AMBOY SENIORS 2020

AHS 2020 Senior Class President bids farewell

Dear Class of 2020,

The past 13 years have been a pleasure getting to know each of you while we all moved toward the same goal. We are now about to achieve that goal – graduation. Although this is not the ending that any of us had pictured, I can assure you that the Class of 2020 will not be forgotten. Our small class has no doubt left a lasting impact on Amboy High School. We walked in the same doors every morning making memories and leaving our mark together. I believe we will now walk forward through the door of the future and leave our mark together upon the world.

As we progress toward the final days as seniors, we have many memories that we can look back upon. Between the time we first walked into our kindergarten classroom until the last time we walk

out the doors of AHS, there are many memories that I will cherish. I will never forget the games where we sat side by side cheering on our classmates and the many laughs we've shared. All of these good times, and some not so good, have helped shape us into the people we are today. Some of us have grown from wanting to become princesses and cowboys to wanting to become doctors, scientists and leaders. There is nothing that can stop any of us from becoming successful and making more memories to cherish.

The time is fast approaching that we depart and work toward new goals. Some of us may stay right here in Amboy to achieve our goals, while others of us may move far away to achieve these goals. Regardless of where your path leads you, I hope that in a few years you are able to look back with

pride at your time in the Amboy school system and be able to call it your foundation and starting place.

I am certain that the Class of 2020 will do great things that will make the world sit up and take notice. Take what you have learned here and go out into the world and make the most of it. It has been an amazing adventure spending these years with you all. I will definitely miss each and every one of you. I want to leave you with a quote from our current president – “No dream is too big. No Challenge is too great. Nothing we want for our future is beyond our reach.” I sincerely hope that you will remember these words as you move forward but don't forget to take some time to look back and remember all that you learned as a member of the Class of 2020 - “the one where they got quarantined.”
