Longtime board members retire

BY RUSSELL HODGES SPORTS EDITOR

ROCHELLE — Rochelle School District 212 recognized two longtime board members who will be retiring after nearly two decades of service. Brent Tracy and Bob Walsh were each honored for their hard work and achievements during the district's monthly board meeting Monday night.

"We want to thank both board members on behalf of our students, our staff and the entire administration," District 212 Superintendent Jason Harper

said. "Brent and Bob have helped me a lot over the last few years and they've been tireless supporters of what we've been trying to accomplish...We're really appreciative of everything they've done for RTHS and the district." Tracy has served on the

board for 16 years, while Walsh has been a board member for roughly 14 years. Both members received gifts from school administrators as a token of appreciation for their years of service to the board. District 212 will hold a reorganization meeting for the new board next Mon-

ROCHELLE — If you have any doubt about things getting back to normal, then you need to look into what the park district is doing.

At its regular meeting, the Flagg-Rochelle Community Park District board and its executive director, Jackee Ohlinger, talked about opening Spring Lake pool and events in the parks along with the regular appearance of a food truck.

Being closed for a season, Spring

Lake needed some attention, and she expects the repairs to be done before it opens Saturday, June 5.

The park district received a \$310,000 from the state's Open Space Land Acquisition and Development program (OSLAD). This is a grant program that was established by the Illinois General Assembly in 1986. The program matches funds provided by park districts, municipalities, forest preserve districts and other local government entities, providing up to 50 percent of the funding.

Ohlinger explained that they've already received half of the \$310,000 and will received the remainder upon completion of the Spring Lake project.

Although Spring Lake is the community's only outdoor public pool, there's so much more to it. It's built in an old quarry with springs, so issues arise from that. Ohlinger explained that the walls needed to be stabilized with both vegetation and timber.

See PARKS page 2

If you like food, it's the place to be

Rochelle Community Action Network (C.A.N.) will host its annual Food Truck

Fair on Saturday, April 24 from 11 a.m. to 2 p.m.

The event will be held at the downtown gazebo, located at 400 Rochelle.

N. Main St. in Three food trucks will be present including Ralfie's BBQ, Oasis Real

ROCHELLE — The Hot Dogs, Acres Bistro and Black Pearl Coffee.

Each vendor will donate \$100 to C.A.N. to support

"Guests can pick up

one or several to-go lunch-Mexican Food, Big D's es," said Michelle Pease, community development director for the City of Rochelle.

"This is an annual fundraiser for the Rochelle Community Action Network, which provides the annual holiday shopping trip for low-income Rochelle children, as well as the backpack program for Rochelle children and the coat drive." The Food Truck Fair

raises funds for several C.A.N. programs including the annual holiday shopping trip, which matches adult shoppers with low-income children in Rochelle.

Helping local families Two more events made

possible with the help of funds from the Food Truck Fair are the annual backpack program and coat drive. The backpacks, which

are filled with a variety of school supplies and additional essentials each spring, are given to Ro-See CAN page 2

RTHS event at stadium

ROCHELLE — Taking it back to the field, Rochelle Township High School graduation will be outdoors once again.

Principal Chris Lewis reached out to members of the Class of 2021 in a memo recently with an apology for all they have missed due to the Coronavirus and a promise of good news to come. "We are working with

the guidelines from the Illinois Department of Public Health on an outdoor graduation ceremony on the football field," Lewis It has been determined

that students will be limited to four tickets due to the guidelines, but the ceremony will be livestreamed so other family members can watch. Lewis added that the stadium is large enough to safely accommodate all the families who attend.

Graduation is on the calendar for 10 a.m. Saturday, May 29. The gates will open at 9 a.m. The event is under the guidance of the Ogle County Health Department.

What about the weather?

"If it looks like rain, we will push it later in the day. If it looks like an all-day rain, we will reschedule it to a later date," Lewis explained.

Lewis added that graduation will roll if there's light rain, so plan accordingly.

• In the case of truly inclement weather, the make-up date is 1 p.m., Sunday, May 30.

 Please consider our inclement weather plans if you are planning graduation parties. • If the rain continues

on Sunday, they will reschedule starting on Tuesday, June 1 at 6 p.m. From there, they will continue to reschedule it for the subsequent evening at 6 p.m. until they are able to complete it. Other guidelines

• Graduates will be socially distanced on the football field

 All participants and attendees will wear masks throughout the ceremony

• Students or guests presenting any symptoms of Covid-19, those who

fective pier that they recommend. "It's been wonderful to see the transformation of

Spring Lake. It's a beautiful facility and a blessing to have in our community,' Ohlinger said. As if that weren't exciting enough, there are

this summer. The Rotary Club is planning an event June 12 in both Atwood and

other outdoor activities

that are going to happen

Cooper parks. It'll include bands, local vendors and food trucks as well as events for the entire family. "Our main goal is to get the blood pumping in the community again," said Josh Carney, from Rochelle Rotary.

Tenth Avenue will be closed between the two parks and there will be alcohol served, also by local vendors. The event will be from

10 a.m. until 9 p.m. "This is not a fundraiser, just an event to get the community back together again," Carney added. The park district does

not assume any liability, the Rotary Club has insurance for the event. All the present board

members voted in favor of allowing the use of the two parks. On a side note, it was

mentioned that Fourth of July activities are scheduled to take place in the parks as well.

Another exciting, recurring happening will be Candy Cloud Food Truck will be in Cooper Park every Tuesday this summer.

The truck will feature Hawaiian shaved ice as well as other cool sweets. It's operated by Alex Edwards, out of Davis Junction, and it'll be in the park from 4-7:30 p.m. each week.

Edwards told the board he's fully insured and because he's been working with the City of Rochelle, he has his permits and a background check completed. He added that his crew will clean up after they close each night.

All the present board members voted in favor of the truck selling in Cooper Park each Tuesday.

Look for further coverage of the park district board meeting in Sunday's edition of the Rochelle News-Leader.

Some of the improvements at Spring Lake included landscaping, deck repairs, diving board upgrades and painting of the bathhouse.

Community Hospital Your Local Healthcare Resource.

On behalf of all staff members,

we want to thank all the individuals listed below, who volunteer their time to help us provide the very best care and service to RCH patients and visitors.

We can't do it without you!

Thanks Volunteers!

In honor of our volunteers, RCH is making a donation to the Rochelle Rescue Mission.

chelle children during registration before the upcoming school year. The coat drive, which takes place each winter, provides children with clothing such as coats, mittens, gloves, scarfs and more.

"The fair is a great way to get those food truck vendors out there and provide a delicious meal,"

Pease said.

"It's also a great way to raise funds for C.A.N. and the events C.A.N. provides for the City of Rochelle... We could potentially have kids in our community who have the opportunity to go Christmas shopping, receive a backpack and a winter coat. That way, we can help our kids have a really good year."

Drive thru vaccines

OREGON — The National Guard will hold another drive thru vaccine event tomorrow, April 22, in Oregon at the fire department, located at 123 N. Second St. in Oregon.

This event is for all residents in Illinois 18 years of age and over.

To make an appointment, call the Ogle County Health Department as (815) 562-6976.

Special school meetings

ROCHELLE — The Rochelle Township High School Board of Education will hold a special meeting on April 26 at 5:30 p.m. for the purpose of conducting a board reorganization meeting following the April

Likewise, the Rochelle Community Consolidated School District 231 Board of Education will hold a special meeting on April 26 at 6 p.m. for the purpose of conducting a board reorganization meeting following

The meetings will be held in the board room at Rochelle Township High School.

RTHS presents virtual plays this weekend

ROCHELLE — Rochelle Township High School will present "RTHS-TV," a collection of short plays that observe the human experience and inspire laughing as well as self-reflection.

The show is free and available from 7 p.m. Friday through 7 p.m. Sunday.

Director Amy Creuziger said four of our plays are from the Opens Friday, April 23rd at 7:00 pr anthology "Alone, Together," commissioned and originally

presented in June 2020 as part of the University of California, Santa Barbara, Department of Theater and Dance Launchpad Zoom Festival.

"The Yellow Line" by Kira Obolensky takes us on the road, "the road of life" with a couple and their relationship throughout life, all in one car ride.

The short plays "Rosebud" and "Dynamite Sales" both by Dan Castellaneta and Deb Lacusta. "Whitman V. the United States" was written by James Still.

Finally, "The Shakespeare Section" was written by Lynn Rosen.

Each piece shares a window into our relationships with work, new love, friends, our passions and hobbies. The plays are all tied-together with our original show, "The Relationship Doctors."

Crewing this spring's show are: Jennifer Heinrich, costume design; Ava Coglianese, prop design; Mirella Vazquez, sound design;

and original music created by Liam Wise.

Members of the cast include: Avery Auld, Ava Coglianese, Bella Nauman, Mikayla Preston, Victoria Sheehy, Paul Swartz, Grayson Yates and Ariel Zuer-

To watch the spring play, go to www. broadwayondemand.com and type in Rochelle Township High School in the search portion. If you experience difficulty please email info@broadwayondemand.com.

RTHS: Two retire Monday

From page 1

every board meeting and we always have a way of working together," District 212 Board President Tom Huddleston said.

"There were very few times where we had a split vote on the board and we usually developed a consensus. We've always been good about agreeing to disagree and moving forward and I think that's always been a great trait of our board. We're going to miss Brent and Bob very

much."

Agenda

Board members will be presented with recommended changes to the 2021 fiscal year budget during a hearing before the regularly scheduled board meeting. Board members renewed the yearly membership agreement with the IHSA and approved an intergovernmental agreement with Oregon Community Unit School

District 220 for a shared professional services position.

Vaccines

Harper said that RTHS and the OCHD will hold the first round of Covid-19 vaccinations for students 16 and older on Tuesday. Roughly 100 students will receive either the Pfizer or Moderna vaccine. Harper said that more vaccination clinics may be held in the

Obituaries

Marth L. Maxson

WHEELING—Martha L. Maxson, born March 22, 1946 in Rochelle, died peacefully in her home in Wheeling, Ill., on April 13, 2021. Martha, whom friends and family called "Martie," was the daughter of Ernest Delos (Cracker) and Florence Maxson.

Martha graduated from Rochelle Township High School in 1964 and went on to get a B.S. in physical education from Western Illinois University in 1969, a master's in physical education and health from Northern Illinois University in 1978, an English teaching certification from DePaul University in 1988 and an additional 60 master credit hours in an at-risk student curriculum from St. Xavier University in

Before starting her career as a teacher, Martha saw the world as a flight attendant for United Airlines, where she discovered her passion for travel and world culture.

She found a particular love for Paris, a place she visited often throughout her life. She shared this love with her friends

and family and introduced them to French culture. Martha

began her teaching career in the Chicago Public Schools. She ulti-

mately had a long career at Buffalo Grove High School where over

the years she taught P.E. and health, and coached swimming, volleyball, gymnastics and her favorite, dance. She was the director of

the Orchesis Performance Co. for several years.

She taught hundreds of students and instilled in them a passion for performing, something at which she excelled.

She also shared that enthusiasm with her nieces and nephew.

After her retirement in 2005, Martha continued to share her love of educating and inspiring students by teaching homebound high school students until 2017. Martha's busy teaching

> career never kept her from pursuing other interests. She modeled and was featured in many ads and commercials, including one for Canon Camera.

She loved playing the piano, swimming, reading, shopping and going to mov-

ies with friends as well as working Chicago Tribune crossword puzzles. Martha had a zeal

for everything she did. She always lit up a room and was a force of nature wherever she was.

Her family and friends will remember her fire for life and vibrant spirit. Martha was very active in both her personal and social life and continued

to be until Alzheimer's dementia began to rob her of the ability to do the things she loved. She will be so missed by her many friends and family.

She is survived by her friend and love, James Bernardi; sister, Susan Anderson (Donald Metzger); brother, Joel (Karan) Maxson; nieces, Olivia Metzger (Alexander Dennis) and Sarah Maxson; nephew, Harrison Metzger; three great-nephews; and many cousins and friends.

Plans for a memorial service for family and close friends are pending.

Memorial Contributions can be made to a fund in Martha's name aiding at-risk students at Buffalo Grove High School. Donations can be made via check (please put "Maxson Fund" in the memo line) and written out to the D214 Education Foundation, mailed to the Foundation at 2121 S. Goebbert Road in Arlington Heights, 60005. Donations also can be made by credit card directly to the fund online at this link: district214educationfoundation.salsalabs. org/maxsonfund.

RTHS student scholars listed

Based on ACT/SAT scores

ROCHELLE — The Illinois Student Assistance Commission (ISAC) is pleased to announce the 2021-22 Illinois State Scholars.

How they're chosen

These top performing students are selected annually based on their ACT or SAT exams and sixth semester class rank and are recognized for their exceptional academic achievement. Illinois State Scholars rank in approximately the top 10 percent of graduates from Illinois high schools.

While the Illinois State Scholars recognition is a non-monetary award, recipients receive a congratulatory letter from ISAC, a certificate of achievement

them in these adventures. He joined the ski patrol

at Chestnut Mountain so

he could combine his pas-

sion for skiing and helping

his surviving sons, David R.

Kasmar (Khirsten Kasmar),

Rochelle and Scott Kasmar

(Nora Cook) of Rome,

JREEN SREEN **Three** You can grow culinary herbs anywhere

tips

n honor of Earth Day, Jaya Jaya Myra, former immunologist turned mindbody wellness expert and bestselling author, highlights how nature and environmental conservation and sustainability are connected to mind-body wellness and health. #1 Spend more time

outdoors Take some extra time

to make outdoor time a priority. It has significant mental and physical health benefits. Make it a goal to spend some outdoor time daily. #2 Support a tree Even if you can't go and

plant a tree this earth day, you can support organizations and movements that are planting trees and helping to reduce environmental impact. Consider a donation. a

#3 Find your new favorite sustainable product

There are many sustainable products on the market — laundry strips instead of a giant tub of liquid detergent, bamboo toothbrushes instead of plastic, cleaning cartridges, reusable bottles, there's even sustainable clothing.

URBANA—Culinary herbs can add variety and splashes of color to any

deck, balcony or patio. This makes them an that add flavor to your

"My favorite group of plants to grow is culinary herbs."

excellent option for many small space gardeners.

"My favorite group of plants to grow is culinary herbs," says Jennifer Fishburn, a University of Illinois Extension horticulture educator based in Sangamon County. "These plants are good fillers in perennial and are a source of pollen and nectar for pollinating insects." The same herbs

herb gardens, and many

Jennifer Fishburn **UI Extension**

favorite food dishes do well in containers, says Fishburn.

They will need to receive full sun, she added. Gardeners can also

choose plants based on a theme. Design a pizza garden

with a container filled with oregano, sage, thyme,

marjoram, and winter savory. Or create a "lemon drop" using lemon basil, lemongrass, and lemon verbena.

Every container must contain a good quality potting media that is sterile, retains moisture and allows for aeration.

And since container-grown plants will need fertilizer throughout the growing season, purchase a potting media with slow-release fertilizer.

Drought-tolerant herbs do particularly well in containers. Tender, perennial herbs such as rosemary are good choices as well. Plants with a trailing habit look nice cascading over the edge of a pot.

Container gardens must be carefully watered;

their most common problem is under- or over-wa-

To water correctly, apply water until it runs out the drainage holes.

tering. .

Containers dry out quickly so check contain-

ers at least twice a day on hot, dry, windy days.

Harvest herbs regularly to keep the plant growth compact and bushy.

Herb plants are easy to maintain, can grow in

almost any full sun location. Most importantly, they give gardeners the satisfaction of eating the fruits of their labor.

Fun ways to celebrate Earth Day

Earth Day is a celebration of the planet that people, plants and animals call home. First celebrated in 1970, Earth Day was established to demonstrate support for environmental protection, and events are held each year on April 22. It is now coordinated globally by the Earth Day Network and celebrated in more than 193 countries.

People may wonder what they can do at a local level to make Earth Day a larger part of their lives. Here are just a few great ways to embrace Earth Day.

• Make it a point to bike or walk to school or work. If conditions are prohibitive, carpool to cut down on traffic. The fewer cars on the

road, the less emissions in the air. Recycle

e-waste in your home. E-waste is considered o u t d a t e d electronic appliances that are no longer used. The Environmental

Protection Agency suggests e-waste is the fastest growing waste stream in the world.

- Invest in a reusable coffee cup or water bottle. This can reduce the amount of trash that ultimately ends up in the environment.
- Connect with nature by turning off electronics for the day and getting outside. Head to a park or nature trail and immerse yourself in the great outdoors.
- Do something as simple as switching paper statements and bills to e-bills and online invoices. This reduces reliance on trees for new sources of paper.
- · Grow some edibles in your home garden or even on a windowsill. This is a fun, eco-friendly

way to control the foods you consume at home and a great way to save money as well.

- · Reusing and recycling does not just pertain to water bottles and aluminum cans. Find out ways to repurpose or share items with others so they get more mileage. Also, make use of sharing services like bike sharing kiosks or Yerdle, an online community sharing marketplace.
- · Volunteer your time at an organization that has an environmental focus. Or suggest a task with an eco-friendly slant, like picking up trash from a beach, to a local community group or club.

LETTERS TO THE EDITOR

Reader thanks medical staff

Dear Editor,

If I were to thank everyone for everything in their role before, during and after my recent surgery, you'd think I was giving an academy award thank-you speech. I'll keep it short.

Thank you Doctor Monfils and the entire staff at Rochelle Community Hospital.

Thanks to me my support staff: Cody, Debby, Erica, Hanna, John, Karen, Nelly, Pete and Tom. Thanks also to texters, callers and card senders.

Anyone I missed? Thanks.

I'll leave you with a line from my favorite film, 1967's "Bonnie and Clyde" (winner of two academy awards). "Ain't like grand?"

Plant-based products essential

Dear Editor,

Earth Day 2021's theme is Restore Our Earth – focusing on ways to prevent and reverse the impacts of climate change. Incorporating more products and materials made from renewable, plant-based inputs into our lives can help address our environmental challenges head on.

Using more plant-based products – including everything from household cleaners, packaging, textiles, building materials and more – can decrease our reliance on fossil fuels, reduce greenhouse gas emissions, and cut down on landfill waste. As the sustainable inputs used to create these products grow, they remove carbon dioxide (CO2) pollution from the atmosphere. And many of these products are compostable, helping provide much-needed organic matter and nutrients to our depleted soil resources.

The Plant Based Products Council is dedicated to promoting the adoption of more renewable products and materials. This Earth Day let's commit to using more renewable resources to create the products we use every day as an important step towards restoring our earth.

Jessica Bowman **Executive Director** Plant Based Products Council rare kidney disease and found himself nearing organ failure in 2019.

"It was strange, I found myself staring at that page and I couldn't make my hand move. The Holy Spirit was leading me. It is a difficult thing to describe but I not only felt compelled to move forward but also was very much at peace," Creemens said.

The two men, who are both in their 40s, did not know each other particularly well.

"I don't remember ever speaking with Steve one-on-one before this, but I listened to his sermons, so we had that connection," he said. When Creemens

began the process, he underwent several medical tests to see if his kidney would be a good match for Patzia. But he didn't inform his pastor that he was having the test done or contemplating being a

"I kept taking tests and I kept proving to be a good match. Finally, the doctors said I needed to tell Steve."

Creemens' inspiration to donate a kidney came from words of John the Baptist in the Gospel of Luke: "Anyone who has two shirts should share with the one who has none."

Creemens said he believed that admonition could apply as easily to someone with two kidneys as someone with a pair of shirts.

Pastor Patzia said he was shocked when Creemens made the offer. "I just knew that he

had called the church and scheduled a private meeting with me. I didn't know what it was about - but I wasn't

looking forward

to it," he said.

Creemens laughed and said, **Scott Reeder** "When someone wants to meet in private with the pastor, a lot of times it's about something really bad. So, I think I took him a bit off guard."

April is Donate Life Month in the United States. The two men illustrate the need and generosity present in today's transplant network. State and health officials say the need for organ donors remains high.

In August 2019 Patzia and Creemens underwent their surgeries at Barnes-Jewish Hospital in St. Louis.

"Some of my earliest memories were of being in the hospital at the University of Minnesota. This disease is something I had lived with my entire life," Patzia said. "When I woke up from surgery, I remember thinking, 'So this is what normal feels like."

Almost immediately after surgery his pallor gained a healthy glow, debilitating muscle cramps disappeared and urinary issues became normal.

"The biggest thing I noticed was that I wasn't tired all of the time. Before the surgery I needed 12 or 13 hours of sleep every day. After the surgery, I could get by with a normal seven or eight hours," Patzia said.

Creemens was released from the hospital after just one day.

"I was ready to go back to work about after two weeks. I ran a half marathon a few months after surgery," he said.

Patzia, who has two children with his wife Peggy,

recovered at home over four months. When he returned to the pulpit, the congregation gave both he and Creemens a standing ovation. "They were celebrat-

ing, being part of something bigger and that is what the church is all about," Patzia said. "We're all about community. We're all about loving each other, supporting one another. That's something Cherry Hills is amazing at doing, not just for their pastor, but for whoever's going through a difficult time or a difficult situation."

Patzia added he found spiritual significance in the transplant.

"Somebody who's willing to literally take the risk to give their kidney for the sake of another helped me see the cross in a whole new light," he said. "Jesus is not only willing to give a kidney, but gave his entire body so that we may have a new life. In the same way, Matt gave his kidney so that I could have new life."

Of the 18,000 individuals who donated organs in the United States in 2020 about 6,000 were living donors according to the Organ Procurement and Transplantation Network.

The need for organ donors remains great said, Dr. Marc Garfinkel, who heads the kidney transplant program at Memorial Medical Center in Springfield.

"One metric is that there are nationwide approximately 100,000 people waiting for a kidney transplant right now.

And there are only approximately 21,000 kidney transplants done every year. And the rate of additions to the waiting list outpaces the number of organ transplants." Illinois is a leader when

it comes to enrolling individuals to be potential organ donors, said Secretary of State Jesse White whose office administers the state's donor registry. "I learned more about

this program being the secretary of state, then I did being a state lawmaker,' he said.

"I realized now that ar individual can get a second chance at life or they car improve the quality of someone's life if they step up and say, 'Yes, I want to give this person a second chance at life. I want to give them an organ that will allow them to live a long and productive life."

LETTERS TO THE EDITOR POLICY

The Rochelle News-Leader encourages responsible letters to the editor on subjects of interest to our readers. Editing may be necessary for space, clarity or to avoid obscenity or libel, but ideas will not be altered. All letters must bear the handwritten signature of the writer and include address and phone number or e-mail address for verification purposes. Neither the street address nor phone number will be printed. Letters should be typed or legibly

handwritten, and no anonymous letters will be published. Any letters from boards or organizations must include at least one name of an individual. Any criticism of public officials should be limited to issues related strictly to their position or actions made in office, as personal attacks will not be published. Letters involving private disputes between the writer and a business will not be published. Political endorsements will be published,

however letters rom candidates endorsing themselves will not be printed. Letters may be dropped at the News-Leader office (211 IL Route 38 East), mailed to the News-Leader (P.O. Box 46, Rochelle, IL 61068) or e-mailed (news@rochellenews-leader.com.) The News-Leader reserves the right to edit or reject any letter to the editor for any reason, and letters chosen for publication do not necessarily reflect the views of this newspaper.

doing it."

Kish College receives crane, welding equipment

Canadian-based energy company Enbridge, Inc. also made its annual \$5,000 scholarship donation

MALTA—The Kishwaukee College Welding and Diesel Power Technology Programs were the recipient of a hydraulic crane truck and diesel-powered service level welder, courtesy of Enbridge, Inc.

The Canadian-based energy company donated the truck and equipment, along with an annual scholarship donation of April 7. Leadership from "You have \$5,000, during a ceremony at Kish on

the Kishwaukee College Foundation and Enbridge, along with students and program here faculty, were in attendance. Following the ceremony, ... there are a Enbridge guests stayed and worked with Kish students lot of welding during a training session with jobs out there the equipment.

"We're proud to continue that are goodsupporting engineering and welding students at Kishwaukee College through this You can make scholarship. We're also honored to be able to donate the a good living additional equipment, and we hope it enables students to experience specialized and real-world learning opportunities to help them achieve success in their field," said Dave Bareham,

Griffith Area Manager for Enbridge.

The new equipment offers expanded opportunities for Kish welding students, allowing them to train on identical equipment often found in professional welding jobs. Kish's Diesel Power Technology Program will also have access to the crane truck as a training aide.

"The possibilities are endless with the hydraulic crane," said student William Miller. "You can get certification for the crane and do some bigger welding projects with this type of equipment. There are a lot of new training opportunities with this donation."

Enbridge employees commented on the need for more skilled people in the

workforce, and the donation allows for expanded training

"You have an amazing program here, and we are happy to be able to support it," said Dan Morang, senior welder with Enbridge. "There are a lot of welding jobs out there that are good-paying jobs. You can make a good living doing it."

Along with the equipment donation, Enbridge made its yearly contribution of \$5,000 to the Kishwaukee College Foundation for the **Enbridge Energy Company** Pipeline Industry Awareness Dan Morang Scholarship. The scholar-Senior Welder ship was started in 2015 for students enrolled in the Enbridge, Inc. Automated Engineering Technology Program or

Welding Technology Program. "Kishwaukee College is committed to supporting the education needs for a skilled workforce in the local community. I want to thank Enbridge for their partnership and their continued support of helping educate and train our students," said Dr. Laurie Borowicz, president of

Kishwaukee College faculty and welding students gather for a demonstration of the diesel-powered service level welder donated by Enbridge, Inc. Dan Morang (kneeling), senior welder with Enbridge, gave a tutorial for the equipment, which was delivered with a hydraulic crane truck and the energy company's annual scholarship donation of \$5,000.

Kishwaukee College. "All of our students, now and in the near future, will benefit from this generous donation."

Enbridge has made several equipment donations and given guest lectures and demonstrations at Kish over the past several years. With a long history of supporting educational opportunities, the latest donation is further evidence

of the company's support of career and technical education.

For more information on the Kishwaukee College Foundation or the programs at Kish, such as welding or diesel power technology, visit www.kish.edu.

For more information on Enbridge, visit www.enbridge.com.

Leadership from Kishwaukee College, the Kishwaukee College Foundation and Enbridge, Inc. pose after Enbridge donated a hydraulic crane truck, a diesel-powered service level welder, and a yearly scholarship contribution of \$5,000 to the foundation The new equipment will benefit Kish's Welding and Diesel Power Technology programs. Pictured left to right are Greg Bennett, field operations supervisor for Enbridge; John Boesche, Kishwaukee College assistant professor of diesel power technology; David Losiniecki, heavy equipment operator for Enbridge; Dr. Kayte Hamel, executive director of the Kishwaukee College Foundation; Dan Morang, senior welder with Enbridge; Dave Bareham, Griffith area manager for Enbridge; Zachery Caccia, Kishwaukee College assistant professor of welding; Chase Budziak, dean of instruction; Dr. Laurie Borowicz, president of Kishwaukee College; Bernard Pupino, coordinator-career internships and apprenticeships; Emily Cutka, senior advisor, community engagement, public affairs for Enbridge; Jim Connors, Enridge community ambassador, northern Illinois; Dr. Joanne Kantner, vice president of instruction; and LaCretia Konan, director of workforce and community education.

Lady Hubs bounce back with win over Ottawa

Rochelle defeats Pirates 25-15, 25-22 as Senior Night approaches

(PHOTO BY RUSSELL HODGES)

Sophomore Payton Hale serves during the Rochelle Lady Hub varsity volleyball match against Ottawa on Tuesday.

BY RUSSELL HODGES SPORTS EDITOR

ROCHELLE — The first time Rochelle and Ottawa met this season, the Pirates were the aggressors who had the Lady Hubs on their heels. That wasn't the case Tuesday evening, when Rochelle's varsity volleyball team hosted Ottawa for an Interstate 8 Conference rematch.

Behind 21 assists from senior Clare Green and 17 kills from junior Sylvia Hasz, Rochelle's offense was in sync on Tuesday, collapsing the Pirate defense and forcing Ottawa into several hitting errors. After losing to the Pirates earlier this season, Rochelle earned its revenge, defeating Ottawa 25-15,

25-22. The Lady Hubs (7-9) host Plano for Senior Night on Thursday.

"Ithink we really picked on their hitters tonight," Green said. "We knew what shots they were going to make and we

were reading them much better on defense. Sylvia and I have learned a lot about how we each play and there isn't a ball that she and I aren't

going after it 100 percent. It's really nice that we've been able to develop that trust in each other."

Seniors Alexis Sanford and Ellie Kinn combined for 15 digs in the match, which started with Rochelle building a sixpoint lead, 15-9, midway through in the first set.

Call 507-825-2532 to explore

your future with us.

No experience necessary - we will train Full-time Employees average 40-45 hrs/wk,

Overtime after 40 hrs Background screening required Needing a chance to reset, Ottawa called a timeout to stall the Lady Hub momentum, but Rochelle continued to attack, rallying behind Green and Hasz to increase its lead to as many as 13 points.

Trailing in the

match, Ottawa

briefly bounced

back in the second set, opening with a 6-3 run. The Pirates immediately saw their advantage fade away, however, as the Lady Hubs scored four straight points with Hasz on the

serve to take the lead. With

the match tied 10-10 and sophomore Anna Harvey serving for the Lady Hubs, Rochelle broke off an 8-0 run. The Pirates fought back to within two points, but a hitting error on the Ottawa side sealed the victory.

"With everything happening between COV-ID-19 and having so much time off, I think we've made the most of our season," Green said. "We're ready to get one last win on Thursday. I want to show my teammates that I work hard for them and I want them to work hard for me."

Third in the Interstate 8

Rochelle closes out season with 3-1 victory over Morris

BY RUSSELL HODGES

SPORTS EDITOR

nior members of the Rochelle Hub varsity soccer team wanted to make the most of their shortened spring season this year. That journey came to a conclusion Saturday, when Rochelle faced Morris for

third place in the Interstate

8 Conference tournament.

ROCHELLE — Se-

After drawing the Redskins 0-0 earlier this season, Rochelle came out with more firepower during the rematch, scoring two second-half goals and holding off a late surge to defeat Morris 3-1 and take third in the conference tournament.

The Hubs finished 6-5-1

overall for the year. "I thought we did an excellent job today and I thought we executed our strategy that we worked on during practice," senior Josh Hurtado said. "We communicated well and moved the ball around. We did a better job of finding the open spaces, which we struggled with earlier in the season... We all said before the season started that a shortened season was better than nothing, the seniors wanted to make the most of this because it was going to be our last time playing here. I thought that we ended our season pretty well."

The Hubs possessed the ball well during the first half, breaking the scoreless tie during the 13th minute on a free kick that senior Zane Walters booted through the Morris defensive wall. Although the Hubs led 1-0 at halftime, Rochelle was forced to retreat on multiple second-half possessions as the Redskins began working the ball around and putting several shots on goal.

Morris was unable to convert on its chances, however, allowing Rochelle to extend its lead during the 64th minute, when senior Juan Cincire rolled a right-footed pass to freshman Eli Luxton, who smashed the ball into the Redskin net to put Rochelle ahead 2-0. But Morris capitalized on a breakaway shortly after, scoring in the 69th minute to cut the Hub lead.

As the final minutes approached, Rochelle netted a much-needed insurance fellow freshman Diego

(PHOTO BY RUSSELL HODGES)

Senior Juan Cincire battles for the ball during the Rochelle Hub varsity soccer match against Morris on Saturday. Cincire had one assist in the victory.

Salazar in the 79th minute a sense of closure for the goal, with Luxton finding Hubs, who lost in the thirdplace match last season.

"We definitely came out this season definitely was a motivated to win and we to effectively seal the Hub and passed the ball better blast. We had so much fun didn't want our season to victory. The win provided than we did the first time we and it's sad that this was end with a loss. We wanted faced them," Cincire said. my last season, but it was that third-place finish and I "I'm really proud of how awesome that we ended thought we played an awewell we communicated and it with a win. We were

RTHS Volleyball

Sandwich takes conference rematch with Rochelle

Green, Hasz record double-doubles in 14-25, 25-21, 16-25 loss

BY RUSSELL HODGES

SPORTS EDITOR

ROCHELLE — Lady Hub volleyball standouts Sylvia Hasz and Clare Green have been in unison throughout the season. Their combined efforts resulted in each of them netting double-doubles Monday evening, when Rochelle hosted an Interstate 8 Conference rematch

with Sandwich.

Hasz and Green spearheaded the charge for the Lady Hubs, who split the first two sets with the Indians before conceding a late rally and ultimately falling 14-25, 25-21, 16-25. Green netted 26 assists and 10 digs for Rochelle (6-9), while Hasz scored 19 kills and added 17 digs in the loss.

"They play a lot of club volleyball and they always come to practice and matches ready to go," head coach Molly Sly said. "They have a winning attitude and we saw a lot of that tonight. They play with their hearts on their sleeves and it was fun to see them

working together so well." Rochelle defeated Sandwich earlier this season, "We didn't come ready to play today. Clare and Sylvia showed up and wanted it all three sets. Sandwich caught us on our heels unfortunately and we need to be on our toes."

Molly Sly

but the Indians opened the match on Monday with the upper hand. While the Lady Hubs were within striking distance for most of the first set, Sandwich rallied off eight unanswered points with a 17-14 advantage to put Rochelle away and secure the 1-0 set lead. The Lady Hubs bounced back in the second set, opening on a 10-3 run behind several sets and kills from Green to Hasz. The rally forced Sandwich to call a timeout.

"We didn't come ready to play today," Sly said. "Clare and Sylvia showed up and wanted it all three sets. Sandwich caught us on our heels unfortunately and we need to be on our

Sandwich brought itself within two points, 15-13, before Hasz strung together four straight kills to extend Rochelle's lead and hold the Indians off during the second set. The Lady Hubs played Sandwich to a 9-9 tie to start the third set, but three consecutive points from the Indians forced Rochelle to stop the match with a timeout. The unanswered points were the beginning of an 11-3 Sandwich run that ultimately proved too much for the Lady Hubs to overcome Monday.

"I felt that we couldn't move on after we missed a point," Sly said. "We were getting down on ourselves and we weren't able to move on from the little mistakes. We're hoping that our girls can learn from that. It's not about what happened during the last point, it's about what's next."

(PHOTO BY RUSSELL HODGES)

Rochelle teammates Ella McKinney (left) and Afi Gati (center) block a kill shot during the Lady Hub varsity volleyball match against Sandwich on Monday.
