Ogle County 15th Judicial Circuit Court Judge John "Ben" Roe swears in Ogle County Sheriff Brian VanVickle as president of the Illinois Sheriffs' Association.

VanVickle sworn in as Illinois Sheriffs' **Association president**

"I'm looking

continuing

coalition

with the law

and moving

forward to

work with

legislators

forward."

Ogle County

Sheriff Brian

VanVickle

going

Sheriff Brian VanVickle was sworn in as a liaison with Illinois legislators, both

to serve as President of the Illinois Sheriffs' Association on Feb. 11 at the Virtual Winter Training Conference forward to in Springfield.

VanVickle has served on the Illinois Sheriffs' Association Executive Board for six years, having been nominated enforcement by DeKalb County Sheriff Roger Scott, and served the Northern Region while on the board.

"I've served on the executive board for six years and have been helping the past president," VanVickle said. "I'm looking forward to continuing with the law enforcement coalition and moving forward to work with legislators going forward."

VanVickle replaces outgoing president, Wayne County Sheriff Mike Everett. The ISA 2021 first vice president is Putnam County Sheriff

Kevin Doyle. Van Vickle's term is one year. The ISA was founded in 1928 to facilitate communication and cooperation between sheriffs and encourage more professional training and growth. Now in its 93rd year, the association continues to foster that communication, and has become a leader in offering innovating training programs for Illinois Sheriffs and their

SPRINGFIELD — Ogle County support teams. The Association also serves

introducing and tracking bills that will impact the criminal justice system in Illinois and the communities we serve. The ISA also focuses on today's youth, which hold the key to society's future. The ISA encourages youth by

supporting and creating various youth-oriented programs and offering scholarships. VanVickle is in his 13th year of law enforcement and started as a police officer with the Rochelle Police Department prior to running for the office of Ogle County Sheriff. He was elected Ogle County Sheriff in 2014 and is currently serving his second

VanVickle has been married to his wife, Marla, for 26 years and have two adult children, Zech and Ali.

Sheriff VanVickle's professional associations include

Illinois Law Enforcement Alarm System treasurer, co-chair of the Illinois Incident Management Team, Northwest Illinois Incident Assistance Team, co-chair/incident commander and Rochelle Township High School Board of Education member.

Ogle County 15th Judicial Circuit Court Judge John "Ben" Roe swore in Van Vickle as ISA president on Thursday.

Hearing options

Elementary district hosts parent meeting about school plan

BY RUSSELL HODGES SPORTS EDITOR

ROCHELLE Families in Rochelle School District 231 had an opportunity to listen and voice concerns at a public meeting Thursday evening regarding Superintendent Jason Harper's recent proposal to shift the district from a neighborhood school model to an attendance center model.

The transition to an attendance center model would result in May School closing and District 231 moving forward with three schools (Lincoln, Central and Tilton) for the 2021-22 school year and beyond. Preschoolers, kindergarteners and first-graders would attend Lincoln School, while second and third-graders would attend Central School and fourth and fifth-graders would attend Tilton School. Rochelle Middle School would see no changed with the transition.

"We have a problem the district is facing and that challenge is that May School is projecting to be only half full next year," Harper said. "That means there would only be six full classrooms... Our enrollments across the district have continued to sharply decline over the last two decades. We've seen about a 12 percent decline over the last 10 years and a 21 percent decline over the last 20-to-25 years... We averaged about 190 kids at each grade level over the last 25 years until about 2013. We have 140 kindergarteners this year and we're projecting 120 next year."

Harper said lower district enrollment and more

Superintendent Jason Harper explained the elementary district's plan to move to an attendance center model at Thursday night's parent meeting.

families choosing to enter students into the district's Dual Language program, which is run through Central and Lincoln Schools, are the two biggest contributors to May School's lower enrollment projections. According to Harper, 65.3 percent of district kindergarteners participated in the Dual Language program this year as opposed to 34.3 percent last year, while 67 percent are projected to participate in the program

next year. As a result of increased Dual Language program participation, 29 percent of second-graders, 41 percent of first-graders and 53 percent of kindergarteners are not attending their neighborhood school, which is determined by district boundaries in proximity to the school. Harper said a transition to an attendance center model would not change the Dual Language pro-

Water generator bid approved

BY RUSSELL HODGES

SPORTS EDITOR

HILLCREST—Village trustees approved a bid from Engel Electric Company in Sterling amounting \$128,670 for the water generator replacement project. The village received seven bids for the generator project, which was originally estimated to cost around \$180,000.

The new water generator will cover both the

village water supply and the village hall in case of an emergency. Baxter & Woodman's Carl Fischer said work on the project is scheduled to begin in early March. Fischer also said the project is expected to be completed by late September.

Seal coat work

Hillcrest will be conducting seal coat work on the north end of the village this year. The cost for the seal coat work will be \$44,000 and motor fuel tax revenue will be used for the project.

A meeting regarding the annexation of land for the solar farm project was postponed until next month due to a miscommunication. The annexation meeting will be scheduled for 6:30 p.m. on Wednesday, March 10 with the monthly board meeting beginning 30 minutes afterward.

American Legion meets

The bimonthly meeting of the Arnold Heltness American Legion Post 403 was held at the VFW on Feb. 10. The speaker was Alan Jones, World War II historian. The topic was the Battle of the Bulge: How General Patton withdrew from a southern winter battle and traveled north to relieve the besieged city

of Bastogne. Pictured from left to right are Finance Officer Eric Welles, Past Commander Gary Tarvestad, Sargent at Arms Tom Hill, Chaplain Paul Bearrows, Alan Jones, Commander Chuck Roberts, Co Adjutant Hugh McDermitt, Vice Commander John Gruben and Co Adjutant Steve Korth.

Senator Stewart to serve on Senate committees, ethics commission

SPRINGFIELD – State Sen. Brian Stewart (R-Freeport) has been asked to serve as a Spokesperson for the Senate Pensions Committee for the 102nd General Assembly.

The 45th District Senator has also been named as a member of the Senate Agriculture, Energy and Public Utilities, Financial Institutions, Health Care Access and Availability, Judiciary, and Veterans Affairs committees.

The Senate's standing committees analyze legislation dealing with specific subject areas, such as education, agriculture and transportation. Committees screen legislation introduced by all members and usually only those bills approved by a committee may be considered by the entire Senate.

Stewart also currently serves on the Legislative Ethics Commission, which works with the Legislative Inspector General in investigating allegations of misconduct by state lawmakers and staff.

The 45th District includes all or part of Carroll, DeKalb, Jo Daviess, LaSalle, Lee, Ogle, Stephenson, Whiteside and Winnebago counties.

Stewart's legislative and constituent services offices are located at 50 W. Douglas St., Suite 1001, Freeport, IL 61032 (815-284-0045); 105 E. First St., Suite 110, Dixon, IL 61021 (815-284-0045); and 105C State House, Springfield, IL 62706 (217-782-0180). His e-mail address is brian@senatorstewart. com and his Web site is http:// senatorstewart.com/.

Stewart also has a Facebook account (https://www.facebook. com/senatorstewart/) and a Twitter account (https://twitter.com/Brian-WStewart) to communicate with 45th District constituents.

900 N. 2nd St., Suite 200, Rochelle, Illinois

Change to visitor restrictions, departments reopening at hospital

ROCHELLE — In response to the decrease in the COVID-19 positivity rate, effective Monday, Feb. 15, Rochelle Community Hospital has announced a change in visitor restrictions. Also, the cafeteria will reopen to the public, an increase Fitness Center capacity and support groups will resume meeting onsite.

In all areas of the hospital, patients and visitors are reminded they are required to social distance and masking is required at all times. Screening is required.

Rochelle Community Hospital inpatient visitor restrictions will allow one dedicated visitor per patient in the facility for inpatients who are not being treated for COVID-19. RCH is easing, not eliminating, visitor restrictions. We know that when patients have a loved one with them they have less anxiety and often have better outcomes. Therefore, one dedicated visitor per patient will be allowed on the Medical/Surgical floor.

Cafeteria

The cafeteria is open to the public with limited seating Monday through Friday from 7 to 9 a.m., 12-1:15 p.m. and a made-to-order menu from 5 to 6:15 p.m. Weekend hours offer items from the made-to-order menu available from 12 to 1:15 p.m. and 5 to 6 p.m. Catering orders are also resuming. Menus are available online at www.rochellehospital.com/patients-and-visitors/ food-and-nutrition/.

The Fitness Center will be increasing its current capacity to 50 percent or 10 members in the department exercising at a time. Members who are working out will need to wear face coverings at all times, including while engaged in individual exercise regardless of the member or the machine spacing. Appointments are required to exercise and members are asked to call 815-562-2181, ext. 2730 to reserve a time.

Support groups

These support groups can now resume meeting at the hospital:

Alcoholics Anonymous, open meeting Sundays from 7 to 8 p.m. in the Auxiliary Room

Narcotics Anonymous, Fridays from 6:30 to 8:30 p.m. in the Auxiliary Room Group Hope, Mondays from 6:30 to 7:30 p.m.

in the Health & Wellness Center Conference Room Although COVID-19 vaccination is underway

and the positivity rate has dropped, the pandemic is not over. Rochelle Community Hospital reminds you to take the following effective steps to protect our families, our communities and yourself: Wear your mask.

Watch your distance—stay at least six feet from others.

Wash your hands frequently.

Mount Mercy announces **Dean's List**

CEDAR RAPIDS. **Iowa** — Morgan Baker, of Rochelle, has been named to the Dean's List following Mercy University's fall semester.

Located in Cedar Rapids, Iowa, Mount Mercy's more than 1,800 students come from around the globe, creating a vibrant, diverse and open-minded

campus community. Popular undergraduate majors include business, nursing, criminal justice, education and social work. Master's programs are offered in criminal justice, strategic leadership, business administration (MBA), education, nursing, and marriage and family therapy.

Doctoral programs offered are Doctor of Nursing Practice and Ph.D. in Marriage and Family Therapy.

For more information on Mount Mercy University, visit www.mtmercy.

SCHOOL: Board to make decision at April meeting

From page 1

"I think there are educational outcomes that will be improved," Harper said. "It would also allow our district to allocate our resources and our specialists based on grade level and need as opposed to a standard approach in each building. There's also a financial impact including savings in the first year and beyond... There are two impending factors that will impact our financial state. Those include the minimum wage increasing to \$15 an hour and the state mandating that teachers have a \$40,000 base pay minimum. This is a way for us to proactively save and avoid any potential for more cuts and increased class sizes in the future."

Harper initially proposed the transition during the monthly District 231 Board of Education meeting on Tuesday. Harper said the district would save around \$200,000 next year and around \$300,000 the following year onward if the board decides to close May School and transition to the attendance center model. Harper said he plans to update the board with feedback from teachers, parents and community members during next month's meeting on Tuesday, March 9.

"What we're looking to do is improve this recommendation for the board," Harper said. "We know it isn't perfect and we know there are downsides. We've heard great ideas from parents, teachers and people who are familiar with how the model works in other communities."

Harper said a transition to the attendance center model would allow the district to assign one teacher per grade level for remote learners if the district remains under COVID-19 mitigations, which would then allow for full-day, in-person learning next year. District 231 has operated under a hybrid learning model this year, with students who opted in attending school during the day and learning remotely during the afternoon. Harper said roughly 25 percent of students opted out for full remote learning, while between 1-2 percent of students have left the district. In addition to the Span-

ish public meeting that followed the English public meeting Thursday evening, Harper said teacher and staff meetings at all four elementary schools have taken place this week. Harper said a vote on the transition to an attendance center model will take place during the board meeting on Tuesday, April 12 at 7 p.m. at Lincoln School. If approved, Harper said the district will begin implementing the transition from May through August.

A slideshow from Harper's board presentation on Tuesday can be viewed on the Rochelle Elementary District 231 Facebook page. Additionally, You-Tube links to the English and Spanish presentations Thursday evening, as well as links to the full Tuesday presentation and a short video explanation of the attendance center model, can be viewed from the Facebook page.

WADDY, Ky. — Sylvia "Lorene" Babb, 90, formerly of Rochelle, went to be with her Lord and Savior, Jesus Christ, on Tuesday, Feb. 9, 2021.

Lorene was born on Nov. 22, 1930 to Veston and Mary (Williams) Pankey in Bradford, Arkansas. On Feb. 15, 1947, she married Floyd Robert Babb in

Watervliet, Michigan. He preceded her in death on June 1, 2005. Lorene worked for many years

at Caron Spinning in Rochelle. For over 50 years, she attended FGB church of Rochelle. After moving to Kentucky, she attended Salem Baptist Church in Shelbyville. Lorene is survived by her three

children, Florence (Jim) Robertson

Sylvia Babb

of Surprise, Arizona, Vetta Barton of New Albany, Indiana, and Stanley (Sherry) Babb of Waddy, Kentucky; seven grandchil-

dren, Jeff (Deb) Robertson, Kristen (Keith) Griffith, Chadd (Heather) Barton, Derek (Sarah) Barton, Timothy (Amy) Babb, Amy Tofa and Tonya (Geraldo) Bonilla; 18 great-grandchildren, Josh Ayres, Shon Robertson, Haley, Landon and Noah Griffith, Whitney Frank, Tristyn, Ella and Bryce Bar-

ton, Alexander, Sarah, and Hannah Babb, Quinlen Tofa, Colton Babb, Kelsey Bays and Brayden, Reiley, and Alessandra Bonilla. Also, one great-great grandson, Drew Ayers. She loved her family, and her

family loved her greatly. She will

surely be missed by all.

In addition to her parents and husband, she was predeceased in death by two brothers, Edward and Jack Pankey, and two sisters, Nadean Whitener and Irene Babb. She was also predeceased by son-in-law, Tim Barton, and granddaughter, LeAnne Babb.

The visitation will be from 10 a.m. to 11 a.m. on Saturday, Feb. 13 at the Unger-Horner Funeral Home, 400 N. 6th St., Rochelle. The funeral service will follow at 11 a.m. with Pastor Don Dingus officiating. The service will be live streamed on the Unger-Horner Funeral Home Facebook page. Burial will be at Trinity Memory Gardens in Rochelle.

Visit www.ungerhorner.com to sign the online guest book.

Emmett Barnes

MALTA — Emmett Leroy Barnes, 89, Malta, passed away peacefully on Friday, Feb. 5, 2021 at Kishwaukee Hospital, DeKalb, after a short illness, and went to be with our Lord.

Emmett was born on the farm outside Esmond in 1931. He grew up tending to the animals and working in the fields, and often talked about his time baling hay. He attended Rochelle Township High School and shared many stories of his "shenanigans" with friends, and his

favorite motor-powered bicycle. He took piano lessons and then was interested in becoming a draftsman, so his mother signed him up for a correspondence course. One of his first jobs was as a draftsman at Ideal Industries in Sycamore. He was a talented artist.

He married Pauline Jones in 1952 and they lived in Sycamore, and then DeKalb with their three children. Emmett was also a draftsman for Wurlitzer Company, worked at Mel Elliott Music Store and Palmer Music Store as a salesman and teaching piano and organ lessons.

His family moved to Steward in 1963 and they added their fourth child. Emmett was mayor of the village in the late 60s/early 70s and one of his proudest accomplishments was starting the event, "Farmers Market Days" (along with other community members) to raise money to develop the village park and purchase playground equipment, some of which is still there today being enjoyed by many. His original drawing of his vision for the park is still hanging on the wall of the village hall. During all of those years, he played piano and organ with different musician friends and sometimes solo all over the DeKalb area at special events, supper clubs, and the DeKalb Elks Club. His talents, in addition to his humorous personality, drew many

He opened Barnes Music in the

HOW TO CONTACT US

Mike Feltes

Mike Feltes

70s and his family also moved to Rochelle at that time. The music store touched the lives of many and was a place of family and friends gathering to be together, typically

ending in a jam session. Emmett obtained his private pilot's license and enjoyed flying his family and friends around, enjoyed fishing, riding his motorcycle, golfing, and doing woodworking in his basement. After the store closed in the 80s, he opened a wood shop in Rochelle. He married Marilyn Krahenbuhl

Harleman on June 11, 1988, and moved to Malta, expanding his beloved family to include two stepdaughters and their families.

He moved the shop to Shabbona and one of his favorite things to do all of those years was to hang out at the shop with his buddies and friends who visited, and to go to the Shabbona Cafe down the street for coffee or a meal and to hang out with more. He also enjoyed his Sunday night dinners at the Junction in DeKalb with his buddies there.

In addition to the shop, he worked as a draftsman for Mayrath in Compton, went back to school at Kishwaukee College in his 60s to learn CAD, and then worked at Alloyd and Algus Packaging in DeKalb before devoting all of his time to the shop. He enjoyed taking his woodcrafts to craft fairs all over the area and was one of the longest running vendors at Oregon's "AutumnFest" attending for 30 years. Again, he was surrounded by family and friends at these events as they either came to work the booth with him, or stopped to chat awhile.

He and Marilyn enjoyed taking trips together to Shipshewana in Indiana and to the Amana Colonies in Iowa (both which carried his wood products) where one shop owner would bring out her accordion, call in friends, Emmett would sit down at the organ and they'd all enjoy a jam session. He also enjoyed going to his stepdaughter and husband's condo up north, visiting and fishing.

Emmett loved spending time with his children and grandchildren, joking around and playing music together. He was known for his clever wit and humor. He also had a sweet, sensitive side that was cherished by his family. He brought smiles and laughter to most everyone he met. People loved being around him. He had an attitude that he was going to live his life the way he wanted and he did just that, enjoying everything

Emmett was predeceased by his son, Brian; granddaughter, Kristen Bucey; parents, Russell and Edith Barnes, Rochelle; brothers, Edwin (Marilyn) Barnes, Esmond, brother, Charles (Delores) Barnes, Paris; and baby sister, Mary.

Survivors include his wife, Marilyn; his children, Pamela (Mark) Bucey, of Byron, Nora (Ron) Jeter, of Rockford, and Nola (Anthony Greco) Addante, of Bartlett, and their mother, Pauline Jones Barnes Cultra, of Rochelle; his stepchildren, LuAnn Samardzija, of Sycamore and Mary (Todd) Olson of Sycamore; eight grandchildren; 11 great-grandchildren; six step-grandchildren; six step-great grandchildren; his sisters, Doris Lindaas, of Rochelle, and Susan (Allen) Crowther, of Elmhurst; sister-in-law, Delores Barnes, of Paris; numerous nieces and nephews, cousins; his beloved cat Blackie; and many friends. His friendly, humorous presence will be missed by all.

There will be a walk thru visitation (no family present) from 4 p.m. to 5 p.m. on Friday, Feb. 19 at the Unger-Horner Funeral Home, 400 N. 6th St., Rochelle. There will be a private family funeral service at 11 a.m. on Saturday, Feb. 20 with Pastor John R. Hilbelink officiating. The service will be live streamed on the Unger-Horner Funeral Home Facebook page. Burial will follow at Malta Cemetery in Malta.

Visit www.ungerhorner.com to sign the online guest book.

Officers arrest man for misuse of 9-1-1

On Feb. 5 at 9:30 a.m., Rochelle police arrested Steven Farmer, 58, of Rochelle, for misuse of 9-1-1. He was transported to jail.

On Feb. 6 at 10:08 p.m., Rochelle police cited Mario Amezola, 51, of Rockford, for no insurance. He posted a promise to comply.

On Feb. 7 at 3:08 p.m., Rochelle police cited Julio Espinoza-Lopez, 29, of Rochelle, for no valid driver's license and improper turn. He posted an I-bond.

On Feb. 7 at 8:41 a.m., Rochelle police cited Chad Shaw, 39, of Rochelle, for possession of cannabis in motor vehicle. He posted a promise to comply.

On Feb. 7 at 8:48 a.m., Rochelle police cited Ramon Samano, 22, of Rochelle, for failure to reduce speed to avoid an accident. He posted a promise to comply.

On Feb. 9 at 2:33 p.m., Rochelle police cited Diorgenis Rodriguez-Leyva, 33, of Rochelle, for speeding. He posted a promise to comply.

On Feb. 9 at 4:59 p.m., Rochelle police arrested Alex Gonzalez, 26, of Rochelle, on a DuPage County warrant. He was transported to jail.

On Feb. 10 at 7:55 a.m., Rochelle police arrested Miguel Medina, 33, of Rochelle, for driving while license revoked. He posted an I-bond.

On Feb. 10 at 7:25 a.m., Rochelle police cited Taylor Sherril, 25, of Rochelle, for failure to reduce speed to avoid an accident, leaving the scene of an accident, failure to give information after striking a vehicle and failure to report an accident. She posted an I-bond.

Report policy

Any arrests listed in this paper are merely charges and the defendants are presumed innocent unless proven guilty in a court of law. Please note that all police

reports received from

the Rochelle Police, the

Ogle County Sheriff's Department and the Illinois State Police, will be printed without exception. Requests to omit particular reports will not be considered or honored

at any time.

Practical ways to live in God's kingdom

URING His ministry on Earth, Jesus' message was, "Repent, for the kingdom of heaven has come near" (Matthew 4:17 NIV). And throughout the New Testament, there are scriptures about the Kingdom of God or the Kingdom of Heaven.

This kingdom isn't one that we see with our natural eyes, but it's more important than the physical world around us that we do see. That's why the apostle Paul prayed for the Ephesians "that the eyes of your heart may be enlightened in order that you may know the hope to which he has called you, the riches of his glorious inheritance in his holy people" (Ephesians 1:18 NIV).

The eyes of our heart see things by faith in God as we come to believe His Word more than what we see and feel in the natural world around us. And as we believe what God says more strongly than anything else, we begin to experience the promises of God—Kingdom living.

One of the most important things we need to believe by our faith in God is the knowledge that He loves us and wants to fill us with "all the fullness of God" (Ephesians 3:17-19). Romans 8 says that "in all things God works for the good of

those who love him" (v. 28) and "we are more than conquerors through him who loved us" (v. 37).

Being "more than conquerors" means that we know we've won the battle before it even starts. And when we're walking through it, we have assurance that it's going to end well. When difficult times come in my life, I often say, "This is going to end well." I believe I will know something I didn't know before and I'll be a better person than I was before.

We can encourage ourselves to stay in faith by realizing there is a lot going on in our lives that we can't see. I like to remind myself that just because I may not see anything happening in my circumstances, it doesn't mean nothing is happening. God is always working as I put my faith in Him, and He does a lot before I actually see the results.

In order to stay in faith and live in the

Kingdom of God, we need to keep it in mind more consistently. Colossians 3:2-3 says to "set your minds on things above, not on earthly things. For you died,

and your life is now hidden with Christ in God."

Real life is found in Christ, by having a personal relationship with Him, receiving Him as Savior and trusting that as you confess your sin and give Him your heart, you are born again (2 Corinthians 5:17,21). In Christ, you are a new creation and

you have right standing with God. He is not mad at you, and He not only forgives your sins, but He forgets them; He removes them from you "as far as the east is from the west" (Psalm 103:12).

When you really know this in your heart, you can live by faith and experience Kingdom living here on Earth! You can have God's peace that surpasses your understanding and be anxious for nothing in every situation (Philippians 4:6-7). You can be "filled with an inexpressible and glorious joy" (1 Peter 1:8).

You can know that "the one who is in you is greater than the one who is in the world" (1 John 4:4) and you can do everything He is calling you to do through Christ who strengthens you (Philippians 4:13).

Hebrews 11:1 says faith "is confidence in what we hope for and assurance about what we do not see." Having faith is easy until you're tempted to give in to doubt and unbelief. A lot of doubt and unbelief comes by paying too much attention to what we see and feel, rather than believing what God says about who He is and what He wants to do in our lives.

I want to encourage you to stir up your faith! Spend time with God in prayer. Study the scriptures in this article and look up others that help you get a better perspective of the life God has planned for you.

Choose to believe that something good

Choose to believe that something good is going to happen to you and through you as God works in your life. This is the key to actually living in His Kingdom more than the world around you—by faith.

Attendance center model makes sense

Dickow

see there is some consideration for creating attendance centers for Rochelle elementary school children. Lincoln would house pre-k, kindergarten and first grade, Central

would house second and third and Tilton would house fourth and fifth grade students.

This was brought up long ago when I was still teaching. I felt it would "even out" education in our schools. When I taught way back when it was not unusual for my fifth grade class to have 16 or 17 students while another had 24 and vice versa. Having all grade levels in one building would help eliminate that problem plus allow curriculum to be presented in a more unified manner. And there will be some cost savings in only operating three buildings while "mothballing" a fourth.

The issue of neighborhood schools will be brought up, but there are a lot of current students not in their neighborhood school. In fact, some neighborhoods don't even have a school. It may take some coordinat-

ing for parents when it comes to school events, especially if they have children in three different elementary buildings. A decision won't be made

until April with implementation possible at the start of the school year next fall.

I am sure you have an opin-

ion. Issues like this could anger a community. People get upset because their children can't attend the school they attended or the school right across the street from their house.

I ask that when you talk about this you remain open minded and most of all, considerate. You don't like the idea? Give your reasons why, but please don't call people names or

If you have questions, Superintendent Jason Harper can be contacted at jharper@rthsd212.org.

And watch the paper for more information or meetings on this important topic.

A shout out to Rochelle Community Hospital staff for the excellent COVID vaccination event they recently held. My wife and I are in our 70s and have some health concerns, so when the 1B category became eligible, we signed up.

I don't like shots. At one point in life, fainting was a possibility when I saw the needle.

But last Friday my wife and I and a few hundred other folks got our shots. It was painless, with the only discomfort a sore arm the next day.

Thanks also to the First Presbyterian Church for making the space available for the event.

Terry Dickow can be contacted at terrydickow@gmail.com

Pesky winter vortex makes unwelcome return

H look, it's our friend the polar vortex. Remember a couple of years ago when the polar vortex came down from Canada (thanks, Canada!) and made us feel like living Popsicles? I remember our driveway at home was a solid sheet of ice. It took me ages to chip that stuff off. We have a very long driveway.

Our dogs didn't want to go outside and do their business, it was so cold. Our furnace, which is not that old, could not keep up with the cold. We had to use extra space heaters near us to keep warm.

This year it is not as bad as that, of course. But we have still had lows in the negative numbers and single digit highs recently. And it looks like it won't hit the 30-degree mark again

for some time yet. This is the kind of weather that makes no one happy. It is not like it is 32 degrees and snowing that lovely

fluffy snow that skiers, snowboarders and people who ride snowmobiles love. Yes, there is snow on the ground but by now it is harder and crustier than a cheap frozen

This is not "fun" winter weather. This is not the time to teach your kids how to build a snow fort. This is not the time to strap on the old snowshoes and tromp around for a few

Jennings No. This is the time to sit inside and finally binge watch "Game of Thrones" (something my wife and I are doing in the evening. I know we are late, and yes, it's good). This is the time to be glad you are working from home, if you are working from home. Now is the time to wish you were working from home if

you are not working from home. Now is also the time to simply stay inside and wonder why we live

in Northern Illinois. We could all be in Arizona, or Florida or even Texas. OK, maybe not Texas, but we could be someplace that is warmer – even

Tennessee.

Except that pesky polar vortex decided to move south last week. So, all of your friends or family members who live to the south won't be quite as smug as they were a couple of weeks ago. The forecast called for ice **Brad** storms in Texas and Tennessee and very cold temperatures in places like Missouri and Arkan-

sas. Surprisingly, this comes after one of the warmest Januarys on record in

the U.S. You can probably blame me for our current weather, because I was gloating a bit about how this winter was, "not so horrible," and "doesn't make me want to run screaming down

the street." February came in with its good buddy the polar vortex and shut me right up.

My brothers who live in Arizona and California don't understand why I choose to live here. This time of year I wonder the same thing. When I almost freeze just going out to get the mail, I question my life choices.

The good news is that with the climate changing, it will eventually be great around here in the winter. I read recently that Michigan, Wisconsin and Illinois are seeing winter warming even faster than other states.

That is the good news. That bad news is I will have to live to be about 130 or so to enjoy some warmer January temperatures. Not sure I am going to make it.

For now, it is layers of clothes and mountains of complaints. It is the only way I can make it through this.

Brad Jennings is the editor of The Ogle County Life

Northern Rehab accepting applications for annual scholarship

ROCHELLE — Northern Rehab announced scholarship applications are now being accepted for the annual Rochelle Township High School Sports & Health Scholarship sponsored by Northern Rehab Physical Therapy Specialists.

This scholarship is awarded

to a Rochelle Township High School senior that participates in at least one sport and plans to enter a career in healthcare or sports medicine. Applications are now available at the high school counseling center and online at rths@rthsd212.org or https://northernrehabpt.com/news/.

Completed applications are to be submitted to the athletic director by March 12, 2021. The scholarship recipient will be announced and awarded the scholarship at the 2021 Senior Awards Night.

This is the sixth year this scholarship will be awarded to a Rochelle Township Senior. Past recipients include

Christina Payton, Hannah Cruz, Alexander Harvey, Katherine Bakken and Kaylee Brown.

Northern Rehab, a physical therapist owned and operated physical therapy practice, provides one-on-

> one, hands-on care combined with specific corrective therapeutic exercises that will correct physical impairments to allow a healthier, more active daily lifestyle. A doctor's prescription is not required for physical therapy, which means you can immediately begin treatment and start feel-

ing better right away. You don't need to live in pain. Choose Northern Rehab for your physical therapy care, and stop letting pain control your life.

For more information about Northern Rehab please visit northernrehabpt.com or call 815-562-3299. Additionally you may find Northern Rehab on Facebook, Instagram, Twitter and LinkedIn.

Protect plants from winter salt damage

URBANA - Deicing salts are essential to winter travel in Illinois and provide necessary safety in a landscape setting by melting dangerous ice on precarious steps, sidewalks, entryways and other areas of frequent foot traffic. However, damage from salt can be a major problem in some landscapes by negatively impacting plant health or sometimes outright killing plants from overexposure.

There are some drawbacks; it's highly corrosive to vehicles and concrete and it's mobile in the environment, which can ultimately end up impacting plant life in several ways.

Salts typically move in the environment, either as runoff in meltwater or as aerosol sprays dispersed by fast moving vehicles and wind. The greatest plant damage from salt usually occurs around major roadways as sprays accumulate on plant parts. Plants showing damage

from salt spray are easily identified since damage is concentrated on the road side of plants. In addition, the suspended spray often only reaches a specific height on affected plants,

creating a distinct line where damaged foliage ends.

A less common, but often more serous, plant aliment can occur if salt-laden meltwater infiltrates the soil profile. In these cases, soil very near a source of salt, such as a heavily treated sidewalk or similar surface, accumulates sodium. The impact is often very concentrated in well defined drainage paths, Pankau says.

At times, it can create soil conditions unsuitable for root growth, but can also be detrimental to beneficial soil biota, such as

mycorrhizae. In addition, salts in soils actually absorb soil water that would otherwise be available to the plants.

Since salt application is often essential for safety in the built environment, what are some ways we can limit the impact to plants? Pankau suggests moderate use of salt, when possible. Pre-application with

a liquid form of deicer is considerably more efficient. Many states are reporting dramatic decreases in road salt use as highway departments turn to liquid application and pre-treatment. At the homeowner scale, some hot water and a small pressurized sprayer can be used to dissolve the salt and very efficiently apply it. The direction and rate of application can sometimes help to limit plant exposure, if strategically applied, Pankau says.

Be aware that salt is very corrosive to sprayer parts, so careful cleaning and rinsing after use can help prolong the sprayer

Alternatives to the traditional rock salt include calcium chloride which can melt ice at temperatures down to about -60°F. At high levels it can damage plants, but it is significantly less harmful to soils, Pankau says. Calcium magnesium acetate is another alternative that is biodegradable and causes no harm to plants and soil.

Illinois Extension leads public outreach for University of Illinois by translating research into action plans that allow Illinois families, businesses, and community leaders to solve problems, make informed decisions, and adapt to changes and opportunities.

Phase 1B expanded, Senate committees address COVID concerns

Brian

Stewart

LLINOISANS with underlying health conditions will be authorized to receive a COVID-19 vaccine beginning Feb. 25, according to a Pritzker Administration announcement this week, which State Sen. Brian Stewart (R-Freeport) says comes after several weeks of Senate Republicans calling on the Governor to prioritize those most vulnerable to COVID-19.

In other action, subject-matter hearings took place remotely for the Senate's Labor, Commerce, and Health committees. Topics of discussion included unemployment insurance, Business Interruption Grants, and the COVID-19 vaccination rollout.

Also during the week, Senate Republicans continue to voice their concerns regarding the pending State Board of Education rule that is expected to come before the Joint Commission on Administrative Rules on Feb. 16.

Phase 1B expanded to include those with underlying conditions

The Governor announced Feb. 10 the expansion of Phase 1B vaccine eligibility to include those with underlying health conditions.

For weeks, Senate Republicans critical of Illinois' vaccination rollout have been urging the Governor to prioritize these individuals, saying those most at risk of dying from the virus should be first in line.

Beginning Feb. 25, those with comorbidities, underlying conditions, and disabilities will be able to receive the vaccine. Prior to this announcement, Phase 1B included those ages 65 and older, essential workers, prisoners, and legislators.

The list of qualifying underlying conditions includes:

Cancer

Chronic Kidney Disease COPD (Chronic Obstructive Pulmonary Disease)

Diabetes

Heart Condition

Immunocompromised State from a Solid Organ Transplant

Obesity

Pregnancy

Pulmonary Disease Sickle Cell Disease

Sen. Stewart says the prioritization of Illinoisans with underlying medical conditions is long past due. He also questioned why these individuals have to wait another two weeks for COVID-19 vaccines, when prisoners and legislators have already begun receiving shots.

Senate committees address COVID-19

concerns

The Senate's regularly scheduled legislative session was canceled this week, but Senators continued their work remotely. The Senate's Labor, Commerce, and Health committees met via Zoom to discuss a variety of issues brought on by the COVID-19 pandemic.

The Senate Labor Committee heard testimony about ongoing issues with the state's unemployment insurance system. Senate Republicans expressed concern over the continued fraudulent claims, the long call-back times, and

Illinois Department of Employment Security offices remaining closed.

The Senate Commerce Committee also heard testimony regarding Business Interruption Grants, which seek to assist businesses forced to close under the Governor's mitigation restrictions. Republican members of the Committee expressed concerns about the lack of transparency in

the process of awarding grants, and were frustrated with the fact that only 20 percent of applicants have received grants.

What garnered the most attention this week was the Senate Health Committee, which dove into the issues surrounding the Administration's handling of the COVID-19 vaccine rollout. Illinois continues to lag behind others states in the percentage of people who have received at least one dose. Additionally, Senate Republicans continue to hear from constituents regarding the struggles they face in accessing a vaccine.

Sen. Stewart says he is frustrated by the lack of accountability by the Pritzker Administration. Just this week, the Governor signed his 13th consecutive emergency declaration, marking one full year of ruling under Executive Order. Despite having total control over every aspect of COVID-19, the Governor continues to blame everyone but his own Administration for the failures of the vaccine rollout.

ISBE rules continue to

cause concerns

Lawmakers continue to voice their concerns about a pending rule that is expected to come before members of the Joint Commission on Administrative Rules on Feb. 16.

The controversial new rule gives the Illinois State Board of Education broad power to implement guidelines that impact teacher preparation standards. However, due to the nature of the demands the new rules place on teachers, Sen. Stewart is questioning the real intent behind the proposal. Sen. Stewart notes the proposed

new rule is setting a highly progressive narrative in the classroom, arguing that the proposal creates a burdensome, confusing, and vague set of progressive requirements that threaten a healthy learning environment in Illinois classrooms. Residents of the 45th District are

encouraged to voice their thoughts about the proposal by reaching out to members of JCAR or by signing Sen. Stewart's petition opposing the new standards.

To read the full text of the controversial new rule, visit https://ilsenaterepublicans.blob.core.windows.net/ antilles/resources/273a29c9-01de-4e0e-86b2-15435f52e430/Amended%20Culturally%20Responsive%20 Teaching%20and%20Leading%20 Standards.pdf

WINTER SURVIVAL

Hypothermia a risk when temperatures drop

OLD winter temperatures begin to appear as early as November. While some people retreat into their homes to escape the chill, plenty of others embrace winter because of the opportunities for recreational activities such as snowboarding, skiing, snowtubing, and much more. Many do not mind the brisk temperatures, preferring the cold when walking the neighborhood or hiking nearby trails.

However, just as activities enjoyed in hot climates put individuals at risk for heat-related health emergencies, when the mercury drops, hypothermia can compromise outdoor enthusiasts' health. The Mayo Clinic says hypothermia is a medical emergency that occurs when the body loses heat faster than it can produce heat. While body temperature normally hovers around 98.6 F, hypothermia sets in when body temperature falls below 95 F.

Hypothermia occurs as a result of prolonged exposure to cold temperatures. It also can happen after capsizing into cold water or even sweating and then getting chills when the temperature drops.

WebMD says that, during exposure to cold temperatures, around 90 percent of heat loss escapes through the skin, and the rest is exhaled from the lungs. Heat loss speeds up when the skin is exposed to moisture or wind. In response, the body will shiver to produce heat through muscle activity. Furthermore, the body also will temporarily narrow blood vessels, called vasoconstriction. Activity of the liver and heart normally produces most of the

body's heat. But as core temperature drops through hypothermia, these organs will engage in a protective shutdown to preserve heat and protect the brain.

Anyone spending time outdoors in the cold weather should be aware of the most common symptoms of hypothermia so that prompt action can be taken. Such symptoms include:

excessive shivering slowed speech clumsiness slowed breathing stumbling confusion weak pulse excessive fatigue

Infants and older adults have a higher risk of developing hypothermia due to a decreased ability to regulate body temperature.

Hypothermia is an emergency situation, so it is necessary to call 911 immediately if you or a companion suspects its presence. Treatment goals include increasing body temperature to a normal range. While waiting for trained medical professionals, these steps can be taken.

Remove wet clothing.

Cover the person with warm blankets, including the face but not the mouth. If no blankets are available, use body heat to warm one another.

Try to administer warm soup or beverages if the person is conscious.

Apply warm compresses to the chest, neck or

Do not move the person around or attempt to massage their body to help restore heat, as it could put the individual at risk for cardiac arrest.

Hypothermia is a serious condition that requires prompt attention when temperatures begin to drop.

Shovel snow safely this winter

The beauty of freshly fallen snow is undeniable. Such beauty compels millions of people across the globe to ski and snowboard each winter, while millions more enjoy simply looking out their windows at snow-covered landscapes.

If it was as convenient as it is beautiful, snow would likely be welcomed with open arms whenever the local weatherperson includes it in his or her forecast. But heavy snowfall can be inconvenient, making it difficult to travel and even creating more work for individuals responsible for shoveling their driveways and walkways.

Shoveling snow can increase a person's risk for injury, and some may be surprised to learn just how frequently such injuries happen. The U.S. Consumer **Product Safety Commis**sion notes that, in 2018, more than 137,000 people needed medical assistance for injuries that happened while shoveling snow or using snowblowers.

Sprains and strains in the back and shoulders are the most common injuries when shoveling snow. But people also can suffer lacerations and injuries related to below-freezing temperatures when shoveling snow. The American Academy of Orthopaedic Surgeons recommends people keep these safety precautions in mind when shoveling snow this winter.

Stretch before shoveling. Just like you would do before exercising in a gym, stretch

prior to picking up your snow shovel. Warm up your muscles with some light exercise for 10 minutes to reduce your risk of sprains, strains and muscle tears.

Stay hydrated and take frequent breaks. The AAOS notes that snow shoveling and snow blowing are aerobic activities. Such activities require participants to be hydrated. In addition, taking frequent breaks can help prevent injuries. Avoid shoveling

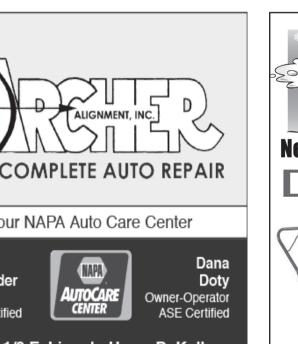

snow if you're at risk for heart attack. Some people should avoid shoveling snow entirely. According to the Harvard Medical School, researchers correlated hospital admissions and deaths due to heart attack the day after it snowed in Canada between 1981 and 2014. Researchers found that the deeper the snow, the more men died of heart attacks. In fact, researchers found that there was a 34 percent increase in heart attack deaths the day after an eight-inch snowfall, and those rates increased when snowfall increased. Most deaths were men, but both men and women who are at risk of heart attack should avoid shoveling snow, particularly after heavy snowfall. Adults who are unsure of their heart health should consult with their physicians prior to shoveling snow.

Use the right equipment. Ergonomic snow shovels can make shoveling less taxing, reducing your risk for sprains and strains. Spacing hands on the tool grip can increase leverage, making shoveling easier and less likely to lead to injury.

Pushing snow instead of lifting it. The AAOS recommends pushing rather than lifting snow when possible. If snow must be lifted, squat with your legs, knees bent and back straight. When lifting, lift with your legs and do not bend at the waist. Scoop small amounts of snow at a time and walk to where you want to dump. The AAOS warns against holding shovels full of snow with arms outstretched, as doing so puts too much weight on the spine. Snow should not be thrown over the shoulder, as such a technique requires a twisting motion that puts stress on the back. In addition, the AAOS notes that heavy wet snow should be removed in pieces and

not all at once. Anyone can get injured while shoveling snow. Such injuries are preventable when certain safety measures are taken.

How to make driving in inclement weather more safe

MPAIRED visibility can be a safety hazard while driving. Everything from sun glare to hail can affect a driver's ability to see the road and navigate it effectively. Before drivers get behind the wheel, they should make note of their local forecast and make a plan for what to do if rain, snow or other conditions make it challenging to drive.

The International Association of Traffic and Safety Sciences indicates that, based on an examination of crash test data conducted by the National Oceanic and Atmospheric Administration, the "likelihood of a crash increases during periods of low visibility, despite the tendency for less traffic and for lower speeds to prevail during these times."

Drivers can take sever-

al steps to improve their visibility when driving in poor weather conditions.

Inspect and change

windshield wiper blades. Wipers are instrumental in clearing precipitation away from the windshield. If they're not functioning properly, wipers cannot do their jobs. Drivers should replace their wipers at the first indication that they are no longer effective. In some conditions, wipers can freeze or stick. Drivers should then pull over and clean the wipers manually.

Clear obstructions. Always make sure the windshield is clear before driving. This can include removing ice and snow in the winter and cleaning off mud or bug splatter in the spring and summer. Use the front and rear defrost if condensation fogs up windshields and windows.

Slowdown. Foul weather can reduce drivers' ability to see far into the distance. Drivers should always drive slower in inclement weather in order to improve reaction time.

Top off fluids. Always keep the windshield washer reservoir full and keep extra fluid in the trunk. In addition, look for a fluid that does not freeze in very cold temperatures.

Learn how to drive in fog. Each year, more than 38,700 vehicle crashes occur in fog, states the Federal Highway Administration. Travelers Insurance recommends slowing down, staying focused and using regular headlights and not high beams when driving in fog.

Go out only if necessary. In snowy or icy conditions, drive only if it's absolutely necessary, as snow and ice can impair visibility and make roads slick, says AAA.

Avoid driving at dusk and dawn. The human eye can have trouble adjusting to rapidly changing light and darkness conditions, which are common at dusk and dawn. If possible, drivers should make trips during the heart of the day, especially if poor lighting conditions typically make it difficult for them to drive.

Drivers can take steps

Drivers can take steps

to improve visibility when inclement weather makes roadways hard to navigate.

COUNTY NEWS

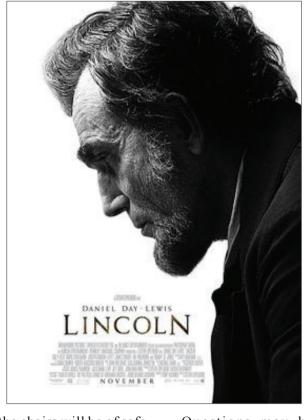

Davis Junction museum showing "Lincoln"

DAVIS JUNCTION

The Davis Junction Museum and Historical Society will be showing a movie this month on Sunday, Feb. 21 at 1:30 p.m. at the museum located at 202 Pacific in Davis Junction.

This movie "Lincoln" was produced by Steven Spielberg, Kathleen Kennedy and Jonathan King. Daniel Day-Lewis received an Academy award for best actor in the leading role as Abraham Lincoln. Best supporting leading actress was given to Sally Field as Mrs. Lincoln. TommyLee Jones, Gordon Lewitt are also featured in the movie.

This is a 2-1/2 hour movie. There will have coffee, tea and cake. Patron's temperatures will be taken at the door and

the chairs will be of safe distancing. The doors will open at 1 p.m.

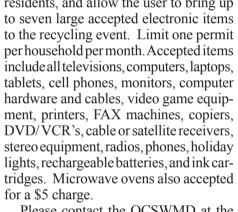

Questions may be directed to Kim Smeja at 815-994-0803.

County's February recycling event canceled

OREGON—The Ogle County Residential Electronics Recycling Collection Event, scheduled for Friday, Feb. 26, has been canceled by the Ogle County Solid Waste Management Department. The OCSWMD regrets any inconvenience for this cancellation.

The OCSWMD's next scheduled residential electronics recycling collection event will be Friday, March 26, from 9 a.m. to 4 p.m. at 909 Pines Road in Oregon. Advanced permits are required to attend these events. These free permits may be acquired by calling the OCSWMD Monday through Friday from 8:30 a.m. to 4:30 p.m. at 815-732-4020 or via email at solidwaste@oglecounty.org.

Quality, American Made HVAC Systems:

SERVICE NOW HEATING Helping 22 Homeowners by "Giving Away"

With Off-Season Air Conditioning
If you qualify, local utility companies may offer rebates towards your new system.**

Dear Neighbor:

I have great news for your wallet if your furnace is over 12 years old. Allow me to explain... Every year, the months of February & March can be slow for my business. I employ great people and want to keep them working during these long, slow months. That is why I've come up with a Win-Win Situation for both of us.

Every year, the big manufacturers of furnaces & air conditioners, like Amana, guess how many to build to meet the demand. Of course, they're never exactly right. So, they always have some inventory that they must hold over until the next summer season. I went to one of these companies

and contracted for the purchase of twenty-two Deluxe furnaces and air conditioners in the four most popular sizes used in Ogle County. And, because of the quantity and time of year, I was able to buy them at drastically reduced prices.

They are brand-new Deluxe Models. They are NOT the seconds or "blems" or standard "builder" models. They are factory-fresh furnaces and air conditioners and have a full 10-year factory warranty

How To Get A Furnace For Peanuts

If you are interested in a new heating/cooling system (but only if one of the four sizes I have will fit your house, of course), I am "giving" you the furnace and all I ask for is the \$941 in labor & material costs for installation.

Perfect Fit For Your Home

I will come out and measure your home (and determine the availability of the proper size). Don't forget, I only have 22 matched Deluxe systems in four sizes. When they are gone, this remarkable offer ends also. Just call Bre at 815-562-4440.

Absolutely No Obligation

After I completely explain the installation, there is absolutely no obligation. If you decide you don't want to take advantage of the spectacular savings... That's OK.

You Can Buy With NO Cash

You don't even have to pay me right away. I have set up a terrific 0%* payment plan.

Fuel Efficiency Guarantee**

I'm so confident that you will save at least 25% on your heating and cooling bills (I'm projecting more like 30%), that I will pay you the difference for a year if you don't! I'll show you exactly how this works. If these heating and air conditioning systems were not among the best on the market, I couldn't afford to make such a promise.

Why This Offer Can't Last I only have a few of each of the four sizes. When all of the air conditioners are sold and all the furnaces are "given" away, that's it. There are no more at this price. Call Bre now at 815-562-4440 to set up an appointment for your no-obligation survey.

Your Neighborhood Plumber Fast, friendly and reliable service you can trust!

HUBS DEFEAT SYCAMORE

Rochelle opened conference play with a win over Sycamore on the road Tuesday.

See page 3 for more details

RTHS Varsity Boys Basketball

Cavs cruise over Hubs

Troubling third quarter dooms Rochelle in 83-64 loss to LaSalle-Peru

BY RUSSELL HODGES SPORTS FOITOR

ROCHELLE — A disastrous third quarter

ruined any chances of victory for the Rochelle Hub varsity basketball team during Interstate 8 Conference play against LaSalle-Peru on Friday.

Rochelle held a slim 45-42 lead over LaSalle-Peru early in the third quarter before Cavalier senior Drake Weber ignited from beyond the arc, sinking four 3-pointers and scoring 18 of his game-high 34 points in the period. LaSalle-Peru throttled the Hubs 37-19 in the third quarter, sealing an 83-64 win over Rochelle that dropped the purple and white to 1-2 overall.

"I felt that not only Weber, but everybody on their team was making shots," head coach Tim Thompson said. "Our defensive rotations were so slow tonight and I felt that we didn't do any of the things we prided ourselves on against Sycamore on Tuesday. They were getting their first dribble into the lane and kicking the ball for wide open looks. When teams get wide

open looks, they're going to make open shots... I felt that they wanted to win this game more than we did."

Weber was one of three Cavaliers in double figures Friday evening. LaSalle-Peru held a slight 23-20 advantage after the first quarter behind nine points on four made field goals from John Riva, who finished with 17 in the game. Senior Garrett Burdin was Rochelle's first-half spark plug, nailing four of his game-high seven triples in the opening half to keep the Hubs within striking distance. A sloppy second quarter from both sides resulted in a 34-34 game

"The first half was a little ugly," Thompson said. "There were a lot of points scored because neither team was really guarding that well. I wouldn't say we shot the ball that well but we made some plays to stay in the game. Our offense was super stagnant in the second half. We couldn't make reversals and we weren't getting enough inside touches for easy baskets."

Burdin finished with 25 points on a team-leading

(PHOTO BY RUSSELL HODGES) Junior Zach Sanford works down low while guarded by LaSalle-Peru's Latrell Coulter during the Rochelle Hub varsity basketball game against the Cavaliers on Friday. Sanford scored 11 points in the loss.

nine made shots for the Hubs, who will host Sandwich on Wednesday, Feb. 17 at 7 p.m. after facing Kaneland on the road this weekend. Juniors Adam Kemp and Zach Sanford

11. Junior Tanner Lager

had eight points. "I think Garrett can from getting ball reversals,

combined for 23 points, score 20-to-25 for us every with Kemp totaling 12 and night," Thompson said. converting three 3-point- "We need to be crisper ofers while Sanford added fensively and it seems that every team we're playing right now is preventing us

which shouldn't be that big of a deal. We're lazy on our passes and we have to be better there... Our ball rotations have to be quicker and Zach has to touch the ball inside."

RTHS Girls Bowling

Schwanert carries Lady Hubs against LaSalle-Peru

Junior bowler rolls 204 high game in loss to Cavaliers

BY RUSSELL HODGES

SPORTS EDITOR

ROCHELLE —

Junior bowler Alyssa Schwanert battled back from a tough second game to roll Rochelle's high game and high individual series when the Lady Hub varsity team hosted LaSalle-Peru at T-Byrd Lanes for an Interstate 8 Conference match Wednesday evening.

Schwanert led all bowlers in the first game, shooting 204 after opening the game with four strikes over her first five frames. Although she was unable to break triple digits in her second game, Schwanert recovered nicely with 176 in her third game to shoot a 473 series. Senior Kiya Porter added a 424 series for the Lady Hubs, who fell 2,492-2,138 to move

"Alyssa was really locked in during the first game," head coach Eric Widick said. "I thought she concentrated too much on keeping her arm in and she was slowing her ball down about 2 miles per hour during the

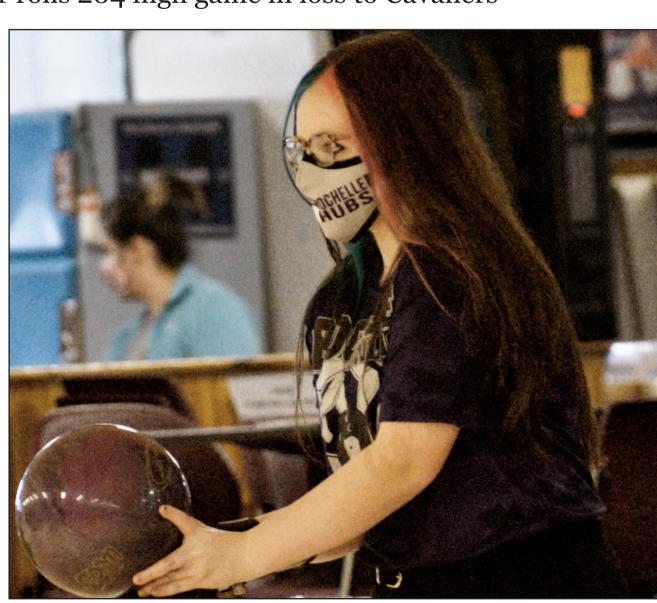

to 0-2 overall.

second game, so when the ball went down the lane, it went through the nose and left splits. We talked about getting her speed back up and she bounced back.'

LaSalle-Peru edged Rochelle 824-794 in the first game despite Schwanert's 204 and 152 from Lady Hub freshman Faith Adams. The Cavaliers claimed the second game 759-626, with Porter firing a series-best 170 for Rochelle. Schwanert's 176 was Rochelle's high score in the third game, which LaSalle-Peru won 909-718 behind 210 from Olivia Weber, who rolled a match-best 600 series for the Cavaliers. The Lady Hubs are at Ottawa on Tuesday, Feb. 16 at

"I thought we weren't as focused today as we were Monday," Widick said. "Our series scores were a little lower... We need to work on our spares. We were well under 50 percent on spares, which we worked on during practice Tuesday. The girls are definitely trying

their best.'

(PHOTO BY RUSSELL HODGES)

Junior Alyssa Schwanert rolled a team-high 204 game and led Rochelle with a 473 series during the Lady Hub bowling match against LaSalle-Peru on Wednesday.

David Gerber attempts a free throw during the Hub sophomore basketball game against LaSalle-Peru on Friday. Gerber scored five points in the game.

Sophomore Hubs suffer close loss to LaSalle-Peru

BY RUSSELL HODGES

SPORTS EDITOR

ROCHELLE — The Rochelle Hub sophomore basketball team saw two players reach double figures in scoring against LaSalle-Peru on Friday. Raul Aguirre led the Hubs with 14 points, while Griffin Ohlinger added 12 points including two 3-pointers in the team's 53-45 loss to the Cavaliers.

LaSalle-Peru led 29-23 after the first

half before extending its lead in the third quarter, where the Cavaliers held Rochelle to only five points. The Hubs hit three triples in the fourth quarter courtesy of Ohlinger, Dylan Gapski and Daniel Monfils, who had seven points in the game. David Gerber chipped in five points for Rochelle.

The Hubs will play their next home game on Wednesday, Feb. 17 at 5 p.m. against Sandwich after facing Kaneland on the road this weekend.

RTHS Varsity Boys Basketball

Hubs bounce back with road win at Sycamore

Burdin scores team-high 22 points in 67-49 victory over Spartans

BY RUSSELL HODGES

SPORTS EDITOR

SYCAMORE—Losing three times against the Sycamore Spartans during the 2019-20 season was more than enough to motivate Hub senior Garrett Burdin when the Rochelle varsity basketball team faced the black and gold in its conference opener Tuesday evening.

Burdin led all scorers with 22 points on 9-of-18 shooting and the Hubs used their defensive length to shut down Sycamore forward Xavier Gagnepain, who finished with only eight points. Rochelle totaled nine steals and eight deflections Tuesday, limiting Sycamore to only 17 second-half points as the Hubs defeated the Spartans 67-49 to move to 1-1 on the season.

"Losing our first game really motivated us," Burdin said. "We came back to practice and worked on things we struggled with on Friday and it really showed Tuesday night. It was big for us to get a conference win because our No. 1 goal is to win a conference title."

Junior Noah Brown added 14 points on 3-of-7 shooting from 3-point range off the bench for the Hubs, who outscored Sycamore 23-13 in the first quarter. The Spartans battled back in the second quarter, rallying behind Tyler York and Sam Stoner, who combined for 21 points in the game. Leading 38-32, Rochelle

(PHOTO BY MARCY DELILLE)

Senior Spencer Warborg drives on the baseline during the Rochelle Hub varsity basketball game against the Sycamore Spartans on Tuesday.

put Sycamore away with a 19-9 third-quarter performance.

"My teammates spaced the floor really well and we were rebounding well on both ends," Burdin said. "Our depth and everybody stepping up and playing their roles will be the biggest key for us to win the conference championship this season. We have a lot of length on our team, so guarding with our length and rebounding will be huge for us. We may not be the biggest team, but we can use our length to

space the floor and grab rebounds."

Junior Zach Sanford finished with 10 points and six rebounds for the Hubs, who will host LaSalle-Peru on Friday at 7 p.m. Burdin led all players with four steals in the win, while junior Ryan Simmons totaled a team-high five assists along with five points and three rebounds. Senior Spencer Warborg scored eight points on 3-of-5 shooting with three assists Tuesday.

"We learned a lot from losing against them last season," Burdin said. "Our seniors and juniors have wanted to beat Sycamore for a long time. It felt like when we beat Sterling last season because it felt like we had a weight lifted off our shoulders. We can build on this win."

Sophomores

The Rochelle Hub sophomore basketball team fell 40-37 against Sycamore on Tuesday. Sophomore Raul Aguirre and freshman Jack Tracey combined for 11 first-half points.

George Clooney was officially off the market in 2016 when he wed attorney Amal Alamuddin. She gave birth to twins Alexander and Ella, now 3 years old, and they appear to be a solid duo, keeping the romance alive with handwritten letters to each other even while living under the same roof. The notoriously tech-shy star isn't on social media either, and he treasures

Walter Cronkite. Clooney directed and starred in the Netflix sci-fi film "The Midnight Sky" and has been giving interviews promoting it. He speaks lovingly about his wife and twins, telling AARP magazine that he didn't want to give his kids "weird" names because "They're already going to have enough trouble. It's hard being the son of somebody famous and successful.'

his letters he's collected and framed from such

legends as Paul Newman, Gregory Peck and

Q: When is "Stranger Things" returning for another season? It seems like it's been forever. Will this be the final season whenever it does come back? -- P.C.

A: "Stranger Things" was not immune to the shutdowns that affected production in Hollywood and around the world. This includes the state of Georgia, where most of "Stranger Things" is filmed. I can offer some

good news though. Production of the Netflix

season four of the spooky show sometime I won't give away any potential

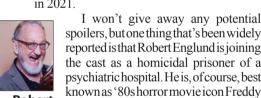

series resumed this winter, so expect to see

Krueger. Tom Wlaschiha ("Game of Thrones") is also a new cast member, joining returning favorites Millie Bobby Brown, David Harbour and Winona Ryder. According to TVLine.com, there are estimated to be eight episodes in this long-delayed

season, but it won't be the end. Ross Duffer, the mastermind behind "Stranger Things," stated that the pandemic "has given us time to look ahead, figure out what is best for the show." Q: What happened to Elizabeth Vargas

since she left "Dateline"? Why did they replace her with Natalie Morales? -- S.F.

A: Elizabeth Vargas was never a "Dateline" reporter, but she co-hosted "20/20" for many years. Natalie Morales recently joined "Dateline" as a full-time correspondent. She'll continue to work on the "Today" show, but has left her job with the entertainment TV news magazine "Access Hollywood."

As for Vargas, she's been tapped to host the resurrected "America's Most Wanted" on Fox when it debuts in the spring. The original series hosted by John Walsh led to the arrest of over 15 of the FBI's Most Wanted fugitives along with thousands of other criminals. According to EOnline.com, Walsh has given the new version of "AMW" his blessing.

NOTICE OF INTENT TO BORROW FUNDS AND RIGHT TO FILE PETITION

NOTICE IS HEREBY GIVEN that pursuant to Ordinance No. 21-5212, adopted on February 8, 2021, the City of Rochelle, Ogle County, Illinois (the "City"), intends to enter into a Loan Agreement with the Illinois Environmental Protection Agency in an aggregate principal amount not to exceed \$9,000,000.00 and bearing annual interest at an amount not to exceed the maximum rate authorized by law at the time of execution of the Loan Agreement, for the purpose of paying the costs of certain improvements to the water reclamation plant and sanitary sewer system of the City of Rochelle. A complete copy of the Ordinance accompanies this

NOTICE IS HEREBY FURTHER GIVEN that if a petition signed by 504 or more electors of the City (being equal to 10% of the registered voters of the City of Rochelle) requesting that the question of improving the water reclamation plant and sanitary sewer system and entering into the Loan Agreement is submitted to the City Clerk of the City of Rochelle within 30 days after the publication of this Notice, the question of improving the water reclamation plant and sanitary sewer system of the City of Rochelle as provided in the Ordinance and Loan Agreement shall be submitted to the electors of the City of Rochelle at the next election to be held under general election law on November 8, 2022. A petition form is available from the office of the Clerk of the City of Rochelle.

Published in pamphlet form by authority of the Mayor and City Council of the City of Rochelle Law Offices of Peterson, Johnson, & Murray-Chicago, City Attorneys 200 W. Adams, Ste. 2125, Chicago, IL 60606

> ORDINANCE NO. 21-5212 Date Passed: February 8, 2021

AN ORDINANCE AUTHORIZING LOAN AGREEMENT BETWEEN THE CITY OF ROCHELLE (A NON-HOME RULE ENTITY) AND THE ILLINOIS ENVIRONMENTAL PROTECTION AGENCY FOR THE WATER RECLAMATION PLANT IMPROVEMENTS

WHEREAS, Section 7 of Article VII of the 1970 Constitution of the State of Illinois provides that a municipality that is not a home rule unit shall only have the powers granted to them by law and as such the City of Rochelle, Ogle County, Illinois being a non-home rule unit pursuant to the provision of said Section 7 of Article VII, and may exercise only the powers expressly granted by law; and

WHEREAS, the Illinois General Assembly granted non-home rule municipalities broad authority to "pass all ordinances and make all rules and regulation proper or necessary, to carry into effect the powers granted to municipalities." 65 ILCS 5/1-2-1; and

WHEREAS, while "non-home rule municipalities have the authority to enact ordinances, such ordinances may in no event conflict with state law or prohibit what a state statue expressly permit. A local ordinance may impose more rigorous or definite regulation in addition to those enacted by the state legislature so long as they do not conflict with the statue." (Village of Wauconda v. Hutton, 291 Ill. App. 3d 1058, 1060 (1997)); and

WHEREAS the City of Rochelle, Ogle County, Illinois operates its municipal water reclamation plant and sanitary sewer system ("the System") in accordance with the provisions of the Illinois Municipal Code, 65 ILCS 5/139, et seq., and the Local Government Debt Reform Act, 30 ILCS 350/1 (collectively, "the Act"), and

WHEREAS the Mayor and City Council of the City of Rochelle (the "Corporate Authorities") have determined that it is advisable, necessary and in the best interests of public health, safety and welfare to improve the System, including the following improvements to the water reclamation plant: install a fine screen in the headworks building; modify aeration bays 5-8 for biological nutrient removal; rehabilitate the two (2) final clarifiers; remove the tertiary sand filters and install tertiary cloth media filters; rehabilitate the excess flow lagoons; and install piping to connect the anaerobic lagoon effluent to the headworks building, together with any acquisition of necessary land or rights in land and all electrical, mechanical or other services necessary, useful or advisable to the construction and installation, all in accordance with the plans and specifications prepared by the consulting engineers to the City ("the Project"), which Project has a useful life of 30 years; and

WHEREAS the estimated cost of construction and installing the Project, including engineering, legal financial and other related expenses is \$7,038,000.00 and there are insufficient funds on hand and lawfully available to pay these costs; and

WHEREAS the costs are expected to be paid for with a loan to the City of Rochelle from Water Pollution Control Loan Program through the Illinois Environmental Protection Agency, the loan to be repaid from revenues of the System and the loan is authorized to be accepted at this time pursuant to the Act; and

WHEREAS, in accordance with the provisions of the Act, the City is authorized to borrow funds from the Water Pollution Control Loan Program in the aggregate principal amount of \$9,000,000.00 to provide funds to pay the costs of the Project; and

WHEREAS the loan to the City shall be made pursuant to a Loan Agreement, including certain terms and conditions, between the City and the Illinois Environmental Protection Agency; and

WHEREAS, the loan shall bear an interest rate as defined by 35 IL Admin. Code 662, which does not exceed the maximum rate authorized by the Bond Authorization Act, as amended, 30 ILCS 305/0.01 et seq., at the time of making of the loan; and

WHEREAS, the principal and interest payment shall be payable semi-annually, and the loan shall mature in twenty (20) years, which is within the period of useful life of the Project;

NOW THEREFORE BE IT ORDAINED by the Mayor and City Council of Rochelle,

Ogle County, Illinois as follows:

Section 1. Incorporation of Preambles.

The Corporate Authorities hereby find that the recitals contained in the preambles are true and correct, and incorporate them into this ordinance by this reference.

Section 2. Determination to Borrow Funds.

The Corporate Authorities find that it is necessary and in the best interests of the City of Rochelle to construct the Project for public health, safety and welfare, in accordance with the plans and specifications, as described, that the System continue to be operated in accordance with the provisions of the Act. For the purpose of constructing the Project, it is hereby authorized that funds be borrowed by the City of Rochelle in an aggregate principal amount (which can include construction period interest financed over the term of the loan) not to exceed

Section 3. Publication

This Ordinance, together with a Notice in the statutory form (attached as Exhibit A), shall be published once within ten days after passage in the Rochelle News-Leader, a newspaper published and of general circulation in the City of Rochelle, and if no petition, signed by electors numbering 10% or more of the registered voters in the City of Rochelle (i.e. 504 electors) and asking that the question of improving the System as provided in this Ordinance and entering into the Loan Agreement therefore be submitted to the electors of the City of Rochelle, is filed with

the City Clerk within 30 days after the date of publication of this Ordinance and Notice, then this Ordinance shall be in full force and effect. A petition form shall be provided by the City Clerk to any individual requesting one.

Section 4. Additional Ordinances.

If no petition meeting the requirements of the Act and other applicable law is filed during the 30 day petition period, then the Corporate Authorities may adopt additional ordinances or proceedings supplementing or amending this Ordinance providing for entering into the Loan Agreement with the Illinois Environmental Protection Agency, prescribing all the details of the Loan Agreement, and providing for the collection, segregation and distribution of the revenues of the system, so long as the maximum amount of the Loan Agreement, as set forth in the Ordinance is not exceeded and there is no material change in the Project or purposes described herein. Any additional Ordinances or proceedings shall in all instances become effective in accordance with the Act or other complete authority for entering into the Loan Agreement under applicable law.

However, notwithstanding the above, the City of Rochelle may not adopt additional ordinances or amendments which provide for any substantive or material change in the scope and intent of this Ordinance, including but not limited to interest rate, preference, or priority of any other ordinance with this Ordinance, parity of any other ordinance with this Ordinance, or otherwise alter or impair the obligation of the City of Rochelle to pay the principal and interest due the Water Pollution Control Loan Program without the written consent of the Illinois Environmental Protection Agency.

Section 5. Loan Not Indebtedness of the City of Rochelle.

Repayment of the loan to the Illinois Environmental Protection Agency by the City of Rochelle pursuant to this ordinance shall be made solely from the revenues derived from the operation of the System, and the loan does not and shall not constitute an indebtedness of the City of Rochelle within the meaning of any constitutional or statutory limitation.

Section 6. Application for Loan.

The City Manager is hereby authorized to make application to the Illinois Environmental Protection Agency for a loan through the Water Pollution Control Loan Program, in accordance with the loan requirement set out in 35 Ill. Adm. Code 365.

Section 7. Acceptance of Loan Agreement.

The Corporate Authorities hereby authorize acceptance of the offer of a loan through the Water Pollution Control Loan Program, including all terms and conditions of the Loan Agreement as well as all special condition contained therein and made part thereof by reference. The Corporate Authorities further agree that the loan funds awarded shall be used solely for the purposes of the Project as approved by the Illinois Environmental Protection Agency in accordance with the terms and conditions of the Loan Agreement.

Section 8. Reserve Accounts

As long as the City of Rochelle has outstanding revenue bonds payable from revenues of the System that are senior to the revenue bond authorized by this ordinance, the City of Rochelle shall maintain an account, coverage and reserves equivalent to the accounts, coverages, and reserves required by the outstanding ordinances.

Section 9. Authorization of City Manager to Execute Loan Agreement.

The City Manager is hereby authorized and directed to execute the Loan Agreement with the Illinois Environmental Protection Agency. The Corporate Authorities may authorize by resolution a person other than the City Manager for the sole purpose of authorizing or executing any documents associated with payment requests or reimbursements from the Illinois Environmental Protection Agency in connection with this loan.

Section 10. Severability.

If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 11. Repealer.

All Ordinances, resolutions or orders, or parts thereof, which conflict with the provisions of this ordinance are, to the extent of such conflict, hereby repealed.

PASSED AND APPROVED this 8th day of February, 2021

Holland, Patel lead Hubs against LaSalle-Peru

Cavaliers defeat Rochelle varsity team 3,466-2,661

BY RUSSELL HODGES SPORTS EDITOR

PERU — Hub bowlers Devansh Patel and Keith Holland spearheaded the charge for the Rochelle Valley Super Bowl. Rovarsity bowling team on Wednesday, when the Hubs fell 3,466-2,661 against the LaSalle-Peru Cavaliers at the Illinois

chelle dropped to 0-2 overall with the loss.

LaSalle-Peru defeated Rochelle 1,125-807 in the first game behind 226

from Landen Miller and 216 from Ethan Picco. The Cavaliers extended their lead with a 1.273-912 win in the second game courtesy of a 270 from Payton Baker and 255 from Picco. Senior Hayden Smith fired 176 for the Hubs in the

second game, while Patel added 166 and Holland chipped in 161.

LaSalle-Peru won the third game 1,068-942. Baker rolled 210 to finish with a 662 series, while Picco shot 184 for a 655 series and Miller totaled

225 for a 642 series. Patel recorded 177 to end the evening with Rochelle's team-high 495 series, while Holland shot a teambest 193 to finish with a 486 series. The Hubs will host Ottawa on Tuesday, Feb. 16 at 4 p.m.

(PHOTO BY RUSSELL HODGES)

Senior Keith Holland shot Rochelle's team-high score of 193 when the Hub varsity bowlers faced LaSalle-Peru on the road Wednesday.
