backhoe, so they won't have to transport a separate backhoe out to Skare Park.

Lastly, Mitch Hamilton from Fairways Golf Course gave the board an update on the facility.

Hamilton said they went from two golf outings last year at half capacity, to 14 on the schedule for this year at full capacity.

The coarse opened March 13 with carts and benches, as opposed to last year when carts weren't allowed and benches had to be overturned so no one would rest of them. "You'll probably never see a water cooler on a golf course ever again," Hamilton added.

More bright news emerged this year as Kishwaukee College has chosen Fairways as its home course for its golf team. They signed a three-year contract. In addition, each team member will put in 16 hours of volunteer work

Fairways offers Groupon discounts and Hamilton said 20 percent of the Groupons are from outside Rochelle. He's also distributing fliers at the local hotels for visitors.

at the course this season. Hamilton is also pleased with where they are financially. He expected the numbers to be down last year, but it was the opposite as 1,600 more rounds of golf were played compared to 2019.

With that said, Hamilton informed the board that he has \$60,000 cash in hand from last year, which gives him a cushion of \$100,000 total in the bank.

The next park board meeting will be Monday, May 17 at 6:30 p.m.

burial is the most common form of final disposition but it is not the only form. Many bodies are entombed, or placed in aboveground mausoleums. The procedures are similar to an earth burial, since the body is placed in a casket and is usually driven from the funeral ceremony in a procession. Entombment is the traditional form of final disposition in some areas. In

omans 8:37
says that Christians are "more than conquerors" in this world. But do we really know what it means to be more than a conqueror and live the victorious life Jesus died to give us as believers?

There were many years when I went to church faithfully every week, yet my private life was pathetic. It was so frustrating because I really loved God and was a born-again believer, but I wasn't experiencing victory over the problems in my life so that I could really live for God and help people.

But as I grew in my personal relationship with Christ and spent time studying the Word, I came to understand what it means to be more than a conqueror and how I could get there. And if I can do it, so can you!

To be more than a conqueror means that before you ever get a problem, you already know that whatever comes your way, you can overcome it through Christ. You live with confidence that God loves you no matter what and He will never leave you nor forsake you.

When you have this kind of relationship with Christ, you aren't constantly afraid of bad news or of things that may happen that aren't in your plan. When the unexpected happens or you're disappointed, you won't be devastated by it.

When you get a revelation of who you are in Christ, you know that with Christ on the inside of you, there is nothing that can happen that's more than you can handle because there's nothing that's too

4:4 says, "You, dear children, are from God and have overcome them, because the one who is in you is greater than the one

them, because the one who is in you is greater than the one who is in the world" (NIV).

It's so import-

ant for us to get this truth down in our hearts and see ourselves as more than conquerors through Christ Jesus because if we don't, then our enemy, Satan, will be able to confuse us and keep us from victory. And all the enemy wants to do is kill, steal and destroy what God wants us to have (see John 10:10). He wants to diminish you-make you small-minded and small in spirit so you'll live a small, frustrated life.

But we don't have to live that way. Every person

who confesses that Christ
Jesus is Lord, repents of
their sin, and gives
their heart to God is
a child of God and

a child of God and belongs to Him. In Christ, we are made right with God, we are His righteousness, and we have the power of Christ in us to live right (2

Corinthians 5:17, 21; Philippians 4:13).

Do you realize what this means? It means that as we spend time with God in prayer and studying the Bible, we can access the wisdom and strength we need to make right choices and behave right. It doesn't happen all at once or overnight, but we will make progress every day that we seek God this way.

I really want you to get this revelation of who you are in Christ as a bornagain believer so you won't be frustrated or discouraged or feel like you're always under attack and just trying to get through the day. God has more for us than that!

When you make a mistake and the devil comes and tells you, "You're no good," you don't have to take on the guilt and condemnation he wants to put on you. You can immediate-

ou can immediately confess your mistake to God, thank Him for forgiving you and cleansing you with the blood of Jesus, and move forward in the victory of His grace and forgiveness.

God loves you so much!

God loves you so much! And He wants you to abide (live in) His love so you will always be confident that He is with you and He is for you. As 1 John 4:17 says, "...As He is, so are we in this world" (AMP). That's the life you have in Christ!

Take time to study scriptures that show you who God really is. Get a deeper understanding of His character and His heart for you. Spend time with Him, read His Word, and let Him love you.

Know that He loves you unconditionally. He is good. He wants to bless you and help you. When you really have a revelation of this truth, you won't be tormented by doubts about whether God cares or whether He will take care of you.

Whatever your situation is today, God knows about it. He sees you and hears the cry of your heart. If you will give Him your problems and do what He tells you to do, you will experience

His amazing love, grace and power and be more than a conqueror. Because in Christ, we can overcome the world!

Bigfoot? I'm not taking any chances

y wife just looks at me and rolls her

Now, this is something I get often. To be honest, I generally do deserve the eye roll. I tend to say dumb things, and being my wonderful wife, she never misses any of the dumb things I say.

I also love to try to get her to laugh. Sometimes, my jokes land perfectly and I get a great doubledover laugh from her. Usually? Yep, I get the eye roll. But the one topic that

always gets a big eye roll is my love of all things Bigfoot.

Me: "Babe! There's a new bigfoot hunting show on. Awesome!"

Her: "Gee, I wonder if they will find something this time?" Followed by a huge eye roll. I have been fascinated

by bigfoot, or sasquatch, for as long as I can remember – about as long as I have been about

attention

I read books about bigfoot as a kid and saw the famous Patterson-Gimlin film that came out of northern California in 1967 in one of those cheesy 1970s bigfoot "documentaries."

It was a rare and scary treat to see that short snippet of film allegedly showing a female bigfoot deep in the California wilderness. Of course, now you can watch it on YouTube anytime you want.

When I was very young my parents took me and my older brothers on a camping trip to Yosemite National Park.

One night bears got into our campsite and busted some things up while we slept.

Well, my parents said it was bears, but I was convinced it was bigfoot.

My search for giant footprints was unsuccessful, but I remained sure it was the mythical large, hairy beast.

Yes, I watch bigfoot shows all the time. There are countless documentaries, hunting bigfoot shows (which never seem to find any real evidence) and bigfoot "found footage" horror movies.

I love them all. She rolls her eyes.

But there is something that really connect with me about the possibility of a large undiscovered biped strolling around the woods of America undetected.

People report sightings all time and talk about having huge rocks thrown at them and hearing horrible screams from an unknown animal.

It all makes for great TV and great movies. And really, this is pretty much all about entertainment for me.

I will draw the line with going out and hunting for a bigfoot myself.

Why? Well, firstly until I see some hard evidence, I think I would be wasting my time.

I am not one to believe things without strong evidence – seeing it with my own eyes is best. Second, just in case

the big dude lyis real, I don't want to run into him out there in the dark woods. No thanks. I prefer to watch from the comfort of my own living room, as they re-

And we will both live to tell the tale.

Hubs shine on Senior Night with 39-38 win against Ottawa

BY RUSSELL HODGES

ROCHELLE—Senior Night is meant for making memories, and that's what Rochelle senior Crue Larsen and his teammates set out to do when the Hub varsity football team hosted Ottawa for its final Interstate 8 Conference matchup of

Friday evening.

Normally the team's starting free safety, Larsen received a chance to play both ways on Friday, earning reps in the offensive backfield when the Hubs and Pirates squared off in their double-overtime rematch from 2019. Making the most of his opportunity, Larsen rushed for a team-

only his first touchdown of the season, but three more including one in overtime that ultimately helped decide Rochelle's 39-38 victory over Ottawa.

"We had a pretty tough season, but this was our last time on this field and we wanted this win," Larsen said. "We gave everything we had and we finished the shortened spring season high 123 yards, scoring not tonight. My coaches gave first drive, melting nearly plays outside the right edge

me a chance to play at running back this week and I wanted to take advantage of that opportunity. I gave my all on every play and I ran as hard as I could."

Rochelle (2-4) and Ottawa (0-6) combined for 735 yards Friday night, with both teams trading touchdowns throughout the contest. The Pirates capitalized on their eight minutes off the clock before running back Bryant Schomas plowed forward on a 5-yard touchdown rush. The Hubs responded with a lengthy scoring drive of their own, carrying the ball into the second quarter and tying the game 8-8 on a 2-yard touchdown and 2-point conversion from Larsen.

Rochelle forced the first turnover of the night, when junior Marco Castro intercepted a pass from Ottawa quarterback Braiden Miller. The turnover set Rochelle up on another scoring drive, culminating with a 5-yard rushing touchdown from

Lady Hubs celebrate Senior Night against Plano

Green reaches 1,400 assists as Rochelle falls 25-9, 20-25, 22-25

BY RUSSELL HODGES SPORTS EDITOR

ROCHELLE — The Lady Hub varsity volleyball team had the exact start it was looking for Thursday evening, when Rochelle honored its seven seniors and hosted the Plano Reapers for its Interstate 8 Conference finale and the last match of the shortened

spring season.

Scoring eight consecutive points to open the match, Rochelle dominated the first set, with Plano showing minimal resistance as the Lady Hubs grew their lead to over a dozen. But the strong start and the Senior Night emotions were short-lived, as the Reapers recovered to take each of the last two sets and hand Rochelle a 25-9, 20-25, 22-25 loss. Senior Clare Green totaled 19 assists, surpassing 1,400 assists in her career for the

Lady Hubs (7-10). "The seniors gave our sophomores and juniors a lot to look up to and our girls will have some big shoes to fill," head coach Molly Sly said. "Clare reaching 1,400 assists, even with a shortened career, was absolutely

fantastic. I think we made

going to be missed."

Everything went Rochelle's way early in the match. With Green on the serve, the Lady Hubs began the night on an 11-0 run before Plano recorded its first point. The Reapers were forced to call two timeouts in the first set, with the second coming after a block from Rochelle senior

Bella Lodico that made the score 15-1 Lady Hubs.

ROCHELLE — The Rochelle Hub tennis team served up the 2020-21 season on Thursday, facing Belvidere North in nonconference play. The Blue Thunder defeated the Hubs 6-0, sweeping two singles matches and four doubles matches. Rochelle (0-1) faces DeKalb on the road Tuesday, April 27 at 4:30 p.m.

"I thought the kids were great," head coach Kristy Eckardt said. "It was the first match ever for most of our kids and we had some windy conditions. I thought they did well with shaking their nerves off and even though we didn't win, there were some good games happening."

Sophomore David Wanner battled with Jackson Kohls at No. 1 singles, falling 5-7, 3-6. Junior Alex Gilbert took the court at No. 2 singles, losing 1-6, 3-6 to Spencer Kohls. Juniors Devansh Patel and Peter Forsberg fell 1-6, 2-6 against Austin Biel and Adam Bellenson at No. 1 doubles.

"Alex and David did a nice job," Eckardt said. "Alex played a good op-

ponent, but he had some nice rallies and we talked after the match about what he needed to work on moving forward. It was nice seeing David play against somebody else since he didn't have a season as a freshman. He has a lot of good instincts and it was nice that he was able to get his first match in."

Sophomores Owen Haas and Evin Odle teamed up at No. 2 doubles, los-

ing 0-6, 1-6 against Belvidere North's Thomas Foster and Jack Dickerson. Freshmen Parker Lenkaitis and Avery Auld faced Blue Thunder duo Hugo Delgado and Jack Stolp at No. 3 doubles, falling 2-6, 1-6. Sophomores Ryan Ward and Nolan Fonfara

rounded out the Rochelle lineup at No. 4 doubles, playing a close second set before ultimately falling 1-6, 6-7 against Ethan Kay and James Foster.

"I think our consistency and getting more comfortable will be the keys for us,' Eckardt said. "We'll continue working through the details of being in the right positions, putting shots away at the net and other things that will come with time. I thought the kids communicated well.'

GIRLS: Green reaches career assist milestone

From page 1

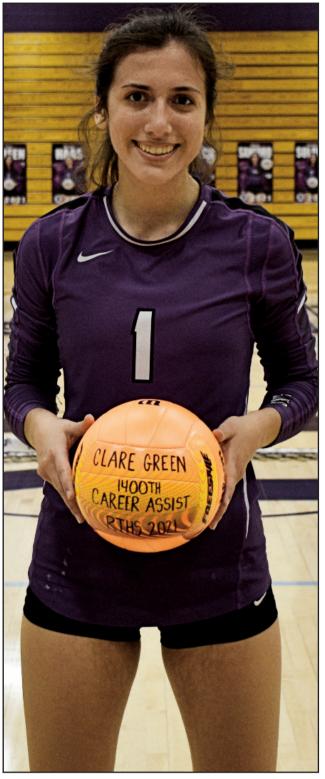

The 16-point margin of victory in the opening set was the largest scoring difference of any set for Rochelle's varsity team this season.

"We had a fire and we didn't want the ball to drop," Sly said. "We went after every ball and we really wanted to win. We wanted every single point and we almost did that in the first set.'

Plano began turning the tide in the second set, opening with a 10-7 advantage behind outside hitter Anna Gonzalez, who created problems for the Lady Hubs in Rochelle's first encounter with the Reapers this season. Despite another strong outing from junior Sylvia Hasz, who had 17 kills for the Lady Hubs, Rochelle was unable to muster up consistent offense across the front line. Plano built its lead to as many as five points before splitting the final 10 points of the set.

The Reapers carried momentum into the third set, breaking off a 10-5 run before Rochelle responded with a brief rally of its own, inching within one point of Plano, 12-11. The Lady Hubs briefly took the lead after a tremendous net effort from senior Afi Gati, who blocked three consecutive Plano shots to score and give Rochelle an 18-17 advantage late in

Junior quarterback Josh Lloyd then found senior tight end Ethan Albers for the 2-point pass.

Still in the second quarter, Ottawa evened the score at 16-16 after Schomas punched in a 1-yard rush for the second of his three touchdowns on the evening and added the 2-point run. After the Pirates stopped the Hubs on a fourth-down rushing attempt, Ottawa pulled a trick play, running a wide-receiver reverse pass and scoring on a 51yard touchdown connection between Briar Naggs and Ryan DeMoss. Schomas converted the 2-poin run to make it 24-16.

Despite trailing at halftime, Rochelle received the ball to start the third quarter, stringing together a sevenplay scoring drive that resulted in a 2-yard rushing touchdown from senior Ben Harvey, who finished with 109 yards on the ground. With the game tied 24-24 after a 2-point run from Hub

sophomore Garrett Gensler, Rochelle forced a second Ottawa turnover, with junior linebacker Tanner Lager intercepting Miller's pass inside the Hub end zone.

But the Pirates managed to stop Rochelle on another fourth-down rushing attempt, capitalizing with a six-play drive that finished with a 1-yard Schomas touchdown run and 2-point conversion. Down 32-24, the Hubsturned to Larsen on their next drive, and the senior delivered with a 1-yard touchdown and 2-point rush with 4:10 remaining in the game.

After the Hubs forced two incompletions to turn the ball over on downs, Rochelle saw its last chance to score in regulation dashed in the final seconds, when Pirate defender Jake Serby intercepted a Lloyd pass over the middle intended for Larsen. The turnover set the stage for overtime, where Ottawa took the ball first and scored on a miraculous fourth-down passing attempt, which saw Serby bobble the ball in traffic before securing it for a 4-yard touchdown.

But while both teams were a combined 8-for-8 on 2-point plays heading into overtime, Ottawa failed to convert on the ninth 2-point try of the night, allowing Rochelle to win with a touchdown and an extra point. Larsen answered the call for the Hubs once again, diving forward on a 1-yard touchdown that tied the game at 38-38. Castro then went on to kick the extra point, drilling the ball through the uprights as Hub players and fans stormed the field.

"I thought we made the most of our season," Larsen said. "We had a tough schedule this year, but we stuck together through it all and we finished the season with a win. Everybody stuck together throughout the whole game, even when we were down at halftime. We did what we had to do to come back. It feels really good to get this win tonight for all of the seniors."

Lady Hubs kick off season against Streator

BY RUSSELL HODGES

SPORTS EDITOR

ROCHELLE — The Rochelle Lady Hub varsity soccer team took the field for the first time in nearly two years on Wednesday, facing off against Streator in the summer season opener.

While the Lady Hubs fell behind early in the match, Rochelle showed plenty of promise, avoiding a shutout with a penalty-kick goal while holding the Bulldogs scoreless in the second half. The Lady Hubs finished strong, but the early hole was too deep to escape, with Streator defeated Rochelle 3-1. The Lady Hubs (0-1) face Kaneland on the road Wednesday, April 28.

"I was pleased with how we moved the ball and how we communicated on the field," head coach Brad Male said. "We have some work to do in a few areas and we were shuffling some players around to see what our options are as far as our movement on the field."

With starting center back Lizbeth Milan missing on the back line, Rochelle struggled to stay in front of the Bulldogs early in the match. Streator capitalized on two breakaways down the far sideline in the first half, scoring in the sixth minute to take a 1-0 lead before adding another unassisted goal in the 13th minute. Trailing 2-0, Rochelle saw its first chance to score

in the 25th minute, when a Bulldog defender committed a hand-ball violation inside the Streator box.

Senior Vianey Perusquia stepped up for the Lady Hubs, smashing the penalty-kick ball into the right corner of the Bulldog net to put Rochelle on the scoreboard. Streator quickly quashed the Lady Hub momentum, however, using another breakaway through ball in the 29th minute to score and give the Bulldogs a two-goal cushion. Neither team scored in

the second half. "I thought we had some first-match nerves and we had some miscommunication where we weren't covering for each other in the back," Male said. "I was pleased with how we played in the second half. I thought we showed better communication and I thought we had better ball movement. We need to stay close together so we can capitalize on our ball movement."

CELEBRITY EXTRA

Q: What can you tell us about Tyrus on "The app about the Martin Bros Customs shop near Greg Gutfeld Show" on Fox? Did he play pro football? Was he a pro wrestler? He's funny and very articulate. -- M.G.

A: The towering 6-foot-8 Tyrus was born George Murdoch. He was a big star with wrestling's WWE when he went by the names Brodus Clay and The Funkasaurus. After departing the WWE, he joined Total Nonstop Action Wrestling as

George Tyrus, the moniker he went by as a "Tyrus" contributor on Fox News' "The Greg Murdoch Gutfeld Show." Murdoch didn't play professional football, but he did play as an offensive lineman for the University of Nebraska at Kearney, where he majored in education. His dreams of going to the NFL ended when his appendix ruptured and some nerve endings were reportedly severed during the surgery, resulting in a limp in his gait. His first brush with fame, though, was as Snoop Dogg's bodyguard. If you're wondering what happened to "The Greg Gutfeld Show" on Saturday nights, it's now airing weeknights and is simply called "Gutfeld!" Tyrus, along with Katherine "Kat" Timpf and Tom Shillue, are among the on-camera personalities on Fox News' version of the late-night talk show.

Q: Could you tell me what happened to some of the people who worked for "Iron Resurrection"? Several are no longer on the show. - Brenda

A: "Iron Resurrection" is a reality show available on the MotorTrend network and

Austin, Texas. According to Distractify.com, they specialize in "bringing previously

> irredeemable automobiles back to life," but they don't just concentrate on the exterior.

The most recent fourth season

focused on owners Joe and Jason Martin and Joe's wife, Amanda. Phil Cato left the shop because he moved to the Atlanta area for his wife's job and to open Cato's Custom Upholstery (philcato.com). As for Javier "Shorty' Ponce, a Facebook message stated that he left to focus on his own shop in Dallas, DBA Shorty's Custom Paint (shortyscustom-

that he is a grandfather. Q: I was saddened to hear of the death of James Drury of "The Virginian" last year.

paint.com), and to be close to his family now

Where is he buried, and where is the actual ranch that was used in the series? -- K.S. A: "The Virginian" was the third-lon-

gest-running TV Western series behind "Gunsmoke" and "Bonanza." It was a 90-minute show that ran for almost a decade, which was an exhausting filming schedule as it was like making a movie every week, but Drury once said he "would have gone on for another 10 years." Shiloh Ranch was on the backlot of Universal Studios Hollywood on stage 34. As for Drury, he passed away at age 85 of

natural causes in Houston, and his grave is at the Elmwood Memorial Park in Abilene, Texas.
