First

lady in area Monday

DIXON — On Monday, April 19, first lady Dr. Jill Biden, along with education secretary Miguel Cardona, will travel to Dixon to visit

College. The duo will arrive at 11 a.m. at Quad Cities International Airport in Moline where they will meet with a group from

Sauk Valley Community

the press. At 12:30 p.m., Biden, Cardona and Gov. JB Pritzker will tour Sauk Valley Community College. Following the tour, the first lady and secretary will deliver remarks

to a press pool. Biden plans to talk about a program that would allow students to earn tuition by volunteering in the com-

munity. She has been a longtime advocate of community colleges and has, herself, been a professor at community colleges.

It's Biden's and Cardona's first visit to Illinois as first lady and secretary of education.

By 3:45 p.m., they'll be at Chicago Rockford International Airport for their departure. While at the airport, they'll meet

\$14 million project underway

BY ELLEN O'MALLEY **INTERIM EDITOR**

ROCHELLE — Any expenditure that comes before the Rochelle City Council has been researched, questioned and all the details pounded out. Then it's sent out for bids and the best, hopefully the lowest, bid is considered.

The council makes the final decisions, always.

When Rochelle Municipal Utilities comes to the council, these are bigticket items, but they're typically passed smoothly because the deep dive on the project has been done by the staff.

RMU is the unsung hero of the "Hub City," without it, all of our lives would be quite different. And it's a "jack of all trades and master of them all." They operate a state-ofthe-art sewer treatment plant, internet, water and electricity all here in town. RMU can generate power in peak times which offsets the city's purchasing power with PJM Intercon-

nection, LLC (PJM), the city's regional transmission operator. To Rochelle residents, this means lower rates, but it also means quick customer service and problem solving.

That's unique as many cities contract that out to other, and even private,

VCCT offering a virtual show

Planning to host in-person show this summer on their 'meadow'

ROCHELLE — The show must go on!

That's what Vince Carney Community Theatre is doing by putting on a production online next weekend.

"The Virtual Diaries of Adam and Eve" is adapted from Mark Twain's short stories. The play is crafted in the style of video diaries kept by Adam and Eve. Along the way, we hear from God, who also is online, and wants to set the record straight on a few items of potential confusion like the Ark, the emu and whether or not the banana is the perfect fruit. It's a humorous first-person account of the first man and wife, which includes creation, getting to know one another, exploring their new world and naming the

tinues after they eat from the forbidden fruit and are exiled from the garden, which Adam wanted to call Eden, but Eve liked the name Niagara Falls instead. Following their departure, Adam and Eve share the many challenges of parentgrowing old.

God is played by Dean Wren, Adam is portrayed by Kyle Arreguin and Lindsey Lancaster is Eve.

day, April 24 at 7 p.m. and Sunday, April 25 at 4 p.m. A goodwill donation is appreciated.

ROCHELLE — In the end it was of little fanfare when the Rochelle Elementary School Board voted unanimously to close May School.

Superintendent Jason Harper reminded the board

that in February he made a recommendation to close the building due to declining student enrollment in the district. Current projections put May School at half capacity next school year with that trending downward going forward.

Harper added that the district will continue to

District moves on from closing school

maintain the property. In March, the school board hosted a parent/community meeting to answer any questions of concerns.

"My recommendation remains the same as it did a few months ago," Harper

It's an interesting situation as the property legally

could go back to the developer's family if it's not used by the school district. That clause was put into place when the subdivision was developed roughly 60 years ago. Harper said they are working with the May family to figure out the details and the district continues to appreciate its

longstanding relationship with the May Family.

Along with the closing of May School and the declining enrollment, the board voted to adopt an attendance center model for the district. This also was discussed at the March public meeting.

Hillcrest board votes on village improvements

BY RUSSELL HODGES

SPORTS EDITOR

HILLCREST — Hillcrest trustees voted to move forward with infrastructure improvements to the village water, sewer and roadway systems during their April meeting Wednesday evening. The improvements will include

a new water tower, a new shallow well and a new water treatment plant as well as water, sewer

and roadway work on the south end of the village. The Hillcrest board is working with Baxter & Woodman Engineering to apply for grant funding to help pay for the project.

The estimated overall cost for the 200,000-gallon water tower, the shallow well, the water treatment plant and the first phase of infrastructure work is \$5.24 million.

Plans to improve the village infrastructure were paused in April 2020 due to the Covid-19 pandemic. Phase 1A of the water, sewer and roadway improvements would include Scott Avenue, Errett Road and Erickson Road.

If the village cannot secure enough grant funding, trustees said they would consider diving up the work further to spread out the cost of work.

Trustees received a low bid of \$39,941 from AC Pavement Striping Company in Elgin for seal coat work on the north side of the village this summer.

The bid was roughly 5 percent below the estimated cost for the project. Trustees approved an annexation agreement, special use permit and two fencing variances for a 226-acre solar farm, Rochelle Solar LLC, off Twombly Road.

Village President Jason Fore announced that Randy Salsbury will serve as president pro tem for the near future. The next meeting is scheduled

for Wednesday, May 12 at 7 p.m.

Aging rural population needs more attention

SPRINGFIELD — Improving quality of life for the aging rural population requires a focus on digital literacy, integrated services and social connection.

The Rural Health Summit group recommends

the following actions to improve health and quality of life for older rural residents:

Utilize technology to enhance the capacity and digital literacy of rural communities to better

treat chronic conditions through telehealth and telemonitoring. Invest research and

program funds in designing rural-specific models for the aging population that align sectors to provide integrated, personalized and comprehensive services.

Address social isolation among the rural

May 1st - 9am to 12 Noon

To help prevent identity theft, bring your

personal documents to the branch and have

them shredded on-site.

elderly populations by implementing social isolation screenings and community-based programs.

The Rural Health Summit will host a webinar on April 22 at noon to discuss the issues faced by aging rural residents.

> "These policy recommendations aim to address both the preexisting conditions and acute challenges caused by Covid-19 for our aging rural population," said Dr. Sameer Vohra, chair of SIU Medicine De-

partment of

Population Science and Policy. "Conversations with statewide experts uncovered a great need but also a huge capacity and drive for innovation in our rural communities. We hope leaders from across the state will collaborate to help close health disparities faced by older rural residents."

The policy recom-

FREE SHRED EVENT

mendations are the result of discussions from rural health stakeholders, community leaders, legislators, physicians and experts from organizations from throughout Illinois and build on the Rural Health Summit's initial report, "Building a Healthier Rural Illinois: Understanding and Addressing the Challenges of Covid-19."

The Rural Health Summit will release monthly topic-specific policy briefs and host corresponding webinars through January 2022 on topics of mental health, public health systems, nutrition and fitness, children's growth and development, workforce development, opioids, health and housing and economic development. Additionally, the Department of Population Science and Policy is presenting the 21st Annual SIH/SIU Health Policy Institute – The Covid-19 Pandemic and Its Impact of Health Policy: A Renewed Focus on Healthy and Equitable Communities on June 8,

Youth need to be prepared message of preparedness

SPRINGFIELD —

Emergencies and disasters can happen at any time and anywhere. Disaster planning, response and recovery efforts should always take into account the unique needs of children, who make up roughly a quarter of the United States' population. That is why this month, the Illinois Emergency ManagementAgency (IEMA) and the Office of the State Fire Marshal Office (OSFM) are taking steps to promote youth preparedness.

"Each year, millions of children are impacted by disasters," said IEMA Director Alicia Tate-Nadeau. "Studies have shown, children are positive influencers in their households. Children can effectively bring the home to their families. Participating in youth preparedness programs empowers children to become leaders at home and in their schools and communities." Kids practice fire drills

each year at school, and families should practice these drills at home too, explained Illinois State Fire Marshal Matt Perez. "The office of the state fire marshal encourages families to practice their home fire escape plan twice a year. Every home needs working smoke alarms and a well-thought-out fire escape plan. Make sure all members of your family can identify two ways out of each room and a family meeting spot outside the home."

Sparky the Fire Dog is mascot of The National Fire Protection Association (NFPA). Sparky is used to help educate kids and parents on fire prevention and safety. The NFPA has established a Sparky website and Facebook page that offers a wealth of age-appropriate games, videos, apps and other activities that make learning about fire safety easy and fun.

Children who are prepared experience less anxiety and feel more confident during actual emergencies and disasters. Use this month as an opportunity to promote interactive activities within your family. One way to do this is by involving children in the development of a family emergency plan.

Sheriff deputies stay busy

On April 14 at 4:40 p.m., Ogle County Sheriff Deputies conducted a traffic stop on Ridge Road at Pines Road. After a brief investigation, deputies arrested Christopher R. Taylor, 32, Oregon, for driving while license expired (more than a year). Taylor was taken into custody without incident and transported to the Ogle County Jail in Oregon where he was held in lieu of bond. Taylor was also cited for no front registration plate and given a written warning for improper turn signal.

On April 14 at 10:53 p.m., the Ogle County Sheriff's Office along with the Creston and Rochelle Fire Departments responded to a one-vehicle roll over crash at Route 38 and East County Line

Road. Investigation by deputies revealed

that an east bound Mercury operated by Kaiya Smith, 30, Rockford skidded off the north side of Route 38 and then overturned after striking a culvert. Smith was transported to Rochelle Community Hospital by ambulance for what appeared to be non-life-threatening injuries. The crash remains under investigation by the sheriff's office.

April 16

On April 16 at 10:54 a.m., deputies conducted a traffic stop in the 12,000 block of East Route 38. After an investigation, deputies arrested Oscar Regalado, 27, Stillman Valley for driving on a revoked license. Regalado was transported to the Ogle County Jail where he is being held in lieu of bond.

Several arrests made

On April 11 at 12:03 p.m., Kayla M. Martin, 29, Rochelle, was arrested on an outstanding Ogle County warrant as well as driving while license suspended and no valid registration.

She was transported to the Ogle County Jail in Oregon for the warrants and posted an individual bond for the other two offenses.

April 13

On April 13 at 1:21 p.m., Daimon Wilcox, 24, Rochelle, was cited for improper backing. He signed a promise to comply and is to appear in court May 21.

April 14

On April 14 at 4:36 a.m., Mason Downs, 21,

Rochelle, was cited for no valid registration. He signed a promise to comply and was given a court date of May 21.

On April 14 at 10:15 a.m., Christina Poole, 34, DeKalb, was cited for no valid driver's license and unlawful use of a cellular device. She posted an I bond and will appear in court May 21.

On April 14 at 10:56 a.m., Bailey Gildea, 26, Rochelle, was arrested on a DeKalb County warrant. He posted an I bond.

On April 14 at 9:34 p.m., Chiffon S. Felix, 42, was arrested on an Ogle County warrant. She was transported to the Ogle County Jail.

April 15

On April 15 at 9:30

p.m., Jesse J. Mohica, 20, Rochelle, was cited for no valid driver's license and no rear light.

He posted an I bond and was given a court date of June 20.

April 16

On April 16 at 10:27 p.m., Bruce Elder, 55, Rochelle, was arrested for DUI and failure to reduce speed to avoid an accident following an accident at Ritchie and Steward roads. He posted an I bond and will appear in court May 21.

April 17

OnApril 17at4:02a.m., Josue Montoya-Guzman, 26, Rochelle, was arrested on an Ogle County

He posted an I bond.

The bi-monthly meeting of the Arnold Heltness American Legion Post 403 was held at the Moose Lodge in Rochelle on April 14. The speaker was Chuck Roberts who talked on the service of Jim Moorehead as a submarine crew member in World War II. Jim Moorehead was assigned to the submarine Bluefish, and the talk included his entry into the Navy, his work as a diesel engine operator and as a photographer recording the Bluefish in action. From left to right are, Steve Korth (co-adjutant), Tom Hill (sergeant at arms), Hugh McDermitt (co-adjutant), Chuck Roberts (commander), Paul Bearrows (chaplain), Eric Welles (finance officer) and John Gruben (vice-commander).

MAY: End of the year

From page 1

In other business, the board approved a cash rent agreement of \$230 for the 14 tillable farm land surrounding Lincoln School. Harper explained that Gensler Farms has been farming the acreage since the district purchased the land. The terms of the agreement have remained the same for the past three years.

The board voted to raise kindergarten registration fee from \$58.50 to \$60 for the upcoming school year. This fee includes the cost of milk.

The budget will go on public display shortly, with a few amendments. Harper explained that last fall the district didn't know what the revenues and expenditures would be, so they've since "tightened up" the final budget prior to its approval. The end of the school year is approach-

ing, Harper informed the board that the last day students will be in the classroom will be May 26, which is a Wednesday. On May 27, the teachers will utilize

their last remote learning planning day. They were given a total of five of these days from the state and they'll use the time to pack up their rooms as some teachers will be switching buildings and classrooms. Then May 28 will be a teachers' institute day.

Just before adjourning, Harper informed the board that there has been really good interest in summer school and they'll be serving more students than ever.

The city regularly recognizes employees who've gone above and beyond. Recently, RMU noticed that a customer was using an unusual amount of water. When employees investigated, they found a pipe had burst and there was a foot of water in the basement. The three employees, Rosie Belmonte, Kyle Bridgeman and Dawson Williams, were recognized for finding the problem and making sure the water was pumped out. They're pictured with city manager Jeff Fiegenschuh.

Planning some boating? Brush up on safety first more than 3,200 warnings

SPRINGFIELD —

Boaters are heading out on the water on pleasant spring days, and Illinois Department of Natural Resources (IDNR) Conservation Police are reminding boat owners and operators to check their watercraft and their safety checklist to avoid encountering problems on Illinois lakes and rivers this boating season.

"No matter when you are on the water this season, make the safety of you, your passengers and other boaters your most important consideration," said IDNR Office of Law Enforcement Director Timothy Tyler.

"Review a boating safety checklist, and make sure your boat is tuned up and ready for the season before you back down the boat ramp or push off from the dock.'

· Coast Guard-approved life jackets/per-

APARTMENTS AVAILABLE

sonal floatation devices (PFDs) for everyone onboard, and all persons under age 13 must wear a PFD while a vessel is underway • If the boat is 16 feet or longer, it must have a throwable floatation device (ring, cushion with straps) available • Working fire extinguisher properly charged

- Working horn whistle a n d a
- Navigation lights must function properly • Fresh flares (wheth-
- er required or not) • Current proof of registration/copy of registration application (if required).

IDNR Conservation Police strictly enforce boating safety laws and regulations, patrolling Illinois lakes, rivers and other waterways throughout the year to encourage safe boating and prevent boating accidents, injuries and fatalities.

Last year, IDNR Conservation Police investigated 81 boating accidents involving 36 injuries and 21 fatalities.

Conservation police issued 863 citations and to boaters - and arrested more than 100 boaters on charges of operating under the influence (OUI).

"Wearing life jackets and staying sober while operating a boat are two of the most important things boaters in Illinois must do – for their safety and the safety of others,' Tyler said.

"Our officers aggressively enforce the law against operating a boat under the influence. Our message to boat operators is simple: You booze, you

Soil temps and moisture declining

CHAMPAIGN Colder weather the

second week of April has caused soil temperatures to decline in Illinois, according to Jennie Atkins, Water and Atmospheric Resources Monitoring (WARM) program manager at the Illinois State Water Survey.

Soils cooled as colder weather moved into the state the second week of the month, falling 6 degrees. Soil moisture at 4 inch-

es averaged 0.33 water fraction by volume (WFV) on April 15, slightly below field capacity for most of the soils monitored. Rains the second week led to increases in all regions of the state.

Overall, levels have declined 6 percent from April 1 on average.

RMU: Substation will be up and running in a year From page 1

entities. It's why you read about other areas being without electricity for several hours if not days.

The City of Rochelle and RMU have been able to see around corners and stay a step ahead of other communities.

Much of that money went have the cash into RMU's electric de- to pay for it." partment while some went into the city's general

fund.

The project will begin next month and the city's portion should be done by December of this year. The ComEd has a portion they have to contribute the project, so the plan is to have it up and running in one year.

The cost is steep and over a bit budget, but that's only because the cost of raw materials went up drastically in the past year. Lanning said both plastic and copper are up over 300 percent over last year. "I'm used to a project being 5 to 7 percent over budget, but this is 12 percent,"

Lanning said.

Rochelle City Manager Jeff Fiegenschuh reassured the council

that there are funds to cover the additional cost for the substation "Large industries expect our electricity to be up and running at all times this is

cash funded. even though it's over budget, we have the cash to pay for it," Fiegenschuh

said. Half of the cost is mate-Jeff Fiegenschuh rial, but the City Manager other half is construction and installa-

tion. Last Monday, the council approved the bid of \$6,935,150 to Whittaker Construction.

Lanning said the material was ordered last summer to ensure it would be on hand before the project began.

What will Rochelle residents gain from this new substation?

"Residents will see improved reliability ... it's a strong investment in our community and we'll be able to provide reliable power for our residential. industrial and commercial customers," Lanning concluded.

LOCAL NEWS

The Problem with Feelings

rve learned from experience that feelings are fickle. One day they can be up, one day they can be down, and other days they are just all over the place!

God gave us feelings, and they are not wrong in and of themselves—they are an important part of enjoying life. We don't need to deny that we have them, but we do need to prevent them from controlling us.

In 1 Corinthians 3:3 (AMPC), the apostle Paul is talking to new Christians, and he says, "For you are still [unspiritual, having the nature] of the flesh [under the control of ordinary impulses]."

The flesh is our desires—what we want, think and feel. And Romans 8:8 says that "those who are

living the life of the flesh [catering to the appetites and impulses of their carnal nature] cannot please or satisfy God, or be acceptable to Him."

The Bible is saying that always doing what we feel like doing will hinder us from doing what God wants us to do. We need to get to the place in life where we are not controlled by our emotions so we won't miss out on His good plan for our lives.

I realize that some people are more emotional than others. However, with God's help, we can get to the point where we obey God and do what His Word says to do —regardless of our feelings.

Let me give you an example. I was sexually abused by my father for years. My mother even-

er confronted him because she was afraid of him. Needless to say, the abuse and pain I endured as a child deeply affected me, and it took years for me to experience the emo-

tional healing I des-

perately needed so I

could truly forgive

my parents.

tually found out but nev-

When they reached a point where they needed someone to help take care of them, the Lord spoke to my heart that He wanted us to bring my parents to St. Louis, buy them a house, and take care of them until they died. I shared it with Dave, secretly hoping he would resist the idea. But he said, "If you think this

is what God is leading you

to do, then we better obey

Him."

Joyce Meyer

house just eight minutes away from us, bought them a car and furniture,

We didn't have a lot of

money in the bank, and it

was going to take most of

it to do what God was ask-

ing. But the more I prayed,

the more the Lord made it

clear that He wanted us to

take good care of them and

treat them as if they

had been the best

parents in the world.

my parents to a

and met their every

So we moved

need. My father showed some appreciation, but he still remained the same mean and cranky man he had always been.

But one morning, three years after we had moved them to St. Louis, my mother called to say my father had been crying all week and asked if we could come over. Dave and I went, and that day my fa-

ther asked me to forgive him for what he had done to me as a child. He also asked Dave to forgive him.

We assured him that we had forgiven him and asked if he wanted to ask God to forgive him and begin a relationship with Jesus Christ. He said yes, and we all prayed right there on the spot. Ten days later, I had the great honor of baptizing my father at church!

I can truly say that for the next four years, prior to his death at age 86, I saw a true change in my father. I know without a doubt that he's in Heaven. My mother had asked my forgiveness years before this, and I had the joy of knowing her last years were peaceful.

Now, when the Lord asked me to help my parents, I certainly didn't feel like doing it. I had a choice to obey Him and do what I knew was right or follow my feelings and miss out

on what He wanted to do in their lives and mine in the process.

I want you to take a moment and think about this:
Are your feelings preventing you from doing something God has asked you to do? In the moment, it may seem that getting "your way" is more important or that you'll be giving up too much if you go along with God's plan.

But the truth is while you can't always control how you feel, with God's help, you can control what you do. And when you obey God, He always rewards you beyond anything you can imagine.

I encourage you to

pray and ask the Lord for strength in this area. Ask for His help to choose His will over what you want, think or feel in the moment. Because you'll never regret making good decisions, doing things God's way!

Guest column

It is THE League for everyone

The Rochelle League of Women Voters has always been a group that has impressed me.

From sponsoring candidate forums to discussions on issues affecting all of us, The League has given all of us the opportunity to learn about an issue. They don't endorse candidates, but do endorse

ideas, like fair map

proposals or term

limits. Years ago, it was not uncommon to go to a governmental meeting and find a League representative there, watching to be sure local governments were operating openly and legally.

But times have changed and the Rochelle League of Women Voters is running into some tough going. Membership is down and, truthfully, it is aging. There are not enough people to fill some board positions and the group has broached the topic of disbanding.

I think that would be a loss for Rochelle and a loss for educating the public on issues important in our lives.

Any organization needs a blood transfusion from time to time. New people take on the roles vacated by long time members.

Despite the name, the group is not just for women. I am a member, although I am not very active in the group.

You may have noticed over the past few years some groups like the Rochelle Women's Club and the Rochelle Garden Club have gone out of existence. Service clubs have also

felt the pinch of aging memberships and the lack of young blood in the ranks. Covid-19 has not helped, either.

Terry Dickow

If you want to learn more about how government functions, issues

of the day, how we can become better citizens, the League of Women Voters is for you.

You can contact current co-presidents Eileen Liezert or Rebecca Huntley or you can email me and I will pass on your interest.

I have always had a problem with recognizing people. I never thought I could confuse Elvis with John Wayne ... but I did. John Wayne is still around, but Elvis has literally left the building.

I love the Community Action Network (CAN) food truck festival that will be next Saturday, April 24. I always find something delicious to bring home for lunch. The trucks set up in the city parking lot at Fourth Avenue and Main Street with sales running from 11 a.m. to 2 p.m. But get there early. I have gone some years and been disappointed when a vendor was already sold out of delicious, hungersatisfying goodies.

Terry Dickow can be contacted at terrydickow@gmail.com.

Rochelle City Council meets every second and fourth Monday of the month at 6:30 p.m.

Letter to the Editor

Taxing should be fair for all

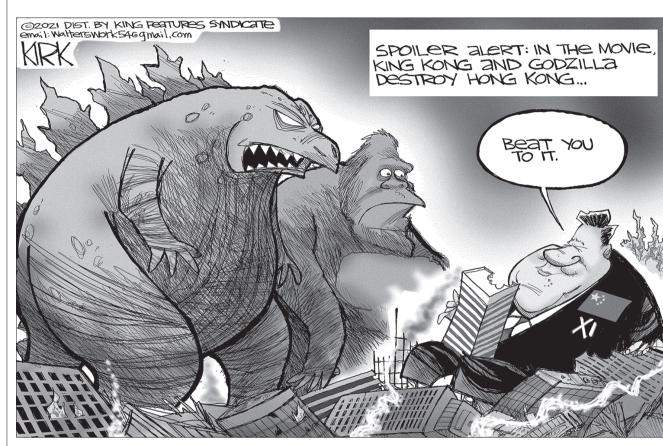

President Biden has rolled out an infrastructure plan that would provide much needed roads, bridges, water and sewage piping and upgrades to schools. In addition, it would provide reliable internet for rural areas —something Mount Morris lacked and publishers moved out of town because the data for photos was too much for the system to process. Paying for this program would in-

volve raising corporate income taxes. Something that Biden and the

Democrats believe is fair since, unlike the rest of us, 50 major corporations paid zero dollars of income taxes last year.

Now the GOP, led by Senator Romney (Utah) and Senator Caputo (W.V.), has decided rural areas don't need internet service. And that road building and repairs should be paid for by those who use them the most - people in rural areas. That's us folks. We're to be stuck with the bill Not the wealthy corporate executive

> **Pam Farris** Rochelle

Not much to celebrate on Earth Day

t is my birthday week, something LI don't get as excited about as I used to. It was great when you were younger – turning 10 (double digits), 16 (driver's license!), 21 (drinking legally). Those are a big deal.

Now? I am just one step closer to 4:30 p.m. dinners at Golden Corral and Bingo at the church across the street on Wednesday night.

It's not that I don't like having another year to hang around – I am glad to be here and will be glad to be here as long as I can.

But as I share my birthday with Earth Day (April 22), I also pay attention to the news of what is happening to our beautiful plant. And it is not good.

The area I grew up in – the desert Southwest – is in a horrible drought. And the heat, always bad, has been unbearable according to family and friends.

It never rained much where I am from. The annual rainfall in my hometown of Yuma, Ariz., is about 3.5 inches. We can get that in a couple of hours during a big summer storm here. In Oregon, the annual rainfall is 36 inches. Big difference.

But things are even worse than usual back home. The drought that has been plaguing the Western U.S. has reached a point where some scientists are saying the region is on the verge of permanent

drought, according to published reports.

That is not good, obviously. While it is desert, the part of the country I am from is a huge agricultural center. Winter produce, especially lettuce, comes from the area. So those salads you enjoy could be

in danger. This drought is a combination of the natural dry cycle and climate change. Yes, climate change caused by humans.

This drought could

have severe consequences

not only for our food supply, but also for vacation meccas like Las Vegas. This drought includes Denver, Colo., Salt

Lake City, Utah and Los Angeles, Calif. It is very widespread. In other climate

news, just last week, Scientific American magazine an-**Jennings** nounced that it would stop using

the term "climate change" in reference to man-made global warming and instead use "climate emergency."

The reason? The magazine said the climate emergency is here. Now. All around us.

Floods in California, massive hurricanes, record-cold that killed

power in Texas. Yes, this is a climate emergency.

They said we are facing a grave threat. By "we" they mean the human race. This is real, folks. This is not some wacky tree hugger fantasy aimed at killing the economy. It is a changing climate that could not only really kill the economy, but also kill us. Thankfully, we have mostly move past people saying this isn't real. Sure, some still hold onto that, but the evidence is too strong to ignore reality.

So, this year my birthday and Earth Day, the news was not so good for the planet. Even if we take the drastic steps needed to help the climate now, I won't be around for the goodnews. But I hope you are, and your grandchildren are. If we continue to do nothing, that becomes less likely.

LETTERS TO THE EDITOR POLICY

The Rochelle News-Leader encourages responsible letters to the editor on subjects of interest to our readers. Editing may be necessary for space, clarity or to avoid obscenity or libel, but ideas will not be altered. All letters must bear the handwritten signature of the writer and include address and phone number or e-mail address for verification purposes. Neither the street address nor phone number will be printed. Letters should be typed or legibly

handwritten, and no anonymous letters will be published. Any letters from boards or organizations must include at least one name of an individual. Any criticism of public officials should be limited to issues related strictly to their position or actions made in office, as personal attacks will not be published. Letters involving private disputes between the writer and a business will not be published. Political endorsements will be published,

however letters rom candidates endorsing themselves will not be printed. Letters may be dropped at the News-Leader office (211 IL Route 38 East), mailed to the News-Leader (P.O. Box 46, Rochelle, IL 61068) or e-mailed (news@rochellenews-leader.com.) The News-Leader reserves the right to edit or reject any letter to the editor for any reason, and letters chosen for publication do not necessarily reflect the views of this newspaper.

Kish Hospital begins \$12 million endeavor

The project, which will be completed in September of 2022, will modernize the emergency department

DEKALB—Northwestern Medicine Kishwaukee Hospital has started construction on a \$12 million renovation of its emergency department. The project, which is expected to be completed in September of 2022, will modernize the department with state-of-the-art equipment to improve efficiency and the patient experience.

"The emergency department renova-

"Our physicians, nurses, patient health patient, an overhead care technicians and ancillary staff were all intricately involved in the planning and design of this project."

tion will update the physical environment to match the high-quality, compassionate care provided by our clinicians and staff," said Jay Anderson, president, Northwestern Medicine Kishwaukee Hospital. "We look forward to offering the community greater comfort during what is often a stressful time in a more calming and modern environment."

The number of rooms will increase from 23 to 34, including 14 exam rooms, three trauma rooms, two isolation rooms and three holding bays for patients waiting for results. Five fast-track rooms are designed to quickly treat patients with mild ailments and injuries, such as sore throat, urinary tract infections and sprained ankles.

A behavioral health suite features four treatment bays designed to promote safety for patients and staff. When a bay

> is being used for a behavioral door will be lowered to ensure the patient is protected from any equipment that could be used to cause self-

> patients that ensures safety, efficiency and overall positive experience," said Andrew Oleksyn, DO, medical director, Northwestern Medicine Kishwaukee Hospital Emergency Department. New medical equipment will be

> installed, including new stretchers and a second pneumatic tube station to efficiently send specimens to the lab. An

Kristin Tindall, manager of the emergency department, and Dan Callaghan, construction manager, discuss the renovation of the emergency department at Northwestern Medicine Kishwaukee Hospital.

overflow area, equipped with medical gas, will accommodate additional patients if needed during a surge event. Additionally, a dedicated Security Services office will be embedded within the emergency department.

"The new layout of the department will offer more privacy and a quiet, healing environment, while supporting collaboration and teamwork with our staff and clinicians." said Kristen Tindall, MSN, RN, CEN, manager, Northwestern Medicine Kishwaukee Hospital Emergency

Department. "This redesign provides versatile spaces that can meet the unique needs of all our patients,"

The project is scheduled to take place in three phases over 16 months to allow optimal emergency department operations during construction.

Signage will direct patients to temporary waiting areas, and a relocated entrance when necessary. The timeline is subject to change based on review time by the Illinois Department of Public Health (IDPH).

Hubs fall at Sycamore

Gensler scores late touchdown as Spartans defeat Rochelle 33-7

BY RUSSELL HODGES

SPORTS EDITOR

SYCAMORE — The Rochelle Hub varsity football team did its best to contain the undefeated Sycamore Spartans when the two Interstate 8 Conference foes squared off

Friday night. Despite conceding two passing touchdowns in the first half, Rochelle remained within striking distance, trailing Sycamore 13-0 at halftime. But the Hubs were unable to move the ball frequently enough, with the Spartans capitalizing on a series of turnovers-on-downs as Sycamore went on to win 33-7. Rochelle (1-4) will host Ottawa for Senior Night next Friday.

"I thought we played really well in the first half," head coach Kyle Kissack said. "We went toe-to-toe with the best team in the conference early on and we only gave up two big plays. They came out and got

after us in the second half and we couldn't find any rhythm. It was a story of two halves for us, but I thought our kids played exceptionally well in the first half tonight."

Rochelle stopped the Spartans on two running plays to open the game before Sycamore quarterback Eli Meier launched a 55-yard touchdown pass over the middle to Ben Herrmann for the first strike of the evening. The Hubs erased nearly seven minutes from the game clock on their first possession, but a fourthand-1 rushing attempt was stopped short by a few inches.

Capitalizing on the change of possession, Sycamore went ahead by two scores when Meier connected with wide receiver Xavier Gagnepain on a 29-yard touchdown pass, once again over the middle of the Rochelle defense.

RTHS Volleyball

Lady Hubs lose rematch against LaSalle-Peru

Rochelle drops conference contest at Morris on Thursday

BY RUSSELL HODGES

SPORTS EDITOR

ROCHELLE — A slow start spelled trouble for the Lady Hub varsity volleyball team on Tuesday, when Rochelle hosted its Interstate 8 Conference rematch with the LaSalle-Peru Cavaliers.

After defeating LaSalle-Peru on Saturday, Rochelle looked for the season sweep this week. But the Cavaliers emerged with more energy toward the start of the match, ultimately winning in two sets as the Lady Hubs fell 16-25, 23-25. Senior Clare Green totaled 21 assists and seven digs, while junior Sylvia Hasz recorded a doubledouble with 17 kills and 10 digs. Senior Ellie Kinn finished with eight digs for the Lady Hubs (6-7), who face Morris on the road Thursday.

"We started slow and we could tell that they really wanted this win after we got them on Saturday," head coach Molly Sly said. "They wanted it more from the beginning and we missed some key serves when we were starting to gain some momentum. I thought our second set was a heck of a lot better and both Clare [Green] and Sylvia [Hasz] came up huge

Senior Alexis Sanford digs up the ball during the Rochelle Lady Hub varsity volleyball match against LaSalle-Peru on Tuesday.

for us down the stretch. They were responsible for about our last 10 points or so and that was fun to see."

LaSalle-Peru opened the first set on a 10-4 run, with several balls dropping easily on the Rochelle side of the court. Missed serves and net violations also created issues for the Lady Hubs in the opening set, as the Cavaliers surged ahead 19-11 before Rochelle generated some

positive plays courtesy of big blocks from senior Afi Gati in the middle. With Kinn on the serve, Rochelle cut the LaSalle-Peru lead to six points and forced two Cavalier timeouts in succession.

But LaSalle-Peru scored three straight points with a 22-16 advantage to close out the first set. After Ro-

chelle fell behind 9-3 in the

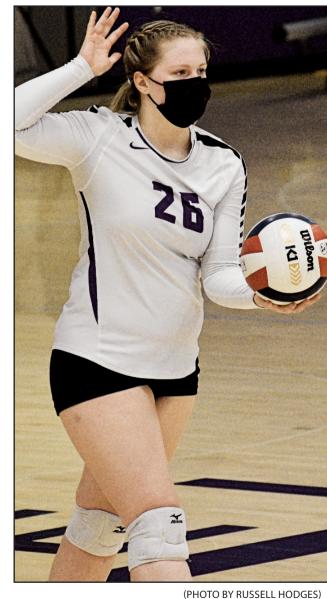

second set, Hasz and Green

came alive for the Lady

Hubs, working together to compile several points and keep Rochelle within striking distance of the Cavaliers, who maintained roughly a three-point lead throughout the set. Rochelle made it a 24-23 match after a kill from Hasz, but the Cavaliers scored one final point to win the match.

Morris The Rochelle Lady Hub

HUB SPOTLIGHT Wyka rolls first career 300 game

BY RUSSELL HODGES

SPORTS EDITOR

TITH one shot remaining for a chance at history, T-Byrd Lanes owner Dan Wyka calmly went through his normal routine as dozens of close friends and fellow league bowlers watched the 60-year-old Rochelle resident attempt to complete the first perfect game of his career.

Armed with the Motiv Golden Jackal he's owned for about three years, Wyka showed dominance over his first two games of league action Monday evening, rolling 246 in the opening game before striking in the first nine frames of his second game to shoot 267. Wyka continued to strike in the third game, staying perfect through his first ball in the 10th frame.

It was then that Wyka could feel the noise calming inside the house as bowlers stopped playing and watched from a distance as he looked to close out the perfect game. With his head down and his focus solely on the lanes, Wyka confidently struck on his 11th ball before stepping up once again and throwing perhaps the biggest shot of his lifelong bowling career.

"After I threw my 10th strike, I didn't look at anybody when I turned around," Wyka said. "I looked at the ball return and waited for my ball to come back so I could clean it like I always do. I set my pace, threw my next ball and I struck again. I turned around again and kept my head down because I could tell people had stopped bowling. I wanted to stay focused, so I went back to the ball return, cleaned my ball, set my feet and threw one of my best balls of the night."

Wyka's final ball of the evening was a no-doubter, with all 10 pins falling back into the pit as the number 300 appeared on the scoreboard. With perfection achieved, Wyka raised his fists to the ceiling in excitement as longtime friend and teammate Jim Lyles ran onto the approach for a warm embrace. The perfect game secured an 813 series, the first 800 series of Wyka's career.

"The place just erupted," Wyka said. "To finally bowl a 300 and an 800 series at 60 years old was really exciting. It meant everything to see all the bowlers come down and congratulate me. We all support each other, especially when someone has a chance to shoot 300. I'm happy that our bowlers are back and we're able to bowl

(PHOTO BY RUSSELL HODGES)

Dan Wyka rolled the first 300 game of his career during league action at Rochelle's T-Byrd Lanes on Monday.

again... I wasn't as nervous as much as I was in the past. I'm not sure if was because I was bowling well or not, but I didn't get nervous this time."

When Wyka stepped onto the approach in the 10th frame, it was the first time he had a chance to shoot 300 in roughly 12 years. But for Wyka, who's previous high score was 299 and who'd carried multiple potential perfect games into the final frame in the past, achieving perfection in his bowling center while nearly 50 league bowlers watched was a memory he'll cherish forever.

"To be at my home and to do it with the people I've been bowling with, week after week, for the last several years really meant a lot," Wyka said. "We weren't really focusing on throwing a perfect game. My teammates and I were joking and laughing all night and nobody brought it up. I was just throwing the ball and I think that's why it was easier for me to stay focused."

"To finally bowl a 300 game and an 800 series at 60 years old was really exciting... To be at my home and to do it with the people I've been bowling with, week after week, for the last several years really meant a lot."

Senior Spencer Warborg tracks down Sycamore's Bailey Wiegmann during the Rochelle Hub varsity football game against the Spartans on Friday.

HUBS: Rochelle hosting Ottawa for Senior Night next Friday at 6 p.m.

From page 1

Both teams were unable to score in the second quarter, with Hub senior lineman Ethan Albers and Sycamore's Dawson Alexander each intercepting a pass from the opposing team's quarterback during the final minutes before halftime

Rochelle received the ball to start the third quarter, but another turnover on downs sparked a Sycamore scoring drive, with Nathaniel Altepeter running in an

8-yard touchdown to put the Spartans ahead 19-0. Needing an offensive spark, Rochelle looked to pass the ball on its next drive, but Sycamore safety Bailey Wiegmann intercepted Hub quarterback Josh Lloyd. The turnover led to another Spartan touchdown, with Meier keeping the ball on a 1-yard plunge.

"We need to finish," Kissack said. "We talked with our seniors about how fortunate we are to have a season. It's all about finishing for us and we want to

finish for the seniors. Our younger kids are doing everything they can for our senior class, but they need to get better too. There are a lot of things we can accomplish this coming week and I think the kids understand that."

ARochelle fumble early in the fourth quarter set the Spartans up in Hub territory, and Sycamore didn't hesitate to score again, with Meier tossing a 14-yard touchdown pass to Kaden Ladas near the left pylon of the north end zone. Ro-

chelle avoided the shutout late in the fourth quarter, leaning on sophomore running back Garrett Gensler, who broke through the right side of the Sycamore defensive line for a 34-yard touchdown run with about two minutes left.

Gensler led the Hubs with 70 rushing yards in the game, while junior Braden Alfano totaled a team-high six tackles. Senior Ben Harvey finished with five tackles and 33 rushing yards in the loss to the Spartans.

Kishwaukee College

Kougar men host Kishwaukee Invite

BY RUSSELL HODGES
SPORTS EDITOR

ROCHELLE — Fairways Golf Course in Rochelle hosted the Kishwaukee Invitational on Friday, with several teams from the Arrowhead Conference competing including the Kishwaukee Kougars, who fielded three players in the tournament.

Thomas O'Connor and Matthew Randall led the way for Kishwaukee College, with O'Connor scoring 80 over the 18-hole, par-72 tournament while Randall added 87. Sycamore alum Noah Forsberg fired 99 for the Kougars, who did not field a team score.

The Kishwaukee College men's and women's golf programs are coached by Rochelle Township High School alum Thomas Brennan. Brennan said Kishwaukee College will host another invitational at Fairways Golf Course in the fall. Fairways became the Kishwaukee College home course in 2020.

RTHS Boys Soccer

Sycamore shuts down Rochelle in I-8 semis

Hubs fall 10-0, will face Morris for third place this weekend

BY RUSSELL HODGES
SPORTS EDITOR

SYCAMORE — The Rochelle Hub varsity soccer team hung tough during the first half of Wednesday's Interstate 8 Conference tournament semifinal match against Sycamore. But the fast and talented Spartan attack was simply too much for the Hubs to handle in

the end. With a mild wind at its back, Sycamore scored on a corner kick in the 41st minute, effectively sealing the fate of the Hubs, who conceded seven secondhalf goals to the Spartans in a 10-0 loss. Rochelle (5-5-1) will face Morris for third place in the conference on Saturday at 10 a.m. All conference finals and consolation matches will be played at Rochelle Township High School.

"I thought we held them off for a while, but they have a big, strong team," head coach Brad Male said. "It wasn't a surprise that they were faster than us, but they were able to capitalize on a couple of through balls. We moved the ball well, but they were just quicker than us."

After missing a few chances at the net, Sycamore struck first during the sixth minute, using a cross from the right wing and scoring to take a 1-0

lead. With center backs Damian Salinas and Bryce Whitehead leading the Hub defense, Rochelle held the Spartans at bay for nearly 20 minutes before Sycamore scored on a breakaway through ball in the 25th minute. Using their speed to their advantage, Sycamore capitalized on another breakaway in the 39th minute.

"No matter what happens and regardless of the score, we have to keep playing until the end of the game," Male said. "I think that will be our key for the Morris matchup. We were a player down the last time we played Morris, but we need to keep moving the ball how we did over the second half of the season. We need to look for the open player and keep communicating."

Leading 3-0 at halftime and 4-0 after the cornerkick goal from the southeast flag, Sycamore began pouring on the shots as Rochelle struggled to keep pace with the fast-moving Spartans. Back-to-back goals in the 47th and 49th minutes put Sycamore ahead 6-0 before another goal in the 56th minute put a shortened clock in effect. The Spartans never let up in the second half, scoring in the 57th, 61st and 66th minutes to cruise into the Interstate 8 finals on Saturday.

(PHOTOS BY RUSSELL HODGES)

The Rochelle Hub varsity soccer team fell against Sycamore in the Interstate 8 Conference tournament semifinals on Wednesday. At left, junior defender Bryce Whitehead keeps the ball away from Sycamore's Miles Guiborat. At right, sophomore keeper Jarett Milan clears the ball from the Rochelle zone.

CELEBRITY EXTRA

Patrick

Duffy

Q: I really enjoyed the period piece "Bridgerton" on Netflix. I was excited that there will be a second season, but now I'm disappointed to learn that Rege-Jean Page won't be in it. What will the new season focus on if

not the chemistry between Daphne and Simon? -- Anon. A: Netflix's "Bridgerton" saga is

based on a series of books by author Julia Quinn, with each season based on a different book. Even though star Rege-Jean Page went from a relative unknown to a household name practically overnight, he won't be reprising his role of Simon in the next season because it was presented as a one and done.

The next installment is based on the book "The Viscount Who Loved Me" and will focus on Lord Anthony Bridgerton, played by Jonathan Bailey, and his search for a wife. According to "People" magazine, Simone Ashley will play Kate Sharma, the "smart headstrong young woman who suffers no fools." Phoebe Dynevor reportedly will be returning to the show as Daphne and "will remain a devoted wife and sister, helping her brother (Lord Anthony) navigate the upcoming social season."

Q: One of my favorite characters on "Schitt's Creek" was Ronnie, the sarcastic one with the beautiful huge eyes. Can I see the actress in anything else yet? -- S.I.

A: Karen Robinson is a British-Canadian actress who was part of the award-winning cast of "Schitt's Creek." She can be seen as a widow on the current season of the ABC drama "A Million

Little Things," about a group of friends who vow to not take life for granted after losing a beloved

member of their group.

 $Q\hbox{:}\ I\hbox{'m}\ on\ the\ ninth\ season\ of\ ``Dallas'$ when Bobby Ewing (Patrick Duffy) was killed off. Has Duffy played any other roles since "Dallas"? -- N.E.

A: Patrick Duffy's first regular TV role in a series actually wasn't on the legendary prime-time soap "Dallas." A year before, he played the lead in the short-lived sci-fi

series "The Man From Atlantis." He's been

acting steadily ever since. He played the

dad in the hit sitcom "Step by Step" from 1991-98

opposite another '70s sensation, Suzanne Somers. After a few years in guest-starring roles, he returned to the soap genre, this time as Stephen Logan on "The Bold and the Beautiful." The next generation of the Ewings was introduced in 2012 in a new version of "Dallas" on the TNT network. It starred Josh Henderson as John Ross (JR and Sue Ellen Ewing's offspring) and Jesse Metcalfe as Christopher Ewing (Bobby and Pam's adopted son). The show didn't forget its roots, as it included Duffy and Linda Gray (Sue

episodes. Duffy has recently done several Lifetime Christmas movies and will next star alongside his real-life flame, Linda Purl, in the Lifetime movie "Doomsday Mom," which premieres June 26. It's one of six Lifetime movies in the network's "Summer of Secrets" programming slate.

Ellen) as part of its regular cast, and even Larry

Hagman (the original JR) appeared in numerous

NIU Football

Defense shines during Huskie spring showcase

Rain doesn't deter NIU during spirited scrimmage

DEKALB — On a rainy Saturday in DeKalb, the Northern Illinois University Huskies spent the majority of the Huskie Spring Showcase in scrimmage situations as several hundred fans watched from the Huskie Stadium

While the offense had its moments during the 11on-11 action, especially early, the defense ended the day on top and was able to watch while the offense ran following practice, in a reverse of the previous Saturday's result.

"We came out offensively and were able to make some plays, and then the defense got some momentum," said NIU head coach Thomas Hammock. "That's what you want to see you want to see give and take. If you have give and take, then you know you have a good football

After running through 15 minutes of individual drills, the Huskies scrimmaged for all but 10 minutes of the 1:50 minute workout, working on third and fourth down and short situations early before moving into goal line, red zone and move the ball periods from various spots on the field.

Freshman safety Devin Lafayette (Brunswick, Georgia/Brunswick HS) grabbed a pair of interceptions during practice, while fellow safety Joshua Earl (Naperville/Neuqua Valley HS) and linebacker Nick Rattin (Palatine/ Fremd HS) also recorded interceptions during the scrimmage sessions. The practice concluded on an INT as cornerback Zhamaine March (Detroit, Michigan/East English Village Prep) out-wrestled Messiah Travis (Chicago/ Solorio Academy) on a jump ball in the end zone.

"That's excellent work by the defense," Hammock said. "We want to get the ball. The defense made plays and that's what we want to do. We want to take the ball away and make plays."

Hammock said Saturday's practice showed that 1. The defense has caught on to some of the offense's calls during spring and 2. The - primarily - young secondary has made impressive strides this spring.

"We have guys that are stepping up," Hammock said. "You look at the two safeties today in Devin Lafayette and Jordan Hansen, Josh Earl made a nice play, and then our corners are playing excellent, guys like Myles McGee, Eric Rogers, Jordan Gandy and then Zhamaine March made the play at the end of the day. I think they are really going to be a weapon for us and our secondary is going to be a strength of our defense."

Offensively, the Huskies were especially effective during goal line situations, while Fabian McCray set up one touchdown with a long reception and scored another during "move the ball" periods. The second-year

(PHOTO BY JUSTIN NICELY/NIU ATHLETICS)

freshman has impressed this spring, according to Hammock and gives NIU an even deeper group of talented wide receivers.

"[Fabian McCray] has had an excellent spring practice," Hammock said. "He's really matured, he's gotten better, and he's making the jump. We have a lot of guys that can play wide receiver and we are excited about all of them. You can't just single out one guy, we've got Tyrice [Richie], Cole Tucker, Trayvon Rudolph, Messiah Travis, Mohamed Toure, Jeremiah Howard, Fabian McCray. We have a deep wide receiver group; we have to get them the ball and they'll make plays for us."

In charge of getting them the ball - behind a wall build by the offensive line – is quarterback Rocky Lombardi (Clive, Iowa/Valley HS), who has risen to the top spot on the QB depth chart, according to Hammock. Lombardi, Rodney Thompson (San Diego, California/St. Augustine HS) and Dustin Fletcher (Flint, Michigan/Carmen-Ainsworth HS) all took snaps under center on Saturday with Lombardi working with the ones.

"Rocky has established himself [as the top QB]," Hammock said. "Ethan [Hampton] will be back [this week] and we'll get him up to speed, but he's certainly a guy that we think can continue to progress forward."

With three practices left in spring ball, the Huskies' third-year head coach was pleased with what he saw Saturday but knows it was just one more step in the improvements he expects to see this spring.

"We're trying to keep moving forward on schedule and I think that's important for us," Hammock said. "Today was another practice, it was fun to have people in the stands, there was weather. The guys will watch the film and then we'll come back next week and try to improve on what we did today."
