New vaccine requirement for employers with 100-plus workers

BY JEFF HELFRICH

MANAGING EDITOR

ROCHELLE — A COVID-19 vaccine mandate made by President Joe Biden on Sept. 9 stands to impact the City of Rochelle.

The mandate calls for all employers with more than 100 workers to require them to be vaccinated or test for the virus weekly, affecting about 80 million Americans. The move was made due to rising COVID-19 cases and stagnating vaccination rates.

Rochelle City Manager Jeff Fiegenschuh said the city has over 100 employees and from what he's read, the requirement would affect it.

"We're assessing the order and monitoring it through the department of labor," Fiegenschuh said. "We want to see what regulations or rules come out from the department of labor on how they think it's supposed to be implemented."

Fiegenschuh said he thinks there will be court cases challenging the order, which could delay or change its outcome.

Rochelle City Manager Jeff Fiegenschuh said the city has over 100 employees and from what he's read, the requirement would affect it.

"We've seen how masking can be a very complex and controversial issue," Fiegenschuh said. "This is different and beyond that. Because you're actually requiring people to put something in their body that they might have objections to. I think we need to take a slow approach to it."

The city manager said he's already had discussions with Rochelle's legal team and their input was to wait and see what rules come from the department of labor.

"So we're still waiting to see what comes from there," Fiegenschuh said. "But it's kept me up at night. Because this is an issue where you can be perceived as a bad guy." Fiegenschuh said the city hasn't heard "anything overt" from staff about Biden's vaccination requirement.

LOCAL NEWS **RTHS student's work will adorn the U.S. Capitol**

OTTAWA-Congressman Adam Kinzinger (R-IL) announced the winner of the 2021 Congressional Art Competition for the 16th District of Illinois. This year, due to the COVID-19 pandemic and many schools operating on a hybrid model of both in-person and virtual learning, students were able to submit their art entries digitally as well as in person at the Congressman's Ottawa District Office.

This year, the Office of Congressman Kinzinger received more than 20 entries for the art competition.

After personally calling to share the news with the winning student, Congressman Kinzinger released the following statement to announce the names of IL-16's winner and honorable mentions:

"I'm pleased to announce this year's Congressional Art Competition winner for Illinois' 16th Congressional District: Leslie Rodriguez-Nambo of Rochelle Township High School. Her artwork titled 'Sassy' was created with colored pencils, and showcases Leslie's exemplary skills and attention to detail." As the winning piece, "Sassy" will be displayed in the United States Capitol for one full year. Additionally, our three honorable mentions winners will have their artwork displayed in my district offices in Ottawa, Rockford and Watseka.

One of those honorable mentions is RTHS senior Marlen Hueramo. You may remember that Marlen won the Congressional Art Award last year with her piece El Loro, which was on display in Washington D.C. during 2020. As an honorable mention this time, her work, Hacienda Tamales, will be on display in Congressman Kinzinger's Rockford office.

"On behalf of the 16th District, I'm proud to congratulate Leslie and our three honorable mentions - we are lucky to have their impressive artwork adorn our walls,"Kinzinger said. "A special thank you to all the teachers (and parents) who have adapted during these challenging times of the coronavirus pandemic, and continued to encourage their students to participate in this year's competition. We have such talent in our communities, and I'm grateful to each student who shared their artistic gift with us."

NIU STEAM receives \$20,000 grant from Facebook

DEKALB – NIU STEAM, in Northern Illinois University's Division of Outreach, Engagement and Regional Development, received a grant for \$20,000 from Facebook to support STEM Fest – an annual festival celebrating advances in science, technology, engineering and math.

As the lead sponsor of this free family event, Facebook is helping to provide fun, hands-on learning activities that spark curiosity for STEM fields in people of all ages

"We're thrilled to partner with Facebook to bring STEM Fest back in person this year," Kristin Brynteson, director of NIU STEAM, said. "We share a commitment to making STEM education accessible to all people in DeKalb and the northern

in DeKalb.

NIU's STEM Fest started more than a decade ago, and the event has now become a DeKalb tradition that welcomes visitors of all ages to hear expert speakers, view spectacular science demo shows and engage in hundreds of different hands-on learning activities. The STEM Fest team is pleased to bring the event back in person for 2021 - now at a new location in the center of NIU's DeKalb campus.

STEM Fest will take place Saturday, Oct. 23, from 10 a.m. to 4 p.m. in the NIU Holmes Student Center, Founders Memorial Library, MLK Commons and other nearby buildings. Highlights will include workshops in the STEAM classroom in Swen Parson Hall, big stage productions in the Holmes Student Center auditorium and an exploration of entrepreneurship and innovation in the Founders Memo-

CITY: Federal vaccine mandate to impact Rochelle

From page 1

In some conversations with staff at city hall, there have been concerns, he said.

Any type of federal or state government mandate concerns Fiegenschuh, he said. He said he has a hard

time wrapping his head around the government telling other people what to do with their bodies and then expecting employers like the city to enforce it.

"I'm vaccinated, I have no problem with it," Fiegenschuh said. "But there are people who do have a problem with forced vaccinations. And it troubles me that the federal government wants employers like the city to make them do that. That bothers me. At this point I don't see a reason to be worried. I think we take a wait and see approach."

Ogle County Sheriff's Department

Two men arrested for DUI

OREGON — On Sept. 17 at approximately 10:11 p.m. deputies conducted a traffic stop in the 5,000 block of West Illinois Route 72. After investigation, deputies arrested Douglas Vargas, 28, of Tampa, Florida for driving while license suspended. Barrett was also issued citations for speeding 21-25 m.p.h. over the speed limit. Vargas received an I-Bond with a return court date later next month.

On Sept. 18 at approximately 9:57 p.m. deputies performed a traffic stop at the intersection of Illinois Route 251 and Oak Avenue after responding to a suspicious vehicle call. After investigation, deputies placed Roman Saldana-Sotelo, 50, of Belvidere, under arrest for driving under the influence of alcohol. Saldana-Sotelo was additionally issued citations for failure to yield at a stop sign and failure to stop at an intersection. Saldana-Sotelo was transported to the Ogle County Jail where he was held in lieu of bond.

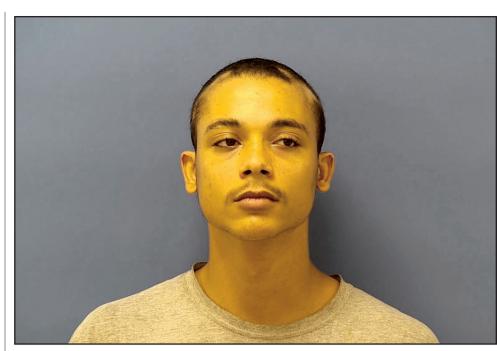

On Sept. 18 at approximately 3:40 p.m. deputies were advised of a possible reckless driver on Illinois Route 2 North of Grand Detour. At about 3:50 p.m. deputies located the offending vehicle in Oregon and conducted a traffic stop. After a short investigation, deputies arrested Samantha A. Bright, 45, of Rock Falls for driving while license suspended and attempted obstruction of justice. Bright also received citations for no insurance and improper lane

use. Bright was transported to the Ogle County Jail and held in lieu of bond.

On Sept. 18 at approximately 9:18 p.m. deputies performed a traffic stop near the intersection of Blackhawk Road and Illinois Route 64. After investigation, deputies placed Adam Swanson, 50, of Byron under arrest for driving under the influence of alcohol. Swanson was additionally issued citations for improper lane usage and illegal transportation of alcohol. Swanson was transported to the Ogle County Jail where he was held in lieu of bond.

On Sept. 18 at 5:01 a.m. deputies were dispatched to 8163 South Grist Mill Rd. in reference to a single-vehicle accident. After an investigation, deputies learned Cherly Chojnacki, 50, of Mt. Morris, failed to negotiate a curve and drove her 2004 Honda into the westbound ditch and struck a tree head-on. Chojnacki was transported to Rochelle Community Hospital for minor injuries she suffered due to the crash. Deputies were assisted on scene by Rochelle Fire, Flagg Center Fire and Oregon Fire.

Dixon man charged with reckless homicide

DIXON — A Dixon man was charged with two counts of reckless homicide Friday stemming from an April crash that left two dead, a Lee County Sheriff's Office press release said.

On Saturday April 10, at approximately 4:15 p.m. the Lee County Sheriff's Office received a call of a single vehicle that struck a tree off Robbins Road south of Amboy Road.

Deputies, Amboy Fire/ EMS, Sublette Fire/EMS and Advance Ambulance responded to the scene.

Four occupants were identified in the collision. Two occupants were transported to KSB Hospital and later transferred for further treatment. The other two occupants of the vehicle died of their injuries at the scene.

The Lee County Sheriff's Office, Illinois State Police and the Lee County Coroner's Office have completed the investigation.

The driver of the vehicle, Draven Z. Webb, 20, of Dixon, faces a potential prison term of 2-5 years for each charge if found guilty. Reckless homicide is a class 3 felony. Webb is currently being held at the Lee County Jail with bond set at \$100,000 (10 percent).

Rochelle Police Department celebrates Coloring Contests winners

On Wednesday night, members of the Rochelle Police Department celebrated with the winners of its coloring contest from its National Night Out event with a pizza party. The department thanked everyone who participated and joined Wednesday's party.

Chuck Roberts of Rochelle participated in the 127th Big Rock Plowing Match last weekend.

Roberts participates in **Big Rock Plowing March**

BIG ROCK — Chuck Roberts of Rochelle participated in the 127th Big Rock Plowing Match last weekend and took fifth place out of 12 in the antique rubber tire tractor division.

He used a 1936 Farmall F-12 tractor pulling a John Deere two bottom plow. The maximum number of points allotted to a participant are as follows: back furrow 25 points, uniformity of furrows 25 points, line of furrows 25 points, trash coverage 15 points and general neatness 10

points.

Chuck's score was 84.5. The plowing match rules require a one or two bottom plow, seven rounds of plowing on a particular assigned area, no usage of electronic aids such as GPS systems during plowing and tractors 1939 or older.

This tractor has F-14 pistons installed and a lower gear ratio but could barely pull the plow through very tough dry ground. All participants had a good time after a two-year hiatus.

Flagg Township Museum hosting cemetary walk

ROCHELLE – The Flagg Township Museum will host a cemetery walk on Thursday, Sept. 30 at 7 p.m. both virtually and at the museum.

Sally Sawicki has compiled many stories of Rochelle residents who are no longer with us and will be presenting a PowerPoint program in the museum. Visitors are welcome to attend at the museum or from home via Zoom.

Join by Zoom using this link and meeting ID and passcode:

https://us02web.zoom. us/j/85052173829?pwd=MUFjYzVkZVh1bnozbGw2eTRPKzRx-Zz09

Meeting ID: 850 5217 3829; Passcode: 865026

Included in the cemetery "walk" are people you may or may not remember, people like Charnock, Macginnis, McHenry, Musselman and many more. Some contributed much to the history of Rochelle, others were here only a short time. The "walk" is an opportunity to remind everyone that

all were important to their families and were influential in one way or another to our community.

Watch for more information about these upcoming museum events: a hobo event at the Ken Wise Rochelle Railroad Park in October and in November a special event focusing on the 100th anniversary of the Tomb of the Unknown Soldier.

Contact the museum to find out more about how you can participate in the Decorate the Museum event on Saturday,

Nov. 27. Individuals and groups are encouraged to sign up to decorate a tree for the holidays.

The decorated trees will be on display throughout the museum until the end of the year, so start thinking of an idea and gathering your supplies to be a part of this display. And don't forget Santa at the Museum, Friday, Dec. 3 from 4-6 p.m.

The mission of the Flagg Township Historical Society and Museum is to stimulate interest in Flagg Township his-

tory through education, research, collection and preservation of information for the benefit of the public of today and in the future.

The Civil War cannon

Civil War veteran stated, "The farther L get from that war, the more terrible it seems. I tremble sometimes when I think of the hardships and dangers we went through. We are keeping up the organization, but realize we cannot do

so long, so we have left as a monument one of the cannons, the like of which was used with such deadly effect in the struggle we went through."

In 1898. the few remaining members of **McDermott** the Rochelle Post 546 G.A.R.(Grand Army of the Republic) donated a cannon to Flagg Township. Their only request was that we remember the sacrifice that was made to protect the country. The cannon sits today in the yard of the Flagg-Rochelle Museum on 4th Avenue in Rochelle.

The cannon is an eight-inch smooth bore Columbiad, No. 25, cast in 1863 at Fort Pitt, Pennsylvania. At 8,445 pounds and 10 feet and four inches in length, the cannon creates an imposing presence.

It was Nov. 1898 that the cannon and 20 cannon balls arrived in Rochelle. Horse teams were utilized to move the cannon from the Chicago & North Western Railroad to the Township and City Hall building at 518 4th Ave.

The cannon was mounted on a stone foundation designed to resemble a wooden cannon carriage. A local tombstone cutter engraved G.A.R. on one side and 1861-1865 on the other. The cost of the cannon was \$113.99. That included freight, lumber, stone, and labor.

It could not include the sacrifice of those who fought in our nation's deadliest war. One would think that the cannon would be fairly secure, but there have been times when the fate of the cannon was pretty dicey.

drive. The 20 cannon balls were donated and even the Civil War cannon was on its way to the scrap yard.

Fortunately, Flagg Township intervened. The cannon was not solely the property of the City of Rochelle, it had been donated to both the city

> and the township. The township refused to allow the cannon to be destroyed.

The cannon saw its last combat in 1952. It was a quiet Saturday night. The city jail was located in the city hall. Officers Floyd Daub

and Kenneth O'Brien were delivering a prisoner (Marvin) to the jail when he broke free and fled.

Tom

Marvin had a lead on the officers and though still handcuffed must have thought that freedom was on the horizon. As fate would have it, an 8,445-pound cannon sat in the dark. When the officers collected the unconscious prisoner, the cannon stood silent vigil.

The Last of our Civil War veterans has long since passed. It is up to us if the memory of their sacrifice passes with them. So often we say we will never forget, then we let go of the past. In the dedication speech, the G.A.R. had one request.

"We are here to present it to the people of this township for them to keep, and defend, if need be. We want them to look after it, and when, perhaps, in the distant future, when the last veteran has gone to his long reward, some boy shall pass the relic and ask its meaning, he will be told that it is a relic of that terrible struggle when 600,000 brave men laid down their lives in defense of their country and its principles. I am here today in behalf of the Post to present it to the township, and we have no doubt it will be well taken care of."

success.

S I begin this article, we here at the city are just following up on our recent hiring event held Thursday, Sept. 16 at Rochelle Township High School.

First, I want to thank Superintendent Jason Harper, his board of education and RTHS staff for allowing us to utilize the blue gym at the high school for this event. This event was a first of its kind here in Rochelle and had a very strong, successful turnout.

We preliminarily have not received the total number of actual hires, but believe it will be a very good number. The number of attendees we feel was in the neighborhood of 200+, and there were 40+ businesses with jobs to offer. The offerings were a very wide variety, from commercial, industrial, small businesses, health care and other service-related positions.

The fire department brought us a bell to ring every time a job was filled, which created some much-welcomed excitement, especially coming out of the pandemic. The energy within the gym was great to see and experience.

I also would thank Dr. Laurie Borowicz of Kishwaukee College and all of her staff for all the assistance given to coordinate this event. The city staff did an amazing job as well

success include Hor-

City Manager Jeff Fiegenschuh for allowing city staff to work on this event "full steam ahead".

One of the best results of the event is knowing that we were able, as a collaborated effort, to change the lives of not only those that acquired a new job, but to be able to assist our local businesses with connecting with those that want jobs.

I look forward to having another event soon, perhaps March 2022. Relative to other updates, the former Hickory Grove facility, that is scheduled to be razed this winter, is slowly getting closer to fruition.

The partial state of Illinois funding for this project has been committed to, however there are some other issues relative to easements, utilities and other things that need to be addressed. My hope is the actual process could hopefully start by mid-November.

The Prairie State issue as it

relates to legislation, has been determined as of now. The plan is to have all publicly-owned coal fired plants at 45 percent reduction in emissions by 2035, and if not, they would have until 2038 to comply. If that goal is not reached. that would require shut

down as of 2038. The ultimate date to be completely 100 percent clean energy is 2045.

I will try to keep everyone updated as we move forward, however in the past few weeks legislation has been extremely fast-moving.

As fall has arrived, enjoy the fall colors, appreciate all that we have and stay safe. Until the next column, once again I say thank you for affording me the opportunity to serve as your mayor.

Letter to the Editor

Support for the spending bill

Dear Editor,

Congress is working on a spending bill that currently proposes including dental care, glasses and hearing aids for

Medicare patients. It is also contains monthly payments of between \$250-300 for children under age 18 to parents for their food and clothing.

Also included would be moving the tax rate for those earning over \$425,000 from 37 percent to 39.6 percent, which it had been before 2017. Anyone earning over \$5 million a year would pay an additional 3 percent. In addition, there would be increased funding for IRS for computer upgrades and ad-

ditional audits for the top 1 percent of earners. The top 1 percent avoids paying income taxes by hiding money in investments or pass through businesses which would bring in \$600 billion a

year to the U.S. Treasury. Roth IRAs would be capped. Currently Peter Thiel, cofounder of PayPal, put options on various newly-founded companies into a Roth IRA that is presently worth over \$5 billion (Yes, BIL-LION). None of it taxable under current law.

Likely the cap would be \$5-10 million — still a lot of money.

The \$3.5 trillion spending bill is for over the next decade. During the same time, at current spending rate, the U.S. will spend \$11 trillion on military and the Pentagon. It's time to spend more wisely and tax the super wealthy.

COMMUNITY **Kishwaukee College celebrating** National Hispanic Heritage Month

MALTA — Kishwaukee College will celebrate National Hispanic Heritage Month with multiple events hosted by the college's Intercultural Center in September and October. National Hispanic Heritage Month is celebrated nationally from Sept. 15 to Oct. 15 to recognize the contributions of Hispanic and Latino Americans. The events at Kish are free and open to the public.

Starting with the grand opening of Kish's Intercultural Center, Kishwaukee College's programming will provide opportunities for engagement both in-person and virtually.

Wednesday, Sept. 15

will be the Intercultural Center Grand Opening. National Hispanic Heritage Month will kick off with the opening of Kish's new Intercultural Center from 11 a.m. to 1 p.m. in the Kish Cafeteria and virtually via Zoom. The event will feature a live performance by Priscilla's Samba group.

Tuesday, Sept. 21 will be ¡Sabor Con Chef Rudy! Chef Rudy will provide Latino-inspired recipes virtually through YouTube. Viewers can watch and create the dish from the comfort of their homes.

Tuesday, Sept. 28 will be Dialogue Series: Defining LatinX. This discussion will explore the term "LatinX" and its inclusivity use. The session will take place from noon to 1 p.m in C1121 and virtually via Zoom.

Wednesday, Oct. 6 will be Game Day with Millennial Loteria. A new spin on the classic game, Loteria. The game will take place from 11 a.m. to 1 p.m. in the Intercultural Center, C1132

Tuesday, Oct. 12 will be Dialogue Series: Diversity of Latin America. This discussion will explore the diversity of Latino people, culture and traditions. The conversation will take place from noon to 1 p.m.

in C1121 and virtually via Zoom.

Tuesday, Oct. 19 will be Hispanic Heritage Day: Women's and Men's Soccer. Cheer on the Kougars during a soccer double-header to close out National Hispanic Heritage Month. The women's soccer team will play the College of DuPage at 2:30 p.m., while the men's team takes on Morton College at 5 p.m. Catch the action on the soccer field.

Find the Zoom links for each event at www.kish. edu/diversity. For more information on the Hispanic Heritage Month events at Kish, email interculturalcenter@kish.edu.

OTTAWA — The Human Services Transportation Plan (HSTP) Region 3 Transportation Committee (Bureau, DeKalb, Grundy, Kendall, LaSalle, Lee, Ogle, and Putnam Counties) will be held on Friday, Sept. 24 at 10 a.m.

This meeting will be held at the DeKalb Public Library, 309 Oak Street in DeKalb. Social distancing and masks will be required. Individuals with an interest in public

transportation are strongly encouraged to attend, especially human service organizations serving individuals who use public transportation.

If anyone is interested in attending remotely, please check this website for login information: www.ncicg.org.

The Regional Transportation Committee is responsible for the development and implementation of the Human

Services Transportation Plan (HSTP). HSTP identifies transportation needs and develops solutions to improve transportation services for the general public. An emphasis is placed on seniors, people with disabilities, individuals with lower incomes, and veterans.

The Illinois Department of Transportation has formed an agreement with North Central Illinois Council of Governments (NCICG) for the purposes of preparing, implementing and updating the plan for Region 1 (Boone, Carroll, Jo Daviess, Stephenson, and Winnebago Counties) and Region 3 (Bureau, DeKalb, Grundy, Kendall, LaSalle, Lee, Ogle, and Putnam Counties). For more information about NCICG, HSTP, or if special accommodations are needed, contact Shug Grosenbach at (815)433-5830.

FALL HOME RENOVATION Must-have features in your bathroom remodel

ETERAN homeowners recognize the value of remodeling their kitchens and bathrooms. Kitchens and baths tend to appear dated more quickly than other spaces, such as living rooms and bedrooms, which can always be revamped with some fresh paint and new furnishings.

The home improvement pricing resource Home Guide indicates an average bathroom remodel costs anywhere from \$5,500 to \$15,000 depending on the size and scope of the renovation. However, a bath redo can increase a home's resale value and can return as much as 68 percent of homeowners' investments. As homeowners plan their bathroom renovations, it's a good time to consider improvements that will improve function and add design appeal for years to come.

Floating vanity: Add an airy feeling to the room by creating space between the vanity and the floor. A floating vanity can be a counter with a vessel sink or even have cabinets, as long as the vanity doesn't extend to the floor.

Freestanding traditional sink or tub: There's something elegant about a freestanding tub or pedestal sink. Such features can lend a classic vibe to a space. However, freestanding fixtures also come in modern or eclectic forms, so there are options for any design style.

Frameless showers: Switch to a walk-in shower option, which improves aesthetics and makes it easier to "age in place" in a home. Pair that frameless shower with clear glass shower doors so sightline in the space remains unencumbered.

Natural textures: Create a calm and serene sanctuary in the bathroom with light, natural hues and materials. Nature-inspired colors on tiles, walls and vanities can add to the spa vibe.

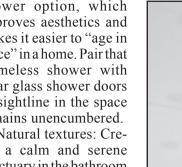

Dual sinks and vanities: With a double vanity, two people can share the space and easily use the bathroom without getting in each other's way. One vanity with two sinks works, but homeowners can create even more personal space by dividing vanities and mirrors.

Small textured tile on shower floors: Small textures are appealing and add safety. The added texture and grouting will keep feet from slipping on wet floors. Also, opt for mold-resistant grout to make cleanup even easier.

Special shower heads: Invest in shower heads that can run the gamut from creating steam showers to rainfall effects. Some showers will have multiple shower jets to offer an invigorating experience.

Improve drainage: Increase the diameter of the drain pipe in the bathroom from the standard to a two-inch drain pipe. This will reduce the risk of clogs and overflow leaks.

Install a window: Natural light and air flow can reduce the risk for mold and mildew growth, and

windows add some aesthetic appeal to a space. Just be sure to choose frosted privacy glass.

Additional considerations for a bath remodel include heated floors, well-placed and attrac-

tive storage options and a toilet enclosure (water closet) for added privacy. These and other bathroom renovation ideas can add value and improve the appeal of the room.

Craftsman home renovation ideas

RAFTSMAN homes trace their roots to the late 19th century. An architectural style inspired by the Arts and Crafts movement that flourished in Europe and North America for roughly 40 years between 1880 and 1920, the American Craftsman home has endured into the 21st century thanks to its beauty and the unique feel its homes inspire.

Many craftsman homes were built nearly a century ago if not even earlier.

That means these homes may be in need of some renovations that make them more functional in modern times without sacrificing their historic beauty.

Siding: Craftsman homes are instantly recognizable from the street. Homeowners who want to maintain that authentic craftsman feel must carefully consider their choice of material when replacing the siding on their homes. The siding manufacturer Allura notes that fiber cement

siding can be a great option for homeowners who want to replicate the original design of craftsman homes built with sported board-and-batten siding. Fiber cement siding gives the appearance of wood when installed and does not fade quickly or require significant maintenance.

Exterior color: Homeowners need not feel beholden to certain colors when replacing siding or repainting their homes? exteriors.

FALL HOME RENOVATION

Signs it's time to overhaul your kitchen

Remodeling Magazine's "Cost vs. Value Report" indicates mid-range kitchen remodels cost about \$66,000, and homeowners can expect to recover about 60 to 80 percent of that cost at resale.

Homeowners may wonder if remodeling their kitchens is worth the investment. But homeowners should not just consider cost, but also the current conditions of their kitchens when deciding if a renovation project is the right move to make. These signs indicate it may be time to renovate a kitchen.

Breakers are triggered: If the lights go dark from a tripped circuit breaker every time you try to microwave and run the toaster oven at the same time, your wiring is likely not up to the task of handling the workload and could be out of date. A kitchen remodel will assess wiring load needs and an electric overhaul may be necessary.

Lack of storage: One of the biggest hassles

homeowners encounter in their kitchens is a lack of storage space. If making a meal involves a Jenga-like stacking and rearranging of kitchen tools, or if an avalanche occurs whenever you search for an item, you might need more storage. A carefully planned redesign can achieve this, even in a smaller kitchen.

Outdated appliances: Even if your appliances are not avocado green or mustard yellow relics of the 1970s, they might still need to be replaced. According to CRD Design, appliances are only expected to last around 10 to 15 years. If appliances have become unsafe or energy hogs, it could be time for a remodel.

Family is expanding (or shrinking): Kitchens often are the heart of a home. They need to meet the needs of the family that resides in that home. A remodel can add space as needed. On the flip side, when a couple becomes empty nesters, kitchens can be redesigned and downsized to reflect their new needs and desires, such as the addition of a wine chiller or espresso station.

Poor lighting: Task lighting is essential in a kitchen, but older homes may not be equipped with lighting where it's most needed. A carefully designed remodel can improve lighting with under-cabinet lights, pendants, overhead lighting, and even natural light to make the space attractive and more functional.

Frequent run-ins: The notion that you can have too many cooks in the kitchen refers to having too many people trying to pitch in or offer their opinions. However, it also can apply to when too many people are gathering in a small space. Redesigning a kitchen can improve the efficiency of a space and make the room feel larger.

Aesthetic appeal: Many kitchen remodels have been inspired by unsightly kitchens. Cosmetic changes can lead to big improvements.

Kitchen renovations can add instant appeal and help address issues that tend to plague outdated rooms.

IDEAS: Craftsman homes trace roots back to 19th century

From page 8

Nautical color schemes featuring navy blue exteriors with white accents can highlight features that are unique to craftsman homes, but more understated colors and tones can work just as well.

Porches: An expansive,

welcoming front porch that makes for the perfect place to relax and read when the outdoors beckons is a telltale feature of craftsman homes. Furniture options abound when homeowners are looking to upgrade the living spaces just outside the front door of their craftsman homes. Adirondack chairs can make a porch a relaxing place to enjoy a morning coffee or post-dinner digestif, while wicker furniture can help homeowners establish a relaxing vibe for summer. A porch swing or hammock can make that relaxing vibe resonate even more. Real wood cabinets: Cabinets are a popular avenue homeowners look to when they want to give their kitchens a new look without breaking the bank. When upgrading cabinets in a craftsman home, the home renovation experts at HGTV note that craftsman-style kitchen cabinets often feature straight lines and minimal ornamentation. Cabinets are typically made from heavy woods like quartersawn oak, hickory, cherry, or maple. HGTV notes that updating the cabinets in a craftsman home often requires custom cabinetmakers, so the project may be more expensive than it would be if replacing the cabinets in a different style of home.

Craftsman homes are instantly recognizable thanks to many of their unique features. There are various ways to renovate craftsman homes yet still maintain their authentic feel.

FALL HOME RENOVATION

Budget-friendly dining room renovation ideas

Fithe kitchen is the heart of the home, then the dining room may be akin to one of its arteries. The mood created in the kitchen spreads to the dining space where family and friends gather to eat and enjoy one another's company.

Dining rooms can get lost in the home renovation shuffle, as many homeowners tend to focus on renovating kitchens and bathrooms instead. Homeowners do not have to invest a lot of money in renovations to give their dining spaces awe-inspiring makeovers. Here's how to do so on a budget.

Lighten and brighten. Dining rooms were once very formal spaces. Dark woods, large pieces of furniture, over-the-top chandeliers, and other details could be found in many homes. But now that houses are being built with open floor plans, dining rooms can blend with other spaces, which have moved to lighter colored walls, flooring and furniture. A fresh coat of vibrant paint can work wonders and it doesn't cost much. If you can't remove a floor, cover it with a brightly colored area rug.

Switch things up with slipcovers. Slipcovers can be changed each season to dramatically alter the look of a dining room for little investment. Slip covers also protect chairs and can be easily laundered after spills.

Add floating shelving. Floating shelves provide much-needed storage or display space without the need to invest in another piece of furniture. Depending on the shelving, they can work in modern design schemes or even farmhouse dining spaces.

Clear out the clutter. It might be time to say "so long" to that large curio cabinet and the knickknacks within it. Curio and china cabinets used to be de rigueur, but plenty of people now prefer more open and airy dining rooms. For those who want to keep the cabinet, try decluttering inside to only include the very best display pieces and see if the cabinet can be refinished with paint or a lightly colored stain.

Improve lighting. Make the chandelier the statement piece of the space. Go for a bold color or an innovative design. Then add accessories throughout the space that coordinate with the chandelier.

Add bench seating. Those who need additional seating may not have to get entirely new furniture. Swap out some chairs for benches, which can fit a couple more guests than chairs.

Create depth with color. HGTV says that using various shades of the same color in a space can add depth. Coordinate drapes, walls, seat fabrics, and accessories for a cohesive design. Renovating a dining room doesn't require a large investment of time and money. A few simple steps can give dining spaces a whole new feel without busting homeowners' budgets.

Junior Hubs battle Byron

Eighth-graders score road victory, fifth-graders remain undefeated

BY RUSSELL HODGES SPORTS EDITOR

BYRON — The Rochelle Junior Tackle teams split their four-game series against Byron on Saturday. The fifth-graders remained unbeaten on the season. while the eighth-graders picked up their fourth victory to match the sixth and seventh-grade teams, which each lost over the weekend. Rochelle will return home and face Rockton at home on Saturday, Sept. 25.

8th Grade (4-1)

The Junior Hubs dominated the first quarter, with Brode Metzger breaking off a 43-yard touchdown run for the first score of the afternoon. Leading 6-0, Rochelle extended its lead when Gavin Neale rushed for a 47-yard touchdown and Metzger added the 2-point conversion.

Roman Villalobos found the end zone on a 2-yard touchdown run to help the Junior Hubs surge ahead in the second quarter. Rochelle held a 20-0 advantage over Byron at halftime, with Villalobos

Late second-half goal lifts Hubs over L-P

Junior forward Montano breaks tie in final minutes as Rochelle wins 3-2

ROCHELLE—Fighting for a victory after suffering a tough conference loss against Sycamore this past Wednesday, Rochelle's varsity soccer team found itself locked in a back-and-forth battle against the LaSalle-Peru Cavaliers in another Interstate 8 match this past Thursday.

With both teams tied at 2-2 and only minutes remaining in the match, Rochelle forward Jared Montano received a pass from the midfield and saw room for a breakaway down the near sideline. The junior forward brought the ball into the LaSalle-Peru box and, with the Cavalier defenders expecting a cross toward the middle, booted a no-doubter into the LaSalle-Peru net. Montano's goal in the 77th minute sealed a 3-2 win and improved Rochelle's record to 6-6.

"It felt really good," Montano said. "We were much more in sync with each other than we were against Sycamore. We weren't as ready against Sycamore as we were today, but I think we'll play much better if we

face Sycamore again. Scoring that goal boosted my confidence a lot. I was prepared to make a play and I was excited to be able to score for my team."

LaSalle-Peru struck first in the conference matchup, scoring in the 10th minute to take a 1-0 lead. The Hubs responded immediately, however, with senior forward Josue Orozco finding freshman forward Alberto Casillas for the equalizer during the 11th minute to tie the match. The Cavaliers found another goal in the 33rd minute, scoring to surge ahead 2-1 at the half.

Looking to tie the match once again, Rochelle leaned on its leading goal scorer to make a play. That's exactly what Orozco did, leaping forward and successfully heading the ball into the LaSalle-Peru net to make it a 2-2 match during the 52nd minute. Both teams possessed the ball evenly over the next 20-plus minutes until Montano's goal gave the Hubs the advantage. Rochelle outshot LaSalle-Peru 18-6 and totaled 11 shots

on goal to four for the chance to win the con-Cavaliers.

"We're feeling good and I think we have a

ference tournament," Montano said. "We've had some tough matches

where we weren't in sync with each other, but we know what we can do when we're working

together. We just have to fix a few things."

and another 2-point play. Both teams recovered fumbles in the third quarter, with Keegan Cathina snagging a fumble for the Junior Hubs. The turnover helped set up a fourthquarter rushing touchdown from Dylan Manning that brought Rochelle within one score. But the Junior Hubs were unable to come back, with Byron scoring on a 3-yard touchdown run late in the fourth quarter. Rochelle fell by a final score of 28-12. The Junior Hubs will receive a forfeit over Rockton this coming

weekend.

The Junior Hubs took the lead in the first quarter, scoring on a 65-yard rushing touchdown from Luke Chadwick before Cohen Haedt ran for the 2-point conversion. Byron tied the game at 8-8 later in the first quarter and then returned a fumble for a touchdown to take the lead in the second quarter. Rochelle evened the game soon after with Haedt's 1-yard rushing touchdown.

Byron regained the lead with a 65-yard rushing touchdown, with both teams going scoreless over the third and fourth quarters. Rochelle fell by a final score of 22-14, with Haedt completing four passes for 67 yards. Holden Liebhaber caught three balls for 61 yards, while Chadwick totaled a team-high 111 rushing yards on 10 carries. Andrew Eyster and Elijah Schweitzer each recorded two tackles for loss in the game. Dominick Joyce added three tackles.

5th Grade (5-0)

The fifth-graders plowed ahead in the first quarter, scoring on a 66yard rushing touchdown from Braxton Bruns on the third play of the game. Riley Smith threw a 2-point pass to Joey Chadwick soon after to put the Junior Hubs ahead 8-0. Bruns rushed for a 43-yard touchdown on the first play of the second quarter to extend Rochelle's lead over Byron to 14-0. Byron scored on a 44-yard touchdown run in the third quarter, but the Junior Hubs held on in the fourth quarter, winning by a final score of 14-8 to stay perfect on the season.

NIU Football

Huskies fall 63-10 against No. 25 Michigan

NIU (1-2) returns home to face Maine on Saturday, Sept. 25

ANN ARBOR, Mich. – Number 25 Michigan rushed for 373 yards and eight rushing touchdowns en route to a 63-10 win over the Northern Illinois University Huskies Saturday at Michigan Stadium.

"They were the better team," said NIU head coach Thomas Hammock. "They beat us soundly in all three phases. Sometimes you just have to say, that is a better football team than us. We won't see an opponent better than this."

The Huskies' highlights came early and late. After Michigan took a 7-0 lead, NIU drove 72 yards in 10 plays to the Michigan three-yard line. After a timeout, Hammock sent the field goal team out and John Richardson hit from 21 yards away to put NIU on the scoreboard. The drive opened with quarterback Rocky Lombardi connecting with Tristen Tewes for 15 yards with Lombardi also scrambling for 16 yards and a first down to the Michigan 11yard line.

In the fourth quarter, the NIU defense forced a fourth down incompletion and the Huskies took over on its own 32-yard line. After an illegal formation call on Michigan gave NIU a first down at its 44, Lombardi faked the handoff to Erin Collins and then ran around the right side for 45 yards to the Michigan 11-yard line. Three plays later, he hit Cole Tucker over the middle for the 9-yard touchdown.

Michigan drove seven plays in 48 yards on their first possession, with quarterback Cade McNamara scoring from a yard out to give the Wolverines a 7-0 lead with 11:05 to play in the first quarter. The onslaught did not stop until the Wolverines closed out a 28-point third quarter with a 58-yard scoring run by Donovan Edwards at the 4:13 mark.

"They have a great offensive line, great tight ends and if you commit to the run, they're going to throw over the top," Hammock said. "We battled, we competed. They were more physical than us, this is a team we can emulate in how to play physically."

Michigan scored nine touchdowns in the game, eight via the run with Mc-Namara hitting Cornelius Johnson with an 87-yard touchdown pass with 1:53 to play before half. In addition to Edwards' 58yard run, he scored UM's penultimate touchdown on a four-yard run that was

set up by an interception by Gemon Green that was returned to the NIU threeyard line.

Lombardi led NIU in rushing with seven carries for 72 yards. Punter Matt Ference averaged 48.3 yards on seven punts with a season-long 55-yard boot.

Michigan's Blake Corum carried 13 times for 125 yards and three touchdowns to lead all runners, while McNamara completed 8-of-11 passes for 191 yards and a score.

Senior linebacker Lance Deveaux Jr. led the Huskies in tackles with eight, while Daveren Rayner, Jordan Hansen and Jordan Gandy each made six stops to lead NIU defensively. (PHOTO BY LON HORWEDEL)

201 DOMESTIC/CHILD CARE

NO INDIVIDUAL, unless licensed or holding a permit as a childcare facility, may cause to be published any advertisement soliciting a child care service. A childcare facility that is licensed or operating under a permit issued by the Illinois Department of Children and Family Services may publish advertisements of the services for which it is specifically licensed or issued a permit. Your Hometown Newspaper strongly urges any parent or guardian to verify the validity of the license of any facility before placing a child in it's care.

When Mark Twain was editing a newspaper in Missouri, one of his subscribers wrote in, saying that he had found a spider in his newspaper and wondered whether it was a sign of good or bad luck. Twain's response: "Finding a spider is neither good luck nor bad. The spider was merely looking over our newspaper to see which merchant was not

advertising, so that he could go to that store, spin his web across the door, and lead a life of undisturbed peace ever

afterward."
