# Love for the sky

At left, Mike Ciaccio shows off the 2-seater RU-7A airplane he built. He was in Rochelle this week and had some repair work done at the Rochelle airport.

(PHOTO BY ANDREW HEISERMAN)

## Ciaccio gives 'props' to uncle for sparking interest that leads to lifelong career, passion

BY ANDREW HEISERMAN STAFF WRITER

N American Airlines pilot with ties to Rochelle recently shared his love for aviation, his personal experiences from a lifetime of flying and his first-hand experience in how COVID-19 has changed the airline industry.

Mike Ciaccio was born in Rockford. He moved to Rochelle when he was in kindergarten and graduated from Rochelle Township High School in 1977. During high school, Ciaccio's uncle, Dale Meyers, took him on his first flight and he instantly fell in love.

"It was a flight from Rockford to Iowa and back and the second we began rolling down the runway, I knew that was what I wanted to do," Ciaccio said. "After the flight, I looked into getting my pilot's license and I went right ahead and got it in Rockford."

After acquiring his pilot's license, Ciaccio worked as a flight instructor in Iowa until joining the United States Air Force in 1984. Ciaccio spent eight and a half years in the military, completing pilot training for T-37 and T-38 jets in Del Rio, Texas at Laughlin Air Force Base.

Once finishing pilot training, he stayed at the air force base as a pilot instructor for another three and a half years. Ciaccio's next assignment was flying C-141 cargo planes out of Mc-Guire Air Force Base in New Jersey on cargo missions during the war, such as operation Desert Storm and Desert Shield.

"We would pick something up in the states and run it over to Riyadh or Saudi Arabia," Ciaccio said. "Taking all kinds of beams and bullets, we would be in and out quick because we were a big target."

Ciaccio left the military in 1991 and got hired by Delta Airlines, but soon after being hired, the airlines cancelled all training courses, leaving him out of a job for about a year. During this time, he lived with his mother in Rochelle while his two children were able to spend more time with their cousins.

Finally, Ciaccio was hired by American Airlines based out of Dallas/Fort Worth International Airport in Texas, where he worked for 11 months before getting laid off due to the poor economy at the time. During his three-year lay off, Ciaccio worked for Midway Airlines out of Raleigh-Durham International Airport before being re-hired by American in 1996, where he has worked ever since.

## **Departments battle fire in corn storage building**

**CRESTON** — Several area fire departments responded to a fire at FS Grain in Creston Friday morning where they remained for more than five hours.

At 10:57 a.m. the Rochelle Fire Department was called to the business along Illinois Route 38 for flames coming from a fan in a corn storage building. Upon arrival, flames were visible from outside the structure.

There were 750,000 bushels of corn in the storage warehouse which holds 2 million bushels.

According to Rochelle Fire Chief Dave Sawlsville, the fire was brought under control by cutting holes in the roof of the building and using thermal imaging, to direct water to the hot spots.

Firefighters from Rochelle, Steward, Creston, Flagg-Center, Hillcrest, Malta, Lynn-Scot-Rock, Lee, Kirkland, DeKalb and Oregon were all on scene to assist.

No injuries were reported and the cause of the fire remains under investigation.

(PHOTO BY ANDREW HEISERMAN)

Upon arrival on scene by Rochelle Fire Chief Dave Sawlsville, flames were visibly showing coming from one of the exhaust fans on the side of the building.

## Roadway repair planned on Illinois Route 38 beginning Monday

**ROCHELLE** – On Monday, June 15, the eastbound lane of Illinois Route 38, between Illinois Route 251 and Lincoln Highway, will be closed for repair.

The roadway repair is necessary following a water main break in the area earlier this year. The lane closure is expected to last approximately three days. Advance warning, detour and other temporary traffic control devices will be posted near the affected area. Please use caution while traveling in this area and pay special attention to the advanced warning signage, road closed signage and other temporary traffic control devices within or in advance of the work zone.

We have a huge selection of new plants, ornamental grasses and hostas to choose from. Call now to schedule an appointment for our "We Plan, You Plant" design service and let us help you create the yard of your dreams!

Garden center is currently open by appointment, Tuesday-Sunday 10:00am-6:00pm. Online ordering available for pickup and delivery.

Above is the instrument panel of the two-seater RU-7A airplane Mike Ciaccio built.

# **FLY**: Pandemic has changed state of airline industry

### From page 1

Recently, Ciaccio has seen first-hand the effects of COVID-19 on the airline industry. Since the coronavirus hit the United States and stay-at-home orders were put into effect throughout the country, the amount of people flying has declined dramatically.

"COVID-19 hammered us, in May and June we were probably flying around 30 percent of our flight as compared to last year," Ciaccio said. "In July, it has gone back up to 55 percent. While it will take a while, it is slowly starting to get better."

Due to the corona-

"COVID-19 hammered us, in May and June we were probably flying around 30 percent of our flight as compared to last year."

### **Mike Ciaccio**

virus, many airlines including American Airlines have implemented new restrictions, guidelines and cleaning procedures to help keep everybody safe. For American Airlines, crew members get their temperature checked anytime they go through security and are required to wear facemasks at all time when dealing with the public.

American Airlines also has passengers board the plane in smaller groups and is attempting to leave half of the middle seats open on every flight. All crew members are also given personal bottles of hand sanitizer and are urged to use them frequently. In addition to these new regulations for the flight crew, the plane cleaning crew has increased its procedures as well. "You used to leave the airplane for the night and when you got back in the morning it seemed like it was hardly even cleaned," Ciaccio said. "Now, they come in with the big masks and the sprayers, fog the whole plane and wipe down any surface people can touch." Procedures vary between airlines and airports and these are just some of the procedures American Airlines has implemented in all major airports throughout the country. While working for American Airlines, Ciaccio took on a new project of building his first airplane. Ciaccio and his uncle Meyer started building the

two-seater RU-7A airplane in 2011 and took it on its first flight in January 2018.

The two took a small break for about nine months when Ciaccio was switching houses, but finished the plane in just over six years of work, which was all done in Meyer's garage. The plane came as a kit for about \$40,000, has a total cost of about \$140,000 including the engine and can travel at a top speed of about 200 mph.

"When I started, I had no idea what I was doing," Ciaccio said. "Luckily Dale had already built an RV-9 before because I

## Your Health Is Our Priority Return for care with confidence

### **RCH is taking these precautions:**

- Temperature checks at entrances
- Face coverings or masks are required
- Set-up waiting rooms to encourage 6-feet of social distance
- Regularly clean and disinfect all areas
- Offering the COVID-19 triage line to safely separate sick and healthy patients

would not have been able to do it without him."

Currently, due to the decrease in flying, American Airlines has offered leave packages to many of its employees. Ciaccio accepted a three-month leave with benefits for a temporary pay decrease.

The airlines received \$25 billion to offer these options to its employees without furloughing any of them. But once the money runs out in September, nobody is sure of what will happen next. While the exact future is uncertain, Ciaccio is enjoying the time he currently has at home with his family in Dallas.

"We have five grandkids under 5 years old and they all live by us," Ciaccio said. "So, they have been hanging out at our house by the pool and it has actually been very relaxing."

## Read and Recycle

## City-owned parking lots available to small businesses

**ROCHELLE** – The City of Rochelle is offering municipal parking lots to small businesses interested in hosting outdoor sales or activities. As a result of three roundtable discussions held with local businesses, city officials were happy to offer the space.

"This is just one more way we can assist our small business community while their operations are restricted due to the State of Illinois recovery plan," said Rochelle City Manager Jeff Fiegenschuh.

As part of the City of Rochelle's commitment to assisting small businesses, the Rochelle Performing Arts Academy will be utilizing the Spirited Square parking lot area next to the gazebo in the 400 Block of North Main Street for outdoor classes.

There is no charge for a business to utilize the spaces. To reserve a date, please contact City of Rochelle Community Development Director Michelle Pease at 815-561-2073 or by e-mail at mpease@rochelleil.us.

Businesses utilizing the space will be required to submit a waiver and certificate of insurance.

The City of Rochelle is offering municipal parking lots to small businesses interested in hosting outdoor sales or activities.

## **In-person dining is back**

The Kitchen Table utilizing newly completed Rowe Pavilion to serve meals on Tuesday and Thursday nights

### **BY ANDREW HEISERMAN**

STAFF WRITER

**ROCHELLE** – Local non-profit organization The Kitchen Table has resumed serving meals to diners in person as businesses across the country begin to re-open.

Pay-what-you-can café The Kitchen Table, located at 7034 S. Klondike Road in Rochelle, provides meals to those in need every Tuesday and Thursday from 4:30-6:30 p.m. Diners show up, are served a meal and then pay whatever they can afford, even if it is volunteering their time or nothing at all.

The Kitchen Table officially resumed serving meals to outdoor diners on Tuesday, June 2 and hopes to continue doing so. Since re-opening, The Kitchen Table has seen a great response from the community.

"Both nights this week we have been really busy, so it is a good thing that we could re-open," said Carolyn Brown, Kitchen Table founder. "Both nights we served over 100 people through dine-in, delivery and pick-up."

Every Friday during quarantine, The Kitchen Table has offered a free drive-up service for take and bake meal entrees. In addition to serving meals on Tuesdays and Thursdays, "Our numbers never really dropped because of the virus, we just had to change the way we did things."

### **Carolyn Brown**

The Kitchen Table plans to continue offering its take and bake service due to need in the community.

"The Friday take and bake program is going exceptionally well," Brown said. "Last week we had over 500 meals and they were gone in an hour and 15 minutes."

While The Kitchen Table cannot allow diners inside of the building to eat, it is utilizing its recent building expansion — the Rowe Pavilion — to accommodate as many diners as possible. The new structure has garage doors that open, classifying it as an outdoor dining space.

All tables have been measured and marked off to the proper 6-foot distance and can fit up to 24 diners safely. The Kitchen Table is also following CDC guidelines by wearing masks at all times, offering hand sanitizer and hand washing stations and even setting up a port-a-potty outside to keep diners from entering the building.

The Kitchen Table is also offering

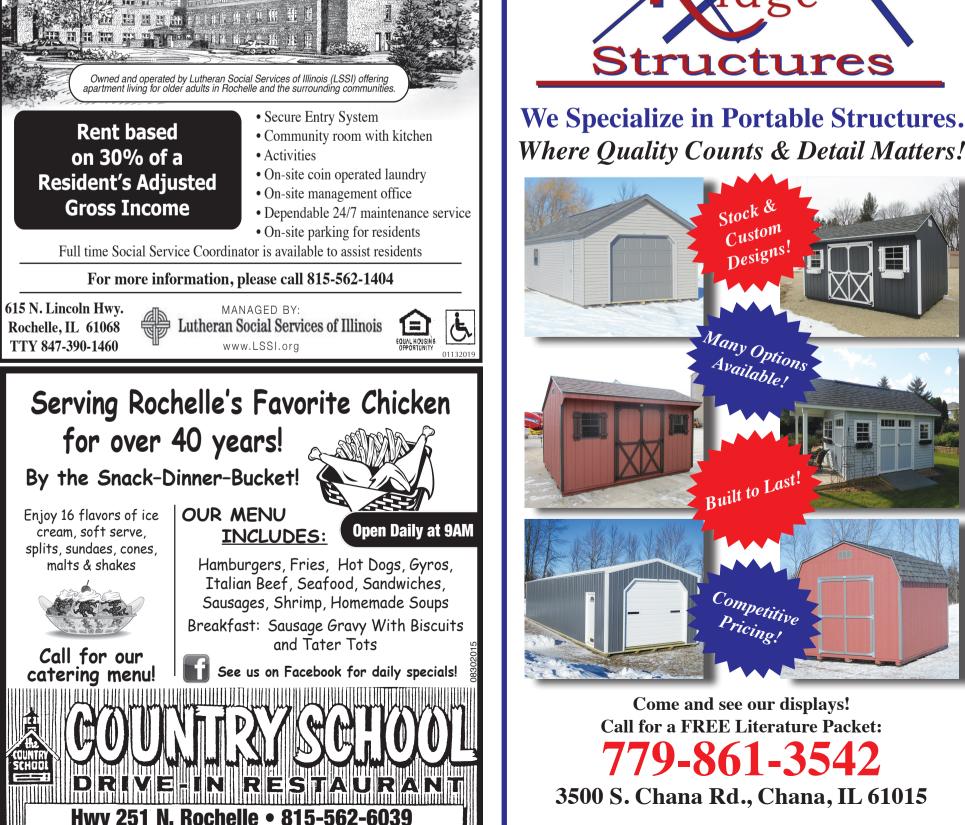

its curbside pick-up and delivery services. Anybody using the curbside service must order ahead by calling The Kitchen Table at 815-561-9074 or online at http://www.toasttab.com/ the-kitchen-table-rochelle. Once the individual has arrived, they call The Kitchen Table and a volunteer will bring the food out.

Next Tuesday, The Kitchen Table will be serving shredded brisket with mashed potatoes and green beans. Then, on Thursday it will be serving grilled BBQ chicken, potato salad and hopes to have a mixed green salad as well. The Kitchen Table is very happy to once again be serving diners in person and wants to give a big thank you to the community for its support during these tough times.

"Our numbers never really dropped because of the virus, we just had to change the way we did things," Brown said. "We are thankful for everybody supporting us, we have been very blessed."

## In Service

## **Palmer stationed** in Alaska

**ROCHELLE** — Pvt. E2 Hope Elaine Palmer, 19, of Rochelle, graduated from United States Army basic training at Fort Leonard Wood, Missouri, on Dec. 5, 2019.

On Feb. 24, 2020, she graduated from Advanced Infantry Training for which she studied 88 Mike in Fort Leonard Wood, Missouri, and is now stationed at Fort Wainwright, Alaska.

## **Ogle County Extension** offering virtual summer camp

**OREGON** — The University of Illinois Extension Ogle County recently released its plans to hold a virtual summer camp this year.

The virtual summer camp is completely free and will be limited to school age individuals who reside within Ogle County. Registration is limited and a minimum of eight registrants is required to host each session.

Virtual sessions will be hosted by Florissa on ZOOM and will be held daily. Sessions will begin Monday, July 13 and go through Thursday, July 16. Each session will be 45 minutes in length and will take place in the morning between 9 and 11 a.m. The number of sessions held daily will be determined by the number and age of registered campers.

Log in information for the ZOOM sessions will be provided to registered campers. Each camper may register for any or all of the sessions and can do so by either calling Lois at 815-288-1905, EXT 113 and leaving a message or via email at barnhartl@kreiderservices.org. Registration must be completed by Tuesday, June 30 and forms will be either mailed or emailed out as requested.

## Classes

All craft and activity supplies for camp will be available for pick up at Nash, 304 S. 5th Street in Oregon on Thursday, July 9 and Friday, July 10 from 12 to 4 p.m. Participants will be required to have their own scissors, glue, scotch tape and markers. A complete list of sessions, dates and descriptions of each event can be found below:

Monday, July 13: NATURE FUN offered by

## Oregon Park District

Participants will enjoy a little Garden Yoga (wear comfortable clothing and learn a few basic yoga positions), Nature BINGO (card will be included in packet with rocks to use as markers). and create your own Mr. or Mrs. Grass Head a fun craft to keep and watch the hair grow.

Tuesday, July 14: STORYTIME offered by Oregon Public Library

Participants will enjoy story time, listening to books about the library and will make their own book. Supplies will be provided.

Wednesday, July 15: INSECT INVESTIGA-TION offered by University of Illinois Extension

Participants will take a close look at insects and their mouth parts. There will be hands on activities demonstrating the different kinds of mouth parts. The session will conclude with an insect life cycle craft. Craft and activity supplies will be provided. Participants will need glue and tape.

Thursday, July 16: PAINT FOR POSITIVITY offered by Florissa's Art Therapist.

Participants will be asked to paint an inspirational flowerpot to help improve their happiness. The participants may paint the inspirational flowerpot, by painting words, images, designs, or solid colors. While the flowerpots are drying, each participant will be asked to paint a rock and write/paint an inspirational word on the rock. After the participants paint their rock, they will be able to plant a flower into their flowerpot. A discussion will follow the art activities to discuss how the participant's flowerpot, flower, and/or rock creates inspiration and happiness for him/her.

## Man cited for disobeying a stop sign

On June 9 at 11:04 a.m., Rochelle police cited Damien Esquivel, 23, of Madison, Wisconsin, for disobeying a stop sign. He issued a promise to comply. His court date is set for July 10.

On June 9 at 1:50

p.m., Rochelle police cited Bryce A. Thomasson, 22, of Davis Junction, for speeding 52 m.p.h. in a 35 m.p.h. zone. He issued a promise to comply. His court date is July 10.

On June 9 at 8:52 p.m., Rochelle police cited Blanca Ceja-Morales,

45, of Rochelle, for no valid driver's license. She issued a promise to comply. Her court date is set for July 10.

On June 9 at 9:40 p.m., Rochelle police cited Devin E. Vance, 18, of DeKalb, for disobeying a stop sign. He issued a promise to comply. His court date is set for July 10.

On June 11 At 3:23 p.m., Rochelle police arrested Albert L. Cyier, 44, of Rochelle, for violation of order of protection. He was transported to jail.

## Man arrested after driving with no valid license

04052020

On June 8 at approximately 11:03 p.m., deputies initiated a traffic stop in the 500 block of First Avenue in Forreston. After further investigation Dale Ulrich, 37, of Rockford, was placed under arrest for no valid driver's license. Ulrich was released at the scene on an I-Bond.

On June 9, deputies investigated a battery which had occurred in Haldane on June 7. After further

investigation, David Williams, 50. of Polo, was placed under arrest for battery. Williams was transported to the Ogle County Jail where he posted bond and was released with a future court date.

### omething to Think About

### Jeff Beverage Director

### **MAKING RITUALS MEANINGFUL**

The rituals of death are meant to bring comfort tot he bereaved. They should provide a way for mourners to express their grief and thus to begin the process of healing. These occasions give more comfort and take on more meaning when there is an attempt to make the service reflect the person an interest. whose life is being remembered.

This can be done in many ways – perhaps by including a hvmn, song, poem, or reading others. that was important to the person or by having friends or family offer remarks or prayers.

There are many heartwarming stories of the funerals of people with particular interests or participations - someone in a chair which sang at the funeral, a musician whose band

played their favorite numbers, a person with an interest in poetry whose favorites were recited by friends who shared

But why leave it to guesswork? If you have an idea for a special kind of funeral service, write it down and share it with

## LOCAL NEWS Just believe...and live by faith

RAITH in God is an amazing gift. It starts the moment your heart says: I believe Jesus is God's Son and that He came to rescue me. That alone is an incredible truth. But I wonder how many Christians decide that's where their faith ends, when the truth is, there's so much more to believe for in this life!

One of the reasons this happens is because many Christians only focus on their weaknesses and mistakes, rather than focusing on who God is and what He's doing in and around them. But John 3:17 (NIV) tells us, "God did not send his Son into the world to condemn the world, but to save the world through him."

Jesus is not only your Savior; He's your J advocate. And He wants you to start believing God for much more than a trip to heaven.

The Bible says the just shall live by faith (Hebrews 10:38). In other words, faith is an attitude that can become your way of life—and there is no better way I can think of to live.

Faith replaces fear and worry with peace and joy. It purifies the heart, fills us with the Holy Spirit, brings blessing and hope, receives provision, produces all kinds of positive results, and quenches all the fiery darts of the enemy.

The Bible says that faith is a shield (Ephesians 6:16). So when the enemy starts to fire off darts of fear and insecurity, you can get behind your shield of faith and keep going forward with God. But here's the thing: A shield won't do you any good unless it's lifted up. You need to raise up your shield by praying, saying, and doing things that line up with God's Word.

Second Peter 1:5 (AMPC) says to "employ every effort in exercising your faith to develop virtue (excellence,

resolution, Christian energy)." If you will exercise your faith to become more like Christ Himself, the way you think will change. The things you say will change. You will begin to live with greater love and compassion. And it will become very natural for you to encourage others in their faith.

I encourage you to put your faith into action in a practical way. Make a habit of getting up in the morning and thanking God for what He's done in

your life. Praise Him for what He's going to do. Release your faith for what you know you need from Him that day. And ask Him to prepare you for whatever challenges may come your way.

Something I've learned in my relationship with Christ is that you cannot change yourself. It's spending time with God that transforms you.

The apostle Paul prayed that the Holy Spirit would reveal Himself to the church in Ephesus in their "innermost being and personality"—that they would see who God had created them to be through Christ (Ephesians 3:16-17 AMPC).

God wants us to be firmly rooted in the love of Christ so we can take authority over our enemy. And He wants us to be so stirred up in His love that we can't help but share it with others. I believe if every Christian were doing this today, it wouldn't take a lot of time for the entire world to hear and believe the good news of the Gospel.

Ultimately, it's not the things we do but our faith that pleases God. He wants us to have faith for incredible things. And when we look to the heroes of faith in Hebrews 11, we see how God was able to work in their lives because they believed. Hebrews 11:13 (AMP) says that they were "guided and sustained" by their faith. And their faith still inspires us today.

Noah prepared an ark to save his family. It took many years to build it, and he was mocked every single day because where he lived, it had never rained. The Bible says that by faith, Noah "became heir of the righteousness that is in keeping with faith" (Hebrews 11:7 NIV).

By faith, Abraham prepared to sacrifice his son Isaac, believing that God would raise him from the dead (vv. 17-19).

Rahab was a prostitute but she believed that God could use her in a mighty way. And because of her faith, she and her family were saved (v. 31).

What will your great story of faith be?

First John 5:4 (NIV) says, "Everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith." When you choose to believe in God, amazing things can happen. So boldly ask God to reveal what His promises mean for you, and never stop believing until they are fulfilled.

# LOCAL VIEWS

### **Guest column**

## We must be diligent

am glad to see restaurants and L businesses reopenıng.

It's going to be an interesting experience moving forward. I am of the wear a mask mind. I hate going into business-

es where customers are not required to wear a mask. I have been in two

locally during the past week. and as much as I like

and want to shop locally, I am not willing to risk my health on a return trip.

Terry

Dickow

The information on this disease is constantly changing as scientists learn more about it. Some suggestions are repeated by doctors, scientists and the Centers for Disease Control: Sick? Stay home. Out in public? Wear a mask. Maintain social distancing

We have gone from 'this disease will be gone in a couple of weeks" to possibly "200,000 dead by September."

It is a matter of life and death. \*\*\*\*\*

Maybe it is just me, but I miss Bob Pritchard. He was a state representative who served this area several years ago. From DeKalb, he, and often his wife, seemed to pop up at events everywhere in his district. I saw him at a dinner in Creston, at business expos at the middle school, Rotary meetings and any number of other places. He was always ready to listen to my opinions. Granted, he usually did not agree with me, but he was always open, polite and friendly. It was an honor to vote for him.

Long ago Congressman Lynn Martin and John B. Anderson represented the 16th district. I have memories of them attending local functions, hosting meetings and being accessible. Even their successors, John Cox and Don Manzullo, made themselves available to their constituents. Times sure have

changed. I don't know if I would recognize our representatives if I saw them on the street. They seem to have distanced themselves from us, and that bothers me.

In my world, senators, congressmen and elected state officials would be required to have a certain number of meetings each year in their districts to listen to the people they represent. \*\*\*\*\*

WGN had a report on state spending in anticipation of the Covid-19 pandemic. Cell phones purchased and now in storage, hotel rooms rented and never used, medical facilities built and then taken down.

Did state officials overreact?

Or is life like mine? If you forget an umbrella it rains. If you carry an umbrella it is sunny. Life is funny and hindsight is 20/20.

## Kishwaukee College responds during the pandemic

HINGS at Kishwaukee College, as well as the rest of the world, have changed significantly in the last few months,

but there has been cause for celebration as well. We are proud

of our 278 students who graduated in May. Though we did not have a traditional commencement ceremony,

a virtual ceremony will be available in August and each of our graduates will be invited to

walk in December. Classes are being held exclusively online for the summer semester. We are committed to looking for creative and innovative ways to provide the best online education. All of us at Kishwaukee College continue to examine how to best serve and support our students in an online environment during this time.

A number of changes were implemented at the college in response to the pandemic, in addition to changing all in-

struction and support services to remote delivery. With the generous support of the Kishwaukee College Foundation, a summer and fall CO-VID-19 scholarship is available for students impacted by the pandemic, and funds were increased for students with emergency needs.

Federal CARES funding was distributed to eligible

students enrolled in the spring semester. College tuition due dates were pushed back so students have more time to pay their tuition, and we eliminated the fees for the college tuition payment plan.

Students were able to borrow Chromebooks and computers through a drive-up program. Pass/Fail grades were implemented so students could complete their spring coursework without worrying about the impact of their grades on their College Grade Point Aver-

### age (GPA).

As the State of Illinois is beginning to re-open, we too are planning for how we begin to bring some students, faculty and staff back to campus.

The current plan is to offer the majority of our classes online for Fall 2020. Some lab and CTE courses will be held on campus with enrollments in each section following CDC and Illinois Department of Public Health guidelines.

College enrollment for summer and fall have been effected by the pandemic, but we are hopeful that students interested in attending college in the fall will consider Kishwaukee College. We are a great local option, whether you are getting started on a college degree or wanting to prepare for a new career.

These are unprecedented times. Through all the quick changes, we remain committed to improving lives through quality, affordable education in our local communities. Stay safe.

## **Thankful for continued support** of food pantry during COVID-19

### Dear Editor,

Thank you is not enough.

Where do I begin to explain the generous gifts

of money, time and talents that we have experienced since CO-VID-19 changed our world? Thank you is all we can say, but please know what a generous resourceful community we live in.

I do not want to use names because it would be impossible to include everyone. The members of our board, our volun-

> teers, our local businesses, industries, banks, churches and individuals have all stepped up in very supportive and generous ways.

Face masks were donated, volunteers who couldn't risk being compromised wrote checks because they couldn't work. One individual gave us their Stimulus check. So many other donations came in as Rochelle has a history of being 'good neighbors' in difficult times. Mr. Rogers would be proud of us!

Again, thank you is not enough but the Rochelle Food Pantry has been blessed by the generosity of this community.

We are located at 770 Lincoln Avenue in Rochelle and are open Tuesday and Friday from 1 to 3:30 p.m. Until further notice we will do drive through pick-up for the safety of recipients and volunteers.

Thank you again.

**Bill Vanstone** 

President Rochelle **Christian Food Pantry** Board

## Dissastified with recent article about current events

### Dear Editor.

I was recently interviewed by a Rochelle Newsleader journalist for an article that ran on Sunday, June 7.

During the seeking of an interview I informed the journalist that I would participate only if he also included black voices of the community. I was misinformed of the angle in which the article would take, and had I known it would go that way I would not have participated, leaving space for black voices.

I my opinion, the article did a disservice to the black community of Rochelle. I not only provided him with a black community leader to contact, I even set up

the best time to contact said leader and provided the phone number. The nation's current events are about

the black community. When I checked in with this black community leader and his family about whether or not he had been contacted I was informed how disappointed they were to have a news article written without more black voices to speak on a matter that directly affects them.

There was a great opportunity lost here to provide a platform to hear from this minority group of Rochelle. To be inclusive and to share their struggles, pain, and experiences. To give light to what is happening in our nation and why. To put faces and names to the

lived experiences of the black community.

This isn't a time for law enforcement to pat themselves on the back. This is a time for listening, a time to mend racial relations, a time to hear and understand the black community, and a time to sympathize with the black community. I hope that future articles will be non-biased, especially when it includes BIPOC (black, indigenous and people of color).

Thank you,

**Jodie Hart** Rochelle

## LETTERS TO THE EDITOR POLICY

The Rochelle News-Leader encourages responsible letters to the editor on subjects of interest to our readers. Editing may be necessary for space, clarity or to avoid obscenity or libel, but ideas will not be altered. All letters must bear the handwritten signature of the writer and include address and phone number or e-mail address for verification purposes. Neither the street address nor phone number will be printed. Letters should be typed or legibly

handwritten, and no anonymous letters will be published. Any letters from boards or organizations must include at least one name of an individual. Any criticism of public officials should be limited to issues related strictly to their position or actions made in office, as personal attacks will not be published. Letters involving private disputes between the writer and a business will not be published. Political endorsements will be published,

however letters rom candidates endorsing themselves will not be printed. Letters may be dropped at the News-Leader office (211 IL Route 38 East), mailed to the News-Leader (P.O. Box 46, Rochelle, IL 61068) or e-mailed (news@rochellenews-leader.com.) The News-Leader reserves the right to edit or reject any letter to the editor for any reason, and letters chosen for publication do not necessarily reflect the views of this newspaper.

## COMMUNITY

## Western Governors University announces up to \$3 million in scholarships

## Students impacted by COVID-19 pandemic eligible

**ROCHELLE** – In response to the unprecedented economic hardships millions of American families are now facing due to the COVID-19 pandemic, fully online, nonprofit university Western Governors University is offering up to \$3 million in scholarships to impacted individuals looking to strengthen their skills by earning a degree online, from the safety of their homes. The Bright Future Scholarship is open to new students who have lost income due to the global health crisis and are interested in earning a bachelor's or master's degree in any of WGU's 60-plus degree programs in information technology, business, K-12 teacher education or health professions, including nursing.

## Value

Each Bright Future Scholarship is valued at up to \$3,000 (\$1,500 for the first six-month term and then \$500 per term for three subsequent terms) and will be applied to Western Governors University's already-low tuition of about \$3,500 per six-month term. The needs-based scholarship will be awarded to individuals who can show evidence of loss of income in their household as a result of the pandemic. The deadline to apply is Sept. 30, 2020.

"Since the start of physical distancing and mandatory business closures in response to COVID-19, millions of Americans have filed for unemployment, leading to the largest increase in unemployment in U.S. history," said Dr. Angie Besendorfer, Regional Vice President of Western Governors University. "WGU's mission has always been to increase access to affordable higher education for adults looking to further their education and that especially holds true today. We hope this scholarship offering will help students who have been directly impacted by job or income loss during this unique time earn a degree that can help them find meaningful employment as they look towards a brighter future."

In addition to offering scholarships to those impacted by COVID-19, WGU is also providing \$7 million in emergency aid across the nation to current students experiencing financial and healthcare hardships as a result of COVID-19. This includes non-tuition emergency aid to support current students with expenses that threaten their academic progress, such as rent, groceries, medical bills, internet service and other essential needs; enhanced financial support to provide hardship scholarships for current students who need tuition assistance due to financial disruptions; funding for help with restructured payment plans or tuition and fee credits for some eligible students; and funding for interrupted terms to support eligible current students, such as those who cannot complete in-person demonstration teaching and clinical rotations.

WGU is the leader in providing quality, online higher educational opportunities that equip students with the skills they need to excel their careers. Unlike a traditional college program, WGU caters to adults with previous work experience or who are currently working and looking to further their careers through education. The university's competency-based education model allows adult students to take advantage of prior learning and experience to move quickly through material they already know so they can focus on what they still need to learn.

For more information about Western Governors University or the "Bright Future" scholarship, visit www.wgu.edu.

## **Turner named to Bradley University Dean's List**

**PEORIA** — Camryn Turner of Rochelle is one of 2,600 students who was named to Bradley's Dean's List for the Spring 2020 semester.

Turner is a nursing major. To be eligible for the Dean's List, a student must achieve a minimum 3.5 grade point average for the semester on a 4.0 scale.

Bradley University is a topranked, private university in Peoria, Illinois, offering 5,400 undergraduate and graduate students the resources of a larger university

and the personal attention of a smaller university. More than 185 academic programs are offered in business, communications, education, engineering, fine arts, health sciences, liberal arts and sciences, and technology.

## County accepting electronics for recycling June 26

**OREGON**—The Ogle County Solid Waste Management Department will be open and accepting residential electronics from Ogle County residents for recycling on Friday, June 26, from 9 a.m. to 4 p.m. at the County Annex Building at 909 Pines Road in Oregon.

## Guidelines

Due to the COVID-19 pandemic and for the protection of workers and residents, the following guidelines have been put in place by the OCSWMD for the acceptance of residential electronic items:

All residents attending the event must stay in their vehicles at all times with the windows closed.

Residents are to show their acceptable Ogle County I.D. to county staff through vehicle window (drivers' license, voter registration card, or recent utility bill accepted).

Electronic items must be loaded into trunk, truck bed, trailer, or rear of a van or SUV, and easily accessible to county staff to remove. Limit of seven (7) bulky accepted items per vehicle; and box or tub loaded with smaller items is considered one bulky item.

Residents are advised to bring in only accepted items for recycling, please check the list below or visit the county website for a full list of accepted items.

Items must be removed from original packaging prior to arrival at the recycling event.

Microwave ovens are \$5 per unit. If you have a microwave oven to recycle please tape an envelope with payment to the outside of the device prior to arrival at the event. Cash or check, payable to Ogle County Solid Waste Management Department, accepted. Exact payment only, no change will be available for larger denominations.

If a resident or their family member(s) are feeling ill it is advised that they stay at home and recycle their electronics at another future recycling event.

If electronic items have been in a residence with a positive COVID-19 individual, it is advised to not bring these items in for recycling until a future recycling event.

Accepted items include all televisions, computers, computer monitors, computer hardware and cables, printers, FAX machines, copiers, scanners, video gaming items, VCR/DVD players, cable and satellite boxes, cell phones, tablets, laptops, radios, stereo equipment (no wooden speakers), digital clocks, holiday light strands, extension cords, phone systems, calculators, shredders (no plastic tubs), rechargeable batteries, CFL bulbs, and printer ink cartridges. Microwave ovens accepted for \$5 per unit, limit seven (7) bulky items per vehicle.

Items not accepted include smoke detectors, coffee makers, toasters, bread makers, vacuum cleaners, fans, heaters, air conditioners or dehumidifiers, lamps, power tools, alkaline batteries, LED bulbs, exercise equipment, medical equipment of any kind, toys or drones, business or institutional electronic items, and any packaging from electronic items such as boxes, plastic wrapping, and Styrofoam.

## Jesse White launches driver's license/ ID card preregistration application

**SPRINGFIELD** — Illinois Secretary of State Jesse White announced today that his office has launched an online driver's license and ID card preregistration application program to reduce the processing time of transactions at Driver Services facilities. It is a proactive approach that will save customers time during their facility visit.

Customers may go to www.cyberdriveillinois. com to access the preregistration application for driver's licenses and ID cards and input specific information regarding their upcoming transaction. As a result, once the customer visits a Driver Services facility, the clerk will not have to enter all of the data like a change of address or a change of height and weight into the electronic application form because the customer has already updated the information. This will improve the efficiency of these transactions.

"Thisisaforward-thinking program using technology to reduce wait times at the counter and speed up transactions at Driver Services facilities," said White. "The program is easy to use and can be

accessed on a computer, iPad or smartphone."

With preregistration, customers will be prompted to:

Choose a license type (REAL ID or standard driver's license/ID card);

Choose an application type (renewal or corrected);

Input designations (organ donor or veteran);

Choose any corrections to be made to the information on file (examples: address, date of birth, eye color, gender, hair color, height, name, Social Security number or weight);

Choose the type of required documentation and enter data from those documents (i.e., certified

birth certificate for a REAL ID);

Print receipt with barcode, which should be brought to the facility.

Customers using the preregistration application must still bring all of the required paperwork to the Driver Services facility for verification. In addition, they are encouraged to bring the printed preregistration receipt to the facility for the clerk to scan the barcode. However, if the customer does not bring in the receipt, the clerk can enter the customer's driver's license/ID card number to access the preregistration application information. To qualify for the preregistration application process, a customer must have an Illinois driver's license/ID card that is not suspended, canceled or revoked and has not been expired for more than one year.

As a reminder, Driver Services facilities statewide are open to serve ONLY new drivers, customers with expired driver's licenses/ID cards and vehicle transactions through July 31. White also reiterated to the public that expiration dates for driver's licenses/ID cards and vehicle registration stickers have been extended until Oct. 1, 2020 so customers do not need to rush into a facility.

## Writers competition entry forms now available

**SPRINGFIELD** — Secretary of State and State Librarian Jesse White has announced that entry forms are available for the 16th annual Illinois Emerging Writers Competition Gwendolyn Brooks Poetry Award.

"We created the Illinois Emerging Writers Competition to promote creative writing and encourage new Illinois authors to develop and share their talents," White said. "A number of our previous winners have seen their works published. Their outstanding creativity is adding to Illinois' rich literary heritage."

The competition is named in honor of the late Pulitzer Prize-winning Illinois Poet Laureate Gwendolyn Brooks, and is co-sponsored by the Illinois Center for the Book. The competition to recognize new literary talent in the state is open to Illinois residents age 18 and over. Entries must

be postmarked by June 30. The award for first place is \$500, second place is \$300 and third place is \$100.

 Winning poems will also be submitted for possible publication in "Ninth Letter,"
 "Quiddity" and "RHINO" journals.

Entry forms can be found at https://www.cyberdriveillinois.com/departments/library/center\_ for\_the\_book/home.html. For more information, contact Illinois Center for the Book Coordinator Bonnie Matheis at 217-558-2065 or bmatheis@ ilsos.gov.

## LOCAL NEWS Address insects before entertaining season

**B** ARBECUES in the backyard or cocktails on the patio provide some fun ways to enjoy the great outdoors from the comforts of home. While friends and family flock to such entertaining opportunities, some unwanted guests may want to crash the festivities.

It's impossible to ensure a completely bug-free outdoor environment, but there are steps homeowners can take to reduce the amount of pests who want to join the party.

Western Exterminator Supply suggests first identifying which kind of insect infiltrations are most common where you live. House flies, fruit flies, mosquitoes, wasps, and bees tend to be abundant in spring and summer. Ants, termites and other bugs also can be prevalent. These insects, however pesky they may seem, often can be kept away without the use of pesticides and other chemicals.

• Lure away pests. Many insects will be happy to snack on a treat and leave you alone. Put out a dish of sugar water or slices of fruit for insects that feed on sweets and nectar, or a slice of sandwich meat for wasps and yellow jackets. Place these items a fair distance from your gathering.

• Install fans. A patio ceiling fan can blow away mosquitoes and flies relatively easily. And you and your guests will likely enjoy a nice breeze on sultry days.

• Use mulch wisely. Mulch will add to curb appeal, but having it too close to the house, according to the National Pest Management Association, can present an ideal environment for roaches and ants to nest and find their way into a home. As mulch decomposes, it generates heat and a cozy spot for pests, including mice. Keep mulch 12 inches away from the home's foundation and entertaining spaces, or use inorganic mulch.

• Keep patios clean. Sweep up and clean away any spilled foods and beverages promptly. Even a tiny nugget of food can attract ants and other insects.

• Use natural pest deterrents. Citronella oils can drive away some insects, as can garlic and rosemary. Lavender, eucalyptus, marigolds, and other pungent aromas will naturally keep mosquitoes and other flying insects at bay. Some people also have luck with mint-flavored mouthwash misted on patios and furniture.

• Address standing water. Mosquitoes and some other insects lay their eggs in standing water. Routinely drain areas where water collects, including gutters and downspouts

• Use light colors. According to HouseLogic, studies show that bugs see dark and bright colors more easily than light colors. Choose lighter shades of paint for outdoor areas and it may make these spaces less attractive to some bugs.

• Leave those spider webs. Many people yell "eek" at the sight of spiders and spider webs. But those arachnids and their sticky webs can do a fine job of capturing many unwanted insects. Resist the temptation to tear down webs and shoo spiders away.

Addressing insects means employing various natural strategies to make outdoor entertaining more pleasant.

## OUTSIDE SEATING AVAILABLE AT MAXSON'S

## Social Distancing Guidelines will be in place, including temperature checks.

Friday hours are 11-8. Fish Fry available all day Saturday hours are 11-8. Prime Rib Special from 4-8 Sunday hours are 10-2. There will be no buffet.

# COUNTY NEWS Bank helping students learn financial literacy

STILLMAN VAL-LEY – For the ninth consecutive year, Stillman Bank was pleased to sponsor one of the latest initiatives to bring financial literacy education to area high school students, by providing them with access to the EverFiTM Financial Literacy Program.

Over the last nine years, nearly 900 students have participated in the program as part of their Consumer Education classes at Stillman Valley High School.

This interactive webbased program uses the latest in new media technologies – simulations, 3-D gaming, and social networking – to bring complex financial concepts to life for today's digital generation. The course is designed to empower young people with the essential skills needed to make sound financial decisions.

Stillman Bank provides this program to these high

school students at no cost to the school.

The 10-unit course offers over six hours of programming in a variety of financial topics including credit scores, insurance, credit cards, student loans, mortgages, taxes, stocks, savings, 401k's and other critical concepts that map to national financial literacy standards. The platform uniquely tracks the progress and performance of every student.

"Research shows that financial education delivered early in a young person's development leads to positive financial behaviors later in life" stated Jim Coons, senior vice president. "By providing students with the knowledge and skills they need to make smart financial decisions, we are investing in the future economic well-being of the local communities we serve."

28 Stillman Valley High School students participated in the program this semester. Students recently received certificates for their completion of the course. For more information on the EverFiTM Financial Literacy Program or to find out more about Stillman Bank's products and services, please call 815-645-2266 or visit www.stillmanbank.com. Polo Women's Club cancels fundraiser

**POLO** – The GFWC Polo Women's Club voted on Monday, June 8 to cancel its fundraiser luncheon/ auction for 2020 (originally scheduled for Saturday, March 21).

Club members regret this decision, but have decided to err on the side of caution in prevention of the spread of the COVID-19virus and to adhere to guidelines issued by the state and county. Anyone who purchased a ticket from a club member may contact her or she will be contacting you to refund your donation.

The club hopes to be able to safely meet and have the fundraiser in 2021.

Questions or concerns may be directed to Beth Green at 815-299-1416. GFWC Illinois Polo Women's Club is a philanthropic organization dedicated to community improvement by enhancing the lives of others through volunteer service.

Please contact the local club if you would be interested in attending a monthly meeting (www. gfwcillinois.org).

## Chana School fundraiser set for June 26 and 27

**OREGON** – The Chana School Foundation will have its annual fundraiser to support the 1883 Chana School Museum on June 26 from 8 a.m. to 5 p.m. and June 27 from 8 a.m. to 4 p.m. at the Oregon Coliseum.

Gather your unwanted items to support this event. Your unwanted item is someone else's treasure. Oregon will be celebrating a "coming out" event for all the businesses and the community, and we are glad to be a part of this celebration. We will have to comply with the health department guidelines for the safety of all, for phase 4 of recovery, so please note the guidelines for that last week of June for face masks, etc. No items will be taken later than 72 hours before the sale or the day of the sale.

We will be taking donations on Friday, June 19 and Monday, June 22 from 9 a.m. to 3 p.m. at the Coliseum. If you have a conflict with these hours, please call Ray at 815-979-2903.

Unfortunately, we will not be able to come pick up items this year.

We cannot take entertainment centers, large appliances, pianos, and mattress/ springs. If you have questions concerning a donation, please call Ray at 815-979-2903. Mark your calendar for this huge sale at the Oregon Coliseum. All money raised at this fundraiser will benefit the 1883 Chana School Museum. If you would like to volunteer to help with this event, please call Connie at 815-732-2447. FREE Meal Deal Drive-Thru

In order to quarantine items before the day of the sale (June 26) we will need to take any donations days before the event. We cannot take items just before the sale.

## Let us help you complete the 2020 Census!

## Flanagan overcomes knee injury through playing tennis for Hubs

### **BY RUSSELL HODGES** SPORTS EDITOR

HEN Rochelle Township High School senior Sean Flanagan began his threeyear tennis career with the Hubs, the right-handed netter had no choice but to start from the ground up.

Flanagan went out for the team as a sophomore, and in addition to having almost no experience on the court, he was coming off a serious knee injury that required surgery. Despite unfavorable odds, Flanagan persevered and became both a leader and a key contributor for Rochelle, competing in both singles and doubles during his high school career.

"My favorite part about playing tennis for RTHS was starting from nothing my sophomore year and progressing on the court,"

Flanagan said. "I think my confidence improved the most. Tennis is a game of errors, so it's really easy to get stuck in your head. But as I played more tennis, I became more comfortable with my shots and my strategy during matches."

Flanagan began his varsity career in doubles before transitioning to singles as an upperclassman. Flanagan took over Rochelle's No. 1 singles position as a junior, and without COVID-19 forcing the IHSA to cancel spring sports in 2020, Flanagan would've been the team's leading returner in singles this spring. Flanagan, who also played golf for one season at RTHS, received Academic All-Conference honors from the Northern Illinois Big 12 in 2019.

"Playing tennis really taught me mental toughness," Flanagan said. "It was really important not

to let my errors bother me and to focus on my next serve. One of my favorite memories was competing at regionals this past season. Everybody played really well and it was a great time."

Flanagan said he plans to study biomedical engineering at The University of Iowa with the hopes of becoming a physician. He said his knee injury motivated him to take up tennis his sophomore year, and he said he's since grown to love the sport.

"I didn't play until my sophomore year because I was dealing with a football injury and subsequent surgery as a freshman," Flanagan said. "I couldn't play contact sports anymore, but I still wanted to compete, so I tried out for the tennis team. I'm so grateful for my experience because I love tennis now and it's something I can play for many years."

(FILE PHOTO BY RUSSELL HODGES)

Rochelle senior Sean Flanagan transitioned from football to tennis after suffering a knee injury his freshman year. Flanagan went on to enjoy a successful threeyear career with the Hub tennis team.

## ROCHELLE NEWS-LEADER • SECTION 2 • PAGE 1

## Mental toughness keys Escobar's resurgence

Senior grappler pushes past several obstacles throughout career

## **BY RUSSELL HODGES**

SPORTS EDITOR

IEGO Escobar nearly saw his senior season with the Rochelle Township High School wrestling program end abruptly when the Hubs battled against the Morris Redskins this past winter.

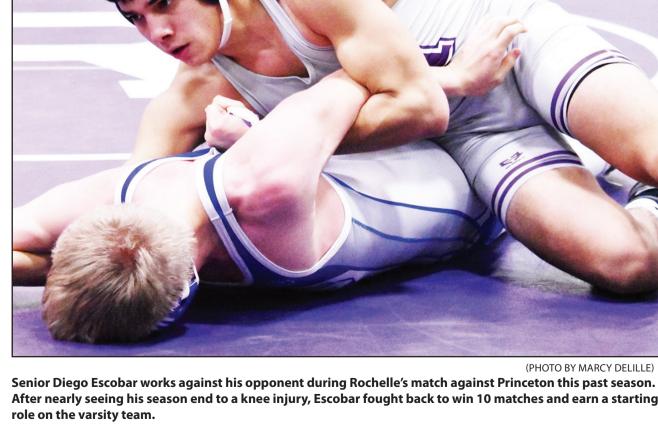

Escobar had been winning the 160-pound bout, but after twisting his knee awkwardly near the end of the first period, Escobar was forced to withdraw from the match. The senior was out for several weeks, but he was fortunately able to return and finish his senior strong, earning a victory on Senior Night and claiming one win at the IHSA 2A Sycamore Regional. Escobar, who spent three years with the wrestling program, ended his senior season 10-9 overall.

"The RTHS wrestling team taught me about dedication and commitment," Escobar said. "Wrestling was one of the most challenging things I did throughout my time in high school, but getting through those seasons taught me to never give up, no matter how difficult things may seem. Wrestling taught me about how failure is necessary to win in the long run."

Escobar competed with the junior varsity team over his freshman and sophomore seasons, taking a one-year break before returning to the program as a senior. Escobar, who also ran for the RTHS cross country and track teams, was with the Hubs when they brought home a fourth-place trophy from the IHSA 2A Dual State Championships during the 2017-18 season.

"My favorite memory was going to state for the dual team championships," Escobar said. "There were a lot of memories and emotions throughout that weekend that I'll never forget... What I enjoyed most about wrestling at RTHS was the bonds I developed with my teammates and coaches. It really felt like we were a family while we were together."

Escobar, who intends to study criminal justice after high school, began wrestling in sixth grade at Rochelle Middle School. Despite being one of the

smaller and thinner kids on the team, Escobar continued with the sport, refusing to give up because of his inferior size. As Escobar grew older and stronger, he said his determination improved

as well.

"I stuck with wrestling because my coaches didn't want to give up on me," Escobar said. "They wanted to see me succeed and so I kept going... My determination and

mindset improved a lot at RTHS. My freshman season was a struggle because I wasn't prepared mentally for the work I needed to do, but when my senior season came around, I gave the team everything I had."

Escobar plans to attend Kishwaukee College before transferring to finish his bachelor's degree. He said he aspires to become either a state trooper or a deputy sheriff.

## **HUB SPOTLIGHT**

(FILE PHOTO BY RUSSELL HODGES)

Rochelle senior Angie Saldana stepped up in several sprints and relay races during her time with the Lady Hub track and field team.

## **Saldana shows team** spirit with Lady Hubs

**BY RUSSELL HODGES** SPORTS EDITOR

OCHELLE Township High School senior Angie Saldana had never run the 1600-meter relay throughout her career with the Lady Hubs. But when a teammate went down with an injury at the Northern Illinois Big 12 Conference Championships this past season, Saldana didn't hesitate to step up for her many things, but one important thing the program taught me was that, regardless of how tough something may be, you have to work for what you want... I enjoyed competing and becoming a leader on the team."

Saldana's freshman season was highlighted by a second-place finish in the 800-meter relay at DeKalb, where she raced alongside teammate Macey Ryan, who Saldana said became a role model for her later in her high school career. The two Lady Hubs also raced together in the 400-meter relay, helping Rochelle take fifth in the event at the Woodstock Invitational. "Macev was an amazing runner and she kept running even when she was in pain," Saldana said. "That's something I learned from her. Coach [Alison] Vrana was also a role model for me. She always pushed me because she always wanted the best for me." Saldana said she plans to attend Northern Illinois University after high school to major in middle level teaching and learning in hopes of becoming a middle school mathematics teacher. She also said she intends to minor in Spanish ESL.

team and push herself as hard as she could.

Saldana spent three years with the Lady Hub track and field program, and had the 2020 season not been canceled due to the COVID-19 pandemic, she would have been one of Rochelle's top returning sprinters. Saldana shined during her junior season, helping Rochelle win the 800-meter relay at the Ogle County Championships and setting personal records in the 100-meter dash (13.96 seconds), the 200-meter dash (29.04 seconds) and the pole vault.

"I have so many memories from my time with the track team," Saldana said. "Being a member of the track program taught me

"Being a member of the track program taught me many things, but one important thing the program taught me was that, regardless of how tough something may be, you have to work for what you want."

### **RTHS Athletics**

## IHSA reveals Stage 1 Return to Play Guidelines

Rochelle programs to continue with virtual workouts

**BY RUSSELL HODGES** SPORTS EDITOR

**ROCHELLE**—As the state progresses through Phase 3 of the Restore Illinois reopening plan, IHSA officials gave student-athletes and coaches their first series of returnto-play guidelines this past Friday in order to safely reopen team facilities and resume activities.

Under the IHSA's Stage 1 Return to Play Guidelines, athletic programs received permission to resume voluntary strength and conditioning workouts, preferably outdoors, on June 6. While the guidelines are a small step in the state's return to normalcy, Rochelle Township High School athletic programs will be continuing with virtual workouts until the state reaches Phase 4 of the Restore Illinois plan, which will likely include the IHSA's second stage of athletic guidelines.

"There are a lot of restrictions still in place and it would be challenging for us to make the restrictions work," athletic director Richard Harvey said. "We're going to continue our virtual workouts and putting health and safety procedures in place. We'll be talking with our coaches to make sure they understand the guidelines and they understand what they need to do."

The Stage 1 guidelines dictate that student-athletes are limited to three hours of participation per day. Additionally, sportspecific drills are not permitted and sport-specific equipment cannot be used. Free-weight exercises that require spotting cannot be conducted due to social distancing norms, and in addition to limiting gatherings to 10 people or fewer, sessions can only include weightlifting, running and exercises designed to promote physical fitness.

"Our coaches felt that we've been seeing good results and good participation from our virtual workouts," Harvey said. "Our kids have been working hard to check in with coaches and communicate with them. We've been seeing effective results with what we've been doing, and if we went ahead with having up to 10 kids in the weight room, we couldn't do any spotting and we'd have to run shifts, meaning we'd need almost nine hours to get all of the kids in."

School-sponsored camps, clinics and open gyms are prohibited in any sport during Stage 1. As the state moves toward Phase 4, however, Harvey said the IHSA's Stage 2 guidelines will likely follow the guidelines indicated in the

state's plan, which would include gatherings up to 50 people. During the IHSA's meeting with state athletic directors Monday afternoon, Harvey said IHSA officials used the word "normal" to describe what activities could look like in July.

"We're hoping that's the case and that's what we're preparing for," Harvey said. "I'm hoping we'll be as close to normal as we possible with our Hub Power program and the camps we normally run in July... I think we'll be close to normal, with some restrictions.'

If the state can enter Phase 4 on its projected date of June 26, IHSA's Stage 2 guidelines could allow athletic programs to resume sport-specific workouts. Harvey said that programs which normally hold camps in June, including boys basketball and girls basketball, have expressed interest in hosting open gym sessions during the week. Harvey also said that tryouts for the RTHS cheerleading and dance programs could take place during the next phase of reopening.

"I've asked coaches to get back to me and let me know what their interests are," Harvey said. "We'll have to see if we can accommodate everybody, and there will be protocols "Our coaches felt that we've been seeing good results and good participation from our virtual workouts. Our kids have been working hard to check in with coaches and communicate with them."

in place."

Harvey said the IHSA was scheduled to meet Wednesday and discuss details for Stage 2 and Stage 3 Return to Play Guidelines. Moreover, the IHSA will host its next board meeting on June 15, and athletic departments could receive more information from the IHSA regarding the future of summer activities and fall sports for the 2020-21 school year at that time. "They're sending out

a survey that will include some of the proposals they're discussing, which

### **Richard Harvey**

include swapping of seasons, shortening of seasons or keeping everything the same," Harvey said. "Nothing's off the table... I haven't seen a survey yet, but when I receive the survey, I'll be answering those questions to the best of my ability."

## **RTHS grads nominated for** academic excellence team

Baker earns NJCAA third team honors

MALTA — Thirtyseven Kishwaukee College student-athletes were nominated for the 2019-20 Arrowhead Conference Academic Excellence Team. The award is given to student-athletes who complete at least 12 credits per semester while achieving a 3.00 or higher cumulative GPA for the academic year.

Fourteen of the 37 student-athletes also received NJCAA All-Academic American nominations from the National Junior College Athletic Association (NJCAA). Studentathletes with a 4.00 GPA earned NJCAA All-Academic First Team; studentathletes with a 3.80-3.99 GPA earned NJCAA All-Academic Second Team; and student-athletes with a 3.60-3.79 GPA earned NJCAA All-Academic Third Team.

Additionally, both the Kishwaukee men's cross country team and women's basketball team were nominated for National Junior College Athletic Association (NJCAA) All-Academic Teamhonors. To qualify, all team members combined cumulative GPA for the academic year must be above a 3.00 GPA.

Three Rochelle Town-

ship High School graduates were among the 37 nominees for the 2019-20 Arrowhead Conference Academic Excellence Team including Anne Hickey (women's cross country), Cesca Vardman (women's basketball) and Morgan Baker (women's basketball), who also earned NJ-CAA All-Academic Third Team honors.

Protect yourself against COVID-19 and other diarrheal and respiratory illnesses, and help prevent the spread of germs to others, by following these simple hand hygiene guidelines:

- 1. Wash your hands with soap and warm water, lathering for at least 20 seconds.
- 2. If soap is unavailable, use a hand sanitizer containing at least 60 percent alcohol to clean your hands.

Wash your hands throughout the day, and particularly under these circumstances:

- Before preparing food
- Before eating
- After using the toilet
- After changing a diaper or helping a child use the toilet
- Before and after exposure to someone who is sick
- After coughing, sneezing or blowing your nose
- After touching an animal or picking up animal waste
- After handling pet food or treats
- After handling garbage or garbage cans
- Before and after attending to a cut or wound

Production has ceased due to the coronavirus. No additional synopsis will be released until production resumes.

### DAYS OF OUR LIVES

Belle and Shawn arrived in Salem to discuss Claire's future. Will and Sonny realized that Gabi was missing. Claire asked Gwen to keep her secret. Ben tried to track down Gwen. Hope reassured Ciara about Claire's impending release. Will and Sonny pressed Ben and Jake to tell them what they knew about Gabi's disappearance. Eric told Abe that he wanted to surprise Nicole by getting married immediately. Meanwhile, Eric and Nicole got an unexpected visitor. Lucas came to Kate with distressingnews. Kayla questioned Steve about his behavior. Rafewasdealtahugeblow. Eli and Lani made a big decision about their wedding. Allie pleaded with Eric and Nicole to keep her secret. Hope comforted Rafe in the wake of his loss. Will and Sonny discussed their plans to have a baby. Allie dropped a bombshell on Lucas. Wait to See: Claire is released from Bayview. Ciara confronts Brady about his true intentions. Xander seeks advice from Jack about Sarah.

### GENERAL HOSPITAL

Until production resumes, "GH" is replaying special episodes from years past. This week's episodes originally aired in May

Kristian Alfonso stars as "Hope" on "Days of Our Lives."

2018 and 2019. Finn was apologetic. Ava tried to entice Griffin. Josslyn connected with Oscar. Valentin pleaded with Nina. Peter's plans were delayed. Valentin walked a fine line. Lucy felt remorseful. Anna grew increasingly anxious. Peter stayed by Maxie's side. Kiki was misunderstood. Jason received a frantic phone call. Peter shared Molly's idea with Maxie. Sonny smoothed things over with Mike. Anna was bewildered. Kristina confronted Sam. Josslyn gotasweetnote.Avastruggled before ducking out. Willow did her best. Lucas connected the dots. Sam left with Shiloh. Josslyn put her best foot forward.

### THE YOUNG AND THE RESTLESS

Production has ceased due to the coronavirus. Y&R will air classic episodes until production resumes.

## **CELEBRITY EXTRA**

"Judge Judy"

Sheindlin

Q: Can you tell me about the adorable German shepherd dog on the TV show "SEAL Team"? Was he a stray, or was he bred to be a police dog in real life? -- A.K.

In 2015, Sheindlin told "Entertainment Tonight" that she started wearing the lace collar because "it's disarming." She explained: "People walk into a courtroom and think Look at that sweet, lovely judge that I was lucky to get. She wears a lace collar; how bad could she be?"

A: "Dita the Hair Missile" is the name of the dog who plays "Cerberus," the heroic canine on the hit CBS action drama "SEAL Team." She's actually a Belgian Malinois, a breed that resembles German shepherds, and her trainer/handler is Justin Melnick, who plays SEAL Brock on the show.

According to TVInsider.com, Dita "follows the visual cue of a laser to hit her mark and uses drug-sniffing techniques to find

'explosives' (marked by a synthetic narcotic on a cotton ball)." Melnick adds, "No matter how scary, if there's explosions or gunfire, she knows I'm with her."

The final two episodes of season three were not able to be filmed due to the pandemic, but "SEAL Team" has been renewed for a fourth season. You can expect to see Dita and the show's human star, David Boreanaz (Jason Hayes), on your screens sometime this fall.

Q: My husband and I watch a lot of "judge" shows weekdays on TV. Why does Judge Judy wear a white lace collar with her robe? I like the look, reminds me of Ruth Bader Ginsburg. --- J.K.

A: "Judge Judy" premiered in 1996 and has been an unparalleled success in its genre. There are other TV judges (now including Jerry Springer as "Judge Jerry"), but no one seems to match Judy Sheindlin in terms of her wit and no-nonsense approach.

Judge Judy, now 77, will be hanging up her robes for good next year.

Q: I read your column every week in my local Florida newspaper. How do I go about writing to the BBC to tell them how great I think a particular

series is, etc.? Would you happen to have an address, either "snail mail" or email? -- J.C.

A: The best place to learn all about what the BBC (British Broadcasting Corporation) has to offer in terms of programming here in America is through its main webpage www.bbcamerica.com. It states: "If you live in the U.S. and subscribe to a cable or satellite provider, you probably already have BBC America. It's a combination of original American scripted series and the best in British entertainment ... drama, sci-fi, natural history ... and movies."

I think it's important to give feedback directly to television networks, whether positive or negative, because how else are they going to learn what viewers want? You can fill out an online form with your comments at www. bbcamerica.com/contact-us.

Send me your questions at NewCelebrityExtra@gmail.com, or write me at KFWS, 628 Virginia Drive, Orlando, FL 32803.

# LOCAL NEWS Enjoy safe backyard barbecues this summer

ACKYARD barbecues are synonymous with warm weather. And why wouldn't they be? Grilling over an open flame when the weather is warm embodies the relaxing spirit of spring and summer, prompting many people to leave their oven ranges behind in favor of charcoal and gas grills.

As relaxing as backyard barbecues can be, they can quickly take a turn for the worse if cooks don't emphasize safety when grilling out. According to the National Fire Protection Association, an average of 9,600 home fires are started by grills each year. In fact, the Consumer Product Safety Commission notes that, between 2012 and 2016, an average of 16,600 patients went to the emergency room each year because of injuries involving grills.

Such statistics only highlight the need to balance the fun of grilling with safety when hosting a backyard barbecue or cooking for the family. The following are some steps people can take to ensure their backyard barbecues are safe.

• Recognize that gas grills pose a threat as well. It's easy to assume gas grills don't pose as great a threat as charcoal grills, which produce soaring flames once the charcoal is lit. But the NFPA notes that gas grills are involved in 7,900 home fires per year. No grill is completely safe, and cooks must emphasize safety whether they're using gas grills, charcoal grills or smokers.

• Only use grills outdoors. Grills should never be used indoors. Even if rain unexpectedly arrives during a backyard barbecue, keep the grill outside. If unexpected rain is accompa-

nied by lightning and thunder, extinguish the fire in the grill and go indoors.

• Place the grill in a safe location. Grills should be placed well away from the home. Avoid locating grills near deck railings or beneath eaves and overhanging branches. Cut overgrown branches before lighting a grill fire if they are in close proximity to the grill.

• Keep your grill clean. The buildup of grease and fat, both on the grill grate and in trays below the grill, increases the risk of fire. Clean the grill routinely.

• Properly light the grill. Lighting gas and charcoal grills requires caution. Before lighting a gas grill, make sure the lid is open. If you must use starter

fluid to light a charcoal grill, the NFPA advises using only charcoal starter fluid. Never add any fluids to the fire after it has been lit.

• Do not leave a grill unattended. Cooks should never leave a lit grill unattended. If you must leave the grill, only do so if another adult can stand in your stead. Lit grills pose a threat to children and pets, and unattended grills can be blown over by gusts of wind or tipped by wild animals, such as squirrels. Standing by a lit grill at all times can protect against such accidents and injuries.

Grilling is a favorite summertime activity. For more information about grilling safety, visit www.nfpa.org.

Recipes

## **Philly-Style Cheesesteak Burger**

For the taste of a Philly cheesesteak in a burger, serve the burger topped with melted provolone cheese and grilled onions and green bell peppers.

## INGREDIENTS

[4 Servings]

- 1 pound lean ground beef
- 1 tablespoon McCormick<sup>®</sup> Grill Mates<sup>®</sup> Montreal Steak Seasoning
- 1 medium onion, thinly sliced
- 1 medium green bell pepper, cut into thin strips
- 4 slices provolone cheese
- 4 hamburger rolls

## INSTRUCTIONS

Mix ground beef and Seasoning until well blended. Shape into 4 patties. Grill over medium heat 4 to 6 minutes per side or until burgers are cooked through (internal temperature of 160°F). Grill onions and bell peppers in grill basket or grill rack 3 to 4 minutes or until tender and lightly browned, stirring frequently. Add cheese slices to burgers 1 minute before cooking is completed. Serve burgers on rolls topped with grilled onion and bell pepper

mixture.

## **Grilled Potato Kabobs**

Crispy grilled potatoes make an easy side to your favorite main. Skewered and sprinkled with Grill Mates® Barbeque Seasoning, they've got a smoky-sweet taste that'll keep the whole family craving more.

## INGREDIENTS

6 servings

2 pounds unpeeled Yukon Gold potatoes, scrubbed

6 wooden skewers

3 tablespoons McCormick<sup>®</sup> Grill Mates<sup>®</sup> Barbecue Seasoning 2 tablespoons vegetable oil

## INSTRUCTIONS

Cut potatoes into 1 1/2-inch cubes. Tread onto bamboo skewers, leaving some space in between each potato cube. Microwave kabobs on HIGH 8 to 10 minutes or until potatoes are nearly tender. Brush with oil and sprinkle with barbecue seasoning. Grill over medium-high heat 8 to 10 minutes or until potatoes are tender and golden brown, turning occasionally.
