Wastewater project complete

City of Rochelle officials hold ribbon-cutting ceremony

BY JEFF HELFRICH
MANAGING EDITOR

ROCHELLE — The City of Rochelle held a ribbon cutting ceremony Wednesday for its recently-completed wastewater plant improvement project.

The total cost of the project was just over \$7 million and it included upgrading headworks equipment, converting aeration to biological phosphorus removal, upgrading the anaerobic lagoon, adding an office administration building and the conversion of the plant's lab.

Rochelle Municipal Utilities Superintendent Adam Lanning said the improvements will save time and keep RMU ahead of the curve with the Environmental Protection Agency.

"The equipment we replaced would break down routinely," Lanning said. "With these

upgrades, we're spending a lot less time working on that stuff. The big part is the EPA regulations. With the evolving regulations, this will ensure that we'll continue meeting those regulations and not get behind."

If EPA regulations are not met, the agency comes in and mandates

upgrades. That's why the improvements were made. If changes were mandated, RMU would have been building a new treatment plant, which would have cost 10s of millions of dollars, Lanning said.

Lanning said the improvements ensure clean water and no financial impact to customers.

"If there's somebody in the creek down the stream from our plant, they're not going to get sick," Lanning said. "For the residents, we got a low-interest 20-year loan through IEPA with \$2.1 million forgiven of that loan. We didn't have to raise the rates to pay for this upgrade. That's a big thing."

The project took around two-and-a-half years. The first year was permitting and design and construction took a year-and-a-half.

The project won the American Public Works Association Project of the Year in recent months.

"It feels great to have it done," Lanning said. "It was a good one."

Running for a cause

'It's important to give back to our community'

BY JEFF HELFICH
MANAGING EDITOR

ROCHELLE — Due to the COVID-19 pandemic, many area police agencies have canceled their Law Enforcement Torch Run for Special Olympics Illinois in the past two years.

The Rochelle Police Department has not, and conducted its run Wednes-

day on Lincoln Highway.

"It brings the team together," RPD Communications Supervisor Luisa Nambo said. "And it's something that brings awareness to what the Special Olympics is about and kids with disabilities and letting them still have those opportunities. That's why it's important for us to make sure we're still raising money for them."

About half the department made it out for Wednesday's run. Some were unable to make it due to patrol or scheduling conflicts. Nambo called it a "really good" turnout and said the number of participants hasn't wavered in recent years.

When other area departments were involved, Rochelle's leg of the torch run stretched from Flagg

Road to Illinois Route 251 near the Rochelle airport. RPD has been doing the run since the early 1990s.

"It's important for the department to make sure people know it's still happening and that there's still a need," Nambo said. "As well as the fundraising part of it. It's important to give back to our community. We like that the money stays in Illinois."

District receives funding

BY JEFF HELFRICH
MANAGING EDITOR

ROCHELLE — Rochelle District 231 Superintendent Jason Harper said at Tuesday's school board meeting that the district has received \$81,415 in grant money from the Illinois Art Council Agency.

The grant will span over two years and will be dedicated towards the district's dual language programming. Last year, the district got a similar grant for just over \$30,000. The money will manifest itself in instructional and curricular purchases for kids to have in the classrooms.

"We're excited about that," Harper said. "These are competitive grants. Things like that to support what we're doing in the classroom are great. And then of course our professional development. As we scale up and out on this dual language program we'll have more people who will need access to quality professional development. Those are the two big ways we'll use this."

COVID-19 exposure among challenges for staff

‘I will never forget our staff here. They truly were heroes’

BY JEFF HELFRICH
MANAGING EDITOR

ROCHELLE — One of the most troubling times during the COVID-19 pandemic at Rochelle Community Hospital came when numbers were at a height.

Patients were coming in that were too sick and they had to be transferred to facilities that could cater better to their needs, RCH Chief Executive Officer Gregg Olson said. RCH doesn't normally run ventilators. Things got to a point where it was difficult to find places to transfer COVID-19 patients.

“Where do these people go?” Olson said. “Remember one gentleman was very sick and we called 50 different hospitals and couldn't find a bed. He finally got one in Madison at the VA Hospital. And

that took a few days. It was that concern of, ‘What do we do with some of these folks?’ There was nowhere to put them.”

Olson called that period an “intense, difficult time.” Hospital staff didn't know what would come in the door.

“If it was a really sick person that needed a higher level of care, what could we do?” Olson said. “We had to take care of them, and we did. We were successful. All of our staff worked together. Thankfully we got through it, but there were times where you could not find a bed. That's something I'll remember for a long, long time.”

Olson talked with the News-Leader last week and described the hospital's experience during the pandemic. This story is part two. Part one ran

in the Wednesday, June 9 print edition.

Olson said several RCH employees got sick with COVID-19 during the pandemic, which affected operations. He said the administration worked with employees to quarantine and make sure their lives were disrupted as little as possible.

When things weren't good during the pandemic, Olson said RCH was honest with its employees. Communication played a key role in supporting them and their families as they went through the process.

“I think we've been there with information and still are,” Olson said. “I'm really proud to say that with the vaccination process, 88 percent of our staff is vaccinated right now. That's a very high number. It came through messaging and commu-

nication.”

Olson detailed how the vaccination process played out at RCH. The first clinic came in December when supplies were short. The Pfizer vaccine was more difficult to manage because of restrictions on how it could be stored.

Initially, trying to administer the vaccine was tough. There was a week when scheduled allocations didn't come in.

“We were expected to do a clinic,” Olson said.

“It was a logistical nightmare initially. To schedule everything and staff things and store vaccines. Pfizer had the 21-day period. Moderna was 28. We had to keep that straight.”

With more supply and more organizations offering the vaccine now, Olson said vaccinations have been smooth lately. He is concerned about seeing demand lessen recently. With organizations like Walmart and Walgreens administering

vaccinations, it's hard to keep track of who has and hasn't gotten it.

“Our goal is, I don't care where you get vaccinated, just get vaccinated,” Olson said. “We're here for you. If you want to go to Walmart, that's fine. Our goal is getting more shots in more arms. But when you set up a clinic expecting 250 and you get 100, that can sometimes become challenging.”

Prabhakar gets toilet papered for 80th birthday

BY JEFF HELFRICH
MANAGING EDITOR

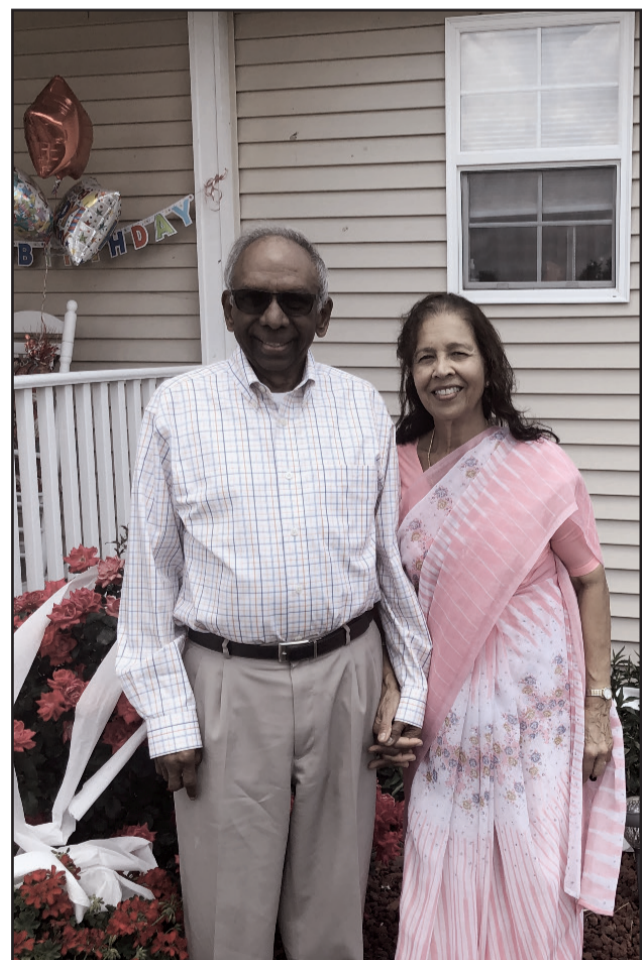

ROCHELLE — John and Esther Prabhakar's boys never played football, so they'd never had their house TP'd before.

That changed Thursday. In honor of John's

80th birthday Friday, Rochelle Tres Dias group TP'd the Prabhakars' home and rang the doorbell and sang to him. The birthday celebration continued inside the home with prayer and refreshments.

“When you're 80, you want to give advice to ev-

erybody but nobody wants to listen,” John said. “One of the things I've learned is, of all the qualities that you can have, being kind is most desirable. You don't have to be rich or famous, but you can be kind. I'm finding that out because people are very kind to us.”

Garden club makes donations to park district

ROCHELLE — The Rochelle Garden Club recently presented a donation to the Flagg-Rochelle Community Park District.

The club chose to have a bench installed at The REC Center to provide a place for kids and adults to sit while waiting for a ride under the front car canopy. The club also donated a tree that was planted near the playground, located near the front entrance of The REC Center.

The tree will provide shade as well help beautify the area, while also providing a healthier environment and a habitat for birds and other animals.

The Rochelle Garden Club has been a staple organization in Rochelle

nity through garden plot rentals.

They felt it necessary to recognize the hard

work of their members by donating the bench and tree in the name of the Rochelle Garden Club.

Rochelle DAR hears presentation from Circle of Change

ROCHELLE — Members of the Rochelle Chapter of Daughters of the American Revolution enjoyed a program presented by Circle of Change Executive Director Erin Rabon, Vice President Josh Hurliman and service dog Jack.

Circle of Change, based in Rockford, serves veterans who suffer with PTSD, TBIs and other challenges. Through dog training and handling classes for dogs with special needs, COC helps build confidence and improve social skills for both vet and dog.

For more information, visit <https://www.circleofchangeprogram.com/>. The Rochelle Chapter's

next meeting will be on Saturday, June 12 at 1 p.m. at the Creston Opera House and online via Zoom. Tom McDermott will be presenting a program on "Fires that Changed Downtown Rochelle."

Those interested in joining NSDAR are also invited to attend. The NSDAR is a nonprofit, nonpolitical women's volunteer organization dedicated to promoting historic preservation, education and patriotism.

Any woman, regardless of race, religion or ethnic background, who can prove her descent from a patriot of the American Revolution is welcome to join.

OLSON: RCH CEO reflects on pandemic challenges

From page 2

Another memory of the COVID-19 pandemic that stands out to Olson is the Rochelle Foods outbreak and what followed in April 2020. RCH along with the Ogle County Health Department and KSB Hospital tested 900 employees over a day and a half.

The testing was done in the parking lot of the Rochelle Foods facility with employees in their cars. Tests had to be shipped out to labs with a 24-48 hour response time and hospital personnel had to follow up with those that tested positive.

"Rochelle Foods was probably one of the biggest undertakings we took on," Olson said. "That was an incredible couple of weeks. Everything was so compiled. It had to get done quickly. We didn't have enough staff on our own and neither did our partners. Together we made a plan that worked out very well for everyone. That sticks in my mind. That was huge."

The widespread loss of life that the pandemic brought was tough for RCH and its employees to see, Olson said. 98 percent of the time, RCH was able to transfer those in dire straits to higher levels of care. But there were times when people passed away before they could be transferred.

"Any kind of death is tough for any of us," Olson said. "We tried to keep them alive and they

were too far gone. It's very upsetting to the staff. We don't ever like to see that. It's difficult to see death when it's non-COVID-19 related."

Olson said RCH has employees that lost family members to COVID-19 that lived in other areas. The hospital tried to provide comfort and support to them in any way it could.

"It's never an easy conversation to have," Olson said. "I would say the way this virus operated and how relentless it was, it made it hard. It just didn't let up. It's been a very difficult 15-18 months for us."

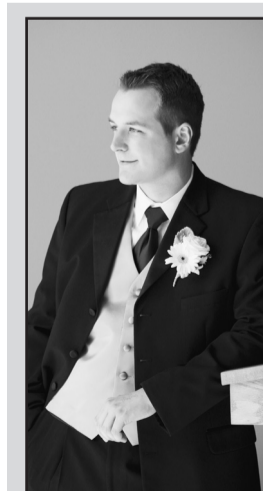

RCH employees have come to work every day during the pandemic

knowing they are going to take care of sick people that could make them sick. And they kept coming in. Olson said the hospital's employee turnover was "incredibly low" and people weren't leaving the organization.

The CEO isn't on the front lines, but he knows what his employees did and what they'll continue to do.

"I really appreciate and will never forget our staff here," Olson said. "They truly were heroes. You hear that word a lot, but these people were heroes. I can't thank them enough. And for what they did before the pandemic."

"They save lives."

EMBALMING PROCESS

The embalming process essentially involves replacing the blood and other bodily fluids with a preservative such as formaldehyde. Embalming is required by law only under certain circumstances, but families that intend to have a public viewing of the body usually choose to have it done, embalming preservative powers give them more leeway in scheduling a funeral. Embalmers are adept at restoring natural features that have been injured or to people who die after a long illness.

They have a range of techniques to deal with various difficulties. They can replace missing hair, rebuild fractured features, or disguise the effects of

the drastic weight loss from a long, wasting illness. Before it is placed in the casket, the body is dressed and prepared for viewing. Hair is shampooed and set, and men get a shave. Families are sometimes encouraged to bring in a recent photograph of the deceased to help guide them.

Eric Erickson

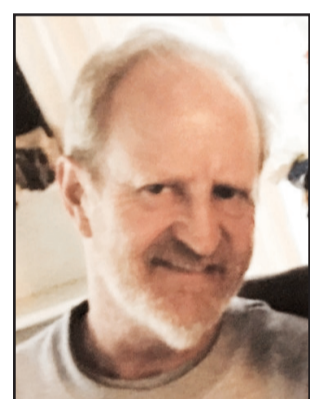

ROCKFORD — Eric Erickson, 66, peacefully passed away Thursday, June 10, 2021 at OSF St. Anthony Medical Center in Rockford. Eric was born on Dec. 2, 1954 to Robert and Elizabeth (Follett) Erickson in Winfield. On June 16, 1989, he married his best friend, Nancy Paul in Rockton.

Eric is survived by his wife of 31 years, Nancy of Steward; His 14 Children: Jennifer (Glenn) Schnetzinger of Springdale, AR, Paul (Melissa) Erickson of Belvidere, Maria Erickson of Rochelle, Vladimir (Maria Mandujano) Erickson of Ashton, Tatyanna Erickson of Columbus, Ohio, Adam Paul of Steward, Eric (Alyssa) Paul of Rochelle, Veronika (Alex Bunker) Erickson of Bloomington, Leif Erickson of Rochelle, Anna (Gareth) Booth of Elkins, Arkansas, Alexei Erickson of Steward, Gabriella Erickson, Izzy Erickson and Mauri Erickson all of Steward; brothers & sisters;

and his 16 grandchildren.

Eric will be missed dearly by so many. He never met a stranger & would happily shoot the breeze with anyone who wanted to slow down & talk about things. He loved hunting for & collecting treasures throughout his life at pawn shops, auctions, antique stores. If it looked like there might be a rusty treasure he had to stop! He shared his life-long passion for tinkering with cars & motorcycles with his children taking them to countless car shows & trying to teach them all he knew. He found great humor in particular for the spark plug lesson...just hold this right here!! followed by "ERIC ROBERT!!" There wasn't anything he couldn't fix or anyone he wouldn't help. His generosity & kindness were without limits.

More than anything he loved his family. He was lucky to have found his soulmate and shared his great life & adventures with her, their kids & grandkids. One of his greatest accomplishments was being truly the best Gramps! He was a baby whisperer extraordinaire, he had endless patience, energy & love for the littles! He had them always laughing with his shenanigans! He would boogie down on the dance floor with them (or anyone else for that matter) until they could dance no more!

We will miss hearing "ERIC ROBERT" called out, his amazing hugs, his vulcan death grip shoulder thingy, his laughter, his stories, his generosity & love... and so much more. He was a man who measured his wealth not by income but by how happy & healthy his family was. He was our Rock & our Best Friend. We are sad he is gone but take great comfort in how happy he & our beloved Katherine are to be together again! He will be loved & missed forever.

In addition to his parents, Eric was preceded in death by his daughter, Katherine Jill-Rose on June 14, 2019.

There will be a memorial visitation Sunday, June 13, 2021 from 3-5 p.m. at the Unger-Horner Funeral Home, 400 N. 6th St., Rochelle. Memorials may be made to the family. Cremation care has been provided by the Unger-Horner Funeral Home in Rochelle. Visit www.ungerhorner.com to sign the online guest book.

SCHOOL: District 231 awaiting new health guidance

From page 1

COVID-19

Harper told the board he's still waiting to hear COVID-19-related guidance from the state on what school will look like in the fall. Changes are likely after the state moves to phase 5 of reopening.

Harper said the state superintendent of schools has been given the power to give guidance on what a remote learner is and while not in effect yet, it will likely consist of a remote learner being a student in an age bracket without an approved vaccine (11-under) that's also placed in quarantine by the local health department.

"For example, a 10-year-old who was not placed in quarantine must be an in-person learner," Harper said. "We'll see what they say about masks and social distancing guidelines as well."

Harper said the district will likely have eight weeks to plan following guidance. He said the district will meet with administration, other districts and legal counsel during planning. Whenever guidance comes in, it will be Harper's recommendation to follow a "restrictive pathway" when it comes to remote learning after seeing some success and "many, many" challenges during pandemic months.

"We want our kids back," Harper said. "Our young learners, we feel like they need to be back with us. We need to have structured and unstructured elements. Social and emotional services that we feel like we can provide. Several warm, quality meals a day and all of those things that we've talked about so many times in the past months. That

Beating the heat in Rochelle

“IT’S hot. I had a journalism professor who used that as an example of a great lead in a news story. I am not being original.

If you are a Johnny Carson fan, you might be thinking, “How hot is it?” and his answer might be something like the sidewalks are rolling themselves up. Ok, he was funnier than me. But, it is hot.

I always wonder about the accuracy of thermometers. One electronic sign on a bank had 91, another 93, my car read 92 and one in a shopping center said 94. Whatever the number, it’s hot and uncomfortable.

It would be a great time to cool off in the pool or splash pad at Spring Lake. While you have to pay to use the pool, the splash pad is free and looks like a fun place for youngsters to cool off under mom’s or dad’s watchful eyes.

I was on the park board for 10 years, and every year the outdoor pool lost money, sometimes a lot, sometimes a little. I honestly don’t remember it ever making money.

But the purpose of parks and pools is not to make money, but to provide a community service. Spring Lake offers people, especially young people, something fun, safe and wholesome to do on a hot summer day.

I have noticed a lot of pools in backyards this year. I think

last year people decided to put in pools since they could not go on vacation. I wonder if that will have negative effect on Spring Lake.

Downtown’s curb appeal

The flowers on the light posts downtown look really nice. Some of the whiskey barrels look pretty good but a couple need a little refurbishing. The plantings at the parking lots on Main Street and Fourth Avenue and on Sixth Street by the museum look very good too.

I believe a good looking downtown is a key to attracting new businesses and customers to the existing businesses. Rochelle’s downtown is off to a good start.

RMU credits

Don’t forget to turn in your receipts for credit on your utility bill. The program runs through this year. Every \$300 you spend at eligible local businesses earns you a \$60 credit on your bill.

If you don’t want the credit, you can write on the form “Please apply my credit to....”

You could pick Hope, the food pantry, homeless shelter, Vince Carney Community Theatre, the museum or the Creston Boosters Club. The possibilities are endless.

Farmers and property taxes

“I’m proud to pay taxes in the United States; the only thing is, I could be just as proud for half the money.” – Arthur Godfrey

Yep, if you were paying attention and you opened your mail you should know that your first installment bill for property taxes has arrived.

For most of us we aren’t happy about paying any sort of tax, but it always seems the property tax strikes closest to home. Most likely most of us aren’t smart enough to wade through the thousands of pages of income tax law to actually understand if we are paying too little or too much. Sales tax is easy, just ring it up and pay the extra freight. Yet property taxes we keep close to our heart.

Since farmers are the majority landowners in most rural counties they seem to bear the brunt of most property tax increases. Believe me, there’s not a farmer out there who can’t tell you what their property taxes are, and wonder why.

Farmers are continuing to see increases in assessed value on their farmland, which usually translates into higher taxes. These increases naturally lead to questions about farmland assessment procedures and why taxes continue to escalate.

Of course we all know that farmland and other property are not taxed the same. Your home is taxed on one-third of your assessed value. Your farmland is taxed on its profitability.

Illinois Farmland Assessment Law first passed the Illinois General Assembly in 1977. The years prior saw farmland taxed on its market

value. Amendments to the law were passed in both 1986 and 2013, both making significant changes to the Farmland Assessment Act.

In determining your farmland taxes, the current law utilizes an income capitalization formula.

The Illinois Department of Revenue calculates that agricultural value for each soil productivity index (PI). Every soil type in Illinois is assigned a PI value. Under the formula, the value per acre is calculated for various types of soils based on their capacity to produce crops.

Gross income minus costs equals the return-to-land value. The return-to-land value is divided by a five-year average of Farm Credit Bank interest rates for farm mortgages.

That value is “equalized” by dividing it by three as Illinois farmland is assessed at 33.3 percent of value. However, the law limits increases or decreases to a soil’s assessed value to a maximum of 10 percent from one year to the next. This “calculated value” is multiplied to your tax rate to achieve your property tax per acre.

In 1986, the law was amended to limit both increases and decreases in the assessed value for each soil type to no more than 10 percent per year. This limit then produced what are called “certified values.”

The purpose for the amendment was to stabilize the tax base for local governing bodies and control the large swings farmers were experiencing in property taxes. However, over time, the application of the 10 percent limit created a huge gap between the certified values and the assessed values between lower and higher pro-

ducing soils.

Simply put, higher-producing soil assessment were outpacing lower-producing soil assessments by a 40-to-one ratio.

This inequity led to the second amendment made to the law in 2013. Under that amendment the law now limits value changes of all cropland PI soils to 10 percent of the Illinois median cropland PI of 111.

Under this amendment, farmland values are being driven towards a more accurate reflection of the income-earning potential of the farmland.

In essence, that law will apply the established tax value of the median soil (111) to all soils. The result is that higher PI soils may still increase, but at a slower rate, and lower PI soils will increase at an accelerated rate. The goal is to eventually achieve a two-to-one ratio, not the 40-to-one we see today.

One of the best things farmers can do is to check with the County Assessor to see how their land and buildings are being classified. If you have made changes to your farm operation as far as cropping, pasture, installation of conservation structures etc. it can have an effect on your property taxes.

Either way, your taxes are due and will be again in August. And when that’s all done Uncle Sam will come visit you in April.

“Government does not tax to get the money it needs; government always finds a need for the money it gets.” -Ronald Reagan

VOICE ON THE STREET

Question:

In your opinion, which restaurant has the best food in Rochelle?

“El Sol for tacos, Acres Bistro was a nice new addition. I’m happy the Flight Deck has some new items and better service.”

Silene Walters

“Acres Bistro has a unique menu items and an even better atmosphere. Highly recommend for anyone who hasn’t tried it.”

Brooke Kanas

“For being a small town, the choices are great here. Depending on what your taste is at the moment you will find the best. I will say during the pandemic our go-to was Alfano’s delivery.”

Carla Roach

“Flight Deck is the best we’ve had in town. The Rack is really good too. I have yet to try Acres Bistro.”

Jimmy Rot

“El Tapatio. Good food, fast service.”

Traci Sedlock

“We are blessed with so many great establishments, I couldn’t just pick one.”

LETTERS TO THE EDITOR POLICY

The Rochelle News-Leader encourages responsible letters to the editor on subjects of interest to our readers. Editing may be necessary for space, clarity or to avoid obscenity or libel, but ideas will not be altered. All letters must bear the handwritten signature of the writer and include address and phone number or e-mail address for verification purposes. Neither the street address nor phone number will be printed. Letters should be typed or legibly

handwritten, and no anonymous letters will be published. Any letters from boards or organizations must include at least one name of an individual. Any criticism of public officials should be limited to issues related strictly to their position or actions made in office, as personal attacks will not be published. Letters involving private disputes between the writer and a business will not be published. Political endorsements will be published,

however letters from candidates endorsing themselves will not be printed. Letters may be dropped at the News-Leader office (211 IL Route 38 East), mailed to the News-Leader (P.O. Box 46, Rochelle, IL 61068) or e-mailed (news@rochellenews-leader.com.) COMMUNITY

RCH CEO Olson speaks at American Legion meeting

ROCHELLE — The bi-monthly meeting of the Arnold Heltness American Legion Post 403 was held at the Iron Skillet Restaurant on May 9.

The speaker was Gregg Olson, chief executive officer of Rochelle Hospital, who gave a presentation on the efforts of the hospital to combat the COVID-19 pandemic and treat patients with the virus.

From left to right are: Steve Korth (co-adjutant), Tom Hill (sgt. at arms), Gary Tarvestad (past commander), Gregg Olson, Denise Olson, John Gruben (vice-commander),

Eric Welles (finance officer) and Hugh McDermitt (co-adjutant).

There will be a special free breakfast for veterans

on Tuesday, June 29 at the Oregon VFW Post 8739 at 1310 W. Washington St. in Oregon. The breakfast is hosted by the Veterans As-

sistance Commission of Ogle County to introduce the new Superintendent/Veteran Service Officer, Luz Gilkey.

Educational gardening event is July 11 at The Kitchen Table

ROCHELLE—The University of Illinois Extension and its Horticulture Educator, Bruce Black, will be hosting an event at garden at The Kitchen Table at 1 p.m. on July 11.

Garden pests and plant disease are common in many home gardens. If you've wondered how to handle seeing changes in your plants or how to deal

with pests, Black will be taking a walk through the garden to discuss problems gardeners may see at home.

Anyone with home garden questions are encouraged to send in their pictures and questions a week in advance so Black is prepared to help with the diagnosis.

Questions can be emailed to Black at

brucejb@illinois.edu or the Ogle County Master Gardeners at uiegm-ogle@illinois.edu.

The program is free to attend and open to the public. The Kitchen Table is located at 7034 S. Klondike Rd.

Participants of all ages are encouraged to wear face coverings and maintain social distancing if possible.

Fore submits contingent resignation

BY RUSSELL HODGES
SPORTS EDITOR

HILLCREST — The Village of Hillcrest may soon be seeking new leadership after Village President Jason Fore submitted his contingent resignation from the Board of Trustees on Wednesday. Fore has served as president of the board for the last two years.

Fore, who stepped away from the board earlier this year and appointed Randy Salsbury as president pro tem, said his resignation will be contingent upon closing on the sale of his current home in Hillcrest. Once sold, Fore will be moving outside the village and will no longer be a resident of the village. Fore said he tendered the contingent resignation for the purposes of transparency and to ensure the village will be prepared to appoint or approve someone to fill the position.

"I made my recommendation for Randy Salsbury to the position and he will continue to remain president pro tem until further notice," Fore said. "I want to ensure that the Village of Hillcrest can continue with not only day-to-day operations, but also ensure a smooth transition so the Village of Hillcrest can remain on track with current and future projects. I truly appreciate the opportunity to serve the residents of

Jason Fore

Hillcrest and it has been a great honor for me."

Meeting

Village trustees met Wednesday for their monthly meeting, where trustees approved design work for infrastructure projects including a new water main, water treatment plant, shallow well, sewer system and elevated water tower. The cost of the design work will be roughly \$291,000. The village is still seeking grant funding to help pay for the multimillion-dollar improvements.

The village will purchase a second hydrant flusher at a cost not exceeding \$2,500. Additionally, Hillcrest residents will see their water bills increase about 3 percent beginning July 1.

Following the results of the April election, Pam Pittman was officially sworn in for a new term as village trustee on Wednesday. The village held a spring clean-up day last month, with 55 residents taking part in the event.

Historic dual victory

Harvey sets new career wins record as Rochelle takes I-8 tourney opener

BY RUSSELL HODGES
SPORTS EDITOR

ROCHELLE — When Ben Harvey started his wrestling career at Rochelle Township High School, he was a freshman while his older brother Alex was a senior. The two brothers competed side-by-side for the varsity team, helping the Hubs reach the IHSA 2A State Dual Championships.

Alex finished his career with several RTHS wrestling records including the career pins record, which Ben successfully surpassed earlier this season. The younger brother broke another one of the older brother’s marks on Wednesday, when Rochelle defeated LaSalle-Peru 62-9 to open the Interstate 8 Conference dual tournament. Ben received a forfeit at 182 pounds, netting him 140 career victories and snapping Alex’s old record of 139 set during the 2017-18 season.

“I’ve been able to perform consistently

throughout my career,” Harvey said. “Alex has helped me focus more on the little things during the wrestling season. He’s helped me learn how to work on small improvements that make a big difference. He’s helped me improve my practice habits and my pre-match routines. I even wear the same colored head gear as he did.”

TheHubs(20-5)scored 17 straight points to open their dual against the Cavaliers on Wednesday. Freshmen Riley Damask and Tommy Tourdot scored pins against Sylvester St. Peter and Zach Znaniecki at 106 and 113 pounds, respectively, while senior Ivan Pineda followed with 17-0 technical fall over Kaleb Volk at 120 pounds. LaSalle-Peru avoided a shutout with its first victory at 126 pounds, where Gunnar Skoog won by fall for six Cavalier points.

Rochellereceived consecutive forfeits at 132, 138, 145, 152 and 160 pounds, with sophomore Wesley Brown, senior

56-6.

After a double forfeit at 195 pounds, LaSalle-Peru’s Connor Lorden earned an 8-4 decision over Hub senior Noah Messer at 220 pounds. Rochelle sophomore Jaden Cook closed out the dual with a victory

at 285 pounds, taking down and pinning Cavalier heavyweight Rylan Poole. With two duals remaining in the season, Rochelle is now two dual victories away from tying the single-season dual wins record of 22.

Hubs battle in IHSA 2A Rochelle Sectional

Sanford, Simmons record third-place finishes in field events

BY RUSSELL HODGES
SPORTS EDITOR

ROCHELLE — Several Rochelle Hub track and field athletes outperformed their seeds Thursday evening, when theHubsfinished 10th with 18 points the IHSA 2A Rochelle Sectional.

Juniors Zach Sanford and Ryan Simmons each took third in their respective events despite entering the sectional meet as sixth seeds. Sanford finished third in the shot put with a personal record of 13.82 meters, while Simmons cleared 1.77 meters for third in the high jump. Senior Oscar Aguirre set two personal records in the discus and shot put, finishing fifth in the shot put with a distance of 12.90 meters while placing sixth in the discus with a throw of 35.55 meters.

“Our kids came to compete and they did,” head coach Dale Bergeson said. “We beat a lot of our seeds during the meet... This season, we’ve had an opportunity to work with kids who came out for the first time and figure out the best positions for them to compete and get to the state meet. Our coaching

staff has been together for several years and we’ve done a great job of finding talent and identifying the attributes they have so they can perform well for us.”

Rochelle’s 800-meter relay team of Luke Orlikowski, Landon DeLille, Ryan Simmons and Ethan Wells finished fifth with a time of 1:39.97. Freshman Caleb Wyssbrod took sixth in the 400-meter dash with a personal-record time of 56.04 seconds and Rochelle’s 400-meter relay team of Michael Ramsey, DeLille, Simmons and Wells placed seventh with a time of 47.19 seconds.

“I told these kids in a meeting before the sectional meet that we have a young team,” Bergeson said. “Our numbers are lower, but we had a lot of young guys who had an opportunity to compete at the sectional meet, which is something that normally doesn’t happen. This experience will help them in the future. We had freshmen through seniors competing for us and that experience is invaluable, especially for kids like Ryan and Zach who were so close to qualifying for the state meet.”

THE Rochelle Hub varsity baseball team saw three players receive All-Conference recognition from the Interstate 8 this season. Junior Braden Alfano earned First-Team honors, while juniors Andy Buskohl and Eric Briseno each brought home Honorable Mentions this season.

“I’m very honored to have been selected to the All-Conference First Team,” Alfano said. “I will use this as motivation to continue working hard for next year. I felt that I performed really well on the mound, but I still feel I need to continue working on all aspects of my game.”

Rochelle finished 7-12 this season

and 4-10 in the Interstate 8. Alfano led the Hubs in multiple pitching categories, recording a team-best 2.65 ERA over 31 and two-thirds innings while striking out 41 batters. Alfano added eight hits, three doubles, one home run and seven RBIs at the plate for Rochelle.

“This year, as a team, we wish we could’ve won more games and went on a run in the postseason,” Alfano said. “Our goal for next season is to make a deeper run in the playoffs.”

Briseno led Rochelle with a .438 batting average, totaling a team-high 28 hits with six doubles and an extra-inning home run against Dixon in the IHSA 3A Regional Semifinals. Buskohl finished with a .365 batting average, 19 hits, six doubles, three home runs and 19 RBIs.

SYCAMORE — The four best teams in the Interstate 8 Conference, including Rochelle Township High School, battled in Sycamore on Friday for the semifinal and championship rounds of the varsity dual wrestling tournament. The Hubs walked away with a pair of tough losses, falling 44-28 against Kaneland in the semifinals before drop-

ping a 40-33 dual against Sandwich. Rochelle (20-7) ultimately finished in fourth place out of eight Interstate 8 teams this year.

"I thought we wrestled really well at the start of the meet, but we didn't finish as well as we could have," head coach Alphonso Vruno said. "Sandwich bumped a lot of their guys up from their previous weights and they competed at a really high level against us. We came out flat against Sandwich, but the Kane-

land dual was unbelievable... We put ourselves in the best position to win the dual, but we have to tip our caps to Kaneland for a great match."

Kaneland

Freshman Tommy Tourdot squared off against Kam Scholl at 106 pounds, taking an early lead before Scholl bounced back with a pair of takedowns to earn a 6-3 decision. After Cameron Phillips scored a pin for the Knights at 113

pounds, senior Ivan Pineda put Rochelle on the board at 120 pounds, rallying to defeat Anthony Morales with a 9-6 decision.

Kaneland's Caden Grabowski followed with a pin at 126 pounds, but sophomore Wesley Brown helped the Hubs bounce back, holding off Dean Baldrige for a 3-2 decision at 132 pounds. Senior Grant Thompson and junior Caleb Nadig then scored back-to-back pins at 138 and 145 pounds,

defeating Cole Olsen and Ade Sanni to give Rochelle an 18-14 lead in the dual.

Freshman Brock Metzger extended the Hub lead at 152 pounds, totaling four reversals in a 12-7 major decision over Jacob Franzen. Kaneland won the next three bouts at 160, 170 and 182 pounds behind two forfeits and one pin. With Rochelle trailing 26-22, senior Ben Harvey delivered a pin at 195 pounds, beating Max Pietak to set up a huge

showdown between Hub senior Noah Messer and Kaneland standout Miles Ripper at 220 pounds.

The bout went into overtime, with Messer nearly scoring two points in the third period to potentially secure the victory. But Ripper ultimately outlasted Messer in overtime, scoring a pin to win the bout before 285-pounder Nate Diaz ended the dual with an 8-4 decision.

"Noah wrestled really hard," Vruno said. "He gave Ripper everything and then some. I thought that Noah had the match won at certain points."

Sandwich

Tommy Tourdot opened

the third-place dual against the Indians at 113 pounds, pinning Ashlyn Strenz in the first period. Sandwich won the next three bouts at 120, 126 and 132 pounds, scoring a technical fall, a major decision and a pin to take a 15-6 lead. At 138 pounds, Sandwich's Evan Reilly held off Grant

Thompson in a tough battle for a 5-1 decision.

Caleb Nadig recorded his second win of the day at 145 pounds, scoring four takedowns and a near fall before pinning Nolan Bobee. Leading 18-12, the Indians earned an 11-2 major decision at 152 pounds as well as

forfeits at 160 and 182 pounds. In between forfeits, Sandwich recorded a pin at 170 pounds. With Rochelle trailing 40-12, Ben Harvey stopped the bleeding at 195 pounds, totaling two takedowns for a 5-2 decision against Sandwich's Alex Alfaro. Rochelle closed the dual

out with forfeits at 220, 285 and 106 pounds for Noah Messer, sophomore Jaden Cook and freshman Riley Damask. The Hubs will host Amboy and Dixon this weekend for their final meet of the season.

"It hurts that we lost both duals tonight," Vruno said. "We talked about

how we need to regroup and how we can't let such a great season fizzle out. We need to come back and, regardless of we win or lose, wrestle hard. If we can put together two more solid performances, then I'll consider that a win in some ways. We want to compete."
