# Going remote

WEEKEND EDITION | WWW.ROCHELLENEWS-LEADER.COM

At-home learning begins Nov. 30

ROCHELLE — Parents of students in the Rochelle Elementary District and Rochelle Township High School were notified Friday afternoon of plans for both districts to transition to fully remote learning following the Thanksgiving break.

In a letter sent out by Rochelle Superintenden of Schools Jason Harper, plans were outlined for students beginning Nov. 30 and continuing through Jan. 19.

"On Nov. 3, the Ogle County Health Department recommended that all Ogle County schools transition to remote learn-

ing from Nov. 30 through Jan. 18 to help stop the spread of COVID19 and decrease the strain on our regional health care system. Since receiving the recommendation, we have been in close contact with the representatives from the OCHD, IEMA

and regional hospitals to understand external community trends. We have also been in communication with the board of education, union leadership, parents and superintendents of other districts."

# Tree sales begin Nov. 27

**ROCHELLE** – The Friday after Thanksgiving is not just for holiday shopping but the first day to purchase a live Christmas tree from the Knights of Columbus in Rochelle.

Beginning Friday, Nov. 27 at noon, the Saint Patrick Church Knights of Columbus will sell Balsam Fir trees and wreaths for the sixth year.

Trees sales are held at the St. Patrick's Education Center, 903 Caron Road. Sizes vary, ranging from 6-to-7 feet, 7-to-8 feet, and 8-to-9 feet with prices ranging from \$45 to \$55 respectively. Wreaths cost \$30 each.

A total of 110 trees and 25 wreaths are available this year and area available until Sunday, Dec. 20 or until sold out. Sale hours are Thursdays and Fridays from 5 p.m. to 7 p.m., Saturdays from 12 p.m. to 7 p.m. and Sundays from 12 p.m. to 5 p.m.

"Last year we had the same amount and sold out in two or three weeks," said Kirk Reinhart, financial secretary and sale organizer.

The trees were delivered on Thursday, Nov. 19 from the McCluskey Tree Farm in northern Wisconsin.

All of the funds earned through the sale of the wreaths and trees will be put back into the Knights of Columbus and used for future local events and fundraisers.

# Virus cases on the rise

### County health administrator: COVID numbers 'concerning'

**BY BRAD JENNINGS** 

OGLE COUNTY LIFE EDITOR

OREGON - COV-ID-19 cases are up in Ogle County and there is no immediate end in sight, the county's public health administrator told the county board. Kyle Auman told the

board at its regular meeting on Nov. 17, that there were 47 new cases that "We're seeing roughly

50 cases if not more, coming into Ogle County every single day," he said.

Auman said that the cases in Illinois are the highest they have been since the start of the pandemic earlier this year.

In Illinois, there has been a total of nearly 600,000 COVID-19 cases and more than 11,000 deaths. Nationally, there has been more than 11 million cases and nearly 250,000 deaths.

In Region 1, which includes Ogle County, the overall positivity rate is about 20 percent. In Ogle County, it is 17 percent. But Auman said those numbers are "definitely concerning."

Deaths are also up in the county, he said. There were two additional deaths in Ogle County reported on Nov. 17. As of Nov. 19, the total was 18.

"The death rate is definitely continuing to grow in Ogle County," Auman said.

Auman said the positivity rate means that one in five people you come in contact with daily could potentially have COVID-19.

And the holidays could make that worse, he said, with traditional family gatherings, students back from college going out into social settings and possible holiday shopping.

"We only believe this is going to grow though the holiday season," Auman said. He said during the holi-

days people must wear their masks, keep socially distanced, limit contact with others and wash their hands regularly.

Auman said that all of Illinois was moving to Tier 3 Coronavirus protections on Friday, Nov. 20. That means – among other things – that there will be no inside service for bars and restaurants, casinos will close and capacity at businesses will be limited.

Auman said one problem is that as the virus situation has continued, people are being less and less compliant with the contact tracing program. That is making it difficult to track and contain the

virus. He said hospitalizations due to COVID-19 are up locally and across the state. Auman also said his department is currently working on outbreaks in places like schools and long-term care facilities.

Board member Skip Kenney asked Auman how much faith he has in the national COVID numbers, inferring they might not be as high as

reported. Auman said he is confident the numbers are solid, as all health departments report the numbers in the same way.

"I have no reason to believe the national numbers are not accurate," Auman said.

# Foundation receives ComEd contribution

**ROCHELLE**—The Rochelle Area Community Foundation is the recipient of a \$30,000 contribution from ComEd to enhance the quality of life in the Rochelle area.

"The Rochelle Area Community Foundation would like to express its extreme gratitude for ComEd's generous contribution on behalf of the City of Rochelle," Foundation President Cal Jacobs said. "This will provide funds to continue the foundation's work now and into the future."

This contribution follows the

City of Rochelle's sale of its electric transmission assets to ComEd this past summer. As lead negotiator on the transaction, City Manager Jeff Fiegenschuh felt it was essential that in a deal of this size, a contribution be made that benefits residents.

"The Rochelle Area Community Foundation has supported our residents in their greatest times of need," said Fiegenschuh, referring to both the 2015 tornado and 2020 COVID-19 pandemic. "Our community was top of mind during the negotiation process."

The transaction created new economies of scale for the city and provided infrastructure needed by large manufacturers to expand or establish a presence in the region. "Supporting each other is what

Rochelle is all about," said mayor John Bearrows. "I am so pleased we could come to an agreement that benefits the community as a whole."

In addition to the contribution to the Rochelle Area Community Foundation, ComEd also contributed Community Development dollars to assist in economic growth. Those funds were utilized to establish the small business grant programs to assist owners through the closures related to COVID-19.

The Rochelle Area Community Foundation is a 501(c)(3) nonprofit organization whose mission is to improve the community through charitable giving, encourage a spirit of philanthropy, develop collaborative partnerships and enhance the quality of life in the Rochelle area. # Don't let your guard down, keep your mask up

Rochelle Community Hospital participating in statewide public education campaign

**ROCHELLE**—With COVID-19 cases and hospitalizations surging in our region, Rochelle Community Hospital, a member of the Illinois Health and Hospital Association, is participating in a new statewide public education campaign— Don't let your guard down. Keep your mask up—to communicate the importance of taking reasonable precautions to curb the spread of the deadly coronavirus.

"In our region, we are seeing hospitalizations reach new highs just before the holiday season when friends and families look forward to getting together," RCH chief executive officer Gregg Olson said. "Just this week, COVID hospitalizations in this area surpassed the previous peak from the spring. RCH is seeing a surge in COVID testing and increased hospitalizations as well. We can rein in this virus, but all of us must act now and take the following effective steps to protect our families, our communities and ourselves."

### Steps

Wear your mask.
Watch your distance—
stay at least 6 feet from others.

Wash your hands frequently.

Avoid travel or having people in your homes who have traveled.

"COVID fatigue and a desire to return to normalcy are certainly understandable, especially eight months into the pandemic," added Olson. "But letting our guard down will help fuel the increase in cases and hospitalizations, and will result in lives lost. Let's redouble our efforts together."

Doctors, nurses and healthcare providers on the front lines are asking all Illinois residents to help stop the spread. "We know this is particularly challenging as we approach the holidays," added Olson. "We all want to celebrate with family and friends, but we need to carefully consider our choices. The decisions we make now will help us get control of this second surge, protecting the health of our families, ourselves and our friends."

Olson also urged everyone to get a flu shot.

"While a flu shot will not protect you against COVID-19, avoiding the flu will help you keep your lungs and immune system healthier during this pandemic. It's about keeping your body's defenses as prepared as possible to fight the virus," Olson said. "If

everyone works together, we will get through this. Now is not the time to let your guard down. Simple actions like 'masking up' can have a significant impact in curbing the spread and reversing the surge."

# Ribbon cutting for new jail in Oregon Dec. 3

**OREGON** – The Judicial Center annex, the name for the new Ogle County jail, will have a ribbon cutting and open house on Dec. 3 at 12:30 p.m.

The 154-bed facility will house both male and female inmates. The building, which broke ground in April 2019, is about 41,000 square feet. It is located on Sixth Street and Illinois Route 64

The project cost is projected to be \$23 million, which is under budget, according to Don Griffin, chairman of the Long Range Planning Committee and an Ogle

County Board member.

He said there could still be further savings as the project wraps up. The facility is expected to be up and operational by the middle of December.

The project includes a Sally port that will connect the new jail with the Judicial Center, allowing for the safe transportation of inmates. That feature led to tension between the City of Oregon and the county, as the city of Oregon had to agree to close a portion of Sixth Street for the project.

The new Judicial Center Annex is nearly complete in downtown Oregon.

# Marvin Wagner

**ROCHELLE** — Marvin Eugene Wagner, 86, passed away Tuesday, Nov. 17, 2020 at the Serenity Hospice home in Or-

egon after battling a variety of medical ailments. Marvin was born April 18, 1934 the son

Glenn and Loretta (Hubbard) Wagner in Polo. He married Mary Rose Cook on Aug. 13, 1955 in Sterling.

Marvin was fond of camping, mowing lawns, working in his garage on wooden crafts and watching westerns. He was known to share his pocket full of candy with everyone he knew. He especially enjoyed going out to eat with his five girls and grandkids. With 11 siblings throughout Sterling, Rock Falls and Polo he enjoyed plenty of family occasions which were full of laughs and many of his stories. Mar-

vin would always have a smile and a hug for whoever greeted him.

He was a 39-year employee of Burlington Northern Rail Road and member of the Rochelle Area CB Club. Marvin and Mary enjoyed raising their family in Rochelle for the past 60

Marvin is preceded in death by his wife, Mary; four brothers, Ronnie, Leo, Wally and Keith Wagner; and three sisters, Lois Ferris, Eileen Ford and Linda Knaple.

Marvin is survived by five daughters, Marla (Rick) Bearrows, Marsha (Eldon) Miller, Michele (Paul) Hardcastle and Malinda Wagner, all of Rochelle, and Marilyn (Chris) Collier of Jackson,

# Joyce Davidson

HIBBING, Minn. —

Joyce Elaine Davidson, 86, peacefully passed away Thursday, Nov. 12, 2020 at the home of her son in

Hibbing, Minnesota. She was born Jan. 4, 1934 in **ThiefRiver** Falls, Minnesota, the daughter of

Clarence and Mildred (Sortedahl) Dailey.

Joyce was a 1951 graduate of Red Lake Falls High School. She attended St. Luke's School of Nursing in Duluth, Minnesota, graduating in 1953. The family moved to northern Illinois in 1959 where she worked at DeKalb Public Hospital, first as an evening supervisor and eventually becoming Director of Nursing. After 43 years of dedicated service, Joyce retired from nursing as a nurse manager of the Emergency Room and Community Education Coordinator at Kishwaukee Community Hospital in DeKalb.

After retirement she continued to cared for people physically, emotionally and spiritually spending many hours of volunteering with Meals on Wheels (both in Illinois and Minnesota) and hospice in DeKalb County as a patient support

Joyce's faith and spirituality were very important to her. She was an active member of St. John's

Lutheran Church in Creston where she was a church organist and Sunday School teacher. After relocating to DeKalb she became a member of Bethlehem Lutheran Church and later transferring to First Lutheran Church prior to her move to Minnesota. Joyce loved to travel

and enjoyed many adventures with her special friend, Keith. She loved nothing more than curling up with a good book. She enjoyed watching American Pickers and was lucky enough to meet Frank and Mike in Iowa. She loved music, dancing, and was an ardent supporter of the U.S. Postal Service by sending greeting cards to friends and family no matter the occasion.

Her greatest joy in life was her family and she embraced every moment she spent with them. The family would like to thank Pastor Janet Hunt, Pastor Kevin Olsen, Chaplain Ed Vesel and Fairview Range Home Care and Hospice Staff for their care, love and friendship.

Joyce is survived by her children, Steven (Sue) Davidson of Hibbing, Minnesota, Valerie Kennedy of Duluth, Minneso-

ta, and Deborah Davidson of Sycamore; grandchildren, Katie Blight, Grant Peterson, Jennifer (Chris) Kohel, Ryan Peterson, Jacob Davidson, Michael Davidson, Chelsea Davidson and Samantha (Rob) Beckmann; great-grandchildren, Dainen Blight, Elaina Blight, Violet Davidson, Sloane Peterson and Emma Beckmann; nieces, nephews, extended family and friends.

She was preceded in death by her parents; sister, Mae Danzl; and special friend, Keith Setchel.

Due to current social distancing concerns, services in Illinois and Minnesota are pending. The family asks in memory of Joyce, please enjoy a glass of Chardonnay with us while watching David Muir's newscast on ABC at 5:30 p.m. She never missed it.

Memorials may be made to First Lutheran Church, 324 N. 3rd St., DeKalb, IL 60115; Our Savior Lutheran Church, 501 E. 23rd St. Hibbing, MN 55746; and Fairview Range Home Care and Hospice, 1101 E. 37th St. Suite 27, Hibbing, MN 55746.

## Local college students receive support from Kody's Cupboard

MALTA — With Thanksgiving days away, Kishwaukee College's food pantry, along with assistance from Kishwaukee College Phi Theta Kappa members, organized and distributed Thanksgiving meal starter kits to approximately 40 Kishwaukee students on Tuesday. This was the first year the pantry had organized the event.

"Knowing that many students had lost their jobs and are balancing school and home life, we wanted to give them something to look forward to with Thanksgiving coming up," said Krystal Gundy, Kishwaukee College coordinator of student activities. "It was great to hear feedback from students as some of them weren't sure how they were going to swing Thanksgiving dinner with their immediate families." The kits from Ko-

dy's Cupboard will give students a good start. Traditional Thanksgiving nonperishables such as boxed stuffing and potatoes were packed up along with canned vegetables, gravy and cranberry sauce. Also included was a \$25 Aldi gift card to help cover any other food needs. Kits were available to

any Kish student, including GED and ESL students. To limit interaction during pickup, students were asked to open a trunk or car door to avoid any contact. For

students unable to drive to campus, the College did arrange a few porch drop-offs.

'Food insecurities are real and even more prevalent during these days of COVID. When Krystal brought this suggestion to me, I said, 'Absolutely, what a great idea," said Kishwaukee College Vice President of Student Services. "We are fortunate to address our students' needs by offering the opportunity to obtain the Thanksgiving dinner kit from Kody's Cupboard this year.'

Kody's Cupboard was started in 2019 by the college staff and board of trustees to help alleviate hungerand meet basic needs for the Kishwaukee College campus community. This year's drive was supported with Governor's Emergency Education Relief Fund.

### **CHOOSING A FUNERAL** DIRECTOR Taking time to plan ahead for

the rites and rituals that are important to you and your family is the best way to avoid the emotional pressures that are almost inevitable in a time of grief. Cost is an important

consideration in planning a funeral, but there are other things to take into account as well. One of them is finding a funeral director you trust, one with whom you will feel comfortable during emotional and trying time.

If you do not know a funeral director in your area, here's some advice. Get together with a family member or friend that makes the project less scary then call some local funeral homes and ask for an

appointment. You might ask friends or acquaintances who have lived in the area for suggestions. Funeral directors should be happy to show you their facilities and give you preliminary information about alternatives funeral expenses. It's always best to call first so that they will be expecting you.

# Keep momentum going - Shop Small **Business Saturday**

T'S easy to forget, but small L business optimism was historically strong heading into

COVID-19, of course, changed things. Social distancing meant retailers and restaurants had

to change how they did business. Some had little choice but to close temporarily, and some of those businesses will never reopen.

That's why we need to shop local on Small Business Saturday and throughout the holiday Small Business Sat-

urday, the Saturday after Thanksgiving, was created 10 years ago in response to another crisis, the Great Recession. The goal was to get people to bypass the national chains on the first weekend of the shopping season and support locallyowned stores and restaurants.

year, Americans spent a record \$19.6 billion on Small Business Saturday, according to a survey from American Express and my association, the National Federation of Independent Business.

And it worked. Last

We need to try to keep the momentum

Small business owners are doing everything they can to get through this, but it won't be easy. NFIB surveyed its members nationwide last month and found that 19 percent of them think they'll have to close in seven months to a year unless the local economy improves; 15 percent said three to six months, while 3 percent warned they

And when we asked how long they thought their businesses could survive under current economic conditions, 19 percent said seven months to a year, while 15 percent said three to six months and 3 percent said they might

have to close in a month or two. We can't af-

ford to let that happen.

nesses need us. NFIB is asking Congress to approve additional financial assistance for small businesses, but there are little things you and I can do that can make a big difference:

We can shop local and shop small – in person, by phone, or online – and take advantage of local delivery or curbside pickup.

We can also buy gift cards for local businesses. Supporting them now helps them stay in business so we can use the cards later.

Supporting local shops and restaurants throughout the holiday season and beyond will lessen the financial impact this outbreak is having on our communities. Small business is the engine that drives our economy, so, when we help small businesses, we help everyone.

# Help support Children's **Shopping Trip with donations**

Dear Editor,

Dear Santa,

Would you please bring me some new clothes this Christmas?

Love, a Rochelle child in need This is the Christmas wish of more than 225 children who are referred to

the Children's Shopping Trip sponsored by the Rochelle Community Action Network. These children are referred by our local schools, churches and non-profit agencies because they need the most

basic of clothing items. Children are 30. Any funds received after this date

taken shopping by a local community volunteers and treated to a party with Santa. Without the support of the Rochelle community, this event would not be possible. Together, we CAN!

If you would like to bless a child this Christmas who is in real need.

please consider a donation to this event. Any amount is gratefully appreciated. Checks may be made payable to Community Action Network, P.O. Box 432, Rochelle, IL 61068. Please send donations by Nov.

will be used for next year.

Thank you for your support and the happiest of holidays to you and yours.

# The holidays should be different this year

THE world is a very different place today than it was at the beginning of the year.

Yes, we will have a new president in this country next year. But I am really taking about COVID-19, the virus that has changed all of our lives.

Many have been working from home for eight months or so now, something they could never have foreseen. My wife, for example, travels a lot for work. But she hasn't had an overnight trip since March.

I, too, am working from home and it has taken some adjustment, honestly. I worked in newsrooms for decades and was always out and about. Now, I do go out for the occasional interview, but most are done over the phone. I do go out to Ogle County to take photos and to cover some court dates. The Ogle County Board has, thankfully, been having its meetings remotely, so we

don't have to all go into a meeting room.

By now, most of us know people who have died from COVID, whether it be family members or

friends. The spike we saw back in the spring pales in comparison to the rise of cases we are seeing now. It is infecting and killing us at a rate no one should find acceptable.

My wife and I mostly stay at home. When we do have to go out, like grocery shopping, we try to do it off peak hours and always – always

- wear our masks. This is

not something to play with.

The real challenge, of course, will be the upcoming holidays. Health officials are worried that people are going to get together with family on Thanksgiving and Christmas. And no matter how safe you try to be, it could end up with family members infecting family

I know this is going to be very difficult for some people. Many families love to gather for the holidays and enjoy good food, conversation and

company. These are long-standing traditions that are tough to break. I can tell you I would love to see my

father. I had planned to see him this year, **Brad** but his health is way **Jennings** more important to me than a trip to see him. Even if I

didn't believe the science, I would never take that chance with my father's life. And I do believe the science, of course.

But this year is not like last year, or any other year we have ever had in our lives. That means we need to do something different. A video call is a great way get everyone together and it is safe. You could cook a meal together, eat and enjoy conversation all from the safety of your own home. No, it is not the same thing, but this is not the same year we have always had.

Christmas could be much the same. Everyone can call in at a designated time and unwrap presents and enjoy some holiday cheer. Take turns showing off your decorations and holiday meal. Share old family photos and swap stories. I know some people scoff at things like this After all we have seen in the past number of months and the climbing death toll. I can only shake my head

at those people. But we all love our families, and we want to keep each other safe. So this year – this one year – let's all do the right thing and not have big holiday gatherings. It is not the same as being there, but it is one way to try to make sure you will all be there the next year so you can hopefully see each other face to face.

Brad Jennings is editor of The Ogle County Life.

### LETTERS TO THE EDITOR POLICY

The Rochelle News-Leader encourages responsible letters to the editor on subjects of interest to our readers. Editing may be necessary for space, clarity or to avoid obscenity or libel, but ideas will not be altered. All letters must bear the handwritten signature of the writer and include address and phone number or e-mail address for verification purposes. Neither the street address nor phone number will be printed. Letters should be typed or legibly

handwritten, and no anonymous letters will be published. Any letters from boards or organizations must include at least one name of an individual. Any criticism of public officials should be limited to issues related strictly to their position or actions made in office, as personal attacks will not be published. Letters involving private disputes between the writer and a business will not be published. Political endorsements will be published,

however letters rom candidates endorsing themselves will not be printed. Letters may be dropped at the News-Leader office (211 IL Route 38 East), mailed to the News-Leader (P.O. Box 46, Rochelle, IL 61068) or e-mailed (news@rochellenews-leader.com.) The News-Leader reserves the right to edit or reject any letter to the editor for any reason, and letters chosen for publication do not necessarily reflect the views of this newspaper.

# VFW offering free Thanksgiving meals

**BY JENNIFER SIMMONS** MANAGING EDITOR

**ROCHELLE** – Just like many things this year, the Rochelle VFW Post 3878 Thanksgiving dinner will be a little different.

For more than 50 years post members have been serving members of the community who either need a place to go for Thanksgiving or have no way of making one for themselves or their family at home. This year, dinner will be served as carryout or delivery. Deliveries will begin around 10 a.m. and carryouts will be available until approximately 1 p.m. on Thanksgiving day.

"We won't be offering

in-house dining this year but will still be providing meals for carryout and delivery," Post Commander Bill Bumgarner said.

The meals will include all of the aspects of a traditional Thanksgiving dinner—turkey and ham, mashed potatoes and gravy, a vegetable, stuffing, dinner rolls and a dessert.

The VFW typically serves more than 200 guests each year with the majority being deliveries.

"We will still be welcoming volunteers to help prepare the meals," Bumgarner said. "Volunteers will need to have their temperature taken and provide their name and phone number in case

we need to contact them later."

There is no cost to anyone for dinner.

All of the food for the meals is provided by the City of Rochelle and organizations within the community.

Bumgarner explained that when meals are delivered, the volunteer making the deliver will ring the doorbell [or knock] and make sure that someone is at the door before placing the meal(s) on the porch and backing away.

"We want to limit contact as much as possible," he said.

While the dinners are provided to anyone in need for free, the Rochelle VFW Post 3878

is always accepting donations of any amount. Anyone who would like to donate can do so by stopping in to the VFW

post located at 318 4th Ave. in Rochelle.

Those wishing to receive a Thanksgiving meal for delivery or car-

ryout are asked to contact the VFW Post by 5 p.m. Monday at 815-562-3878 to ensure enough meals are prepared.

# Secretary White upgrades temporary license plates

### SPRINGFIELD -

New temporary license plates more durable and provide more information to law enforcement.

Illinois Secretary of State Jesse White announced that his office has upgraded temporary license plates (also known as TRPs or temporary registration permits), making them more durable and providing more information to law enforcement in an effort to continue to combat fraud and criminal ac-

"This newly designed temporary license plate continues to give law enforcement the tools to quickly and accurately identify the owner of a vehicle," said White. "IlILLINOIS TEMPORARY PERMIT ILLINOIS TEMPORARY PERMIT ILLINOIS TEMPORARY PERMIT

linois was the first state in the nation to connect temporary license plates with LEADS (Law Enforcement Agency Data System), and we continue to make upgrades to our program and to the temporary license plate itself."

The newly designed temporary license plate features a more durable material that is thicker and will better withstand car washes and inclement weather, ensuring that the information on the temporary license plate is easily visible to law enforcement. The new temporary license plates also include a bar code and enlarged expiration

date, as well as identification including the vehicle's VIN, year, make and model and the name of the automobile dealer that issued the temporary license plate. Like the old temporary license plates, the new ones will be affixed to the rear back license plate holder.

In addition, the issuance process of temporary license plates has been be upgraded to require that applications for title and registration are completed before an automobile dealer may issue a temporary license plate. This change improves consumer protection and helps combat fraud, ensuring automobile dealers and remitters apply for title and registration before a temporary license plate can be printed. This step guarantees that ownership of the vehicle will be properly transferred in a timely fashion to the purchaser.

The newly designed temporary license plates which are being issued statewide at all Driver Services facilities as well as the 10,048 automobile dealers, currency exchanges and remitters - continue to give law enforcement the ability to access vehicle information immediately through LEADS.

Approximately 500,000 temporary license plates are issued each year. There are more than 10.2 million vehicles in Illinois.

# Support Small BUSINESSES This Saturday!

# Importance of shopping local

**THE** importance of shopping locally has been emphasized with increasing urgency in recent years. Events like Small Business Saturday and Plaid Friday have brought some much-needed attention to the importance of shopping local, which is even more crucial now as so many small businesses try to survive the pandemic.

Apoll from the trade group the National Federation of Independent Business reported that about half of all the businesses in the survey reported a 25 percent drop in sales since the outbreak of the COVID-19 virus, and roughly one in five businesses have seen sales decline by more than 50 percent. If the economic climate does not radically improve, 20 percent of small businesses won't survive.

According to NBC News, small businesses employ 60 million people in the United States, almost half of the nation's private-sector employees. In addition, small businesses generate tax revenues that help communities by funding schools, maintaining parks and contributing to public safety programs. However, based on research from the Federal Reserve Bank of New York, even before COVID-19 spread across the world, only 20 percent of healthy small businesses had sufficient cash reserves to continue to operate if they experienced a revenue loss for two months. Some have been shuttered for much longer.

Individuals looking for everything from clothing to home improvement services to office supplies can look to small

businesses to fill those needs. Look for small businesses for any and all of your shopping needs. Chances are items sold by big box retailers also are sold by small businesses. When the options are the same or similar, purchase from a small business instead of its big box competitor.

Readily provide recommendations of small businesses with which you have done business. Too often people are quick to complain about places that have failed them, but those same people don't think to say kind words about companies that went above and beyond. Share great experiences on social media or through word of mouth.

Talk to small businesses owners first if you have an issue. It's tempting to go directly to social media to complain about something, but such complaints can have a dire impact.

Always take issues to the manager or business owner first to see if a resolution can be reached. A manager may not be aware of an issue at all. Give small businesses a chance to make it right before taking things public.

If you own a small business, rely on other small businesses to fulfill your needs. Order supplies from fellow small business owners, seek the help of local financial advisors and tax professionals and use local suppliers and delivery personnel.

Small businesses have experienced unprecedented setbacks due to COVID-19. By supporting small businesses, communities can help them regain stable footing.

**STEWARD** — Steward Elementary School normally hosts the Conor O'Rorke Memorial Basketball Tournament every December, with local teams from around the area gathering to compete while helping to raise money for the Lurie Children's Hospital in memory of Conor O'Rorke. Although the COVID-19 pandemic has forced the cancellation of this year's tournament, there will still be events happening including a drive-thru dinner and

Ralfie's BBQ will be hosting the first-ever Conor's Carryout event on Sunday, Dec. 6 from 3:30 to 5:30 p.m. at Steward Elementary School. Rochelle Chamber of Commerce Executive Director Tricia Herrera said that a portion of each dinner

Sophomore Damen Harrington clears the bunker during match play earlier this season. Harrington gave up football to try out for the golf team, but he's since found a role with the varsity team and is poised to become a leader next season.

AMEN Harrington had played football for four years before entering Rochelle Township High School as a freshman in 2019. Despite his recent experience on the gridiron, Harrington was looking to take up a new sport during the fall, so he went out for the Hub golf team instead.

Harrington immediately found a role with the varsity team, competing with the varsity team over both his freshman and sophomore seasons. The right-handed underclassman made noticeable strides on the course this fall, scoring as low as 95 in the 18-hole Rocket Invitational and 49 during Rochelle's home match against DeKalb at Fairways Golf Course. Harrington said improving his downswing and making some adjustments to his putting led to more success.

"I felt like I performed great this season compared to last season," Harrington said.

"There were some ups and downs but I made many improvements. I'd like to keep improving my putting for next season and I'd like to continue getting stronger with the mental aspect of the sport."

Harrington closed out his sophomore season as Rochelle's No. 5 varsity golfer, but with three seniors graduating from the program this year, Harrington has an opportunity to cement a leading role with the varsity Hubs next season. Harrington said his goals for next season are to shoot in the 40-to-45 range for nine holes and the 85-to-90 range during 18-hole events.

"My most important goal will be to continue improving," Harrington said. "I'd like to see everybody perform better than they did this season and I'd like to see us correct our mistakes from this season and move forward as a team. What I enjoy most about the sport is that almost all players show great sportsmanship when playing. Coach [Glen] Mehrings, coach [David] Cartwright, Megan [Thiravong] and her family have all helped me improve tremendously."

"There were some ups and downs but I made many improvements. I'd like to keep improving my putting for next season and I'd like to continue getting stronger with the mental aspect of the sport."

Northern Illinois University quarterback Ross Bowers attempts a pass during the team's road game against Ball State University on Wednesday. Bowers threw for 300 yards in a 31-25 loss against the Cardinals.

# Huskies remain winless after loss to Ball State

### Bowers throws for 300 yards, Collins scores twice for NIU

**MUNCIE**, Ind. – Tailback Erin Collins scored a pair of touchdowns and quarterback Ross Bowers threw for 300 yards on 27-of-40 passing as the Northern Illinois University Huskies put together their best performance of the season, but it was not enough to reclaim the Bronze Stalk Trophy as NIU fell to Ball State, 31-25, Wednesday night at Scheumann Stadium.

Ball State (2-1) used back-to-back scores in the second half to break a 14-14 tie and take a 28-14 lead, and got a boost from its defense, which scored on a 71-yard interception return in the second quarter. The Huskies (0-3) twice led by seven points in the first half, but could not overcome a 14-point fourth-quarter deficit.

"We are fighting to get

better," said NIU head coach Thomas Hammock. "Credit to Ball State, they are a veteran team. They have 23 seniors and we had six or seven true freshmen playing on defense most of the night. I liked the effort, I liked the energy, we gave ourselves a chance. I thought the defense con-

tained [Ball State] for the most part. We have to come up with a critical stop when we need it, and we can't give anybody anything. We have to figure out a way when you get up by seven points to find a way to go up by 14 or 10. We've got to find those moments."

Bowers'300-yard game was the second of his NIU career and his 27 completions marked a career-high at NIU. Tyrice Richie recorded his second 100yard receiving game of the season with a career high 11 catches for 108 yards. Freshman Harrison Wavlee led NIU with 63 rushing yards on 17 carries.

Defensively, Jordan Gandy led the Huskies with 11 tackles while freshman Devin Lafayette's 10 stops were the Georgia native's career high. NIU had five tackles for loss and three sacks in the game.

Ball State looked to take its first lead of the game on the opening possession of the second half but were thwarted when NIU junior Dillon Thomas intercepted Drew Plitt in the end zone. The interception came after the Cardinals drove

to the NIU three-yard line. The Huskie offense, though, could not make anything happen and Ball State started from its 41 with 9:43 left in the third quarter. They proceeded to drive 59 yards in nine plays, with most of the yards coming via the rush. Caleb Huntley carried six times on the possession and scored from three yards out. He finished the game with 103 yards on 23 carries. A bad snap on the PAT left Ball State with a 20-14 lead with 5:12 on the clock.

After an exchange of

punts, Ball State extended the lead to 28-14 with a five-play, 80-yard drive. The Cardinals used a big play – a 64-yard pass from Plitt to Yo'Heinz Tyler, who earned most of the yardage after the catch to put BSU on the NIU 13-yard line. Two plays later, Plitt hit Tyler for the seven-yard score and his two-yard PAT pass to Antwan Davis was good.

As they did all night, NIU answered. Bowers drove the Huskies down the field.

### CELEBRITY Q: Is Anna Faris coming back to the show

'Mom''? I hope she's not off it permanently. I love the dynamic between her and Allison Janney. — U.C.

**SUNDAY AFTERNOON** 

A: Faris made the sudden announcement in September that she was leaving the hit sitcom "Mom" just before its eighth season began. The fate of her character, Christy, was explained on the season premiere this month. I won't spoil it for anyone who hasn't seen it and plans to, but it's a positive direction for the character. "Mom" airs on Thursdays at 9 p.m. ET on CBS.

Faris' exit was unexpected, as her contract was supposed to commit her through the eighth season. Jaime Pressly, who plays Kendall on the show, stated that Janney's character will still speak to Christy on the phone and give updates to viewers about her on-screen daughter. Off-screen, Faris is set to play twins in the comedy film "Summer Madness." According

to Deadline.com, the twins consist of "the flatbroke and foul-mouthed Georgie Cole and her successful, elegant twin sister. Disowned by her wealthy and conniving mother, Georgie must rally her dysfunctional family to appear picture perfect in order to win a large cash prize at her mother's annual gala." It's written and directed by Fred Wolf of "House Bunny," which also starred Faris.

Q: What's next for the actors of "The Good Place?" I'm sad the show ended so soon, but I guess that's better than it dragging on and becoming stale. -- P.B.

A: "The Good Place" was a very clever NBC comedy that wrapped up its story about

the afterlife after four seasons. Its main star, Kristen Bell (who played Eleanor), has a couple of projects lined up. The one I'm most excited about is a live-action musical "Molly and the Moon," co-starring Jonathan Groff ("Frozen 2" and "Mindhunter"). William Jackson Harper (who **Anna Faris** 

in "Mom"

played Chidi) will star in the second season of HBO Max's "Love Life," in which he plays a single New Yorker wading through the dating pool after a long-term relationship ends. Ted Danson (Michael) will play the mayor of Los Angeles in a comedy created by Tina Fey. It will air on NBC -- eventually. Jameela Jamil (Tahani) continues to thrive in

her other career as a voiceover actress. Manny

Jacinto (Jason) can be seen in the upcoming Top Gun: Maverick," with Tom Cruise.

O: When is "9-1-1: Lone Star" returning with new episodes? I hope it was renewed for a second season. -- A.M.

A: The Texas-based spinoff of the Ryan Murphy-produced drama "9-1-1" is scheduled to return in January. However, one of its main stars will be missing. Actress Liv Tyler, who lives in London, was concerned about traveling back and forth to the U.S. during the pandemic, so she chose to exit the show. Joining Fox's "9-1-1: Lone Star" is Gina

Torres, best known for playing Jessica Pearson on "Suits" from 2011-18 and in its subsequent spin-off, "Pearson," which aired for just one season.

NIU scored on its first possession of the game for the first time this season, driving 75 yards in seven plays and 2:56 to take a 7-0 lead. Bowers hit Richie for 17 yards to the corner of the end zone for the score. Richie's first of the season. Waylee recorded a 28-yard rush on the second play of the drive.

Ball State drove to the NIU 26 on its ensuing possession, where the Huskie defense held and Knight's 42yard field goal was missed wide right.

The teams traded punts, with Matt Fe-

rence's effort pinning Ball State on its four-yard line, where the NIU defense forced a three-and-out. The Huskies could not get anything going and returned the ball to BSU with 2:02 left in the quarter.

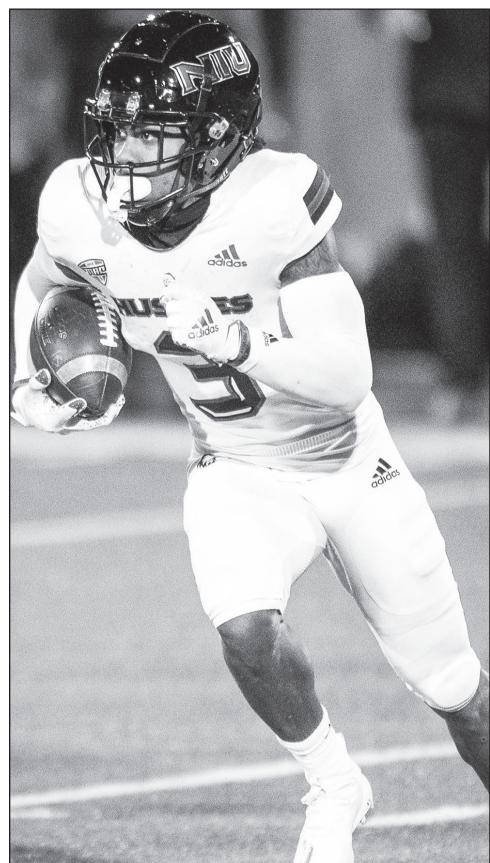

On second and 15 from the Ball State 45 after Pierce Oppong and Miles Baggett combined on a sack, BSU's Tye Evans broke free for a 46-yard run to the NIU nine-yard line. Two plays later, Plitt hit Davis for a five-yard touchdown and the PAT tied the game at seven with 14:40 left in the half.

The Huskies responded with a six-play, 74-yard drive to take a 14-7 lead with 11:39 to play before half. A short pass to Rudolph turned into a 47-yard play and Bowers hit Daniel Crawford on a 21-yard reception to the 21. Erin Collins rushed for 11 yards on third and two from the 19 and scored from two yards out two plays later.

NIU got the ball back after the NIU defense came up with a big fourth down stop after BSU drove to the NIU 40-yard line. James Ester and Rashein Thomas combined on the fourth down tackle for loss and NIU took over with 8:15 left in the half.

After picking up a couple of first downs, including one when backup quarterback Andrew Haidet converted on fourth and one, Bowers was picked off by BSU's Amechi Uzodinma, who returned the ball 71 yards for the score and a 14-14 halftime tie.

The Huskies drove to the Ball State 27 at the end of the half, but Richardson's 45-yard field goal was wide left. NIU next faces Western Michigan on Saturday, Nov. 28 at 11 a.m. The game will be broadcast on ESPN+.

## **Graduation rate** success continues

**DEKALB** — Eight Northern Illinois University athletics programs earned a perfect 100 percent Graduation Success Rate and 10 Huskie teams posted a GSR that ranked above the national average for their sport according to the GSR Report released Tuesday by the National Collegiate Athletic Association (NCAA). GSR is the academic assessment tool used by the NCAA to measure a school's ability to graduate studentathletes.

NIU's overall GSR of 87 percent for freshmen who entered school between 2010-11 and 2013-14 continues

a string of seven straight years when the Huskies' GSR has averaged between 86-89 per-

"To have this kind of sustained success in one of the most important metrics of academic success shows the commitment that our entire department has to graduating student-athletes," said NIU Associate Vice-President and Director of Athletics Sean T. Frazier. "Our student-athletes are to be commended, as well as the coaches and staff, especially those in our Student-Athlete Aca-

demic Support Services

(SAASS) unit. I also want

to thank our donors. Their

support enables us to pro-

vide NIU student-athletes

with the resources needed to succeed academically as well as athletically."

The Huskie gymnastics team achieved a 100 percent GSR for the 13th consecutive season, the NIU women's golf team had a 100 percent GSR for the 12th consecutive year while the Huskie women's soccer and volleyball programs each both met the 100 percent mark for the seventh straight year. Women's basketball earned its third straight perfect score, while men's tennis and men's golfhave posted back-to- back 100 percent years. Women's tennis saw its GSR im-

prove by 11 points to reach 100 percent for the first time in five years and the eighth time overall.

In addition to women's tennis, softball and women's cross country/track & field saw their graduation success rates improve from a year ago. Overall, 96 percent of women student-athletes who entered Northern Illinois University between 2010-11 and 2013-14 have earned their degrees.

The Huskie football team's GSR of 84 percent for the 2013 cohort is five points above the national average for football and four points higher than the FBS average. NIU Football's Graduation Success Rate has topped 83 percent for nine straight years.

Protect yourself against COVID-19 and other diarrheal and respiratory illnesses, and help prevent the spread of germs to others, by following these simple hand hygiene guidelines:

- Wash your hands with soap and warm water, lathering for at least 20 seconds.
- 2. If soap is unavailable, use a hand sanitizer containing at least 60 percent alcohol to clean your hands.

Wash your hands throughout the day, and particularly under these circumstances:

- Before preparing food
- Before eating
- After using the toilet
- After changing a diaper or helping a child use the toilet
- Before and after exposure to someone who is sick
- After coughing, sneezing or blowing your nose
- After touching an animal or picking up animal waste
- After handling pet food or treats After handling garbage or garbage cans
- Before and after attending to a cut or wound

Illinois High School Association

# IHSA temporarily pauses sports and activities

### Board of Directors to reconvene during update discussion next month

### **BLOOMINGTON** —

The Illinois High School Association (IHSA) Board of Directors met for a special virtual meeting on Thursday, Nov. 19, 2020, where the board provided an update on winter sports.

To maintain compliance with the most recent mitigations issued by Gov. JB Pritzker that take effect on Nov. 20, the IHSA board issued guidance to pause all IHSA winter sports and activities by Nov. 20.

"All IHSA sports and activities will cease by Nov. 20 for what we hope is a short-term pause," said IHSA Executive Director Craig Anderson. "Given the rising COVID-19 cases in our state and region. we support the governor's mitigations and believe it is imperative for everyone in the state to do their part in following them so

that we can return to high school sports participation as soon as possible."

The board will revisit the status of winter sports at their update discussion on Dec. 2, and again at their regularly scheduled meeting on Dec. 14 if necessary.

"Taking into account

the current state mitigations, the board believes that early to mid-December will be the most reasonable target to review the status of winter IHSA sports and activities," said Anderson. "The board is sensitive to the scheduling difficulties these delays create for athletic directors and coaches. However, our experiences this summer and fall lead us to believe that setting arbitrary start dates hinders the process even more. We realize it may seem redundant, but we have to preach patience

as we await more data and direction from the state. Despite the obstacles this unprecedented school year has presented, the board's vision to provide participation opportunities in all IHSA sports has not wavered."

The board was steadfast in their desire to remind all athletes and athletic programs that adhering to the mitigations is vital to the hopes of safely playing high school sports in Illinois as soon as possible.

"I believe there is a misconception that IHSA and non-school athletic programs have an adversarial relationship," said Anderson. "In my time at the IHSA, I have not found that to be the case at all. More so, I think there is a mutual respect for the opportunities that each provide for athletes. IHSA schools have been

exemplary in adhering to state regulations throughout this pandemic and we are calling upon nonschool programs to hold themselves to that same standard. As school and non-school sports temporarily cease in Illinois, and throughout the Midwest, it is a great reminder that putting the health and safety of our fellow citizens at the forefront in the shortterm will allow all levels of athletics to thrive in the long-term."

The board provided the following participation clarifications to member schools:

### **Start Date**

Given the timing of the Governor's new mitigations, Nov. 16 will not be recognized as the start date of the winter season, regardless of whether winter sport teams conducted any official tryouts or practices. A new start date will be established for each sport once winter sports can be conducted again. Training

Conditioning and weight training before and after school are paused. Local schools will decide if conditioning and weight training programs that are a part of their academic curriculums continue or are ceased.

### Open Gyms

Are paused and cannot be conducted at this time. Outdoor Workouts:

Outdoor workouts may be conducted in any sport in groups of 10 or less with masks and social distancing. Coaches are counted toward the 10. Use of sport-specific equipment is allowable with proper sanitizing practices.

### **Skill Work**

Per Tier 3 Resurgence Mitigations and with school approval, one-onone skill work between a coach and student-athlete is permitted for winter sports only, but is limited to one coach and one student-athlete per facility.

### Activities

Practices and competitions may only be conducted virtually.

### **Non-School Participation**

All sports organizations in the state, school or nonschool, have been directed to abide by the Governor's mitigations. IHSA coaches cannot organize non-school participation in any fashion. IHSA bylaw 3.100 will be in effect once winter sport seasons begin following this pause.
