something or someone you're proud of this

If you would like to learn more about making a donation or establishing an endowment fund through the RACF, please call me at 815-561-3600 or send an email to director@rochellefoundation.

Emily Anaya is the executive director of the Rochelle Area Community Foundation.

VOICE ON

The day after Halloween

Brad

Emily Anaya

HE day after Halloween was a dark day. A dark day

Nov. 1 meant it was over. The horror movies you enjoyed, the costume you worked to make just right, the carnivals held at local schools and of course the great trick or treating.

The annual trek around the neighborhood carrying your plastic pumpkin or bag or even pillowcase was something we looked forward to for ages. My neighborhood was packed with kids, and that meant all the houses were well stocked with candy for all of us greedy goblins. The day after was the day you

finished off all of the "good candy" you got the night before. I wish I could say it took weeks, but honestly it did not.

Of course, we didn't have the incredible candy choices kids do these days. Bite size Snickers or Baby Ruth bars were not around all those decades ago, so we had to live with what we got. And let me tell you, it wasn't pretty.

The good: Smarties, Bit-O-Honey, red licorice, butterscotch candies and, well, that was pretty much it.

Our bags and pumpkins would be mostly filled with those candies that were wrapped in either orange or black wax paper. Or worse yet homemade candies. Yes, they were terrible.

But worst included popcorn balls, candied apples and pennies (man, I hated when someone dropped a single penny in my plastic pumpkin!)

The worst of the worst, of course, was the one or two overly-religious moms in the neighborhood who would drop a Bible verse on a piece of paper in your container. No kid craving sweet treats wants a reminder that he or she is going to hell when this is all over.

Look, it was bad enough that my parents dragged me to church every Sunday. I didn't dress up as Frankenstein's monster to have the mom of a kid on my little league team remind

me that I am a horrible sinner.

In those days, trick or treat was held on Halloween, so that could fall on any day of the week. There were also no set hours. Start when it gets dark and stop when all of the porch lights are off, or when the older kids start hassling

Jennings Then it was back home to check your stash like a mob accountant counting the money.

Good candy to one side, bad candy to the other. If I am being honest, I shoved most of the good candy into my face that very night in my bedroom – my mom none the wiser.

The next day you pick through the remains like a buzzard on a carcass, taking a few leftover choice pieces to school so you could gloat about your haul on the playground. Well, the ones that my older brothers didn't take from me. Too old to go door to door begging for candy, but not too old to grab some of the sweet stuff from their little brother.

The rest? The fresh stuff got tossed, or dad ate it. The remaining crappy candy was put back into the plastic pumpkin, shoved in the dark corners of my small closet next to an old stinky cast and a forgotten birthday sweater and left to sit until next year.

And if kids today are like we were back them, the countdown to Christmas would be on. What is better than mountain of candy? Presents, of course. Yes, we were greedy ... we were kids.

Brad Jennings is the editor of the Ogle County Life.

THE STREET Question:

With the time change set to move clocks back an hour on Nov. 7, do you prefer the time structure after we "fall back" or when we "spring forward" more?

STEDER: New tattoo parlor opening soon in Rochelle

From page 1

"This is my way of doing something for him," Steder said. "I want to be more involved and be in my father's footsteps and pick up where he left off years ago before he got sick. I think it'd be really neat, even though he doesn't get to see it. For me, that's my closure. Doing something that he would be proud of."

Steder got into tattoos when he was 17. His nephew's father was a tattoo artist. That was about 20 years ago. Steder said he's always been artistic and interested in art. He used to doodle on his school work. He got his first tattoo at 18.

Steder started doing tattoos around 2004 or 2005. Hestillhad a full-time job to support his family. In 2009, he did his apprenticeship at Crybaby's in Chicago Heights. He'd drive into the city on the weekends and worked full-time back home during the week. He later took a break for a few

"My friend Zack Martin owns Raven Tattoo in Dixon and gave me a call in 2018 and asked if I wanted to get back in," Steder said. "I said I'd love to. That brought me back into the world."

Steder and his wife are expecting a newborn in February and that played into his decision to open

Mat Steder started doing tattoos around 2004 or 2005. He still had a full-time job to support his family. In 2009, he did his apprenticeship at Crybaby's in Chicago Heights. Steder will be opening a new tattoo parlor in Rochelle around Jan. 1, 2022.

a shop in his hometown where he lives. He feels it's a "win-win" for he and his Rochelle clients, who won't have to commute anymore either

"The majority of them are from Rochelle, Dixon and the surrounding area," Steder said. "I feel like it'll just be nice to have my own place in my hometown I was born and raised in. I just feel at home here."

Steder Tattoo will be an appointment-only business. The COVID-19 pandemic has phased out a lot of the walk-in aspect of the tattoo industry.

Steder will be taking the next two months to set up. Right now, his shop is just tape. He has the layout visualized and locations are marked for furniture. Everything will be custom made with a "modern industrial" look with pipework shelves and burnt pine wood paneling. He'll have a merchandise wall.

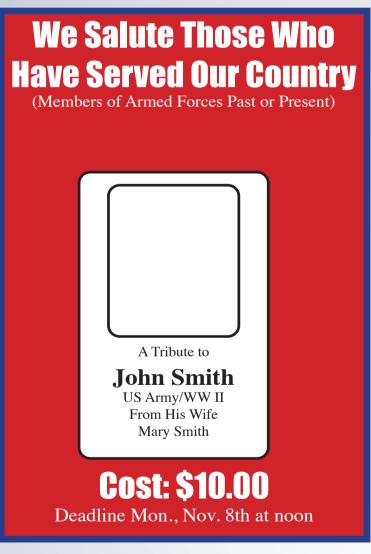

Since he's never opened a business of his own before, Steder said that right now, he's just being patient and "riding the wave."

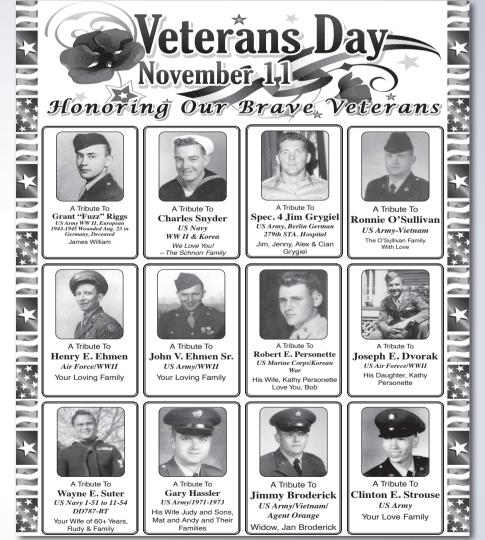

He expressed surprise at how the tattoo industry and market have changed over the years. In his career, he's done tattoos for police chiefs and nurses. He's excited to do more.

"Times have really changed," Steder said. "10 years ago, you were weird if you had tattoos. Now you're almost weird if you don't."

Rochelle City Clerk Sue Messer (left) and City Manager Jeff Fiegenschuh (right) speak during the Citizens Academy graduation ceremony Thursday evening. The goal of the program is to provide a better understanding of how the city operates and the services it provides.

CITY: Citizens Academy graduation held Thursday evening

From page 1

She said the goal of the program was to provide a better understanding of how the city operates and the services it provides.

"We wanted to develop relationships with a diverse group of community members,"Messersaid. "Most of us didn't know any of you, nor did you know each other or live in the same part of town. It was exactly what we wanted."

Messer said she hopes the group can become ambassadors and spread the word about what the city does on a daily basis. She wants others to be open to listening and said Citizens Academy participants can share insight with other members of the community.

Staff members worked to make their individual sessions interesting for Cithow to make them better in the future.

"It's given us a lot to think about," Messer said. "You were a great, interactive, fun group that made this comfortable for everyone. The fire department was voted best session. They have the most toys. They did the jaws of life. Every department got at least two votes. I want to thank you all for making this inaugural year such a success."

City Manager Jeff Fiegenschuh said he's been part of similar programs in the past with other cities, but they weren't as successful as Citizens Academy due to not seeing as much participation.

"I'm glad we did this and I want to thank you all for taking part in it," Fiegenschuh said. "The government that's going to affect you most in life is local government."

Hubs dominate Grizzlies

Rochelle opens IHSA 5A Playoffs with 36-3 victory over Chicago (Payton)

ROCHELLE — Rochelle and Chicago (Payton) battled in the postseason seven years ago, with the Hubs dominating the first-round matchup against the Grizzlies 60-16. The two teams reunited Friday evening for the opening round of the IHSA 5A Playoffs, but it was more of the same from the Hubs, who rumbled for over 450 total yards in a 36-3 win over the Grizzlies.

The No. 5 seed in the north bracket of the Class 5A bracket, Rochelle will advance to face either No. 4 seed Sterling or No. 13 seed Chicago (St. Patrick) next weekend. The Hubs (8-2, 5-1 Interstate 8/Kishwaukee River Blue Division) have now won seven consecutive games.

"I thought we really controlled the line of scrimmage tonight," head coach Kyle Kissack said. "We were really able to move the point of attack down the field and I think our kids are playing with an edge. We need to continue finding that edge and living that now because it's been beneficial for us this season. I think that edge

comes from our kids being a group of 20-something players who basically play almost every snap. There's a sense of pride with that."

Rochelle scored on all three offensive possessions during the first half. The Hubs took the early lead in the first quarter, with junior Garrett Gensler taking the right-side toss and running in the 7-yard touchdown before junior Cody Stover-Cullum plowed up the middle for the 2-point conversion. Payton moved the ball on its first drive of the game, but an untimely fumble in Rochelle territory led to a recovery from Hub senior Marco Castro and a Grizzlies turnover.

"We weren't anticipating them throwing the ball much tonight because of the wind and I thought our kids did a good job of making that adjustment early in the game," Kissack said. "They were getting stop after stop and we doubled their time of possession. We played really well tonight on defense and we were able to execute our defense from a few different looks."

Hubs shooting to bounce back after winless season

Ohlinger, Williams earn Most Valuable, Most Improved Player honors

ROCHELLI

ROCHELLE — The Rochelle Hub varsity golf team saw its share of struggles this season. Without four-time state qualifier Megan Thiravong to lead the way, Rochelle was unable to score low enough to compete with its Interstate 8 Conference opponents. But with only one senior departing this season, head coach Glen Mehrings said he's optimistic for next season.

"Losing our top two seniors from last season and a few players who didn't come out this season, our numbers were down," Mehrings said. "It was tough to only have seven players, but it was a great group of kids to work with and we played a lot of competitive rounds in practice to keep the kids engaged because they don't play a lot of offseason tournaments... It's tough to get going at the start of the season when the kids aren't dedicating a lot of

time to golf."

The Hubs went winless for the second time in four seasons, finishing 0-13 overall and taking eighth place in the Interstate

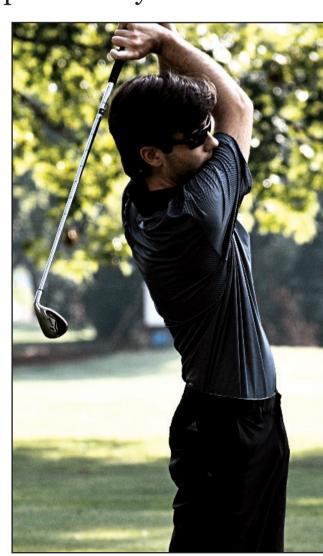

8 Conference. Rochelle placed eighth in the IHSA 2A Sandwich Regional behind junior Griffin Ohlinger, who became a onetime sectional qualifier and a two-time Interstate 8 All-Conference Honorable Mention this season. Ohlinger was named the team's Most Valuable Player and senior Rowan Williams was the Most Improved Player.

'Griffin was our low man in every match we had," Mehrings said. "Griffin welcomed playing out of our No. 1 spot and he didn't shy away from competing against the best players on the opposing team. Griffin scored really well for us and he led our team in birdies... Rowan stuck it out over the last four years and we talked at our banquet about how much his swing improved. His interest never waned and he never quit on himself. He always had a good at-

Williams will be the only senior leaving the team this season. Rochelle will have three juniors including Ohlinger, Damen Harrington and Wade Smith who are eligible to return next season. Sophomore

men Breydan Andrews and Jacob Ost could also return. "It's like shooting free

throws in the driveway as

opposed to playing in the

fourth quarter," Mehrings said. "Our kids can get better playing on their own, but playing in offseason tournaments will help them compete and overcome the nervous energy they experience during the season. I think our kids know they need to dedicate more time to golf and put in more work next summer. We don't want any of our kids to end their high school careers on a sour note."

Seniors Devansh Patel (left), Sergio Guevara (middle) and junior Evin Odle (right) are three upperclassmen who are returning to the Rochelle Hub varsity bowling team this season. Rochelle will look to build on a 3-6 season last year and the Hubs will open the new season against Oregon on Nov. 8.

Hubs ready to roll after three-win season

Guevara, Patel headline returning varsity bowlers this winter

BY RUSSELL HODGES

ROCHELLE — The Rochelle Hub varsity bowling team held its first practice of the 2021-22 season Monday afternoon. With several upperclassmen returning to the team, head coach Jim Lyles said the team will look to improve upon its third-place

finish in the Interstate 8 Conference and the 3-6 overall record the Hubs accumulated in match play last season.

"I'm pretty excited about this season," Lyles said. "We have six kids who have been out for the last few years and I'm happy to see them back out here. A lot of our boys practiced over the summer

and they're throwing the ball pretty well. I'm looking forward to this season."

All three wins from last season were from conference matches, with Rochelle sweeping Kaneland and splitting the home-and-home series with Ottawa. Seniors Sergio Guevara and Devansh Patel are the most experienced varsity players returning this season. Junior left-hander Evin Odle also returns after earning a starting role on varsity last season.

"I'm looking for leadership from our returning guys," Lyles said. "They've already been helping our new kids who aren't as strong of bowlers and I'm looking forward to seeing more of that."

The Hubs will have on Monday, Nov. 8. three varsity spots to fill after losing four seniors from last season including All-Conference honoree Keith Holland. Seniors Luke Orlikowski and Max Orlikowski are two players

who bowled on the JV team

last season that could move

up to the varsity level this

season. Rochelle will open

"We want to win a few more matches," Lyles said. "We didn't win any matches in my first year, but we won three matches last year and I think the kids are more excited now because they know they can perform well. We're hoping to get a few kids out of the regional tournament too."

HOLLYWOOD — The search for a new James Bond begins in 2022, says producer **Barbara Broccoli**, who admitted, "We want **Daniel Craig** to have his time of celebration after his fifth and final James Bond film, 'No Time to Die'" (which opened Oct. 8). Craig didn't wait around to bask in the spotlight, however; he's moved on.

His character detective Benoit Blanc has been retained for "Knives Out 2," with a supporting cast that includes Edward Norton, Dave Bautista, Katherine Hahn, Leslie Odom Jr. and Kate Hudson. The stand-alone sequel was to be from Lionsgate, but Netflix made a \$469 million deal at auction in March, outbidding Amazon and Apple, and promising them two sequels. Daniel Craig needn't have worried, though, his \$1 million salary was guaranteed.

Get ready for the musical biopic "I Want to Dance With Somebody," about Whitney Houston. Naomi Ackie (Jannah in "Star Wars: The Rise of Skywalker"), essays Houston, with Stanley Tucci tapped to play record mogul Clive Davis. Tucci won an Emmy for his CNN show "Searching for Italy" (renewed for season 2). He currently has "Jolt" with Kate Beckinsale, Bobby Cannavale and Laverne Cox; "Citadel" with Priyanka Chopra and Richard Madden streaming on Amazon Prime; and "Worth," co-starring Michael Keaton and Amy Ryan, available on Netflix. He's currently shooting "The King's Man" with Matthew Goode, Ralph Fiennes and Gemma Atherton, due Dec. 22 in theaters. Tucci is wed to Felicity Blunt, sister of Emily Blunt. ***

comeback in prime time during the confining days of the pandemic, but "Who Wants to Be a Millionaire," which debuted 21 years ago, hasn't been renewed for another season -yet. Modern versions of classic game shows "The \$100,000 Pyramid," "To Tell the Truth" and "Match Game" provided

visual comfort food for nostalgia lovers as well as a new generation of fans.

"Deadline" speculates that "Millionaire" could return to ABC in what is called "event programming" and not necessarily a regular fixture in prime time again like it once was when Philbin hosted.

Q: This has been driving me crazy for a while. What is the name of the football drama that lasted just one season because, allegedly, the bigwigs in the NFL disapproved of it. -- G.G.

A: You're thinking of "Playmakers," an ESPN original drama series that, despite high ratings, was given the ax three months after it premiered in August 2003. It was about a fictional NFL team, but rumor has it that NFL executives didn't like how the players were depicted off the field and wanted to preserve their image. I think the show would have survived had it aired on a different network.

"It was a good team win overall and now we have to be ready to come back and work Monday."

Rochelle took advantage of the Payton mistake, with Gensler breaking off a 60-yard touchdown run off the right side on fourth down to put the Hubs ahead 14-0 late in the first quarter. Rochelle added one more score before the half, with Gensler recording the third of his four rushing touchdowns on a 5-yard run late in the second quarter. Senior quarterback Josh Lloyd then connected with senior tight end Ethan Wells for the 2-point conversion, making it 22-0.

"We're outnumbering

of the attack," Kissack said. "We can run our toss with Garrett, but we can also run Trey [Taft] toward the

opposite side and Cody [Stover-Cullum] up the middle out of the same formation. We've had a lot of success on toss, but it's not as much about toss as it is about Trey and Cody being as effective as they are. There was a time this season where we hardly ran toss because Trey and Cody were running so well."

The Hubs stopped Payton on its opening drive of the third quarter, using great field position after a short punt to string together another scoring series capped off by a 9-yard touchdown from Gensler, who finished

our opponents at the point with 176 rushing yards in the win. The Grizzlies struggled to find rhythm in the passing game due to the strong winds, with quarterback Jacob Parsons completing only 9-of-27 passes for 120 yards. Rochelle led Payton 28-0 after three quarters.

The Hubs iced their first postseason win since 2017 with a 1-yard touchdown run from Stover-Cullum, who ended the night with 110 rushing yards, early in the fourth quarter. Payton avoided the shutout on its second-to-last possession, with sophomore kicker Isa Katz, one of the team's two female players, booting a 27-yard field goal to get the Grizzlies on the scoreboard.

Seniors Megan Thompson (left), Josie Lundquist (middle) and Ashley Knight (right) are three of the seven seniors who competed on the Rochelle Lady Hub varsity tennis team this year. Rochelle finished 7-8 overall this season and increased its win total from the previous season for the fifth year in a row.

Lady Hubs enjoy successful seven-win season

Fourteen seniors departing from program including seven varsity starters

ROCHELLE — The Rochelle Lady Hub varsity tennis team had more seniors this season than during any other season throughout Lizzie Cartwright's tenure as head coach. That experience translated into seven victories this fall, but with over a dozen seniors set to depart from the roster, next season could be a rebuilding year for Cartwright and the Lady Hubs.

Rochelle finished with a 7-8 overall record this season, scoring six nonconference wins and one Interstate 8 Conference victory against Kaneland. It was the fifth consecutive season the Lady Hubs had increased their win total from the previous season. Rochelle will look to build on a sixth-place finish in the conference and a fifthplace finish in the IHSA 1A Rochelle Sectional.

"I was pleased with how competitive our girls were," Cartwright said. "They exceeded our expectations and they were determined to compete at the highest level this season."

Fourteen seniors will depart from the Lady Hubroster including seven seniors who finished the season as varsity starters. Three-year varsity player Emma Hicks and newcomer Madison Ost anchored Rochelle in singles play, while twotime state qualifiers Jordin Dickey and MeLisa Young led the Lady Hubs on the doubles courts. Josie Lundquist, Megan Thompson and Ashley Knight will also depart from the program as multi-year varsity starters in doubles.

"I'm going to miss all of our seniors," Cartwright said. "We shared a lot of stories and inside jokes over the years and I'm going to miss all of the laughter. I thought the girls improved their overall technique and their mental toughness. They were able to have fun and relax while playing, but they also knew when to be competitive and they learned a lot about the

Junior Abby Tarvestad will be the only Lady Hub player who earned varsity experience this season that will be eligible to return next season. However, Rochelle will have several junior varsity and freshsoph players eligible to come back next season including sophomore Elin Zheng, who finished first in singles at the Princeton Fresh-Soph Tournament this season.

"I think all of our varsity

spots will be open for any girls who're willing to put in the effort," Cartwright said. "Elin has stood out to us coaches with her consistency and I think she's someone we can look forward to watching next season. We want the girls to keep working and want to keep growing the program and enjoy our success when we have it. I think we'll be rebuilding next year but we know that everything comes in waves so I'm excited for that."
