County board talks downsizing

BY BRAD JENNINGS

OGLE COUNTY LIFE EDITOR

OREGON – A member of the Ogle County Board has suggested the body reduce its size from the current 24 members down to 16.

At the regular board meeting on Jan. 21, Bruce McKinney, who represents Rochelle on the board, said the county currently has eight districts with three people elected from each district to the board. During a presentation, he suggested lowering the number.

"What I would like to see is us go from eight districts to 16," he said, adding that only one person would be elected to the board from each district.

He said the goal would be to eliminate multiple board members who serve the same area. "This isn't anything unusual," he said of the

change.

For example, Winnebago County has 20 board members, with one person elected from 20 districts. The number of board members in area counties varies, from nine in Carroll County to 24 in DeKalb County.

"I think it would be better representation on the County Board for Ogle County," McKinney said.

Board member Kimberly Whalen asked what would happen to committee assignments if the number of board members was reduced. She said that might put more pressure on board members to fill out committees.

McKinney said that some may have to add another committee to their workload, but the county could also look at combining some committees.

The Ogle County Board (top) discusses a presentation by Board member Bruce McKinney, above, to reduce the number of members from 24 to 16.

Achieving rank

BY ANDREW HEISERMAN STAFF WRITER

Rochelle Township High School student and member of the Rochelle Boy Scout Troop 553, chartered by the masonic lodge, has recently achieved the highest possible rank of Eagle Scout.

CJ Sedlock, a senior at Rochelle Township High School, has been involved in Scouts ever since he was a little kid. He joined the Byron Cub Scout pack as a Tiger Scout, which is one of the first ranks in the

organization.

CJ's parents were responsible for first introducing him to scouts.

"My wife and I are the ones who started him on his scouting path," said Christopher Sedlock, CJ's father and current troop scout master. "I was involved in scouts when I was younger and when he first started out as a Tiger, I was his den leader."

Christopher was also involved in scouts when he was younger, but did not make it all the way to Eagle Scout.

Returning CEO for Rochelle Community Hospital, Gregg Olson, and his wife, Denise, talk to community members who stopped by the special open house held in

the hospital cafeteria Thursday afternoon. Welcome back

Olson returns to CEO position at hospital

BY ANDREW HEISERMAN STAFF WRITER

ROCHELLE – An open house was held in the Rochelle Community Hospital cafeteria Thursday afternoon to welcome the hospital's new CEO.

On Thursday from 2 to 4 p.m., the public had an opportunity to come enjoy snacks and refreshments and meet Gregg Olson, the new CEO, as well as his wife, Denise. Olson was previously CEO for the hospital from 1997 to 2007 but then moved onto a different position for the last 13 years.

The job opening comes after Mark Batty, the former CEO of seven years left the hospital to take another position.

Olson says that a lot has changed in the last 13 years, but he is very glad to be back home.

"The organization has changed since the last time I was here and so have I as an individual, so I need to speak to the people who have been here all this time and listen to better understand the

organization," explained Olson. "For me it is like coming back home, I had a great experience my first time here and I expect to have the same success

the second." Olson's first day back as the CEO of the hospital was Monday, Jan. 13.

He says that his managing style is not to come in and just start making changes right away, but to do a lot of listening and speaking to the people who have been here the last 13 years. This will help him understand where the organization is currently, to help create strategies to where to best move into the future.

Olson says both the staff and the community is what makes the hospital the organization it is today.

"We have a great group of employees, board members and volunteers, I am just thrilled to be back and be part of such a great organization," added Olson. "The people of Rochelle really make this area a very special place, you don't find that in every organization and I have found it here in Rochelle."

Habitat for Humanity awarded \$30,000 grant from Community Foundation of Northern Illinois

OGLE COUNTY — Habitat for Humanity of Ogle County, Inc. Board President Don Schier and Vanessa White-Broome, executive director, are proud to announce that their organization has received a \$30,000 grant from the Community Grants Program of the Community Foundation of Northern Illinois with support from the Dr. Louis & Violet Rubin Fund for its 2020 Rochelle New Home Build & 2020 Ogle County

Seeking to put God's love into action, Habitat for Humanity of Ogle County, Inc. brings

people together to build homes, community and hope. Habitat for Humanity of Ogle County is a 501 (c) 3 not-for-profit organization whose mission is to eliminate poverty housing by building simple, decent affordable houses for people in need, helping to revitalize neighborhoods and communities. With volunteer labor and tax-deductible donations of materials and money, Habitat builds and rehabilitates houses with the help of the homeowner (partner) families.

"By partnering with those qualified in the Ogle County service area, our affiliate provides opportunities for homeownership thus opening doors to security, stability, hope, and a sense of pride in becoming a homeowner," White-Broome said. "We also help existing homeowners to maintain the integrity and value of their home through our Brush with Kindness repair and beautification program. Our housing solutions are designed to empower families and

enhance their Habitat experience with life changing opportunities. The delivery of our housing services in the Ogle County area has been strengthened through community partnerships and by maximizing resources to directly influence lives of those we serve."

Purpose

The 2020 grant funds received from the Community Foundation of Northern Illinois will assist the organization in serving additional families as we continue to fulfill the mission. Since starting up, the organization has been building decent, affordable quality homes for many lower income families that might not otherwise have qualified for a mortgage. The programs are a hand-up, not a hand-out. CFNIL grant funds have continued to benefit the affiliate in serving partner families so that they can reside in quality, affordable homes.

"We are very excited to share this news with everyone in Ogle County, and are very appreciative to the Board of Trustees of the Community Foundation of Northern Illinois, as well as countless other indi-

viduals and businesses

in the area who have supported our organization in one way or another," White-Broome said. "This ongoing support enabled us to serve four families in 2018 and four more in 2019 - families now residing in decent, affordable housing. We are so fortunate to operate in a county that understands and supports the benefits of providing decent, affordable housing options to those in need in our communities. With the assistance of our many loyal supporters, since 2002 we have been able to continue to provide our housing programs in Ogle County. Our goal remains to be working alongside individuals in Ogle County to improve their living conditions by offering opportunities for a more stable life as a homeowner. Hospital warns of phone scam

ROCHELLE — Rochelle Community Hospital has learned that area residents have received scam phone calls from people asking about payments and claiming to be associated with

the hospital.

These are robo-calls that are also tricking you by using the hospital's main number which is 815-562-2181. A phone call made by the RCH Business Office would never have a pre-re-

corded introductory message.

It is always in the your best interest never to give out personal information over the phone. If you receive a suspicious call from someone who claims to represent RCH, hang up.

Feel free to contact the business office at Rochelle Community Hospital at 815-562-2181, ext. 1600 if you have any questions about your bill.

MIRACLE OF **TRANSPLANT ORGANS** We hear a lot about the

miracles of transplantation of human organs. But those "miracles" could become commonplace. Many transplant operations are now routine and make more sense economically than other forms of treatment. For instance, many specialists believe that at least half of the people who begin kidney dialysis each year could have successful transplants instead.

However, there is a shortage of organs so that nearly half of the potential candidates do not receive transplants.

Each year more than two million people die in the United States, but fewer than fifty thousand of them become organ or tissue donors. In some cases, next-

of-kin turn down requests of hospital personnel Often, however, families are never asked about donation. Yet families rarely deny requests when the deceased has indicated

a willingness to donate organs through a universal donor card, a check-off on a driver's license or, discussion with the family.

SCOUT: Senior makes Eagle Scout rank

From page 1

CJ was involved in the Byron Boy Scout Troop until he was 14, when him and his father discovered the Rochelle Boy Scout Troop 553 and made the switch. CJ continued up the ranks of scouts in Rochelle on his journey to achieving Eagle Scout.

To do this, CJ had to first complete each of the Cub Scout levels of Tiger, Wolf, Bear and Webelos, all of which included completing many different skills and merit badges that aim to build certain skills such as leadership.

While completing all of the ranks was a lot of hard work, CJ said that it was also very fun, especially going on different camping trips.

"Ît has been a journey, definitely a lot of work as you go up the ranks, but it is a lot of fun too," explained CJ. "We do a lot of fun stuff like camping in the Missis sippi Palisades, learning knots and survival skills and many leadership building activities."

One of CJ's favorite things that the scouts do is going on all of the camping trips at different locations throughout the country.

Once completing each

of the Cub Scout levels, CJ then moved on to the next step in his journey, Boy Scouts. During his time in Boy Scouts, CJ once again

had multiple levels each with different requirements to complete. **Boy Scouts** is broken into seven different levels: Scout, Tenderfoot, Second-class, First-class, Star, Life and Eagle. On top

of the seven levels, scouts working toward achieving Eagle Scout must also hold a certain position for six months as well as complete an Eagle Scout project that aims to better their community.

"The big requirement for Eagle Scout is your lot of paperwork and a lot of approval it needs to go through, but it basically just needs to said CJ.

Examples of positions a scout could hold are senior patrol leader and assistant senior patrol leader.

After finishing his eagle project, CJ had completed everything necessary to earn the rank of Eagle Scout. His official recognition in front of a board of reviews was held on Tuesday, Jan. 7, but the official celebration is being planned for the near future.

Being an Eagle Scout means to go above and beyond to take the extra step.

"It definitely relieving, I was under a lot of pressure to get that done," said CJ. "I would absolutely do it all again, but I would probably not procrastinate so much "

CJ's father is also very proud to see his son follow in his footsteps and surpass his accomplishment.

"I am very proud, I only made it to Life so he made it the extra step that I couldn't," expressed Christopher.

There are only a few other scouts from Rochelle Troop 553 that have achieved the rank of Eagle Scout.

CJ is already looking ahead to sign on as an assistant scout master so he can remain active with scouts for a while yet.

What is the best way to remove snow?

¶HIS is the third week in a row where I have mentioned a winter storm over the weekend. Talk about being in a rut.

Snow removal on city streets is a tough job. You plow the street, but in the process driveways get blocked and people

upset. I have had to deal with a threemound of frozen snow at

Terry

Dickow

Over the weekend an off duty suburban police officer was killed in a car crash. According to news reports, a car smashed into the back of a truck. The driver of that car was charged with driving under the influence. Another vehicle then smashed into the first accident, killing an off duty police officer who was a passenger in the second car. What makes it worse is the driver of the second car was also charged with DUI...and she was also an off duty

We've all heard it: Don't drink and drive. Don't let friends drink and drive. One life was lost and two others are in ruins.

Going to college in Illinois got a little more costly recently. University of Illinois tuition increased

for the next school year which puts the cost of a year at Illinois' namesake in a range of \$31,000

to \$36,000, depending on the campus. Tuition is anywhere from \$9,500 to \$12,200, again, depending on the campus. The other expenses are student fees and room and board.

I value education. But I also wonder if we are pushing college on kids that really would rather not extend their schooling.

We need plumbers and HVAC experts, electricians, welders and auto mechanics. Those careers offer great earning potential and won't cost \$120,000 to become qualified.

Letter to the Editor

Children's shopping trip successful thanks to community

Dear Editor,

The Rochelle Community Action Network would like to extend a heartfelt thank you to the Rochelle community for their continued loyalty in supporting the CAN Children's Christmas Shopping Trip.

This year, because of the generosity of local individuals, civic groups, businesses and community groups, we were able to provide a \$75 gift card for approximately 175 Rochelle children. Along with our donated used coats, again this year we were able to buy new coats through Operation Warm Coats.

Again, this year, we celebrated the season by providing a spaghetti dinner and a fresh salad with LO-CAL produce. Thank you to Alfano's Pizza and MightyVine for the donations that created a healthy family dinner. The Hub City Cruisers also provided toys to be handed out at

Again, this year, the Lee-Ogle Transportation System provided a fun and safe shuttle service for our children and the adult shoppers. Thank you LOTS for assisting with another successful year.

It is wonderful to see those who had enough provide for those who did not. This is the community spirit of Rochelle. We could not offer this program without the generous commitment of financial support and volunteers who make it possible. Thank you all for your giving spirit. You have made Christmas brighter for many Rochelle children.

Special thanks to: Hub

I couldn't survive a survival show

THERE are many places I would love to visit. I love to travel and experience new things.

But, to be clear, I am talking about travel to beautiful places with nice accommodations. There will be no camping. There will be no "roughing it." My mother used to say that to her, camping meant staying in a 2-star hotel. Yes, she was joking. Well, kind of joking.

I am my mother's son. I have camped and have enjoyed it. One night and then back home. If I don't shower every day, I feel like a caveman.

And going to the bathroom out in the wild is simply out of the question. It's not the 1800s, people.

Yet, I love to watch shows like "Alone," and "Life Below Zero." I love to see people who haven't been clean in what looks like weeks

struggling to survive. While I turn up my nose at any exotic food, I don't mind watching total strangers eat the eyes of a caribou they just shot.

That's another thing – If I had to survive in the

wild I simply couldn't. I too harsh, but not a conwould die ... quickly. I have been squirrel hunting, but I am not sure I could shoot a deer or another large animal. I like animals too much, and can buy meat that is already butchered and ready to go at the store.

That doesn't mean I am anti-hunting at all. I am not, and know many people who hunt and enjoy it. It is just not for me.

A reality show starring me would be very different than watching people chop down trees to build cabins or

> set snares to snag their dinner for the evening. No, mine would not look like that at all. Mine would include me look-

Brad ing for the perfect **Jennings** shampoo. I prefer something that smells minty. Not ditioner that will leave

my already limp hair even more lifeless. The cameras could even follow me to the salon where I get my

hair cut. That's right,

the salon. I don't go to a

barber shop. A day in the office editing copy, writing stories and designing pages on the computer is sure to bring in big ratings. Once a month

an episode can feature me at the Ogle County Board meeting. Riveting! Fans can even go

online and decide which Lean Cuisine I should eat for lunch. I might be feeling like Sesame Chicken, but if the fans want Chicken with Almonds, so be it.

After work could include some activities like shoveling show, polishing my Harley-Davidson, which in in the sunroom along with my wife's Harley this time of the year, or breaking down boxes from the all the stuff we get delivered from Amazon.

Instead of carving into a fresh carcass, I would order something from DoorDash.

There will also be the very manly activities of grilling steaks, mowing the yard,

cleaning the garage and trimming my facial hair to perfection.

It might not be the same as seeing someone take down a bear that was destroying their home and then eating its meat and using its pelt for a blanket, but we could get some great shots of me playing the guitar and agonizing over which of the 25 pairs of Converse tennis shoes I

should wear. The point is, not all of us are made for a reality show. I will continue to enjoy these outdoors type survival shows while living a solid – and safe – middle class life. And I won't have to gut anything before I eat.

Thankfully.

Brad Jennings is Editor of The Ogle County Life.

COMMUNITY

RCH Auxiliary announces scholarship application open

ROCHELLE — Scholarships are available through the Rochelle Community Hospital Auxiliary to area students who are planning to pursue careers in the healthcare field.

Seven scholarships are available this year which include the Ward A. and Mabel T. Miller Scholarship. There are two new scholarships being presented this year; one in memory of Judith Stavrakas, past

Auxiliary President, and a Health Informatics scholarship in memory of Chris Powell, RCH Information Systems employee. Health Informatics is the practice of acquiring, studying and managing health data and applying

medical concepts in conjunction with health information technology systems to help clinicians

provide better healthcare.

The \$1,000 scholarships are available to those students who are currently attending or graduates of Rochelle, Ashton-Franklin Center or the Oregon High School district, a current Rochelle area resident (living within 15 miles of Rochelle), an RCH employee or child of an RCH employee. If you have previously received an RCH scholarship, you may reapply after two years.

Applicants should be currently enrolled or have been accepted into an accredited program.

An application form can be found on the hospital's Facebook page or website at www.rochellehospital. com/pressreleases/.

Applications must be returned to Michelle La-Page, RCH Auxiliary Scholarship Chairman, at the hospital by Friday, March 6.

Agriculture in the Classroom (AITC) is a statewide educational program with lessons offered to kindergarten through eighth grade. Its goal is to help students, teachers, and the general public gain greater awareness of the role of agriculture in the economy and society. Ag in the Classroom is offered through the University of Illinois Extension Ogle County in partnership with Ogle County Farm Bureau, Carroll County Farm Bureau, Ogle County Soil & Water, and Carroll County Soil

Ogle County Running Crew seeking new members

OGLE COUNTY — Are you a runner or know someone who is? If so, you'll be interested in the OC Running Crew.

The group wants to expand running opportunities in Ogle County so people feel safe, welcomed and interested in sharing miles with like-minded people. The OC stands for Ogle County and has a Facebook page, Instagram feed and Strava page, @ OCRunningCrew, where you can learn about group runs, find a description of every running trail in the county and ask questions about gear, nutrition and upcoming races.

They've hosted a Christmas lights run in Byron for the last two years where they run approximately 4 miles through subdivisions looking at the best light displays and a New Year's Day run in Oregon to kick off the year right. Other events have been trail runs at Lowden Miller State Forest and the Byron Forest Preserve.

Last year some members of group participated in the OC Running Crew

Gravel Road Marathon which started and finished in Adeline on Dec. 14. Those hardy runners traveled 26.2 miles of mostly gravel roads on a brisk and windy day over the rolling hills and back roads of Maryland and Leaf River Townships. Organizer Chris Remhof from Byron had finisher medals made and Runners Image of Rockford donated finisher

Remhof and his wife Terry, lifelong residents of the area, started the group in 2018 hoping to bring together runners from all corners of Ogle County. The OC Running Crew welcomes all paces and encourages those interested in running, whether roads or trails, to check out the Facebook group for more information

"When I served on the County Board and drove around reviewing zoning issues, you got a sense for how big and different each part of the county is. I want runners in Forreston to check out Skare Park in Rochelle, Byron runners to let loose on the Joe Stengel Trail outside Polo and for everyone to enjoy all the different places we have to run either on pavement, trails or gravel roads, Remhof explained.

Ogle County tentative multiplier announced

SPRINGFIELD-Ogle County has been issued a tentative property assessment equalization factor of 1.0000, according to David Harris, Director of the Illinois Department of Revenue.

The property assessment equalization factor, often called the "multiplier," is the method used to achieve uniform property assessments among counties, as required by law. This equalization is particularly important because some of the state's 6,600 local taxing districts overlap into two or more counties (e.g. school districts, junior college districts, fire protection districts). If there were no equalization among counties, substantial inequities among taxpayers with comparable properties would result.

State law requires property in Illinois to be assessed at one-third (1/3) of its market value. Farm property is assessed differently, with farm homesites and dwellings subject to regular assessing and equalization procedures, but with farmland and farm buildings assessed according to standards based on productivity.

The equalization factor is determined annually for each county by comparing the sales price of individual properties sold over the past three years to the assessed value placed on those properties by the county supervisor of assessments/county assessor.

If this three-year average level of assessment is one-third of market value, the equalization factor will be one (1). If the average level of assessment is greater than one-third of market value, the equalization factor will be less than one (1). And if the average level of assessment is less than

one-third of market value, the equalization factor will be greater than one (1).

Assessments in Ogle County are at 32.99 percent of market value, based on sales of properties in 2016, 2017 and 2018.

The equalization factor currently being assigned is for 2019 taxes, payable in 2020.

Last year's equalization factor for the county was 1.0000.

The tentative factor is subject to change (1) if the County Board of Review takes actions which significantly affect the county assessments or (2) if local officials or others can present data showing that the Department of Revenue's estimates of the average level of assessments in the county should be adjusted. A public hearing on the tentative multiplier will be held between 20 and 30 days after the tentative factor is published in a newspaper of general circulation within the county.

A change in the equalization factor does not mean total property tax bills will increase or decrease. Tax bills are determined by local taxing bodies when they request money each year to provide services to local citizens. If the amount requested by local taxing districts is not greater than the amount received in the previous year, then total property taxes will not increase

even if assessments may have increased.

The assessed value of an individual property determines what portion of the tax burden a specific taxpayer will assume. That individual's portion of tax responsibility is not changed by the multiplier.

Hubs reset, beat L-P

Rochelle rises up conference ladder with 70-58 win over Cavaliers

BY RUSSELL HODGES SPORTS EDITOR

ROCHELLE—Nine unanswered points quick-

ly faded away for the Hubs when Rochelle tried for its seventh straight victory this season with a home matchup against LaSalle-Peru on Tuesday. The Cavaliers fell

down 9-0 to open the game before firing back with 12 consecutive points of their own and forcing Rochelle to spend an early timeout. The Hubs responded with better effort throughout the game, and behind 45 combined points from guards Landan Martin and Garrett Burdin, the Hubs defeated the Cavaliers 70-58 and improved to 11-9 overall.

"I didn't think our minds were in the right place," head coach Tim Thompson said. "We started on a 9-0 run and I think the kids thought it was going to be an easy game. They started making mental mistakes and the other team was able to come back. We weren't being disciplined, and we can't take any team for granted, especially one that was trying for its first conference win."

Martin lit the fire for

Rochelle in the first half, taking LaSalle-Peru defenders off the dribble and using his mid-range game to sink free-throw-line jumpers and score in the paint. The senior guard recorded 19 of his teamhigh 24 points over the first two quarters, leading the Hubs to a 35-22 halftime advantage over the Cavaliers.

"Landan has a nice mid-range game and he's confident when he's around the block," Thompson said. "I think he knew that they didn't have a big enough player to match up with him, and he was able to finish when he caught the ball down there. He does a lot of double-clutching and he holds players off with his body. He's just really good around the basket."

Burdin took the torch in the third quarter, draining three triples while reserve guard Mike Schlenbecker stepped up with five points including a 3-pointer of his own. The Hubs opened the second half on a 16-8 run, and they ended the third quarter with five 3-balls made and a 57-37 lead over LaSalle-Peru. Burdin finished the game with 21 points and five 3-pointers.

Mike," Thompson said. "He's a kid who's been working really hard all year and being a good teammate. He works hard in practice, and we thought that we could give

him some run in a game where we had some kids who were sick. He played well tonight."

LaSalle-Peru didn't leave the building quietly, though, and despite trailing by as many as 25 points in the fourth quarter, the Cavaliers surged back and eventually made it a 10-point game with roughly one minute remaining. The early hole was too steep to climb, however, and the Hubs ended the game with 10 players scoring at least two points.

Hubs split Sterling-Marengo triangular meet

Rochelle grapplers hang on for Tuesday victory at Freeport

BY RUSSELL HODGES SPORTS EDITOR

STERLING — The Rochelle wrestling program split its three-team meet with the Marengo Indians and Sterling Golden Warriors on the road Wednesday at the Musgrove Field-

Rochelle opened the meet with a 45-36 victory over Marengo. The Hubs scored the first 12 points of the match, with Reese Kirk receiving a forfeit in the 152-pound bout and senior Zeke Horn needing only 46 seconds to win by fall over Dylan Stolz in the 160-pound bout. Juniors Ben Harvey and Noah Messer recorded secondperiod pins over Eddie Solis and Jack Heinberg in the 182 and 195-pound

we're trying to find spots in the lineup for him," head coach Alphonso Vruno said. "He showed up to night and wrestled hard. He's doing all of the right things, and he got us some huge team points tonight." Senior Gavin Ansteth

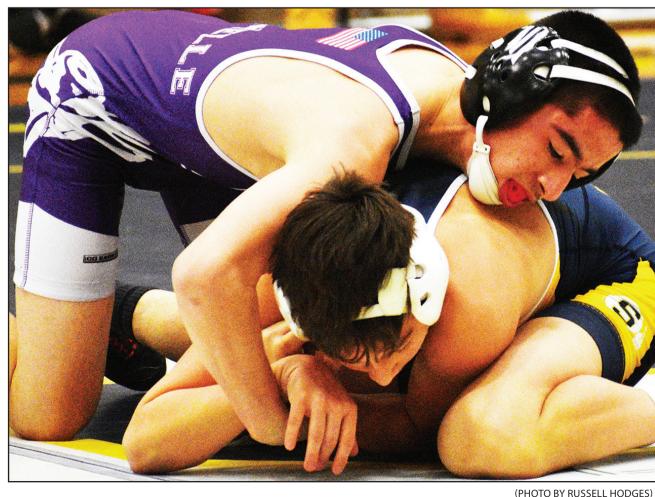

went up a class and edged out Michael Macias 6-4 in the 220-pound bout, scoring a late takedown in the third period to seal the win. Senior Zack Capes followed Horn's 47-second pin with a 48-second pin against Mason Feldt in the 285-pound bout. Marengo held a temporary lead after winning the 106-pound bout by fall and earning forfeits across four weights including 113, 120, 126 and

132 and going ahead 36-33. Needing two wins to close the dual, 138-pounder Grant Thompson and 145-pounder Ethan Tooley

HUBS: Senior Night scheduled Thursday at 5:30 p.m.

From page 1

Rochelle faced the Golden Warriors in the final dual of the evening, falling 43-24 and moving to 17-4 on the season with the Interstate 8 Conference Championship this weekend. The match featured several thrilling bouts including the 170-pound matchup, where Nick Simister slipped past senior Bryan Garza 3-1 with a takedown in overtime. Noah Messer and Ben Harvey answered with back-to-back pins at 182 and 195 to give Rochelle a 12-3 advantage.

Sterling's Jason Farnham and Cade Lyons claimed the 220 and 285-pound bouts, with Farnham topping Gavin Ansteth 7-0 and Lyons pinning Zack Capes in the second period. Junior Ivan Pineda scored a key win to keep Rochelle in the dual, holding off Sterling's Karson Strohmayer 1-0 in the 106-pound bout on a second-period escape.

"Ivan's always been decent on his feet, but he's really stepped up this year," Vruno said. "He stays in a good position and he's defending shots well. He's getting to his snap-downs and his shots more often. He rode that kid for a long time by staying in a good position. I'm really proud of how he wrestled in that match."

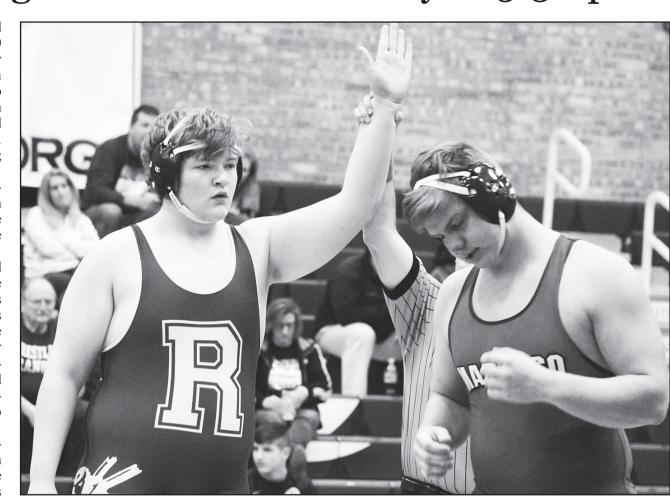

Sterling received forfeits at 113 and 120 while Rochelle's Wesley Brown took a forfeit in the 126-pound bout to set up an intense match between Drew Kested and sophomore Caleb Nadig. Wrestling up a class, Nadig managed to secure a 3-1 lead entering the third period, but Kested rallied with two takedowns across the third period and overtime for a 5-3 sudden victory.

Brayden Porter and Mauricio Garcia won the 138 and 145-pound bouts to put the Golden Warriors ahead 37-21 and seal the dual. Zeke Horn fought for a 3-2 win against Julian Rodriguez in the 152-pound bout before Sterling's Kolten Smith pinned Diego Escobar at 160.

"Zeke has unquestionable loyalty," head coach Alphonso Vruno said. "He cut down to 152 for us earlier in the season, but we had a string of matches where Diego [Escobar] was hurt and it was better for the team to wrestling him up at 160... He hasn't complained one time, and it was nice to see him wrestle well tonight."

the dual match, but the Hubs received forfeits for Reese Kirk and sophomore Ethan Tooley in the 145 and 152-pound bouts to go ahead 12-6. Senior Zeke Horn followed with a second-period pin against Micah McIntosh in the 160-pound bout.

"Ithought the kids wrestled really well," head coach Alphonso Vruno said. "Freeport definitely

has some good wrestlers, especially their upper classmen. As we looked at our lineup, we knew it was going to be a close match, and there were a few kids that we needed to step up. We got some pins where we needed to... Overall, it was a quality win for the team."

Freeport's Keondre Jackson defeated 170-pounder Bryan Garza 8-2 and Matt Chavers fol-

lowed with a fall over Noah Messer in the 182-pound bout. Ben Harvey and senior Gavin Ansteth locked down big pins for Rochelle, with Harvey beating Jahiem Brown in the 195-pound bout and Ansteth taking down Keegen Hodges in the 220-pound bout. Senior Zack Capes took a forfeit for the Hubs in the 285-pound bout.

Pretzel grappler Tyler

Calampinned 106-pounder Ivan Pineda in the first period before Freeport accepted forfeits in the 113 and 120-pound bouts. Sophomore Caleb Nadig kept Rochelle ahead in the match with a 7-5 decision over Jacob Redington in the 126-pound bout. Jaylon Hail earned a 9-4 decision against 132-pounder Grant Thompson in the final bout of the dual.

BOYS: Hub winning streak snapped against Kaneland

From page 1

A short-handed Rochelle boys basketball team did everything it could to battle back against Kaneland when the Hubs faced the Knights on the road Friday evening.

With illnesses keeping players out of the lineup, Rochelle stuck to a sixman rotation throughout the game. While Kaneland surged ahead in the second quarter, the Hubs fought to bring the Knights within five points midway through the fourth quarter. But Kaneland's size and athleticism was too much, as the Knights held on to win 72-65 and drop Rochelle to 11-10.

"We're not a very good box-out team and I think we need to be better at that," head coach Tim Thompson said. "We don't match up with them size-wise... I thought Zach [Sanford] battled well down there, Kaneland give us problems. We really have to be perfect offensively if we're unable to get out of defensive possessions."

Kaneland's Jamari Meeks bounced back from a poor shooting performance in Rochelle's first game against the Knights this season, sinking three first-half triples including two in the first quarter. Seth Gould and Garrett Burdin spearheaded the charge early for the Hubs, scoring nine of the team's first 19 points as Rochelle led 19-16 entering the second quarter.

The Knights opened the second quarter on an 8-0 run, pushing the ball in transition as much as possible and using their size and length to finish around the rim. Kaneland's fast-paced play too some wind out of the Rochelle sails, as the Hubs fell behind 33-24 despite burning two timeouts in the quarter.

Ebert punished Rochelle on the boards, giving the Knights numerous second and third-chance points.

"We had a lot of guys who were sick and just getting their legs back," Thompson said. "We didn't want to put them out there when they haven't done much running recently. We had a shorter rotation which meant we had to play a little differently than we normally do. They took advantage of our 2-3 zone, but the effort was there from our kids."

The Knights took a 38-30 lead into the second half, where Rochelle managed to keep the deficit within single digits entering the fourth quarter. While the Hubs weren't able to create space on the perimeter, seniors Austin Brown and Landan Martin found ways to score inside against bigger and longer defenders. Martin finished with 19

A: If you subscribe to Amazon Prime, come March you'll be able to see Tim Gunn and former "Project Runway" host Heidi Klum in a new series that is very similar. It's called "Making the Cut," and 12 designers will compete in three different cities across the globe to build a "global brand."

According to Deadline.com, "Each week, two episodes will debut, and the winning 'look' of each episode will be available for purchase on Amazon (each look will go for under \$100) immediately after the show in 200 territories where the series will be available." So if you see something you like on the show, buying it will be as simple as clicking "add to cart" on Amazon.com. Also, the winning designer will take home \$1 million "to invest in their brand" and the opportunity to create an exclusive line available on Amazon Fashion. Joining Klum and Gunn as judges will be

actress Nicole Richie, model Naomi Campbell and designer Joseph Altuzarra. "Making the Cut" debuts March 27 on Amazon Prime. Q: When will the new "West Side Story" di-

rected by Steven Spielberg come out? I really hope it's great and not a disaster like "Cats." -- M.Y.

A: The new film adaptation of "West Side Story" wrapped up production last fall, but isn't set to be released until Dec. 18, 2020, according

universally panned "Cats," starring Rebel Heidi Wilson and Judi Dench, is an example of a gamble that failed. A new, separate production of "West Side Story" will be on Broadway begin-

ning Feb. 20. It stars Isaac Powell as Tony and

Shereen Pimentel as Maria. Powell injured his knee in December, so the musical's premiere date

had to be postponed for two weeks.

Q: Is there really going to be a remake of "Walker, Texas Ranger"? If so, will Chuck Norris

be in it at all? -- P.T. A: Yes, like many series and movies these days, a "reboot" is in the works for "Walker, Texas Ranger." Jared Padalecki ("Supernatural") will

begin filming the first episode in Austin, Texas, this spring for the CW Network. The original series aired for eight years on CBS As of yet there has been no announcement of

Norris being part of the regular cast or making a guest appearance, so you'll just have to stay tuned. Send me your questions at NewCelebrityEx-

Perimeter shots foil Lady Hubs against Kaneland

3-pointers nonexistent for Rochelle in 60-35 loss to Knights

BY RUSSELL HODGES

SPORTS EDITOR

ROCHELLE—Kaneland guard Kelsey Modaff scored as many first-half points as the Lady Hubs when the Knights and Rochelle met for their Interstate 8 Conference showdown Thursday.

Modaff drilled three triples in the first quarter, leading Kaneland with 16 points in the first half and 23 for the game as the Knights cruised over Rochelle 60-35 and dropped the Lady Hubs to 3-20 overall. Modaff ended the game with a team-high five 3-pointers.

"She's able to shoot the ball from as much as 25 feet away from the basket," head coach Tony Rowan said. "With how athletic she is, when she can hit shots from that far out, it creates a lot of disturbances for our defense. Even when we tried pressuring her, she was able to cut through the back door for layups. She's a very good player and she's going to make shots."

Sophomore Josie Lundquist (left) and junior Sofia Lenkaitis (right) take drives to the basket during Rochelle's girls basketball game against the Kaneland Knights on Thursday. The two girls combined for 14 points.

Kaneland thrived on the deep ball during Thursday's game, as Modaff and the Knights knocked down seven 3-pointers in the first half while the Lady Hubs failed to convert a single 3-point shot during the game. Kaneland held Rochelle to only 13 points in the first matchup between the two teams this season,

and the Knights were stout on defense once again, leading the Lady Hubs 19-8 after the first quarter and 33-16 at halftime.

"When teams are able

to make some 3-pointers against us, it's mainly because we have slow rotations on defense," Rowan said. "We were watching the ball as opposed to

reacting to the ball and that's not how we want to play. When we give good teams open shots, good shooters will be surprised when they miss, and their shooters were on tonight."

The Lady Hubs found some success in transition during the third quarter, using long inbounds passes to get behind the Kaneland defense and score easy layups under the basket. But without an ability to sink 3-pointers, the early hole was difficult to climb, and the Knights managed to stretch their lead to 49-24 before playing the entire fourth quarter with Modaff on the bench. Junior guard Sam House led Rochelle with 10 points on five made field goals in the loss.

"Sam was aggressive with her shot and she was aggressive off the dribble," Rowan said. "She was jumping for rebounds on defense and getting into passing lanes. She's really come a long way this season and we're only hoping she's going to get better.'

Royals open season with back-to-back victories

Eighth-graders take down DeKalb Huntley, DeKalb Rosette

ROCHELLE — The Rochelle Middle School eighth grade girls basketball team won its first two

games of the season this week. The Royals opened the week with a 48-3 win over DeKalb Huntley on Tuesday behind 18 points from Megan Seebach and 10 points from Hayvin Neale. Sydney Tabor

added six in the win.

Rochelle moved to 2-0 with a 46-18 win over DeKalb Rosette on

Thursday. Seebach netted 22 points, with Neale and Tabor each adding six points. Haley Bozinovich

and Kara Martinez put up four points each. The Royals will face Stillman Valley on Monday.

Rochelle girls take down Lisle

BY RUSSELL HODGES SPORTS EDITOR

LISLE — After dropping their first 10 matches of the season, the Lady Hub bowlers locked down their second victory in three tries on Thursday, when Rochelle defeated the Lisle Lions by a score of 1,752-1,592 and improved to 2-11 overall.

Rochelle rallied in the match after Lisle claimed the first game 564-527 behind Brooke Kowalski's 161. Sophomore Alyssa Mickley rolled 160 for the Lady Hubs in the opening game before shooting 170 and guiding Rochelle past the Lions 643-519 in the second game. Sophomore Alyssa Schwanert added 149 for the Lady Hubs in the middle game.

Rochelle sealed the victory with a 582-509 win in the third game behind Schwanert's 145. Mickley finished with a match-best 456 series and Schwanert totaled 400. Vivian Cracco was the top bowler for Lisle with a 378 series.

Sterling

The Lady Hubs competed in the Sterling MLK Tournament on Monday, knocking down 2,971 pins over six team games. Alyssa Schwanert shined for the Rochelle girls, rolling 425 in her first series before firing a 487 in her second series with a high score of 200. Senior Cassie Moore totaled a tournament score of 707 with a high game of 170.

Morris

Rochelle bowled at the Butterfield Invitational this past Saturday in Morris, with three Lady Hubs participating including Alyssa Mickley, who led the team with a 1,072 six-game series that included high scores of 194, 181, 182 and 189. Cassie Moore and Kiya Porter finished one pin apart from each other, with Moore rolling 742 and Porter recording 741.
