#### ROCHELLE

MightyVine Tomatoes held an event at its facility in Rochelle to celebrate the first harvest of its newly completed Phase 3 greenhouse expansion.

With the completion of its Phase 3 expansion in fall of 2019, local tomatogrower MightyVine is harvesting 22.5 acres of premium-quality tomatoes. With this expansion, financed by Rabo Agri-Finance, the hydroponic farm will now produce 10 million pounds of fresh tomatoes a year in their 1 million square foot, stateof-the-art greenhouse. MightyVine currently employs 100 residents with competitive pay and benefits.

The company has been selling tomatoes for just about four years, but can't At Friday morning's celebration, Peter Cimino (representative for Adam Kinzinger), Gary Lazarski (CEO of MightyVine), Rochelle Mayor John Bearrows, Greater Rochelle Economic Development Director Jason Anderson, State Representative Tom Demmer and Zone Administrator at Lee Ogle Enterprise Zone Andy Shaw all take a bite from the first "pick" of tomatoes from MightyVine's Phase 3 expansion. keep up with the growing demand for its high-flavor varietals. ## Moving forward with first phase

Hillcrest trustees discuss water and sewer project

**BY ANDREW HEISERMAN** STAFF WRITER

HILLCREST – The most pressing issue discussed during the monthly Hillcrest board meeting Wednesday night was how to move forward with Phase 1 of the Baxter and Woodman water and sewer project.

Initially, there were five options presented to the board, but members narrowed it down to two. Option one involves digging a new shallow well for the village, which would also require the village to construct a new tower. Option two entitles connecting to the current Rochelle Municipal Utilities water line as a

standby customer. Since this is such a crucial part of the village, board members agreed to streamline the discussion.

"We need to get a better insight into this, so that Baxter and Woodman can begin preparing where they want to go with this," said Jason Fore, village president. "To me, this is an important aspect to our water infrastructure and something that needs to be addressed as soon as possible."

Baxter and Woodman will get estimates on both of the options and present them to the board. Along with getting quotes on the water project, Baxter and Woodman is also going to get quotes on the cost to lay new sewer along

certain roads in the village. The board will make a decision on both the water and sewer projects at next month's meeting.

#### Other business

Board members decided to purchase property located at 422 Wayne Road. The initial offer was for \$75,000, but the village was able to negotiate the price down to \$55,000.

Board members also welcomed a new full-time streets and grounds employee to their crew. Matt Bolhous, a former resident and firefighter for Hillcrest, has been hired on to help with many aspects including snow removal and salting of the villages roadways.

## **Scholarships** available

Hospital, auxilary establish two new scholarships

BY ANDREW HEISERMAN STAFF WRITER

**ROCHELLE** - The Rochelle Community Hospital Auxiliary and RCH Foundation added two new scholarships to their list of scholarships given out to students annually.

For more than 50 years, the Rochelle Community Hospital has offered scholarships annually to area students planning to pursue careers in the healthcare field. The scholarships are given out to Rochelle Township High School seniors or graduates, Ashton-Franklin Center or Oregon High School students, a RCH employee or a child of an RCH employee.

The only additional requirement is that the recipient must live in or within 15 miles of Rochelle. Each year, the hospital gives out between five and seven scholarships. With the addition of the two new scholarships, the hospital and the foundation are offering a total of seven this year.

"This year, there are two new scholarships being presented," said Michelle LaPage, foundation and community events manager. "One in memory of Judith Stavrakas, a past auxiliary president, and the second is a health informatics scholarship in memory of Chris Powell, a former RCH information systems employee."

Judith "Judy" Stavrakas served as the auxiliary president from 1976-78 and then again from 1987-88. She also served as the chairwoman of the Illinois Hospital Association Council of Volunteers in 1985.

Chris Powell was a RCH Information Services technician from 2011-15. Health informatics is the practice of

### FRESH: Plans already in works for Phase 4

From page 1

"We are very appreciative of the welcome we have received here in Rochelle,"saidLazarski."We are excited to continue to grow here with the city, work with local contractors and provide more jobs and opportunities in this area.'

The location of Rochelle and its

welcoming approach to building businesses has been a strong factor in MightyVine's growth. The company gratefully acknowledges the strong support of the City of Rochelle: Mayor John Bearrows, City Manager Jeff Fiegenschuh, and Rochelle Municipal Utilities.

"MightyVine is a great example of success through a public-private partnership," said Bearrows. "Having a local and responsive utility that can provide the necessary infrastructure to support the growth of our industries is a great advantage for businesses who choose to locate in Rochelle. The completion of Phase 3 is yet another success story of the innovation of MightyVine and the resourcefulness of Rochelle Municipal Utilities."

As well as providing both the community with the only year-round, locally grown tomatoes in Illinois, Rochelle is also thankful for the jobs MightyVine helps create.

"The City of Rochelle is pleased to have a corporate partner like Mighty Vine in our community," said Fiegenschuh. "They provide quality jobs and the company is active and engaged in many local organizations. Our staff at the City of Rochelle looks forward to working with MightyVine to continue its growth for the future."

The foundation for Phase 4 of the expansion has already been set, and MightyVine is going to get working on that as soon as they are good to go. Once completed the expansion will help the business produce more tomatoes, while providing even more jobs to the community. MightyVine continues its main focus of the business on quality over quantity.

"We are focused on growing a premium quality tomato," said Lazarski. "There are a lot of greenhouse growers out there looking to be high volume producers. But we are looking to strike the right balance between having a viable business, while still producing a top-quality product."

#### Something to Think About

Jeff Beverage Director

CHOOSING A **FUNERAL** DIRECTOR

for the rites and rituals that are important to you and your family is the best way to avoid the emotional pressures that are almost inevitable in a time of grief. Cost is an important consideration in planning a funeral, but there are other things to take into account as well. One of them is finding a funeral director you trust, one with whom you will feel comfortable during an emotional and trying time.

If you do not know a funeral director in your area, here's some advice. Get together with a family member or friend - That makes the project less scary - then call some local funeral homes and ask for an

appointment. You might ask friends or acquaintances who have lived in the area for suggestions. Funeral directors should be happy to show you their facilities and give you preliminary information about funeral alternatives and expenses. It's always best to call first so that they will be expecting you.

## LOCAL VIEWS

**Guest column** 

## Onward to the future

have to give credit to city officials who, on Monday, made the difficult decision to get rid of Hickory Grove. Back in the 1980s,

it made sense

to take advantage of state grants to build a center that would be an asset to the com-

munity. There was supposed to be a theater, which ended up as a multi purpose room. For years, VCCT staged plays there but it was not an ideal

performance space.

The dream of attracting small conventions and expositions never seemed to come to fruition, but local service clubs and organizations have used Hickory Grove for years as meeting places.

Many events were held there over the years: the Firemen's Ball, From the Heart, weddings, birthdays, Quinceañeras, swimming parties, auctions, concerts and even a wrestling match, to name a few. But the building never seemed to be a good fit.

Tenants were hard to find, and they were the revenue producers.

Even though it was under the watch of the Ogle County Civic Center Authority, the county never had a financial obligation to the complex.

Robin Baldwin Gounaris tried for years to make a restaurant a go, but a restaurant on the second floor of a building with virtually no street exposure is a tough sell. Kudos to her for keeping it going as long as she did.

At the council meeting, city Manager Jeff Fiegenschuh gave a timeline of

mid-July for beginning the demolition process — salvaging what can be reused and getting bids. The work hopefully will be completed by early 2021.

The hotel and condos will still be there, although I expect guests and residents will be a little disturbed by the noise of the demolition and future construction.

Fiegenschuh indicated there were a couple of developers interested in the bare property but that's a decision far down the road.

To me, it would be an ideal location for a convention center type facility with a new, modern kitchen, a couple of banquet rooms, and a restaurant on the ground floor with plenty of curb appeal.

The big issue with any development will be parking. There are times when parking

is a nightmare with multiple events taking place.

Change is never easy. I still hear people complain that the old high school was demolished, although after spending time in the "new" high school I can't imagine why.

Sometimes change is necessary and a good thing.

## Appreciates respect for the flag

Dear Editor,

Recently I was leaving Tilton School shortly before 3 p.m. when two girls raced out the door and stopped at the flagpole.

I noticed they were going to lower the flag.

As I watched, I told them to be sure it didn't touch the ground or it would have to be burned. There was no need to worry – it didn't.

**Brad** 

**Jennings** 

It took me back to May 2018 when a military duo folded the After one girl had flag that was on top of

my brother's coffin the

same way. Thank you, girls, and thanks to whomever taught you respect for the flag.

### The mall as a gathering place is disappearing

OW many of you remember going to the mall?

That magical place where young people went to hang out and socialize more than buy things. The local mall was a place to see and been seen. It was like cruising main street on a Friday night, but you were instead walking around a horribly decorated box with ugly carpet and populated with a lot of stores you never even noticed.

It was a magical place. The first shopping mall was built in the 1950s, but they started coming into their own in the 1970s, before becoming the center of popular culture during the 80s. Going to the mall was a big deal for everyone, but especially teenagers.

I remember when my small town got its first mall, Southgate Mall, back in 1973. It was pretty dinky by mall standards, but to us it was an incredible place to hang out, buy a record, have

a Coke and waste hours on end.

The mall was a few miles from my house. It was on "the mesa" and I lived in "the valley." But if I rode my bike on the irrigation canal banks from my neighborhood south to 24th Street, then east up the hill to Avenue A, where I would take a right, head south a few more blocks and then dodge through

the neighborhood for about a mile, I would eventually reach Southgate Mall, in all of its 1970s glory. There were many weekends

where my friends and I would ride our bikes up to Southgate – this was the era where our parents, lounging with a cigarette after a long work week, just waved us off when we said we were going to the mall - to pick up a record and try to juggle it as we rode home that evening.

I loved the mall. And I have been going to malls in different parts of the country for decades.

But malls are dying, and quickly. Southgate Mall started dying in the 1990s and was torn down in 2014 after years

of being a shell full of mostly empty stores.

Have you been to CherryVale Mall in Rockford recently? It is losing anchor stores quickly. Sears is no more. Bergner's is closed. The furniture store that replace Bergner's is closing.

And it was recently reported that Macy's is also closing many of its stores across the county - including the one in Rockford.

Don't forget that store closings mean job losses, something that should be a big concern. In many cases, these are full-time jobs with benefits, like health insurance. I have written about the gig economy before, where people are basically independent contractors making little money and enjoying zero benefits. That is the future for many of those losing jobs.

With more and more people ordering everything from electronics to furniture to clothes online, we will see more local retail closures in the future. Malls will be something that our grandkids will read about in books, but probably won't have much experience with.

Sure, I am sad to see the slow death of malls. They were an important place for people for decades, and many of us grew up in malls. They were a great social and retail hub for many commu-

Losing them means losing a little piece of what a community is supposed to be. Instead of being out and about, we can just order what we need on our phones and not have to deal with other people at all.

I wonder what that will mean for society in 30 years? Not sure I want to know.

## COMMUNITY

### Scholarships available

**OGLE COUNTY**—The Foundation for Focus House and Community Programming announces scholarship opportunities for students in Ogle County.

The F. Lawrence Lenz Scholarship Fund was established in April 2003 by his family following his death. As an Ogle County Circuit Judge, Judge Lenz elected to be the juvenile court Judge. In his capacity as juvenile judge, he was one of the instrumental supporters of the opening of Focus House in 1975. From the bench he believed in the value of having community-based programs and was an advocate of Focus House until his death. One \$500 F. Lawrence Lenz Scholarship will be awarded.

The LaVerne Adams Scholarship Fund was established in May 2002 following Mr. Adams' death. A long-time resident of Ogle County, Mr. Adams sat on the Ogle County Board from 1972 until 2002. At the time Focus House was established in 1975, Mr. Adams was appointed and served as the chairperson of the county committee that oversaw the operation of the program. His family started the scholarship in LaVerne's name due to his commitment to the youth of Ogle County and the Focus House program. One \$500 LaVerne Adams Scholarship will be awarded.

Foundation for Focus House General Scholarship The Foundation for Focus House and Community Programming exists to receive and administer contributions, gifts, memorials and bequests for the exclusive purpose of enhancing programming at Focus House and offering community programs that enhance, enrich and supplement individuals involved in Court Services. Two \$250 Foundation for Focus House General Scholarships will be awarded.

#### **Applicants**

Applicants must be Ogle County residents that are graduating from high school or already enrolled or attending a post secondary institution. The scholarships focus on positive impact or personal growth that the applicants have made in their lives or in their community.

A priority is given to past Focus House residents, former probationary clients, youth that have had police contact or youth that are studying criminal justice, but all students are welcome and encouraged to apply. Past recipients have enrolled in a variety of educational programs including: four-year college, two-year community college, CDL training, CNA training, and other vocational programs.

No program is too big or too small to be considered. The Scholarship Committee looks forward to reading about successful youth in Ogle County.

Applications can be obtained by clicking on the scholarship info link at https://www.oglecounty.org/departments/ focus house 2/scholarship.php or request by e-mail by contacting Jeni Hardin at jhardin@oglecounty.org.

### Village of Progress enjoys some dancing and karaoke

**OREGON** – The Oregon Park District Staff spend many hours preparing and decorating for their annual Daddy Daughter Dance & Mother Son Date Night.

This year, the Park District staff decided that even more people should enjoy the dance, decorations and fun. So, we decided to invite the consumers at the Village of Progress to come and enjoy the dance. The theme this year was a 1950s Sock Hop which everyone loved and got a kick out of singing karaoke to some of their favorite 50s tunes. They enjoyed doing the twist, showing off their dance moves to YMCA, and were all smiles during the balloon drop.

The Oregon Park District was very pleased with the success of the Special Needs Sock Hop. In addition to dancing, consumers enjoyed pizza, refreshments, games, decorating a picture frame and the bright red Chevy photo

Everyone enjoyed the music, dancing, expressing themselves, hanging with friends, and all the fun that special events offer to all ages and abilities.

It was a joy to see them smile and having fun. Special thanks to all the Oregon Park District staff that made this event possible both from the Park District and Village of Progress.

A big thanks to the volunteers who also helped and to Niki Hunt Photography who donated her time and talent to photograph the participants and help them keep the memory of the first Oregon Park District dance for them alive.

Hubs compete in opening matches of IHSA 2A Rochelle Sectional

BY RUSSELL HODGES SPORTS EDITOR

**ROCHELLE** — Ben

Harvey learned the hard way how quickly a wrestling match can turn during the IHSA 2A Sycamore Regional this past weekend. Harvey had full control over Aurora Christian's Alex Knauf in the 182-pound finals, taking a 6-1 lead into the second period before Knauf threw Harvey to his back for a quick pin, ending the bout in a matter of seconds. The loss humbled Harvey, who will be looking to see Knauf again this weekend, this time in the final round of the IHSA 2A Rochelle

"It showed me that anybody can win at any point in time, which is a huge part of wrestling," Harvey said. "I need to stay out of more dangerous situations. I was high and I put myself in a bad position... I need to focus on what the best situations are for me during each match."

## Sophomore team enjoying successful season

Hubs contending for conference title, finding roles with varsity group

BY RUSSELL HODGES SPORTS EDITOR

**ROCHELLE** — The sophomore Hubs are on pace for over 20 wins this season, and a handful of them are already making their presence felt on the varsity basketball team.

Rochelle's sophomore bunch continued its climb up the Interstate 8 Conference ladder this past week, defeating Plano 58-52 and moving to 19-5 overall and 7-3 in the conference. With only four conference games remaining in the regular season, the Hubs maintain sole possession of second place, and an Interstate 8 championship is still in sight.

"A lot of us have been playing since we started travel ball in fifth grade," said 6-foot-4 sophomore Ryan Simmons. "Even though not all of us played at the middle school, we've bonded really well over time and that's how we play well. My coaches want to me score as much

## **HUB SPOTLIGHT**

(PHOTO BY RUSSELL HODGES)

Senior Keegan Davis-Carter is having the best wrestling season of his high school career, thanks to a significant improvement to his conditioning.

### Maximum effort fueling Hub senior Davis-Carter

BY RUSSELL HODGES

SPORTS EDITOR

Senior Enior Enior

Armed with more stamina and physical strength, Davis-Carter turned around a disappointing junior campaign and has become one of the Rochelle wrestling program's top competitors. Entering this weekend's IHSA 2A Sectional with a 28-9 record, the 138-pounder has grown tremendously after going 18-22 last season. Davis-Carter's improvements are reflected in the team's results as well, with Rochelle finishing 18-4 in head-to-head duals.

"We weren't expecting to have this great of a season, but our young wrestlers really stepped up and our seniors wrestled well," Davis-Carter said. "My coaches have been on me about working hard in the mat room. My junior season wasn't the season I really wanted... I definitely couldn't wrestle three periods, and I think that's the biggest jump I've made this year. I tried scoring as many points as I could this year, and I think I did that well."

Davis-Carter will represent Rochelle in the individual sectionals for the third time in his prep wrestling career after advancing as a freshman and as a junior. While Davis-Carter competed for the Hubs in the IHSA Dual State Championships his sophomore season, the senior would like nothing more than to qualify for state in front of the home fans at RTHS this weekend.

"I have a lot of motivation to perform well, especially since this will be my last time competing at RTHS," Davis-Carter said. "I want to put on a show for the fans because we're going to have a lot of them in the gym supporting us."

A multi-sport student-athlete, Davis-

Carter started wrestling when he was 6 years old, and he began playing football with the Rochelle Junior Tackle program around the same time. A two-time starting varsity cornerback for the Hubs, Davis-Carter said the hand-fighting techniques he uses in the wrestling room have been partially developed from his time on the gridiron.

"Wrestling and football go hand-in-hand for me," said Davis-Carter, who's currently weighing offers to compete collegiately in both sports. "Ineed to get low for a takedown in wrestling, much like I need to get low for a tackle in football. Football has definitely helped me a lot."

While Davis-Carter and the Rochelle wrestlers have enjoyed quite the successful season, those triumphs didn't come easily. After a tough 2018-19 campaign where the Hubs finished 9-19 overall and fell to the bottom of the Northern Illinois Big 12 Conference, Davis-Carter and his teammates knew they needed to improve greatly in order to have any success this winter.

"Our upper weights have always been strong, but our lower weights have improved a lot," Davis-Carter said. "Grant [Thompson] and I have improved a lot and having Caleb [Nadig] come in was huge for us. Our lower weights have gotten much better, and [Alphonso] Vruno coming in as our head coach was big for us."

Davis-Carter is hoping his aggressive wrestling mentality will lead to glory during the sectional tournament this weekend. With 30 wins and a possible state qualification in sight, the 138-pound senior will leave everything out on the purple and white mats at RTHS.

"I'm a go-go-go type of wrestler and I want to score a lot of points," Davis-Carter said. "I don't want to win by only a few points. I'm not satisfied if I can't beat my opponent by five or more points. I know I have to be focused if I'm going to go out there and perform my best."

## **HUBS:** Harvey wins twice to lead Rochelle wrestlers

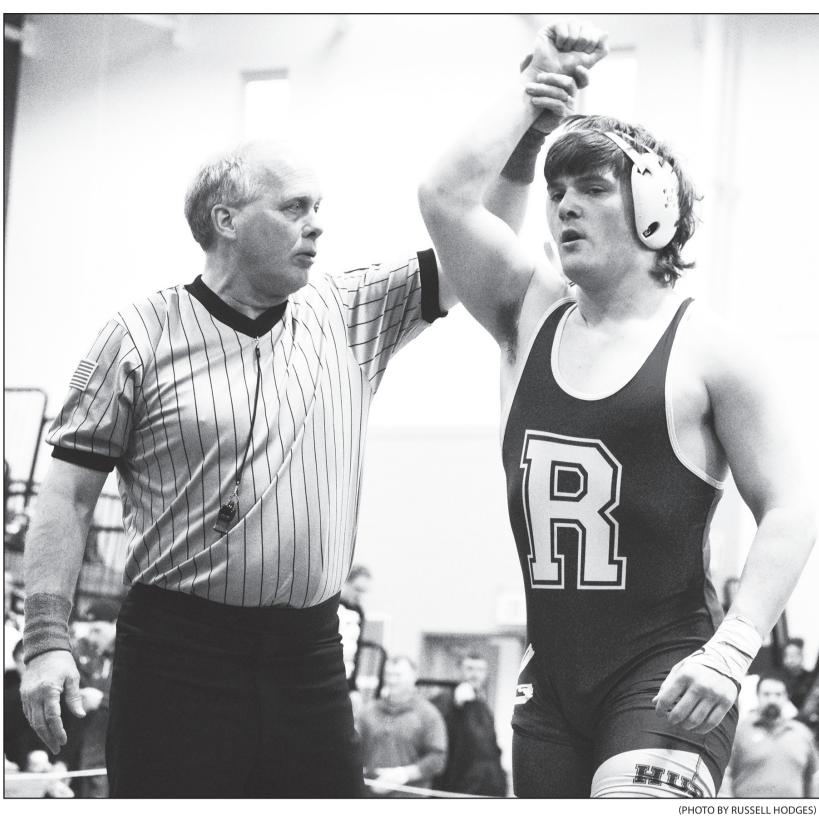

From page 1

A victory would boost him into the championship match, where he could potentially see Knauf in what would be a rematch of the Sycamore regional

"I learned that [Chavers] is really everywhere and he's really loose and flexible," Harvey said. "I need to be really technically sound. He throws a lot, so I need to work on keeping my hips back and defending him. If I go out there and perform how I know I can, I think I can win."

Harvey was one of six Rochelle wrestlers competing in the sectional tournament Friday. Four Hubs grappled in the first round including seniors Keegan Davis-Carter (29-10) and Gavin Ansteth (25-11), who each won their opening bouts. Theory" and loved Laurie Metcalfas Sheldon's mother. The actress who now plays his mother on the spin-off series "Young Sheldon' has so many of Laurie's facial expressions, quirks and attitude. My daughter said that they are mother and daughter. Is that a fact? -- A.V. A: Your daughter is correct. Actress

Q: I've always enjoyed "The Big Bang

Zoe Perry is the offspring of Laurie Metcalf ("Roseanne") and actor Jeff Perry ("Grey's Anatomy"). Zoe's first acting role came in the early 1990s on a couple episodes of "Roseanne," where she played Metcalf's character, Jackie, as a young girl. For those who haven't tuned in, "Young

Sheldon" is a sitcom that takes place in the early 1990s and airs Thursday nights at 8 p.m. ET on CBS.

O: Why does there have to be such annoying, loud background noise/music throughout so many shows these days? My main complaint is with the three "Chicago" shows on Wednesday nights and also "New Amsterdam." They are all NBC shows, and I have written a complaint to that network, for all the good it will do, but I'm reaching out to you as well. Can you help?--L.T.

A: I wish I had the power to change it. Take some comfort that you are not alone. While researching the issue online, I found many complaints from viewers that they were not able to hear the dialogue due to the blaring background music. Alas, these complaints went back several years, and since it's still an issue it's obvious that NBC hasn't done anything about it and, I

fear, doesn't plan on changing its ways. Some people online theorized that the sound distortion is due to our modern flat-screen TVs. The speakers are smaller than the ones on the large tube TVs of the past. However, it wouldn't be an issue at all if the networks would cease with the loud music! **Zoe Perry** In the meantime, keep those letters

coming to NBC. If more people write thematwww.nbc.com/contact-usthenperhaps they will listen.

Q: What happened to the "SEAL Team"

suddenly disappeared and hasn't been on for weeks. What happened? Please tell me it hasn't been canceled! -- J.P. A: "SEAL Team," which stars David Boreanaz ("Bones") as a member of the elite Navy

program? I watched it regularly and then it

SEALs, was in its third season on CBS when it took a planned break this winter. Fortunately, it will be back with seven new episodes beginning Wednesday, Feb. 26. Joining the cast in 2020 as recurring charac-

ters are Rachel Boston ("Witches of East End") and Tim Chiou ("iZombie"). Boston plays a childhood pal of Sonny's (AJ Buckley), and Chiou will play a new member of the SEAL team who thrives on tough conditions. I think "SEAL Team" will be around for a while. In fact, it earned some of its highest ratings just this past December.

"Our guards do a lot of the important things, and I'm down low and looking pretty until they get open and pass the ball to me. I definitely think our success on the sophomore team has helped prepare us for playing on the varsity team. My role is similar with the varsity team. I'm down low if they need me, and I can either kick the ball out or go up and score."

While Simmons and Sanford have earned more prominent roles with the varsity group, sophomores Tanner Lager and Adam Kemp are receiving the chance to dress and work for minutes on the varsity team as well. Despite missing a few months with an injury, Lager dominated with 28 points in the sophomore team's 58-48 win over Stillman Valley on Feb. 5 before chipping in seven points during the varsity team's victory against the Cardinals.

"We've had great team chemistry and we've been playing together for a long time," Lager said. "I want to be a team player and I want to help everybody be where they should be. We compete with the varsity players a lot and we push each other to be better."

Zach Sanford shoots over an Oregon defender during a sophomore game earlier this season.

Kemp played sparingly for the Hubs earlier in the season, with his breakout performance coming in the varsity team's 80-45 blowout over Mendota on Jan. 4. Kemp entered off the bench, drilling a 3-pointer in the second

quarter and earning props from head coach Tim Thompson for his effort diving for loose balls on defense. The win included a string of three straight triples from Simmons, who scored a season-high 12 varsity points in the game.

"We've gone through our ups and downs, but we play well as a team," Kemp said. "I handle the ball a lot for the sophomore team, but my teammates really help me with that. A lot of us are capable of making shots. I'm there

### Lady Hubs drop game with L-P

BY RUSSELL HODGES

SPORTS EDITOR

LASALLE—After going scoreless during the first quarter of their matchup with the Dixon Duchesses on Tuesday, the Lady Hubs opened Thursday's Interstate 8 Conference basketball game at LaSalle-Peru with an early advantage.

Rochelle held a 9-6 lead over the Cavaliers before LaSalle-Peru broke the game open in the second quarter, scoring 19 consecutive points and dominating the Lady Hubs 37-11 over the second and third quarters. Behind 14 points and nine rebounds from 6-foot-2 forward Rhiannon Skoog, the Cavaliers defeated Rochelle 58-28.

"We were able to knock a few shots down in the first quarter," head coach Tony Rowan said. "I thought we moved the ball well and I thought we defended well. We just couldn't make shots throughout the game. Their offensive rebounding was really good in the second and third quarters, and they turned on their full-court press after that. The press wasn't giving us trouble initially, but we started to make poor decision when they stretched out their lead."

Lauren Klein also scored 14 points for the Cavaliers, who dropped the Lady Hubs to 4-26 overall and 1-13 in the conference to end the regular season. Sophomore Josie Lundquist led Rochelle with 10 points, while forward Afi Gati grabbed a teamhigh 12 rebounds, with 11 boards coming in the first half. Sam House chipped in seven points for the Lady

"Afi did a great job of boxing out their 6-foot-2

girl," Rowan said. "If she didn't box her out, the ball would have wound up in her hands, and she would be within 3 feet of the basket for an easy layup. Afi blocked her out well and she was staying in good positions."

Rochelle will begin its postseason run as the No. 7 seed in the IHSA 3A Sycamore Regional on Monday at 7 p.m. The Lady Hubs will face No. 9 seed Belvidere, with the winner advancing to play No. 1 seed Sycamore in the semifinals on Tuesday at 6 p.m.

"I think we match up with Belvidere pretty well," Rowan said. "The biggest thing for us is that we can't hang our heads. There were times during the game tonight where, since we haven't had the greatest season, we started hanging our heads and multiple things started going wrong. If we can stay confident in ourselves and be positive, good things will happen along the way."
