'I'm going to miss them all'

Dougherty retiring after 20 years as senior center director

BY JEFF HELFRICH MANAGING EDITOR

ROCHELLE — The

Hub City Senior Center prom started shortly after Director Connie Dougherty did. "We have pictures dis-

played all over of the people who were named king and queen," Dougherty said. "It's just been so much fun and rewarding and everyone loves it so much." Memories of the prom

stand out most for Dougherty when she reflects on her time as director. She'll be retiring at the end of this month after 20 years.

Dougherty said she won't miss the paper and office work that's required by the job. What made the decision to retire tough was the people. That's what she'll miss most. Unfortunately as part of the job, she's already had to learn how to do that.

"Because these people become family," Dougherty said. "Over these 20 years I've lost so many of them and they've left big holes in my heart. In that way it's been difficult, but it's also been so rewarding because to be able to help people and to love on them

and make a difference in their lives and bring them joy and happiness, you can't put a price on that."

Dougherty has always enjoyed working and interacting with older people. That comes from her parents, whom she called "giving, loving" people.

She'll be spending her retirement with her family and a lot of time up at their cabin in Wisconsin.

Friday, May 21 will be Connie Dougherty Day at the senior center. Everyone is invited to stop by the senior center between 7 a.m. and 2 p.m. for a celebration.

Dougherty will be replaced by Diana King, who has been senior service program manager for four senior centers in DeKalb County.

"She's very bright and bubbly," Dougherty said. "They're all going to love

Habitat project underway

ROCHELLE — Felix and Tanya Vega and their five children will have to move just two blocks into their new home in Rochelle.

The Vegas are the recipients of Habitat for Humanity of Ogle County's latest home at 122 S. 9th St. The home is nearing completion and the family will be moving in following a June 6 open house event. Despite a year of COVID-19-related challenges, Habitat moved forward with the project.

The nonprofit was unable to host its fundraiser dinner which usually funds the initial costs of a build. Donation numbers fell. Building material prices are currently high. Habitat Executive Director Vanessa White-Broome said the build did come in over budget, but work pressed on and a couple grants helped

the nonprofit. "It was a challenging year for nonprofits with COVID-19 but we went ahead and secured the permit last June and actually started the first nail in August," White-Broome said.

Community Foundation after 12 years of service.

Montgomery reflects on time with foundation

BY JEFF HELFRICH MANAGING EDITOR

ROCHELLE — Kim Montgomery's fondest memory of her time as executive director of the Rochelle Area Community Foundation doesn't even involve giving to a nonprofit, which is what the organization does.

After a tornado hit town in 2015, Montgomery knew people would be looking to make donations to those in need. She decided the RACF should step up, despite its policy of giving to nonprofit organizations and not individuals.

"We took in \$500,000 in donations," Montgomery said. "We had to disperse it. We were told we could give directly to individuals with some rules. Over two years we got nearly 100 percent of it distributed. That was made the most impact on me and the community. It's incredible how generous people are when there's someone in need."

Montgomery decided to retire last month after 12 years with the RACF. She decided it was time to spend more time with her family.

"It was hard," Montgomery said of retiring. "I loved my job. I love everything it stands for. It was a great job for sure. I met great people and worked with nonprofits. That made leaving hard."

for a fit. After its inception, RACF quickly grew to be able to sustain a paid staff member and to fund grants. Upon her retirement from her part-time executive director, Montgomery said she recommended the RACF board replace her with someone full-time.

"They deserve more," Montgomery said. "We just have a lot of people make donations and have the means to establish our funds."

Douglas James Fugate

MILTON, Wis. — On Thursday, May 6 in the early evening, the Lord called Douglas James Fugate home. Douglas, of Milton, Wisconsin (formerly Rochelle) was 62 years old.

Doug graduated with honors from Rochelle Township High School in 1977. After high school, Doug went on to work for Caron International in the lab, and ultimately worked his way up to become a dyer and lab supervisor. In 1995, after the Caron International plant closed in Rochelle, Doug moved to Madison, Wisconsin to be a general manager for a new and used computer store called Computer Renaissance.

It was in 1999 that he found his calling, working for the American Red Cross in Madison. Doug loved his role at the American Red Cross and took his role as a lab technician very seriously. After Hurricane Katrina, Doug traveled with the American Red Cross to serve as a volunteer, taking care of hurricane victims and providing supplies, blood, and plasma under some of the most critical circumstances. Doug re-

tired from the American Red Cross in 2016.

Doug was a cancer survivor, and he miraculously received a liver transplant in February of 2017. That transplant gave Doug four incredible years with his loved ones. Doug's family will forever be grateful to the individual that donated. Doug was loved by so many for his huge heart and sharp sense of humor. Doug's life leaves a legacy of a deep faith in the Lord and selfless acts of love.

Doug was proceeded in death by his mother, Constance Lee (Harms) Kaminski, and his fatherin-law, Arthur P. Haws, Sr. Doug is survived by his wife and best friend, Susan Fugate (Haws); his daughter, Amanda (Kyle) Johnson, son, Zachary (Sara) Fugate; and five amazing grandchildren that he loved so deeply, Lexi Stesney-Johnson (20), Jocelyn Fugate (15), Isaiah Fugate (13), Evelyn Fugate (11), and Uriah Fugate (10). Doug is also survived by his beloved twin sister, Debbie (Larry) Bryant, and their three children: Jon, Katie, and Jessie. Doug also leaves behind his mother-in-law, Alice M. Haws, and many nieces and nephews. Doug will be greatly missed by all of his loved ones.

Doug's celebration of life will take place at Roxbury Church of Christ, 2103 Roxbury Road, Janesville, Wisconsin at 11 a.m. Saturday, May 15 with Pastor Jon Grice officiating. There will be a visitation from 10-11 a.m. prior to service on Saturday, and interment will follow at 1:30 p.m. at the Lawnridge Cemetery in Rochelle. The family asks those that plan to attend to wear green as it was Doug's favorite color.

RELIGION

Fulfilling your true purpose in life

OD loves you and He has a good plan for your life. You are a wonderful creation made by Him and you have a unique purpose to fulfill in this world.

Ephesians 2:10 (AMP) says that as Christians, "we are His workmanship [His own master work, a work of art], created in Christ Jesus...for good works, which God prepared [for us] beforehand [taking paths which He set], so that we would walk in them [living the good life which He prearranged and made ready for us]."

It's so exciting to know we are each created with a purpose and God has a good life that He has prepared in advance for us to live. But it's important to understand that we have an enemy, Satan, who wants

to keep us from having the life Jesus died to give us.

Yes, Satan has a plan for us, too, and his plan is destruction and death. John 10:10 (NIV) says the enemy "comes only to steal and kill and destroy."

The good news is we have everything we need through Christ to overcome the enemy. We just have to know who we are in Christ, believe that we have His authority, and know how to release the power God has given us.

The Measure of Your Faith

Faith in God is required for us to release the power and authority we have in Christ. Romans 12:3 (AMP) says that "God has apportioned to each a degree of faith." This means God has given you enough faith to do His will, whatever it may be and no

matter what the enemy throws at you to stop you.

There are many challenges and difficult situations we have to face in life. You may have a child with special needs to care for, or maybe you're in a difficult marriage. You could be facing a devastating illness or have

serious financial problems. Whatever your situation is, God has given you everything you need, through Christ, to keep you moving forward in His plan for your life.

₁ Joyce Meyer

We need to always remember that God is greater than our problems—nothing is too hard for Him and nothing catches Him by surprise. When we're going through hard times and the enemy is attacking

us, we don't need to ask,

"What can I do?" The question is, "What can God do?" The Word says all things are possible with God, and greater is He who lives in me than he who is in the world. (See Matthew 19:26 and 1 John 4:4.)

I want you to really get this in your heart today: In Christ, you have

> enough faith and the strength you need to do whatever you need to do in life! Get rid of "I can't" thinking and focus on the truth of God's Word, which

says, "I can do all things [which He has called me to do] through Him who strengthens and empowers me [to fulfill His purpose...]" (AMP).

The Simple Solution to Overcome Enemy Attack Prayer is a simple,

Prayer is a simple, powerful way to interrupt

Satan's plan because we release our faith through prayer. 1 Thessalonians 5:17 (AMP) says, "Be unceasing and persistent in prayer." This basically means prayer can be as natural as breathing, and our first response in every situation. It's so amazing that we can talk to God all the time.

Now the enemy doesn't want us to pray, so he will do everything he can to discourage us. He wants us to think prayer is hard, that we need to use eloquent speech and sound poetic, that we need to be careful what we ask God for so we don't overload Him with too many requests, or that we have to be in a certain place with a certain posture (on our knees, head bowed, eyes closed) for God to hear us. But it's actually simple to pray effectively.

James 5:16 (NIV) says, "...The prayer of a righteous person is powerful and effective." God wants you to come to Him honestly, with a sincere heart, and just talk to Him as a friend. Be yourself and don't approach conversation with God as a religious activity. Humble yourself before Him and open your heart to Him. He loves you and wants you to walk in His will for your life victoriously.

As a believer in Jesus Christ, you are God's child and He is always with you. He is Almighty God, and if God is on your side, who can be against you?

In Christ, you have what you need today to live in victory. Put your faith in God constantly. Pray, take God-inspired action, and fulfill your true purpose in life.

Prime working-age Illinoisans leading exodus, not students

OV. J.B. Pritzwher inaccurately identified students leaving for college as the reason for Illinois' population decline. Illinoisans between the ages

of 26 and 54 made up 64.5 percent of the net decline in population from 2017-2018, the most recent year of available data.

Who's leading the Illinois Exodus? Official 2020

Census numbers confirmed that Illinois for the first time in 200 years lost population in the decennial U.S. Census count.

On April 26, the day Census numbers came out, Gov. J.B. Pritzker claimed he had "looked very closely" at the data and identified the root of the problem: Illinois' population losses are due to college students leaving to attend college out of state.

The problem is, that's dead wrong. Domestic outmigration – people leaving Illinois for other U.S. states – is the primary reason for Illinois' population loss.

But that domestic migration is being driven by prime working-age adults, not college students. Illinoisans between the ages of 26 and 54 -and their dependents – made up 64.5 percent of the net decline in population from 2017-2018, the most recent year of available data.

While Illinois is losing residents of college age, these residents are the smallest age group leaving the state. In fact, those under the age of 26 only made up 6.6 percent of the net decline in the population.

The two primary reasons these Illinoisans are choosing to leave the state are for better housing and employment opportunities, both of which have been hindered by poor public policy in Illinois. Nearly half of Illinoisans have thought about moving away, and they said taxes

were their No. 1 reason. Higher taxes harm the economy by decreasing disposable income and by

discouraging businesses from investing and hiring more. Falling demand for goods and services reduces the expected profit to a business from creating additional jobs, resulting in

fewer job openings for workers.

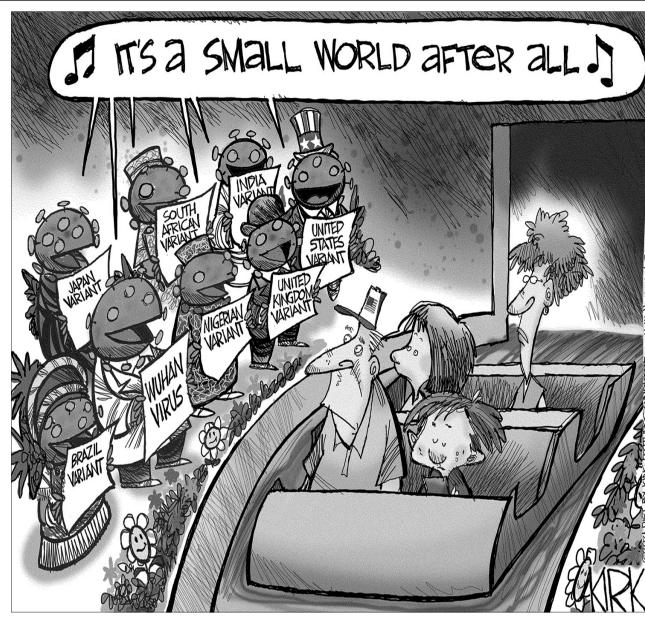

Higher taxes also mean that households save and invest less, resulting in permanently lower before-tax incomes. **Bryce Hill** Economic research

also reveals strong housing demand is often linked to robust employment growth. The evidence suggests taxes are an important reason for Illinois' exodus because they reduce the availability of desirable job and housing options.

The National Center for Education Statistics also provides data on college students that confirm these results. Their statistics show that during the 2018-2019 school year, 20,198 more Illinois students attended out-ofstate colleges than Illinois universities received from other states. However, it should be noted that many of these students are likely to still be considered residents of Illinois when it comes to IRS or Census Bureau data. Furthermore, Illinois has the secondhighest number of in-state students as a share of the student population in the Midwest, meaning that Illinois actually has a greater concentration of in-state students at its universities than most other states.

When trying to solve a problem, the first order of business is properly diagnosing what's going wrong. Illinois' population loss can only be reversed by policy solutions that grow the economy and make homeownership more affordable – making it more desirable for young professionals and families to plant roots here.

Focus not on Star Wars

Brad

Jennings

am starting to dread May 4 every year.

Don't get me wrong, I like the month of May. The weather is usually pretty nice, everything is green and getting greener and I can break out the shorts.

But the incessant "May the 4th be with you" Star Wars jokes just get a little tiresome. Social media was flooded with posts about it last week. I'm sure it was clever the first time. By the 10th time it wasn't very clever. By the 100th time I was ready to toss my phone in the sewer.

I have a confession to make: I am not a huge "Star Wars" fan. Yes, I saw it in the theater when it came out -Iwas 14 at the time. Yes, I enjoyed it. But I never bought the toys or went in for the general fandom of the franchise.

So, as I continued to grind though editing graduation photos last week, I wasn't too focused on "Star Wars." Instead, I had my focus on other topics.

* The weather. Growing up, I didn't pay much attention to the weather. Summer was hot and the rest of the year was per-

fect. Easy. Now I pay attention. And it seems to me this has been a pretty dry spring. April was not wet much at all, and sure, we had some rain last week, but not the day after day of rain we can get. My wife is con-

vinced that everything is a month off, and she might be right. I wonder if we are going to have summer this year that is as dry as the last one?

* Vaccines. I have now had both of my vaccines, and I am thankful. Sore arm, but not much else after the second one. Most of the people I know have gladly gotten the vaccine. But many people still just won't get one. Look, you don't want one don't get one. But know that until we get up to about 80 percent of the population vaccinated, we are at risk and will have to

keep safety protocols in place. If you don't care about COVID-19, how about you get vaccine to keep your older family

members safe, or just to be a good citizen? Remember when people cared about being good citizens? If you are worried about local businesses staying open, do them a favor and get the shot.

* Vacation. Yep, I have a vacation coming up and I am more than ready. I had the trip to New Mexico planned for last year, but COVID crushed that trip. Now, two friends and I will be setting off soon on our motorcycles bound for New Mexico. Roswell, N.M., to be exact. I don't expect to meet an extraterrestrial, but I expect some great food, hilarious times and warm weather. I love a good adventure, and this promises to be one. Much to the chagrin of some of you, I will write all about it when I get

* My friends. I have great friends, both near and far. And one thing I have noticed recently is that everyone seems to be getting along better. There are no tense discussions. There are no ranting Facebook posts that draw people into horrible arguments. The anger level generally seems much lower. People can feel it – we have talked about it. It is nice to be able to breathe a little easier and not worry daily about what could happen. It is a great break for all of us.

* Dieting. Yes, dieting. COVID is just an excuse, but I have been eating like a starving man at an all-you-caneat buffet and I have to stop. I am slowly turning things around, but it is pretty clear this won't be my best swimsuit season

OK, time to finish off these graduation photos and pretend that I don't need a snack. I hope the force is with me on this.

Area departments responded to a fire at CHS Ethanol in Steward late Friday morning. There were no occupants or injuries.

FIRE: No injuries reported

From page 3

"There was no visible fire upon arrival," Prewett said. "There was dense smoke coming out of a stack. We opened a hopper and found fire and extinguished it. We entered the building and did further cooling. It's part of their processing where corn is ground down and moved across the facility. The fire was in a hammermill and dust collector."

Prewett believes the cause of the fire, which was called in at 10:55 a.m., was mechanical. He could not speak to the amount of damage done but said the plant would experience longer delays. CHS Ethanol was in a scheduled shutdown when the fire occurred.

Responding departments along with Rochelle Fire included Hillcrest, Steward, Creston, Flagg Center and Lynn Scott

Rock mutual aid ambulance.

"We weren't sure what part of the facility was on fire," Prewett said. We've been called for dryer fires out there but never for this. Initially we called in mutual aid because we were unsure. It could've involved ethanol or something more volatile. We didn't have to elevate it any further. Any time it's something industrial we're careful."

County has highest test positivity rate in region

BY JEFF HELFRICH

MANAGING EDITOR

ROCHELLE—Ogle County has been identified as a "hot spot" for COVID-19 in the state, Ogle County Health Department Public Administrator Kyle Auman said in a news release Thursday.

Ogle County currently has the highest test positivity seven-day rolling average for the region at 8.4 percent. It also has the second highest number of new cases per 100,000 in the region at 245.

OCHD contact tracers have been working diligently to ensure that all cases are contacted, traced and investigated appropriately, Auman said. It is currently exceeding contact tracing metics for communicating with new cases and close contacts.

Gov. JB Pritzker said earlier this week COVID-19 restrictions will loosen May 14 and a full reopening is planned for June 11.

"Residents are becoming even less cooperative over the last few months," Auman said. "We are frequently dealing with hostile cases with people using very negative language towards us. Positive cases are flatout telling us that they refuse to isolate. Some of these cases have been identified to be out in public while COVID positive actively spreading COVID-19. We need everyone's help to get these numbers down especially since the Governor has announced that we will be moving to the Bridge Phase next

Auman said the OCHD is still seeing cases in schools and school-related activities. Those situations typically have many people involved in the investigation with greater community impact and require a larger

week."

number of resources to contact trace due to the number of close contact associated with them.

The OCHD is still monitoring variant strains of the virus. A total of 41 variant cases have been seen in Ogle County.

"We are keeping a close eye on variants coming out of India as they are seeing unique strains and India death rates climb," Auman said. "One variant strain from India has been identified in Illinois."

Ogle County is 30.62 percent fully-vaccinated. The OCHD and its vaccination partners in the county have seen a "drastic" decrease in demand for vaccinations, Auman said.

"Most of our clinics are not making it to half full," Auman said. "Our nurses have been to local schools to vaccinate 16-18-yearolds who want to be vaccinated and we will complete second doses with Pfizer next week."

The OCHD will be hosting a Johnson & Johnson clinic at 907 Pines Road in Oregon on May 12 and a May 20 Moderna and Johnson & Johnson clinic at 123 N. 2nd St. in Oregon. Registration is required and the link can be found on the OCHD's website and Facebook page.

Auman said regional hospital partners are still seeing increased COVID-19 activity.

"The Illinois Department of Public Health has reported that the age range of hospitalized patients has shifted from 65 and up to younger age groups,"Auman said. "There could be a couple of different reasons for this shift; one being high vaccine uptake in the 65+ population."

Ogle County has had a total of 81 deaths and 6,047 cases since the beginning of the COVID-19 pandemic.

Rochelle sweeps Sandwich-Byron meet, begins season with 5-1 record

BY RUSSELL HODGES SPORTS EDITOR

ROCHELLE

Locked in a tough battle with the Sandwich Indians,

Rochelle senior Noah Messer entered the ring looking to score a crucial victory for the Hub varsity wrestling team Thursday evening, when Rochelle hosted a three-team meet that featured the Byron

Tigers. With the Hubs trailing Sandwich 27-23, Messer faced off against Kaiden Gustafson in the 220-pound bout. In a must-win situation, Messer took the early lead, scoring on an escape and a takedown before pinning Gustafson near the end of the second period to secure six Rochelle points. Sophomore Jaden Cook then received a forfeit at 285 pounds, sealing a 35-27 win for the Hubs, who then defeated Byron 53-29

and 2-0 in conference. "We're wrestling really well and we have a lot of kids who are getting stron-

ger and better," Messer said. "I feel like I've started off the season really well. I feel that I'm a lot better this year than I was last year. We have a chance to be really good and even though we don't have a lot of numbers, we're able to move some people around and score some points for the team."

Freshman Riley Damask (106 pounds) and senior Ivan Pineda (113 pounds) took forfeits to open the dual before Sandwich scored 15 unanswered points with two pins and a decision. Senior Grant Thompson gave Rochelle the lead once again in the 138-pound bout, dominating Sandwich's Sy Smith with four takedowns and three near-falls in a 19-2 technical fall win.

A key victory came in the 152-pound matchup, where Hub junior Caleb Nadig outlasted Indian grappler Aidan Linden with an 8-6 sudden victory in overtime.

Lady Hubs earn first I-8 win

Smardo, Lodico lead Rochelle over Sandwich 8-4

BY RUSSELL HODGES

SPORTS EDITOR

SANDWICH — The Rochelle Lady Hub varsity softball team won its third straight game on Tuesday, defeating Sandwich 8-4 on the road for its first Interstate 8 Conference victory of the season. Sophomore Morgan Smardo led Rochelle at the plate, going 3-for-5 with two extra-base hits and two RBIs. Freshman Ella Alfano went 2-for-4 with two singles and two

"I've been looking for outside pitches that I can drive," Smardo said. "If the pitch isn't outside, I'll take it and I'll go from there. It felt good to get our first conference win. We played good defense, Bella pitched really well and we had good at-bats. We want to keep working on our defense and getting our bats going earlier in the game so we can score in the first inning."

Senior Bella Lodico earned the win on the pitcher's mound, striking out eight batters and allowing only three hits. Senior Sawyer McGee went 2-for-4 with a double and one RBI.

"We hit the ball well in the first inning and I was

really confident in our defense behind me," Lodico said. "They had a hard time adjusting to my changeup, so I continued to throw it throughout the game. I was impressed with our at-bats and we were able to get ahead early."

Sycamore

The Rochelle Lady Hub varsity softball team hosted Sycamore on Wednesday, falling 12-5 and moving to 3-4 on the season. Junior Jordin Dickey went 2-for-4 with a double, while senior Kendal Ansteth and sophomore Addie Friestad each doubled in the loss.

Three Hubs earn Interstate 8 First Team recognition

BY RUSSELL HODGES

SPORTS EDITOR

THE Rochelle Hub varsity football team saw three players receive All-Conference First Team honors from the Interstate 8 this season. Seniors Ethan Albers, Noah Messer and Ben Harvey all took home First-Team recognition for their achievements on the gridiron this spring. Six Hubs earned All-Conference Hon-

orable Mentions including seniors Crue Larsen, Gabe Neece, Grant Thompson, junior Braden Alfano and sophomores Garrett Gensler and Jaden Cook. Rochelle finished 2-4 in the Interstate 8 this season with wins over Sandwich and Ottawa.

Albers finished with 23 total tackles, one tackle-for-loss, one fumble recovery and one interception this season. The two-time Interstate 8 First-Team honoree will be continuing his academics and his football career as a two-way lineman at Wartburg College next year.

"I feel very honored to receive All-Conference and it shows that if you work hard, you will be rewarded," Albers said. "I felt that I did good in applying more pressure to the quarterback and correcting small mistakes on both sides. I feel that I improved the most on the defensive side."

Messer recorded 19 total tackles, including three tackles-for-loss, while adding one sack on the defensive line. A two-way starter who also played right guard. Messer brought home All-Conference First Team honors this year after being named an Honorable Mention

"I felt very honored to be nominated for this award," Messer said. "I was very proud that my hard work in the offseason drastically improved my performance on the field. I felt that I hit harder on both sides of the ball and I was much more aggressive. My defense has improved the most since last season and I was much more successful than I had been in past seasons."

Harvey led all Rochelle running backs with 442 yards and four touchdowns. In addition, Harvey played inside linebacker on defense, totaling a team-leading 42 tackles including six tackles-for-loss. Harvey will be continuing his academics and athletics at WashU-St. Louis

"I thought I improved the most in finding and hitting the holes harder at the running back position," Harvey said. "I switched to fullback this year so that was important for me. I improved on falling forward and running through as opposed to around people. I thought I was a better leader this year than I was in the past and I thought I was more vocal this year."

The back-and-forth between the two Interstate 8 foes continued, with Sandwich earning a pin at 170 pounds and Rochelle senior Ben Harvey holding off 182-pounder Alex Alfaro with a 4-2 decision. A forfeit at 195 pounds gave the Indians a four-point lead before wins from Messer and Cook sealed the Hub victory.

Byron

Sophomores Josey Weber (120 pounds) and Weldon Nay (126 pounds) took forfeits to open Rochelle's nonconference dual with the Tigers. After Byron scored a pin at 132 pounds, Thompson continued his perfect start to the season, taking down and pinning Byron's Coy Lind in 50 seconds for a 138-pound victory. Nadig then cruised over Tiger wrestler Yon Zirk in the 145-pound bout, recording four near-falls and two takedowns to win via 17-1 technical fall.

Two forfeits at 152 pounds and 160 pounds brought Byron within five points, and the Tigers held a briefleadafter 170-pounder Andrew Claunch notched a hard-earned pin against Hub freshman Leo Stoffel. Harvey quickly erased the Tiger advantage, however, making easy work of 182-pounder Josh Johnson with a 34-second pin that put Rochelle ahead by five

I've started off a little slow, but I know I have the skills to be successful and I think my conditioning will come back with time as I continue to have more practices."

Messer scored his second pin of the night at 220 pounds, using only 44 seconds to pin his opponent and keep Rochelle in the lead. At 285 pounds, Cook fell behind 2-0 before flipping the script on Byron heavyweight Nick Brass, scoring a near-fall and ultimately pinning him. A: Jessica Chastain made her professional acting debut in 2004 with a guest-star appearance on the hit medical drama "ER." She's so

good, it's shocking that she hasn't won an Oscar. She's come awfully close with back-to-back Academy Award nominations for her roles in "The Help" and "Zero Dark Thirty." Chastain will play the mascara-caked, publicly humiliated pastor's wife Tammy Faye Bakker in the upcoming biopic

field ("The Amazing Spider-Man") will play her televangelist husband Jim Bakker, while Vincent D'Onofrio ("Full Metal Jacket") takes on the role of Jerry Falwell. Chastain, who is also one of the film'sproducers, credits Tammy Fayeas "awoman ahead of her time.' Inaddition to what will surely be another chance atOscarwiththeaboveproject, Chastain also could be a contender for an Emmy by playing another Tammy—country music legend Tammy Wynette. "George & Tammy" is in preproduction for future streaming on Spectrum as a limited series. It's based

film "The Eyes of Tammy Faye." Andrew Gar-

on a book written by George Jones and Wynette's daughter, Georgette. According to Deadline.com, "George & Tammy" was originally pitched as a feature film seven years ago, but was later re-envisioned as a series. It hasn't been announced yet who will play George, but regardless, I predict the 2022 awards season will be very kind to Chastain.

Hulu had another idea, however, casting her as the lead in "How I Met Your Father," a modern spinoff of the long-running CBS sitcom "HIMYM," which starred Josh Radnor and Cobie Smulders. Hulu has already ordered 10 episodes, so Duff should feel pretty confident after the big letdown that was her original baby.

HUBS: Home runs lift Rochelle to win over Sycamore

From page 1

Senior Evan Meyers led off with a solo home run in the first inning to put the Hubs ahead 1-0. Meyers plated another run in the second inning, hitting a sacrifice fly to score junior Nate Burdin and give Rochelle a 2-0 advantage. Senior Reese Kirk came through for the Hubs in the third inning, slapping an RBI single to the left side to score junior Andy Buskohl.

Plano bounced back with one run in the bottom of the fifth inning, but Rochelle put the game out of reach with a four-run sixth inning. Burdin scored on a passed ball before Buskohl brought home junior Eric Briseno with an RBI double to rightcenter. With the Hubs leading 5-1, Alfano pulled an RBI single to right and then scored on Kirk's RBI single two at-bats later.

Sycamore

Andy Buskohl had a confident start on the pitcher's mound, but his bat made the most noise Wednesday evening, when the Rochelle Hub varsity baseball team hosted the Sycamore Spartans for the first of the team's two-game Interstate 8 Conference series.

Buskohl shut the Sycamore offense down over the first four innings, holding the Spartans scoreless before conceding two runs in the top of the fifth inning. Looking for their fourth consecutive win, the Hubs rallied for three runs in the bottom of the sixth inning, with junior Nate Burdin and Buskohl each hitting homers to ultimately lift Rochelle over Sycamore 3-2. The Hubs improved to 4-2 overall with the win.

"Sycamore came in as the No. 2 seed in the conference, so it felt great to knock them off," Buskohl said. "My changeup was working really well. I fell into some trouble in the fifth inning, but I was able to help myself out at the plate. It was a pretty fun team win tonight and our chemistry has grown. We'll be playing with a lot of confidence over these next few games."

Trailing 2-0 in the bottom of the sixth inning, Burdin belted a solo home run from the No. 8 spot in the Rochelle lineup to bring the Hubs within one run. Senior Evan Meyers continued the Rochellerally from the leadoff hole, hitting a double to enter scoring position before Buskohl's two-run blast brought the game-winning runs home.

Burdin, who made a diving catch in center to preserve a run earlier in the game, threw a shutout inning of relief to seal the win. Rochelle will face Sycamore on the road before hosting Rock Falls in nonconference play this weekend.

Fresh/Soph

The Rochelle fresh-soph baseball team shut out Plano 12-0 on Tuesday, improving to 2-1 overall with the win. Alex Burnette shined on the pitcher's mound, striking out 10 batters and allowing only one hit over five innings of work. Burnette also went 1-for-2 with two RBIs.

Brock Metzger finished 2-for-2 with two runs scored in the victory, while Christian Burnette went 2-for-3 with two singles and three RBIs. Dylan Whaley and Bradley Cooney each totaled two RBIs in the game, with Brad Schabacker and Brandon Moody each adding one RBI.

Rochelle fell 6-4 against Sycamore on Wednesday, dropping to 2-2 on the season. Bradley Cooney went 3-for-4 with two RBIs for the Hubs, while Christian Burnette and Alex Burnette each recorded RBIs. Garrett Gensler went 2-for-2.

Brandon Moody started on the mound, striking out three batters in three innings pitched. Brock Metzger threw one inning of relief, while Colton O'Rorke followed with one strikeout in one and two-thirds innings of relief.

GIRLS: Seven-run frame fuels Lady Hub win over Plano

From page 1

With Rochelle leading 9-1 over the Plano Reapers in the bottom of the fifth inning, Lady Hub senior Sawyer McGee stepped into the batter's box with two runners on base and an opportunity to seal the varsity softball team's second Interstate 8 Conference win.

Already with a double and one RBI under her belt, McGee took advantage of a slow fastball over the middle, crushing a two-run double down the left-field that that cleared the bases and clinched an 11-1 victory for the Lady Hubs. Rochelle improved to 4-4 overall with the victory.

"I wanted to make contact so we could move the runners around," McGee said. "I think we've been playing great and it feels good to be out here. We didn't play as well as we could've on Wednesday and I was happy to see us come back strong and bring out a lot of energy."

After two scoreless frames to open the conference matchup, Rochelle broke the game wide open with an offensive explosion in the bottom of the third inning, scoring seven runs to take a 7-0 lead. Freshman Ella Alfano broke the scoreless tie with a two-run single past the Plano shortstop before junior Jordin Dickey brought Alfano home on an RBI triple to center field.

McGee's first double of the day put the Lady Hubs ahead 4-0 soon after. RBI doubles from sophomore Addie Friestad and senior Kendal Ansteth made it 6-0 before sophomore Morgan Smardo slapped an RBI single from the top of the Lady Hub batting order to score Ansteth.

Leading 8-1 after four innings, Rochelle iced the victory with a three-run fifth inning. Senior Bella Lodico earned the win on the mound, striking out six batters and allowing one run.

"I think we have a great group this year," McGee said." We're doing really well right now and when we bring energy and confidence to the dugout, that transfers over to the game."

Senior Sawyer McGee makes a play at first base for the Rochelle Lady Hub varsity softball team. McGee doubled twice in the team's Friday victory against Plano.
